The statements in this catalog are for informational purposes only and should not be construed as the basis of a contract between a student and Illinois State University. The course offerings and requirements of the University are continually under review and revision. This catalog presents those in effect at the time of publication. Courses listed in this publication are subject to revision without advance notice and are not necessarily offered each term or each year.

Information regarding changes will be available in the Offices of the University Registrar, the Provost, and the major departments and schools. It is especially important that each student note that it is his or her responsibility to be aware of current graduation requirements for a particular degree program.

Illinois State University takes pride in maintaining a tradition of equitable treatment among all members of its community by promoting a respectful, non-discriminatory environment for learning, working, and living. With this understanding, the University is exceptionally committed to providing equal opportunity for its students, faculty, and staff through prohibition of any discrimination based upon an individual's race, color, religion, gender, national origin, sexual orientation, ancestry, age, marital status, physical or mental disability, unfavorable military discharge, or status as a disabled veteran or veteran of the Vietnam Era.

Furthermore, Illinois State University is committed to a comprehensive program of Affirmative Action which ensures access, equity and fairness in regards to employment, education, and education-related activities for minorities, women, individuals with disabilities, disabled veterans and veterans of the Vietnam Era.

The Office for Diversity and Affirmative Action (ODAA) is responsible for administering and monitoring

the University's equal opportunity/affirmative action policies and procedures, as well as preparing and implementing the Plan for Diversity and the yearly Affirmative Action Plan. Inquiries concerning, or complaints alleging violation of the University's equal opportunity/affirmative action policies should be directed to the Director of the Office for Diversity and Affirmative Action (ODAA). The ADA/504 Coordinator, as well as the Title IX Coordinator may also be reached in the ODAA.

Copies of the Illinois State University Affirmative Action Plan are available for inspection during regular business hours in the following offices: ODAA, Human Resources, and Milner Library. Additionally, the Affirmative Action Plan is also available for inspection at: www.diversity.ilstu.edu.

*The expansion of Illinois State University's policy is within the scope of law and local ordinances. The elimination of this form of invidious discrimination is based upon local statutes and University policy and is to be resolved within existing University procedures.

Confidentiality of Student Records

In accordance with the Family Educational Rights and Privacy Act of 1974, Illinois State University students have the right to review, inspect, and challenge the accuracy of information kept in a cumulative file by the institution unless the student waives this right in writing. It also ensures that records cannot be released in other than emergency situations without the written consent of the student except in the following situations:

- to officials of other schools or school systems in which the student seeks or intends to enroll, upon condition that the student be notified of the transfer, receives a copy of the record if desired, and has an opportunity for a hearing to challenge the content of the record;
- to authorized representatives of

 the Comptroller General of the
 United States, (2) the Secretary of
 the U.S. Department of Education,
 State educational authorities,
 or (4) authorized representative of
 the Attorney General for law
 enforcement purposes;
- parents of a dependent student as defined in Section 152 of the Internal Revenue Code of 1954. (The student will be notified of any such request by University personnel contacting the student and/or by sending a letter to local and home address);
- organizations conducting studies for, or on behalf of, educational agencies or institutions for the

purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students and their parents by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted;

- 5. accrediting organizations to carry out their accrediting functions;
- to comply with a judicial order or lawfully issued subpoena (The student will be notified of any such request by University personnel contacting the student and/or by sending a letter to the last known address of said student). Limited exceptions to student notification are permitted by FERPA;
- to other school officials, including faculty within the educational institution who have legitimate educational interests;
- in connection with the student's application for, and receipt of, financial aid;
- where the information is classified as directory information. The following categories of information have been designated by the University as directory information: name, address (local, home and electronic mail), telephone number, date and place of birth, major, class, Honors Program participant, participation in officially recognized activities and

- sports, weight and height of members of athletic teams, dates of attendance, and course load status, candidacy for degree, degrees (including date awarded) and awards received, and the most recent previous educational agency or institution attended by the student. If a student does not wish such information released without consent, he or she should notify the Office of University Registrar, 107 Moulton Hall, Campus Box 2202, prior to the first day of classes:
- disclosure to appropriate persons is in connection with an emergency, and the information is necessary to protect the health and safety of the student or other persons;
- 11. disclosure of the final results of a disciplinary proceeding conducted by the University is to an alleged victim of any crime of violence as that term is defined in Section 16 of Title 18, United States Code, or a nonforcible sex offense. This information shall contain only the name of the student, the violation committed, and any sanction imposed by the University on that student. The name of any other student (such as a victim or witness) will only be released with the written consent of that other student.

Questions concerning the University's policy concerning release of student information and the procedures for contesting the content of cumulative files may be directed to the University Registrar, Moulton 102, Campus Box 2202, (309) 438-2188.

University Calendar, 2007-2008

2007 Summer Session

May 21	Opening of summer session.
May 28	Memorial Day holiday

June 1 Last day for undergraduate students to apply for graduation at end of summer session.

July 4 Independence Day holiday - no classes.

August 10 Summer session ends. August 14 Grades due by 9:00 a.m.

2007 Fall Semester

Aug. 13-19 Registration and program change. Please see registration information at www.registrar.ilstu.edu.

- Aug. 19 Last day to withdraw from classes with a full refund of tuition and fees.
- Aug. 20 Classes begin.
- Aug. 24 Last day for late registration.
- Aug. 24 Last day for program change.
- Sept. 3 Labor Day holiday.
- Sept. 14 Last day for undergraduate students to apply and pay fee for graduation in December.
- Oct. 12 Last day to withdraw or to remove credit/no-credit option from a full semester class.
- Oct. 13 First half of semester ends.
- Oct. 15 Second half of semester begins.
- Nov. 17 Thanksgiving vacation begins at 12:00 noon.
- Nov. 26 Classes resume.
- Dec. 8 Last day of classes.
- Dec. 10-14 Evaluation and review period.
- Dec. 14 Fall semester ends.
- Dec. 15 Commencement.
- Dec. 18 Grades due by 9:00 a.m.

2008 Spring Semester

Jan. 3-13	Registration and program change. Please see registration information	1
	and the second s	

at www.registrar.ilstu.edu.

- Jan. 14 Last day to withdraw from classes with a full refund of tuition and fees.
- Jan. 14 Classes begin.
- Jan. 18 Last day for late registration and course changes.
- Jan. 18 Last day for program change.
- Jan. 21 Martin Luther King, Jr. holiday.
- Feb. 8 Last day for undergraduate students to apply and pay fee for graduation in May.
- Mar. 7 Last day to withdraw or drop the credit/no-credit option from a full semester class.
- Mar. 8 First half semester ends. Spring vacation begins at noon.
- Mar. 17 Classes resume.
- May 3 Last day of classes.
- May 9-10 Evaluation and review period.
- May 9 Spring semester ends.
- May 9-10 Commencement.
- May 13 Grades due by 9:00 a.m.

The University will accommodate, within reason, students whose religious obligation requires absence from class. Students who are unable to attend class or take examinations for religious reasons should consult their instructors in advance about alternative arrangements.

USING THE CATALOG

The University provides this *Undergraduate Catalog* as a guide to answer some of your basic questions and guide you in the right direction when you need assistance. You are encouraged to review the entire *Undergraduate Catalog* carefully to gain an overview of the opportunities offered by the University, as well as the University's expectations of you.

This publication contains important facts about academic programs and requirements, admission, costs, financial aid, housing, and student services and activities of Illinois State University. For specific information about particular concerns, consult either the Table of Contents or the Index.

In this catalog you will find descriptions of a wide variety of undergraduate programs (majors and minors) in more than 167 separate fields of study. Review the department and school sections for an understanding of the requirements for each of these specific programs. In addition, the Academic Policies and Practices section details the general requirements necessary for completion of the undergraduate degree.

In this catalog you will also find descriptions for the undergraduate courses offered by the 35 academic departments and schools of the University. To learn what specific courses are offered in a given semester, consult your major department/school or the University Web site at www.IllinoisState.edu.

UNDERGRADUATE CATALOG REQUIREMENTS

For a student who attends at least one term of each academic year, graduation requirements are specified in the *Undergraduate Catalog* for the year of entry to the University. If attendance is not continuous, a student must meet the requirements specified in the *Undergraduate Catalog* in effect when he or she reenters the University. If such a student continues in the curriculum chosen originally, the hours earned in meeting the requirements of the original program may apply to the hour requirement of a revised program.

In all instances, the University may adjust graduation requirements to ensure that each graduate of a teacher preparation curriculum meets the course requirements for an Illinois Teaching Certificate.

A student who transfers from an Illinois public community college to this university may choose to meet graduation requirements specified in the Illinois State University *Undergraduate*

Catalog in effect at the time the student entered the community college if (1) attendance was not interrupted (not including summer terms), and (2) transfer to Illinois State occurred within nine months of attendance at the community college.

Since University programs are constantly evaluated and improved, a student may graduate under new requirements published while he or she is in attendance at the University. A student who changes to new *Undergraduate Catalog* requirements, however, must meet all the requirements including General Education and graduation requirements, in that catalog.

GLOSSARY

In reading this catalog, you may encounter some words or phrases that are unfamiliar. The following list defines terms frequently used within the Illinois State community and will help you more easily understand information you will receive from the University.

Academic Affairs One of the four major divisions of the University, headed by the Vice President and Provost, that focuses on educational needs of students.

Academic Good Standing A minimum cumulative grade point average of 2.00, which is required for continued enrollment in the University.

Academic Progress Alert An assessment of the undergraduate student's performance in each 100-level course in which the student is enrolled. This assessment is available through the iCampus Portal by accessing www.icampus.ilstu.edu at the end of the first half of the semester.

Academic Progress Summary The University's assessment of a student's work toward completing graduation requirements for the bachelor's degree.

Academic Year The period of time commencing with the fall semester (16 weeks) and continuing through the spring semester (16 weeks) and summer term (12 weeks).

Advanced Placement Program Sponsored by the College Entrance Board, this program allows students to be awarded credit or exemptions from required courses based on test scores.

Also offered as (cross-listed course) means that the specified courses are identical and are thus considered interchangeable in meeting all requirements.

Alumni Individuals who have attended or graduated from a particular college or university.

Audit The completion of a course taken without credit.

Bachelor of Arts (B.A.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; required field(s) of study; and a foreign language requirement.

Bachelor of Fine Arts (B.F.A.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; and art field of study requirements for B.F.A. degree.

Bachelor of Music (B.M.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; and music field of study requirements for B.M. degree.

Bachelor of Music Education (B.M.E.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; music field of study requirements for B.M.E. degree; and professional education requirements.

Bachelor of Science (B.S.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; field(s) of study requirements; and an additional course in science, mathematics, statistics, or technology beyond the General Education requirements.

Bachelor of Science in Education (B.S. in Ed.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; Teacher Education approved major; and professional education requirements.

Bachelor of Science in Nursing (B.S.N.) Degree Degree earned by students who complete the General Education requirements; general requirements for graduation; and nursing field of study requirements.

Bachelor of Social Work (B.S.W.) Degree Degree earned by students who complete the General Education requirements: general requirements for graduation; and Social Work major requirements.

Board of Trustees The governing body for Illinois State University.

Clinical Experience A part of the program that allows for observation, participation, studies of individual pupils or clients, individual field work, and practicums both on and off campus.

College Level Examinations Program (CLEP) A program that allows students to receive credit by examination rather than completing course work.

Credit Hour A standard unit of measuring course work; credit hours are assigned to a particular course and count toward graduation, except in remedial courses. Typically a course that meets for three hours a week is worth three credit hours.

Cross-listed Course Course offered by more than one department, but treated as one course for credit purposes.

Curriculum A program of study covering the entire undergraduate or graduate career and designed to satisfy the requirement for a degree.

Daily Vidette, The Illinois State's student newspaper, published Monday through Friday during the academic year except for semester breaks and once a week during the summer. Articles and notices are directed toward the interests of students and employees.

Dean The highest administrative officer of a college.

Department Chairperson An administrative officer holding faculty rank; responsible for the primary unit of academic organization.

Email An electronic system of sending and receiving messages. Students are strongly encouraged to use the University email program to facilitate communication with faculty and staff. Instructions for using the system are given during orientation.

Enrollment Verification Undergraduate students for fall and spring are considered full-time if they are enrolled 12.0 or more semester hours, half-time if they are enrolled fewer than 12.0 but at least 6.0 semester hours, and part-time if they are enrolled fewer than 6.0 semester hours. Undergraduate students for summer are considered full-time if they are enrolled 6.0 or more semester hours, half-time if they are enrolled fewer than 6.0 but at least 3.0 semester hours, and part-time if they are enrolled fewer than 3.0 semester hours.

Escrow Credit Credit awarded to registered nurses for their previous learning in the field of nursing.

Finance and Planning One of the four major divisions of the University, headed by the Vice President for Finance and Planning, that focuses on financial management and planning.

First Year LinC (Learning in the Communities) Freshmen transition program offered fall semester: provides a small community structure that promotes connections with peers, faculty and staff; provides experiences to learn about resources of the University; and offers opportunities to become involved in university life. First Year LinC students are enrolled in several courses with the same small group of students.

Formerly Offered As A course previously offered under a different number or title. The course is interchangeable with the previous course number or title.

Free Application for Federal Student Aid (FAFSA) The form required for financial aid consideration at Illinois State University.

General Education Program The integrated 42 credit hour foundation courses in subjects outside a student's major that must be completed to obtain a baccalaureate degree.

Grade Point Average (GPA) The total number of grade points divided by the total graded semester hours attempted at Illinois State University.

Honors Program Program designed to serve the needs of academically talented, highachieving students.

iCampus Portal The iCampus portal, at www.icampus.ilstu.edu, allows students to register for classes, confirm attendance, to view their grades, schedule, textbooks, financial aid status, email, Redbird card balance and more through a Web browser from anywhere in the world.

Illinois Articulation Initiative (IAI) A statewide agreement among more than 100 public and selected private institutions, designed to facilitate transfer between colleges and universities within the state.

Illinois Board of Higher Education (IBHE) The board that oversees and coordinates all public higher education in Illinois.

Independent Study Intensive study in a special area of the student's interest under the direction of a faculty member. Each individual investigation is to culminate in a comprehensive written report and/or examination and/or artistic project. A maximum of 6 semester hours may be applied toward graduation.

In Exchange The group of four artistic structures and green space between Old Union/Williams and Stevenson Halls

Institute Federal- and state-sponsored (or similar) short-term programs requiring treatment of

subject matter of a special nature, often for special groups. Courses taught as institutes are designated by the number 397.

Interdisciplinary A program or course that spans two or more academic disciplines.

Major A cohesive combination of courses, including introductory, intermediate, and advanced course work, that designates a student's primary area of specialization.

Matriculation Enrollment in a degree-granting program at a college or university.

Minor A combination of courses designed to provide a cohesive introduction to an area of study beyond the major. Minors are designated on University transcripts upon receipt of degree.

Nonresident A student whose principal residence is not in Illinois

Nontraditional Student A student who does not fit the typical profile of undergraduate students.

Not for credit if had (course) Content overlap exists between the specified courses such that students should not be able to count both toward graduation. Such courses are not, however, considered interchangeable in meeting all requirements.

Office of Enrollment Management and Academic Services A unit that assumes a leadership role in monitoring on-campus enrollment by coordinating the establishment of enrollment targets for academic programs and the University; works toward providing students with a seamless transition to Illinois State from admission to graduation; coordinates academic support and transition services for prospective and currently enrolled students; and oversees the functions of the Office of Admissions, the Financial Aid Office, the Office of the University Registrar, and University College.

Office of University Registrar An academic unit that maintains academic records, awards transfer credit, and provides enrollment verification, transcripts and course registration. Student questions can be answered in Moulton 107.

Passages A variety of social activities scheduled at the beginning of the fall semester to integrate students on campus.

PIN Personal Identification Number. A unique number assigned to each student for registration and identification purposes.

Prerequisite Specific requirements that must be completed prior to enrolling in a given class, program, or field of study.

Presidential Scholars Program Program designed to serve a select group of academically-talented students by providing a special curriculum and opportunities for study abroad and community service.

Preview A two-day program held during the summer to orient new freshmen students and their families to campus.

Professional Practice Professional Practice consists of academic/career related work experiences completed for credit either on campus or at a place of business. They may or may not be salaried. A maximum of 16 credit hours may count toward graduation.

Provost The Vice President for Academic Affairs who is responsible for all academic matters.

Quad The open green space at the heart of the campus that is surrounded by academic and administrative buildings.

Research A specific investigation consisting of creating and expanding basic knowledge.

School Director An administrative officer holding faculty rank; responsible for the primary unit of academic organization.

Semester A semester at Illinois State is the 16-week academic session offered each fall and spring.

Seminar A regular meeting of students, under the guidance of a faculty member, in which each conducts research and exchanges information, problems, and results through informal lectures, reports, and discussion.

Sequence A subdivision of a major/minor in which there are specific requirements. Sequences of the same major or minor generally share a common core within a major or minor. Sequences are designated on University transcripts upon receipt of degree.

Student Affairs One of the four major divisions of the University, headed by the Vice President of Student Affairs, that focuses on personal and nonacademic needs of students.

Student Code Enforcement and Review Board (SCERB) The board that oversees appeals of student disciplinary/grievance cases and reviews related policies.

Syllabus A document describing the objectives, outcomes, assessment activities, and structure of a course.

Temporary Course Credit courses that often are used to experiment with a new curriculum, take advantage of the skills of a faculty member who will be at the University for a limited period, or respond to particular interests of students. Temporary courses may not be required within a major or sequence.

Topics Course An organization of subject matter and related learning experiences composed of identifiable subdivisions of topics. The content of the course varies by semester.

Transcript The University's official record of credit or degrees awarded, including the courses taken by a student and the grades received in each course.

Transfer Registration Days Specifically designated days for transfer students to meet with an academic advisor and to complete advance registration.

University Advancement One of the four major divisions of the University, headed by the Vice President for University Advancement, that focuses on public outreach and fundraising.

University Center for Learning Assistance (UCLA) This center provides academic assistance in a variety of subjects through individual and group tutoring, courses, and seminars.

University College An academic unit that provides academic support to all students, advising all freshmen and students who have not chosen a major or been admitted to major programs, as well as students who need help improving their academic skills. University College also advises students in the Major in University Studies.

WGLT A national public radio station affiliate licensed to Illinois State University.

Workshop Intensive and applied work on special problems in one or more subject areas. Workshop opportunities are provided on special problems not covered in any regular University courses.

THE CAMPUS AND THE COMMUNITY

ILLINOIS STATE UNIVERSITY MISSION STATEMENT

We at Illinois State University work as a diverse community of scholars with a commitment to fostering a small-college atmosphere with large-university opportunities. We promote the highest academic standards in our teaching, our scholarship and the connections we build between them. We devote all of our resources and energies to creating the most supportive and productive community possible to serve the citizens of Illinois and beyond.

Adopted by Academic Senate, February 6, 2002

UNIVERSITY COMMITMENT TO DIVERSITY

Illinois State University is committed to creating a rich and challenging learning environment for all members of our intellectual community, inside and outside of the classroom. Diversity is a critical component of that learning environment and the Illinois State University community embraces it enthusiastically. The Board of Trustees and the Office of the President have approved a University Plan for Diversity that establishes a series of goals and concrete actions designed to reinforce and expand the climate for diversity on campus. The goals from the Plan for Diversity are incorporated into the University's strategic plan, Educating Illinois. Diversity is thus an essential component of university planning at Illinois State.

ACCREDITATION

Illinois State University is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. For further information regarding this accreditation contact North Central Association of Colleges and Schools, at 30 North LaSalle Street, Suite 2400, Chicago, Illinois 60602-2504, phone (800) 621-7440 or (312) 263-0456, or the commission's Web site at www.ncacihe.org. In addition, various programs hold discipline-based accreditation. The University is associated with the following professional agencies:

*Accreditation Association for Ambulatory Health Care, Inc. AACSB International: The Association to Advance Collegiate Schools of Business

American Association for Health Education American Association of Family and Consumer Sciences American Chemical Society American Music Therapy Association American Psychological Association Commission on Accreditation of Health Informatics

Commission on Accreditation of Health Informatics and Information Management

Commission on Accreditation/Approval for Dietetics Education--Developmental Accreditation

Commission on Collegiate Nursing Education

American Council for Construction Education

Computing Science Accreditation Board

Council for Accreditation of Counseling and Related Educational Programs

Council on Academic Accreditation of the American Speech-Language-Hearing Association

Council on Social Work Education Commission on Accreditation

Foundation for Interior Design Education Research Illinois State Board of Education

*International Association of Counseling Services National Accrediting Agency for Clinical Laboratory Sciences

National Association of Schools of Art and Design
National Association of Schools of Music
National Association of Schools of Theatre
National Athletic Training Association
National Council for Accreditation of Teacher Education
National Environmental Health Science and Protection
Accreditation Council

National Recreation and Park Association Society for Public Health Education

CAMPUS PROFILE

Illinois State's tree-shaded campus covers 850 acres and provides a study of varying architecture with 61 major buildings, most of which are less than 40 years old and accessible to individuals with disabilities. Buildings range from the castle-like appearance of Cook Hall to the modernistic dominance of the 28-story Watterson Towers residence hall, the high-tech Science Laboratory Building and the College of Business Building.

Classrooms are centrally located, conveniently surrounded by Milner Library, residence halls, athletic arenas, and facilities set aside for recreational or social activities. For destinations that may be too far to walk, a bus service runs through campus at no cost to students with a valid Illinois State University I.D. It also accommodates students with disabilities unable to use the regular bus system and those students who live in areas not serviced by established city routes.

^{*} Non-academic accreditation of services.

Campus facilities include:

- Milner Library, which has 1.6 million catalogued books, 5,000 current magazine and journal subscriptions, 16,500 electronic journals, 400,000 printed government publications, 440,000 maps, and 32,000 multimedia items. Milner's Web site (www.library.ilstu.edu) serves as an electronic gateway to library resources, services, facilities, and staff. In addition, Milner's "Ask a Librarian" service provides online access to live reference through Instant Messaging and email reference assistance.
- Bone Student Center, including 3,500-seat Braden Auditorium and the adjacent Bowling and Billiards Center.
- 13 residence halls.
- The College of Business Building, the newest addition to campus, is around 118,000 gross square feet of classrooms, conference rooms, and offices equipped with state-of-the-art technology. Other special features include an auditorium with seating for over 200, a 5-story atrium, and a central courtyard.
- The Science Laboratory Building, a state-ofthe-art facility, that provides to students and faculty new opportunities for instruction and research.
- Student Services Building, including a modern, accredited, comprehensive health service.
- The Center for Performing Arts, with a 450 seat proscenium theater and an 800-seat concert hall, provides a high quality venue for performances.
- 18-hole championship golf course, 11 tennis courts, and a Student Recreation Center that offers features of a full-service health club.
- Redbird Arena and Horton Field House, which seat 10,005 and 8,000 respectively.
- Numerous visitors' attractions that include a planetarium, one of the largest art galleries for rotating displays in the state, ISU's fully operational 360 acre farm at Lexington, and the Jesse Fell Arboretum that includes more than 4,000 trees representing more than 100 species.

STUDENT PROFILE

Students who choose Illinois State come from across the state, the nation, and around the globe. The diversity that exists within the student body enriches all aspects of the collegiate experience and makes the living and learning environment especially dynamic.

The academic success students achieve at Illinois State is apparent in the University's graduation, placement, and satisfaction rates. Sixtythree percent of first-time freshmen graduate within six years. Responses to surveys of alumni reveal that nearly 94 percent are employed and/or enrolled in further study, and 88 percent believe that Illinois State prepared them for their position.

FACULTY PROFILE

The vast majority of Illinois State's 829 full-time and 274 part-time faculty members hold the highest degrees in their field. Numerous Illinois State faculty have been selected as Fulbright scholars, and many others hold leadership positions in professional organizations and societies. All are committed to excellence in teaching and service, as well as to producing high-quality research, publications, and creative art.

Faculty share their expertise beyond the expected lectures and laboratory sessions, giving students the opportunity to participate in scholarly research. Student work done in collaboration with distinguished professors and outstanding university researchers is showcased each spring in the Undergraduate Research Symposium.

COMMUNITY PROFILE

Illinois State is located in the twin-city community of Bloomington-Normal, with a population of approximately 150,000. Centrally located just 137 miles southwest of Chicago and 164 miles northeast of St. Louis, the community is situated at the crossroads of three major interstates as well as along the Chicago and St. Louis railroad corridor. One of the fastest growing areas in Illinois, Bloomington-Normal enjoys a strong economy that is built on a blend of insurance, education, agribusiness, and industry.

GOVERNANCE

The Academic Senate is the major internal governance body of the University. The Senate acts in legislative and advisory roles with regard to University policies involving faculty and students, academic programs and planning, and University concerns. Based upon the concept of shared governance, the 62-member Senate's representatives consist of 31 faculty members, the composition of which is 29 tenure/tenure track faculty members, one non-tenure-track faculty member and one Faculty Associate from the Lab Schools, 21 students, including the Student Body President, one representative from the Civil Service Council and one from the Administrative Professional Council.

Additionally, the ex-officio representatives are the President of the University, three Vice Presidents, one Associate Vice President, a representative from the Deans Council, a representative from the Chairs Council, and the Student Trustee.

Through the Academic Senate and its external committee system, students, faculty, staff and administrators share in the study and development of policy. Students are encouraged to participate in the Senate-appointed committees and councils such as Academic Planning Committee, Athletic Council, Council for Teacher Education, Honors Council, Council on General Education, Student Center Performing Arts and Advisory Boards, Library, Reinstatement Committees, Student Code Enforcement and Review Board (SCERB), and University Curriculum Committee. Students also participate as members of college and departmental councils and curriculum committees, and serve on search committees for the evaluation of administrative applicants and on ad hoc committees. Application forms for committees for faculty are available from the Academic Senate Office, Campus Box 1830, Hovey 408; (309) 438-8735; email address: acsenate@ilstu.edu. Applications for students are available at the Student Government Association Office, (309) 438-8971.

DIVISION OF UNIVERSITY ADVANCEMENT

Alumni Relations: Alumni traditions were begun in 1863 with the first Alumni Association meeting. Alumni Relations now offers activities and assistance to all Illinois State University alumni and coordinates all programs of the 160,000-member Alumni Association. All graduates are automatic members of the Alumni Association; no dues are required to join. With offices in the Bone Student Center and on Michigan Avenue in Chicago, Alumni Relations' primary goal is to act as liaison between the University and its alumni locally, nationally, and throughout the world.

Together with the Illinois State Alumni Association, Alumni Relations provides the campus community assistance in staying connected to graduates and building pride in students currently enrolled.

Current students may become involved through the Student Alumni Council (SAC), a registered student organization with headquarters in the Alumni Relations office in Bone Student Center, (309) 438-2586.

Foundation: The Illinois State University Foundation is a not-for-profit corporation chartered by the State of Illinois for the sole purpose of soliciting, receiving, holding, investing, and administering gifts, grants, real property, historical papers, collections, and other materials which support and enhance educational opportunities at Illinois State University. It also coordinates an office in Chicago and oversees the management of Ewing Manor. An elected Board of Directors comprised of alumni, friends of the University, and ex-officio campus representatives oversees the policies for the Illinois State University Foundation.

All gifts made to the Illinois State University Foundation are tax deductible as provided by law. Further information about the Foundation may be obtained by contacting the Vice President for University Advancement, (309) 438-7681.

Development Office: The Office of Development works with the Foundation to coordinate long-range programs to encourage private giving from the broad range of the University's constituencies. The financial support generated through private giving provides resources for scholarships, faculty rewards, departmental programming, facilities and equipment and endowments. The Development Office is located in Hovey 401.

Donor and Information Services: Located in Hovey 401, Donor and Information Services maintains the alumni-development information database and provides assistance to development staff and others on campus involved in alumni, fund-raising, and donor stewardship activities.

University Marketing and Communications: University Marketing and Communications provides services associated with print and video media and university promotions. University Marketing and Communications also oversees licensing agreements and produces a number of publications including *Illinois State Alumni Magazine*.

ADMISSION POLICIES

Admission Application and Projected Deadlines

Illinois State University maintains a small college environment within a large university. We value personal attention for each and every student, and our commitment to individuals ensures that your application will be reviewed carefully by admissions representatives.

Illinois State seeks a highly-motivated, academically well-prepared, and diverse student body. Priority consideration for admission will be given to outstanding students whose applications are complete and postmarked during the priority filing period for the term for which they are applying. Applications postmarked during the priority filing period may have an advantage when space is limited. Please refer to the 2008-2009 Undergraduate Application for Admission for more information.

You may apply for admission to Illinois State University online or by downloading an application from the Admissions Web site at www.IllinoisState.edu/apply. Paper applications are available beginning in September from your high school or community college guidance office or from Illinois State University's Office of Admissions. Applicants who are not United States citizens or United States permanent residents should request an international student application. Prospective graduate students should request a graduate application. Applicants 25 years of age or older who are interested in the Adult Learner program should request an adult learner application.

Contact and Visit Information

Prospective students may contact the Office of Admissions through a variety of sources.

Address:

Illinois State University Office of Admissions, Hovey Hall 201 Campus Box 2200 Normal, IL 61790-2200

Telephone: (309) 438-2181 Toll free: (800) 366-2478 TTY: (309) 438-2006

Web sites: www.IllinoisState.edu/admissions

www.IllinoisState.edu/apply www.admissions.ilstu.edu/visit

Email: admissions@IllinoisState.edu

The Office of Admissions encourages students and families to visit campus. Campus Information Sessions, Open Houses and appointments with an Admission Counselor are available. For more information or to make a reservation, visit the Office of Admissions Web site at www.IllinoisState.edu/admissions or call (309) 438-2181 or toll free at (800) 366-2478.

Student Classifications

Beginning Freshman: The following will classify a student as a new beginning freshman.

- 1. A person who has never attended any college or university since graduating from high school. Students earning college hours while in high school will be classified as a new beginning freshman.
- 2. A person who enrolls at any college or university during the summer term between high school graduation and the subsequent fall term at Illinois State University will be classified as a beginning freshman.
- 3. A person who graduates early from high school and attends a college or university during the spring term and begins at Illinois State the following fall will be considered a beginning freshman if the high school transcript posts the graduation date as May or June.

Transfer Student: The following will classify a student as a transfer student.

- 1. A person who has enrolled at any college or university, after graduating from high school, whether or not any work was completed. (Except for students who classify as Beginning Freshman under number 2 above.)
- 2. A person who graduates early from high school and attends a college or university during the spring term and begins at Illinois State the following fall will be considered a transfer student if the high school transcript posts the graduation date as January.

Former Illinois State Student: A person who wishes to return to Illinois State after one or more semesters away from campus.

Unclassified Undergraduate: A person who desires to take classes at the University without working toward a specific degree.

International Student: A person who is neither a United States citizen nor a United States permanent resident.

Undocumented Student: A person who lives in the United States with no documentation stating U.S. citizenship or legal residency as stated under Public Act 93-7.

Special Admissions: A number of conditions under which certain categories of students are admitted (see Special Admissions Programs).

The following sections outline the criteria for the six admission categories previously listed.

FRESHMAN ADMISSION STANDARDS

1. College Preparation

You are encouraged to pursue as rigorous and challenging a college preparatory program as is available at your high school. You must show successful completion of:

- four years of English with emphasis on written and oral communication and literature.
- three years of college preparatory mathematics, including algebra I, geometry and algebra IItrigonometry, or higher.
- two years of social studies with emphasis on history and government.
- two years of laboratory science.
- two years of one *foreign language or two years of fine arts selected primarily from art, music and theatre.
- two years of electives, including courses in any two of the four categories above (excluding English) and/or courses in vocational education and fundamentals of computing.
 - *NOTE: All graduates of the College of Arts and Sciences must satisfy a foreign language graduation requirement that may be met by 3 years of one foreign language in high school or completion of the second semester or higher of college-level foreign language with a grade of C or better or equivalent proficiency as determined by examination. American Sign Language may be used to fulfill this requirement by transfer credit or by proficiency.

2. Guide to Standardized Test Scores, Class Rank and Grade Point Average

- In making admissions decisions, Illinois State considers your grade point average, ACT/SAT scores, high school transcript (including grade trends and rigor of courses completed), your personal statement, high school class rank, and in some cases, letters of recommendation.
- Only results of ACT or SAT tests taken prior to the projected application deadline or the date on which the University stops accepting applications—whichever is earlier—will be considered for admission purposes.
- Of those freshman students admitted for the 2006-2007 academic year, approximately 90% ranked in the top half of their graduating class; 50% ranked in the top quarter of their class. The

middle 50 percent of admitted students earned ACT composite scores of 22 to 26 and the average GPA was 3.47 on a 4.00 scale.

NOTE: It may not be possible to offer admission to all qualified applicants because of a highly competitive applicant pool and space limitations.

3. Personal Statement

Illinois State believes that student motivation and academic preparation are not fully revealed by a student's high school transcript(s) or standardized test scores. The ability to succeed at Illinois State may be indicated by factors which can only be explained in written personal statements.

- Illinois State's admissions process requires the submission of a personal statement, which will be reviewed along with other documentation submitted.
- Your personal statement may be used to comment on your motivation for college-level work, to explain circumstances that may affect our admission decision and that are not readily apparent from academic records, and your desire to attend Illinois State University. This is your opportunity to address the Admissions staff directly—to let the committee know more about you as an individual in a way that statistics cannot.

General Equivalency Diploma in Lieu of High School Diploma

Applicants who use general equivalency diploma (GED) test results in lieu of a high school diploma are required to submit GED test results reflecting the standard of 410 on each of the five tests and an average battery score of 450. Applicants must also submit ACT or SAT results as well as a personal statement.

FINALIZING ADMISSION

- Applicants are required to submit final official high school transcripts by August 1 in order to verify high school graduation prior to enrollment at Illinois State. In addition, official ACT or SAT scores also must be received by August 1. If the scores were not sent to Illinois State University at the time the test was taken, students should request the scores to be sent from ACT or SAT. You may do this online for ACT, www.actstudent.org/scores/ or for SAT, www.collegeboard.com/.
- Admission decisions are conditional until high school graduation and academic prepa-

ration is verified on final transcripts. Admission may be revoked if satisfactory completion of minimum course specific requirements and graduation are not confirmed by the high school transcript.

Withholding information or giving false information to the University may make a student ineligible for admission to the University or subject to dismissal.

TRANSFER ADMISSION STANDARDS

Highest admission priority will be granted to transfer students with the strongest academic records. Of those transfer students admitted for the 2006-2007 academic year, the average grade point average was just above a 3.00 on a 4.00 scale.

Transfer students must have official transcripts sent directly from all colleges and universities previously attended. Students with fewer than 24 semester hours of transfer credit at the time of application also must submit official high school transcripts and official ACT or SAT scores.

1. Guide to Transfer Student Admission Review and Selection

- Many majors have course prerequisites and/or minimum grade point averages to be considered for admission into the major. You should take these courses prior to transferring to Illinois State. Visit www.admissions.ilstu.edu/Transfer/Admission for a link to the Transfer Admission Guide.
- Illinois State requires all students to have a declared major upon completion of 75 hours. Due to this policy, transfer students are encouraged to apply to a major program of study. Transfer students with a high amount of transfer credit will be carefully reviewed and evaluated on a case by case basis for admissibility to the University and to their intended major.
- In making admission decisions, Illinois State takes into consideration the following:

<u>Transfer students with 24 or more completed</u> semester hours at the time of application

- Cumulative college grade point average and, for some academic programs, prerequisite college coursework.
- Good academic standing from last school attended.

<u>Transfer students with fewer than 24 completed</u> semester hours at the time of application

 Cumulative college grade point average and, for some academic programs, prerequisite college coursework.

- High school grade point average, ACT/SAT scores, high school transcript (grade trends and rigor of courses completed), and class rank.
- Good academic standing from last school attended.
- Spring admission is not available for transfer students with fewer than 24 completed semester hours at the time of enrollment.

Calculation of admission grade point average: Illinois State generally uses all grades shown on all college transcripts to determine an admission grade point average. However, for repeated courses, only the last repeated grade will be used in calculating the grade point average for admission. Remedial (non-credit) course work is not used in calculating the admission GPA or number of semester hours earned at the time of application.

NOTE: An Associate in Arts or Associate in Science degree does not guarantee admission. In addition, it may not be possible to offer admission to all qualified applicants because of a highly competitive pool and space limitations.

FINALIZING ADMISSION

- Completed applications and all supporting documents must be on file in the Office of Admissions by the projected fall, spring, or summer term deadlines. It should be noted that admission decisions are conditional until final transcripts are received and conditions as stipulated in the letter of acceptance are met. Admission may be revoked if this information is not confirmed by the final official transcript(s).
- Withholding information or giving false information to the University may make a student ineligible for admission to the University or subject to dismissal.

2. Transferability of Course Credit

- After official transcripts from all previously attended universities are received and soon after admission to Illinois State, the Office of the University Registrar will send you a Statement of Transfer Credit indicating how each course transfers and how it has been used to fulfill Illinois State's curricular requirements. Transfer credit from community colleges is limited to 66 semester hours, plus four credits of physical education courses; credit from four-year colleges and universities is limited to 90 semester hours. Additional credit for military service may be considered.
- If you have completed an A.A. or A.S. from any regionally accredited post secondary institution

- or the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC) at an accredited, participating Illinois college or university, you will be considered to have met the Illinois State University General Education requirements. Students completing an A.A. or A.S. will also have junior class standing. For more information regarding the IAI GECC visit www.iTransfer.org.
- Transfer students who transfer credit from participating Illinois colleges or universities that satisfies some but not all requirements of the IAI GECC may satisfy Illinois State General Education requirements by completing requirements for the IAI GECC at Illinois State or by completing the University's own General Education program. Other students must complete Illinois State's General Education program.
- Illinois State generally accepts transfer courses with earned grades of D. However, certain courses in some major programs may require a grade of C or better. When a student who pursues one of these majors transfers D grade course credit that is equated to an Illinois State course requiring a grade of C or better, the student will have to repeat the course to satisfy the major program requirements.

SECOND BACHELOR'S DEGREE

A student who already has received one bachelor's degree from Illinois State University, or from another college or university accredited for baccalaureate degrees by the appropriate regional accrediting association, may receive a second bachelor's degree at Illinois State University. Students must meet the transfer admission requirements for the major selected and meet appropriate deadlines. (See the Admission Applications and Projected Deadlines and Transfer Admission Standards sections for further details.)

All specified requirements at the time of admission to the program for the second degree must be met, and the program of studies completed for the second degree must include at least 32 semester hours of course work taken after the granting of the first degree, of which 30 hours must be taken in residence at Illinois State. At least 24 of the 32 hours offered toward the second degree must be senior college-level courses numbered 200 and above.

FORMER ILLINOIS STATE STUDENTS SEEKING READMISSION

Students wishing to return to Illinois State after being away for one or more semesters must apply for readmission. Applications may be obtained from the Office of Admissions, 201 Hovey Hall, Campus Box 2200 or from the Admissions Web site at www.IllinoisState.edu/apply.

Students who have been absent from the University for one or more semesters and left in good academic standing, and who have, in the meantime, attended any other institution of higher education must indicate such attendance on the admission application and supply an official transcript from the other school(s). Students must have earned a C average (2.00/4.00) or higher for all course work taken since last attending Illinois State and have been in good academic standing at the last institution attended as a full- or parttime student. Applications must be submitted by the deadline. It may not be possible to offer admission for the term requested due to space limitations. Readmitted students should consult the section on Undergraduate Catalog Requirements to determine which catalog should be used to determine graduation requirements.

Students who have been academically dismissed from Illinois State for poor scholarship must petition for reinstatement. To petition for reinstatement, a student can complete the online petition at the Office of Enrollment Management and Academic Services Web site at www.emas.ilstu.edu.

NOTE: Students seeking reinstatement also must meet the requirements for readmission, as previously explained, by submitting a new undergraduate admission application as well as official transcripts from schools attended after dismissal from Illinois State. Reinstatement information may be obtained from the Office of Enrollment Management and Academic Services, Campus Box 4900, or by going to the EMAS Web site at www.emas.ilstu.edu.

New Start Policy: Students who leave Illinois State in a degree program with less than a 2.00 cumulative grade-point average (GPA) may be considered for readmission through the New Start Policy. Applicants admitted through this policy will begin with a new cumulative GPA calculated from the point of their reentry.

Students may be considered for readmission through the New Start Policy after being away from the University for one full year (Example: A student who last attended the University the Fall 2006 term cannot reenroll through the New Start Policy until the Spring 2008 term.) and only when the requirements of one of the following New Start categories are met: Nontraditional Student, Veteran, or Community College Transfer. These categories are described in detail in the Academic Policies and Practices section under the heading "Additional Academic Requirements" in this catalog and on the 2008-2009 New Start Application for Admission.

The application process includes the submission of the 2008-2009 New Start Application for Admission, official academic transcripts from all schools attended since leaving Illinois State, and a statement describing your potential to do well academically as described on the New Start application. In some cases, additional supporting documents may be requested from the University in order to complete your application. You are strongly encouraged to file an application as soon as possible during the priority-filing period for the term for which you are applying. Application deadlines are posted on the Admissions Web site at www.IllinoisState.edu/admissions and the 2008-2009 New Start Application for Admission.

Students may exercise New Start only once. Such students will have "New Start" indicated on their transcript. New Start will affect only the cumulative GPA. All grades earned at Illinois State, regardless of when earned, will be used in the calculation of the major GPA, the minor GPA, and graduation honors. Students who are admitted through the New Start Policy will be admitted on academic probation and be required to take part in Project Success. (See the Academic Policies and Practices section for further information). Students who reenter under the New Start Policy must follow the *Undergraduate Catalog* in effect at the time of reentry. To be eligible for graduation, a student must earn at least 30 semester hours at Illinois State University after exercising New Start.

UNCLASSIFIED STUDENTS

Individuals desiring to take a class or classes at Illinois State without working toward a specific degree may be admitted as Unclassified students. In general, they must have been out of high school for at least two years and must submit the necessary transcripts and test scores (summer visitors excluded). Applicants also will be required to provide evidence showing prerequisite background for the course(s) desired. Unclassified students must meet the same admission requirements as new students and must maintain the same standard of performance as degree-seeking students. Unclassified students who wish to become candidates for a degree at some later time must meet published requirements for admission into the desired program. Students who hold a baccalaureate degree from a regionally accredited college or university are not eligible for the unclassified undergraduate status. They must apply as a graduate Student-at-Large.

Summer Visitors: Students currently enrolled at another college or university, who plan to continue there, may attend a summer session at Illinois State University by submitting an application and

an official statement of good standing in lieu of transcripts and test scores. A statement of good standing must be issued by the University Registrar or Academic Dean in charge of records from the college or university the student is currently attending. Students entering Illinois State in this manner are admitted as Unclassified Students. Please note that submission of official transcripts may be necessary for placement into some courses.

Adult Learner Program: All persons 25 years of age or older prior to the first day of class for any given semester may apply as an Adult Learner. Freshmen may be admitted without presenting ACT or SAT scores and without proof of high school diploma and/or GED. Transfer students may be admitted without submitting transcripts from schools previously attended if they have not been in attendance at a college or university two years prior to the semester for which they have applied. If attendance has been within two years, students must submit transcripts indicating a cumulative grade point average of 2.00 on a 4.00 scale and be in good standing at the last school attended. Adult Learners who, at some later time, wish to become candidates for a degree must complete 12 semester hours with a 2.00/4.00 grade point average at Illinois State or must submit transcripts of all previous college work and meet minimum university admission requirements. An adult learner application must be completed for admission and may be obtained from the Office of Admissions, 201 Hovey Hall, Campus Box 2200, or from the Admissions Web site at www.IllinoisState.edu/apply.

INTERNATIONAL STUDENT ADMISSION

Application Deadlines: International students may apply for admission in general accordance with procedures for native applicants. Filing deadlines for international student applications are May 1 for the fall semester, October 1 for the spring semester, and April 1 for the summer session.

Materials and Procedures: In addition to the completed application, the following materials are required:

- Official academic records verified with seals and signatures sent directly from the school or examinations council.
- Official Test of English as a Foreign Language (TOEFL) score report sent directly from Educational Testing Service in Princeton, New Jersey. Conditional admission for future completion of the TOEFL requirement is not avail-

- able. Applicants whose native language is English are exempted from the requirement.
- 3. Declaration of finances showing source of support and official documentation of funds available for the first year's expenses is required for all students seeking F-1 status.

Upon receipt of all necessary materials, the Office of Admissions will review the application file, reach an admission decision, and send a Certificate of Eligibility for Non-immigrant (F-1) Student Status with the notification of acceptance.

During orientation week, new international students' written communication skills will be evaluated. The University will administer a test for placement in English 101, Language and Composition, a course required of all Illinois State students. Testing for other skills may be administered to determine placement in a sequence or course of the student's choice.

Eligibility: International students who meet all of the following criteria are eligible to apply as an undergraduate freshman student:

- 1. Earned the equivalent of a U.S. high school diploma from an international institution of secondary or high school level, or will do so within one academic year of application.
- Shown academic achievement equal to a U.S. grade point average of C or better (2.00 on a 4.00 scale) in courses that reflect proficiencies in basic skill areas.
- 3. Earned a total score of 79 on the internet based test (iBT), 550 on the pencil/paper test or 213 on the computer based Test of English as a Foreign Language (TOEFL). International students may substitute ACT or SAT scores as described for United States applicants.

International students who meet all of the following criteria are eligible to apply as undergraduate transfer students:

- 1. Earned credit at a recognized international or accredited U.S. institution of higher education or will do so within one year of application.
- Shown academic achievement equal to U.S. grade point average of C or better (2.00 on a 4.00 scale). NOTE: Some departments have higher than the minimum standard for transfer admission. Refer to *Undergraduate Catalog* descriptions of majors.
- 3. Earned a total score of 79 on the internet based test (iBT), 550 on the pencil/paper test or 213 on the computer based Test Of English as a Foreign

Language (TOEFL). This requirement is waived for students who acquire 60 semester hours while attending a college or university located in the U.S. if the student has resided in the U.S. for at least one year at the time of admission.

SPECIAL ADMISSION PROGRAMS

The University may admit a limited number of applicants with special characteristics and abilities who show the potential for success in collegiate work but who do not meet all the regular admission requirements. The special admissions programs are as follows:

Early Admit Program: Applicants who can benefit from college-level work prior to graduation from high school on a full- or part-time basis (concurrent with high school attendance).

Dual Enrollment Program: Offers qualified high school students an opportunity to take collegelevel classes. Dual Enrollment students are evaluated on a case-by-case basis. If admitted, they are given unclassified student status. They cannot be full-time students while still in high school and must take classes offered on campus.

Talent Program: Applicants who demonstrate an outstanding talent in art, music, theatre, or athletics.

Veterans' Program: Applicants who were Illinois residents at the time of entrance into the Armed Forces, who present a discharge for other than dishonorable reasons showing completion of at least a one-year active tour of duty in the Armed Forces, and whose first attendance at a college or university after discharge is at Illinois State can apply through this program.

Inquiries regarding these programs should be sent to the Office of Admissions, 201 Hovey Hall, Illinois State University, Campus Box 2200, Normal, IL 61790-2200, and should specify the particular program of interest.

Immunization and Medical Requirements for all Students

All students admitted to Illinois State University are required, by Public Act 85-1315 to provide proof of immunity for tetanus, diphtheria, measles, mumps, and rubella. Documentation of immunity must be complete and on file in the Student Health Service by the 15th calendar day of the entering semester. Proof of immunity must include a tetanus/diphtheria booster within 10 vears of attendance at Illinois State: two measles immunizations, both after one year of age and after December 31, 1968; one mumps immunization after one year of age and after December 31, 1967; one rubella immunization after one year of age and after December 31, 1968. All immunization dates must be signed/certified by a physician or public health official. Immunization dates and certification can be documented on the Health History Report that also is required to be on file with the Student Health Service. Please note that a physical examination is not required. International students are required by University regulations to have a TB skin test within 10 days of their arrival on campus. The Student Health Service strongly recommends that all students have immunization against Hepatitis B (a series of three injections), immunization against bacterial meningitis, and a second immunization against mumps.

Information and instructions for meeting the stated requirements are included with the Illinois State University Health History Report Form which is mailed to all incoming students. The Student Health Service recommends completion of the immunization information as soon as possible. Students not in compliance with the immunization requirements by September 4, 2007, (if entering fall semester), or January 28, 2008 (if entering spring semester) will have subsequent semester registrations blocked and be assessed an administrative compliance fee. Further information can be obtained by calling the Student Health Service Preventive Medicine Clinic at (309) 438-8560 or by visiting the Web site at www.shs.ilstu.edu.

THE HONORS PROGRAM

General Information

Honors Program, Corner of North and Fell Streets Campus Box 6100, Normal, IL 61790-6100 (309) 438-2559

Director: Kim Pereira

Web site: www.IllinoisState.edu/honors

The nationally recognized Honors Program at Illinois State University provides enriching educational opportunities for academically talented students. Excellent students committed to their own personal development and to rewarding professional careers find that their Illinois State Honors education prepares them well for professional schools, graduate schools, and for satisfying employment after they graduate. Honors students enjoy the benefits of a small college in the rich context of a large multipurpose university. The University offers Honors students early registration; special courses, taught by distinguished teachers and scholars; close, caring personal advisement by Honors Program advisors; unique opportunities for undergraduate research with world-class faculty scholars; special living accommodations which bring them into close acquaintance with other Honors students in academic and social programs; special awards and recognition; and other benefits.

Successful graduates of the Honors Program attend top law schools, medical schools, and graduate schools. They also obtain outstanding employment in a wide array of professions and careers.

ADMISSION TO THE HONORS PROGRAM

Admission to the Honors Program based on a variety of parameters. In keeping with the Illinois State University mission which describes us as a "diverse community of scholars," we are looking for highly motivated students who are committed to their careers and their community; who have demonstrated success within the classroom and without; who are determined to have a positive impact on the university during their tenure here and on their society after they graduate; and who offer the University diversity of discipline, background, and thinking. Applications require a personal statement designed to give the Honors Admissions Committee a sense of how motivated an applicant is to pursue academic work and to participate in the cultural life of the University. Students already enrolled in the University and incoming transfer students interested in Honors experience and participation may also apply for admission to the Program, and must also submit a personal statement. Acceptance into the program is based on the analysis of all information submitted in applications.

ACADEMIC SCHOLARSHIPS FOR NEW STUDENTS

Illinois State University offers scholarship programs to support academically talented new beginning freshmen and transfer students. Several university-wide scholarship programs are listed below, but various departments, schools, and colleges offer their own academic scholarships, many of which are for new students. For further information, contact the Office of Admissions, the Honors Program, the Financial Aid Office, the Scholarship Resource Office within the Financial Aid Office, or the college or department/school associated with the program of study in which the student is interested. See also the Financial Assistance section of this catalog, which details additional academic scholarship programs.

Presidential Scholarships: Presidential Scholarships are awarded to outstanding students based on academic performance, without regard to financial need. Recipients of these scholarships are chosen by the University Scholarship Committee on the basis of academic accomplishments, as shown by high school academic record, and scores on college admissions tests (ACT/SAT); by demonstrated leadership qualities and evidence of commitment to service as well as an on-campus interview. Presidential Scholars receive an \$8,000 award renewable for up to eight semesters contingent on the student's continued attainment of a 3.30 cumulative grade point average (GPA) and satisfactory progress in the Presidential Scholars Program. Finalists in National Merit and National Achievement Program competitions who enroll as Presidential Scholars and who list Illinois State as their first-choice school receive an additional \$2,000 for the freshman year.

To be considered for the Presidential Scholarship you must be admitted to the University and submit a scholar-ship application by the scholarship deadline which is typically in early January.

Recent Presidential Scholars have ranked in the upper 4 percent of their high school classes, have average ACT composite scores in the lower 30s and higher, and demonstrate other meritorious traits as evidenced by their overall high school records.

Presidential Scholarship winners are automatically admitted to the University's Honors Program and the Presidential Scholars Program, an exclusive academic program combining some of the best courses in the University with a student-selected course of study, involving Honors Program advisors and selected professors around the University. The program is designed to offer participants the advantages of a small liberal arts college within the framework of an outstanding multipurpose university. This program is international in character, requiring an international studies experience and foreign language study. It also has a service learning component, which enables students to earn academic credit for community service by bringing them into contact with local professionals, depending on student interest and career goals.

Honors Scholarships: The Honors Program maintains a program of academic scholarships to support talented new freshmen in the Program. These are tuition scholarships only for full-time study during the freshman year. Incoming students are eligible for these scholarships when they have applied for and been accepted into the Honors Program. To ensure full consideration applicants should submit their applications, available from the Honors Program, no later than March 1 in the spring before they enroll at Illinois State. Students who have applied for a Presidential Scholarship are automatically considered for the Honors Scholarship and do not need to submit a separate application.

Honors students already enrolled at Illinois State are invited each spring to apply for tuition scholarships for the following summer and academic year.

ACADEMIC PROGRAMS WITHIN THE HONORS PROGRAM

Honors Courses: Honors students enjoy special sections of regular university courses, including courses in the General Education Program. They may also enroll in special courses taught by the university's distinguished scholars and teachers, including Advanced Colloquia on various topics, Independent Honors Study, Honors Undergraduate Research, and Honors Service Learning. Among the courses offered by the Honors Program are those listed at the end of this section of the catalog.

Students may also complete an "In-Course" contract, negotiated with the faculty member,

specifying requirements for Honors credit. Work completed in an Honors section or through an approved In-Course contract will result in an "H" on the transcript, reflecting Honors credit, for students enrolled in the Honors Program.

Opportunities for Undergraduate Research and Scholarship: The Honors Program sponsors several programs designed to help students pursue research and scholarship as undergraduates. This is an especially important opportunity for students aiming for advanced study in graduate or professional schools. Honors students have used such research opportunities as a basis for publishing articles, networking with professors in their disciplines, and receiving national scholarships and academic prizes. The Program provides financial support for research through two programs: Honors Research Mentorships and the summer Undergraduate Research grants. Contact the Program for information about special curricular options involving undergraduate research.

Senior Professionals of Illinois State University: The Honors Program works with an organization of retired professionals in Central Illinois and Senior Professionals of Illinois State University to offer mentorships for Honors students at the University. The organization consists of retired individuals from various professions, including lawyers, judges, university faculty and administrators, business executives, accountants, physicians, dentists, and numerous other professionals. These professionals mentor honors students, helping them make connections in their chosen fields, offering them advice regarding their professional aspirations, providing social opportunities for them, and making scholarships available to them. This is a great opportunity, available only to Illinois State Honors students. Honors students may apply for Senior Professional mentorships at any time during their academic careers at Illinois State.

Preparation for Professional and Graduate Study: Illinois State students, including Honors students, frequently plan to seek graduate degrees and training in professional schools, such as law schools and medical schools, after they graduate from the University. The University supports these plans by having pre-law and premedical advisors for students wanting to pursue such professional training. For information about all pre-professional programs and for references to appropriate advisors, contact the Honors Program. Students interested in graduate study should contact advisors in the Honors Program and in their major departments.

Individually Designed Curricula: Honors students may, with the advice of select faculty members and Honors Program advisors, participate in the design of their own educational curricula, reflecting their special interests and goals. This option, called the Faculty Colleague Program, includes individualized curricula for academic majors and minors and for General Education. It allows outstanding students the ability to shape for themselves useful curricular options that might not be available at any other university.

Presidential Scholars Program: The Presidential Scholars Program is an exclusive and unique academic program which offers students holding Presidential Scholarships special curricula both in General Education and in their major course of study; opportunities for study abroad; and select service learning experiences. Presidential Scholars in this program enjoy special social activities, such as dinners with the President, and special advisement. For more information, see the section about Academic Scholarships in the Honors section of this catalog.

Residential Programs for Honors Students: Students in the Honors Program may choose to live in Honors House in Atkin-Colby Hall, depending on availability. Honors House, staffed by student Honors Assistants serving as liaisons to the Honors Office, offers select social, cultural, and intellectual programs for students. Honors students living in Honors House may also move in several days before students moving into other residence halls each fall, enabling them to avoid long lines and crowds often associated with fall move-in. The sense of community found in Honors House makes it a popular residence for Honors students.

Competitive National and International Scholarships: The Honors Program maintains information about prestigious national and international scholarships. Many Illinois State students are eligible and can compete successfully for these scholarships. The Program assists students in applying for scholarships such as the Rhodes, Fulbright, Goldwater, Truman, Marshall, and Udall Scholarships, and many others. Students interested should attend scholarship informational workshops regularly scheduled by the Honors Program, and they should contact the Honors Office for further information.

CONTINUATION REQUIREMENTS

Honors students are required to maintain a minimum cumulative Grade Point Average of 3.30 and are required to complete three hours of Honors credit each semester (excluding summer term).

Honors Probation: Students whose cumulative GPA falls between 3.00 and 3.29 will be placed on Honors Probation, which allows them the opportunity to raise their GPA while enjoying the benefits of the Honors Program. Students must earn a minimum GPA of 3.30 each semester they are on Honors Probation and must raise their cumulative GPA to 3.30 within two semesters. First semester freshmen will be placed on Honors Probation if their GPA falls between 2.70 and 3.29 and must also earn a minimum semester GPA of 3.30 for each semester they are on Honors Probation. First semester freshmen have until the end of their fourth semester to raise their cumulative GPA to 3.30. Students who fail to meet these requirements will be dropped from the program.

Participation Requirements: Full-time Honors students must complete three credit hours of Honors coursework each fall and spring semester. Part-time Honors students must complete three credit hours of Honors coursework for every 15 credit hours completed during the fall and spring semesters. Students who complete more than three hours of honors credit may use these hours toward the fulfillment of this participation requirement in a later semester. Honors students who complete 24 hours of Honors coursework are exempt from further participation requirements. Students can meet these participation requirements by enrolling in Honors sections of regular courses, Honors Colloquia, Independent Honors Study, Undergraduate Research Participation or through an In-Course Honors Contract. Details about applying for In-Course Honors Contracts are available through the Honors Office. All In-Course Contracts are due in the Honors Office no later than the 15th day of the fall or spring semester.

Suspension for Non-Participation: Honors students who do not meet the participation requirement for the fall or spring semester will be placed on Honors Suspension for the upcoming semester. Honors students on suspension may not participate in the early registration period and will be assigned to a later registration date. To regain good standing, suspended Honors students must complete three hours of Honors credit during the semester they are on Honors Suspension. Honors students who do not meet this requirement, or who subsequently fail to meet the participation requirement will be dropped from the program and will not be eligible for readmission.

ACADEMIC HONORS

Dean's List: Undergraduates who meet high academic standards, as established by colleges

affiliated with their major departments, are included in a Dean's List issued each semester. Many Honors students achieve recognition on Dean's Lists from various colleges. See the criteria for inclusion on Dean's Lists in the Academic Services section of this catalog.

Robert G. Bone Scholarship: Bone Scholarships are the highest academic honor awarded to undergraduates, and many of them are awarded to Honors students. For a fuller description, see Academic Honors in the Academic Services section in this catalog.

Charles W. Bolen Senior Professionals Honors Student Award: Honors students mentored by Senior Professionals are eligible to apply for the \$1,000 Charles W. Bolen Scholarship. Scholarships are awarded each spring based on applicants' involvement with the Senior Professionals Program, academic accomplishments, and campus and community involvement.

UNDERGRADUATE DEGREES WITH HONORS

Degrees with Distinction: Eligible students may graduate from Illinois State with traditional, Latin-named degrees with distinction: cum laude; magna cum laude; or summa cum laude. Many Honors students graduate with these distinctions. These designations are indicated both on a student's diploma and transcript. See the criteria under Degrees with Honors in the Degree Requirements section of this catalog.

Honors students receiving undergraduate degrees may receive one or more Honors designations, available to students with various types of commitment to academic work beyond the basic catalog requirements. The following designations are recorded permanently on student transcripts, and some of them are noted on diplomas. Such designations help students gain entry into graduate and professional schools, and enhance employment opportunities.

Sophomore Honors Scholar: Students awarded this honor must meet the following conditions: (1) Earn 12 hours of Honors credit with grades of A or B; at least 6 hours must be through honors sections; (2) earn a cumulative grade point average of at least 3.40 at the end of the fourth semester and be in good standing in the Honors Program; and (3) complete either option A or Option B that follows.

OPTION A: (For students in the Honors Program first semester freshman year.)

- Successfully complete IDS 102.17, Honors Freshman Seminar or IDS 102.70, Presidential Scholars Seminar with a grade of A or B;
- Participate in 3 Honors Experiences:
 - a. Attend and submit documentation for three Honors events as approved for this designation by the Honors Program.
 - b. At least two different types of events are required: either one Research Mentorship presentation and two educational programs in Honors House or one Research Mentorship presentation, volunteer at the Undergraduate Research Symposium, and attend an Honorssponsored speaker event (two acceptable ways to fulfill this requirement).
 - c. Unless otherwise noted, documentation of participation will be collected at the conclusion of the event.

OPTION B: (For students starting in the Honors Program second semester freshman year.)

— Participate in 4 Honors Experiences:

Attend and submit documentation of four Honors events as approved for this designation by the Honors Program and meeting the criteria described above under Option A, in b and c.

Honors Program Scholar: Students who graduate in good standing in the Honors Program with a Grade Point Average of 3.30 or higher, who have completed a minimum of 9 hours of Honors credit with grades of A or B, and have completed a minimum of 3 semesters in the Honors Program will be designated Honors Program Scholars. This designation is indicated on their transcript and in the Commencement Booklet. Honors Program Scholars wear a red cord at Commencement.

Certificate in University Honors: Students awarded this certificate must satisfy the following requirements: (1) Overall GPA of 3.50 at graduation; (2) at least 12 hours of Honors coursework, earning grades of A or B; (3) 4 semesters participation in the Honors Program; (4) at least one of the following Honors experiences: (a) Advanced Honors Colloquium, (b) Undergraduate Research Participation (3 semester hours), (c) Independent Honors Study (3 semester hours), or (d) Honors Thesis (3 semester hours). This designation is reflected on student transcripts. Students must apply for this designation to the Honors Office prior to graduation.

University Honors Scholar: Students named University Honors Scholars, the highest Honors

24 Honors Program

Program graduation designation, must satisfy the following requirements: (1) Overall GPA of 3.65 at graduation; (2) 4 semesters participation in the Honors Program; and (3) at least 24 semester hours of Honors coursework with grades of A or B, including two different Honors experiences from the following: (a) Advanced Honors Colloquium. (b) 3 semester hours of Honors Undergraduate Research Participation, (c) 3 semester hours of Independent Honors Study, (d) 3 semester hours of Honors Thesis (e) being designated a Departmental Honors Scholar, or (f) satisfactorily completing an Honors Research Mentorship. This designation is indicated on student transcripts and diplomas following approval of a student application for this designation to the Honors Office prior to graduation.

Presidential Scholar: Honors Program Scholars who complete the requirements of the Presidential Scholars Program, have a minimum GPA of 3.30 and are in good standing at the time of graduation will be designated Presidential Scholars. This designation is indicated on student transcripts and in the Commencement Booklet. Presidential Scholars wear a silver cord at Commencement in lieu of the red cord.

Departmental Honors Scholar: Special academic work leading to a student in the Honors Program being designated as a Departmental Honors Scholar is available in all academic departments or schools in the University. The criteria for becoming a Departmental Honors Scholar vary from one department or school to another, ranging from a specific sequence of courses to writing and defending special theses or completing special research projects. Criteria for this designation are available in the Honors Program Office or in various departmental offices. This designation is indicated on student transcripts and diplomas following approval of a student application for this designation to the Honors Office prior to graduation.

CAMPUS HONOR SOCIETIES

Illinois State University sponsors numerous discipline-specific and general honor societies across campus, ranging from organizations which are solely honorific to those honor societies which offer service to the campus and community, giving students the opportunity to develop academic networks, and leadership and social skills. Honor societies specific to the various academic disciplines are sponsored by different academic departments at Illinois State, while general honor societies are sponsored at the college or university level. The Honors Program maintains information

about honor societies on campus, and students interested in possibly becoming members should contact the appropriate society.

Honors Courses

IDS

102 HONORS COLLOQUIUM

1-4

May be repeated once for cr if topic is different. Interdisciplinary, for students in the Honors Program. Weekly sessions, presented by one or more specialists on the topic, explore a semester theme.

202 ADVANCED HONORS COLLOQUIUM 3

Jr standing or cons Honors Dir req. May be repeated once if topic is different.

Weekly sessions presented by a specialist dealing with a semester's topic for advanced students in the Honors Program.

225 NATIONAL COLLEGIATE HONORS EXCHANGE

1-6

Participation in Illinois State Honors Program. Honors study for one semester at another university.

285 HONORS UNDERGRADUATE RESEARCH

1-3

Cons Honors Dir req. May be repeated. Honors student assists a faculty member on the faculty member's research project.

286 HONORS UNDERGRADUATE RESEARCH II

1-3

IDS 285 req. May be repeated. Continuation of IDS 285.

299 INDEPENDENT HONOR STUDY 1-6

Open only to students in the Honors Program who have achieved superior academic records and who have demonstrated an ability to profit from independent study. Max of 6 hrs may be applied toward graduation. Cons inst, dept chair or school dir, and Dir of Honors req. Limit of 9 hrs of IDS 299 and 395 combined may count toward graduation.

Intensive work in a special area of the student's major or minor. Each individual project is to culminate in a comprehensive written report or examination.

395 HONORS THESIS 1-6

Open only to students in the Honors Program who have achieved superior academic records and who have demonstrated an ability to profit from independent study. Max of 6 hrs may be applied toward graduation. Cons inst, dept chair/school dir, and Dir of Honors req. Limit of 9 hrs of IDS 299 and 395 combined may count toward graduation.

Intensive research in a special area of the student's major. Each individual project is to culminate in a comprehensive written thesis and an oral defense of the thesis.

UNDERGRADUATE EXPERIENCE

Illinois State University has one of the largest undergraduate programs in Illinois and a distinguished history as the first public institution of higher education in the state. With such a rich heritage, the University has established a long-standing tradition of excellence in undergraduate education. The attention to baccalaureate education is demonstrated repeatedly as the campus community works to implement innovative programs that specifically benefit the undergraduate student.

As an undergraduate you soon will recognize the University is your partner in preparing for your success not only in the classroom but beyond and into the workplace. You will benefit from the invaluable time and expertise shared through individualized faculty attention, as more than 90 percent of undergraduate classes at Illinois State are taught by faculty members.

Fields of Study

The University offers a wide range of bachelor's degree programs available in the following fields of study:

Major and Major/Minor Programs

Accountancy Agriculture

Anthropology

Arts and Sciences (General Studies)

Arts Technology Athletic Training

Biochemistry/Molecular Biology

Biological Sciences **Business Administration Business Information Systems Business Teacher Education**

COSTS

ESTIMATED TOTAL YEARLY EXPENSES

Because Illinois State University is a state-supported institution, the cost of attendance is relatively low. The total cost of attendance for new students for the 2006-2007 academic year (fall semester and spring semester) was \$18,133.20 for a student who is an Illinois resident registered for 15 hours each semester and living in a University residence hall. This amount included \$14,233.50 for tuition, fees, room and board, and an additional \$3,899 for books and supplies, transportation, and personal expenses. Estimated expenses for married students or students with dependents vary according to family size. Out-of-state residents pay higher tuition charges and normally spend more on travel.

Tuition, fees, and on-campus housing charges are subject to change by action of the Board of Trustees. All other amounts are estimates and are subject to change.

UNDERGRADUATE TUITION AND FEES FOR NEW STUDENTS

Tuition and fee rates for new students for the 2007-2008 academic year had not been determined at the time this catalog was printed. Therefore, the costs provided below are costs for new students for the 2006-2007 academic year. Tuition and fees for the 2007-2008 academic year will be determined by the Board of Trustees.

Tuition and fees other than health insurance are assessed at per semester hour rates. Health insurance is assessed to all students enrolled in nine or more semester hours.

New Student Rate Schedule 2006-2007 General Fees per semester hour:

General Activity
Athletic and Service
Bone Student Center 7.30
Recreation/Athletic Facilities 4.44
Redbird Arena 4.79
Health Service 8.59
Student-to-Student Grant 0.33
Grant-in-Aid 0.13
Campus Enhancement

	Residents	Non- Residents
Tuition: (per hour)	\$ 205.00	\$ 428.00
Fees: (per hour)	\$ 52.45	\$ 52.45
Health Insurance: (9 or more semester hours)	\$ 158.00	\$ 158.00
Examples:		
3 semester hours 6 semester hours 9 semester hours 12 semester hours 16 or more semester hours	\$ 772.35 1,544.70 2,475.05 3,247.40 4,277.20	\$ 1,441.35 2,882.70 4,482.05 5,923.40 7,845.20
Special Fees:		

Non

Upon being first enrolled in a degree program at Illinois State University, tuition and general fee rates for undergraduate students will be locked for a four-year period. Certain degree programs qualify for the locked rate to be extended beyond the four-year period. Please refer to the Student Accounts Web page at www.comptroller.ilstu.edu/studentaccounts for additional information.

Registration Installment Fee. \$35

Bachelor's Degree Graduation Fee\$25
Late Registration Fee\$25
Late Payment Fee (after scheduled dates)\$10

Audit Costs: Students taking only audit courses (courses without credit) are charged tuition at the rates shown above.

Residents and Non-Residents: An applicant or enrolled student is classified either as a resident of Illinois, a non-resident, or a foreign student. Residency for tuition purposes is different from residency for voting, taxing purposes, or residency requirements of on-campus doctoral programs.

A student must be a U.S. citizen or have been approved for U.S. Permanent Resident status in order to be considered as an Illinois resident. An individual's residency status is based on information from the admission application. A student who is not a resident of Illinois pays the non-resident tuition fee as indicated. All other fees are the same for non-residents. A student under 18 years of age is considered a non-resident if the student's parents are not legal residents of Illinois. A student over 18 years of age is considered a

non-resident if the student is not a legal resident of Illinois. Personnel within the Office of the University Registrar are responsible for determining residency.

An individual will be considered an Illinois resident if all of the following conditions are met:

- 1. The individual resided with his or her parent or guardian while attending public or private high school in this State.
- 2. The individual graduated from a public or private high school or received the equivalent of a high school diploma in this State.
- 3. The individual attended school in this State for at least 3 years as of the date the individual graduated from high school or received the equivalent of a high school diploma.
- 4. The individual registers as an entering student in the University not earlier than the 2003 fall semester
- 5. In the case of an individual who is not a citizen or a permanent resident of the United States, the individual provides the University with an affidavit stating that the individual will file an application to become a permanent resident of the United States at the earliest opportunity the individual is eligible to do so.

Tuition and fees are subject to change by action of the Board of Trustees and the General Assembly.

Transcripts: Transcripts are issued only after all student financial obligations have been met. Students should make a written, signed request to Office of the University Registrar, Campus Box 2202, Normal, IL 61790-2202. A \$6.00 charge (fee subject to change) is made for each official transcript. Requests should include identification number, birthdate, and complete address, including zip code, to which the transcript is to be sent. When possible, transcript requests are processed within five working days.

Materials Charges: A materials charge is an optional fee charged to a student for consumable materials used in a course. A student may supply his or her own material and submit a written request to the instructor to waive the charge. Courses with material charges are listed in the *Undergraduate Catalog* and *Graduate Catalog*.

Reduction of Tuition and Fees Policy: A registered student who officially withdraws from the University may receive a reduction of tuition and fees, including any advance deposit according to the following schedule:

- If withdrawal is prior to the first regularly scheduled class day, all tuition and fees are deleted.
- If withdrawal is within the first 15 calendar days after the first regularly scheduled class day, all tuition and fees minus a service charge of \$30 are refunded.
- 3. If withdrawal is after the 15th calendar day but within the sixty percent point in time of the period of enrollment—a refund equal to the portion of the period of enrollment remaining, rounded downward to the nearest ten percent, less an administrative fee not to exceed the lesser of five percent of the initial tuition, fees, and other charges assessed the student or \$100.
- 4. If withdrawal is after the sixty percent point in time of the period of enrollment—no refund shall be made.

The University may designate shorter refund periods for summer session, special courses, and short courses.

All notifications of withdrawal or cancellation and requests for refunds must be in writing and addressed to Office of the University Registrar, Illinois State University, Campus Box 2202, Normal, IL 61790-2202, or faxed to: (309) 438-3193.

A student who changes from full- to part-time status or a part-time student who reduces the number of credit hours carried may receive a reduction of tuition and fees according to the following schedule:

- 1. If the reduction is on or before the 15th calendar day after the first regularly scheduled class day, all tuition and fees not applicable to the new part-time status are reduced. A service charge is not applicable to a student who changes from full-time to part-time status.
- 2. If the reduction is after the 15th but no later than the 30th calendar day after the first regularly scheduled class day, 25 percent of the difference in tuition charge only is reduced.

A student may receive a refund of insurance fees if the student demonstrates equal or better insurance coverage and completes the written application on or before the 15th calendar day after the first regularly scheduled class day.

A student whose course of study requires absence from campus for the entire term shall, upon proper application, receive refunds of Activity, Health Service, and Athletic fees. The application for the refund must be made to the Office of University Registrar on or before the

15th calendar day after the first regularly scheduled class day.

Part or all of a student's tuition and fees may be refunded because of the student's death or disability, extreme hardship, or institutional error.

A student may receive a refund of tuition and fees if a scholarship is awarded that covers those fees. The application for refund must be made no later than 60 days after the close of the session.

A student may receive a refund of tuition and fees if the University declares him or her ineligible for enrolled status prior to the first day of regularly scheduled class.

The statement of the refund policy for University housing is a part of the housing contract. Information on the refund policy may be obtained from the Student Accounts Office.

Students or parents who believe that individual circumstances warrant exceptions from published policy may appeal to the Associate Vice President for Student Affairs by calling (309) 438-5451.

Housing Costs: The typical room and board rate in the residence halls for the 2006-2007 academic year was \$6,194 for multiple occupancy and the Silver meal plan. A limited number of singles and super singles are available at an additional cost. Two apartment complexes are available for qualifying upper-class, married, graduate, and family students. Rental rates for 2006-2007 ranged from \$347 to \$476 per month. For further information, contact University Housing Services or visit www.housing.ilstu.edu/.

FINANCIAL ASSISTANCE

Between 70 and 75 percent of all students who attend the University receive some sort of financial aid in the form of loans, scholarships, tuition waivers, grants and employment. In addition to funds received through gift aid and loans, many Illinois State students seek employment to help cover expenses.

Students interested in applying for financial assistance may contact the Financial Aid Office, which annually administers and coordinates the more than 119 million dollars provided to students.

FINANCIAL AID OFFICE

231 Fell Hall, (309) 438-2231 www.IllinoisState.edu/financialaid

All students are encouraged to apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA). This application determines eligibility for state, federal and institutional financial aid, including student loans.

General Information

Financial aid counselors are available Monday through Friday from 8 a.m. to 4:30 p.m. for telephone and walk-in service when the University is open. In addition, you may access information at www.financialaid.ilstu.edu, the Web site for the Financial Aid Office. Information on the Web site includes:

- Office hours, phone number and location; information concerning the application process, cost of attendance and aid programs available to students;
- FAFSA on the Web, which allows you to file the Free Application for Federal Student Aid electronically;
- Financial Aid forms and worksheets available to download;
- Scholarship searches;
- Important dates for your calendar;
- A link to Illinois State's iCampus portal so that you can check the status and progress of your aid application. iCampus also allows you to register for classes, confirm attendance, view grades, schedule, textbooks, email, Redbird card balance and more through a Web browser from anywhere in the world. In addition, you can verify and/or update your address information on file with the Office of the University Registrar;

- Entrance and Exit Loan Counseling;
- The Student Guide financial aid information from the U. S. Department of Education;
- Commonly asked questions and answers

Using email at askfao@ilstu.edu is another way to contact the Financial Aid office. You will receive a response within two business days.

Institutional and Financial Assistance Information for Students

The law (the Higher Education Act of 1965, as amended, and regulation 34 CFR 668) requires Illinois State University to notify enrolled students and the parents of dependent enrolled students annually of the availability of the following information:

- your rights under the Family Education Rights and Privacy Act;
- your right to a deferment of repayment of your Federal Direct Loan for Peace Corps or volunteer service;
- financial aid available at Illinois State University;
- information about Illinois State University;
- the graduation rate of degree-seeking, full-time undergraduate students at Illinois State University;
- an annual campus security report; and,
- a report on athletic program participation and financial support data.

General Eligibility Criteria

To qualify for federal or state financial aid programs, you must:

- be a United States citizen or have resident alien status;
- 2. complete and submit the Free Application for Federal Student Aid (FAFSA) to the federal processor either on paper or on line;
- be enrolled for a minimum of 6 hours (half-time status) per semester (Students not pursuing a degree or unclassified students are not eligible for financial aid, including loans.); not be in default on a Perkins Loan or any federally guaranteed loan;
- 4. not owe a repayment to a federal grant program;
- 5. make satisfactory progress toward a degree as defined by Illinois State University (See Satisfactory Academic Progress); and

 be registered with Selective Service, if you are a male at least 18 years of age, born after 1959, and not currently an active member of the U.S. Armed Forces.

NOTE: A student may not receive federal or state financial aid from more than one institution at the same time.

APPLICATION PROCEDURES

To be considered for financial aid at Illinois State University, you must complete and submit the Free Application for Federal Student Aid (FAFSA), or the Renewal FAFSA, based on the following time table:

In *November* - Renewal aid applicants will be sent an e-mail notification or a packet containing a PIN for Renewal FAFSA on the Web depending on whether they provided a valid email address on the current year's FAFSA.

In *January or February* - Complete the Renewal FAFSA on the Web at www.fafsa.ed.gov using your PIN, or mail the paper Renewal FAFSA. If you do not already have a PIN, you can apply for one by going to the Web site www.pin.ed.gov.

The priority FAFSA filing date for Illinois State University is **March 1, 2007**. The federal processor must receive your application by this date to insure your application receives full consideration for all financial aid programs. If your FAFSA is received after March 1, you will be considered for financial aid programs for which you are eligible and that have remaining funds.

If you or your parents (if you are a dependent student) have not completed your federal tax return by March 1, you can still apply on time by indicating on the FAFSA that you will file but have not yet completed your tax return.

In *March or April* - After you receive your Student Aid Report, you must review it for accuracy. You can then make any necessary corrections based on your and/or your parents' tax return information.

The income and asset information provided on the FAFSA determines your financial aid eligibility. Be sure to use Illinois State's Title IV school code: 001692. There is no separate institutional application for financial aid at Illinois State. You will need to submit an additional application for summer aid (see Financial Aid for Summer Session).

Financial Aid for the Summer Session: If you are enrolled for at least six hours of coursework, you may apply for financial aid. The application form for the Summer Session will be available at

the Financial Aid Office, 231 Fell Hall, and in the Forms and Publications section of the www.IllinoisState.edu/financialaid Web site in early March.

Data from your FAFSA will be used to determine your eligibility for aid for the summer session. Aid funds for the summer session are very limited. Direct Loan funds are available only if you have remaining loan eligibility for your class level.

Institutional Quality Assurance Program (IOAP): Illinois State University is a participant in the U.S. Department of Education's Institutional Quality Assurance Program. It is important that you keep copies of federal tax returns and W2s, including those of your parents if you apply as a dependent student, because Department of Education regulations require the Financial Aid Office to verify the accuracy of financial data for selected aid applicants. If your application is selected for review under this program, you will be notified in writing and asked to provide the above documents. It is important that you respond within the specified time frame. Otherwise, processing of your financial aid, including loans, may be delayed.

FEDERAL GRANTS AND BENEFITS

Federal grants and benefits are considered "gift aid," and do not need to be repaid. Grants commonly received by Illinois State students are:

Federal Pell Grant: Eligibility is determined by the information provided on your FAFSA and is based on the calculated Expected Family Contribution (EFC) on your Student Aid Report.

Federal Supplemental Educational Opportunity Grant (FSEOG): This grant is awarded to students with exceptional financial need. At Illinois State, the award is \$1,000 per academic year. You must be enrolled for a minimum of six hours per semester to receive this grant.

Veterans' G.I. Bill: Students who have served in the U.S. Armed Forces should contact the Illinois State University Office of Veterans Services, 112 Moulton Hall, for additional details.

Survivors' and Dependents' G.I. Bill: Survivors (spouse and/or children) of veterans, whose deaths or permanent, total disabilities occurred during service, may be eligible for benefits if the veteran served since the Spanish-American War. Children of veterans missing-in-action or prisoners of war for more than 90 days are also eligible for this benefit. For details, contact the Illinois State University Office of Veterans Services, 112 Moulton Hall.

The Academic Competitiveness Grant: The Academic Competitiveness Grant is for freshmen who graduated from high school after January 1, 2007, and for sophomore students who graduated from high school after January 1, 2006. This grant is in addition to the Pell Grant award, and provides up to \$750 for the first year of undergraduate study and up to \$1,300 for the second year of undergraduate study. Recipients must be full-time students, U.S citizens, eligible for a Federal Pell Grant, and have successfully completed a rigorous high school program (as determined by the state or local education agency and recognized by the Secretary of Education). Second year students must also have a cumulative grade point average (GPA) of at least 3.00.

The National Science and Mathematics **Access to Retain Talent Grant (National SMART** Grant): The National Science and Mathematics Access to Retain Talent Grant, also known as the National SMART Grant, is available during the junior and senior years of undergraduate study. This grant is in addition to the student's Pell Grant award, and will provide up to \$4,000 per year, for a maximum of two years. Recipients must be full-time students, U.S. citizens, eligible for the Federal Pell Grant, and maintaining at least a 3.00 GPA in one of the following majors at Illinois State University: Biochemistry-Molecular Biology, Biological Sciences, Chemistry, Computer Science, Geology, Industrial Technology, Information Systems, Mathematics, Physics, Telecommunications. Students must also have maintained a cumulative grade point average (GPA) of at least 3.00 in coursework required for the major.

ILLINOIS STATE UNIVERSITY GRANTS

Student-to-Student Grant: All Illinois residents who meet the March 1 preferential filing date for the FAFSA and who are ISAC MAP Grant eligible (see the following section) are automatically considered for this program as part of the application process. The maximum STS grant is \$500 and the combination of STS and the Federal Supplemental Educational Opportunity Grant cannot exceed \$1,000.

MAP Supplemental Grant: All Illinois residents who are ISAC MAP Grant eligible (see the following section) are automatically considered for this program as part of the application process. The maximum supplemental grant is the difference between the maximum MAP grant and tuition and fees for 15 credit hours, and the minimum is \$500.

STATE SCHOLARSHIPS AND GRANTS

Department of Rehabilitation Services: Public Law 113 mandates federal and state governments to provide rehabilitation services to

anyone with a disability the opportunity to pursue post-secondary education. This grant is applied to tuition, fees, and/or maintenance costs. For more information or assistance in the application process, Illinois State students with a disability should contact the Department of Rehabilitation Services; 207 S. Prospect Road, Bloomington, IL, (309) 662-1347.

You and/or your parents must meet residency requirements based on regulations from **the Illinois Student Assistance Commission (ISAC)** to be eligible for the following programs.

Monetary Award Program (ISAC MAP Grant): If you are enrolled for at least six hours of coursework, meet residency requirements, and have eligibility for this award based on your Expected Family Contribution, this grant will be applied directly to your tuition and fees charges.

Illinois Incentive for Access (IIA) Grant: You are eligible for this \$500 grant if you are classified as a freshman, a resident of Illinois, and your Expected Family Contribution (EPC) based on FAFSA data is zero (0). This grant is for one academic year and can be used for any educational expense.

State of Illinois ROTC Scholarship: You may apply for this scholarship through the Military Science Department if you are a full-time student enrolled in a Military Science course. This competitive award will credit all tuition charges as well as the general activity fee. You would be responsible for the remainder of your fee charges. You would be able to retain this scholarship for up to eight semesters as long as criteria are met. Freshmen and sophomores may use this scholarship without incurring a military service obligation.

General Assembly Scholarships: You should contact your State Senator or State Representative to be considered for this scholarship. Your tuition and general activity fees are credited by this scholarship. Typically, you will receive this scholarship for one academic year.

University Employee Dependent Partial Tuition Waiver: If you are under the age of 25 and your parent is employed at Illinois State, Northern Illinois, Chicago State, Eastern Illinois, Governors State, Western Illinois, or Northeastern Illinois University, or campuses of the University of Illinois, or Southern Illinois University, you may be eligible for this tuition waiver. Your parent should contact the Human Resources Office at the university where he or she is employed for the application and specific employment requirements.

Consult the Illinois Student Assistance Commission Web site, www.collegezone.com, or call 1-800-899-ISAC to obtain additional information about the following scholarships, including how to apply and application deadlines.

Illinois National Guard Grant: If you are an active member of the Illinois National Guard (Army or Air) you may have eligibility for this grant. In order to receive this grant, you must be enrolled at an ISAC-approved Illinois public community college or a four-year college or university; be registered for Selective Service (if you are male); not be in default of any student loan nor owe a repayment of any state or federal grant; and maintain an acceptable grade point average (GPA) determined by the institution.

You must be enrolled for at least one hour of coursework and apply annually to the Illinois Student Assistance Commission, meeting the stated application deadline. If you are eligible, this grant will be applied to your tuition and partial fee charges. Applications may be obtained from the Illinois Student Assistance Commission Web site at www.collegezone.com or by calling 1-800-899-ISAC.

Illinois Veteran Grant (IVG): If you served in the Armed Forces for at least one year and received an honorable discharge, you may qualify for the Illinois Veteran Grant. In addition to residing in Illinois for at least six months before entering the service, you must return to Illinois within six months after your discharge.

You may obtain your one-time application from the Illinois Student Assistance Commission (ISAC) Web site, www.collegezone.com or by calling 1-800-899-ISAC. You must meet the application deadline and provide a copy of your DD 214 with your application to ISAC. In addition, you must submit a copy of your DD 214 to both the Financial Aid Office and the Office of Veterans' Services at Illinois State.

When your application is approved by ISAC, you will be sent a Notice of Eligibility letter. The original letter must be submitted to the Scholarship Resource Office. Your IVG will credit your tuition charges as well as partial fee charges.

Merit Recognition Scholarship (MRS): If you are in the top 2.5% of your Illinois high school senior class, a U.S. citizen or eligible noncitizen and a resident of Illinois, you will be nominated by your high school to ISAC, which will send you an application. Be sure you follow the directions and meet the application deadline. In order to receive this scholarship, you must attend an ISAC-approved post-secondary institution in Illinois or one of the U. S. Military Academies.

This scholarship is subject to funding by the Illinois General Assembly and has not been funded since the 2004-2005 academic year.

Illinois Special Education Teacher Tuition Waiver (SETTW): To be eligible for the SETTW, you must be a U.S. citizen or an eligible non-citizen residing in Illinois who is ranked in the upper half of your Illinois high school graduating class, and meet the application deadline. In addition, you must be enrolled in a special education program at one of the twelve public four-year post-secondary institutions in Illinois after taking the ACT or SAT college admissions exam. Recipients must begin teaching, on a full-time basis in the field of Special Education, within one year following graduation from or termination of enrollment in a teacher education program, at an Illinois non-profit public, private, or parochial preschool, elementary or secondary school and continue teaching for at least two of the five years immediately following.

Illinois Future Teacher Corps (IFTC) **Program:** To be eligible you must be a U.S. citizen or an eligible non-citizen, a resident of Illinois, a high school graduate or hold a GED, and you cannot be in default on any student loan or owe a refund on any state or federal grant. In addition, you must be enrolled at least half-time at the junior level or above and be pursuing a postsecondary course of study leading to initial certification in a teaching discipline or a teacher shortage discipline or pursuing additional course work needed to gain Illinois State Board of Education approval to teach in an approved specialized area in which a teacher shortage exists. The shortage areas are determined each year by the state and are subject to change each year. You must also file the Free Application for Federal Student Aid to be considered for this scholarship. Recipients must teach, on a full-time basis, for five years according to the commitment/agreement that was signed prior to receiving the program benefits, e.g., if the recipient made a commitment to teach in a teacher shortage discipline and/or at a hard to staff school, the five years of teaching must be fulfilled accordingly. The teaching must be fulfilled at an Illinois public, private or parochial preschool or an Illinois public elementary or secondary school. This is a five year commitment no matter the amount of the scholarship received.

Minority Teachers of Illinois Scholarship: To be eligible you must be a minority student, a U.S. citizen or permanent resident of the United States, a resident of Illinois, a high school graduate or hold a GED, and you cannot be in default on any student loan nor owe a refund on any state or federal grant. In addition, you must be enrolled or

accepted for enrollment on at least a half-time basis as an undergraduate or graduate student and be enrolled or accepted for enrollment in a course of study which, upon completion, qualifies the student to be certified as a preschool, elementary or secondary school teacher by the Illinois State Board of Education. The student must maintain a cumulative grade point average of no less than 2.50 on a 4.00 scale, and maintain satisfactory progress as determined by the institution. Recipients must teach, on a full-time basis, for one year at a nonprofit Illinois preschool, elementary, or secondary school for each year of assistance received.

PRIVATE SCHOLARSHIPS

Many students utilize private scholarships to supplement their financial aid award package. You may also contact clubs, foundations, organizations, corporations and churches from your hometown for scholarships. The scholarship donor determines the eligibility criteria. You are encouraged to use the Illinois State University Scholarship page on the Financial Aid Office home page at www.IllinoisState.edu/financialaid or the Illinois Student Assistance Commission's CollegeZone.com. Avoid search services or "consultants" who charge a significant fee and/or promise positive results.

ILLINOIS STATE UNIVERSITY MERIT-BASED SCHOLARSHIPS

A variety of merit-based scholarships are awarded to new beginning freshmen. In order to be considered for a merit-based scholarship as a new beginning freshman, you must be admitted to the University and submit the appropriate scholarship application by the scholarship deadline which typically falls in early January.

For more information about merit-based scholarships for new beginning freshmen and for a scholarship application, please contact the Office of Admissions by telephone at (800) 366-2478 or visit the Office of Admissions Web site at www.IllinoisState.edu/admissions. In addition, the Scholarship Resource Office, housed within the Financial Aid Office, will assist students in their search for private or institutional scholarship dollars. Contact the Scholarship Resource Office by telephone at (309) 438-2740.

Presidential Scholarships: Presidential Scholarships are available for new freshmen. See the Honors Program section of this *Undergraduate Catalog* for details.

Deans' Scholarships: The Deans' Scholarship is a one-year monetary award of \$1,000 for new beginning freshmen. The scholarship is based on

academic accomplishments and potential for outstanding achievement at the University. Candidates for Deans' Scholarships are identified from the Presidential Scholarship applicant pool and are selected by the Dean of the College from which the scholarship is offered.

University Scholarship Program: Illinois State University offers the University Scholarship Program for academically talented students from traditionally underrepresented populations. In addition, applicants must be new beginning freshmen who are U.S. citizens who have applied and been admitted to the fall term.

Each scholarship is valued at \$5,000 per year and renewable up to eight semesters. The total potential value of the scholarship is \$20,000.

Trustees' Tuition Waivers: Undergraduate tuition waivers are used to recruit talented students to the University in these specific areas: the Honors Program, Art, Communication/Forensics, Intercollegiate Athletics, International Studies, Music, and Theatre.

Academic Scholarship Programs: Some academic departments offer scholarships to continuing students based on academic accomplishments. Your major or minor is used for eligibility. You can explore the availability of these scholarships by visiting the Scholarship page from the Financial Aid Office Web site at www.financialaid.ilstu.edu/scholarships/.

Community College Transfer Scholarships: Scholarships are available for admitted, first-time community college transfer students at Illinois State. In order to be eligible for the scholarship students must have earned a minimum 3.50 cumulative grade point average at the time of application. In addition, students must complete an Associate in Arts or Associate in Science degree prior to enrolling at the University. The awards are valued at \$750 per semester for two academic years. One award is designated for a member of Phi Theta Kappa, the academic honor society of community colleges. Applications are mailed in March to qualified admitted students enrolling for summer or fall terms and those attending the spring term. For more information, contact the Office of Admissions at (800)366-2478 or visit the Office of Admissions Web site at www.IllinoisState.edu/admissions.

LOANS

Federal Direct Student Loan Program: You must complete the Free Application for Federal Student Aid (FAFSA) to receive a loan. The Financial Aid Office will determine your eligibility for all other aid programs prior to processing your loan. Because Illinois State is a participant in the

Federal Direct Loan program, a loan application from a bank or other lender is not required.

There are two kinds of direct loans: subsidized and unsubsidized. If you are eligible for the subsidized loan based on financial need, the interest on the loan is paid for you as long as you are enrolled half-time (a minimum of 6 hours per semester). The unsubsidized loan is not based on financial need and requires that you make quarterly interest payments on the loan while you are enrolled. If you choose to defer payments while you are in school, the interest will be added to the principal of your loan (capitalized).

After your loan is processed, you will receive an award letter and information on completing an electronic Master Promissory Note (EMPN), if you have not already done so. Read the information carefully. Before loan proceeds will be credited to your account, the EMPN and loan counseling (see below) must be completed.

Because of its participation in the Direct Loan program, Illinois State receives loan proceeds directly from the U.S. Department of Education. Your loan proceeds will be applied to your university charges.

Loan Counseling: Students who are first-time Direct Loan borrowers are required to attend Federal Direct Loan entrance loan counseling before loan proceeds are credited to the student's account. You may meet this requirement by completing loan entrance counseling on the Web at www.IllinoisState.edu/financialaid.

If you attended entrance counseling at another school, you must sign a statement verifying that you previously met the requirement. The purpose of entrance counseling is to inform you of your responsibilities and rights as a borrower.

Exit Information: Before you graduate, or if your enrollment status drops below 6 hours per semester, you will be sent information concerning Direct Loan exit counseling, which outlines loan repayment, consolidation, and deferment options. You may also get this information from the Exit Counseling link from the Financial Aid Office Web site, www.IllinoisState.edu/financialaid. Repayment of your Direct Loan begins six months after you leave the University or drop below half-time status.

Federal Perkins Loan: The Federal Perkins Loan program is for students enrolled at least half-time in a degree program and gives priority to those students with exceptional financial need. For new borrowers after July 1, 1987, repayment and interest begins nine months after the student graduates,

leaves school, or drops below half-time. The cumulative loan limit is \$20,000 for undergraduates and \$30,000 for graduate students. The interest rate is five percent. These funds are awarded on a first-come basis to qualified applicants.

Nursing Student Loan: Students enrolled at least half-time in the Nursing Program and who demonstrate need by filling the FAFSA are eligible for a Nursing Student Loan. The cumulative loan limit is \$13,000 and repayment begins 9 months after the student ceases to be enrolled at least half-time. Interest during repayment includes 5% interest and the maximum repayment period is 10 years.

Federal Direct PLUS Loan: Parents of dependent students may apply for the Parent Loan for Undergraduate Students (PLUS); application forms are available upon request from the Financial Aid Office. You may also print an application from www.IllinoisState.edu/financialaid. A parent may borrow up to the cost of attendance less any other financial aid the student is receiving. In order to determine eligibility, parents must file the Free Application for Federal Student Aid (FAFSA).

"Alternative" Loans: Alternative or private loans are for students and parents who are not eligible for the federal programs of financial aid, or who need additional funds to meet educational expenses. In order to determine eligibility, students/parents must file the Free Application for Federal Student Aid (FAFSA). If you have any questions about your eligibility for financial aid to attend Illinois State, contact your financial aid counselor.

FINANCIAL AID DISBURSEMENT

If the amount of financial aid exceeds charges, you will receive a refund of the balance. Refund checks are mailed from the Student Accounts Office throughout the academic year for aid in excess of amounts owed the University. You should be prepared to buy books and have "start up" funds for the beginning of the semester.

It is important to keep your local and permanent address information current with the Office of the University Registrar. University offices use this information to contact you (i.e., the Student Accounts Office will use your local address to send a refund check to you). If there is no local address on file with the Registrar, correspondence will be sent to your permanent home address.

You may update your address in person at the Student Service and Referral Center (SSRC), Office of the University Registrar, 107 Moulton Hall, or by accessing the iCampus Portal at www.icampus.ilstu.edu.

SATISFACTORY ACADEMIC PROGRESS

All students who receive federal and state financial aid must meet federal and institutional standards for academic progress in order to establish and retain aid eligibility. Students receiving athletic or other university administered awards must also meet the satisfactory academic progress standards that have been established by the awarding entity.

Satisfactory academic progress for federal and state financial aid programs is based on three measures: cumulative grade-point average, completion rate based on credit hours completed compared to credit hours attempted, and a maximum time frame for degree completion. The following describes the university's standards for each of these three measures, and when they are reviewed:

Cumulative Grade Point Average: Undergraduate students must maintain a minimum cumulative grade point average (GPA) of 2.00 based on credits earned at Illinois State University. The first time a student's GPA is below 2.00, the student is placed on Academic Probation and continues to be eligible to receive financial aid. If the student does not raise the GPA to 2.00 in the following semester of attendance, or the GPA falls below 2.00 in a subsequent semester, the student is Academically Dismissed and loses financial aid eligibility (see Academic Policies and Practices).

Completion Rate: All students are required to complete a minimum of 67% of the credit hours attempted at Illinois State University. Courses with a grade of D or higher, as well as "CR" or "CT", count as completed. Credit hours attempted includes audits, incompletes, withdrawals, and repeated or failed classes. A student who does not complete a minimum of 67 percent of credit hours attempted will be suspended from financial aid eligibility until his or her completion rate improves to at least 67 percent.

Maximum Time Frame: The maximum time frame for the completion of a degree is limited by federal regulations to 150% of the published length of the degree program. This is equivalent to a maximum number of credit hours that includes transfer credits and all attempted credits at Illinois State University. Credit hours attempted include audits, incompletes, withdrawals, and repeated or failed classes. The maximum number of credit hours for which a student is eligible to receive financial aid is 180. The University also requires that all students have a declared major upon completion of 75 hours of coursework, including transfer credits. At 75 hours earned, students classified as General Students are not eligible to continue their enrollment or receive financial aid.

Review of Progress Standards: Cumulative GPA is reviewed at the end of each semester—fall semester and spring semester—for both financial aid eligibility and for continued enrollment at Illinois State University.

Completion rate is reviewed upon submission of a financial aid application (the FAFSA), and at the end of each period of enrollment, including the summer session. The Financial Aid Office sends a "warning letter" to any aid recipient who has not completed 67 percent of hours attempted at the end of the summer session or fall semester. Aid eligibility is suspended at the end of the spring semester for any aid recipient who does not meet the 67 percent completion standard.

Maximum timeframe is reviewed upon submission of a financial aid application (the FAFSA), and at the end of each period of enrollment, including the summer session. The Financial Aid Office sends a "warning letter" to any aid recipient who is within 15 hours of reaching the maximum attempted hours for his or her degree program.

Notification/Appeals: If financial aid eligibility is suspended as a result of failure to meet the completion rate or maximum timeframe standard, the Financial Aid Office sends a letter to the student including a Satisfactory Academic Progress Appeal Form. The Satisfactory Academic Progress Appeal Form must include reasons for failure to achieve good academic standing and any applicable documentation. Appeal Forms must be submitted to the Financial Aid Office within 30 days of the date of the letter and are reviewed by The Satisfactory Academic Progress Committee. For the Completion Rate standard, students can also restore aid eligibility by earning enough additional hours to meet the 67 percent requirement.

If the student is not meeting the Cumulative Grade Point Average standard necessary for Financial Aid Satisfactory Academic Progress, the Office of Enrollment Management and Academic Services will communicate this information as part of a student's official notification of academic probation, dismissal or reinstatement. For more information about Financial Aid Satisfactory Academic Progress contact the Financial Aid Office.

ENROLLMENT CHANGES AND FINANCIAL AID ELIGIBILITY

Reduction in Hours: Reducing your credit hours has implications for both your aid eligibility for the current semester and future terms. Your aid eligibility is based on the number of credit hours for which you are enrolled on census day, usually the Friday of the second week of classes. If your aid was distributed based on full-time enrollment

(12 credits undergraduate; 9 credits graduate) and you drop to part-time on or before census day, your aid may be reduced. If you drop after the day withdrawal grades are assigned, the withdrawal grades will reduce your percentage completion rate, which is part of the standards of Satisfactory Academic Progress for the receipt of financial aid. These standards are posted on the financial aid Web site: www.financialaid.ilstu.edu.

Withdrawal: Federal regulations state that financial aid is earned by attending class. You have not earned 100% of your financial aid until you have attended 60% of the term. If you withdraw before this date, a portion of your financial aid has not been earned. The unearned portion is equal to the percentage of the term remaining on the date of withdrawal. Your financial aid eligibility will be recalculated based on your actual period of attendance - you may be asked to repay a portion of the aid that had been distributed to you.

Failure to Earn Credit: If you fail to earn credit for any of your classes (receive grades of F, W, I and/or NC), federal regulations require the Financial Aid Office to assume you did not attend any of your classes. In order to retain any of your financial aid, you must provide proof that you attended classes. If you attended class, you are treated as an unofficial withdrawal. This means that the midpoint of the term is used as your last date of attendance and your aid eligibility is reduced by up to 50%. This will result in you owing funds back to the university unless you can provide documentation of attendance past the 60% point of the term.

CONFIDENTIALITY AND THE RELEASE OF INFORMATION

The Financial Aid Office will release information from your financial aid application file to parties within the University if their inquiry is related to your attendance at Illinois State. Inquiries from off-campus agencies and/or landlords will be answered by Financial Aid Office staff only if you have completed and signed a "Consent to Release Information" form from the Financial Aid Office. To protect the confidentiality of your records, the Financial Aid Office will require proper identification from the requesting party before releasing any of your information. Appropriate documentation of any release of information will be placed in your financial aid file.

STUDENT EMPLOYMENT

Students enrolled for six or more semester hours may work part-time at Illinois State University. Eligible student employees usually work 10 to 15 hours per week while classes are in session. Students working at Illinois State University earn from \$6.50 to \$8.40 per hour. This pay range is subject to change by action of the federal government, the state, or the institution.

Federal Work-Study Program: This federally sponsored program enables students with demonstrated financial need to earn a portion of their expenses while they are enrolled at Illinois State. To be initially awarded Federal Work-Study the applicant must indicate an interest in "workstudy"on the FAFSA and demonstrate need. The federal government pays 70 percent of a Work-Study student's earnings, while the employer pays the balance. A student employed 10-15 hours per week can expect to earn between \$1,500 and \$2,000 a year. Work-Study students find work oncampus (food service, library, Bone Student Center, departmental offices) or in nonprofit, offcampus agencies (hospitals, youth centers, charitable agencies and libraries). Another Federal Work-Study program is the "America Reads" initiative in which students are employed as reading tutors in local elementary schools.

Students go directly to the employer for an interview and, if hired, must complete state and federal withholding tax forms in the Payroll Office, 101 Hovey Hall. The student is not permitted to earn more than the Work-Study eligibility determined by federal regulations.

Regular Student Employment: Those students who desire to work on or off campus may seek part-time employment with the University or off campus. These jobs generally pay the minimum wage. Hours vary, and may be less flexible than Federal Work-Study positions.

Finding a Job: Both Federal Work Study and regular student employment part-time job openings are accessible through student employment at www.IllinoisState.edu, in Campus A-Z listed under "Jobs." The Financial Aid Office, located in Fell 238, can offer assistance with off-campus part-time job searches. Call (309) 438-5314 for an appointment with the coordinator of part-time employment.

VETERANS SERVICES

112 Moulton Hall, (309) 438-2207 Web address: www.registrar.ilstu.edu/veterans

This office assists student-veterans and certain dependents on matters relating to Department of Veterans Affairs educational benefits and payments. For more information, the student should contact the Office of Veterans Services. Public service hours are from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m. Monday through Friday.

CAMPUS EXPERIENCE

Classroom experiences and studying are only a part of the collegiate experience at Illinois State University, where there are many opportunities to make social connections and select lifestyle preferences in a number of residence halls.

At Illinois State you will be encouraged to think of the entire campus environment as a laboratory for learning about life and living. Involvement in the University community develops leadership, enhances the quality of campus life, and fosters respect and appreciation for individual, cultural, and community diversity.

Campus Living

UNIVERSITY HOUSING SERVICES

Residential Life Building www.housing.ilstu.edu (309) 438-8611; TTY (309) 438-8177

Students with disabilities are requested to contact the Director of Disability Concerns, 350 Fell Hall at (309) 438-5853—Voice, (309) 438-8620—TTY.

RESIDENCE HALLS

The University owns and operates 13 residence halls, providing living accommodations for approximately 7,400 students. These facilities include spaces accessible to students with disabilities. The residence halls have been designed to provide not only basic living requirements, but also counseling, advisement, educational, and cocurricular programs. The University regards residence hall living as an important part of university life and requires that certain students reside in the residence halls as a condition of enrollment.

Professional staff, aided by undergraduate Resident Assistants, are responsible for educational programs, policies, and facilities within the residence halls.

In the spring, residence hall applications and room selection instructions will automatically be mailed to students who have been admitted to the University for the 2007-2008 academic year. If all regular residence hall rooms become filled, new applicants may be offered accommodations in supplemental housing. (Supplemental housing rooms are like regular rooms in their furnishings

but are used as study lounges when not being used for supplemental housing and may house up to six students.) Room and meal plan rates for supplemental housing are the same as for regular housing. Acceptance of a supplemental housing offer is optional, however all terms and conditions become enforceable upon receipt of the supplemental housing contract addendum by the University.

The room and board rate in the residence halls for the 2006-2007 academic year ranged from \$6,114 to \$6,594 for multiple occupancy and the Silver meal plan. Students have three meal plans from which to choose. A limited number of single and super single rooms are available at an additional cost. Hamilton-Whitten and Atkin-Colby Halls remain open during all university breaks during the academic year. All students assigned to those halls are required to pay an additional \$75 nonrefundable charge above and beyond the basic room rate for that service. A \$300 deposit is required upon submission of the residence hall applicationcontract. The deposit covers a \$50 security deposit, which is retained until the final period of occupancy, a nonrefundable \$50 application fee, and a \$200 payment which is applied toward room and meal plan charges. Students may elect to pay each semester's room and meal plan charges in one lump sum or in installments. There is a \$30 service charge for the installment plan. Students are expected to furnish linens, towels, blankets, pillows, bedspreads, and waste baskets. Rates for the 2007-2008 academic vear were not available at the time this catalog was printed. For additional information visit www.housing.ilstu.edu/.

University On-Campus Housing Policy: Entering freshmen who have not previously attended this University must reside in university-operated residence halls for their first four semesters. Students transferring to this University as sophomores (as classified by the Office of Admissions) must reside in university-operated residence halls for their first two semesters. These policies are applicable to all students insofar as space is available in university residence halls. Residence hall living for two summer sessions is equivalent to one semester.

The University may make exceptions for certain categories of students based upon guidelines related to marital status, proximity of home to campus, age, and other pertinent factors. The

deadline for requesting an exemption to the requirement is July 15 immediately prior to the academic year. Consideration also will be given to applications for exemption received prior to July 15 from sophomore students who are members of fraternities or sororities who will be residing in their organization's official house. Those fraternities and sororities must be members of Interfraternity Council Panhellenic Association and National Panhellenic Council, Inc. and approved by the Dean of Students Office. If students wish to appeal a decision concerning their petition for an exemption to the University On-Campus Housing Agreement, they may obtain information on the appeals procedure from the University Housing Services, (309) 438-8611 or visit www.housing.ilstu.edu/.

APARTMENT LIVING

Two university-owned apartment complexes provide residents with an environment conducive to both personal and academic growth. Qualifying upper-class, married, family, and graduate students are eligible to reside in these units.

There are 292 unfurnished apartments in the two complexes, Cardinal Court and 300 Shelbourne Drive, offering residents a quiet environment, community atmosphere, excellent maintenance service, spacious grounds, and good proximity to academic buildings. Rental rates for 2006-2007 ranged from \$347 to \$476 per month. Water service is provided by the University; all other utilities are paid by the resident. A \$250 security deposit is required and is held until after occupancy is terminated. For additional information and an application contact the University Housing Services Office or visit www.housing.ilstu.edu/.

Off-Campus Housing: The University does not participate in housing contracts issued to students renting space in private housing and does not participate in the inspection of any off-campus housing.

Campus Opportunities

RECREATION SERVICES

Web site: www.rec.ilstu.edu

Student Recreation Building, Beech and Willow, (309) 438-PLAY Outdoor Adventure Rental Center, 220 N. Main, (309) 438-8419

Recreation Services encourages personal enrichment by providing a variety of leisure experiences and recreational opportunities. For semester

program information and for a comprehensive guide to the many services, programs, facilities and events provided consult the department's Web site at www.rec.ilstu.edu.

The department operates the following facilities:

The Student Recreation Building features open recreation areas for racquetball, walleyball, basketball, walk/jog, sand volleyball, a juice bar, and locker rooms. In addition, the Weights Plus program consisting of cardiovascular, circuit training and free weight equipment operates in this facility. Student memberships for Weights Plus and Group Fitness are available for purchase and can be combined. The department's administrative offices are located on the second level of the building.

The Outdoor Adventure Rental Center houses our equipment rental which offers a wide assortment of outdoor equipment with discounted rental rates to Illinois State University students. The Outdoor Adventure Library is also located in this facility.

In addition, the department offers programs of Group Fitness providing a variety of aerobic classes with student memberships available for purchase. Gym and Swim are provided at McCormick Hall during the academic calendar; RecSports has an action-packed intramural sports schedule; Adventure Trips provides opportunities to canoe, camp, raft, skydive, and more; Leisure U. offers non-credit classes for racquetball, women's weightlifting, swing dance, and more. Extramural Sports opportunities exist through Sports Clubs, which are registered student organizations predominantly run by students and assisted by our department.

For more opportunities, the department offers student employment positions in a variety of programs and has advisory committees that meet throughout the year. Members of the advisory committees work with the unit to provide the best in programs and services.

INTERCOLLEGIATE ATHLETICS AND UNIVERSITY GOLF COURSE

213 Redbird Arena, (309) 438-3639 University Golf Course, Gregory Street, (309) 438 8065

The University competes in eight men's and eleven women's sports. Whether the action is scheduled for Horton Field House, Hancock Stadium, Redbird Arena, or any of the other outdoor facilities, students enjoy joining their peers in cheering the

Redbirds on to victory. Coming out to a Redbird event is a great way to show school spirit and meet new friends. Students may purchase a Red Alert Pass for only \$40 and receive admission to any home regular season Redbird Athletics event. Students purchasing the Red Alert Pass also receive benefits such as a FREE t-shirt, preferred seating and early admission to games. Purchasing a Red Alert Pass is as easy as adding it to your student account, and it allows you to experience the excitement of Redbird Athletics up close and personal. For additional information call (309) 438-3639, or visit the Web site at www.GoRedbirds.com.

The University Golf Course a par 71, 18-hole course. The renovated Golf Course features a new irrigation system, rebuilt greens with bent grass fairways and 14 new forward and championship tees along with a fully stocked pro shop, snack bar, and cart and club rentals. Student daily, semester, and season passes are available.

UNIVERSITY GALLERIES

110 Center for Visual Arts, (309) 438-5487 Fax: (309) 438-5161 gallery@ilstu.edu www.cfa.ilstu.edu/galleries Free admission

Founded in 1973, University Galleries is one of the most active public exhibition spaces in downstate Illinois presenting a diverse and critical survey of contemporary art in various media. University Galleries is widely recognized for organizing exhibitions that explore art's shifting sociological, technological and philosophical parameters.

University Galleries is part of the College of Fine Arts and is located in room 110 of the Center for the Visual Arts. Its exhibitions feature both emerging and mid-career artists, often those whose work has not been exposed in an in-depth manner in the Midwest. Over the past 16 years, University Galleries has organized 21 exhibitions that have traveled to a total of 68 museums and galleries across the United States and around the world. The books and catalogues produced to accompany those shows are distributed worldwide and are available at a discount to all students, staff, and faculty.

In addition to exhibitions, University Galleries presents extensive educational programs open to the University and general community, including artist lectures, panel discussions, workshops, films and videos, guided tours, research and study facilities, informational brochures, and internships. All University Galleries sponsored events are free. The facilities also are used to host meetings, dance and music events, plays, perfor-

mances, lectures, readings, and films for a variety of university and community groups.

UNIVERSITY MUSEUMS

The Eyestone School Museum, a renovated 1900 one-room school, is located at Adelaide Street and College Avenue.

The Stevenson Memorial Room, on the first floor of Stevenson Hall, displays memorabilia of the Stevenson family with particular emphasis on Adlai E. Stevenson II.

The President's Gallery, located on the fourth floor of Hovey Hall, features a rotating series of exhibitions highlighting the University's art collections.

PLANETARIUM

Corner of School Street and College Avenue, (309) 438-5007

The Planetarium serves more than 15,000 visitors annually, including grade school and high school students as well as the campus community and public. More than 250,000 people have visited the planetarium since 1964.

Administered by the Department of Physics, the planetarium is located at the east end of Felmley Hall. This celestial theatre-in-the-round provides a unique environment that is used by astronomy and other university classes. Primary and secondary school students can select from a variety of programs or have special programs tailor-made to suit their specific interests. In addition, regular public shows are scheduled providing a popular form of enriching entertainment. The 30-foot domed structure seats 110 individuals and houses a Spitz A-3P star projector. The star projector and various other multi-media effects are used to recreate the wonders of the universe.

For information about current offerings and arranging special presentations contact the Planetarium at (309) 438-2496, or access the planetarium's World Wide Web home page at: www.phy.ilstu.edu/planet.html.

Campus Services

DISABILITY CONCERNS

350 Fell Hall, (309) 438-5853—Voice (309) 438-8620—TTY www.disabilityconcerns.ilstu.edu

Disability Concerns, a unit of the Student Affairs Division, is the office that is designated to provide reasonable accommodation services to students, faculty, staff, and visitors with disabilities.

The mission of Disability Concerns is to ensure full and equal participation for persons with disabilities in the Illinois State University community through:

- empowering individuals,
- promoting equal access,
- encouraging self-advocacy,
- reducing attitudinal, physical and communications barriers, and
- providing appropriate accommodations.

Disability Concerns provides accommodation services that support people with disabilities in:

- the realization of academic goals,
- reaching professional goals, and
- becoming contributing members of society and lifelong learners.

To receive services from Disability Concerns. appropriate medical/psychoeducational documentation must be provided. Upon acceptance of the documentation by the Documentation Review Committee, the case coordinator works with the student, faculty or staff on a case-by-case basis to determine the impact of the disability and the appropriate accommodation(s). Disability Concerns offers a variety of services to accommodate persons with disabilities. Accommodations provided may include, but are not limited to, exam accommodations, sign language interpreters, notetakers, assistive technologies and materials in alternative formats.

Disability Concerns provides many of its services through a volunteer model. This is promoted to diminish attitudinal barriers and to promote understanding and respect for persons with disabilities. All students, faculty, staff, and alumni of the University are encouraged to volunteer their time and talents. This volunteer program offers the opportunity to obtain volunteer hours, develop experience to enhance a resume, and perhaps most importantly, develop skills that encourage and promote diversity. Persons interested in providing volunteer assistance should inquire at Disability Concerns.

STUDENT HEALTH PROGRAM

Student Health Service: (309) 438-8655

TTY: (309) 438-2498 Web site: www.shs.ilstu.edu

Student Insurance: (309) 438-2515

The Student Health Service and Student Insurance Office are located on the second floor of the Student Services Building on the corner of College Avenue and University Street, just west of the Bone Student Center.

The Student Health program consists of two components (1) the on-campus Student Health Service and (2) a comprehensive low-cost Student Health and Accident Insurance Plan that supplements services available through the Student Health Service.

Eligibility and Fees: Regarding the Student Health Service, all students who register for one or more credit hours and are assessed general fees are entitled to use all the services at the on-campus clinic for the entire semester or session. There will be a \$5 Front Door Fee assessed to the user's University account for each visit to the Student Health Service. Spring semester students who do not plan to attend summer session classes may obtain summer health care if they pay the appropriate health fee. Enrolled students may purchase Student Health Service access for spouses/domestic partners if they pay the fee. An eligible student who graduates may purchase one additional term prior to the expiration of the current term. All optional health fees are payable at the Student Health Service Business Office.

Regarding Student Health Insurance, all students who register for nine or more credit hours during the fall and spring semesters by the fifteenth calendar day of classes (or for six or more hours by the eighth day of the variable length summer session) and are assessed general fees, are also assessed a health insurance premium.

On-Campus Student Health Service: The clinic is fully accredited by the Accreditation Association for Ambulatory Health Care, Inc. Services at the clinic are comparable to those offered by most private community physicians. The clinic is staffed by licensed physicians, nurse practitioners, and nurses. Services available include a medical clinic, women's health clinic, diagnostic laboratory, radiology, pharmacy, allergy injections/immunizations, health promotion programs by health educators, nutrition analysis, etc. Students wanting to use the clinic should call (309) 438-2778 to schedule an appointment and bring their Illinois State Student I.D. card when checking in.

Complicated illnesses or injuries requiring surgery or long-term care usually will be referred to an outside specialist. New students who have chronic medical conditions such as asthma, diabetes, or epilepsy, which require continuous monitoring and treatment, should retain the services of private physicians for the continuing supervision and management of their condition.

The Health Service staff will furnish supportive care and assist the student's private physician in the student's care if the private physician furnishes written instructions. There are medical specialists plus two hospitals in the Bloomington-Normal area that are equipped to handle medical problems should they arise. Information regarding medical services can be obtained by contacting the Student Health Service main reception area in the Student Services Building, or by calling (309) 438-8655.

Student Health and Accident Insurance: The Student Health Insurance Fee provides a health and accident insurance policy intended to meet the needs of students without other insurance or to provide 100 percent coverage for insured expenses by coordinating with a family policy. The policy includes world-wide coverage, with a \$1,000,000 maximum, a \$1,000 stop-loss provision designed to provide catastrophic coverage while limiting out-of-pocket expenses, and a \$50 deductible. This deductible is waived if other insurance is also in force. The schedule of benefits includes services for hospital inpatient and outpatient use, including emergencies, surgical and anesthesia fees, physicians' charges, consultation expenses, laboratory and radiology expenses, and ambulance services. A complete schedule of benefits may be obtained from the Office of Student Insurance, Room 230, in the Student Services Building.

Student insurance coverage begins the Monday prior to the first day of regularly scheduled fall classes; the Thursday before spring classes; and on the first day of summer session classes. This coverage is terminated on the first day of classes of the next regularly scheduled term. Continuous year-round coverage is available if the student maintains university registration at nine or more hours during the fall and spring semesters and applies for summer coverage at the Student Health Insurance Office prior to the expiration of spring coverage. A summer insurance fee will be assessed in tuition and fees only by registration of six or more credit hours prior to the eighth calendar day of the variable length summer session. An insured student who graduates may purchase one additional term at the group rate by the last day of the covered period. This policy contains no extension of benefits into a non-covered semester for any condition. Extension of coverage for existing conditions, such as maternity, is available through the continuation option, details of which can be obtained from the Student Insurance Office. Although dependent coverage is not included in the Student Plan, the Student Insurance Office can provide suggested alternatives for students needing dependent coverage.

It is strongly recommended that students remain enrolled in this plan even if other health insurance is present. A request to cancel this insurance plan is permitted during the first 15 calendar days of each semester (eight days during the summer session) for those students who prove they have comparable insurance coverage (insurance ID card or copy of policy) and complete the required petition in the Student Insurance Office. However, experience often has shown that the premium for the Illinois State University plan is less than out-of-pocket bills that many have to pay because of higher deductibles and coinsurance provisions in their own policy. Additionally, students sometimes lose coverage through their parents' plan because of age limitations, changes in dependent status, or changes in employment of parents. Thus, it can be more economical to remain enrolled in the Illinois State plan.

The previous information is a summary of benefits and enrollment procedures. Persons desiring specific information about the Illinois State University Student Health Insurance Plan should contact the Student Health Insurance Office, Room 230, Student Services Building, or call (309) 438-2515.

STUDENT COUNSELING SERVICES

320 Student Services Building, voice: (309) 438-3655 TTY: (309) 438-5489 www.counseling.ilstu.edu

Student Counseling Services (SCS) provides a full range of counseling services on a voluntary, strictly confidential basis. Group counseling is offered to promote self-discovery and to provide students with opportunities to change patterns of behavior in relationships. SCS also offers individual personal and career counseling, crisis intervention, after hours on-call services for emergencies, and psychiatric consultation. Counseling services are offered free of charge to students.

Students seek our services for many reasons. Staff can offer assistance with issues such as relationships, identity, unwanted habits, depression, stress management, anxiety, grief and loss issues, self-esteem, and decision-making, to name but a few common concerns students bring to the center.

Students can call the office or walk-in to make an appointment. During the initial appointment a counselor will meet with the student to clarify their concerns and to determine a plan to address those concerns that may include on-going counseling, referral to one of our programs, or another service in the community.

42 Campus Experience

Student Counseling Services also offers preventative and educational programs through CHOICES workshops, Web page interventions, the Career Choice class (IDS 106), and Guerrilla Theatre performances on social issues and diversity. All services are offered in a way that supports cultural and racial diversity and promotes respect for individual differences.

SPEECH AND HEARING CLINIC

211 Rachel Cooper/Fairchild Hall, (309) 438-8641 Web site: www.speechpathaud.ilstu.edu/clinic

Students may obtain at no charge evaluation and therapy services for a wide range of speech, language, voice, and stuttering disorders as well as hearing services including hearing testing, auditory training, and all services relating to hearing aid dispensing and management. Please contact the Speech and Hearing Clinic for appointments.

CHILD CARE

124 Turner Hall, (309) 438-5026

Open to Illinois State University students and faculty/staff when space allows, Illinois State Child Care Center offers high quality, affordable child care services to children 3-9 years of age. It is open during the fall, spring, and summer semesters. Hours are 7:30 a.m. to 5:30 p.m. during the fall and spring; 7:15 a.m. to 5:30 p.m. during the summer. The center is licensed for 30 children at a time with care provided in 124 Turner Hall. Call (309) 438-5026 or email kstephen@ilstu.edu for an application or visit the Child Care Web site at www.childcarecenter.ilstu.edu/.

OFFICE OF PARKING AND TRANSPORTATION

709 N. Main Street (309) 438-8391 or (309) 438-PARK Web site: www.parking.ilstu.edu Email: parking@ilstu.edu

During the posted hours, all vehicles occupying University parking facilities, other than metered spaces (enforced 24 hours a day, seven days a week), must display a valid and appropriate parking permit obtained from the Office of Parking and Transportation. Office hours are 7:30 a.m. to 4:30 p.m., Monday through Friday. A valid Illinois State University I.D. is required to purchase a permit.

Additional information is available on the Parking and Transportation Web site at: www.parking.ilstu.edu.

Dean of Students Office

Janet W. Paterson, Ph.D., Dean of Students Bone Student Center, Room 144 Campus Box 2640; (309) 438-2221; www.deanofstudents.ilstu.edu

The purpose of the Dean of Students Office at Illinois State University is to provide advocacy, problem resolution and crisis intervention as well as a variety of programs and services for students.

The major function areas within the Dean of Students Office include the following areas:

- Bone Student Center
- Campus Discipline
- Commencement Management
- Diversity Advocacy Programs
- Fall Orientation
- · Greek Affairs
- Leadership Development Programs
- · Legal Services
- Mediation Services
- · Parent Services
- Recruitment and Retention Programs for Under-Represented Student Populations
- Student Government Advisement
- Student Programming
- Volunteer Services

BONE STUDENT CENTER/ BRADEN AUDITORIUM

Campus Box 2640 InfoCentre, (309) 438-4636, www.bsc.ilstu.edu

The Bone Student Center (BSC) and Braden Auditorium, named for the institution's ninth and tenth presidents respectively, serves as a hub of student activities and services. Committed to serving the needs of the University community, the BSC includes eateries such as McAlister's Deli, Burger King, Pizza Hut Express and The Cage II coffee shop. The Leadership and Student Involvement Center, Alumni Relations, ISU Credit Union, TechZone, Redbird Card Office, PIP Printing, a convenience store, the InfoCentre information desk and the Illinois State Bookstore in partnership with Barnes and Noble, are additional services available in the Center.

Braden Auditorium (BA), an academic and public service facility, seats 3,457 and offers premier entertainment for the University and local community. The BA box office, an official TicketMaster outlet, sells tickets to Braden performances, Peoria Charter and Burlington Trailways bus tickets, and provides personal check cashing.

Adjacent to the BSC is the Bowling and Billiards Center (BBC). With 10 lanes of bowling and 20 billiards tables, the BBC plays host to the ISU Bowling Team.

COMMUNITY RIGHTS AND RESPONSIBILITIES

Coordinator: Anne Newman 120 Student Services Building, Campus Box 2440 Phone: (309) 438-8621; Email: crr@ilstu.edu www.deanofstudents.ilstu.edu

Community Rights and Responsibilities coordinates the University's student disciplinary, grievance, and conflict resolution processes. Student disciplinary matters are reviewed both by administrative staff and by the University Hearing Panel, while student grievances against faculty and staff are reviewed by the Student Grievance Committee. Appeals of both processes are reviewed by the Student Code Enforcement and Review Board.

For students engaged in conflicts with other members of the community, alternative dispute resolution services are also provided. Mediation is available in many cases where the parties agree to attempt to develop a solution to satisfy both/all parties. Both student and administrative forms of dispute resolution, such as facilitation and negotiation are available as deemed appropriate.

DIVERSITY ADVOCACY

Coordinator: Angela Davenport 305 North School Street, (309) 438-8968 www.deanofstudents.ilstu.edu

Diversity Advocacy, a unit of the Dean of Students Office, sponsors programs to raise cultural awareness in all students, faculty and staff and facilitates a supportive environment for underrepresented populations through diversity advocacy.

The unit coordinates a wide variety of cultural and educational programs, celebrating African-Americans, Asian-Americans, Gay Lesbian Bisexual and Transgender persons, Latinos/Latinas, Native Americans, and women in conjunction with MECCPAC (Multi Ethnic Cultural and Co-Curricular Programming Advisory Committee). The unit plays a role in developing student recruitment and retention programs and collaborates with faculty and academic departments to enhance in-and-out-of-classroom experiences.

The Center for Intercultural Relations is a component of Diversity Advocacy and is available for use by the entire University community. It offers two conference rooms that can be reserved for meetings, seminars or other gatherings, and a relaxed atmosphere for studying and meeting with friends.

PARENT SERVICES

Bone Student Center, Room 144 Campus Box 2640, (309) 438-3753 www.deanofstudents.ilstu.edu

Parents and family members who need direction or assistance can contact Parent Services, a unit of the Dean of Students Office. The office develops programs (e.g. Family Weekend) and materials that promote family involvement in the University and its educational mission as well as provides information about University resources to parents. The office also conveys the suggestions and concerns of parents to the University community.

STUDENT INVOLVEMENT CENTER

Prairie Room South, Bone Student Center (309) 438-3212 www.deanofstudents.ilstu.edu

Active participation in programs and organizations enhances students' collegiate experience through hands on learning, development of leadership skills, and personal growth. The Student Involvement Center supports both students who are looking to get involved on campus, and those who are involved with registered student organizations (RSOs). The center maintains a registry of over 300 student organizations on campus, which are categorized by areas of interest.

The Center, along with university faculty and staff, provides advisement and support to all RSOs. There is an organization or club for almost every interest.

To view a current listing of all the organizations or for information about how to start a new organization, visit the Dean of Students web site or contact the Student Involvement Center.

ACADEMIC SERVICES

New Student Orientation

Preview—Summer Orientation: During the two-day Preview program in the summer, new freshmen receive academic orientation, meet with academic advisors, and register for fall semester classes. There also are opportunities for new freshmen and their family members to discuss issues of campus life with faculty, staff, and current students. Freshmen admitted for fall semester receive registration materials for Preview in late spring. Further information is available in University College at the Office of Orientation and Transition Services, 329 Fell Hall, Campus Box 4060, (309) 438-8486 and www.ilstu.edu/preview.

Passages—Fall Orientation: Passages is a university-wide orientation program offered to all students new to Illinois State University. The program introduces students to campus technology, Milner Library and other campus resources. It also provides many opportunities for educational, informational and social interaction in order to help new students in their transition to Illinois State. During the program, the students are introduced to the academic standards and expectations of excellence at Illinois State University. Students receive program information during the summer. Further information is available from the Dean of Students Office, Bone Student Center, Room 144, (309) 438-2008, and www.passages.ilstu.edu.

Transfer Days: Newly admitted transfer students have the opportunity to receive academic advisement, register for classes, and learn more about the University by participating in a one-day Transfer Day. Multiple Transfer Days are held each term—generally three days are scheduled in the fall for those admitted for the spring term and four days are scheduled in the spring for those admitted for the summer and/or fall terms. Students receive information about participating in the Transfer Days after they have been admitted. Students admitted after the Transfer Days invitation deadline are sent information regarding additional advisement and registration opportunities. Further information is available in University College at the Office of Orientation and Transition Services, 320 Fell Hall, Campus Box 4060, (309) 438-3859.

Special arrangements: Arrangements can be made to assist participation in these programs by students with disabilities through Disability Concerns, 350 Fell Hall. Contact them by voice at

(309) 438-5853 or TTY (309) 438-8620 regarding any special needs at least one week prior to arriving on campus for these program events.

University College

324 Fell Hall, Campus Box 4060 (309) 438-3217 www.ucollege.ilstu.edu

The mission of University College is to provide effective programs and services that assist students in making successful transitions into Illinois State University, achieving their educational goals, and realizing their academic potential in the first year and beyond. Programs and services offered or coordinated through University College include University College Academic Advisement, Developmental Mathematics, the Minority Student Academic Center, First Year Learning in Communities, Preview, Student Support Services/TRiO, Transfer Days, the University Center for Learning Assistance, University Studies Major, and University College Testing Services.

ACADEMIC ADVISEMENT

340 Fell Hall, Campus Box 4060 (309) 438-7604 www.ucollege.ilstu.edu/advisement

Caring professionals and trained peer advisors in University College Academic Advisement help incoming students with educational planning, course selection and referral services. Professional and peer advisors help students explore academic majors and career options, and assist them in developing plans to meet their goals. Students can obtain information about academic requirements, assistance for declaring or changing a major, and help finding the resources they need to overcome academic difficulties. Students with 24 or fewer semester hours, and all General and Unclassified students, are served by University College Academic Advisement.

DEVELOPMENTAL MATH

118 Schroeder Hall, Campus Box 4060 (309) 438-3360 www.ucollege.ilstu.edu/developmentalmath

The Developmental Math unit of University College offers MAT 102 (Basic Algebra), and

MAT 104 (Intermediate Algebra) taught by student-centered instructors in a warm, friendly atmosphere that is conducive to learning. Developmental Math students are strongly encouraged to make use of tutorial assistance provided by instructors, graduate assistants, and undergraduate teaching assistants in the University College math lab.

FIRST YEAR LEARNING IN COMMUNITIES (LinC)

324 Fell Hall, Campus Box 4060 (309) 438-3217 www.ucollege.ilstu.edu/firstyearlinc

LinC assists first year students in their initial transition to and retention within Illinois State University. This seminar, offered only during the first eight weeks of the fall semester, provides a small community structure that: promotes connections with peers, faculty, and staff; provides experiences to learn about resources of the University; and offers opportunities to become involved in university life.

MINORITY STUDENT ACADEMIC CENTER

Campus Religious Center Building 210 W. Mulberry Street, Campus Box 4061 (309) 438-3159 www.ucollege.ilstu.edu/msac

The Minority Student Academic Center (MSAC) provides activities that enhance the academic success and retention of minority undergraduates. The Center fosters a supportive, comfortable environment for minority students so they can maximize their academic potential and achieve their academic goals. The array of inter-connected, coordinated academic support services available through the Center includes a computer lab and study center, informal study groups, tutorial assistance, a grant program for selected students who wish to participate in an academic or professional development activity of their choosing, information about on- and off-campus programs and services that benefit minority students, and referrals to other campus units. To better accommodate the needs of students, MSAC offers extended hours of operation during the academic year.

MSAC administers the Louis Stokes Alliance for Minority Participation program (LS-AMP), designed to increase the number of underrepresented minority students pursuing careers in science, mathematics, technology and education programs in those disciplines. Additionally, MSAC administers the Mary F. English

Technology Award Program (MFETAP) which provides technology training and support for selected minority undergraduates in teacher education programs.

ORIENTATION AND TRANSITION SERVICES

Preview – Summer Orientation 329 Fell Hall, Campus Box 4060 (309) 438-8486; www.ilstu.edu/preview

Each summer, new freshmen and their families participate in a two-day Preview program in which they learn more about campus life, meet with academic advisors, and register for fall classes. Further information is provided under "New Student Orientation" at the beginning of this section or by calling (309) 438-8486 or visiting the Web site at www.ilstu.edu/preview.

Transfer Days – Transfer Student Orientation 331 Fell Hall, Campus Box 4060 (309) 438-3859

Newly admitted transfer students have the opportunity to receive academic advisement, register for classes, and learn more about the University by participating in a one-day Transfer Day. Multiple Transfer Days are held each term—generally three days are scheduled in the fall for those admitted for the spring term and four days are scheduled in the spring for those admitted for the summer and/or fall terms. Students receive information about participating in Transfer Days after they have been admitted. Students admitted after the Transfer Days invitation deadline are sent information regarding additional advisement and registration opportunities

STUDENT SUPPORT SERVICES/TRIO

374 Fell Hall, Campus Box 4060 (309) 438-2099 email: studentsupportservices@ilstu.edu www.ucollege.ilstu.edu/sss

Student Support Services (SSS) is a federal TRiO program designed to enhance the academic success, retention, transfer, and graduation rates of eligible undergraduate students. Since 1980, the SSS program has provided opportunities for first-generation and/or low income Illinois State University students. From enrollment to graduation, SSS program personnel are dedicated to offering individualized assistance and support services that will enhance the academic, personal and professional potential of students who participate in the program. Some of these services include

academic, personal, financial, career, and professional/graduate school advisement; needs assessments, academic monitoring, and appropriate on-campus resource referrals, and on- and off-campus programs and student leadership conferences. For further information, please view the Web site or call the program office. SSS is funded by the U.S. Department of Education in cooperation with Illinois State University.

UNIVERSITY CENTER FOR LEARNING ASSISTANCE (UCLA)

133 Stevenson Hall, Campus Box 4070 (309) 438-7100; Grammar hotline: (309)438-2345 www.ucollege.ilstu.edu/ucla

The University Center for Learning Assistance assists all students to become independent and successful learners by helping them discover what to learn and how to learn it. UCLA sponsors various types of learning assistance. Tutorials in General Education courses typically involve regular weekly meetings between tutors and students. Tutors are also available to answer questions on a "drop-in" basis. One-to-one writing assistance is available to students at all levels and in courses across the curriculum. Small group or personal coaching and regularly scheduled workshops are available to help students build writing, reading, study, and test-taking skills. Call UCLA for more information, or come in to request or to register for any of the learning assistance services.

UNIVERSITY COLLEGE TESTING SERVICES

346 Fell Hall, Campus Box 4060 (309) 438-2100 www.ucollege.ilstu.edu/testing

The University College Testing Services administers college-related tests such as the COMPASS Math Placement and the Constitution exams. University College Testing Services also provides information and registration materials for selected national standardized tests including ACT, CLEP, GRE, GMAT, and TOEFL. University College's Testing Services are also available to the community. Please feel free to call the office for more information.

MAJOR IN UNIVERSITY STUDIES

324 Fell Hall/Campus Box 4060 (309) 438-3217 www.ucollege.ilstu.edu/universitystudies

Please see the University-Wide Curriculum section of this *Undergraduate Catalog* for information on the Major in University Studies.

Additional Academic Services

COMPUTER AND INFORMATION SERVICES

Campus Technology Support Group University Computer Help Desk (309) 438-HELP

Student Computer Ownership Initiative: All new students to the University are required to bring a personal computer that meets the University's published minimum hardware and software standards. For mobility and flexibility reasons, laptops are strongly recommended. No student will be prevented from attending classes based on an inability to purchase a computer. Different financial resources are available to students including adding the cost of a computer to a student's "total cost of attendance." The cost of attendance is one of the factors that determines the amount of financial aid offered. Assistance, help, specifications, and more information on the policy can be found at TechZone, Bone Student Center 2nd floor, or www.techzone.ilstu.org.

iCampus Portal: The iCampus portal, at www.icampus.ilstu.edu, allows students to register for classes, view course registration information and Planner, view their grades, schedule, textbooks, financial aid status, email, Redbird card balance and more through a Web browser from anywhere in the world.

Internet Access: There are many convenient methods for connecting to Illinois State University over the Internet. All residence halls provide highspeed Ethernet access. There are also public network jacks and wireless connectivity available in many locations on campus for mobile laptop users, including areas in Milner Library, the Bone Student Center, and all residence hall dining areas. The University Computer Help Desk maintains a download site, which provides Illinois State students with browsers, email clients, virus protection, spyware detection, mobile printing software, and other useful tools, all configured to reach Illinois State resources. It is available free of charge with a University login (ULID) and password at www.helpdesk.ilstu.edu/.

Computer Security: To protect your computer and the campus network from viruses, worms, trojans, and the like, you must install the free antivirus software provided by the University and set it to automatically update the virus definition files. You must insure that your computer presents no risk to the campus community by installing free critical updates to the operating system. Computers

vulnerable to viruses and the like will be blocked from accessing the network. Further information on computer security requirements is available at www.helpdesk.ilstu.edu/security.

Computer Laboratories: Personal computers (PCs) for doing work outside of class are available to students in over 75 computer labs at various locations on campus. PC and Macintosh computers are available, along with printers, scanners and copiers in some locations. Software tools such as email, browsers, word processing, graphics, spreadsheets, and course-specific software are available in varying configurations at all computer lab locations.

Six of the larger computer labs are called University Labs, or uLabs. Two of the uLabs, in Stevenson 250 and Milner Library, are general purpose labs available to all students with a valid Illinois State University ID. The other four uLabs are general purpose labs located in four different residence halls, and are available to all residence hall students. Specific information about the uLabs, including operating hours, software available, and directions, may be found at www.ulabs.ilstu.edu.

Appropriate Use Policy: The University's Appropriate Use Policy establishes the appropriate use of computing and telecommunication networks, computing equipment, and technology resources. Users must agree to abide by this policy prior to gaining access to Illinois State resources. The policy includes provisions for the observance of all copyright laws. The full text of the appropriate use policy is available at the following Web site: www.policy.ilstu.edu/fiscal/appropriate use policy.htm.

MATHEMATICS TUTOR CENTER

330 Stevenson, (309) 438-8781

The Mathematics Tutor Center provides tutorial assistance to students enrolled in most 100-level courses in Mathematics. Intensive remedial assistance is not provided. Interested students and faculty should contact the Mathematics Department for additional information.

STUDENT SERVICE AND REFERRAL CENTER

107 Moulton Hall, (309) 438-2188

The Student Service and Referral Center (SSRC) is the primary public service area of the Office of the University Registrar, providing assistance to students registering for courses, applying for graduation, requesting transcripts and other selected services. Referrals are made to other offices as appropriate. Client service hours and

additional information may be found by visiting the Web site at www.registrar.ilstu.edu.

Extended Learning

At Illinois State University, there are courses and programs that a student can complete without physically coming to the Normal campus. These courses are offered in various formats:

Extension: Extension courses are typically taught in traditional formats by Illinois State faculty members at approved off-campus sites throughout the state.

Internet: Internet courses make use of Illinois State's connection to the world wide web and other electronic resources. These courses may utilize on-line materials, courseware, and discussion groups, and may be delivered in an asynchronous mode.

Contract: Contract educational services, programs and courses are delivered through mutual contract to an off-campus site for a specific cohort or business entity.

For courses offered by Illinois State University, no differentiation is made between credits earned on-campus, off-campus, or by alternate delivery methods such as the Internet. For further information contact the Office of Extended University at (309) 438-5288 or view the Web site at www.exu.ilstu.edu.

Special Academic Opportunities

HONORS PROGRAM

The University's Honors Program, described earlier in this catalog, offers academically talented students enriched educational opportunities. Honors students benefit from close personal advisement with skilled Honors advisors, from special, small classes taught by the University's outstanding professors, from opportunities for cooperative research with advanced scholars, from service learning opportunities, and from individually designed programs and independent study opportunities. Honors students also have special residential options and are eligible for special scholarships, awards and recognition.

ACADEMIC HONORS

Dean's Lists: Undergraduates who meet high academic standards, as established by the college of their major, are included in a Dean's List issued each semester. Eligible students must complete 12

or more graded hours during the semester. Courses completed after the official end of the semester and courses taken with a CT/NC option will not be counted for this purpose.

The Dean's List for the Colleges of Applied Science and Technology, Arts and Sciences, Education, Fine Arts, and Mennonite College of Nursing will include those students whose grade point averages place them among the top ten percent of those students majoring within the college based on their semester GPA. The Dean's List in the College of Business will include only undergraduate students majoring in business who have completed 12 or more semester hours with an overall semester grade point in the top ten percent, and at least a 3.33 GPA for all courses taken during the semester. Courses completed after the official end of the semester and courses taken with a credit/no credit option will not be counted for this purpose. Students whose major does not place them in one of the six colleges that offer classes and whose semester grade point average is within the top ten percent of the University are identified on the list of the Vice President and Provost.

Bone Scholars: The University each year names 14 outstanding junior undergraduates as Robert G. Bone Scholars. Robert G. Bone was president of Illinois State from 1956 to 1967, and was so highly regarded by the University community that these special scholarships were established to honor his memory. Undergraduates can receive no higher honor from the University than to be awarded the Bone Scholarship. These scholarships recognize superior academic records, broad academic achievement, notable community and campus service, and demonstrated leadership. Students must be nominated during spring semester of their junior year in order to apply for this award, and they must complete a rigorous application process in order to be selected. A university-wide committee, organized by the Honors Program, reviews applications and makes selections.

UNDERGRADUATE TEACHING ASSISTANTS

Undergraduate Teaching Assistantships (UTA) are available in nearly all departments of the University to juniors and seniors who have demonstrated excellence in a particular discipline and high overall scholastic achievement. The purpose of the program is to assist the faculty in the improvement of instruction and to provide UTAs with a valuable learning opportunity.

Undergraduate Research Assistantships (URA) are available in selected departments for students

who have demonstrated excellence in a particular discipline with significant potential in research. The purpose of the program is to work closely with faculty members and to provide students valuable opportunities for research.

The responsibilities and nature of the UTA and URA assignments are determined by the departments and colleges. Some departments provide the opportunity for credit to be earned by the UTA under a General Offerings course (291 Seminar: Undergraduate Teaching Assistants). Three hours is the maximum amount of this credit that may be allowed for graduation. Tuition and fees are assessed in the usual manner for all credit earned in the UTA and URA experiences. Application forms are available in the departmental and college offices.

UNDERGRADUATE RESEARCH

Research is considered a vital component in the development of undergraduates at Illinois State. All students have the opportunity and are encouraged to participate in scholarly research during their university experience.

Illinois State explicitly views research as more than the traditional concept of expanding basic knowledge, favoring a definition that requires the application of such knowledge in resolving societal problems. Students have the opportunity to work in collaboration with Distinguished Professors and Outstanding University Researchers. As is true for all research, undergraduate students should ensure that any research projects involving living human subjects have been approved by the Institutional Review Board (IRB). Research projects involving living animals require the approval of the Institutional Animal Care and Use Committee (IACUC). Research involving biohazards must be reviewed by the Institutional Biosafety Committee (IBC). If questions exist, discuss this with your faculty supervisor or contact Research Ethics and Compliance, Professional Development Building at (309) 438-8451.

Student research is showcased each spring in the Undergraduate Research Symposium sponsored by the Graduate School, the Graduate Student Association, Research and Sponsored Programs, Milner Library, and the Honors Program. Students must be enrolled and engaged in research under the direction of a faculty mentor.

The symposium recognizes and promotes student research, scholarship and creative achievement by providing a professional setting in which students present. Presentation options include posters, oral, multimedia display and table display.

In addition to recognizing and encouraging research at the undergraduate level, this event will also provide professional advancement experience. Presenters at the symposium are eligible to apply for travel reimbursement for research presented at off-campus professional conferences. Funds are available through the Graduate School when matched by department/school funding.

INTERNATIONAL STUDIES AND PROGRAMS

301-311 Fell Hall, (309) 438-5276 www.internationalstudies.ilstu.edu

The Office of International Studies and Programs (OISP) is the focal point for international activities at Illinois State University. The University's full scope of international activities - undergraduate, graduate, professional, research and training - are coordinated by this office.

The primary mission of OISP is to internationalize educational programs, research and training opportunities; hence advance the understanding of international and cross-cultural issues across campus and for the community at large.

International Student and Scholar Services:

The mission of International Student and Scholar Services is to provide guidance and support to international students and scholars. The unit is responsible for immigration advisement and academic assistance and offers a variety of services for international students and scholars including an extensive orientation. The unit is also engaged in outreach through community-based organizations.

Study Abroad: Study Abroad offers students opportunities that provide cross-cultural interaction, exposure to geographic, economic and political diversity and a vehicle for personal growth and adaptation in a foreign environment. The unit provides year-round orientations, consultation and advisement, and follow-ups to assist students and program directors on a continuous basis before, during and after their study abroad experience.

National Student Exchange: The National Student Exchange provides an opportunity for undergraduate students to attend a member college or university in another state for up to two semesters while earning credit toward their home school's degree program. Illinois State is one of only three universities in the State of Illinois that participates in the NSE program. Such exchanges offer students the opportunity for cross-cultural interaction and exposure to geographic, economic and political diversity, as well as personal growth.

Management Development International (MDI): Management Development International conducts professional certificate and diploma training programs, as well as custom-designed training programs, in a variety of fields for international clientele. Programs are offered on-site at Illinois State and at many other locations around the world.

International House: International House is a multicultural living and learning center for American and international students at Illinois State. The primary responsibility of the International House Unit is to promote diversity among American and international students and to contribute to international understanding through commitment to developing friendships, providing cultural learning opportunities and offering programs which extend these primary goals to the wider university and to the Bloomington/Normal community.

Unit for International Linkages: The Office of International Studies and Programs has established the Unit for International Linkages to increase scholarly activity and research throughout the world. The unit pursues and coordinates linkages with institutions in countries around the world.

Fulbright Program Development: The Office of International Studies provides guidance for Fulbright Program Development with support of faculty efforts toward international scholarship.

Collaborative Units:

Admission of international students is processed through the Office of Admissions at Illinois State University.

English Language Institute is part of the College of Arts and Sciences. International student immigration and advising are coordinated through International Studies and Programs.

Intensive English Program at English Language Institute (Hudelson Building), (309)438-2072; email: eli@ilstu.edu; or www.cas.ilstu.edu/office/internationalaffairs/eli: Illinois State University's English Language Institute (ELI) provides a special non-degree intensive program (20-hours per week) in English as a Second Language with equal emphasis on both communicative and academic needs for international students who wish to increase their English proficiency for college-level work or for international students on exchange programs. After the first semester, qualifying students can enroll in one regular University class in addition to their ELI program. In general, students enroll at ELI as full-time students for a semester or more.

Although admission to ELI does not guarantee subsequent admission to a degree program at the University, ELI students who attain a satisfactory TOEFL score can be admitted to a degree program at the University, provided they also meet the other requirements for admission. Hence, international students who do not have the minimum TOEFL score for admission to a degree program are encouraged to attend ELI first to prepare for admission to such a program at the University. Most students live in the University's campus housing, which gives them a chance to interact with students of all backgrounds.

For further information, contact English Language Institute, Campus Box 6123; Fax: (309) 438-3031; phone: (309) 438-2072; Web site: www.cas.ilstu.edu/office/internationalaffairs/eli; or email: eli@ilstu.edu.

CAREER CENTER

185 Student Services Building, (309) 438-2200 www.careercenter.ilstu.edu and www.jobs.ilstu.edu

The Career Center is a valuable central resource for our students, alumni, and faculty, and for a wide variety of employers in search of well-prepared candidates. We assist students in deciding on a major, plus the exploration of satisfying career opportunities that match their talents, interests, and goals. The Career Center Staff also helps individuals to develop job search skills in order to pursue full-time positions, plus internships/cooperative education, and part-time jobs.

The Career Center provides individualized career planning assistance, an on-line job search website (eRecruiting), on-campus interviewing, and a variety of events to prepare students/alumni for the job search process. We assist students/alumni in any stage of the career process (e.g., assessing interests and abilities, choosing a major, clarifying career direction, and job search strategies.) Career resources are available such as SIGI 3, an online, free self-assessment tool in assisting students/alumni to define interests, skills, and values as related to occupations.

Several career events are offered throughout the academic year to facilitate students/alumni meeting with employers from business, industry, government, education and nonprofit agencies. The office is a valuable resource to students, alumni and faculty, and provides valuable information regarding the labor market, job outlook and salary information.

Professional Practice: Nationally recognized, this program offers academically qualified students an opportunity to integrate classroom study with

one or more terms of paid or unpaid internship or co-op experience in a work environment related to the student's academic and career goals. Nearly 6,000 organizations in the U.S. and abroad have served as learning sites. Students interested in enrolling in internships or co-op experiences (typically 198, 298, 398 courses in the catalog) should contact the internship coordinator in their department/school or Career Center early in their undergraduate program to insure proper arrangement.

Cooperative Education—an educational pattern that allows for alternating or parallel periods of campus study and paid, educationally related work experiences.

Internship—a professionally monitored work or service experience for students that provides intentional learning goals and reflects actively on the learning experience. They can be part- or full-time and paid or unpaid. Tuition and fees are assessed in the usual manner for all credit earned in internship experiences.

For information contact the office via email at: jobs@ilstu.edu or by phone at (309) 438-2200, Monday through Friday from 8 a.m. to 4:30 p.m., or at http://www.careercenter.ilstu.edu.

Student Employment: Targets on and off campus part-time employment opportunities ranging from administrative assistants to paraprofessional positions. Along with a wide array of part-time employment, vacancies and on-campus graduate assistantships are posted at www.IllinoisState.edu in Campus A-Z, listed under "Jobs."

For information regarding part-time off-campus employment, email faojobs@ilstu.edu or call (309) 438-5314, Monday through Friday from 8 a.m. to 4:30 p.m.

Preparation for Graduate Study

While many graduates proceed immediately to the working world upon receipt of their bachelor's degree, others choose to pursue their education further.

Requirements for admission to advanced study vary according to the profession as well as among the schools. Thus, a student planning to enter a professional school should seek specific admission information from the school he or she plans to attend. Preparation for admission to a professional or graduate school consists of (1) a broad educational experience, (2) courses that meet the specific admission requirements of the school the student plans to attend, (3) major and minor subjects that allow for concentrated study in a field of interest and that provide an alternative career direction if it

becomes desirable, (4) relevant work or research experience, and (5) standardized test scores, such as the GRE, GMAT, LSAT, MCAT, etc.

GRADUATE SCHOOL

309 Hovey Hall, (309) 438-2583

The Graduate School offers master's degree programs in most fields in which undergraduate programs are available. Doctoral degree programs are available in Audiology, Biological Sciences, Curriculum and Instruction, Educational Administration, English Studies, Mathematics Education, School Psychology, and Special Education. A Specialist in School Psychology degree is offered as well as over 15 graduate certificates.

Students interested in graduate study at Illinois State should consult the *Graduate Catalog* for admission requirements and available programs. It is recommended that undergraduates contemplating future education take the necessary standardized test in the early part of their senior year. These test scores, along with transcripts, usually are necessary not only for admission but to attain various forms of financial support, e.g., Graduate Assistantships. Further information also may be obtained from departmental/school offices and the Graduate School Office in Hovey Hall or at www.grad.ilstu.edu.

Preparation for Professional Study

HEALTH PROFESSIONS

Students in preprofessional programs for health-related professional colleges usually major in one of the departments in the College of Arts and Sciences. Majors in Biological Sciences or Chemistry usually are elected because several specific preprofessional course requirements can be applied toward a major in these fields. However, a major in any one of a number of other departments in the College is appropriate for many students who have a specific career goal in mind. Economics, foreign languages, mathematics, physics, psychology, sociology, and speech pathology and audiology are several examples of academic areas that have application to specialties within the health professions.

Minimum admission requirements to colleges of medicine, dentistry, and veterinary medicine are discussed below. Further information about admission procedures to these and other health-related professional colleges can be obtained by contacting the preprofessional advisor in the Department of Biological Sciences, (309) 438-8252 or by going on line to www.bio.ilstu.edu.

Medicine: Admission requirements of individual medical colleges are set forth in *Medical School Admissions Requirements—United States and Canada*. Orders for this book should be addressed to:

Association of American Medical Colleges 2450 N. Street, NW Publications Department Washington, DC 20037-1129

To order by phone: (202) 828-0416, fax (202) 828-1123, or on the Web site: at www.aamc.org.

Specific course requirements of medical schools in the state of Illinois can be met by taking the following courses:

Chemistry 140, 141, 230, 231, 232, and 233 Biological Sciences 196, 197 Physics 108, 109 Behavior Sciences (9 hours) English and Speech (9 hours) Mathematics 145, 146 are recommended

Other specific course requirements usually are met by completion of the General Education program. It should be understood that a careful selection of general education and elective courses beyond the specific admission requirements can make the applicant more competitive.

Although a few students are accepted for enrollment in medical college after completion of 90 semester hours, they are distinct exceptions. Most students should anticipate the completion of the requirements for a bachelor's degree with the following approximate timetable:

- 1. Completion of specific course requirements by the end of the junior year.
- 2. Medical College Admission Test taken in the spring of or the summer following the junior year.
- 3. Medical College application process begun in June, preceding senior year.

Dentistry: Admission policies of individual dental schools are set forth in *Official Guide to Dental Schools*. Book orders should be addressed to:

American Dental Education Association 1625 Massachusetts Avenue, NW Washington, DC 20036-2212

To order by phone: (202) 667-9433 or on the Web site: www.adea.org

In addition to the completion of the General Education program, the following courses would meet the minimum specific course requirements for Illinois dental schools:

Chemistry 140, 141; CHE 230, 231; 232-233; 242 or 342

Biological Sciences 196, 197 Physics 108, 109

Most students enter dental school after three or four years of preprofessional studies. The minimum requirement for admission to dental schools in the state of Illinois is two years of college, even though most such applicants are unsuccessful. It is therefore advised that students anticipate at least a three-year program with the following timetable:

- Completion of biology and chemistry course requirements by the end of the sophomore year.
- Dental Admission Test taken in April of the sophomore year or by October of the junior year.
- 3. Dental college application process is begun in the summer preceding the junior year.

Veterinary Medicine: Illinois residents find it exceedingly difficult to gain admission to colleges of veterinary medicine outside the state. Students should therefore direct their attention largely to the admission policies of the University of Illinois College of Veterinary Medicine.

Specific course requirements: 5 semesters of biology with laboratory, including 3 semesters of 200- or 300-level courses; 4 semesters of chemistry, including organic chemistry and biochemistry; 2 semesters of physics; 2 semesters of English; 4 semesters of humanities and social sciences. One semester of animal science is recommended. Some two-year students are accepted, but the majority of successful candidates have 3 or 4 years of preprofessional study. Students are therefore advised to plan their program for completion of the requirements for admission to veterinary college by the end of the sophomore year. A fouryear program leading to a bachelor's degree should be anticipated in the event that early application to veterinary college is not successful.

ENGINEERING

Illinois State University Physics Department directs a joint Engineering/Physics program shared with a partner engineering university such as the University of Illinois or Bradley University. Students begin at Illinois State and transfer to their chosen partner engineering university after completing 90 semester hours. Students receive a B.S. in Engineering from the partner university upon completion of their Engineering requirements. They receive a second B.S. in Physics from Illinois State upon transferring back 30 approved hours

from the engineering university. Students major in Engineering Physics while at Illinois State.

The Engineering Physics program is listed under the Physics programs section of the Undergraduate Catalog. Engineering Physics majors benefit from small class size and close student-faculty interactions in the Physics Department. This five-year program offers greater depth than the average engineering curriculum and provides students with the additional problem solving and scientific foundations needed to design the rapidly changing technologies of the future. The first years of this program also are suitable preparation for transfer to most engineering schools. Due to the sequential nature of engineering curricula, it is important that appropriate course selections be made. Interested students should contact the Department of Physics at (309) 438-8756 or info@phy.ilstu.edu early in their academic careers for help in planning an appropriate plan of study.

LAW

Law schools do not require any specific courses or undergraduate majors. A committee of the Association of American Law Schools has recommended that the prelaw student keep in mind three basic objectives in planning an undergraduate program: education for articulate oral and written expression; education for greater understanding of human institutions and values; and education to develop the skills of conceptual analysis. The committee has emphasized the need for a broad, liberal education that develops the student's intellectual interests rather than an education directed too pointedly toward later professional training and practice.

Students planning to apply for admission to law school should consult the University's prelaw advisor, Dr. Robert C. Bradley, Department of Politics and Government, (309) 438-8944, for information about the Law School Admissions Test and for assistance in selecting and applying to suitable law schools.

ACADEMIC POLICIES AND PRACTICES

Illinois State University is proud of its commitment to undergraduate education and its focus on student success through the provision of a small college atmosphere with large university choices. With a commitment to individualized attention, the University promises to work closely with all students throughout their academic career to ensure they complete their degree as expeditiously as possible.

Whether entering the college classroom for the first time or transferring from another institution, every student encounters questions when building a class schedule and working through the semester toward a final grade. The following policies and practices will help you understand the academic structure on campus and find success in the classroom.

COURSE REGISTRATION AND WITHDRAWAL

Course Registration: Students at Illinois State University register through the iCampus Portal at www.icampus.ilstu.edu. Help with registration may be obtained at the Student Service and Referral Center, 107 Moulton Hall, or by calling (309) 438-2188. For office hours visit the Web site at www.registrar.ilstu.edu and click on SSRC.

A student at Illinois State University is responsible for following registration procedures to assure valid registration for courses. Work taken in a given session must be registered for in that session. A student may not attend a class for which they are not properly registered. A correct registration is each student's individual responsibility. The University reserves the right to void the registration of any student who becomes ineligible for enrollment.

Registration may be accomplished during the advance registration period or the additional registration periods prior to the start of the semester. New freshman and transfer students may register during summer Preview or a Transfer Registration Program and are encouraged to do so because of the wider selection of courses open to them at that time. They may also register just before the opening of the semester. For advance registration, the date and time of registration will be available on the iCampus Portal approximately two weeks prior to advance registration.

Confirmation of Attendance: Students are requested to confirm their intention to attend Illinois State for the upcoming session. Students who register in advance will receive a copy of their schedule and a confirmation card regarding their intention to attend the University during the upcoming session several weeks prior to receiving a bill for that session. Students may confirm their intentions in one of two ways which will be available to students throughout the month of July for fall and December for spring. The options include: (1) completing and mailing the confirmation card; or (2) accessing the iCampus Portal.

Class Registration Changes: A student who is already registered for a particular semester and desires to change his or her program before the deadline for doing so should follow the instructions available on the Registrar's Web site at www.registrar.ilstu.edu.

Withdrawal Policy—Dropping a Course or Courses: Students are strongly advised to complete all courses in which they enroll and are encouraged to avoid withdrawing from any course after the program change period unless absolutely necessary.

The following policy applies to students who drop a course or courses but maintain an enrolled status within the University: A student may withdraw from a course during the program change period without the withdrawal being shown on the transcript. (A student should consult the Registrar's Web site at www.registrar.ilstu.edu/students to obtain specific dates.)

After the tenth day of classes, but prior to the end of the eighth week of classes during any regular semester, a student may withdraw from a full semester course with a grade of WX by complying with the following steps: (1) Obtain, complete, and sign a course withdrawal form; (2) Obtain the instructor's signature on the form; and (3) Submit the form to the Student Service and Referral Center, 107 Moulton Hall.

A student should consult the Student Service and Referral Center for questions regarding refunds and for specific withdrawal dates during any instructional term. For courses taken during a term lasting less than a regular semester, a proportional withdrawal period will apply.

A grade of F will be given to students who (1) fail to withdraw officially from a course in compliance with the above procedure, or (2) register for a course but do not complete course requirements.

Upon the written recommendation of a licensed physician or clinical psychologist, or in

other unusual circumstances, a student may be granted permission to withdraw officially from a course for medical, psychological, or other similar reasons after the official withdrawal period upon receiving approval from the University Registrar, or his designee. If approval is granted, a grade of WX, WP or WF, as assigned by the professor, will be awarded.

Withdrawal Policy—Dropping All Courses:

The following policy applies when a student drops all courses in which he or she is enrolled, which is known as withdrawal from the University. Students are strongly advised to complete courses in which they are enrolled and not to withdraw from the University unless absolutely necessary.

Before the end of the twelfth week of classes during any regular semester, a student reports to the Student Service and Referral Center in 107 Moulton Hall or writes to the Office of the University Registrar at Campus Box 2202 to withdraw from the University.

If a student's written request to withdraw from the University is granted, all grades will be assigned in the same manner and under the same provisions as the regular course withdrawal guidelines except that the student must not be required to contact his or her instructors. Instead, the instructor of each course assigns a WX, WP, WF or letter grade as appropriate depending on the date and circumstances of withdrawal. If medical or other reasons make it impossible for the student to follow the usual procedures, a letter requesting withdrawal that explains the situation, with appropriate documentation and the student's signature, will be sufficient. Withdrawals made by mail are addressed to Office of the University Registrar, Illinois State University, Campus Box 2202, Normal, IL 61790-2202, or by fax to (309) 438-8652.

Regardless of the circumstances of withdrawal, the student is responsible for returning any laboratory equipment and library materials and paying for any parking fines. The student must contact the University Housing Services to obtain clearance from room and board obligations and to arrange for vacating the residence hall room. The student should arrange with the Financial Aid Office to place any scholarship on leave or cancel it and make arrangements for future financial assistance. Arrangements for payment of loans must be made in the Office of Student Accounts. Consult the Office of Student Accounts for information on refunds.

A grade of F will be given to students who (1) do not attend their courses but fail to withdraw

from the University before the specified final withdrawal date, and to students who (2) register for a course but do not complete course requirements. In unusual cases, exceptions may be granted by the University Registrar.

Repetition of Course(s) Requirements: If a student completes a course, or drops a course after the tenth day of classes receiving a grade of WX, WP, or WF, he or she may repeat that course once. For students receiving a letter grade of B, C, D, F, or a WF, the course repetition must occur at Illinois State University and may not be taken under the credit/no credit (pass/fail) option.

Students seeking to repeat a course a second time (a third enrollment) must obtain permission from their academic advisor who will submit a substitution waiver form to the University Registrar for final approval. When a course has been repeated at Illinois State University, the most recent grade (A, B, C, D, F, WF) that the student earns will replace the previous grade in the cumulative GPA calculation. A grade of WP or WX will not replace the previous grade.

The previous grade(s) will not be removed from the student's transcript, and the credit hours from only the last attempt can be used toward meeting minimum hourly requirements. Students repeating a course to improve their GPA should be aware that many professional and graduate schools recalculate GPAs to include all courses attempted.

Cross-listed Course Policy: Cross-listed courses are offered by more than one department or school, but treated as one course for credit purposes. A cross-listed course will be considered as one course regardless of the department or school through which the student registered for the course. This is a general rule that applies to all cross-listed courses taken for any purpose.

Course Load Requirements: A full-time undergraduate student carries between 12 and 17 hours. For enrollment verification purposes, 12 hours is considered full-time for undergraduate students. A student wishing to carry more than 17 hours in a semester may seek permission to do so from the chairperson or director of his or her major department or school (or their designees). The granting of this permission will depend on the student's scholastic record. A freshman may not carry over 17 hours during his or her first semester.

A student considering enrolling in any classes, including extension or correspondence, at another college or university with concurrent registration

at Illinois State University should consult with his or her advisor.

Summer Academic Opportunities: The University is operated on the semester plan and provides, in addition to its fall and spring semesters, a summer session with courses of varying lengths, and a variety of short-term offerings. Courses are also offered off campus. Limited student teaching and internship positions are available during the summer session. Prospective students may obtain information on summer course availability, and other information for the session at the Registrar's Web site. Summer session students should refer to the *Undergraduate* Catalog and Graduate Catalog for academic requirements. Admission to the University can be arranged on a summer only basis. Further information can be obtained by writing to the Office of Admissions, Illinois State University, Campus Box 2200, Normal, IL 61790-2200, or by calling (800) 366-2478.

Evening and Off-Campus Classes: In addition to courses offered during the regular school day, evening and weekend classes are scheduled both on campus and off campus. For courses offered by Illinois State University, no differentiation is made between credits earned on campus and off campus. Inquiries concerning off-campus classes should be directed to Extended University, (309) 438-5288 or www.exu.ilstu.edu. Non-credit workshops, seminars, and conferences are scheduled by the Illinois State Conferencing Unit, (309) 438-2160.

FINAL EXAMINATIONS

Students who have no more than two final examinations on the same day will be expected to take these examinations as scheduled. A student concerned about having more than two examinations scheduled for the same day should address this concern prior to finals week: (1) The student brings a photo ID and syllabi to SSRC, Moulton Hall 107, to request a form verifying that more than two finals are scheduled on the same day, and (2) the student then shares this form with the instructor when requesting an exam be moved to a different date.

Students who are unable to take an examination due to emergencies such as illness or injury, or religious reasons should notify their instructor as soon as possible (in advance, in the case of religious reasons) and make acceptable alternative arrangements. If an instructor does not consider an excuse for missing a scheduled examination for the student, the student may appeal the action to the department chair.

UNIVERSITY GRADING SYSTEM

Course Grades: Instructors assign a grade in each course for which the student is registered. The course instructor is responsible for correcting any error in grading.

The grade point equivalents are 4 for A, 3 for B, 2 for C, 1 for D, and 0 for all other grades. The 0 value of F as well as WF is computed in the student's grade point average (GPA). The 0 value of grades I, AU, CR, CT, NC, WP, and WX is not computed in the student's GPA. University grades assigned undergraduate courses are:

- A Excellent
- B Good
- C Satisfactory
- D Poor, But Passing
- F Failing—Assigned to students who are (1) enrolled in a course all semester but fail to earn a passing grade, or who (2) stop attending a class without officially withdrawing
- WX Withdrawal—Assigned to students who officially withdraw from a course before the quality of work can be determined and before the dates specified in the withdrawal policy
- WP Withdrawal Passing—Assigned to students who officially withdraw from a course and who are doing passing work at the time of withdrawal
- WF Withdrawal Failing—Assigned to students who officially withdraw from a course and who are not doing passing work at the time of withdrawal
- I Incomplete
- AU Audit
- CR Credit—Assigned to students who do satisfactory work in a course which is offered on a Credit/No Credit basis only
- CT Credit—Assigned to students who earn an A, B, or C grade in a course which they have elected to take under the Credit/No Credit option
- NC No Credit—Assigned to students who (1) do not do satisfactory work in a course which is offered on a Credit/No Credit (CR/NC) basis only and to students (2) who do not earn an A, B, or C grade in a course that they have elected to take under the Credit/No Credit (CT/NC) option

Incomplete: An incomplete (I) will be assigned to a student who is doing passing work but finds it impossible, because of reasons beyond her or his control (such as illness), to complete the required work by the end of the term. The student must have

attended class to within three weeks of the close of the semester or to within one week of the close of the summer session.

The instructor may specify the time by which the required work must be completed, which may be no later than the final class day of the corresponding term of the following academic year. For graduating students, an incomplete grade must be removed at least six weeks before December or May commencement or two weeks before August graduation. Students will not be allowed to graduate with Incompletes on their record.

When the Incomplete is assigned, the student, faculty member, and the department chairperson or school director must sign an Incomplete Permit form. The form will specify the date by which the work must be completed, the default grade (A, B, C, D, or F) that will be assigned if the work is not completed by the specified date, and the nature of the required work. If the instructor fails to file the appropriate grade change by the specified date, the Incomplete will lapse to the default grade specified. Exceptions to this policy may be granted by the University Registrar.

Auditors: An auditor does not participate in the activity of the class but is expected to attend regularly. A student may register as an auditor in a class or classes if space is available. An Audit (AU) designation will appear on the student's transcript when the instructor certifies that the student has attended the class on a regular basis. If the student has not attended regularly, a WX will be recorded on the transcript after the instructor has notified the Registrar's Office in writing that the student has not attended regularly. To audit, a student must obtain an Auditor's Permit from the Student Service and Referral Center or download it at www.registrar.ilstu.edu/students/forms, have the instructor sign it and present the form at the Student Service and Referral Center. Students must register to audit a course by the tenth day of classes in the semester, with any exception having the approval of the chairperson of the department or director of the school in which the course is offered and the University Registrar. There is a fee for auditing; see the section on Costs in this Undergraduate Catalog. Students who are registered for sixteen or more hours for credit may audit courses without additional fees. Audited courses are considered part of the student's total load.

Credit/No Credit Courses: Certain courses in the University are offered on a Credit/No Credit (CR/NC) basis only. For these courses, students receive a grade of CR (Credit) or NC (No Credit). The offering of a particular course on a CR/NC basis only must be approved in advance by the Office of the Provost.

Credit/No Credit Student Option (commonly called Pass/Fail): An undergraduate student (except a first-semester freshman) who is not on academic probation may choose to register in some courses under the option that allows the student to be graded on the basis of CT (Credit) or NC (No Credit) rather than on the basis of A, B, C, D, or F grades.

This CT/NC option is designed to encourage students to enroll in courses they otherwise would not take. Some courses, therefore, including those in a student's major or minor, may not be taken on the CT/NC option. Exceptions include courses in the student's major or minor field that are offered only as credit/no credit (CR/NC) courses. No more than six semester hours of work under the CT/NC option may be taken each semester, with a maximum of 25 semester hours under the CT/NC option presented for graduation. Although an entry of CT (credit earned under the option) or NC (no credit earned under the option) will be entered on the student's record, these entries are not used in computing the student's GPA.

No Inner Core or Middle Core course in the General Education Program may be taken under the CT/NC option.

Students who plan to enter graduate or professional schools should exercise caution in taking courses under the CT/NC option because courses completed on a pass-fail basis may adversely affect graduate admission opportunities. Such students should consult their academic advisor prior to taking courses on a pass/fail basis.

A grade of CT is recorded when the grade submitted by the instructor is A, B, or C. A grade of NC is recorded when the grade submitted by the instructor is D or F.

Students electing the CT/NC option should do so as part of the regular registration process. Students may not elect the option after the tenth day of classes in the semester. Students who have elected the CT/NC option may return to the letter basis of grading before the last date for withdrawing from a course, as specified on the Registrar's Web site at www.registrar.ilstu.edu/students.

Grade Point Average: To be eligible for graduation, a student must have a minimum grade point average (GPA) of 2.00 (C) in all courses taken at Illinois State University for which grades of A, B, C, D, F, or WF are assigned. Failures are considered in the total number of semester hours taken in computing the GPA. The table below illustrates how grade points are counted to determine the GPA.

Grade		Sem. Hrs.	Sem. Hrs.	Sem. Hrs.	Grade
Course	Grade	Enrolled	Earned	For GPA	Points
	-				
POL 105	D	3	3	3	3
BSC 145	CT	2	2	0	0
COM 110	A	3	3	3	12
MUS 139	I	1	0	0	0
CHE 102	В	3	3	3	9
KNR 133	WX	1	0	0	0
IDS 106	NC	1	0	0	0
Totals		14	11	9	24

The GPA is computed by dividing grade points earned by semester hours counted for GPA. In the case above, a GPA of 2.66 is calculated by dividing 24 (total grade points) by 9 (semester hours for GPA). Grades of WX, WP, CT, CR, I, and NC do not affect the GPA.

ACADEMIC PROGRESS ALERT

The Academic Progress Alert is an assessment of the undergraduate student's performance in each 100-level course in which the student is enrolled. This assessment is available through the iCampus Portal at www.icampus.ilstu.edu at the end of the first half of the semester.

ADDITIONAL ACADEMIC REQUIREMENTS

Class Attendance: The attendance regulation of the University is based on two principles. First, students are expected to attend class regularly; and second, students are primarily responsible to the instructor in matters pertaining to class attendance. Every student will be held responsible for class attendance and successful completion of academic work. Attendance regulations are intended to encourage student maturity and are based on the assumption that academic success is the student's primary goal in college.

Illinois State University deeply values and supports the required participation of students in Sanctioned University Activities. Instructors will provide such students with reasonable accommodations for completing missed exams, quizzes, and the like. The Office of the Vice President of Student Affairs will determine Sanctioned University Activities. It is the responsibility of the student to (1) inform instructors of scheduled absences in advance, (2) where possible and as soon as possible, provide a schedule of all semester absences, and (3) arrange to complete missed classroom work. Ultimately, students are responsible for material covered in class. In the event of disagreement regarding this policy, the issue will be directed to the appropriate Associate Vice President for Academic Affairs for arbitration.

The University will accommodate, within reason, students whose religious obligations require absence from class. Students who are unable to attend class or take examinations for religious reasons should consult their instructors in advance about alternative arrangements.

Class Standing: Students in a bachelor's degree program are classified as freshmen, sophomores, juniors, and seniors. A student must have completed 30 semester hours to be classified as a sophomore, 60 hours to be classified as a junior, and 90 hours to be classified as a senior. Students not working toward a degree at Illinois State are listed as Unclassified Students.

75 Hour Limit on General Student Status: Illinois State University requires all students to have a declared major upon completion of 75 hours of college-level coursework, including transfer credit. At 75 hours earned, students without a declared major ("General Students") will have their next semester's schedule dropped unless they successfully complete an appeal process through the Office of Enrollment Management and Academic Services. To be eligible for financial aid and in order to be consistent with federal financial aid guidelines, Illinois State students with 75 hours or more must be enrolled in a major program leading to a degree. For further information on this policy and on finding and declaring a major, see www.findyourmajor.ilstu.edu.

Major Field(s) of Study: Students may select a major field of study at the time of admission unless the field they choose has special admissions standards. Students who are undecided about a major field are classified as General Students and are encouraged to select a major field of study as soon as possible. The major and minor fields of study available at Illinois State are described later in this catalog. A student may complete the requirements for two majors, both of which will be identified on the student's transcript provided all requirements are completed in both majors and the degree is awarded. When a student double majors, the student indicates only one major for purposes of registration. Unless otherwise specified in a particular program, students may use a specific course to meet requirements for a major and a second major.

Change of Primary or Secondary Major: A student wishing to enter a second major or change majors must consult the chairperson of the department or director of the school (or their designees) offering the major.

Program Specific Admission Criteria: Illinois State University regulates admission to designated programs when the number of students seeking admission exceeds the available educational resources of the department or school. Students may be required to meet supplementary selection criteria based on the most current undergraduate catalog. Supplementary selection criteria may be based on scholastic achievement, including prerequisite and General Education course work and may consist of auditions, portfolios, work experience, etc. These selection criteria can be obtained from the intended major department or school advisor.

Dismissal from Major: A student who is academically dismissed from the University will be dropped automatically from his or her major. The student dropped from the major will be classified as a General Student and will receive academic advisement from the University College Academic Advisement Center. In order to declare a major in a department or school after being dropped, the student must be accepted by the department or school in which he or she desires to be a major.

Minor Field(s) of Study: Students often elect a minor field of study. A student may elect to complete the requirements for two minors, both of which will be identified on the student's transcript upon receipt of degree. A student wishing to enter a minor, second minor or change minors consults with the academic department(s) offering the minor. Unless otherwise specified in a particular program, students may use a specific course to meet requirements for a minor and a second minor.

Certification Programs: Students who fail to maintain the specific grade point average required by their teaching or other certification program may be dismissed from that program. At the option of the department or school, students dropped from the program may pursue a degree in their major or be classified as a General Student and will receive academic advisement from the University College Academic Advisement Center. To become a candidate for a certification program after being dropped, students must be accepted by the department or school in which they desire to pursue a certification program.

Academic Good Standing: To maintain academic good standing, a student must achieve a minimum cumulative GPA of 2.00. The number of semester hours completed includes all college work done by the student. However, only the grades earned at Illinois State are used in computing the GPA.

"Academic Good Standing" status is necessary for continued enrollment in the University and may be necessary for eligibility to serve on various University committees and for participation in some co-curricular activities. Academic Good Standing status does not guarantee admission to, or retention in, specific departments, schools, or programs. Information concerning admission to and retention in specific programs is listed in this *Undergraduate Catalog* under the appropriate department, school or program descriptions.

For satisfactory progress for financial aid purposes, see Satisfactory Progress Policy in this catalog.

Academic Warning: Each semester (fall and spring), the University identifies students that appear to be in jeopardy of being placed on academic probation. These students will be notified that they are on Academic Warning. Students on Academic Warning can contact the Office of Enrollment Management and Academic Services (EMAS) for guidance on programs and services geared toward improving their academic standing. Information about Academic Warning can be obtained from EMAS, 308 Hovey Hall, Campus Box 4900, at www.emas.ilstu.edu, or at (309) 438-2156.

Academic Probation: When a student's cumulative grade point average falls below a 2.00 on a 4.00 scale, they are placed on academic probation. Students on academic probation are required to participate in Project Success - a program designed to assist students in returning to good academic standing. Information about Academic Probation and Project Success can be obtained from the Office of Enrollment Management and Academic Services, 308 Hovey, Campus Box 4900, by calling (309) 438-2156, or at www.emas.ilstu.edu

Academic Dismissal: At the end of any semester, except for summer session, when a student's cumulative grade point average is below a 2.00 a second or subsequent time, he or she is dismissed from the University.

Academic Reinstatement: Students dismissed from the University may petition the Reinstatement Committee for permission to continue. Petitions must be received by the appropriate deadlines to be considered. Additionally, students can access petition information via the iCampus Portal at www.icampus.ilstu.edu or by visiting the Office of Enrollment Management and Academic Services Web site at www.emas.ilstu.edu. Students who are reinstated and elect to postpone their enrollment for a future term must reapply for that term.

A student should expect to remain out of school for at least one calendar year before the Reinstatement Committee will review a petition for reinstatement. Only students who have extenuating circumstances or errors in their academic records should plan to petition for reinstatement for the semester following their dismissal.

Reinstatement from Dismissal: After a student has been academically dismissed from Illinois State University and has not been enrolled at Illinois State for at least one calendar year, a student may petition for reinstatement. Petitioning to return to Illinois State involves the following: (1) meeting universitywide readmission requirements and deadlines; and (2) being reinstated by the University Reinstatement Committee. Application procedures, reinstatement information and deadlines can be found at the Office of Enrollment Management and Academic Services Web site at www.emas.ilstu.edu. Students who are reinstated and elect to postpone their enrollment for a future term must reapply for that term. Reinstated students are required to participate in Project Success -- a program designed to assist students in returning to Academic Good Standing.

If a student attends any other higher educational institution after dismissal from Illinois State, he or she must indicate such attendance on the readmission application and supply an official transcript from the other school(s). Students must have earned a C average (2.00/4.00) or higher for all course work taken since last attending Illinois State and have been in good academic standing at the last institution attended as a full- or part-time student.

Repeated failures to do satisfactory work may result in permanent exclusion from the University.

New Start Policy: Students who leave Illinois State in a degree program with less than a 2.00 cumulative grade-point average (GPA) may be considered for readmission through the New Start Policy. Applicants admitted through this policy will begin with a new cumulative GPA calculated from the point of their reentry.

Students may be considered for readmission through the New Start Policy after being away from the University for one full year (Example: A student who last attended the University the Fall 2005 term cannot reenroll through the New Start Policy until the Spring 2007 term.) and only when the requirements of one of the following New Start categories are met:

1. **Non-Traditional Student Option:** Former Illinois State students at least 25 years of age may be considered for readmission through this option. If they have attended any college

(including Illinois State) in the three calendar years preceding re-enrollment at Illinois State, they must have achieved at least a 2.50 GPA for that college work. Transfer credit will be evaluated and appropriately awarded.

- 2. Veterans' Option: Students who complete at least a one-year tour of duty and present a discharge for reasons other than dishonorable, and whose first attendance at a college or university after discharge is at Illinois State, may be considered for readmission through this option.
- 3. Community College Transfer Option:
 Former Illinois State students who earned 60 or fewer hours at Illinois State prior to enrolling at a community college and who subsequently earn at least 24 hours after being away for one full year and earn a currently accepted associate degree (A.A. or A.S.) from a community college with at least a 2.50 GPA may be considered for readmission through this option. Transfer credit will be evaluated and appropriately awarded.

The application process includes the submission of the 2007-2008 New Start Application for Admission, official academic transcripts from all schools attended since leaving Illinois State, and a statement describing your potential to do well academically as described on the New Start application. In some cases, additional supporting documents may be requested from the University in order to complete your application. You are strongly encouraged to file an application as soon as possible during the priority-filing period for the term for which you are applying. Application deadlines are posted on the Admissions Web site at www.IllinoisState.edu/admissions and the 2007-2008 New Start Application for Admission.

Students may exercise the New Start Option only once. Such students will have "New Start" indicated on their transcript. New Start will affect only the cumulative GPA. All grades earned at Illinois State, regardless of when earned, will be used in the calculation of the major GPA, the minor GPA, and graduation honors. Students who are admitted through the New Start Policy will be admitted on academic probation. Students who reenter under the New Start Policy must follow the *Undergraduate Catalog* in effect at the time of reentry. To be eligible for graduation, a student must earn at least 30 semester hours at Illinois State University after exercising New Start.

ACADEMIC INTEGRITY

Students are expected to be honest in all academic work. A student's name on any academic exercise (theme, report, notebook, paper, examination)

shall be regarded as assurance that the work is the result of the student's own thought and study. Offenses involving academic dishonesty include, but are not limited to the following:

- a. Cheating on quizzes or examinations occurs when any student is found using or attempting to use any book, paper, or other article, or assistance from any individual intending to deceive the person in charge of the quiz or examination with reference to his or her work. No books, notes, papers or related articles shall be used at any quiz or examination unless specifically authorized by the person in charge. Conversation or other communication between individuals in examinations and quizzes is forbidden except as authorized by the instructor.
- Computer dishonesty is the unacknowledged or unauthorized appropriation of another's program, or the results of that program, in whole or in part, for a computer-related exercise or assignment.
- c. Plagiarism is the unacknowledged appropriation of another's work, words, or ideas in any themes, outlines, papers, reports, or computer programs. Students must ascertain from the instructor in each course the appropriate means of documentation. Submitting the same paper for more than one course is considered a breach of academic integrity unless prior approval is given by the instructors.
- d. Grade falsification is any attempt to falsify an assigned grade in an examination, quiz, report, program, grade book, or any other record or document.
- e. Collusion occurs when students willfully give or receive unauthorized or unacknowledged assistance on any assignment. This may include the reproduction and/or dissemination of test materials. Both parties to the collusion are considered responsible. No individual may substitute for another in any quiz or examination.

For more information consult the Community Rights and Responsibilities Web site at: www.crr.ilstu.edu.

PROFICIENCY AND PLACEMENT EXAMINATIONS

Students at Illinois State University may receive credit by examination through the following programs: College Level Examination Program (CLEP) General Examinations, Departmental Proficiency Examinations, CLEP Subject Examinations, and the Advanced Placement program. Students and prospective students are advised to plan their course work and examination attempts carefully because they may not receive credit by examination for a

course in which they have been enrolled on the tenth day of classes.

CLEP General Examinations: Illinois State University grants credit by examination toward General Education requirements for the College Level Examination Program under the following guidelines:

- A student may receive credit for a maximum of 18 semester hours credit through CLEP General Examinations.
- 2. A student who desires to take the CLEP General Examinations should do so before enrolling for classes at the University.
- 3. Credit earned through the CLEP General Examinations shall count toward General Education and graduation requirements only. A student may not use the CLEP General Examinations to raise grades or remove failures in courses already taken. All credit for CLEP General Examinations shall be considered credit at the 100-level.
- 4. A student who is awarded credit in one or more areas of the General Examinations should consult with his or her advisor to select other appropriate basic and advanced courses.
- 5. A student may not receive credit for both an area of the CLEP General Examinations and previously earned course credit in the same area. For example, a student who earned course credit in the Fine Arts (Art, Music, Theatre) may not receive credit for a General Examination in the Fine Arts area. Also, credit will not be awarded for the General Examination areas in which credit is earned through Departmental Proficiency Examinations, Advanced Placement Examinations, or CLEP Subject Examinations.
- 6. Students may take the CLEP General Examinations at Illinois State at times scheduled by the University Testing Office or at any CLEP Open Test Center. Students may contact the University Testing Office, 346B Fell Hall, Campus Box 4060, (309) 438-2100, for further information. Students who take the CLEP examinations are responsible for the cost of the examination.
- 7. FOR STUDENTS WHO HAVE TAKEN THE CLEP GENERAL EXAMINATIONS PRIOR TO JULY 1, 2001. A student will be awarded 6 semester hours credit toward graduation and General Education requirements for a score of 570 on the Humanities, a score of 610 on the Natural Sciences, and a score of 550 on the Social Sciences and History general examinations passed. Credit will be awarded as follows:

Humanities

3 hours Fine Arts (Outer Core) and 3 hours Language in the Humanities (Middle Core)

Natural Sciences*

3 hours Biological Sciences (Inner Core) and 3 hours Physical Sciences (Inner Core)

Social Sciences and History

3 hours Individuals and Society (Middle Core) and 3 hours U.S. Traditions (Middle Core)

*If CLEP credit is received in both Biological and Physical Sciences the General Education lab requirement will be waived.

NOTE: Credit is not available for the English Composition or Mathematics General Examination.

8. FOR STUDENTS WHO HAVE TAKEN THE CLEP GENERAL EXAMINATIONS JULY 1, 2001, OR AFTER. A student will be awarded 6 semester hours credit toward graduation and General Education requirements for a score of 56 on the Humanities, a score of 65 (56 after May 22, 2006) on the Natural Sciences, and a score of 56 on the Social Sciences and History general examinations passed. Credit will be awarded as follows:

Humanities

3 hours	Fine Arts	(Outer Core)
and 3 hours	Language in the Humanities	(Middle Core)

Natural Sciences*

3 hours Biological Sciences (Inner Core) and 3 hours Physical Sciences (Inner Core)

Social Sciences and History

3 hours Individuals and Society (Middle Core) and 3 hours U.S. Traditions (Middle Core)

*If CLEP credit is received in both Biological and Physical Sciences the General Education lab requirement will be waived.

NOTE: Credit is not available for the English Composition or Mathematics General Examination.

Students who have taken CLEP General Examinations at another institution may request that scores be submitted to Illinois State by contacting CLEP, P.O. Box 6600, Princeton, NJ 08541-6600 or telephone (609) 771-7865.

CLEP Subject Examinations: In addition to the previously described opportunities provided by the CLEP General Examinations, several departments or schools grant credit by examination in specific subject areas covered by CLEP Subject

Examinations. Courses approved for credit under this program are HIS 101 and 102, MAT 145 and 146, POL 105 or 106 (includes U.S. Constitution only), PSY 111, and SOC 106. The University Testing Office, 346 Fell Hall, Campus Box 4060, (309) 438-2100 provides information about test dates and fees.

Departmental Proficiency Examinations:

Departmental proficiency examinations are offered in most 100-level and in a limited number of 200-level courses. The purposes of the examinations are to allow students to receive credit for knowledge acquired previously and to allow students to enroll in more advanced courses or to add breadth to their academic programs. Proficiency examinations are optional and recommended only for students who are unusually skilled in the discipline in which the examination is taken. Specific information about the nature of a given examination should be obtained directly from the appropriate departmental or school office. Below are University guidelines and procedures relating to proficiency examinations:

- 1. The nature and content of each proficiency examination shall be determined by the department or school in which the course is offered. Standards of performance required for receiving credit in a given course also shall be determined by the department/school offering the course; the level and quality of work required for satisfactory performance on a proficiency examination is equivalent to that required for a grade of C in the course.
- 2. Academic departments shall provide proficiency examinations in most 100-level courses that are regularly listed in the *Undergraduate Catalog*. Students will find a list of courses in which proficiency examinations are offered on the Office of University Registrar's website at www.registrar.ilstu.edu.
- 3. A description of each proficiency examination should be available in the department or school offering the examination. Students should contact the appropriate department chairperson or school director for information about a specific examination, including qualifying experiences.
- 4. All Illinois State University students are eligible to take proficiency examinations.
- Letter grades will not be assigned for proficiency examinations; therefore, the GPA will not be affected.
- 6. Credit earned in proficiency examinations may not be used to raise grades or remove failures in courses in which a student has been enrolled previously.

- No course credit will be awarded for a proficiency examination which is at a lower level than a course previously enrolled in or one that substantially duplicates the content of a course taken previously.
- 8. Students may take a proficiency examination only once.
- Students may register for only one departmental proficiency examination each semester unless examinations are approved in writing by the chairs or directors of the departments/schools where the courses are being offered.
- Students with disabilities should notify the appropriate departmental office of the need for any special accommodations prior to the date of the examination.
- 11. Students should register for an examination online at the Registrar's Web site at www.registrar.ilstu.edu/.

Advanced Placement Program: The Advanced Placement Program is sponsored by the College Entrance Board. The examinations are administered at designated high school testing centers. Students will be awarded credit or exemption as indicated.

A student who has taken Advanced Placement Program examinations should request that his or her scores be sent to the University Registrar at Illinois State University. To request grade reports for Advanced Placement Examinations completed, a student should write to Advanced Placement Exams, Box 6671, Princeton, NJ 08541-6671. In making the request, the student should include name, sex, date of birth, the year in which the examination was taken, and the name and identification number of the college to which the grade report should be sent. Illinois State University's identification number is 1319. The College Board currently charges \$8.00 for this service.

Credit for Military Service: Students who have served at least one year of active duty and received an honorable discharge may receive six semester hours of elective credit. To qualify for this credit, a copy of the DD214 should be presented with the application for admission.

ACADEMIC PROGRAM INFORMATION

Illinois State University offers a variety of academic majors and minors. Students select from diverse high-quality curricula that prepares them for living and working in the 21st century.

This section focuses on the academic side of university life. First, the academic degrees, listed by College, are outlined. Second, course explanations are given to clarify the different formats possible for instruction. Next, a listing of courses and programs offered on a university-wide basis for students in any major is provided. Finally, a comprehensive listing of the requirements for specific majors is provided by college, department and school. For students who wish to continue their education, the University also offers a variety of graduate programs.

Program and Course Explanations

UNITS OF INSTRUCTION

Major: A cohesive combination of courses, including introductory, intermediate, and advanced course work that designates a student's primary area of specialization. Majors are designated on University transcripts.

Minor: A combination of courses designed to provide a cohesive introduction to an area of study beyond the student's major. Minors are designated on university transcripts.

Sequence: A subdivision of a major in which there are specific requirements. Sequences of the same major generally share a common core within a major. Sequences are designated on university transcripts.

Concentration: A subdivision of a major without specific requirements that is provided for advisement only. Concentrations are not designated on university transcripts. All informal curricular recommendations made by departments and schools (such as emphases, tracks, areas of study, specializations, etc.) should be considered concentrations. Concentrations are advisory only; no approval process is required.

COURSE OFFERINGS

Contract: Contract educational services, programs and courses are delivered through mutual contract to a business site for a specific cohort or business entity.

Extension courses: Typically taught in traditional formats by Illinois State faculty members at approved off-campus sites throughout the state.

Independent Study: Intensive study in a special area of the student's interest under the direction of a qualified member of the faculty. Each individual investigation is to culminate in a comprehensive written report and/or examination and/or artistic project. A maximum of six semester hours may be applied toward graduation.

Institute: Federal- and state-sponsored (or similar) short-term programs requiring treatment of subject matter of a special nature, often for

special groups. Institutes are designated by the number 397.

Internet courses: Makes use of Illinois State's connection to the World Wide Web and other electronic resources. These courses may utilize on-line materials, courseware, and discussion groups, and may be delivered in any asynchronous mode.

Professional Practice: Professional Practice consists of one or more credit-generating, academic/career related, salaried or non-salaried work experiences. Professional Practice work sites are located on the Illinois State University campus and with business, industry, government, and other agencies and organizations outside the University. Professional Practice courses are designated by the numbers 198, 298, 398, 498, and 598.

Seminar: A regular meeting of students, under the guidance of a faculty member, in which each conducts research and exchanges information, problems, and results through informal lectures, reports, and discussion.

Temporary Course: Temporary courses are approved by the curricular committees for a time period not to exceed three years. Temporary courses often are used to experiment with a new curricular design, to take advantage of the skills of a faculty member who will be at the University for a limited period, or to respond to particular interests of students. Temporary courses are designated by the numbers 189, 289, 389, 489, and 589.

Topics Course: An organization of subject matter and related learning experiences composed of identifiable subdivisions of topics. Each topic is of sufficient significance to be treated separately as a unit of instruction for an entire semester or term. The content of the course varies by semester.

Workshop: Intensive and applied work on special problems in one or more subject areas. Workshop opportunities are provided on special problems not covered in any regular University courses. Workshops are generally designated by the numbers 193, 293, 393, 429, and 493.

COURSE INFORMATION

The University operates on the semester plan. The credit value of all courses is stated in terms of semester hours. Ordinarily, a semester hour is assigned for a 50-minute class meeting per week for the semester; therefore, a course valued at three semester hours generally meets three periods weekly. In laboratory courses, at least two 50-minute periods per week are ordinarily required for each semester hour of credit.

Course Availability: Some courses listed in the *Undergraduate Catalog* may not be available each year. Students should consult the major department/school or the University Web site at www.IllinoisState.edu for class availability. Questions concerning scheduling of courses should be referred to the department chairperson or school director.

COURSE NUMBERING

Each course bears a distinguishing number for identification and indication of its academic level. The numbering system is as follows:

100-199 Lower-division undergraduate courses, primarily for freshmen and sophomores.

200-299 Upper-division undergraduate courses, primarily for juniors and seniors. A student normally should have completed at least 45 semester hours before enrolling in a course at this level.

300-399 Advanced undergraduate courses. Open to juniors, seniors, and sometimes graduate students. A student normally should have completed at least 75 semester hours before enrolling in a course at this level.

400-499 Graduate courses. See the *Graduate Catalog*. Courses at this level are for graduate students. In exceptional instances, a senior may receive permission to enroll for undergraduate credit in a course at this level. Seniors may be permitted to begin graduate work if they meet the conditions of the Senior in Good Standing Policy as described in the *Graduate Catalog*.

500-599 Courses limited to advanced graduate or doctoral students.

COURSE DESCRIPTIONS

The following information is given for each course: course number (three or five digits preceding the title); course title; and credit value in semester hours. The University may cancel or add course offerings after publication of this *Undergraduate Catalog* depending upon the adequacy of enrollment and availability of faculty. Following the above information, any prerequisites, restrictions on enrollment, and any special considerations are noted in italics. A course prerequisite is knowledge or experience a student is required (req) or recommended (rec) to have prior to enrolling in a course.

Sample Course Listing:

102 MUSIC THEORY

2

MUS 101 or cons Theory Coord req.

Continuation of common practice syntax; emphasis on formal analysis and composition of common practice idioms.

The course number, "102," indicates that the course is primarily for freshmen and sophomores. The digit "2," following the title, indicates the credit value in semester hours. The italicized lines under the course title indicate the required background for enrolling in the course. In the example given, a student must have passed Music 101 or have consent of the Coordinator of Music Theory prior to enrollment in 102. Course title revisions or a change in the course number are indicated by a "formerly" statement. A brief description of the course is provided in the paragraph following the prerequisites. Additional information about the course is available in the particular departmental office.

DEPARTMENTAL ABBREVIATIONS

The following abbreviations for departmental and school offerings are used both in the program requirement descriptions and in the course descriptions throughout the *Undergraduate Catalog*.

COURSE INFORMATION AND ABBREVIATIONS

Also offered as (cross-listed course) means that the specified courses are identical and are thus considered interchangeable in meeting all requirements. Credit can only be earned in one of the specified courses.

Conc reg req (or rec) means that concurrent registration in two courses is required (or recommended).

Cons dept chair means consent of the chairperson of the department offering the course.

Cons inst means consent of the instructor.

Cons sch dir means consent of the director of the school offering the course.

Formerly Offered As indicates a course previously offered under a different number or title. The course is interchangeable with the previous course number or title.

Incl Clin Exp indicates that certain Clinical Experiences in the student's field are required in the course.

Materials charge optional indicates an optional fee charge for course materials.

May be repeated indicates that a course may be taken for credit more than once if different content is planned; however, there may be a maximum amount of credit specified for the course.

Not for cr if had (course) means that content overlap exists between the specified courses and that students should not be able to count both toward graduation. Such courses are not, however, considered interchangeable in meeting all requirements.

Not for cr maj/min means that the credit from this course may not be applied to the major or minor program requirements.

Variable credit courses are those courses leading to differing number of credit hours. For example: Student Teaching (STT 399) has variable credit hours from 1-16. A student should plan with the advisor the number of hours to be sought in a variable credit course.

DEGREE REQUIREMENTS

GENERAL REQUIREMENTS FOR GRADUATION

The following graduation requirements apply to all students. Meeting graduation requirements is the individual responsibility of each student. The student and advisor should check the student's program of courses frequently to ensure that the student is fulfilling the following graduation requirements (all references to hours indicate semester credit hours).

- A. **Total Hours:** The actual hour requirement for an undergraduate degree varies by the program or combination of programs that a student elects. A student must have a minimum of 120 hours of credit acceptable toward graduation. Some courses may not count toward graduation. These restrictions are noted in the course descriptions. Some curricula or combinations of fields require additional hours. If all specified requirements are completed with fewer than 120 hours, a student must elect sufficient additional course work to total at least 120 hours.
- B. Specific B.A./B.S. Requirements: There are a variety of baccalaureate degrees. Students graduating from B.A. or B.S. degree programs must meet specific requirements beyond major and other graduation requirements. A student pursuing the B.A. degree will acquire knowledge of a foreign language as demonstrated by successful completion of LAN 115 (or equivalent). A student pursuing the B.S. degree will complete a three-hour natural science, mathematics, statistics, or technology (SMT) course beyond General Education requirements. (See Degree Programs.)

NOTE: All graduates of the College of Arts and Sciences must satisfy a foreign language requirement that may be met by: 3 years of one foreign language in high school or completion of the second semester or higher of college-level foreign language with a grade of C or better or equivalent proficiency as determined by examination. American Sign Language may be used to fulfill this requirement by transfer credit or by proficiency.

C. **General Education:** There are three ways to complete General Education requirements at Illinois State University. The first way is to complete Illinois State's General Education

Program. The second way is to complete the Illinois Transferable General Education Core Curriculum available through the Illinois Articulation Initiative (IAI). This program, designed for transfer students, is a statewide agreement between participating colleges and universities and some private schools that is designed to facilitate timely degree completion. The third way is to complete a baccalaureate-oriented Associates Degree (A.A. or A.S.) from a regionally accredited post secondary institution. The holder of an A.A. or A.S. degree is admitted to Illinois State University with junior standing and all General Education requirements completed. (see Degree Programs)

- D. Major-Minor Options: Each candidate for B.S. or B.A. degrees must complete a major field of study. Completion of a second major, a minor, or a second minor is optional unless specified by the student's major. A teacher education student who is a candidate for a B.S., B.A., B.S. in Ed., or B.M.E. degree must complete professional education requirements and a major approved for teacher education. Some teacher education programs require the completion of requirements for a second teaching field. A student may count no more than nine hours from a major toward a minor within the same department or school. This policy applies to both first and second majors and minors.
- E. **Senior College Hours:** The senior college hours (courses numbered 200 or above) must total at least 42 hours. Coursework transferred from other colleges and universities is not counted as senior college credit if freshmen and sophomores are regularly permitted to enroll in such work. No credit from two-year colleges may be counted as senior level.
- F. Grade Point Average: The grade point average for all courses taken at Illinois State University must be 2.00 (C) or higher. In addition, the student must have a grade point average of 2.00 (C) (or higher as required by certain programs) in the courses required in the major, and the minor if the student has a minor.
- G. **Removal of Incompletes:** A student may not graduate with incomplete grades. Each Incomplete grade (I) must be removed at least

six weeks before December or May graduation, or two weeks before August graduation.

- H. **Residence Requirements:** Unless otherwise specified in a specific program, at least 30 of the last 60 hours completed toward the baccalaureate degree must be earned at Illinois State.
- I. Constitution Examination: Each student must pass an examination on the Constitution of the United States, the Constitution of the State of Illinois, and the proper use of the American flag. The examination is given on different dates throughout the year. A student may meet this requirement by successful completion of Politics and Government 105 or any course in the Middle Core: Individuals and Civic Life of the General Education Program at Illinois State University. A student who transfers in a course equivalent to POL 105 from an accredited college or university in Illinois will be considered to have met both the Constitution of the United States and the State of Illinois test requirements. A student who transfers in a course equivalent to POL 105 from a United States institution outside of Illinois will be considered as having met only the examination on the Constitution of the United States. That student may meet the Illinois Constitution requirement by passing the examination or completing POL 221 at Illinois State, by transferring the equivalent of POL 221 from another accredited Illinois college or university, or by presenting certification of having passed an appropriate examination on the Constitution of the State of Illinois at another accredited Illinois college or university.
- J. University Writing Examination: Each student must demonstrate writing competence by passing the University Writing Examination. The examination should be taken after the completion of 45 semester hours and before the completion of 75 semester hours. At least 15 semester hours must have been completed since the satisfaction of the freshman English requirement. Transfer students with more than 75 semester hours should take the examination before the end of their first term at Illinois State University. A fee will be charged to cover the cost of the examination. In order to take the examination, students must register for English 189.99. Students will be enrolled for the limited number of examination seats available each semester on a first-come, first-served basis. To avoid delaying their graduation, students are strongly advised to register for the examination as soon as they become eligible.

- K. Global Studies Requirement: Every student graduating from Illinois State University must have successfully completed a course designated as a course in the cultures and traditions of societies or peoples from Asia, the Middle East, Africa, Latin America, or Indigenous Peoples of the World. Such designations are located in course descriptions.
- L. Professional Practice and Independent Study: A student may count no more than 16 hours of professional practice courses (198, 298, 398) toward graduation. Some programs allow fewer than 16 hours. A student may count no more than 6 hours of independent study (287) credit toward graduation.

Baccalaureate Degree Programs

Undergraduate degrees available at Illinois State University include the Bachelor of Arts, Bachelor of Science, Bachelor of Science in Education, Bachelor of Science in Nursing, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Music Education and Bachelor of Social Work degrees. When applying for graduation, the student indicates the specific degree which he or she is qualified to receive. Other requirements are specified for each degree below.

Statement of Purpose for the Bachelor of Arts (B.A.) Degree: The Bachelor of Arts degree provides for the acquisition of written and oral communication skills, creative thinking, abilities in the critical analysis of texts, the understanding of cultures, and a working knowledge of social, political, and historical contexts. The degree is typically pursued by those students whose academic emphasis in their major area of study is directed toward the humanities, arts, and selected areas of the social sciences disciplines.

Statement of Requirements for the Bachelor of Arts (B.A.) Degree: General Education requirements, general requirements for graduation, and knowledge of a foreign language as demonstrated by successful completion of LAN 115 (or the equivalent). A student seeking a B.A. degree takes LAN 115 in place of Middle Core Quantitative Reasoning.

NOTE: All graduates of the College of Arts and Sciences must satisfy a foreign language requirement that may be met by: 3 years of one foreign language in high school or completion of the second semester or higher of college-level foreign language with a grade of C or better or equivalent proficiency as determined by examination. American Sign Language may be used to fulfill this requirement by transfer credit or by proficiency.

Statement of Purpose for the Bachelor of Science (B.S.) Degree: The Bachelor of Science degree provides for the acquisition of oral and written communication skills and the acquisition of analytical skills for examining and solving problems. The degree is typically pursued by those students whose academic emphasis in their major area of study is directed towards the natural sciences, mathematics, statistics or a technological field.

Statement of Requirements for the Bachelor of Science (B.S.) Degree: General Education requirements, general requirements for graduation, and increased knowledge of the natural sciences, mathematics, statistics, and/or technology. This knowledge is demonstrated by the successful completion of a three-hour course, beyond those required for General Education, selected from an approved list of courses that involve natural sciences, mathematics, statistics, and technology (SMT).

Statement of Purpose for the Bachelor of Science in Education (B.S. in Ed.) Degree: The Bachelor of Science in Education degree encourages acquisition of communication skills, development of analytical skills for examining and solving problems, and the understanding of cultures with special emphasis on application to the art and science of teaching. The degree is typically pursued by students interested in the teaching profession.

Statement of Requirements for the Bachelor of Science in Education (B.S. in Ed.) Degree: General Education requirements, general requirements for graduation, and increased knowledge and skills related to professional standards established by the National Council for the Accreditation of Teacher Education (NCATE) through the successful completion of professional education requirements and approved teacher education major requirements.

Statement of Purpose for the Bachelor of Science in Nursing (B.S.N.) Degree: The Bachelor of Science in Nursing degree provides graduates with knowledge and skills in communication, critical thinking for analyzing and solving problems, and an understanding of the societal changes that impact health care. Courses from the humanities, psychology, physical and social sciences, as well as the use of technology, provide a foundation for scientific inquiry and application of nursing knowledge and theories to diverse populations and settings.

Statement of Requirements for the Bachelor of Science in Nursing (B.S.N.) Degree: General Education requirements, general requirements for graduation, and nursing field of study requirements.

Statement of Purpose for the Bachelor of Fine Arts (B.F.A.) Degree: The Bachelor of Fine Arts degree encourages the acquisition and display of talent in the arts, with special emphasis on aesthetic performance and understanding. The degree is typically pursued by individuals interested in the creative and fine arts.

Statement of Requirements for the Bachelor of Fine Arts (B.F.A.) Degree: General Education requirements, general requirements for graduation, and art field of study requirements for B.F.A. degree.

Statement of Purpose for the Bachelor of Music (B.M.) Degree: The Bachelor of Music degree encourages the acquisition and display of talent in music, with special emphasis on aesthetic performance and understanding. This degree is typically pursued by individuals interested in music performance.

Statement of Requirements for the Bachelor of Music (B.M.) Degree: General Education requirements, general requirements for graduation and music field of study requirements for B.M. degree.

Statement of Purpose for the Bachelor of Music Education (B.M.E.) Degree: The Bachelor of Music Education degree encourages the acquisition and display of talent in music, with the special emphasis on teaching music. This degree is typically pursued by individuals interested in becoming music teachers.

Statement of Requirements for the Bachelor of Music Education (B.M.E.) Degree: General Education requirements, general requirements for graduation, music field of study requirements for B.M.E. degree and professional education requirements.

Statement of Purpose for the Bachelor of Social Work (B.S.W.) Degree: The B.S.W. encourages acquisition of communication skills, development of analytical skills for examining and solving problems; and the understanding of social, cultural and legal structures with special emphasis on application to the profession of social work. The degree is pursued by all undergraduates in the School of Social Work and is recognized as the first professional degree in the field that prepares undergraduate students for beginning generalist social work practice.

Statement of Requirements for the Bachelor of Social Work (B.S.W.) Degree: General Education requirements, general requirements for graduation, and Social Work major requirements.

Bachelor of Science Graduation Requirement in Science, Mathematics and Technology:

Students with a B.S. degree must have one additional science, mathematics, statistics, and/or technology course (beyond the General Education requirements) which must meet three criteria: (a) courses must be three semester hours or greater; (b) courses must list specific prerequisites from inner core courses in mathematics and/or science, approved natural science alternative courses, or middle core courses in the quantitative reasoning category; and (c) course content must be mathematical, scientific, and/or technological, and must constitute a significant extension of the inner or middle core courses that count as prerequisites.

The courses on the following list meet the graduation requirement for Science, Mathematics and Technology.

AGR 157 Soil Science

AGR 203 Agriculture and the Environment

AGR 271 Foods of Animal Origin

Global Studies Graduation Requirement:

Students must have completed at least one course in Global Studies (that is, cultures and traditions of Asia, the Middle East, Africa, Latin America or Indigenous Peoples of the World), which must meet the following criteria: (a) the course focuses primarily upon facets of specific cultures from these regions or these cultures in general (a minimum of 75% of the course content must deal directly with the culture(s) from these regions); (b) exploration of the culture(s) is developed in a comparative perspective which helps the student understand and appreciate differences between culture(s) under consideration and American culture; and (c) the course includes exposure to primary writings and artifacts from the culture(s).

The courses on the following list meet the graduation requirement for Global Studies.

ANT 185 Cultures of the World*

ANT 270 Cross Cultural Perspective of Women,

Sex Roles, and Gender

ANT 283 North American Archaeology

ART 140 Introduction to the Arts of the

Americas, Africa, and the South Pacific

THE 275.02 World Arts: Film*

GRADUATION PROCEDURES

Application for Graduation: During the early part of his or her senior year, the student must submit an Application for Bachelor's Degree to the Office of Undergraduate Evaluations. Each student should apply for graduation on or before the date specified in the University Calendar. The student pays a \$25 graduation fee when applying for graduation, unless the fee is covered by a state scholarship.

Academic Progress Summary: The Academic Progress Summary (APS) is an assessment of the undergraduate student's academic progress toward completion of requirements for the bachelor's degree. This summary may be requested by the student at the Student Service and Referral Center, 107 Moulton Hall, Campus Box 2202 or by viewing *Progress Towards Degree* on iCampus.

For those programs requiring special audit considerations, a senior evaluation will be prepared after the student has submitted the Application for Bachelor's Degree.

To determine specific program requirements (in addition to the general requirements for grad-

uation stated above), students should consult the following sections of the *Undergraduate Catalog*: (1) the General Education requirements; (2) the specific requirements for the major and minor fields of study; and, if the student seeks teacher certification, (3) the University-wide Teacher Education program requirements in the *Undergraduate Catalog*.

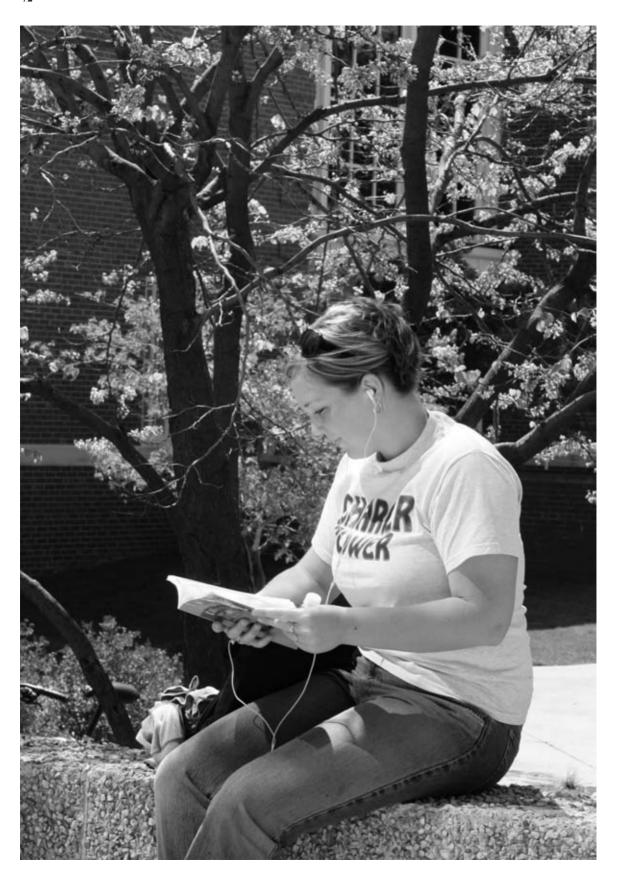

Commencement: Degrees are conferred and diplomas awarded after the close of each semester and the summer session. Commencement exercises are held in December and May at the end of the semester. Undergraduate students completing degree requirements during the fall semester participate in Commencement exercises in December; students completing degree requirements during the spring semester or at the close of the summer session following May Commencement may participate in Commencement exercises in May. Undergraduate students who are eligible to graduate and want to walk across the stage in their commencement ceremony must check YES on the Undergraduate Application for Graduation and return it by the published deadline. An application must be on file and the graduation fee paid by the deadline to participate in the commencement ceremony.

For more information regarding Commencement, please visit the Graduation Services Web site at www.graduationservices.ilstu.edu.

Degrees with Distinction: A student must have completed at least 50 semester hours at Illinois State University to be eligible for a degree with distinction. Students who have an accumulated GPA of 3.90 through 4.00 are graduated summa cum laude; those with a GPA of 3.80 through 3.89 are graduated magna cum laude; and those with a GPA of 3.65 through 3.79 are graduated cum laude. Transcript notations of graduating cum laude, magna cum laude, and summa cum laude are based on the cumulative GPA after the student's final semester.

Honors at Commencement: In order to be recognized with honors at the commencement ceremonies, students must have completed at least 50 hours at ISU and have a qualifying GPA, both based on the semester prior to commencement. For example, students graduating in May or August must have both hours and GPA completed in the previous fall semester. Students meeting these requirements wear a neck cord as part of their academic regalia at Commencement, and their names will appear in the Commencement program.

^{*}Global Studies courses approved for Outer Core.

GENERAL EDUCATION

General Education Requirements

General Education provides students with a broad, common foundation of study upon which to build an undergraduate education. The program develops skills of oral and written communication, logical and scientific reasoning, computer usage, and quantitative analysis. Courses in general education explore ways of knowing in the various disciplines through examination of significant historical, social, cultural, and scientific issues. Students will take most General Education courses during their freshman and sophomore years, along with some courses in their major or other elective courses.

GENERAL EDUCATION REQUIREMENT OPTIONS

There are three ways to complete general education requirements for Illinois State. These three General Education programs have different requirements and affect only certain types of students.

I. The first way is to complete Illinois State University's General Education Program. The General Education Program requires 14 courses (42 semester hours) within a structured three-tiered system, explained fully in the section, General Education Program-Illinois State University.

The following categories of students must complete the Illinois State University General Education Program requirements:

- 1. Beginning Freshmen (see Admissions section of this catalog for complete definition).
- Students who were admitted as beginning freshmen at Illinois State University, who were readmitted and who have not completed a baccalaureate-oriented associates degree (A.A. or A.S.) from an Illinois public community college and are not eligible for an earlier catalog.
- 3. Transfer Students who have not completed a baccalaureate-oriented associates degree (A.A. or A.S.) from a regionally accredited post secondary institution and who are not eligible to complete the Illinois Transferable General Education core curriculum described below.
- II. The second way is to complete the Illinois Transferable General Education Core Curriculum available through the Illinois Articulation

Initiative (IAI). This program is a statewide agreement between participating public colleges and universities and some private schools that is designed to facilitate timely degree completion for students who transfer between institutions. The Illinois Transferable General Education Core Curriculum structure consists of 12 to 13 courses (37 to 41 semester credits) distributed among five subject areas. Completion of these courses at any participating institution satisfies general education requirements. The IAI Transferable Core is presented in the section entitled General Education - Illinois Articulation Initiative (IAI). (More information about this system and participating institutions can be found at the following Web site address: www.iTransfer.org.)

The following category of students may complete the Illinois Transferable General Education Core Curriculum:

- 1. Transfer students (See Admissions section of this catalog for a complete description) who began the Illinois Transferable General Education Core Curriculum at a participating IAI institution and transferred to Illinois State may choose to complete the program by enrolling in Illinois State approved IAI courses presented in the section entitled Illinois Articulation Initiative Courses at Illinois State. Transfer students should note, however, that IAI course availability is quite limited.
- Transfer students who have completed at least one transfer course that is articulated to an IAI core requirement.
- 3. Students who have completed the Illinois Transferable General Education Core Curriculum at a participating IAI institution are considered to have met Illinois State University's General Education requirement.
- **III.** There is also a third way in which general education requirements can be met.

Students who transfer with a completed baccalaureate-oriented associates degree (A.A. or A.S.) from a regionally accredited post secondary institution are considered to have satisfied Illinois State University's General Education Program requirements.

Any transfer student may choose to complete Illinois State University's General Education Program.

 \mathbf{G}

Illinois State University offers several study abroad programs that feature a wide variety of general education classes. Interested students should contact their academic advisor or the Office of International Studies and Programs.

General Education Program— Illinois State University

The General Education Program at Illinois State University is an integrated set of courses that focuses on the development of communication and problem-solving skills and abilities, such as persuasion, listening, and argumentation; logical and quantitative thinking, and understanding varying perspectives on issues. These skills and abilities provide an essential grounding for work in the student's major.

The premise of the General Education Program is that education should be a developmental process and not simply an assimilation of a prescribed set of facts. The program's overall structure is designed to ensure that developmental objectives are achieved through the coherent and sequential interrelationship of courses. Inner Core courses provide basic knowledge and skills upon which Middle Core courses build, and those courses in turn prepare students for courses in the Outer Core.

The complete General Education Program consists of 14 courses (42 semester hours), which is approximately one-third of the total credits required for graduation.

Because of laboratory or recitation requirements, some courses are listed as four credit hours in this catalog. All four hours will be credited as graduation requirements, but only three hours will be credited in General Education for these courses.

Students will take most General Education courses during their freshman and sophomore years, along with some courses in their major or other elective courses. While some specific courses are important to take as part of preparation for a major (such as certain mathematics or science courses), the choices of which course to take in each category are decisions for *students* to make. Students are encouraged to choose courses that will give them the broadest possible general education and to explore and challenge themselves through their course choices.

The Illinois State University General Education Program consists of a 14-course requirement outlined as the following:

Inner Core (5 courses):

 a 2-course, first-year sequence integrating composition, communication, critical thinking, and information literacy;

- 1 course chosen from the inner-core mathematics category; and
- 2 courses chosen from a four-course natural science category or an alternative science course required by certain majors.

Middle Core (5 course categories):

— 5 courses, one chosen from each course category.

Outer Core (4 courses; one each of four disciplines):

— 4 courses, one chosen from each category. Most students not taking a course in their major or minor that satisfies the Global Studies graduation requirement will also take one Outer-Core course whose content focuses on the cultures of Asia, the Middle East, Africa, Latin America, or the indigenous peoples of the world (See Global Studies requirement).

Students must comply with the following requirements:

- Complete the General Education Program through completion of at least 14 courses (42 semester hours), as designated in the program description.
- Students may count one General Education Middle- or Outer-Core course from their first major department or school toward the total of 14 courses. Additionally, depending on their major, students may be exempted from one General Education category (maximum of one course) because of disciplinary expertise gained in their major listed below:

General Education Category Exemptions by College and Major Program:

 No Inner Core or Middle Core course in the General Education Program may be taken under the CT/NC option.

General Education Course Requirements

INNER CORE GENERAL INFORMATION

A total of five courses are required in the Inner Core. Students take either ENG 101, Composition and Critical Inquiry, or COM 110, Communication and Critical Inquiry, the first semester of their freshman year. A year-long sequence, these courses integrate critical thinking and information literacy skills. The mathematics and natural science requirements are to be completed during the freshman year, or as early as possible in the first two years.

Inner Core Course Listing

(2 courses required) [IC]

ENG 101	Composition and Critical Inquiry
COM 110	Communication and Critical Inquiry

Mathematics (1 course required) [IC-M]

MAT 113	Elements of Mathematical Reasoning
MAT 120	Finite Mathematics
MAT 130	Dimensions of Mathematical
	Reasoning
MAT 145	Calculus I

Natural Sciences (2 courses required) [IC-NS]

BSC 101	Fundamental Concepts in Biology
CHE 102	Chemistry and Society
GEO 102	Principles of Geology
PHY 102	Atoms to Galaxies

Students must complete at least one course from two different sciences. Certain majors require one of the following Natural Sciences Alternative courses that substitute for the courses above. See individual major requirements.

Natural Science Alternatives [IC-NSA]

BSC 196	Biological Diversity
BSC 197	Molecular and Cellular Basis of Life
CHE 110/112	Fundamentals of Chemistry and
	Laboratory

PHY 110	Physics for Science and Engineering I

MIDDLE CORE GENERAL INFORMATION

These courses provide opportunities for the continued development of academic skills applied to a range of topics and involving a variety of disciplinary perspectives. There are five course categories in the Middle Core:

Quantitative Reasoning (MC-QR) Language in the Humanities (MC-LH) United States Traditions (MC-UST) Individuals and Civic Life (MC-ICL) Individuals and Societies (MC-IS)

A total of five courses are required in the Middle Core. Students complete one course from each of the five categories except for students pursuing a B.A. degree who substitute LAN 115 or higher for Quantitative Reasoning.

PHI 104

OUTER CORE GENERAL INFORMATION

These courses give insight into the varied nature of disciplinary knowledge, introducing students to the ways that specific disciplines create knowledge and examining the interplay between disciplined inquiry and the larger world in which such inquiry takes place.

A total of 4 courses are required in the Outer Core. Students must complete one course chosen from each of four discipline groups: Science, Mathematics and Technology; Fine Arts; Humanities; and the Social Sciences. Students not satisfying the Global Studies graduation requirement through a major course should choose an outer-core course designated by a double asterisk.

Transferring General Education Courses – Illinois Articulation **Initiative**

The Illinois Articulation Initiative (IAI) is a statewide agreement among the more than 100 public and some selected private four-year and two-year higher education institutions. The agreement is designed to facilitate students transferring between colleges and universities. The Illinois Transferable General Education Core curriculum consists of 12 to 13 courses (37 to 41 hours of credit) within a five-category designation. The general requirements are as follows:

Communication:	3 courses (9 credits)
Humanities and Fine Arts:	3 courses (9 credits)
Mathematics:	1 to 2 courses (3 to 6 credits)
Physical and Life Sciences:	2 courses (7 to 8 credits)
Social and Behavioral Sciences:	3 courses (9 credits)

IAI policy is presented on the Web site, www.iTransfer.org, and Illinois State University's implementation requirements are published below. Students who transfer out of Illinois State will be held to the requirements of their transfer institution.

General Education Options For Transferring Students

New transfer students have the option of completing either Illinois State's General Education program or the Illinois Transferable General Education Core Program (IAI). NOTE: To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Transfer students who have satisfactorily completed at least one course within the Illinois Transferable General Education Core are allowed to complete this program by enrolling in approved IAI courses at Illinois State University. Students should note, however, that IAI course availability is quite limited.

CLEP

Illinois State policies on CLEP credit will be used to meet Illinois Transferable General Education Core requirements.

WAIVERS

If a student satisfactorily completes the objectives of a General Education Core area but earns fewer hours than required, the remaining hours for that area can be waived. However, students must complete the minimum of 12 courses, 37 hours, and the number of courses required in each area of the Core. Fractional hours can also be waived, but the minimum 37 hour total is still enforced.

For those students eligible to complete the Core, a transfer course articulated as an Illinois State University course approved for the Illinois Transferable General Education Core Curriculum will be utilized toward the Core. Any course from a participating school approved by an IAI curriculum panel may be used even if not articulated to an Illinois State course. Acceptance and placement of transfer credit as an elective from a non-participating IAI institution is only applicable to meet Illinois Transferable General Education Core (IAI) requirements at Illinois State University.

Effective May 1999, a student transferring to another institution, who has completed at least 37 semester hours, may request an audit, via a transcript request, of his or her records for completion of the Illinois Transferable General Education Core Curriculum. If complete, the University will certify completion of the Illinois

Transferable General Education Core requirements on the Illinois State transcript.

Students transferring to Illinois State are required to fulfill all University graduation requirements.

Illinois Articulation Initiative Course Requirements:

Regardless of category placement, a student may count no more than two courses from a single discipline to fulfill the General Education Core Curriculum requirements. Only one course assigned to an IAI course number may be used to fulfill a requirement.

Illinois State University courses approved for the IAI General Education Core are listed officially on the IAI Web site, www.iTransfer.org. The following list of courses is provided for convenience only. Some courses may have been added or deleted since the publication of this catalog.

Communication

(3 courses, 9 semester hours)

A grade of C or better required in C1 900, ENG 101 and C1 901R, ENG 145.

For students with appropriate preparation, Illinois State will waive a communication course. A minimum of 12 courses and 37 semester hours is still required.

UNIVERSITY-WIDE CURRICULUM

Illinois State University offers major and minor programs that allow students to synthesize knowledge that spans two or more academic disciplines. Each interdisciplinary program is directed by a faculty member. Faculty from across the University deliver courses within these programs. In addition, the University offers interdisciplinary (IDS) courses that transcend the boundaries of a single discipline.

The following courses, majors, minors, and requirements may apply and be available to students from a wide variety of majors and disciplines. These include:

Majors

- Interdisciplinary Studies: B.A., B.S.
- University Studies: B.A., B.S.

Minors

- · African-American Studies
- · African Studies
- Children's Studies
- Cognitive Science
- Environmental Studies
- · Ethnic and Cultural Studies
- Interdisciplinary Studies
- International Studies
- · Latin American, Caribbean and Latino/a Studies
- Middle Eastern and South Asian Studies
- Peace and Conflict Resolution Studies
- Tourism Studies
- Urban Studies
- Women's and Gender Studies

Courses

- · Honors Courses
- Interdisciplinary Courses
- International Studies Courses
- University-Wide Courses

University-Wide Majors

MAJOR IN INTERDISCIPLINARY STUDIES

Advisor: Jim Weinzierl 336 Schroeder, Campus Box 4660 (309) 438-8579

Degrees Offered: B.A., B.S.

General Information

Under the Major in Interdisciplinary Studies, a student may construct one of three individualized programs of study that differ from the University's regular major programs. These options use existing University courses and lead to the Bachelor of Arts or Bachelor of Science degree in Interdisciplinary Studies. Each sequence addresses a different set of educational objectives.

- I. The Individualized Sequence of the Major in Interdisciplinary Studies allows a student to design, with the help of a faculty sponsor, a specialized program of study that is not offered by the University. This program is intended for the student whose specific interests cannot be accommodated within existing programs. Some topics recently chosen by students include Classical Civilization, Agricultural Communication, Three-Dimensional Design, Human Services and Needs, International Public Administration, and Theatre Management. The Individualized Sequence is often a second or auxiliary major but may be proposed as a primary major.
- II. The Multidisciplinary Studies Sequence of the Major in Interdisciplinary Studies is built around the offerings of two or more departments or schools. It is intended for the student who is seeking a baccalaureate degree without the specialization of a traditional major. The student chooses the focus of the program, with the help of a faculty advisor, by determining the departments or schools in which he or she wishes to pursue advanced work.
- III. The Human and Educational Services Sequence recognizes work that students have completed in working toward a degree in Special Education (SED) or Curriculum and Instruction (C&I). Completion of this degree program does not allow for certification as a teacher.

NOTES:

 The Multidisciplinary Studies Sequence of the Major in Interdisciplinary Studies does not prepare a student for a specific professional career or graduate field. Because of its general nature, this program will probably require graduates to convince prospective employers or graduate schools that the students' degree preparation

- will enable them to succeed in a particular job or educational endeavor.
- The Major in Interdisciplinary Studies does not satisfy the requirements for Teacher Certification.

Procedure:

- Admission to the Individualized and Multidisciplinary Studies Sequences of the Major in Interdisciplinary Studies may be requested after the completion of 14 semester hours of course work and before the completion of 75 semester hours. Applications must be submitted during September and February.
- 2. Information on the application process is available in 336 Schroeder Hall. Applicants should select an appropriate faculty advisor. The proposed plan of study must be approved by the faculty advisor, the Interdisciplinary Studies Major Committee, and the Office of the Provost. For the Human and Educational Services Sequence, students must be majors in either Special Education or Curriculum and Instruction and will receive advisement from their departmental advisor.
- 3. Except for the Human and Educational Services Sequence, at least one-half of the course work in the sequence must be taken after the proposal has been approved. No more than one-sixth of the course work in the sequence may be transferred from another institution of higher education.
- 4. Changes in an approved plan of study must be authorized in advance. A letter outlining the proposed change, and countersigned by the faculty advisor, should be submitted to Jim Weinzierl, Campus Box 4660, 336 Schroeder Hall. Requests for changes in more than one-sixth of the approved program constitute a new proposal and must be resubmitted subject to all the conditions of an initial application.
- 5. If the Individualized Sequence is a student's primary major, courses included in the approved program may not be used to meet General Education requirements. Only one course from the departments or schools specified in the Multidisciplinary Sequence may be used to meet the General Education requirements.

MAJOR IN INTERDISCIPLINARY STUDIES

General Requirements:

- 1. 120 semester hours.
- 2. Completion of General Education requirements.

- 3. 42 senior-college (200- to 300-level) hours, 9 hours of which must be at the 300-level.
- A 3.50 cumulative GPA at the time of application for Individualized and Multidisciplinary Studies Sequences, a 3.00 GPA at time of application for Human and Educational Services Sequence.

Major in Interdisciplinary Studies; Individualized Sequence Requirements:

The Individualized Sequence is an Interdisciplinary program that may be used to attain specific educational goals that cannot be accommodated by existing majors at Illinois State. The Major in Interdisciplinary Studies: Individualized Sequence is usually a second auxiliary major but may be proposed as a primary major.

Students who complete the Individualized Sequence will earn a Bachelor of Arts or Bachelor of Sciences degree and have their transcripts noted: "Major in Interdisciplinary Studies: Individualized Sequence: ______" (the theme that is specified on the plan of study).

- 120 hour graduation requirement, including General Education requirements and 42 seniorcollege (200- to 300-level) hours.
- Approved plan of study from at least two academic departments or schools containing 36-55 hours.

Major in Interdisciplinary Studies; Multidisciplinary Studies Sequence Requirements:

Students who complete the Multidisciplinary Studies Sequence will earn a Bachelor of Arts or Bachelor of Science degree and have their transcripts noted: "Major in Interdisciplinary Studies: Multidisciplinary Studies Sequence."

- 120-hour graduation requirement, including General Education requirements and 42 senior-college (200- to 300-level) hours.
- An approved plan of study with a minimum of 36 hours from at least two departments or schools, including 12 senior-college hours (200- to 300-level) from each of 2 departments or schools and a maximum of 25 hours from any one of the departments or schools.

Major in Interdisciplinary Studies; Human and Educational Services Sequence Requirements:

Only those students who leave the Special Education or Curriculum and Instruction major their senior year will be eligible for admission into the Major in Interdisciplinary Studies; Human and Educational Services Sequence. Applicants to this program must be referred by

Special Education or Curriculum and Instruction department advisors. Students in this program will earn a Bachelor of Arts or Bachelor of Science Degree and have their transcripts noted: "Major in Interdisciplinary Studies: Human and Educational Services Sequence."

- 120-hour graduation requirement, including General Education requirements and 42 senior-college (200- to 300-level) hours must be met.
- In addition, the approved plan of study must include a minimum of 36 semester hours, of which at least 24 hours are at the 200-300 level. These courses must include a minimum of 27 hours from Special Education and/or Curriculum and Instruction, as well as 9 hours of advisor-approved electives from departments outside of Special Education and Curriculum and Instruction.

MAJOR IN UNIVERSITY STUDIES

Program Coordinator: University College 324 Fell Hall, Campus Box 4060 (309) 438-3217

Degrees Offered: B.A., B.S.

Admission Requirements:

This degree program is intended for students who are admitted and enrolled at Illinois State University and who either are unable to meet the admission/retention requirements for majors with requirements above the University minimums, or who while performing successfully in their major, discover late in their program of study that they do not wish to pursue the career path that follows from their initial major and degree choice.

NOTE: The Major in University Studies is not as clearly understood outside the university as traditional baccalaureate majors. Students earning this degree may be required to persuade prospective employers or graduate schools that this degree will enable them to be successful in a particular job or a future educational endeavor.

In order to be admitted to the major, applicants must:

- have completed a minimum of sixty (60) hours and be in good academic standing with a GPA of 2.00 or higher, and
- complete an approved Plan of Study in collaboration with a program advisor.

This degree is not available to second bachelor degree candidates.

Degree Requirements:

- Completion of all graduation requirements for the B.A. or the B.S. degree as listed in this Undergraduate Catalog.
- Completion of all course requirements as listed on the student's approved Plan of Study. (All changes to the initial Plan must be approved by the program advisor.)
- A minimum of 9 credit hours taken at the 300level.
- General Studies Option: A concentration of a minimum of 18 hours in each of two different disciplines as approved in the Plan of Study, or
- Specialized Studies Option: A concentration of a minimum of 30 hours in one department or school as approved in the Plan of Study, or
- Liberal Studies Option: A concentration of a minimum of 36 hours bridging academic disciplines as approved in the Plan of Study.

University-Wide Minors

MINOR IN AFRICAN-AMERICAN STUDIES

Advisor: Ronald Gifford, Department of History 321 Schroeder Hall, Campus Box 4420 (309) 438-8298

The Minor in African-American Studies provides an interdisciplinary approach to exploring facets of Black culture within the United States. This program is designed to be of interest to students who want to explore the many contributions of African-Americans to the political, historical, social and artistic fabric of the United States. Students are required to take a core of three courses on African-American history and literature, as well as elective courses in the social sciences (History, Sociology, and Politics and Government) and in the humanities and fine arts (English, Music, and Theatre).

- 24 hours required.
- Required core (9 hours): ENG 165; HIS 257,
- Choose 3 courses (9 hours) from group A and 2 courses (6 hours) from group B.

Group A (9 hours): HIS 111 or SOC 111; POL 140, 334; SOC 264.

Group B (6 hours): ENG 265, 365; IDS 203.05; MUS 153, 154; THE 154.

Other courses approved by the minor advisor may be counted toward the minor.

NOTE: Please refer to specific departments or schools for further course information including prerequisites.

MINOR IN AFRICAN STUDIES

Director: Agbenyega Adedze Office: 334 Schroeder Hall Phone: (309) 438-8367

Advisor: Ronald Gifford Office: 321 Schroeder Hall Phone: (309) 438-8298

A Minor in African Studies will complement a major in several disciplines. It is therefore designed as a multidisciplinary program where the student will take courses in the social sciences, arts, and humanities (Anthropology/Sociology; Languages, Literatures, and Cultures; English; Geography; History; Music; Politics and Government; and Theatre). The Minor will provide students with a broad background in African history, societies, culture, and politics. The program is directed towards students with a view of visiting or working in Africa or those who are interested in government or public service careers.

- 21 hours required.
- 9 hours required (3 courses) from the following: GEO 235, 250; HIS 104.01, 265, 266;
 POL 246. (At least two disciplines must be represented from this list.)
- Choose 4 courses (12 hours) from the following electives: GEO 235.01, 250; HIS 104.01, 265, 266; POL 246 (if not taken as part of required core); ANT 181, 185; LAN 206; MUS 139.21, 153, 154, 239.21; THE 271, 275.
- No more than 9 hours may be selected from the student's first or second major department.

Other courses approved by the minor advisor may be counted toward the minor.

NOTE: Please refer to specific departments or schools for further course information including prerequisites.

African Studies minors are encouraged to study abroad in Africa. There are a number of study abroad programs in which students can participate that range in length from a summer to a semester, or an entire academic year. Interested students should contact the Office of International Studies and Programs.

MINOR IN CHILDREN'S STUDIES

Advisor: Dr. Roberta Seelinger Trites, English Department 409B Stevenson Hall, Campus Box 4240 (309) 438-3651

The Minor in Children's Studies provides an opportunity for students to enhance their knowledge of children and child culture through interdisciplinary exploration of child-related issues. This program is designed to be of interest to students who wish to pursue child-related emphases in their major disciplines, such as children's literature, child psychology, children's history and culture, pediatrics, juvenile justice, or social work with children, or for those who wish to learn more about the subject of childhood from multidisciplinary frames of reference. The minor will also provide a foundation for those students who intend to go to professional or graduate school to pursue child-centered research interests.

- A minimum of 24 hours, including FCS 112 or HIS 112 or SOC 112 and one of the following: FCS 101, PSY 301, C&I 210.
- The remaining 18 hours must include a minimum of 2 courses from Group A and a minimum of 2 courses from Group B.
- Group A: ENG 170, 271, 272, 370, 372, 373, 374, 375; MUS 371.
- Group B: C&I 233; CJS 215; FCS 231; 233; 250; HIS 261, 262, 330; NUR 208; PAS 115, 175; POL 339; PSY 215, 302; 346; SOC 262.
- With permission of the minor advisor the following categories of courses may be counted toward the minor.
 - 1-3 hours of an internship with a child-related agency, arranged through a department.
 - 1-3 hours of an independent study on a child-related topic.
 - 1-3 hours of a special topics course on a child-related topic, offered through a department.
- NOTE: No more than 9 hours may be selected from the student's first or second major department.

MINOR IN COGNITIVE SCIENCE

Director: David L. Anderson Department of Philosophy 333B Stevenson Hall, Campus Box 4540 (309) 438-7175; dlanders@ilstu.edu

A minimum of 24 hours required for the minor, depending on the emphasis chosen and the level of preparation of student.
 Programs must be planned in consultation with an advisor. Students are required to seek

an advisor through the Director of Cognitive Science Studies.

— Required courses: One course is required of all students, IDS 265: Introduction to Cognitive Science: Computers, Minds, Brains, and Robots. Other requirements will be met by developing a planned course of study approved by a Cognitive Science Studies advisor. In consultation with the advisor, the student will choose an emphasis that is *outside* the student's major and will fulfill the requirements of that emphasis.

Emphases:

Computer Science: ITK 168, 179; 2 courses (6 hours) from Groups A and/or B; 1 course (3 hours) from Group B; and 2 elective courses (6 hours) from Groups C,D,E, or F.

Linguistics: PHI 112 or 210; ENG 341; 2 courses (6 hours) from Groups A and/or B; 1 course (3 hours) from Group C; and 2 elective courses (6 hours) from Groups B,D,E, or F.

Philosophy: PHI 112 or 210, PHI 253 or 315; 2 courses (6 hours) from Groups A and/or B; 1 course (3 hours) from Group D; and 2 elective courses (6 hours) from Groups B,C, E, or F.

Psychology: PSY 138 (recommended) or ECO 138 (acceptable); PSY 231; 2 courses (6 hours) from Groups A and/or B; 1 course (3 hours) from Group E; 2 elective courses (6 hours) from Groups B, C, D, or F.

Course Groups:

Group A (Quantitative Skills): MAT 120, 145, 146, 175, 250, 260; PHI 112 or 210 (MAT 210); PSY 138 (recommended) or ECO 138.

Group B (Computer Science): ITK 168, 179, 261, 279, 327, 340, 367, 388.

Group C (Linguistics): ANT/ENG/LAN 143, ANT/ENG 342; ENG 241, 243, 245, 310, 341, 344; LAN 209.12, 215.15, 262.15, 310.13, 340.12, 360.15; PAS 175; ANT 277; COM 370, 372.

Group D (Philosophy): PHI 250, 251, 253, 255, 256, 315; PHI *305, *310, *363. NOTE: Courses with * may be used only when the topic is approved by a Cognitive Science advisor.

Group E (Psychology): PSY 231, 331.04, 331.07, 360, 361, 363, 366, 367, 368, 369.

Group F (Related Courses): ANT 286, 288, 290; BSC 286, 297, 343.

NOTE: Please refer to specific departments for further course information.

Cognitive Science Course

IDS

265 INTRODUCTION TO COGNITIVE SCIENCE: COMPUTERS, MINDS, BRAINS, AND ROBOTS OC-SMT

Inner Core req. MC-QR or one semester of Foreign Language req.

Explores fundamental principles from Psychology, Computer Science, Philosophy, Linguistics, Biology, that contribute to the scientific study of intelligent systems (minds).

MINOR IN ENVIRONMENTAL STUDIES

Advisor: Amy Bloom Department of Geography- Geology 432 Felmley Hall Annex, Campus Box 4400 (309) 438-8115

The Minor in Environmental Studies is a multidisciplinary and multidepartmental sponsored program that is available to students in any undergraduate major. Students should plan their minor program with the assistance of the Environmental Studies advisor.

- Minimum of 25 hours required.
- Required courses: GEO 100 and 205.
- Choose 3 courses from: AGR 157, 203, 234;
 BSC 196, 201 or 202, 212, 222, 223, 337, 375, 376, 378, 379;
 CHE 280;
 GEO 111, 207, 276, 341, 344, 361, 380;
 HSC 257;
 PHY 207.
- Choose 3 courses from: ECO 255; ENG 249;
 GEO 303, 334; HIS 240; HSC 156; PHI 236, 250; POL 232, 236, 254; SOC 330, 362.
- Students may choose to pursue an environmentally-based independent study or one environmentally-based internship to fulfill up to 3 credits toward the minor. Prior approval of the Advisor of the Minor in Environmental Studies is required for the student to receive credit for this experience toward fulfilling the requirements for the minor. Arrangement for supervision of the internship experience must be handled through the student's major department.

NOTE: No more than 9 hours may be selected from the student's major department.

MINOR IN ETHNIC AND CULTURAL STUDIES

Advisor: Janet Claus, Academic Advisement 340 Fell Hall, Campus Box 4060 (309) 438-7604

No major is offered. The study of ethnic groups may be arranged through the Interdisciplinary

3

Studies Major program. Students interested in pursuing work in this area should contact the Interdisciplinary Studies advisor.

Requirements for minor:

- A minimum of 22 hours representing 8 courses as indicated from Groups I, II, and III; at least 4 courses must be above the 100-level; no more than 3 courses may be from 1 department or school.
- A Professional Practice experience approved by the student's minor advisor and the appropriate department may be used as 1 course in Group I and/or Group II.
- An independent study course approved by the student's minor advisor and processed through the regular procedure may be used as 1 course in Group I and/or Group II.

Group I - Ethnic Origins

Students must complete 3 courses from Group I, representing at least 2 departments/schools. Group I represents the origins of minority populations in the United States. The emphasis is on the culture, history, and the experience of the area from which present-day United States' minorities come and on the Native American population before the arrival of the immigrants.

- Asian-Americans: ANT 294; GEO 235.03,
 235.05, 255; HIS 104.02, 104.05, 269, 275,
 276, 373, 375; IDS 121.26, 203.10, 203.25; PHI 207, 208; POL 245, 345.
- **African-Americans:** GEO 235.01, 250; HIS 104.01, 265, 266; IDS 203.05, POL 246.
- **Hispanic-Americans:** GEO 235.02; HIS 104.03, 263, 282, 283; IDS 121.31, 203.15; LAN 243.15, 244.15, 323.15, 325.15, 336.15; POL 240, 340.
- Native Americans: ANT 283.
- General Courses: ART 140; ENG/LAN 206; POL 140; THE 271.

Group II - The Experience of Minority Populations in the United States.

Students must complete 3 courses from Group II, representing at least 2 departments/schools. Group II represents the experiences of minority populations after arriving in the United States and of the Native American population after the arrival of Europeans and Africans.

- African-Americans: ENG 165, 265, 365; HIS 257, 258; IDS 105, 121.40; MUS 153, 154; THE 154.
- Hispanic-Americans: POL 336.

- Native Americans: ANT 272; ENG 266; IDS 121.29.
- **General Courses:** C&I 232, 312.

Group III - Ethnicity

Students must complete 2 courses from Group III, representing at least 2 departments. Group III focuses on the concept of ethnicity in a more theoretical way. It attempts to generalize from minority experiences.

— **General Courses:** ANT 281, 285; C&I 110; HIS 273; POL 334; SOC 264, 366.

Ethnic Studies Courses

IDS

105 CULTURAL AWARENESS AND INTERRACIAL UNDERSTANDING

Cons inst reg.

Racially balanced experiential and theoretical course for students wishing to increase awareness and understanding and to improve black/white communication.

MINOR IN INTERDISCIPLINARY STUDIES

Program Coordinator: Jim Weinzierl 336 Schroeder Hall, Campus Box 4660 (309) 438-8579

General Information

Illinois State University offers students the opportunity, under the Minor in Interdisciplinary Studies, to construct a program of study that differs from the University's regular minor programs.

The Individualized Requirements provide an Interdisciplinary program that may be used to attain specific educational goals that cannot be accommodated by existing minors at Illinois State.

Minor in Interdisciplinary Studies; Individualized Sequence Requirements:

Students who complete the Individualized Sequence will have their transcripts noted: "Minor in Interdisciplinary Studies: Individualized Sequence:______," (the theme that is specified on the plan of study).

- Approved plan of study from at least 2 academic departments/schools containing 18-24 hours.
- A 3.50 cumulative GPA at the time of application.

Procedure:

1. Admission to the Minor in Interdisciplinary Studies may be requested after the completion

- of 15 semester hours of course work and before the completion of 75 semester hours. Applications must be submitted during September or February.
- 2. Information on the application process is available from Jim Weinzierl, 336 Schroeder Hall, Campus Box 4660. Applicants should select an appropriate faculty advisor. The proposed plan of study must be approved by the faculty advisor, the Interdisciplinary Studies Minor Committee, and the Office of the Provost.
- 3. At least one-half of the course work in the sequence must be taken after the proposal has been approved. No more than one-sixth of the course work in the sequence may be transferred from another institution of higher education.
- 4. Changes in an approved plan of study must be authorized in advance. A letter outlining the proposed change, and countersigned by the faculty advisor, should be submitted to Jim Weinzierl, 336 Schroeder Hall, Campus Box 4660. Requests for changes in more than one-sixth of the approved program constitute a new proposal and must be resubmitted subject to all the conditions of an initial application.

MINOR IN INTERNATIONAL STUDIES

International Studies 308 Fell Hall, Campus Box 6120 (309) 438-5365

Advisor: Allison Anson 369 Fell Hall (309) 438-7604; alanson@ilstu.edu

The Minor in International Studies is an interdisciplinary program that is designed to offer students an opportunity to take a global perspective on their education.

The program's features include a background in foreign language, a focus on issues related to internationalization or globalization of society, a focus on a geographic area of the world, and participation in a formal study abroad experience. Academic advisement is essential to this highly individualized program in order for students to construct programs that will fit their individual needs.

- 24 hours required, including LAN 115 or equivalent; 6-12 hours in Category A; 9-15 hours in Category B; and participation in a study abroad or alternative international experience.
- Participation is required in a 6-credit hour (or greater) study abroad experience sponsored by Illinois State University or alternative international experience approved prior to participation

- by the minor advisor. Courses taken while studying abroad may be counted toward the minor. Contact the International Studies Advisor for information on which courses offered in each program may be counted toward the minor.
- Up to 9 hours (excluding courses in Category A) taken in the minor may also be applied toward the student's major. At least 9 hours of the minor must be at the 200-level or above.
- Additional foreign language study is strongly encouraged. Special emphasis should be placed on developing oral communication skills.

CATEGORY A—International Issues:

6-12 hours required. Courses in the student's first major may not count toward category A requirements. A maximum of 2 courses from any 1 department or school may be taken. Choose from the following: AGR 201; ANT 175, 185; ART 275; CJS 369; COM 355, 369, 372; ECO 210, 245, 345; ENG 206, 255, 261; GEO 135; HIS 104, 230, 270; IDS 203; INB 190; LAN 206; POL 140, 150, 151, 251, 252, 254, 255, 344, 351, 358, 363; SOC 108, 366; THE 271, 275.01, 275.02; WGS 120, or other courses approved by the International Studies Advisor.

CATEGORY B—Area Studies:

- 9-15 hours required. Only courses taken in 1 area listed below may be counted toward the minor. Many Illinois State University Study Abroad program courses count.
- In addition to the courses listed below, any pertinent course on the history, literature, economic, social, or political structures of a foreign country or culture may be counted toward the minor, provided it receives approval in advance from the International Studies advisor. The International Studies advisor will help students choose courses appropriate to their area studies concentration and career objectives.
- Latin America: HIS 263; LAN(SPA) 116, 244, 305; POL 140, 240, 340.
- Europe: ART 372, 379; GEO 240; HIS 102, 229, 234, 237, 366; LAN 116 (FR, GER, ITN, SPA), 217 (GER), 218 (GER), 243 (SPA), 305 (FR), 305 (SPA); POL 141, 242, 341.
- Africa: GEO 250, HIS 266; LAN 325; POL 140, 246.
- South and Southwest Asia (Middle East, India, Pakistan, Sri Lanka): GEO 255; HIS 272, 378; PHI 207, 208; POL 140, 245, 247, 349.
- **East Asia:** GEO 255; HIS 373, 375; LAN 116 (JPN), PHI 208; POL 140, 245, 345.
- NOTE: Please refer to specific departments or schools for further course information.

MINOR IN LATIN AMERICAN, CARIBBEAN, AND LATINO/A STUDIES

Director: Dr. Maura Toro-Morn, Department of Sociology and Anthropology 342J Schroeder Hall, Campus Box 4600 (309) 438-8290

Advisor: Janet Claus Academic Advisement 340 Fell Hall, Campus Box 4060 (309) 438-7604

The goals of the Minor in Latin American, Caribbean, and Latino/a Studies are (a) to provide students with key concepts, information, and a foundation of knowledge rooted in several academic disciplines; (b) to examine the social, political, and cultural challenges of Latin America, the Caribbean, and the Latino/a populations in the global community; and (c) to foster a multi cultural, pluralistic, and multi-lingual environment by focusing on the interrelations between the United States, Latin America, the Caribbean, and its descendant populations.

This program is flexible; students are expected to complete course work in a variety of disciplines and departments. All individual programs of study must be planned in consultation with the Latin American, Caribbean, and Latino/a Studies advisor.

- 24 hours required.
- Language Requirement: Students must complete 6 semesters of high school or second semester college (112) coursework in either Spanish or Portuguese. Note: Portuguese is not offered at Illinois State, but transfer credit will be accepted. Also, foreign language credit below the third semester level (115) does not count toward the minor requirement of 24 hours.
- A plan of study approved by the advisor including courses from at least three of the following groups.

Group A - Department of Curriculum and Instruction (Bilingual Education): C&I 319, 320, 321, 322.

Group B - Department of Languages, Literatures, and Cultures: LAN (Spanish) 115, 116, 233, 240, 244, 325, 336.

Students are strongly encouraged to study abroad in the Department of Language, Literatures, and Cultures' summer program in Taxco, Mexico.

Group C - Department of Geography and Geology: GEO 235.02.

Group D - Department of History: HIS 104.03, 263, 282, 283.

Group E - Department of Politics and Government: POL 240, 336, 340.

Group F - Department of Sociology and Anthropology: SOC 109.

NOTE: Other courses with appropriate content may be approved by the advisor, particularly LAN (Spanish) 305, 360; HIS 306; and IDS 203.15 when topic is Latin America.

MINOR IN MIDDLE EASTERN AND SOUTH ASIAN STUDIES

Director: Ali Riaz

Office: 240D Schroeder Hall Phone: (309) 438-8071

Advisor: Erik Rankin Phone: (309) 438-3709

The Minor in Middle Eastern and South Asian Studies provides an interdisciplinary approach to exploring the politics, society, cultures and economics of the countries in the Middle East and South Asia. This program is designed to be of interest to students who want to explore the socio-political-economic dynamics of the countries located in the region and their roles in the world. It also examines the impacts of the global politics, especially the US foreign policies, on the socio-political environment of this region. Students are required to take a core of four courses in history, politics, geography and interdisciplinary studies, as well as elective courses in the social sciences (History, Sociology, Geography, and Politics and Government), and in the humanities and fine arts (English, and Languages, Literatures, and Cultures).

- 21 hours required.
- Required core courses (12 hours): GEO 235.03 or 235.04; HIS 104.04 or 104.05; IDS 203.20 or 203.25; POL 245, 247 or 345.
- Choose 3 courses (9 hours) from the following: ECO 205, 245; ENG 206; GEO 255; HIS 270, 271, 378; LAN 206; POL 225, 254, 349; SOC 268.
- NOTE: No more than 9 hours may be selected from the student's first or second major department.

Other courses approved by the director may be counted toward the minor.

Participation in Middle Eastern or South Asian universities through Illinois State University or alternative study abroad programs, while not required, is strongly encouraged. Students can accumulate up to 6 credit hours of electives.

NOTE: Please refer to specific departments or schools for further course information including prerequisites.

MINOR IN PEACE AND CONFLICT RESOLUTION STUDIES

Program Directors: Michaelene Cox Department of Politics and Government Campus Box 4600 425 Schroeder Hall, (309) 438-8923

Advisor: Janet Claus Academic Advisement Campus Box 4060 340 Fell Hall, (309) 438-7604

The Minor in Peace and Conflict Resolution Studies is an interdisciplinary program that includes courses from fourteen departments.

The Minor provides a comprehensive and indepth approach to peace and conflict resolution theories and methods. Students are required to take an introductory course, as well as one course from each of five areas of inquiry (social justice, conflict resolution, violence, environment, and globalization), while also specializing in one of these areas with two additional courses. The minor's capstone experience is a professional practice.

The Minor allows students to examine both the causes and prevention of war, as well as the nature of violence, including social oppression, discrimination and marginalization. They also learn peace strategies to overcome persecution and transform society to attain a more just and equitable international community. The inquiry encompasses micro to macro perspectives. At the micro end of the spectrum, students investigate non-violent ethics and conflict management; inner, aesthetic, and spiritual peace; interpersonal communication and relations; intergroup relations; and diversity and gender issues. At the macro level, students explore the dynamics of international conflict, as well as approaches to peace and world order; ethnic and socioeconomic justice; multiculturism; renewable economics; and biodiversity.

- 27-28 hours required.
- Required core (6 hours): IDS 111, 398.01.
- Choose three courses from one group listed below and one course from each remaining group.

Group A - Social Justice: CJS 102, PHI 238; SOC 106, 108, 264, 366.

Group B - Conflict Resolution: FCS/SOC/HIS 112, FCS 310, HIS 268; POL 252, 255, 351, 363; SOC/HIS 111.

Group C - Violence: CJS 369; IDS 254; PHI 248; POL 352; SOC 365.

Group D - Environment: AGR 201; BSC 202; HSC 156; PHI 236; PHY 207.

Group E - Globalization: ANT 175; ECO 105; IDS 203; INB 190; MQM 349; POL 150, 151.

NOTE: Students are encouraged to consult with a director regarding course selection and information regarding Professional Practice (IDS 398.01).

Peace and Conflict Resolution Courses

IDS

111 PEACE STUDIES MC-IS

3

3-6

Includes arranged service learning hours.

A general, interdisciplinary introduction to Peace Studies, including social justice, conflict resolution, global ecology, and education for an interdependent world.

398.01 PROFESSIONAL PRACTICE INTERNSHIP/COOPERATIVE EDUCATION OR CO-OP IN PEACE STUDIES AND CONFLICT RESOLUTION

IDS 111 and Minor in Peace and Conflict Resolution Studies reg.

Practical experience, preferably in an international, national or local organization where peacemaking, conflict resolution and skills are required and learned.

MINOR IN TOURISM STUDIES

Advisor: Jill Freund Thomas Department of Geography Campus Box 4400 200B Felmley Hall, (309) 438-8403

Jointly developed and sponsored by the department of Geography-Geology and the School of Kinesiology and Recreation, the Minor in Tourism Studies is available to students in any undergraduate major. Students should plan their minor program with the assistance of the Tourism Studies advisor, in the Department of Geography-Geology.

- 24 hours required.
- Required courses: GEO 130, 135, 215, 265;KNR 271, 272, 374; POL 140.
- Recommended courses: GEO 315; KNR 370, 377, or 380.

MINOR IN URBAN STUDIES

Advisor: Jill Freund Thomas Department of Geography-Geology Campus Box 4400 206 Felmley Hall, (309) 438-7649

The Minor in Urban Studies is an interdisciplinary minor sponsored by the Departments of Economics, Geography-Geology, History, Politics and Government, and Sociology-Anthropology. The program is designed to help students focus on the study of urban places from a social science perspective, and should be of interest to those who want to pursue careers in urban related areas such as politics, planning or community development, or to those who wish to pursue graduate study in these areas.

The program's features include required course work in urban geography, history, political science and sociology, and in applied research or analytical techniques. Students may choose from a range of elective courses, independent study with urban studies faculty, and an optional internship.

- 21 hours required.
- Required core (12 hours): GEO 336, HIS 322, POL 221 or 222, SOC 240 or 361.
- Required Methods (3 hours): ECO 238 or GEO 204 or HIS 200 or POL 209 or SOC 271.
- Choose 6 elective hours from the following: GEO 303, GEO 370, HIS 256, POL 335, SOC 362, or any core course not taken to fulfill the core requirement. Independent Study courses for up to three hours and approved in advance by the Urban Studies advisor also may be used for elective credit.
- Optional Internship (in addition to the 21 required hours) must be coordinated with the Urban Studies advisor.
- Up to 6 hours taken in the minor may also be applied toward the student's major.

NOTE: This program must be planned in consultation with the Urban Studies advisor. Some courses carry prerequisites that require planning on the part of the student. In addition, the Advisor can assist students in tailoring the program to meet their individual interests.

426

MINOR IN WOMEN'S AND GENDER STUDIES (WGS)

Director: Alison Bailey 237 Rachel Cooper, Campus Box 4260 (309) 438-2947

Web address: www.womensandgenderstudies.ilstu.edu

The minor in Women's and Gender Studies enhances any undergraduate major by integrating a working knowledge of gender issues with the student's field(s) of study. Women's and Gender Studies employs gender as an analytical category, along with race, class, and ethnicity, to focus on women's contributions to society and the gendered implications of cultural, political, and economic processes. By broadening a student's knowledge base, this interdisciplinary minor has theoretical and practical applications for scholarship, the workplace, personal growth and relationships.

- 21 hours required.
- Required courses: WGS 120; ENG 160; HIS 261 or HIS 262; PHI 246.
- 9 hours of additional courses from: ANT 270;
 CJS 339; COM 128 or ENG 128 or LAN 128;
 ENG 206 or LAN 206; ENG 260, 261, 360;
 FCS 112 or HIS 112 or SOC 112; FCS 233;
 HIS 261 or HIS 262 if not chosen to fulfill requirement, HIS 264, 330; PHI 202; POL 225, 337, 338; PSY 123 or SOC 123; PSY 305; SOC 264, 341, 366; WGS 390, 391, 398.

NOTE: This program must be planned in consultation with the Women's and Gender Studies director or advisor. With their approval courses other than those listed above may be counted toward the minor.

Women's and Gender Studies Courses

120 WOMEN, GENDER AND SOCIETY MC-IS 3 ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Formerly IDS/WS 120, INTRODUCTION TO WOMEN'S STUDIES.

How systems of gender shape societies around the world; how individual and collective actions transform the gender system of a society.

390 INTERDISCIPLINARY RESEARCH IN WOMEN'S AND GENDER STUDIES 1-6

A detailed proposal approved by the Director of Women's and Gender Studies and signed by 2 faculty advisors from different disciplines req prior to reg. Formerly INTERDISCIPLINARY RESEARCH IN WOMEN'S STUDIES.

Students will research and write on an interdisciplinary topic of their choice relevant to Women's and Gender Studies.

391 WOMEN'S AND GENDER STUDIES SEMINAR

May be repeated; max 6 hrs. Formerly WOMEN'S STUDIES SEMINAR.

Intensive and critical examination of selected topics in women's and gender studies.

398 PROFESSIONAL PRACTICE: INTERNSHIP IN WOMEN'S AND GENDER STUDIES

1-6

1-3

6 hrs of Women's and Gender Studies and cons Dir of Women's and Gender Studies. May be repeated; max 6 hrs. Formerly PROFESSIONAL PRACTICE INTERNSHIP IN WOMEN'S STUDIES.

Supervised work experience in local, state, national, or international businesses, agencies, institutions, or organizations focusing on women's or gender issues.

University-Wide Courses

These courses may be offered by any department or school of the University. For specific departmental offerings contact the department or school advisor or visit the University Web site at www.IllinoisState.edu.

189, 289, 389 SELECTED STUDIES 1-6

Experimental and interdepartmental courses providing content not offered within the framework of courses approved for inclusion in the *Undergraduate Catalog*. For descriptions of the courses offered each semester contact the department or school advisor or visit the University Web site at www.IllinoisState.edu.

193, 293, 393 WORKSHOP 1-6

Max of 6 hrs may be applied toward graduation.

Workshop opportunities are provided for the purpose of permitting students to work on special problems not covered in any one course offered by the University. Topics for investigation by workshop participants are limited to areas in which the University is able to provide adequate workshop staff.

198, 298, 398 PROFESSIONAL PRACTICE 1-16

Cons dept chair req. Max of 16 hrs may be applied toward graduation.

Supervised work experiences in local, state, national, and international businesses, agencies, institutions, and organizations which are planned, administered, and supervised at the departmental level. University-wide coordination is provided through Professional Practice in Student and Alumni Placement Services or through the Office of Clinical Experiences if the experience is in an educational agency or institution.

287 INDEPENDENT STUDY 1-6

Max of 6 hrs may be applied toward graduation. Cons dept chair and supervisor req.

Intensive work in a special area of the student's interest. Each individual project is to culminate in a comprehensive written report or examination. Open only to students who are not on academic probation and who have demonstrated an ability to profit from independent study.

291 SEMINAR: UNDERGRADUATE TEACHING ASSISTANTS 1-3

Official designation as an Undergraduate Teaching Assistant (UTA). Max of 3 hrs may be applied toward graduation. Cons dept chair req.

Supervised examination of issues related to the Undergraduate Teaching Experience. Seminar requires time beyond the UTA work experience.

299 INDEPENDENT HONOR STUDY 1-6

Open only to students who have achieved superior academic records and who have demonstrated an ability to profit from independent study. Max of 6 hrs may be applied toward graduation. Cons inst, dept chair or school dir, and Dir of Honors req.

Intensive work in a special area of the student's major or minor. Each individual project is to culminate in a comprehensive written report or examination.

397 INSTITUTE

1-9

Federal- and state-sponsored institutes or similar short-term programs requiring treatment of subject matter of a special nature or for special groups.

399 STUDENT TEACHING

1-16

2.50 cum GPA req. Approval of department chair or school director and the Director of CECP. 15 hours of course work or equivalent at Illinois State.

High school teaching (6-12): PSY 215 or C&I 210 and C&I 212, 214, and/or 216 and a minimum of 100 clock hours of approved pre-student teaching Clinical Experiences req.

Special Areas (K-12): PSY 215 or C&I 210 and C&I 212, 214, and/or 216, and a minimum of 100 clock hours of approved pre-student teaching Clinical Experiences in K-12 sites req.

Middle Level Teacher Education (K-9): C&I 390, minimum of 100 hours of approved pre-student teaching Clinical Experiences, completion of Field of Study required prerequisite for student teaching in areas of concentration.

Early Childhood Education (Age 0-Grade 3): C&I 283, minimum of 100 clock hours of approved pre-student teaching Clinical Experiences req.

Elementary Education (K-9): C&I 211, 257, 258; minimum of 100 clock hours of approved pre-student teaching Clinical Experiences req.

Special Education (K-12): Specific courses are required in each sequence. See listing of requirements in individual Special Education sequence. All sequences require the completion of a minimum of 100 clock hours of approved pre-student teaching Clinical Experiences.

Other requirements as listed in the University-Wide Teacher Education section of this *Undergraduate Catalog*.

Directing the learning of pupils; participating in school and community activities; assuming full responsibility for a group of learners under the supervision of an expert teacher. Assignments are made on the basis of the student's area of specialization. The student's transcript indicates the area in which student teaching was completed.

INTERDISCIPLINARY STUDIES (IDS)

604

Director: Sally Parry, Associate Dean College of Arts and Sciences 141 Stevenson Hall, Campus Box 4100 (309) 438-5669

Honors Courses

102 HONORS COLLOQUIUM

1-4

May be repeated once for cr if topic is different. Materials charge optional for Presidential Scholars Freshman Colloquium.

Interdisciplinary, for students in the Honors Program. Weekly sessions, presented by one or more specialists on the topic, explore a semester theme.

202 ADVANCED HONORS COLLOQUIUM 3

Jr standing or cons Honors Dir req. May be repeated once if topic is different.

Weekly sessions presented by a specialist dealing with a semester's topic for advanced students in the Honors Program.

225 NATIONAL COLLEGIATE HONORS EXCHANGE

1-6

Participation in Illinois State Honors Program. Honors study for one semester at another university.

285 HONORS UNDERGRADUATE RESEARCH

1-3

Cons Honors Dir req. May be repeated. Honors student assists a faculty member on the faculty member's research project.

286 HONORS UNDERGRADUATE RESEARCH II

1-3

IDS 285 req. May be repeated. Continuation of IDS 285

299 INDEPENDENT HONOR STUDY 1-

Open only to students in the Honors Program who have achieved superior academic records and who have demonstrated an ability to profit from independent study. Limit of 9 hrs IDS 299 and 395 combined may count toward graduation. Cons inst, dept chair or school dir, and Dir of Honors reg.

Intensive work in a special area of the student's major or minor. Each individual project is to culminate in a comprehensive written report or examination.

395 HONORS THESIS

1-6

Open only to students in the Honors Program who have achieved superior academic records and who have demonstrated an ability to profit from independent study. Max of 6 hrs may be applied toward graduation. Cons inst, dept chair or school dir, and Dir of Honors req. Limit of 9 hrs of IDS 299 and 395 combined may count toward graduation.

Intensive research in a special area of the student's major. Each individual project is to culminate in a comprehensive written thesis and an oral defense of the thesis.

Interdisciplinary Studies Courses

105 CULTURAL AWARENESS AND INTERRACIAL UNDERSTANDING 3

Cons inst req.

Racially balanced experiential and theoretical course for students wishing to increase awareness and understanding and to improve black/white communication.

106 CAREER CHOICE

1

CR/NC only. Material charge optional.

Introduction to theory of career decision making. Laboratory in the application of skills and strategies to individual career choices. Appropriate for freshmen and sophomores.

111 PEACE STUDIES MC-IS 3

Includes arranged service learning hours.

A general, interdisciplinary introduction to Peace Studies, including social justice, conflict resolution, global ecology, and education for an interdependent world.

121 TEXTS AND CONTEXTS MC-LH

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option.

Interdisciplinary writing-intensive course focusing on significant humanities texts in relationship to their historical and cultural contexts

133 INTERDISCIPLINARY STUDY ABROAD

1-6

Formerly IDS 189. May repeat if content differs. Study abroad. Specific topics and regions as approved and indicated by decimal and extended title.

203 NATIONS AND NARRATIONS OC-H 3

ENG 101; COM 110 req; MC-LH or MC-UST category req. Construction of national identities from cultural, philosophical, religious, and political empires using narrative discourse as a lens. Topics vary from one section to another.

206 GEOGRAPHY AND POLITICS OF INTERNATIONAL CONFLICTS

OC-SS 3

Inner Core req. One course from MC-IS or MC-ICL req. Application of geographic and political science perspectives to a selection of international conflicts with an emphasis on active student involvement.

207 REPRESENTATION KNOWLEDGE AND POWER OC-H 3

ENG 101; COM 110 req; MC-LH category req.

Theory, practice, and history of the use of representational signs--language, images, sounds, etc.--to communicate knowledge about the world and to exercise power.

254 RELIGIONS AND CULTURES MC-LH 3

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option.

A critical examination of diverse religious discourses and literacies and how they construct and reflect identity based on cultural differences.

265 INTRODUCTION TO COGNITIVE SCIENCE: COMPUTERS, MINDS, BRAINS, AND ROBOTS OC-SMT

Inner Core req. MC-QR or one semester of Foreign Language req.

Explores fundamental principles from Psychology, Computer Science, Philosophy, Linguistics, Biology, that contribute to the scientific study of intelligent systems (minds).

298 PROFESSIONAL PRACTICE: INTERNSHIP/ COOPERATIVE EDUCATION 1-6

Jr standing req.

Interdisciplinary directed project or on-the-job experience related to student's career interests under the supervision of internship coordinator or faculty of one or more departments.

398.01 PROFESSIONAL PRACTICE INTERNSHIP/ COOPERATIVE EDUCATION OR CO-OP IN PEACE STUDIES AND CONFLICT RESOLUTION 3-6

IDS 111 and Minor in Peace and Conflict Resolution Studies req.

Practical experience, preferably in an international, national or local organization where peacemaking conflict resolution skills are required and learned.

National Student Exchange Programs

222 NATIONAL STUDENT

EXCHANGE

Min soph standing; 2.50 GPA req. Participation in National Student Exchange program. Study for 1 semester or 1 year at another university, paying tuition and fees at Illinois State University.

223 NATIONAL STUDENT

EXCHANGE

12-16

12-16

Min soph standing; 2.50 GPA req. Participation in National Student Exchange program. Study for 1 semester or 1 year at another university, paying tuition and fees at that university.

225 NATIONAL COLLEGIATE HONORS EXCHANGE

Participation in Illinois State Honors Program. Honors study for one semester at another university.

Semester Study Abroad Programs

230 INTERNATIONAL EXCHANGE 12 - 15

Study for 1 semester or 1 year in another country.

CURTIN UNIVERSITY OF TECHNOLOGY. PERTH, WESTERN AUSTRALIA

Semester/year program. A wide variety of undergraduate and graduate courses are offered for elective and major field credit.

EDITH COWAN UNIVERSITY, PERTH, WESTERN AUSTRALIA

Semester/year program. A wide variety of undergraduate and graduate courses are offered for elective and major field credit.

GRIFFITH UNIVERSITY QUEENSLAND, AUSTRALIA

Semester/year program. A wide variety of undergraduate and graduate courses are offered for elective and major field credit.

SALZBURG COLLEGE, SALZBURG, AUSTRIA

Semester/year program focusing on social sciences, business, communication, humanities, and fine arts. Elective and major field credit available. Courses taught in English.

DALHOUSIE UNIVERSITY, HALIFAX, **NOVA SCOTIA - CANADA**

Semester/year program. A variety of undergraduate and graduate courses in Business are offered for elective and major field credit.

BIRKBECK, UNIVERSITY OF LONDON. LONDON, ENGLAND

Semester program focusing on British courses in a variety of academic areas. Internships available in arts management, business, media and communication.

BRIGHTON UNIVERSITY. EASTBOURNE, ENGLAND

12-15

Semester program. Elementary and Early Childhood Education Student Teaching. All programs are coordinated by Brighton University.

CANTERBURY CHRIST CHURCH UNIVERSITY.

CANTERBURY, ENGLAND

Semester program. Undergraduate courses in art, history, literature, culture, and geography.

LEICESTER UNIVERSITY, LEICESTER, ENGLAND

15

Semester/year program offering courses in a wide variety of undergraduate disciplines for major and minor credit.

UNIVERSITY OF SUNDERLAND, SUNDERLAND, ENGLAND

15

Semester/year program. A wide variety of major/minor credits available.

L'UNIVERSITE CATHOLIQUE, DE L'OUEST D'ANGERS, ANGERS, FRANCE

15

Semester/year program focusing on French language, culture and civilization.

L'ECOLE SUPERIEURE DES SCIENCE COMMERCIALES D'ANGERS. ANGERS, FRANCE

12-15

Spring program. A variety of undergraduate courses in Business and French language are offered for elective and major field credit.

UNIVERSITY OF BONN. BONN, GERMANY

Maj/min in German language and literature; must have completed 211.13 and 213.13 before leaving for the program.

Semester/year program. German language program open to juniors, seniors and graduate students.

UNIVERSITAT GESAMTHOCHSCHULE PADERBORN, PADERBORN **GERMANY**

Spring program offering Business courses in both English and German. Students will be enrolled in a three-month intensive German language course.

UNIVERSITY OF HONG KONG, HONG KONG

12-15

Semester/year program. A wide variety of courses are offered in English. Chinese language courses are available.

L'ECOLE SUPERIEURE DES SCIENCE COMMERCIALES D'ANGERS **BUDAPEST, HUNGARY**

Semester/year program. A variety of undergraduate courses in Business are offered for elective and major field credit.

UNIVERSITY OF LIMERICK. LIMERICK, IRELAND

12-15

Semester/year program offering courses in a wide variety of disciplines for major/minor field credit.

SCUOLA LORENZO DE'MEDICI, FLORENCE, ITALY

Semester/year program. Italian language, business, communication, culture, civilization, art history, studio art. Courses offered in English. Maj/min field credit available in art.

KANSAI GAIDAI UNIVERSITY, HIRAKATA, JAPAN

14-17

12-15

Semester/year program. A wide variety of courses are offered in English. Previous language experience not required. Intensive Japanese language courses available for Foreign Language credit.

NAGOYA GAKUIN UNIVERSITY, NAGOYA, JAPAN

15-17

Semester/year program offering courses in Japanese Language and Civilization. Students must take an intensive Japanese language course.

NANZAN UNIVERSITY, NAGOYA. JAPAN

15-17

Semester/year program. A wide variety of courses are offered in English. Students must take 10 hours of intensive Japanese language.

DONG AH COLLEGE OF BROADCASTING, ANSUNG CITY, KOREA 12-15

Semester/year program. A variety of undergraduate courses in Communication are offered for elective and major field credit.

STIRLING UNIVERSITY, STIRLING, SCOTLAND

15

Semester/year program. Courses for maj/min field credit are available in many departments. Students take 3 courses per semester, each worth 5 credit hours.

UNIVERSIDAD COMPLUTENSE DE MADRID, MADRID, SPAIN 12

Compl SPA 116.15 or equivalent req.

Semester/year program focusing on Spanish language, culture and civilization.

UPPSALA UNIVERSITY, UPPSALA, SWEDEN

15

Semester/year program offering courses in a wide variety of disciplines for maj/min field credit. Courses are taught in English. Special course in Swedish civilization offered during fall semester.

NOTE: Summer programs all over the world give students the opportunity to earn 3-10 hours of credit. Consult with an advisor in International Studies for additional information.

UNIVERSITY-WIDE TEACHER EDUCATION

Chair, Council for Teacher Education: Deborah Curtis, Dean, College of Education

506 DeGarmo Hall, Campus Box 5300 (309) 438-5415

Web site: www.coe.ilstu.edu/teachereducation/

Realizing the Democratic Ideal: Teacher Education at Illinois State University

Illinois State University has a historic and enduring commitment to educate teachers who will be responsive to the moral and intellectual demands a democratic society places upon them. To teach in a democracy is self-consciously to take up the burden of improving the moral and intellectual quality of our societal dialogue by including in it as many educated voices as possible.

The democratic ideal unites caring and knowing: the more voices we elicit and the less fettered the mutual exchange among those voices becomes, the truer our convictions and conclusions will be. This is, in a way, a democratic article of faith, and it is why Illinois State graduates aspire to teach everyone, especially those on the margins, those who have been or are in danger of being excluded.

This democratic conception of education informs all aspects of teacher education at the University. The kind of teacher appropriate to the challenges and rewards of teaching in a democratic society unites the moral and intellectual aspects of teaching by embodying what one might call their virtues.

The moral virtues are:

- sensitivity toward the varieties of individual and cultural diversity;
- disposition and ability to collaborate ethically and effectively with others;
- reverence for learning and a seriousness of personal, professional, and public purpose; and
- respect for learners of all ages including a special regard for children and adolescents.

The intellectual virtues are:

- wide general knowledge and deep knowledge of the content to be taught;
- knowledge and appreciation of the diversity among learners;
- understanding what affects learning and appropriate teaching strategies;
- interest in and ability to seek out informational, technological, and collegial resources; and
- contagious intellectual enthusiasm and courage enough to be creative.

Of the challenges facing teachers in the next millennium, none is more pressing than for them to develop and maintain a strong sense of their moral and intellectual roots—a professional identity. Toward this end, Illinois State University prepares teachers who have a strong sense of themselves and their mission as teachers; through caring and knowing they realize the democratic ideal. This, along with a high level of competence in their chosen areas, makes them teachers for whom we are thankful and of whom we are proud.

Undergraduate students interested in preparing for teaching careers in the public schools should consult this *Undergraduate Catalog* or contact the Teacher Education Coordinator of the department or school in which they desire certification. Contact the Cecilia J. Lauby Teacher Education Center, 56 DeGarmo Hall, (309) 438-5416, for information about admission to the Teacher Education programs of the University and certification requirements. Students interested in preparing for teaching careers in colleges and universities should consult academic advisors in the discipline that they plan to teach for information concerning appropriate graduate degree preparation.

Federal regulations require that all Illinois teacher preparation programs report candidate test scores to the Illinois State Board of Education annually on April 7; the state in turn reports scores to the United States Department of Education annually on October 7. The following April 7, the Secretary of Education prepares a report for congress on the quality of the nation's teacher preparation programs.

Illinois State University reported the following scores on April 7, 2006:

- 2004-2005 Program Completers: 1,059
- Basic Skills: 1,058 tested, 1,058 passed = 100% pass rate
- Assessment of Professional Teaching: 1,018 tested, 1,009 passed = 99% pass rate
- Academic Content Areas: 828 tested, 828 passed = 100% pass rate
- Other Content Areas: 68 tested, 68 passed = 100% pass rate
- Teaching Special Populations: 160 tested, 160 passed = 100% pass rate
- Summary Totals and Pass Rate: 1,047 tested, 1,027 passed = 98% pass rate
- 2004-2005 Alternative Route Completers: 7; Basic Skills, 100%; Assessment of Professional Teaching 100%; Academic Content Areas, 100%.

For current information, see the teacher education Web site: www.coe.ilstu.edu/teacher-education/.

Performance-Based Assessment System

Effective Fall 2002, the Council for Teacher Education began implementation of its newly adopted Teacher Education Performance-Based Assessment System. This system meets accreditation standards, as stipulated by the Illinois State Board of Education (ISBE) and the National Council for the Accreditation of Teacher Education (NCATE).

The performance-based assessment system was implemented as of Fall 2002, with continuous review by the University Teacher Education Assessment Committee, which reports to the Council for Teacher Education. The Council for Teacher Education approves and monitors the system.

The system establishes critical points at which candidates for teacher certification will be assessed: Admission to Professional Studies, Admission to Student Teaching (clinical practice), Exit from Student Teaching (clinical practice), and Exit from the Program. This system ensures that candidates possess the knowledge, skills, performances, and dispositions requisite for successful teaching careers. When Illinois State University recommends a candidate for teacher certification, the entire university has prepared that teacher.

For Admission to Professional Studies, candidates will, in addition to meeting all program requirements as noted in applicable sections of this catalog:

- complete 30 hours of course work successfully;
- present documented evidence of successful experiences with children and youth;
- submit a reflective essay on entry-level dispositions to teach relative to the "Realizing the Democratic Ideal," to be retained in an electronic portfolio;
- pass the basic skills test required for ISBE teacher certification;
- attain and retain a minimum cumulative and major GPA as designated by the selected teacher certification program, typically no less than 2.50;
- complete the Assessment of Legal and Ethical Conduct form;
- complete English 101 and Communication 110, with a grade of C or better;
- meet other performance indicators as determined by the Council for Teacher Education and/or individual teacher preparation programs; and,
- attain departmental approval;

- some programs require a negative TB and/or a Criminal Background test at this point (check with your advisor);
- complete select Instructional Technology Passport System requirements;
- demonstrate dispositions that align with the Realizing the Democratic Ideal conceptual framework:
- demonstrate appropriate communications skills;
- complete a bloodborne pathogen assessment; and
- complete a teacher education orientation.

For Admission to Student Teaching/Clinical Practice, successful candidates will:

- pass the ISBE Content Area Test(s), to ensure content knowledge;
- file an Illinois State Police Criminal Background Check that meets teacher education requirements;
- file verification of a negative TB test;
- retain a minimum cumulative and major GPA as designated by the selected teacher education program;
- verify having completed clinical experiences commensurate with attaining local, state, and national standards (a minimum of 100 hours is required);
- complete additional technology competencies and add to the electronic portfolio;
- develop an Instructional Analysis for Inclusion of Students with Disabilities Project;
- pass the University Writing Exam;
- demonstrate dispositions that align with the Realizing the Democratic Ideal conceptual framework:
- demonstrate appropriate communications skills;
- complete the Literacy Assessment; and
- meet other performance indicators as determined by the Council for Teacher Education and/or individual teacher preparation programs.

For Exit from Student Teaching/Clinical Practice, candidates will:

- complete student teaching/clinical practice with a grade of C or better;
- meet all requirements of the final unit-wide student teaching assessment;
- complete the teacher education electronic portfolio;
- demonstrate dispositions that align with the Realizing the Democratic Ideal conceptual framework;
- demonstrate appropriate communications skills;
- revise the reflective essay on dispositions;
- pass any additional tests for certification required by the state;
- complete all technology competencies as specified by the Performance Based Assessment System;

- complete the Multicultural/Diversity Assessment;
- meet other performance indicators as determined by Council for Teacher Education and/or individual teacher preparation programs.

For Exit from the Program the successful candidates will:

- meet all university graduation requirements as noted in the applicable sections of this catalog;
- meet all program graduation requirements as noted in the applicable sections of this catalog;
- meet other performance indicators as determined by the Council for Teacher Education and/or individual teacher preparation programs.

The information on Performance-Based Assessment supplements additional information already present in the catalog, found under University-Wide Teacher Education and with information for each individual teacher education program. The Council for Teacher Education reserves the right to modify performance assessment indicators in response to state and national accreditation mandates. Candidates should consult their program advisors for specific requirements and updates on state or national mandates.

Details regarding the performance-based assessment system are available at the teacher education Web site.

Program Requirements

This section of the *Undergraduate Catalog* provides information needed by students in Teacher Education programs. Students seeking further information or clarification of information presented here should contact the Office of Clinical Experiences and Certification Processes (CECP), located in the Cecilia J. Lauby Teacher Education Center in DeGarmo Hall. Information pertaining to requirements for admission and retention in Teacher Education and matters related to certification in Illinois State University graduate programs is provided by the CECP Office. Matters related to certification at the undergraduate level are provided by the Evaluations Office. For additional information on Teacher Education at Illinois State University, see requirements in this catalog.

Each student who completes a bachelor's degree program in an approved Teacher Education program, and who is recommended for certification by the Dean of the College of Education as having completed all requirements (General Education, Professional Education, and field of study or area of specialization) is recommended for a teaching certificate in the State of Illinois. When a student

has completed all of the requirements for a degree, including a recommendation from the Dean of the College of Education, the Evaluations Office at Illinois State University will send to the student the documentation necessary to apply for the appropriate Illinois Teaching Certificate. In order to satisfy Illinois certification requirements, all candidates must pass a test of basic skills (reading, writing, language arts, and mathematics), a subject matter knowledge test, and an assessment of professional teaching test all administered by the Illinois State Board of Education.

Students who have already completed one or more non-teaching degrees and now seek admission to a teacher education program are advised to seek admission to the University as a candidate for a second bachelor's degree, certification only. Subsequent transcript analysis may determine that a second degree is not required. In this instance, the student who received a degree from a state Teacher Education approved institution will be allowed to complete the requirements for certification without completing the requirements of the second bachelor's degree. Students are advised that the Teacher Education certification requirements provided here are for Illinois and that they should check certification requirements for other states if they desire to be certified for teaching elsewhere.

Students who complete a bachelor's degree program in Teacher Education at Illinois State University also have their transcripts stamped, "Student has completed a state and NCATE approved program in Teacher Education." (NCATE is the National Council for Accreditation of Teacher Education.) This statement indicates that the program has received state approval and national accreditation. This status usually makes it easier to obtain a teaching certificate in another state.

NOTE: Certified teachers may be eligible for endorsements from the Illinois State Board of Education by transcript evaluation. For previously certified teachers seeking a subsequent certificate, this individual should apply to Illinois State University as a second bachelors' degree, certificate only candidate.

Individuals convicted of a felony or any sex, narcotics, or drug offense should contact the Office of Clinical Experiences prior to application for Admission to Professional Studies. Applicants convicted of certain types of crimes may not be approved for certification by the Illinois State Board of Education.

Certification Programs

Students who fail to maintain the specific GPA required by their teaching or other certifi-

cation program may be dismissed from that program. At the option of the department, students dropped from the program may pursue a degree in their major or be classified as General Students and will receive academic advisement from the Academic Advisement Center. In order to become candidates for a certification program after being dropped, students must be accepted by the department or school in which they desire to pursue a certification program.

Council for Teacher Education

The Council for Teacher Education is responsible for developing requirements for Teacher Education and for providing avenues of communication among all of the areas of the University concerned with Teacher Education. The Dean of the College of Education serves as the University's certification officer and is responsible for maintaining the relationship between campus programs and state certification officials.

Admission Procedures:

Students may monitor and assess their status regarding Admission to Professional Studies through the use of a mainframe computer terminal. For specific directions and accompanying documents, please contact the Cecilia J. Lauby Teacher Education Center, in DeGarmo Hall. Students should check with the major department or school regarding specific departmental procedures and requirements for Admission to Professional Studies. Additionally, students may be requested to complete the following:

- Interviews: All students should be available for interviews upon request.
- Entrance, Psychological, or Aptitude Exams: Students may be requested to take certain examinations for the purpose of assessing potential for teacher preparation and educational careers.

Students who are denied Admission to Professional Studies or student teaching may file a petition for a hearing. Specific information regarding procedures for a hearing in accordance with the requirements of the Council for Teacher Education may be obtained in the Cecilia J. Lauby Teacher Education Center.

Selective Retention

Students are required to maintain the qualification requirements for Admission to Professional Studies from the point of admission to the point of certification.

Admission to Professional Studies is a prerequisite for enrollment in certain courses of the program.

The prerequisite is listed in this *Undergraduate Catalog* for each of the specified courses.

A student must be formally admitted to Professional Studies and have satisfied all stipulated prerequisites prior to being assigned to student teaching.

APPROVED TEACHER EDUCATION PROGRAMS

The following list includes all undergraduate Teacher Education programs approved by the State of Illinois and the National Council for Accreditation of Teacher Education (NCATE).

Early Childhood Education: (This certificate extends from Birth through Grade 3).

Elementary (K-9): Elementary Education; Middle Level; Bilingual Elementary Education.

Secondary (6-12): Agriculture; Biological Sciences; Business Teacher Education; Chemistry; Communication Studies; Earth and Space Science; English; Family and Consumer Sciences; Geography; Health Education; History-Social Science Education; Technology Education; Mathematics; Physics; Social Sciences (including History); Theatre.

Special (K-12): Art; Business Education; French; German; Music; Physical Education; Spanish; Specialist in Learning Behavior (LBS1); Specialist in Deaf and Hard of Hearing; Specialist in Low Vision and Blindness.

NOTE: Teaching certificates are available at the graduate level for Reading Specialist, Alternative Route for secondary teaching certification and Learning Behavior Specialist II. Graduate level certification programs are also available for School Psychology, Speech and Language Impaired, and School Administration.

Teacher Education Major and Minor:

To receive a certificate a student must complete a Teacher Education sequence for one of the majors listed previously. A student may also complete requirements for any other major or minor.

Students seeking a high school teaching certificate through one of the following fields must also complete the requirements for a second teaching field: Health and Theatre.

Program grade point requirements must be met in both the first and second teaching fields. The respective department or school will provide information on course work needed to complete the second teaching field.

Endorsements: The minimum course requirements for teaching fields for elementary and high school certificates are defined by the State of Illinois and are listed on the certificate as an endorsement. One or more endorsements may be earned by completing requirements for the elementary or high school certification programs at Illinois State University. Additional endorsements may be earned through the completion of the specified course work, and in most cases, by passing the State content test in the endorsement area. The Illinois Board of Education determines this process. Contact your advisor for information on requirements for endorsements.

General Education

To meet certification requirements of the Illinois State Board of Education, all Teacher Education programs must meet general education requirements defined for the institution's approved entitlement programs. Effective fall 1998, all native students entering Illinois State University will complete the University's General Education Program. For teacher education students, completion of Illinois State University's General Education Program ensures that the general education requirements for teacher certification have been met.

Transfer Students:

Several options satisfy general education requirements for certification relative to transfer students. The Illinois Articulation Initiative General Education program, including a global perspective course, may be the general education component for Illinois State entitlement programs for the transfer student who does not choose to complete the University's general education program. Other options include Illinois State's University Studies general education (97-98 or earlier catalogs), an approved baccalaureate-oriented A.A., A.S., A.A.T. or a bachelor's degree from a regional accredited institution, including a global perspective course. All of these options must include at least one global perspective course (Non-Western Studies). Completion of a course for the Global Studies graduation requirement will meet this requirement.

Completion of General Education Program requirements does not ensure that the requirements for certification have been met. Students are reminded that some courses are required by specific programs: Introductory Psychology is a prerequisite for Educational Psychology; a grade of C or better in an English Composition course

and a Speech course are required for Admission to Professional Studies.

CERTIFICATES

(See also Performance Based Assessment System)

Early Childhood Education (Type 04) (Age 0-Grade 3)

Candidates completing the Early Childhood Education Major will be recommended for teacher certification in preschool through grade 3. To complete the requirements for this certificate, the student must complete (1) the General Education requirements for an Early Childhood certificate and (2) the Major and Professional Education requirements for an Early Childhood Education Major. The General Education requirements for transfer students are listed in the previous section. Students should work closely with an advisor in selecting courses which will meet the General Education Program requirements for certification. Major and Professional Education requirements are provided in the Department of Curriculum and Instruction section of this *Undergraduate Catalog*. Students will also show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards.

Elementary School (Type 03) (Grades K-9)

Candidates completing the Elementary Education Major will be recommended for teacher certification in kindergarten through ninth grade. The student must also complete requirements for one or more endorsements to teach upper-level elementary/middle level subjects. To complete the requirements for this certificate, the student must complete: (1) the General Education requirements for an Elementary certificate, and (2) the Major and Professional Education requirements for the Elementary Education Major. Previously listed are the requirements for General Education for Elementary Education certification for transfer students. Students should work closely with an advisor in selecting courses which will fulfill the requirements of General Education for certification. Optional endorsements, Major and Professional Education requirements are provided in the Department of Curriculum and Instruction section of this *Undergraduate Catalog.* Students will also show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Requirements for endorsements are available from Curriculum and Instruction departmental advisors. Endorsements to the certificate are

required in order to teach departmentalized courses in the upper elementary, middle-level schools. An Elementary Education major who completes the requirements for a B.S. or B.S. in Education degree and completes the proposed required courses for the bilingual/bicultural sequence, may be certified as an elementary school teacher with bilingual/bicultural approval.

Middle Level Teacher Education (Type 03) (Grades K-9)

Candidates completing the Middle Level Teacher Education Major will be recommended for teacher certification in kindergarten through ninth grade with two or more endorsements to teach upper-elementary/middle level subjects. To complete the requirements for this certificate, the student must complete (1) the General Education requirements for an Elementary certificate, (2) the Major and Professional Education requirements for the Middle Level Teacher Education Major, and (3) specialization requirements. The requirements for General Education for transfer students are listed in the previous section for Elementary Education certification. Students should work closely with an advisor in selecting courses which will meet the requirements of General Education Program, General Education for certification, and specialization. Major and Professional Education requirements are provided in the Department of Curriculum and Instruction section of the *Undergraduate Catalog.* Students will also show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards.

Students in the program may prepare to teach in selected subject areas of the middle level school: Language Arts, Science, Social Studies, Health, Physical Education, Mathematics, Industrial Arts, Art, and Reading. See the description for the Middle Level Teacher Education program in the Curriculum and Instruction section of the *Undergraduate Catalog*. Students should confer with their academic advisors when selecting courses in the areas of concentration so that such courses may enable them to meet the Illinois State Board of Education requirements for endorsements. A certificate must be endorsed in order to teach middle level and/or departmentalized upper elementary.

High School (Type 09) (Grades 6-12)

Candidates completing a Teacher Education sequence of a specified major will be recommended for teacher certification in 6-12. To complete requirements for this certificate, the student must complete (1) the General Education requirements for

High School Certificates, (2) the Professional Education requirements for Secondary Majors, and (3) field of study requirements. The requirements for General Education for transfer students are previously listed. Professional Education and field of study requirements are listed in the following section.

Students seeking secondary education certification (6-12) interested in teaching in a departmental Middle Level School will need a Middle Level Teacher Education endorsement after July 1, 1997. For specific details, contact the Teacher Education advisor in the respective academic area.

Professional Education Requirements:

Each student preparing for type 9 certificate must complete the following courses: EAF 228 or 231 or 235 (3 hours); PSY 215 (3 hours); C&I 212 (2 hours), 214 (3 hours), 216 (3 hours); Student Teaching 399; and all Professional Education courses must be passed with a grade of C or higher. Students will also show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Special Methods courses are listed as part of the academic major. Courses to meet Professional Education requirements may not be taken for credit/no credit.

FIELDS OF STUDY

Fields of Study Requirements:

The student must complete a Teacher Education sequence of a specified major to earn a 6-12 teaching certificate. The approved Teacher Education Major or Comprehensive Major may be selected from the following programs which are described in detail in the undergraduate Fields of Study section of this *Undergraduate Catalog*. Education minors or a second major may be elected by any student.

Fields of Study:

Agriculture—Education Major Art—Education Minor Biological Sciences—Education Major and Education Minor

Business Teacher Education—Education Major and Education Minor

Chemistry—Education Major and Education Minor Communication Studies—Education Major and Education Minor

Dance—Education Major and Education Minor English—Education Major and Education Minor Family and Consumer Sciences—Education Major French—Education Major and Education Minor Geography—Education Major and Education Minor Geology—Earth and Space Science Education Major German—Education Major and Education Minor Health—Education Major and Education Minor History-Social Science—Education Major and

History Education Minor

Mathematics—Education Major and Education Minor Physics—Education Major and Education Minor Teaching English as a Second Language—

Education Minor

Technology—Education Major and Education Minor Theatre—Education Major and Education Minor

Students should confer with their academic advisors when selecting courses in the minor area so that such courses may enable them to meet requirements of the Illinois State Board of Education endorsements which must be satisfied in order to teach in high schools in Illinois. This process is currently under review at the Illinois Board of Education. Requirements of endorsements are available from department advisors and from University College Academic Advisement.

Special (Grades K-12) - other than Special Education (Type 10)

Candidates completing a comprehensive major in selected fields of study will be recommended for a certificate for teaching the subjects named therein in all grades of the common school. To complete requirements for this certificate, the student must complete (1) the General Education requirements for a High School Certificate, (2) the Professional Education requirements for K-12 majors, and (3) field of study requirements. The requirements for General Education for transfer students are previously listed. Professional Education and field of study requirements are listed in the following section.

Professional Education Requirements:

Each student preparing for a type 10 certificate (other than Special Education) must complete the following Program: EAF 228 or 231 or 235 (3 hours); PSY 215 (3 hours) or C&I 201 (3 hours) depending on individual program requirements; C&I 212 (2 hours), 214 (3 hours) except for Music, 216 (3 hours) except for Music; Student Teaching 399; and all Professional Education courses must be passed with a grade of C or higher. Students will also show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students enrolled in Special K-12 programs will be assigned to do student teaching in K-12 sites. Courses to meet the Professional Education requirement may not be taken for Credit/No credit. K-12 Music majors are not required to complete C&I 214 or 216.

Fields of Study Requirements:

An approved Teacher Education program for students enrolled in a Special K-12 Program may be selected from the following programs which are described in detail in the undergraduate Fields of Study section of the *Undergraduate Catalog*:

Art—Comprehensive Education Major
Business Teacher Education—Business Teacher
Education Major
Foreign Languages—Education Major
Music—Education Major
Physical Education—Education Major

Students who complete one of the programs above and earn a K-12 certificate may teach only in that area. Students may add endorsements to a K-12 certificate. Students should confer with their academic advisors when selecting courses in the minor area so that such courses may enable them to meet requirements of the Illinois State Board of Education.

Special Education (P-21) (Type 10)

Students in Special Education may complete a sequence in any of the following areas: Specialist in Learning and Behavior, Specialist in Deaf and Hard of Hearing, and Specialist in Low Vision and Blindness. To ensure full certification, the pattern of preparation should include General Education as previously described for transfer students, and the Professional Education and Area of Specialization requirements described in the Special Education section of this *Undergraduate Catalog*.

All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students enrolled in the approved Special Education sequences will be assigned to do student teaching in K-12 sites.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Observation, participation, studies of individual pupils, simulated teaching, individual field work, student teaching and practicum are included in the Clinical Experiences program. The experiences offered prior to student teaching are usually integral parts of specific college courses. Clinical Experiences are provided in off-campus professional development schools, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. The Office of Clinical Experiences and Certification Processes coordinates all placements for Clinical Experiences. All students will show verification of having completed pre-stu-

dent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description in this *Undergraduate Catalog*. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one on one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

STUDENT TEACHING REQUIREMENTS

The following applies to all those student teaching:

The minimum requirement in student teaching is full-day for at least 10 weeks (e.g., a minimum of 50 attendance days). All assignments also require 36 clock hours of clinical work for each semester hour of credit (e.g., 10 semester hours—360 clock hours).

The number of semester hours of student teaching required varies with the student's curriculum. A student does student teaching in his or her major field of study. A student must meet all eligibility requirements for student teaching in that major field.

The following requirements must be met prior to participation in student teaching. Students may be removed from the student teaching assignment if at any time these requirements are not met.

- 1. Approval for student teaching by the Director of Clinical Experiences and Certification Processes (CECP) Office. This approval will include verification of all of the following:
 - a. formal Admission to Professional Studies at least 1 semester prior to the beginning of the student teaching semester;
 - b. successful completion at Illinois State University of at least 4 hours of Professional Education approved by the appropriate education department;

- c. a minimum of 85 hours of college credit earned:
- d. completion of pre-student teaching field experiences commensurate with attaining local, state, and national standards;
- e. a written application for student teaching filed in the Office of CECP at least 6 months prior to the planned student teaching semester:
- satisfactory completion of prerequisite courses to STT 399 (listed under University-wide Courses);
- g. meet all requirements of Admission to Professional Studies and Admission to Student Teaching as stated in the Performance-based Assessment System;
- Approval for student teaching by the student's major department chairperson or school director or designee. This approval will be based on all of the following:
 - has demonstrated content knowledge in the student's major area of study;
 - b. possesses professional knowledge necessary for performing teaching responsibilities;
 - c. has performed at an acceptable level during the pre-student teaching clinical experiences;
 - shows evidence of professional characteristics and interpersonal skills necessary for working with children and youth;
 - e. has completed all other departmental/school requirements, including minimum major GPA (see major department or school for additional requirements).

Student Teaching Assignments

The University will assign student teachers to selected schools or professional development schools (PDS) in Illinois during regular semesters. Personnel of the Office of Clinical Experiences and Certification Processes, in cooperation with the head of the student's major department or school, make the student teaching assignments and perform procedures related to student teaching. Teacher candidates may not self-place. Student teachers are assigned only to classrooms that have regularly employed full time and fully qualified teachers. Assignments are not made to a school in which the teacher candidate or a family member is currently or has been employed. A student teacher may not receive a salary or an income for student teaching.

During this period in the school, the student teacher works with one or more cooperating teachers who are responsible for teaching a specific group or groups of pupils. These cooperating teachers, along with the college supervisors, have responsibility for guiding and evaluating the work of the student teacher. During this experience, the student becomes a member of the school staff and of the community in which he or she is working.

Any student who has a prolonged illness or temporary disability and who is unable to continue in his/her student teaching assignment should consult with the Associate Director of the Office of Clinical Experiences. A clearance from a physician will be required stating that the student is again able to continue in his/her student teaching assignment without any contingencies.

The Associate Director of Clinical Experiences, upon the recommendation of the college supervisor, chairperson, or director of the student's major department or school, may remove a student from the assignment or require a student to do additional work and continue student teaching until the student is sufficiently competent to be recommended for certification. Entitlement for certification is not an automatic procedure.

Student teaching assignments begin and end on the dates indicated in the student's official notice of assignment. Ordinarily, the student is expected to follow the school calendar of the school in which student teaching is done insofar as vacations and school holidays are concerned. Changes in dates involved in an assignment must receive the prior permission of the Associate Director of Clinical Experiences.

A teacher education candidate for initial certification must earn a grade of C or better in student teaching in order for the Dean of the College of Education to recommend that the Evaluations Office send to the candidate the proper documentation to apply for the appropriate Illinois Teaching Certificate to be issued by the Illinois State Board of Education.

Complaints Regarding Teacher Education Matters:

For information on how to appeal department and college decisions regarding admission, retention, evaluation, and certification relative to Teacher Education, contact the Cecilia J. Lauby Teacher Education Center, 56 DeGarmo Hall. All appeals regarding teacher education will be reviewed only by the Teacher Education Review Board/Council for Teacher Education.

Certification for Persons Who Have Been Convicted of a Crime:

Students who have been convicted of felonies or any sex, narcotics or drug offenses may be ineligible for certification in the State of Illinois. If candidates can answer "yes" to any of the following questions, they must contact the Associate Director of the Cecilia J. Lauby Teacher Education Center, DeGarmo Hall prior to application for Admission to Professional Studies:

Have you ever been convicted of a felony, or any sex, narcotics or drug offense in Illinois or any other state? Have you ever been named by a state agency responsible for child welfare as a perpetrator in an indicated report of child abuse or neglect if such report was not reversed after exhaustion of any appeal? Are you in default on an Illinois student loan for which you have failed to establish a satisfactory repayment plan with the Illinois Student Assistance Commission? Have you ever had a certificate denied, suspended or revoked in Illinois or any other state? Have you failed to file a tax return with the Illinois Department of Revenue, or failed to pay any tax, penalty, or interest owed or any final assessment of same for any tax as required by law administered by that Department was not subsequently resolved to the Department's satisfaction?

In many cases such offenders may become certified as teachers in the State of Illinois if the offense is not one which bars the person from certification and employment in public schools and if the institution has followed certain procedures. According to the Illinois State Board of Education, institutions should have information regarding convictions at the beginning of a student's career in teacher education. This allows the institution time to observe the student's performance and the State Board time to determine whether the conviction is one which would bar an individual from employment in a public school or from certification. The Council for Teacher Education at Illinois State University has established strong standards for admission and retention in teacher education programs. Beyond the criteria listed above for state certification issues related to criminal convictions, any teacher candidate who has two or more criminal convictions in the preceding three years may be refused progress through a teacher education program at Illinois State University. If there is any question about these standards, please contact the Associate Director of the Cecilia J. Lauby Teacher Education Center, Room 56, DeGarmo Hall, as early as possible.

COLLEGE OF APPLIED SCIENCE AND TECHNOLOGY

Dean: Jeffrey A. Wood, 143 Turner Hall. **Associate Deans**: Deborah B. Gentry, Alan Lacy

The College of Applied Science and Technology is home to six departments and two schools that offer programs to prepare students for professional and technical positions in education, government, business, and industry. Five departments in the College also offer teacher preparation programs. Faculty in the College are dedicated to the personal and academic development of their students as well as the discovery and application of theoretical knowledge and the advancement of professional practice in their respective areas. This is accomplished through a dynamic partnership of interdisciplinary learning, scholarship, and service that is built on a collaboration among students, faculty, and members of the professional community.

The Departments of Agriculture; Criminal Justice Sciences; Family and Consumer Sciences; Health Sciences; Military Science; and Technology are in the College. The Schools of Information Technology and Kinesiology and Recreation are also located in the College.

The College offers graduate programs in six units including Agriculture; Criminal Justice Sciences; Family and Consumer Sciences; Information Technology; Kinesiology and Recreation; and Technology. Descriptions and requirements of these programs may be found in the 2007-2008 Graduate Catalog.

AGRICULTURE (AGR) 502

125 Ropp Agriculture Building, (309) 438-5654

Web address: www.agriculture.ilstu.edu Email address: isuagr@ilstu.edu

Chairperson: Patrick D. O'Rourke. Tenured/Tenure-track Faculty:

Professors: O'Rourke, Tudor, Walker, Whitacre, Winter, Wood

Wood.

Associate Professors: Moore, Rhykerd, Smiciklas, Steffen,

Wiegand

Assistant Professors: Bachman, Spaulding.

General Department Information

HONORS IN AGRICULTURE

Departmental Honors in Agriculture is available to qualified juniors and seniors. The student completing the Honors Program graduation requirements will graduate "with Honors in Agriculture," which will be indicated on the student's official transcript and diploma. Admission to the Honors Program in Agriculture requires a minimum of sixty (60) semester hours of post-secondary courses with a cumulative grade point average of 3.50 or higher on a 4.00 scale. In order to graduate as an Honors Graduate in Agriculture, a student must fulfill the general requirements for participation in the University Honors Program. Students must also have a cumulative grade point average of 3.50 or higher; a cumulative grade point of 3.70 or higher for all courses taken in the Department of Agriculture; successfully completed two in-course honors in 200-level or higher courses in the student's technical area; successfully completed one in-course honors course in a 200-level or higher course offered outside the Department of Agriculture; and successfully completed a minimum of three credit hours of AGR 299, Independent Study. The Department of Agriculture offers in-course honors work in all its courses for students enrolled in the University Honors Program or in any departmental honors program. In-course work is offered at the discretion of the instructor.

Agriculture Program

Degree Offered: B.S.

MAJOR IN AGRICULTURE

Agribusiness Sequence:

- 36 hours in Agriculture and 19 hours in the College of Business and/or Department of Economics.
- Required courses: ACC 131; AGR 109, 110, 130, 150, 170; CHE 110 and 112, or 140; ECO 105; MAT 120.
- The student must complete a minimum of 12 semester hours (within the 36 required in Agriculture) in Agribusiness courses selected from AGR 213, 214, 215, 216, 310, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324.
- AGR 295, 394, and 395 do not count toward this major.
- The student must complete a minimum of 9 hours from a combination of Agricultural Engineering Technology, Agronomy, Animal Science, or Horticulture Science (in addition to AGR 130, 150, and 170).
- Non-business majors who desire to elect more than 30 hours of their course work in business must meet all College of Business requirements for graduation. These students should register for additional courses only in person and with the written permission of the College of Business advisor.

Food Industry Management Sequence:

- 36 hours in Agriculture and/or Family and Consumer Sciences and 19 hours in the College of Business and/or Department of Economics.
- Required courses: AGR 109, 110, 130, 150, 170, 271, 315, 317; ACC 131; AGR 205 or ITK 150; CHE 110 and 112, or 140; ECO 105; MAT 120.

104 Agriculture

- 12 hours from AGR 214, 215, 257, 285, 314, 319, 324, 340; FCS 102, 113, 213, 316, 319, 332.
- AGR 295, 394, and 395 do not count toward this sequence.

General Agriculture Sequence:

- 36 hours in Agriculture required.
- A minor or second major is required.
- Required Agriculture courses: AGR 109, 110, 130, 150, and 170.
- Additional required courses: BSC 196 or 197 (196 preferred); CHE 110 and 112, or 140.
- At least 1 additional course in each of 3 of the 4 following specialized areas of Agribusiness, Agricultural Engineering Technology, Agronomy, and Animal Science.
- AGR 295, 394, and 395 do not count toward this sequence.

Horticulture Sequence:

- 36 hours in Agriculture and 19 hours in the College of Business and/or Department of Economics.
- Required courses: AGR 109, 110, 120, 130, 157; AGR 150 or BSC 196 or 197 (AGR 150 preferred); ECO 105; ACC 131; FIL 185; MAT 120; CHE 110 and 112, or 140.
- 12 hours from AGR 252, 253, 254, 255, 256, 257, 260, 262, 352, 353, 355, 356.
- AGR 295, 394, and 395 do not count toward this sequence.

Agriculture Industry Management Sequence:

- 55 hours in Agriculture or Agriculture and Industrial Technology required.
- Required Agriculture courses: AGR 109, 110, 130, 150, 170.
- Additional required courses: AGR 157 (required for Agronomy Industry Management Concentration) or 275 (required for Animal Industry Management Concentration) or TEC 110 (required for Agricultural Engineering Technology Management Concentration); CHE 110 and 112, or 140; ECO 105; MAT 119 or 120 or 144.
- 8 hours of Agriculture electives.
- 15 hours of Agribusiness (including AGR 110).
- 23 hours of Animal Science electives including AGR 170 and 275; or 23 hours of Agronomy electives including AGR 150 and 157; or 22 hours of Agriculture Engineering Technology or Industrial Technology (including AGR 130 and TEC 110).

Concentrations: Students selecting the Agriculture Industry Management Sequence will elect an Animal Industry Management Concentration or an Agronomy Industry Management Concentration or an Agriculture Engineering Technology Management Concentration. Students may choose courses from among the following lists for each concentration.

- Animal Industry Management: Animal Science courses (AGR 271, 272, 274, 275, 276, 280, 282, 283, 284, 285, 286, 288, 290, 363, 371, 372, 375, 378, 380, 381), Agribusiness courses (AGR 213, 214, 215, 216, 310, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324), and Agriculture electives (any courses offered by the Department of Agriculture except 295, 394, and 395).
- Agronomy Industry Management: Agronomy courses (AGR 157, 250, 251, 263, 272, 355, 357, 358, 363), Agribusiness courses (AGR 213, 214, 215, 216, 310, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324), and Agriculture electives (any courses offered by the Department of Agriculture except 295, 394, and 395).
- Agriculture Engineering Technology Management: Agricultural Engineering Technology and Industrial Technology courses (AGR 231, 232, 234, 235, 237, 340, 383; TEC 110, 111, 116, 130, 151, 240, 263), Agribusiness courses (AGR 213, 214, 215, 216, 310, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324), and Agriculture electives (any courses offered by the Department of Agriculture except 295, 394, and 395).

Agricultural Science Sequence:

- 36 hours in Agriculture (including at least 20 hours in either Animal Science or Agronomy) and 25 hours in Biological Sciences, Chemistry, Physics or Mathematics.
- Required Agriculture courses: AGR 109, 110, 130, 150, 170.
- At least 3 senior-level hours from the Agribusiness area (AGR 213, 214, 215, 216, 310, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324).
- Additional required courses: AGR 272 or BSC 219; AGR 275 (required for Animal Science Concentration) or AGR 157 (required for Agronomy Concentration); AGR 363; MAT 120 or 144; CHE 110 and 112, or 140 and 141; CHE 220 or 230, and 231; CHE 242 or 342 or 280 (CHE 280 is recommended for the Agronomy Concentration); BSC 196 or 197; BSC 211 (recommended for Agronomy Concentration) or 283 (recommended for Animal Science Concentration).

Concentrations: Students selecting the Agriculture Science Sequence will elect an Animal Science Concentration or an Agronomy Concentration. Students may choose courses from among the following lists for each concentration.

- Animal Science: AGR 271, 272, 274, 275, 276, 280, 282, 283, 284, 285, 286, 288, 290, 363, 371, 372, 375, 378, 380, 381.
- **Agronomy:** AGR 157, 250, 251, 263, 272, 355, 356, 357, 358, 363.

Food Industry Science Sequence:

- 24 hours Agriculture and 12 hours in Family and Consumer Sciences.
- Required courses (36 hours): AGR 109, 110, 130, 150, 170, 271, 285, 317; FCS 113, 316, 319, 332.
- Additional required courses (23-27 hours): AGR 275 or

- FCS 102; BSC 160 or 260; CHE 110 and 112 or 140 and 141: MAT 120; AGR 205 or ITK 150; BSC 196 or 197.
- AGR 295, 394, and 395 do not count toward this sequence.

Agriculture Education Sequence:

All Agriculture Education students planning to become certified teachers must apply for and be admitted to the University Professional Studies program (see Professional Studies Admission-Retention program section of this *Undergraduate Catalog*). A cumulative 2.50 GPA and 2.50 GPA in the major are required for admission and retention in the sequence. Students are encouraged to consider a second certification in an academic area such as Biological Sciences, Chemistry or Mathematics.

- 55 hours in Agriculture required.
- Agriculture core required courses: AGR 109, 110, 130, 150, and 170.
- Additional required courses: AGR 120, 157, 190, 205, 214, 232, 275, 295, 394 and 395; BSC 196 or 197 (196 preferred); CHE 110 and 112, or 140.
- Professional Education requirements: EAF 228 or 231 or 235; PSY 215; C&I 212, 214, and 216; a minimum of 100 clock hours of approved pre-student teaching clinical experiences; and Student Teaching 399 (10 hours). All Professional Education courses must be passed with a grade of C or higher. Program leads to certification: Secondary 6-12.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

MINOR IN AGRICULTURE

- 24 hours in Agriculture required.
- Required courses: AGR 110, 130, 150, 170.

Agriculture Courses

In meeting program requirements in the Department of Agriculture, the student should note that the courses are considered in areas, as follows:

General courses: 109, 198, 201, 203, 205, 302, 303, 398. **Agribusiness:** 110, 213, 214, 215, 216, 310, 311, 312,

313, 314, 315, 317, 318, 319, 320, 324.

Agricultural Education: 190, 295, 394, 395. Agricultural Engineering Technology: 130, 231, 232,

234, 235, 237, 340, 383. **Agronomy:** 150, 157, 250, 251, 263, 272, 352, 355, 357,

358, 360, 363. **Animal Science:** 170, 271, 272, 274, 275, 276, 280, 282, 283, 284, 285, 286, 288, 290, 363, 371, 372, 375, 378,

Horticulture Science: 120, 150, 157, 252, 253, 254, 255, 256, 257, 260, 262, 352, 353, 355, 356.

109 INTRODUCTION TO THE AGRICULTURAL INDUSTRY 1

The development of agriculture as an industry; contributions of agriculture to society; the technology of the industry.

110 INTRODUCTORY AGRICULTURAL ECONOMICS

Fundamental principles of economics applied to agriculture, agriculture finance, prices, taxation, marketing, and land use.

120 INTRODUCTORY HORTICULTURE

3

Materials charge optional.

Introduction to principles and practices in development, production, and use of horticultural crops (fruits, vegetables, greenhouse, floral, turf, nursery, and landscape).

130 INTRODUCTION TO AGRICULTURAL ENGINEERING TECHNOLOGY 3

Lecture and lab. Materials charge optional.

Place of mechanics in agriculture. Examples, problems, discussions, and laboratory exercises in present and future mechanics applications.

150 PRINCIPLES OF AGRONOMY 4

Lecture and lab.

Fundamentals of plant science; importance, classification, distribution, and production practices of the major crops of the world.

157 SOIL SCIENCE

4

CHE 110 and 112 or equiv req. Lecture and lab.

Origin and formation, physical and chemical properties, moisture relationships, liming and fertilizing soils. Chemical and physical tests of soils.

170 INTRODUCTION TO ANIMAL SCIENCE

Lecture and lab.

Breeding, selection, genetics, nutrition, physiology, and production of farm animals. Fundamentals of animal science.

190 INTRODUCTION TO AGRICULTURAL EDUCATION 2

Incl Clin Exp: 10 hrs, Type 1, 5, 6.

Introduction to agricultural teaching profession, overview of the total agricultural program, philosophical base of education process, and teaching special-need students.

198 PROFESSIONAL PRACTICE:

FARM INTERNSHIP

Maj only. Approved application req. CR/NC only. Min 45 hrs experience/hr credit.

1-6

3

3

Experience in basic agricultural operations.

201 RESOURCES, FOOD, AND SOCIETY: A GLOBAL PERSPECTIVE MC-IS 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option.

Food and fiber production and distribution problems, policies, and processes analyzed within social, economic, political, and cultural contexts of societies.

203 AGRICULTURE AND THE ENVIRONMENT OC-SMT

Inner Core req. MC-IS category req.

Examination of contemporary environmental issues that are strongly linked to current and past agricultural practices.

205 MICROCOMPUTER APPLICATIONS IN AGRICULTURE

AGR 110, 130, 150, and 170 reg.

Introduction to microcomputer applications specific to agriculture.

213 FARM MANAGEMENT

Factors of production, such as equipment, labor distribution, cropping systems, and soils; organization and operation; types of farming.

214 AGRICULTURE MARKETING

Markets, price-making forces, reasons for existing practices, marketing services, and cooperative marketing.

215 FARM SUPPLY AND FOOD INDUSTRY MANAGEMENT

ACC 131 or AGR 216 or cons inst req. Formerly AGRIBUSINESS OPERATIONS.

Tools for profitable management of corporate and proprietary farm supply and food industry agribusinesses.

216 FARM ACCOUNTING

Standard farm business accounting methods and procedures, financial measures of success, inventories, depreciation, net worth, income tax, budgeting and cash flow, and business analysis.

225 RENEWABLE ENERGY AND AGRICULTURE

AGR 110 or ECO 105 req.

Explores the relationships between renewable energy and agriculture with emphasis on biofuels, wind energy and hydropower.

231 AGRICULTURAL CONSTRUCTION AND MAINTENANCE

AGR 130 req. Lecture and lab. Offered even numbered years

Selection, use, and maintenance of hand and power tools and equipment for construction and maintenance in agriculture; shop organization; shop safety.

232 AGRICULTURAL POWER UNITS AND MACHINERY

3

Lecture and lab.

Principles of single and multiple cylinder engine operation. Selection, adjustment, operation, and maintenance of field machinery.

234 SOIL AND WATER CONSERVATION

3

Lecture, lab, and field trips. Offered odd-numbered years. Drainage, soil erosion control, water conservation on farms; planning, materials, construction, repair, and adaptation of structures to farm needs.

235 FARM UTILITIES

3

Lecture and lab. Offered even-numbered years.

Application of electricity for light, heat, and power; principles of operation, selection, and installation of electrical equipment. Water supply and sewage systems.

237 GEOGRAPHIC INFORMATION SYSTEMS AND GLOBAL POSITIONING SYSTEMS APPLICATIONS IN AGRICULTURE 3

Introduce students to global positioning and geographic information system software and equipment used in agriculture applications such as precision farming.

250 CROP GROWTH AND DEVELOPMENT

4

3

Lecture and lab.

Crop management and plant growth as influenced by the environment, plant species, cropping systems, and principles of integrated crop management (ICM).

251 FORAGE MANAGEMENT

Lecture and lab.

Forage plant management and utilization as influenced by genetic, environmental, and post-harvest factors, with emphasis on cool season perennial species.

252 URBAN LANDSCAPE MANAGEMENT 3

AGR 150 and 157 or cons inst req. Formerly LAND-SCAPE MANAGEMENT. Lecture and lab.

Cultural practices and principles in the selection and care of ornamental plants for landscape and garden use. Introduction to landscape design and maintenance.

253 FLORAL DESIGN

3

Lectures and practice in floral designing. Materials charge optional.

Principles and practice in the design of floral arrangements. Introduction to the operation of retail florist businesses.

254 HERBACEOUS PLANT MATERIAL 3

AGR 120 req. Lecture and lab. Field trip. Offered evennumbered years in the spring. Materials charge optional. Identification, selection, use, and management of annuals, perennials and ornamental grasses in the landscape.

255 LANDSCAPE PLANTS

Intensive field study supplemented by lectures. Offered

odd-numbered years.

Identification and landscape value of ornamental trees. shrubs, vines, and ground cover.

256 LANDSCAPE PLANTS II

AGR 255 reg. Intensive field study; lecture.

Continuation of AGR 255. Identification and landscape value of additional species of ornamental trees, shrubs, vines, and groundcovers.

257 FRUIT AND VEGETABLE PRODUCTION

3

AGR 120 req. Lecture and lab. Field trip. Materials charge optional.

Horticultural food crop identification, production and cultural requirements. Introduction to quality determinations, pest control and marketing.

260 GREENHOUSE OPERATION AND MANAGEMENT

AGR 157 and either BSC 196 or 197 or AGR 150 or equiv req. Lectures and greenhouse practices. Offered even-numbered years. Materials charge optional.

Commercial greenhouse operation and management; growth media, temperature and light factors, irrigation, fertilization, growth regulation and pest control programs.

262 NURSERY MANAGEMENT

AGR 120 or 150 reg. Lecture and lab. Field trip reg. Offered even-numbered years. Materials charge optional. Commercial nursery production and management including: nursery site selection; nursery development, container and field stock; nursery facilities and equipment requirements.

263 WEED SCIENCE

Lecture and lab.

Principles and practices of weed management systems, including chemical and non-chemical controls. Identification and biology of common weed species.

271 FOODS OF ANIMAL ORIGIN

CHE 110, 112, or 140, 141 req. Lecture and lab.

Concepts of food-animal products (meat, dairy, eggs) including their nutritive value, packaging, marketing chain, and value-added technology.

272 AGRICULTURAL GENETICS

Heredity, variation, and development of domesticated plants and animals. Mendelian genetics, mutations, linkage, quantitative inheritance, and population genetics.

274 DAIRY MANAGEMENT

AGR 170 req. Field trips. Offered odd-numbered years. Formerly DAIRY SCIENCE.

Principles of dairy herd management with emphasis on reproduction, lactation, nutrition, health, and housing of the milking herd and replacements.

275 INTRODUCTION TO ANIMAL NUTRITION

AGR 170 req. Formerly AGR 171.

Study of nutrients, their metabolism and utilization; digestive physiology in ruminants, non-ruminants and avians; diet formulation and ration balancing.

276 SWINE MANAGEMENT

3

AGR 170 reg. Lecture and lab.

Breeds, care, and management of breeding herd; care and feeding of swine, selecting swine for breeding and marketing.

280 LIVESTOCK AND DAIRY CATTLE SELECTION

3

Lab and field trips.

Fundamentals of livestock and dairy selection; relation to production, marketing, and showing.

282 LIVESTOCK HEALTH AND DISEASES

3

AGR 170; BSC 196 or 197 reg.

Animal physiology, anatomy, sanitation, and diseases. Prevention and control of diseases of domesticated species of livestock.

283 ARTIFICIAL INSEMINATION OF FARM ANIMALS

3

Lecture and lab.

Principles of artificial insemination and factors affecting conception in natural and artificial breeding.

284 LIVESTOCK PRODUCTION SKILLS

AGR 170 req. Cons inst req. Lecture, lab, and field

Study and mastery of skills required in livestock production and different methods and tools used to perform these skills.

285 MEAT SCIENCE

3

Lecture and lab. Offered odd-numbered years. Materials charge optional.

Comprehensive treatment of the meat industry and presentation of basic facts about one of our most important food products.

286 BEHAVIOR OF DOMESTIC ANIMALS 3

AGR 170 rec.

Behavioral patterns and systems, group formations, socialization, physical environment, genetic and physiological factors as they relate to domestic animals.

288 ADVANCED LIVESTOCK AND DAIRY CATTLE SELECTION

AGR 280 reg. Lab and field trips.

Judging various species of livestock in relation to their functions in the show ring and market and the presentation of oral reasons.

290 HORSE SCIENCE

3

AGR 170 or documented evidence of 3 years experience with horses req. Offered even-numbered years.

Anatomy, physiology, nutrition, and genetics applied specifically to horses.

295 SUMMER INTERNSHIP IN

AGRICULTURAL EDUCATION

Adm to Professional Studies req. Incl Clin Exp: 100 hrs, Type 1-4, 9.

Experience in the profession of agricultural education in high school. Includes program planning and working with special-needs students.

302 SPECIAL PROBLEMS IN AGRICULTURE

1-3

Maj/min in Agriculture or Agriculture Business; 2.50 GPA req. May be repeated; max 6 hrs.

Special work in research interests of student and staff. Projects must be approved by the staff member and the Chairperson of the Department.

303 SEMINAR IN AGRICULTURE

1

Sr or grad standing req.

310 RURAL APPRAISALS

3

3

3

AGR 216 or 318 or ACC 131 rec and an academic background in agriculture. Field trips.

Principles, procedures, and terminology for evaluating rural property; preparation of appraisal reports as currently prepared by qualified and experienced rural appraisers.

311 STRATEGIC AGRIBUSINESS SALES 3

Jr/sr standing req; AGR 215 or cons inst req.

Skills, ethics and behavior theories and concepts for the professional, business-to-business, agribusiness salesperson.

312 ADVANCED FARM ACCOUNTING

AGR 213 and 216 req.

Advanced farm business records and analysis with emphasis on computer applications.

313 ADVANCED FARM MANAGEMENT

AGR 213 and 216 reg.

Farm business decisions and their interrelationships. Examination of statics, dynamics, and uncertainty in agricultural decision-making.

314 MARKETING GRAIN AND LIVESTOCK

AGR 214 or cons inst req. Formerly GRAIN MARKET-ING. Not for cr if had AGR 316.

Economic principles applied to marketing grain and livestock. Consideration given to producers and distributors of grain.

315 FINANCIAL MANAGEMENT

AND ANALYSIS OF

THE AGRIBUSINESS FIRM

AGR 215; MAT 120; and AGR 216 or ACC 131 or cons inst req.

Application of quantitative concepts and methods to the analysis and financial management of proprietary and cooperative agribusiness firms.

317 FOOD INDUSTRY MARKETING AND STRATEGIC MANAGEMENT 3

AGR 215 or cons inst req.

Marketing management and decision-making as they relate to corporate and cooperative marketing and strategic problem solving in the food industry.

318 AGRICULTURAL FINANCE

AGR 216 or ACC 131 req.

Principles of agricultural finance including the capital requirements, the sources of credit, and the optimum uses of capital.

319 AGRICULTURAL POLICIES AND PROGRAMS

3

3

AGR 110 reg.

History and impact of governmental intervention in agriculture. Examination of major agricultural programs, past and present.

320 FARM COMMODITY PRICING

AGR 214 reg.

Theory and mechanics of price determination for agriculture commodities.

324 COMMODITY FUTURES AND OPTIONS

3

AGR 214 or cons of inst req.

Examines the evolution of futures markets and the use of futures and options contracts as price risk management tools.

340 EQUIPMENT FOR PRODUCING AND HANDLING AGRICULTURAL PRODUCTS

3

AGR 130 req. Lecture, lab, and field trips. Offered odd-numbered years.

Selection, design, operation, adjustment, and maintenance of machinery and equipment used in producing, storing, and processing agricultural products.

352 RESIDENTIAL AND SPORTS

3

TURF MANAGEMENT

AGR 120 and 150 or cons inst req. Lecture, lab and field trips. Materials charge optional. Formerly TURF MANAGEMENT.

Principles and practices used in the management of residential and recreational turfgrasses.

353 LANDSCAPE DESIGN AND CONSTRUCTION

3

3

AGR 252 and 255 req. Lectures and practice in landscape design.

Problem approach to landscape design and construction. Site surveys and analyses. Plant selection and preparation of functional designs.

355 PLANT BIOTECHNOLOGY

AND BREEDINGOffered even-numbered years.

Breeding procedures and techniques used in developing new varieties of field crops.

356 PLANT PROPAGATION

AGR 150 or BSC 196 or 197 req. Lecture and lab. Materials charge optional.

Basic principles and commercial practices involved in sexual and asexual propagation of agricultural plants.

357 SOIL FERTILITY AND FERTILIZERS

4

AGR 157 req. Lecture, lab, and field trips.

Fundamental concepts of soil fertility and fertilizer manufacturing. Plant nutrition, factors affecting plant growth, soil-plant relationships, and macro- and micro-nutrients.

358 SOIL MANAGEMENT

4

AGR 157 req. Lecture and lab.

Applications of physical and chemical properties of soils to their management.

363 AGRICULTURAL EXPERIMENTATION

3

MAT 120 or 144 req. Offered odd-numbered years. Principles of agricultural research for plant and animal sciences; includes design, data collection, interpretation, and presentation of results.

372 LIVESTOCK BREEDING

3

AGR 272 or BSC 319 reg.

Reproduction and principles of heredity and their application to livestock breeding; population genetics, inbreeding, relationship, outbreeding, and selection.

375 ANIMAL NUTRITION

2

AGR 170 and 171 req. Field trips. Offered odd-numbered years.

Science of animal nutrition; special attention to recent discoveries pertaining to the protein, mineral, and vitamin requirements of livestock.

378 BEEF COW-CALF MANAGEMENT

AGR 170 and 171 req. AGR 213 and 216 rec. Lecture, lab, field trips, and overnight calf watch at University Farm.

Study of the beef cow-calf industry from both a purebred and commercial perspective including management skills required for cow-calf production.

380 CURRENT ISSUES IN THE BEEF CATTLE INDUSTRY

3

AGR 170 req. AGR 110, 214 and Junior standing rec. Lecture. Not for cr if had AGR 371, 378.

A study of the history and evolution of the beef cattle industry as impacted by internal and external factors.

381 BEEF CATTLE INDUSTRY

2

AGR 170 req. AGR 380 req or conc reg. Lecture and lab. Not for cr if had AGR 371, 378.

Basic principles and commercial practices involved in feedlot management and cow-calf production.

383 AGRICULTURAL SAFETY AND HEALTH

3

CHE 110, 140 or cons inst or adm to Environmental Health and Safety graduate program req. Half-day Saturday field trip at end of sem req. Also offered as HSC 383. Formerly AGRICULTURAL ACCIDENT PREVENTION.

Major problems of accident causation and prevention applicable to agriculture and the need for farm safety education, engineering, and enforcement countermeasures.

394 METHODS AND PROCEDURES IN AGRICULTURAL EDUCATION

3

Incl Clin Exp: 10 hrs, Type 1-6, 9. Adm to Prof Studies req. Formerly AGR 396.

Procedures in planning, conducting, and evaluating an agricultural education program; pragmatic interfacing of learning theories, philosophy and guidance with instructional programs in agriculture.

395 PROFESSIONAL SEMINAR IN AGRICULTURE EDUCATION

2

STT 399 conc reg req. Adm to Prof Studies req.
In-depth analysis of selected trends, issues, problems confronting the agricultural educator.

398 PROFESSIONAL PRACTICE: INTERNSHIP IN AGRICULTURE 1-6

Maj in any AGR program; 2.50 GPA; 8 hrs of course work in intern area; approved application req. May be repeated; max 6 hrs.

Supervised on-the-job experience in an agriculture setting. Minimum 45 hrs experience/credit.

CRIMINAL JUSTICE SCIENCES (CJS) 525

441 Schroeder Hall, (309) 438-7626 Web address: www.ilstu.edu/depts/cjs

Chairperson: Thomas Ellsworth. **Tenured/Tenure-track Faculty**:

Distinguished Professor: Weisheit.

Professors: Ellsworth, Falcone, Kethineni, Morn, Smith, Wolls

Associate Professor: Krienert.

Assistant Professors: Beichner, Rabe-Hemp, Reitzel, Ren, Vandiver, Walsh.

General Department Information

The purpose of the Criminal Justice Sciences program is to provide the student with a system orientation to the field of Criminal Justice. Study in Criminal Justice involves the application of the principles of Criminal Justice and the related behavioral and social sciences to problems and issues in the field of Criminal Justice. The program focuses on the building of knowledge in the areas of law enforcement, courts, and corrections from a social science perspective. Students develop a knowledge base for an in-depth understanding of human behavior and the kinds of problems and circumstances that often result in criminality. Finally, the program provides students with the opportunity to gain necessary skills in the area of interviewing, program development, community organization, planning and research to function in a professional position in the field of Criminal Justice.

Admission of New Students into the Criminal Justice Sciences Major:

- New beginning freshmen must meet University admission requirements prior to being considered for admission into the Criminal Justice Sciences major.
- b. New transfer students will be classified as Criminal Justice majors if they have a transfer GPA of 2.40.

Admission of Continuing Students into the Criminal Justice Sciences Major:

- Students must make formal application to the major by placing themselves on the departmental waiting list.
- b. In order to be admitted into the Criminal Justice major students must be in academic good standing at Illinois State University, all incomplete grades need to be cleared, and the following courses must be completed: ENG 101, 145; CJS 101; SOC 106; and PSY 110 or 111. Grades for these five (5) courses must be

a minimum of two (2) B's and three (3) C's. No D's or F's will be accepted. If you want to be a Criminal Justice Sciences major, you must *repeat* any course listed in "b" above in which you have earned less than a C.

- c. A student who enters the University through the Adult Learner program must complete at least 12 hours at Illinois State University and have completed courses as stipulated in "b" above before admission to the Criminal Justice program will be made.
- d. A student who returns to the University in the New Start program as a Continuing Student will be admitted to the Criminal Justice Sciences major when he/she has completed the requirements and courses as stipulated in "b" above.

The Department of Criminal Justice Sciences reserves the right to maintain a balanced enrollment.

- This may restrict the numbers of freshmen, transfer students, and continuing students who wish to be Criminal Justice Sciences majors.
- Most Criminal Justice Sciences courses are restricted to Criminal Justice Science majors.

Retention Requirements:

Criminal Justice Sciences majors must maintain a cumulative GPA of at least 2.40 every semester. If, at any given time, a student's GPA falls below a 2.40 that student may be removed from the major and reclassified as a General Student. After a student is reclassified as a General Student, all rights as a major are forfeited, including the right to be eligible to do the Criminal Justice Sciences internship.

Students who have been reclassified must meet regular admission requirements to be eligible for readmission to the major.

HONORS IN CRIMINAL JUSTICE SCIENCES

The Department offers honors study in Criminal Justice Sciences to highly qualified students who will pursue an individualized program of study. The Honors Program enables the superior student to focus on topics of the student's own choosing in close consultation with a Criminal Justice Sciences Department faculty member. In order to qualify, the student must have achieved a GPA of 3.30 or better, both overall and in the major. The student must complete:

- 1. at least 3 hours credit of in-course honors;
- at least 3 hours credit in CJS 299—Independent Honors Study or Honors-Undergraduate Research (IDS 285 or 286) in the Criminal Justice Sciences Department; and
- an additional 3 hours of in-course honors, honors independent study or honors-undergraduate research, equivalent with a grade of B or better.

Students must also fulfill the general education requirements for participation in the University's Honors Program.

Successful completion of the Honors Program will provide the designation of Honors in Criminal Justice Sciences upon graduation. The University will note the Honors designation on official transcripts and the diploma.

Students interested in participating in the Honors Program should inquire about admission in the Office of the Department of Criminal Justice Sciences.

Criminal Justice Sciences Programs

Degrees Offered: B.A., B.S.

MAJOR IN CRIMINAL JUSTICE SCIENCES

- 55 hours required.
- Required courses: CJS 101, 200, 201, 207, 300, 304, 395, 398.01* (6 hours), 398.02* (6 hours).
- 21 hours of electives selected with the approval of an academic advisor. A minimum of 12 hours must be selected from Illinois State University Department of Criminal Justice Sciences course offerings. The remaining electives must be taken from the list of recommended courses from other departments at Illinois State University, or may be appropriate transfer credit. Electives in other departments: LAN 111, 112, 115, 116 (8 hour maximum); FIL 185; MQM 220, 221; POL 201, 215, 231, 330, 331; PSY 131, 232, 302, 350; SOC 131, 263, 264, 365, 367; SED 362. Students who major in Criminal Justice Sciences must complete the following courses or equivalents: ENG 145; PSY 110 or 111; SOC 106.

*Students seeking enrollment in CJS 398.01 and 398.02 must complete necessary paperwork for application to the internship which will be received during mandatory meetings set by the Internship Coordinator. To be eligible, the student must have: (1) completed 90 semester hours, (2) an overall and major GPA of 2.40 at the time referrals are made, and (3) completed all required courses including SOC 106; PSY 110 or 111; and ENG 145. Students who have completed accredited corrections and/or police training may substitute this training for a portion of the internship with departmental approval. Students eligible for an internship will, with the assistance of the internship coordinator, choose an agency from a list of approved agencies. Students may also participate in out-of-state internships.

MINOR IN CRIMINAL JUSTICE SCIENCES

- 21 hours required.
- Required courses: CJS 101, 200, 201, 207, 304.
- 6 hours of electives selected, with the approval of an academic advisor, from the Department of Criminal Justice Sciences course offerings.
- NOTE: Space in Criminal Justice Sciences courses is limited for non-majors.

Criminal Justice Sciences Courses

101 INTRODUCTION TO CRIMINAL JUSTICE SCIENCES

3

An analysis of the criminal justice system focusing on the police, courts, and corrections.

102 INDIVIDUALS, SOCIETY,

AND JUSTICE MC-ICL

3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Not for cr maj/min. Explores justice, law, and civic life from historical, comparative, social science, and contemporary cultural perspectives.

200 CONTEMPORARY CORRECTIONS

3

CJS 101 req. Maj/min only or cons dept advisor. Familiarizes students with correctional alternatives as they currently exist. Controversies and emerging trends in corrections will be considered.

201 CRIME AND BEHAVIOR

2

CJS 101; SOC 106; PSY 110 or 111 req. Maj/min only or cons dept advisor.

Theoretical and conceptual explanations of criminal behavior.

206 FUNDAMENTALS OF CRIMINAL INVESTIGATION

3

CJS 101 req. Maj/min only or cons dept advisor. An intensive analysis of the criminal investigation process including information gathering and analysis, preservation of evidence, legal issues, and investigative strategies.

207 CONTEMPORARY POLICING IN AMERICA

3

CJS 101 req. Maj/min only or cons dept advisor. Survey of law enforcement, its history, police practices, functions, and related issues and concepts of contemporary police.

212 COMMUNITY CORRECTIONS

3

CJS 101 and ENG 145 req; CJS 200 rec. Maj/min only. Theoretical basis, current methodology, and operations: court counselors, citizen action, half-way houses, work-release, drug abuse treatment, detention, reception and diagnostic centers, and probation and parole.

215 JUVENILE JUSTICE

3

CJS 101 req. Maj/min only or cons dept advisor. The processing and treatment of juvenile offenders. Examines the organization, operation, and goals of the individuals, agencies, and institutions that work with youthful offenders.

240 HISTORY OF

CRIMINAL JUSTICE

3

Crime and the American criminal justice system from the colonial period until the mid-20th century.

298.50 PROFESSIONAL PRACTICE: COOPERATIVE EDUCATION IN CRIMINAL JUSTICE

1

Soph/jr standing; prior dept approval req. CJS maj only. Enrollment limited, based on availability of sites. May be repeated once.

Paid, supervised experiences in local, state, and federal criminal justice agencies.

300 RESEARCH METHODS

3

3

Jr standing (60 hrs completed). CJS 101 req. Maj/min only or cons dept advisor. Formerly EVALUATIVE RESEARCH OF PROGRAMS IN CRIMINAL JUSTICE.

Assesses basic components of how research is conducted in criminal justice inquiries. Examines the criteria for social scientific research in the criminal justice field.

304 CRIMINAL LAW

Jr standing (60 hrs completed). CJS 101 rec. Maj/min only or cons dept advisor.

Survey of criminal law, including development of substantive criminal law. Examination of judicial opinions related to the criminal justice process.

305 RULES OF EVIDENCE FOR THE ADMINISTRATION OF JUSTICE 3

Jr standing (60 hrs completed). CJS 101 req. Maj/min only or cons dept advisor.

Types of evidence, standards of proof, and legal requirements relating to the admissibility of evidence in court.

306 EXPERIENCES IN INTERNATIONAL JUSTICE 3

3 or 6

Fr standing (12 hrs completed). Travel fees apply. The course involves an exploration of a foreign country. Students will have exposure to cultural, political, social and criminal justice issues.

307 FAMILY VIOLENCE: CROSS-CULTURAL PERSPECTIVES 3

Jr standing (60 hrs completed). CJS 101 req. Maj/min only or cons dept advisor req.

Analysis of family violence in the US and other countries. Emphasis on police and judiciary response, solutions and treatments.

308 RACE, ETHNICITY, AND CRIMINAL JUSTICE

3

CJS 101; maj/min only or cons dept req. Historical and contemporary perspectives of race, ethnicity, crime, and justice relations in the United States.

310 CORRECTIONAL INSTITUTIONS

NS 3

Jr standing (60 hrs completed). CJS 101, 200 or cons dept advisor req. CJS maj only.

An intensive analysis of correctional institutions and jails focusing on management issues, inmate subcultures, and prisonization.

322 COMMUNICATION SKILLS IN CRIMINAL JUSTICE

3

Jr standing (60 hrs completed). CJS 201 conc reg req or cons inst req.

Development of interpersonal communication, interviewing and decision-making skills for intervention with criminal justice clients.

337 SEX OFFENDERS AND THE CRIMINAL JUSTICE SYSTEM

Jr standing (60 hrs completed). CJS 101 req. Maj/min only or cons dept req.

Analysis of sex offender prevalence and typologies. Emphasis on assessment, treatment, and management within the community.

338 ALCOHOL, DRUGS, AND CRIME

Jr standing (60 hrs completed). CJS 101 reg. Maj/min only or cons dept advisor req.

Analysis of the impact of alcohol and drugs on crime and the criminal justice system.

339 WOMEN IN CRIMINAL JUSTICE

Jr standing (60 hrs completed). CJS 101 reg. Maj/min only or cons dept advisor req.

Historical and theoretical perspectives and contemporary trends concerning women and crime and processing of women by the criminal justice system.

340 ORGANIZED AND WHITE **COLLAR CRIME**

Jr standing (60 hrs completed). CJS 101 req. Maj/min only or cons dept advisor req.

Analysis of organized and white collar crime problem in America. Topics include prevalence, impact, laws, and investigative techniques.

342 VICTIMOLOGY

Jr standing req. CJS 101 or cons dept req; CJS 201 rec. An examination of the victim's role in the criminal event, the process of victimization, patterns, trends, theories, and victim offender relationships.

360 ISSUES IN CRIMINAL JUSTICE

Jr standing (60 hrs completed). Maj/min only or cons dept advisor. May be repeated once; max 6 hrs if content different.

A critical and analytical study of a contemporary issue or controversy in the field of criminal justice.

369 WORLD CRIMINAL JUSTICE SYSTEMS

Jr standing (60 hrs completed). CJS 101 or cons dept

Analysis of crime and criminal justice systems of selected countries. Emphasis on England, France, Sweden, Japan, and Russia.

395 CRIMINAL JUSTICE ADMINISTRATION

Jr standing (60 hrs completed). CJS 101, 200, 201, 207, 300 and 304; cons dept advisor req. CJS maj only.

Aspects of organizational behavior in criminal justice agencies will be considered to enable the student to better understand on-the-job experiences.

398.01 PROFESSIONAL PRACTICE: CRIMINAL JUSTICE INTERNSHIP I

CJS 395 and cons dept advisor req. CJS maj only. See CJS maj req for enrollment limitations.

Field placement in a criminal justice related agency. Interns work with designated agency personnel and receive an overview of agency functions.

398.02 PROFESSIONAL PRACTICE: CRIMINAL JUSTICE INTERNSHIP II

CJS 395, 398.01 and cons dept advisor reg. CJS maj only. See CJS maj reg for enrollment limitations.

Intensive experience in a single criminal justice agency setting.

FAMILY AND CONSUMER SCIENCES (FCS) 506

144 Turner Hall, (309) 438-2517 Web address: www.cast.ilstu.edu/fcs/

Chairperson: Connor Walters. Tenured/Tenure-track Faculty:

Professors: Gentry, Nnakwe, Power, Shane, Walters, Winchip.

Associate Professors: Allison, Memken, Wilson.

Assistant Professors: Anderson, Cullen, Dyar, Johnson, Ma, Traut-

General Department Information

Family and Consumer Sciences is a profession committed to improving the quality of life for individuals and families. The mission of the department is to provide integrative study of the human environment and systems that impact and strengthen individuals, family units, agencies, businesses, and the community at large.

Family and Consumer Sciences is a broad field of study that provides opportunity for specialization in challenging careers. The faculty seek to prepare men and women to enter professions concerned with enhancing the quality of life for individuals, families and communities, and the environment in which they function. Academic preparation involves the integration and application of knowledge and skills gained from family and consumer science courses as well as courses in a variety of other disciplines.

The Department serves undergraduate and graduate majors specializing in fields such as interior design, child development, family life education, consumer services, nutrition and dietetics, apparel merchandising, and family and consumer sciences teacher education.

HONORS IN FAMILY AND CONSUMER SCIENCES

The Department offers honors work in each Family and Consumer Sciences sequence to highly qualified juniors and seniors. Candidates must be full-time students, declared Family and Consumer Sciences majors, and have an overall 3.30 GPA and 3.50 GPA in Family and Consumer Sciences. Honors requirements include completion of 3 in-course honors at the 200-level or above (at least 2 must be taken in the Department), and a minimum of 3 hours in FCS 299 culminating in a substantial research paper. The Department also offers in-course honors work in all courses for students enrolled in the University Honors Program or in any departmental honors program. Incourse honors work is offered at the discretion of the instructor. For further information contact the departmental advisor. All Family and Consumer Sciences honors students must fulfill the general requirements for participation in the University Honors Program.

Family and Consumer Sciences Programs

Degrees Offered: B.A., B.S.

Admission Requirements for Family and Consumer Sciences Majors (Non-Teacher Education Options):

A student may enter a major or minor in the Department of Family and Consumer Sciences as a freshman, transfer student or as a change of major at Illinois State University. Students should contact the Family and Consumer Sciences Undergraduate Advisor for minimum GPA requirements and/or other admission requirements. Options in the Department of Family and Consumer Sciences are in high demand and admissions are based on a combination of student qualifications and course capacities.

MAJOR IN FAMILY AND CONSUMER SCIENCES

Apparel Merchandising and Design Sequence:

The Apparel Merchandising and Design Sequence prepares students for careers such as fashion marketer, retail manager, fashion buyer, private label developer, visual merchandiser, merchandiser, technical designer, apparel/textile designer, quality assurance supervisor, purchasing agent, trend analyst, fashion journalist, and museum curator/conservator.

- 59-62 hours required.
- 11-hour core: FCS 101, 103, 200, 300.
- 48-51 hour sequence: FCS 225, 226, 323, 327, 328, 329, 362; ECO 105; MKT 230; PSY 110 or PSY/SOC 131; and option A or B that follows:
 - **A. Merchandising**: FCS 368, 369, 371, 398 (3 hours); MQM 220; MKT 335.
 - **B.** Apparel Design/Product Development: FCS 122, 228, 321, 324, 361, 366, 365 or 398 (3 hours).
- For students interested in Fashion Merchandising, a Business Administration, Marketing or Communication minor is recommended; for students interested in Apparel Design/Product Development, an Art, Theatre, Marketing, or Business Administration minor is recommended; for students interested in Fashion Journalism, a Communication minor is recommended; for students interested in Museum Curator/Conservator, a minor in History or Art History is recommended.
- A travel study for credit is available periodically.

Food, Nutrition and Dietetics Sequence:

Career opportunities in the broad field of food, nutrition and dietetics are quite varied and employment exists throughout the areas of healthcare, food service, education and research. Employment opportunities include: clinical or foodservice dietitian in a healthcare organization, food service manager for a company, nutrition consultant for a physician practice, community nutritionist, nutrition and health writer, food and nutrition product sales and marketing, corporate wellness, food promotion for a grocery store, school foodservice and others.

The undergraduate Food, Nutrition and Dietetics (DPD) program at Illinois State University is currently accredited by the Commission on Accreditation for Dietetics Education of the American Dietetics Association, 216 W. Jackson Blvd., Chicago, IL 60606-6995, (312) 899-5400.

- 66-67 hours required.
- 11-hour core: FCS 101, 103, 200, 300.
- The following General Education courses must be taken: Inner Core—CHE 110 and 112; Outer Core— BSC 160.
- 55-56-hour sequence: FCS 102, 113, 213, 311, 312, 316, 317, 318, 319, 398 (3 hours); BSC 160; CHE 220, 242; ECO 103 or 105; KNR 182; MQM 220; PSY 110 or 111, 215
- This program provides the first step for students wanting to become a registered dietitian (R.D.). Students must apply for an ADA-approved dietetic internship after graduation, and then successfully complete the registration examination to be an R.D. An American Dietetic Association Verification Statement of DPD Program Completion will be given to students completing this sequence. This official statement is required for graduates to begin an ADA-approved dietetic internship after acceptance, and for other professional applications requiring verification of DPD Program completion.

Human Development and Family Resources Sequence:

The Human Development and Family Resources Sequence prepares students for careers such as child care provider or center director; child life specialist in hospital settings; child care resource and referral specialist; family life educator or marriage enrichment provider; extension specialist or youth program director; case worker or manager; elder services coordinator; consumer advocate; consumer relations specialist; product development consultant; or middle, junior, or high school teacher.

- 41-62 hours required.
- 11-hour core: FCS 101, 103, 200, 300.
- 30-51-hour sequence: FCS 231, 232, 233, 310, 333 and option A, B, C, or D that follows. A. Human Development: FCS 250, 251, 307, 308, 309, 331, 398 (3 hours); SWK 323; and 12 hours from FCS 111, 212, 224, 305, 306, 314. B. Family Relationships: FCS 305, 309, 364, 398 (3 hours); SWK 323; and 15

hours from FCS 111, 212, 330, 331, 394; C&I 312; HSC 390; PSY 111, 302, 303; SOC 106, 123, 211, 212, 262, 311, 341, 342, 365. C. Consumer Services: FCS 330, 331, 364, 398 (3 hours); ECO 105; MKT 230, 231. D. Teacher Education: FCS 102, 111, 113, 203, 250. Part of the endorsement program leading to certification by the State of Illinois for teaching Family and Consumer Sciences courses grades 6-12. Four endorsements are obtained through required Department core and sequence courses: (1) Child and Day Care Services, (2) Consumer Education and Resource Management, (3) Interpersonal and Family Relationships and Parenting, and (4) Institutional and Home Management. See the Family and Consumer Science advisor for information about courses that count towards additional Family and Consumer Science endorsements. Twenty-four (24) hours Professional Education (see C&I Professional Education Requirements in the *Undergraduate Catalog*), including STT 399.

See Professional Studies Admission-Retention program found in University-Wide Professional Studies Program Requirements for admission and retention standards. Also see Family and Consumer Sciences Selective Admission-Retention Requirements section of this *Undergraduate Catalog*.

Interior and Environmental Design Sequence:

The Interior and Environmental Design Sequence prepares students for careers in residential design, contract design, space planning, store design, restaurant design, kitchen and bath design, historic preservation and design for special populations.

The undergraduate Interior and Environmental Design (IED) program at Illinois State University is currently accredited by the Foundation for Interior Design Education Research (FIDER).

- 61 hours required.
- 11-hour core: FCS 101, 103, 200, 300.
- 50-hour sequence: FCS 104, 218, 225, 242, 244, 338, 340, 345, 346, 347, 348, 370, 375, 398 (3 hours); FCS 352; ART 372; TEC 110, 211.
- Possible minors based on individual interests: Industrial Technology, Construction Management, Art or Business.
- Recommended electives: FCS 393.38; TEC 322.
- To be licensed in the State of Illinois, students must have a minimum of 2 years professional work experience and pass the National Council for Interior Design Qualification (NCIDQ) Examination. Passage of this exam also qualifies the individual professional membership in interior design organizations such as American Society of Interior Designers (ASID) and International Interior Design Association (IIDA).

MINOR IN FAMILY AND CONSUMER SCIENCES

- 23 hours required in Family and Consumer Sciences.
- 11-hour core: FCS 101, 103, 200, 300.
- 12 additional hours in Family and Consumer Sciences.

Selective Admission-Retention Requirements for the Teacher Education Option in Family and Consumer Sciences:

Selective Admission:

All Family and Consumer Sciences Education students planning to become certified teachers must apply for and be admitted to the University's Professional Studies program (see Professional Studies Admission-Retention program section of this *Undergraduate Catalog*). Upon applying for admission each Family and Consumer Sciences student must have verified the following:

- A minimum GPA of 2.50 overall and in all Family and Consumer Sciences courses including Professional Education courses.
- A positive recommendation for Admission to Professional Studies by all Family and Consumer Sciences faculty. See departmental advisor for procedure.
- 3. An interview with the Family and Consumer Sciences
 Education Coordinator

Selective Retention:

In order to receive departmental approval for a student teaching assignment the student must verify the following:

- Maintain a GPA of 2.50 in all courses and in all Family and Consumer Sciences courses including Professional Education courses.
- Completion of FCS 200, or the equivalent for transfer students.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Family and Consumer Sciences **Courses**

101 HUMAN AND FAMILY DEVELOPMENT

Human development throughout the lifespan within the context of the developing family unit.

102 NUTRITION IN THE LIFE SPAN

Nutrients needed by humans. Food choices to meet nutrition needs of individuals and families throughout the life cycle.

103 MANAGEMENT FOR CONSUMERS

Management for individual and family problems in the home and marketplace.

104 ENVIRONMENTAL DESIGN **ELEMENTS: STUDIO**

Maj/min only or cons advisor. Lecture and lab. Introduction to design fundamentals and development of perceptual skills, creative awareness, and the technical ability to handle a variety of design media.

111 INTRODUCTION TO THE FAMILY AND CONSUMER SCIENCES EDUCATOR ROLE

FCS 101 and 103 req, cons inst req. Field trips; 15 clinical hours.

Historical, methodological, and philosophical prologue unique to the family and consumer sciences educator role.

112 AMERICAN FAMILY: CHANGE AND DIVERSITY MC-UST

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as HIS/SOC 112.

Historical and comparative exploration of activities of family formation, maintenance, and reconfiguration in America. Emphasis on issues of diversity.

113 PRINCIPLES OF FOOD **PREPARATION**

FCS 102 req. Maj/min only or cons advisor. Materials charge optional.

Scientific principles involved in the preparation of food.

122 APPAREL PRODUCT DEVELOPMENT I

Maj/min only or cons advisor. Materials charge optional. Basic apparel production techniques.

198 PROFESSIONAL PRACTICE

Maj only. 2.00 GPA; 27 hrs; Approved application req. CR/NC only. May be repeated; max 3 hrs.

Exploration of entry-level career opportunities. Observation of professional skills and competencies of practicing home economists.

200 PRACTICAL PROBLEM SOLVING IN FAMILY AND CONSUMER SCIENCES

FCS 101, and 103 req. Jr standing req. Maj/min only or cons advisor.

Mission and goals of family and consumer sciences related to the practical reasoning process for problem solving and critical thinking.

203 COMPETENCIES FOR TEACHING

FCS 111 reg. C or better in C&I 212, 214 or 216 or PSY 215 (6 hrs), or conc reg req. Maj/min only or cons advisor. Field trips req. Adm to Prof Studies req. Incl Clin Exp: 20 hrs, Type 1 and 10.

Curriculum development, evaluation, teaching strategies, and professionalism for vocational education teachers.

208 DYNAMICS OF UNITED STATES CONTEMPORARY HEALTH ISSUES

OC-SMT

Inner Core req. MC-IS category req. Also offered as HSC/KNR 208.

Exploration and analysis of current health and lifestyle issues. Emphasis on how individuals, communities and society make health decisions.

212 FAMILY HEALTH AND WELL BEING 3

FCS 101 req. Maj/min only or cons advisor. Practicum rotations included.

Relationship of personal decision making, self assessment and behavioral change to optimal wellness for individuals and families.

213 FOOD PLANNING, MARKETING, AND COST CONTROLS

3

FCS 113 req. Maj/min only or cons advisor. Materials charge optional. Formerly MEAL PLANNING.

Meal planning based on criteria of nutritive requirements, marketing challenges, and utilization of resources.

218 INTERIOR CONSTRUCTION AND **BUILDING SYSTEMS**

3

3

FCS 242 req. FCS 244 conc reg rec. Field trips. Materials charge optional.

Evaluation of building infrastructure, including heating/cooling systems, electrical and plumbing conventions, and interior construction, as related to the design process.

222 CULTURAL DIVERSITY IN DRESS

OC-SS

Inner Core req. MC-IS category req. Interdisciplinary, comparative exploration of diverse cultures through dress and adornment.

224 ENDURING ISSUES FOR COUPLES AND FAMILIES OC-SS

Inner Core req. MC-UST category req.

Analysis of persistent and newly emerging issues for couples and families living in the 21st century.

225 TEXTILES

Lecture and lab. Maj/min only or cons advisor. Materials charge optional.

Fundamentals of textile science: fibers, yarns, fabrications, finishes, and dyeing. Selection and care of apparel/home furnishings fabrics. Textile legislation.

226 FASHION TREND AND INDUSTRY ANALYSIS

FCS 101 and 103 rec. Maj/min only or cons advisor. Formerly APPAREL.

Fundamentals of the fashion industry, emphasis on analysis and forecasting of trends and sectors of apparel and merchandising industries.

228 APPAREL DESIGN

FCS 122, 226 req. Materials charge optional.

Application of art principles to apparel creation through computers and hand techniques. Idea development from conception through production to retailing. Style nomenclature emphasized.

231 FAMILY RELATIONSHIPS

- 3

FCS 101 req or C&I 281 conc reg rec. Maj/min only or cons advisor.

Functions of productive family units to fulfill individual and group needs. Emphasis on the skills needed by the parent.

232 RESOURCE MANAGEMENT FOR INDIVIDUALS AND FAMILIES

FCS 103 req. Maj/min only or cons advisor.

Problem solving approach to the use of managerial components and their functional relationships to the complexities of today's living.

233 FAMILY ECONOMIC RESOURCES

FCS 103 req. Maj/min only or cons advisor.

Economic description of the family emphasizing the family's financial, physical, and human capital investments over the life cycle.

242 DRAFTING FOR INTERIOR DESIGN 3

Maj/min only or cons advisor. Materials charge optional.

Introduces students to equipment, media, and techniques for graphic presentation of architectural design.

244 INTERIOR SYSTEMS AND HOUSING 3

FCS 104 req. Field trips req.

Consumer choice of dwelling and the analysis of interior spaces and equipment.

250 DEVELOPMENT AND GUIDANCE OF PRESCHOOL CHILDREN

FCS 101 req. Maj/min only or cons advisor. Incl Clin Exp: 32 hrs.

Applied child development and guidance of preschool children in early childhood programs. Emphasis on observation, assessment and developmentally appropriate practices.

251 DEVELOPMENT AND GUIDANCE OF INFANTS AND TODDLERS

FCS 101 req. Maj/min only or cons advisor. Incl Clin Exp: 32 hrs.

Applied child development guidance of infants and toddlers in early childhood programs. Emphasis on observation, assessment and developmentally appropriate practices.

300 LEADERSHIP DEVELOPMENT FOR FAMILY AND CONSUMER SCIENCES PROFESSIONALS

FCS 200 req. Sr standing.

Leadership as a context for examining disciplinary issues and professional preparation while synthesizing knowledge and skills attained throughout the collegiate experience.

305 FAMILIES IN LATER LIFE

Jr standing req.

Exploration of family dynamics in later life. Emphasis on developmental tasks, needs and decision-making issues of aging family members.

306 SEMINAR IN CHILD LIFE STUDIES

FCS 101, and 250 or 251 req. Cons of inst req. Practicum experience req.

Application of child development theories and developmentally appropriate practices to children in health care settings.

307 ADVANCED CHILD DEVELOPMENT APPLICATIONS 3

FCS 101, 250, 251 req. Incl Clin Exp: 32 hrs.

Application of research in the development and guidance of infants, toddlers and preschool age children as related to family and society.

308 ORGANIZATION AND ADMINISTRATION OF EARLY CHILDHOOD PROGRAMS

3

3

FCS 250 or cons inst req. Incl Clin Exp: 20 hrs, Type 10. Administration of early childhood programs and community services responsible for guidance of young children.

309 COUPLE RELATIONSHIPS

FCS 231 req.

An interactional approach to the study of intimate malefemale pairing: establishing couple relationships and developing effective intimate pairing communication; an overview of marriage enrichment history, programs, practice, theory, and research.

310 FAMILY CRISES 3

Jr standing req. Field trips req.

Cognitive and affective exploration of family crisis: definition, management processes, and professional helping resources.

311 COMMUNITY NUTRITION 3

FCS 102 req.

Nutritional needs of selected populations vulnerable to inadequate diet; emphasis on U.S. programs designed for groups at nutritional risk.

312 MEDICAL NUTRITION THERAPY

FCS 317 req.

Planning modified diets and studying underlying diseases. Nutritional counseling of individuals and groups.

314 EARLY CHILDHOOD NUTRITION EDUCATION

3

4

Incl Clin Exp.

Principles of nutrition and current research. Emphasis on the needs of young children. Guidance in implementing a sound nutritional education program.

315 NUTRITION FOR HEALTH AND PHYSICAL FITNESS

3

FCS 102 or cons inst; KNR 182; or BSC 181 and 182 rea.

An advanced course focusing on the physiological and biochemical importance of nutrition to health, physical fitness, and sports.

316 FOOD SCIENCE

3

FCS 213; CHE 110 and 112 req. Materials charge optional. Experimental approach to principles underlying food preparation.

317 NUTRITION AND METABOLISM

FCS 102; BSC 160; KNR 182 req. CHE 242 conc reg

Physiological and biochemical basis for human nutritional requirements and health.

318 FOOD SERVICE MANAGEMENT 3

FCS 103, 213; MOM 220 reg.

Management of commercial foodservice systems: planning, control systems, decision making, human considerations.

319 QUANTITY FOODS

3 FCS 213 req. Field trips.

Principles, techniques, and standards required to procure, store, and produce food in quantity for institutional and commercial feeding.

321 FLAT PATTERN DESIGN

FCS 122 or equiv req. Maj/min only or cons advisor. Materials charge optional.

Computer and hand techniques in making garment patterns by the flat pattern method.

323 ADVANCED TEXTILES

FCS 225, 226 req. Lecture and lab. Materials charge

Exploration of established practices and new developments in the textile and apparel industry. Research and problemsolving emphasis.

324 DRAPING AND DESIGN

FCS 122 or 220 reg. Materials charge optional. Interpretation of garment designs in fabric by means of the draping procedure.

327 CLOTHING AND BEHAVIOR

FCS 225, 226; PSY 110 or PSY/SOC 131 reg. Jr/sr standing only.

Factors that influence behavior related to clothing selection and use. Emphasis on research.

328 ECONOMICS OF FASHION

FCS 225, 226 and ECO 105 reg.

Fashion as an economic force in the international economy. Fashion's influence on production, distribution and consumption of textiles and apparel.

329 APPAREL PRODUCT ANALYSIS

3

FCS 122, 225 and 226 req.

Overview of apparel manufacturing and analysis of ready-towear apparel product quality.

330 DECISION-MAKING FOR CONSUMERS

3

3

Also offered as BTE 330.

Survey of consumer problems, trends, and information. Topics include: insurance, housing, credit, life style, consumer protection, leisure, and achieving financial security.

331 CONSUMER MATERIALS

FCS 103 reg; 233 rec.

Application and evaluation of consumer information sources.

332 FOOD INDUSTRY MARKETING AND STRATEGIC MANAGEMENT II

AGR 317 reg.

Advanced application of marketing and management concepts as they relate to the promotion of the multi-faceted food industry.

333 FAMILY AND CONSUMER PUBLIC POLICY

3

FCS 103 req, 233 rec. Maj/min only or cons advisor. Public and private sector programs serving human needs; role of family and consumer science professional in the public policy arena.

338 HISTORY OF INTERIOR AND ENVIRONMENTAL DESIGN I

Jr or sr standing req. Maj/min only or cons advisor. Major stylistic time periods in architecture and interior design from antiquity to late 19th century.

340 INTERIOR DESIGN I: STUDIO

FCS 242 req. FCS 225 and 244 and TEC 110 or conc reg rec. Maj/min only or cons advisor. Lecture and lab. Materials charge optional.

Design principles applied to residential space. Students examine the ways in which rooms are affected by various design elements.

345 INTERIOR DESIGN

BUSINESS PRACTICES

2

FCS 340 reg; FCS 300 rec.

Practices and procedures of professional design firms. Emphasis on business ownership, programming, purchasing procedures, billing hours, contracts and business forms.

346 ENVIRONMENTAL LIGHTING DESIGN

2

FCS 340 rea.

Design of the luminous environment. Emphasis on lighting sources, fixture schedules, switching patterns, and the required drawings used in residential and commercial applications.

347 HUMAN FACTORS IN INTERIOR ENVIRONMENTS 2

FCS 242 reg. Lecture and lab.

This course focuses on the functionality and aesthetics of interior environments with an emphasis on the interface between man-made environments and humans. The needs of special populations are addressed.

348 HISTORY OF INTERIOR AND ENVIRONMENTAL DESIGN II

2

FCS 338 rec. Maj/min only or cons advisor.

Major movements in architecture and interior design from the late 19th century to the present.

352 RENDERING FOR INTERIOR DESIGNERS

3

FCS 242, or cons instr req. Also offered as ART 352. Perspective sketching and delineations of architectural interiors. Various media and application techniques will be stressed for professional results in presentations.

361 FASHION HISTORY I

FCS 225, 226 req. Formerly FASHION HISTORY. Analysis of historic costume from antiquity through 19th century, in relation to social and cultural environments. Emphasis on western world.

362 FASHION HISTORY II

- 1

FCS 225, 226 req. Formerly TWENTIETH CENTURY FASHION.

Analysis of 20th century fashion in relation to social and cultural environments. Study of American and international designers and innovators.

364 BASIC SKILLS IN COUNSELING

3

Not for cr if taken SED 362, 363.

Introduction to the basic procedures and skills of counseling from a multi-cultural context.

365 APPAREL COLLECTION DEVELOPMENT

3

FCS 122, 228, 321 or cons inst req. Lecture and lab. Formerly DESIGN STUDIO.

Advanced problem solving in apparel collection design with emphasis on integration of various tools of design.

366 CAD FOR APPAREL DESIGN

3

FCS 122, 226, 228 req. Lecture and lab.

Application of art principles to apparel design using CAD. Apparel idea development from concept through application to production. Portfolio development.

368 FASHION PROMOTION

3

FCS 226 reg.

Apparel merchandising techniques with emphasis on visual merchandising, advertising, fashion shows, and related promotional activities.

369 MERCHANDISE PLANNING AND CONTROL

3

FCS 226; MKT 230, 335; MQM 220 req. Formerly FASHION MERCHANDISING.

The financial management of merchandising fashion goods, with emphasis on stock, sales, assortment planning and control.

370 INTERIOR DESIGN II: STUDIO

4

FCS 340 req. FCS 218; TEC 211; and ART/FCS 352 conc reg rec. Field trips req. Materials charge optional. The process of linking spaces using architectural elements. Emphasizing the design process as it affects private and public spaces.

371 ADVANCED MERCHANDISING

FCS 369 req. Formerly FASHION MERCHANDISING II. Merchandising practices as related to current issues in management, entrepreneurship, as well as planning, developing, and presenting soft good lines.

375 INTERIOR DESIGN III: STUDIO

4

FCS 370 req. Materials charge optional.

Study of design theory/analysis in relation to large-scale, comprehensive commercial interiors. Emphasis on codes regulating ergonomic and life safety issues.

380 ORGANIZATION AND ADMINISTRATION OF VOCATIONAL COOPERATIVE EDUCATION PROGRAMS 3

Also offered as BTE 380. Incl Clin Exp: 5 hrs, Type 10. Planning and organizing a cooperative program; emphasis on recruitment, selection of training stations, student placement, and operation of cooperative plan.

382 COORDINATION TECHNIQUES OF COOPERATIVE VOCATIONAL EDUCATION PROGRAMS

3

Also offered as BTE 382 and TEC 306. Incl Clin Exp: 5 hrs, Type 10.

Coordination techniques needed for high school and postsecondary teacher coordination in integrating classroom activities with daily employment.

394 HEALTH ASPECTS OF AGING 3

Also offered as HSC/KNR 394.

Characteristics of the aging process and factors influencing adaptations and the quality of living.

398 PROFESSIONAL PRACTICE: FAMILY AND CONSUMER SCIENCES

2-4

Jr/sr standing (74 hrs) req; FCS 200 and 50 percent seq req; 2.00 overall GPA on date of app req. May be repeated once. See advisor for additional seq req. Placement is not guaranteed. Prior cons dept chair req.

Planned and supervised work experience in government, community, business, or industry.

398.01 PROFESSIONAL PRACTICE: CHILD DEVELOPMENT AND FAMILY RELATIONSHIPS

398.02 PROFESSIONAL PRACTICE: CONSUMER SCIENCES

398.03 PROFESSIONAL PRACTICE: FOOD—NUTRITION OR DIETETICS

398.04 PROFESSIONAL PRACTICE: INTERIOR AND ENVIRONMENTAL DESIGN

398.05 PROFESSIONAL PRACTICE: APPAREL MERCHANDISING AND DESIGN

HEALTH SCIENCES (HSC) 522

Felmley Hall, (309) 438-8329

Web address: www.healthsciences.ilstu.edu

Email address: hscinfo@ilstu.edu

Chairperson: Marilyn Morrow. **Tenured/Tenure-track Faculty**:

Professor: Bierma, Kelley.

Associate Professor: Barham, Broadbear, Byrns, Jin, Micke, Miller, Morrow, Simmons, Temple, Waterstraat.

Assistant Professors: Cole, Grieshaber, Van Draska, Woeste.

General Department Information

HONORS IN HEALTH SCIENCES

The Department offers honors study to qualified students who will pursue an individualized course of study. To qualify, students must be declared majors in the Department, have completed 30 hours of credit, have and maintain a minimum cumulative 3.50 GPA; and have and maintain a 3.50 GPA in the major. To graduate with Departmental Honors, students must be a member of the University Honors Program and complete 12 credit-hours of honors work in Health Sciences courses selected from at least two of the following options: Honors Undergraduate Research, Honors Independent Study, in-course Honors, or Honors Undergraduate Teaching Assistant. Students interested in the Honors Program must contact the departmental advisor to complete an orientation and planning meeting.

Clinical Laboratory Science Program

Web site: www.healthsciences.ilstu.edu/cls/

Degree Offered: B.S.

Clinical laboratory scientists work as a part of the medical team. They analyze body fluids and perform tests using highly specialized equipment to diagnose diseases and monitor treatment. They are largely employed in hospitals and private clinical laboratories and industry. Graduates of the program are eligible for national certification.

New Freshmen and New and Internal Transfer Admission Requirements:

New freshmen, new transfer students, and internal transfer students (current Illinois State students wanting to change their majors) desiring admittance to the Clinical Laboratory Science (CLS) program must meet the admission requirements established by the University. Internal transfer students must also have a minimum cumulative GPA of 2.00. **NOTE:** Evidence of hepatitis B immunization or waiver is required for enrollment in professional practice.

Standards for Progress in the Major:

CLS majors must earn grades of C or higher in all courses required by the major and maintain a minimum cumulative GPA of 2.00 or higher to be retained in the program.

PROFESSIONAL PRACTICE IN CLINICAL LABORATORY SCIENCE

Professional Practice is provided off-campus in clinical facilities affiliated with the University. The experience involves technical instruction in clinical hematology, chemistry, blood banking, microbiology and other aspects of laboratory medicine. Students are responsible to provide their own transportation and housing during the Professional Practice experience. Students apply for acceptance into the clinical experience during the spring of the junior year. Students must have maintained a cumulative 2.00 GPA and have received a grade of C or better in all courses required for the major to be eligible for the clinical experience.

Two Professional Practice options are available: the Standard Track and the Alternative Track. The Standard Track is two semesters; clinical experience in the fall and advanced coursework in the spring semester. The Alternative Track is a 10-12 month experience in an accredited hospital-based program which includes both lecture and laboratory practice throughout. Enrollment in the Alternative Track is extremely limited (see the program director for further details). See the Clinical Laboratory Science Student Handbook for more information and a current list of Standard Track and Alternative Track locations. Students must complete an entire set of Professional Practice courses (Standard Track or Alternative Track) to be eligible for national certification.

MAJOR IN CLINICAL LABORATORY SCIENCE

- 75 hours as specified below.
- Required courses (18 hours): HSC 260, 261, 262, 263, 308 and either the Standard or Alternative Track:

Standard Track required courses (32 hours): HSC 301, 302, 312, 315, 316, 317, 318, 319, 325, 398.22, 398.23, 398.24, 398.27, 398.28, 398.29.

Standard Track elective courses (6 hours): BSC 181 (or KNR 181), 182 (or KNR 182), 203, 219, 220, 283; CHE 215, 242.

Alternative Track required courses (32 hours): HSC 331, 332, 333, 334, 335, 336, 337, 338, 339.

Alternative Track elective courses (6 hours; 3 hours must be from CHE): BSC 181 (or KNR 181), 182 (or KNR 182), 203, 219, 220, 283; CHE 215, 242.

- Required courses outside Health Sciences (17 hours):
 BSC 197, 260; CHE 141, 220.
- Required General Education courses (12 hours): BSC 196; CHE 140; MAT 120.
- Strongly recommended courses: HSC 105, 204.02, and ITK 150.
- NOTE: This major may require more hours than indicated due to prerequisites or lack of prior skill.

A.A.S. to B.S. Degree:

Persons possessing an Applied Associate of Science degree in clinical (medical) laboratory technology from an Illinois community college may complete a B.S. through the Illinois Articulation Initiative. To qualify, students must be certified as a medical laboratory technician by the American

120 Health Sciences

Society for Clinical Pathology or as a clinical laboratory technician by the National Credentialing Agency. Qualified students are awarded proficiency credit for some of the A.A.S. courses. Interested students should contact the Clinical Laboratory Science program director for details.

Accreditation:

The Clinical Laboratory Science program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences, www.naacls.org/.

Environmental Health Program

Web site: www.healthsciences.ilstu.edu/envhealth/

Degree Offered: B.S.

Environmental Health specialists identify and resolve problems that occur when humans interact with their environment. Some of these environmental problems include indoor and outdoor air pollution, water pollution, food contamination, hazardous wastes, insect-borne diseases, occupational hazards, and chemical or biological terrorism. Environmental Health specialists identify, implement, and evaluate the best methods of controlling or preventing these problems. Employment opportunities include private consulting firms; industry; non-profit organizations; and local, state, or federal agencies.

New Freshmen, New and Internal Transfer Admission Requirements:

Entering freshmen, transfer students and internal transfer students (current Illinois State students wanting to change their major or minor) desiring admission to the Environmental Health (EH) program must meet admission requirements established by the University. Internal transfer students must have a minimum cumulative GPA of 2.00. Students should schedule an appointment with the departmental academic advisor for information.

Standards for Progress in the Major:

Students must maintain a cumulative GPA of 2.00 to be retained in the major.

Accreditation:

The Environmental Health program is accredited by the National Environmental Health Science and Protection Accreditation Council, www.ehacoffice.org/.

MAJOR IN ENVIRONMENTAL HEALTH

- 42 hours in Health Sciences required.
- Required courses (18 hours): HSC 145, 156, 204*, 249, 258, 355.
- Professional Practice (9 hours): 398.01.
- Group 1 elective courses (15 hours): HSC 247, 248, 252, 254, 257, 322, 350, 359.
- Group 2 (additional) elective courses (3 hours): HSC 271, 378, 381, 383; CHE 215, 242, 280; ECO 255; HIS 240; GEO 102, 276, 336. Additional courses may be approved

- by the program director.
- Required courses outside of Health Sciences (15 hours, excluding required General Education courses): CHE 141, 220; KNR 182; MAT 119.
- Required General Education courses (20 hours): BSC 160; CHE 140; HSC 156; MAT 120 or 145; PHY 105 or 108.
- *NOTE: General Education courses MQM 100 or either ECO 138, GEO 138, POL 138, or PSY 138 may be substituted for HSC 204.

MINOR IN ENVIRONMENTAL HEALTH

- 15 hours in Health Sciences required.
- Required courses (6 hours): HSC 145, 156**.
- Elective courses (9 hours): HSC 247, 248, 249, 252, 254, 257, 258, 322, 350, 359, 383 (no more than 6 hours from HSC 248, 359 and 383 may be counted towards the minor).
- Required courses outside of Health Sciences: (a minimum of 11 hours): CHE 140**, 141; MAT 119 or 120** or 145**.
 - **NOTE: CHE 140, MAT 120, 145; and HSC 156 are General Education courses.

Health Education Program

Web site: www.healthscience.ilstu.edu/healthed/

Degrees Offered: B.S., B.S. in Ed.

Health Educators are people working with people. They work in schools or community settings. They promote positive health behaviors by giving presentations, planning and implementing programs, preparing newsletters/brochures, assessing individual health needs, teaching and training, coordinating community/school efforts, and acting as a resource person. Every Health Education major completes a core of 21 hours and either a sequence in school health education or community health education.

New Freshmen, New and Internal Transfer Admission Requirements:

New freshmen and transfer students desiring admission to the Health Education (HED) program must meet the admission requirements established by the University. Those students wishing to be admitted into the School Health sequence of Health Education must apply for and be admitted into the University Professional Studies program (see Teacher Education Admission and Retention in this *Undergraduate Catalog*). Students currently enrolled at the University who wish to change their major or minor to HED must have a minimum cumulative GPA of 2.50. Transfer students and internal transfer students should schedule an appointment with the departmental academic advisor for information.

Standards for Progress in the Major and Minor:

School Health Education Sequence: All students should have a projected program plan completed in consultation with the departmental academic advisor. A minimum cumulative

and major GPA of 2.50 is required for admission to Student Teaching as well as for retention in the Health Education program. Admission to Professional Studies is contingent upon recommendation of Health Education faculty and the Teacher Education Coordinator following completion of the Clinical Experience in HSC 391. Those majors in the School Health Education Sequence must also complete a Teacher Education minor with a minimum GPA of 2.50.

Community Health Education Sequence: All students should have a projected program plan completed in consultation with the departmental academic advisor. A minimum cumulative and major GPA of 2.50 is required for retention in the Community Health Education program as well as for enrollment in Professional Practice, HSC 398.02.

Minors in Health Education: Minors in either Community Health Education or School Health Education should have a projected program plan completed in consultation with the departmental academic advisor. A minimum cumulative minor GPA of 2.50 is required for retention in the program.

CLINICAL EXPERIENCES IN SCHOOL HEALTH EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Accreditation:

The School Health Education curriculum is accredited by the National Council for Accreditation of Teacher Education (NCATE), www.ncate.org/. It is also accredited by the American Association for Health Education (AAHE), www.aah-perd.org/aahe/template.cfm. The Community Health Education curriculum has been approved through combined review of two health education professional organizations.

MAJOR IN HEALTH EDUCATION

- 56 total hours (School Health Education) or 57 total hours (Community Health Education) required.
- Required core courses (21 hours) including: HSC 190, 290, 292, 293, 294, 390; SOC 123.

Health Education majors must also complete either the School Health Education Sequence or the Community Health Education Sequence.

School Health Education Sequence:

This sequence is part of the program leading to a 6-12 secondary certificate.

- Required courses (6 hours): HSC 387, 391 (3 hours).
- Elective (3 hours): 1 course selected from: FCS 102;
 HSC 105, 156*, 170*, 296.
- Students must complete a second teaching area, the Professional Education requirements (26 hours, including 12 hours of student teaching) as described in the Teacher Education requirements section of this *Undergraduate Catalog* and the General Education requirements. A 2.50 cumulative and major GPA is required for admission to Professional Studies and for student teaching.

NOTE: This major does not meet middle-level endorsement requirements for the State of Illinois. See advisor for information on this endorsement.

*Course is a General Education option.

Community Health Education Sequence:

- Required courses (27 hours): *BSC 145**; HSC 204.01, 286, 296, 395, 396, 398.02.
- Electives (9 hours) chosen in consultation with an advisor from the following: FCS 102; HSC 105, 156**, 170**, 208**, 387, 394.
- 2.50 cumulative and major GPA prior to the semester of enrollment in HSC 398.02.

*BSC 145 meets General Education requirement for OC-SMT.

MINOR IN HEALTH EDUCATION

Minor in School Health Education:

- 26 hours required.
- Required courses (23 hours): HSC 190, 290, 292, 293, 294, 390, *391 (2 hours); SOC 123.
- Electives (3 hours): FCS 102; HSC 156**, 170**, 296, 387.
- * Minors must take HSC 391 in a fall semester.
- **Course is a General Education option.

^{**}Course is a General Education option.

Minor in Community Health Education:

- 24 hours required.
- Required courses (18 hours): HSC 190, 290, 292, 293, 294, 296.
- Electives (6 hours): 2 courses from: FCS 102; HSC 105, 156*, 170*, 208*, 387, 394. Other advanced-level Health Sciences courses may be substituted as electives with consent of Health Sciences advisor

Health Information Management Program

Web site: www.healthscience.ilstu.edu/health info manag/

Degree Offered: B.S.

Health information managers are professionals responsible for the management of health data and health information systems in health care organizations and organizations that use health data. They ensure data quality; code and classify data; maintain data security and privacy; design, implement and manage health information systems; evaluate medical care data to monitor quality and risk; and manage support personnel.

MAJOR IN HEALTH INFORMATION MANAGEMENT

New Freshmen, New and Internal Transfer Admission Requirements:

New freshmen, transfer students and internal transfers (current Illinois State students wanting to change their major) desiring admission to the Health Information Management Program must meet the admission requirements established by the University. Students currently enrolled at Illinois State University who wish to change their major to Health Information Management (HIM) must have a minimum cumulative GPA of 2.00. Transfer students and students currently enrolled at the University should see the Department academic advisor for information.

Standards for Progress in the Major:

Students must earn grades of C or higher in all courses required by the HIM major and maintain a minimum cumulative 2.00 GPA for retention in the major. Students must have a grade of C or better in the following courses, or their equivalents, to enroll in the HIM professional courses: KNR 181 and 182 and HSC 105.

- Prerequisite courses (12-14 hours): ECO 101 or 103 or 105; HSC 105; KNR 181 and 182.
- Major courses (58 hours): HSC 200, 201, 202, 204*,
 210, 212, 213, 214, 230, 300, 310, 320, 340, 345, 346,
 398.03; ENG 145.13 or 249; MQM 220, 323.
- Recommended courses: BSC 145; ITK 150.

*NOTE: General Education courses MQM 100 or either

ECO 138, GEO 138, POL 138, or PSY 138 may be substituted for HSC 204.

Accreditation and Credentialing:

The program is accredited by the Commission on Accreditation of Health Informatics and Information Management in cooperation with the Council on Accreditation of the American Health Information Management Association, www.caahep.org/caahep/. Graduates of the program are eligible and expected to write the national registry examination. Successful completion of the registry examination leads to the Registered Health Information Administrator (RHIA) professional designation.

Safety Program

Web site: www.healthsciences.ilstu.edu/safety/

Degree Offered: B.S.

Safety professionals apply principles drawn from such disciplines as technology, the sciences, management, communication, health, and education to reduce the risk of harm to people, property and the environment. Safety professionals have the knowledge and skills to identify, evaluate, and cost-effectively control or prevent the hazards that can produce harm to people, property and the environment. Successful safety professionals are effective communicators with strong "people skills." Safety professionals are employed in a variety of public and private sector assignments, including manufacturing, insurance, construction, government, and consulting.

New Freshmen, New and Internal Transfer Admission Requirements:

New freshmen, transfer students and internal transfer students (current Illinois State students wanting to change their major) desiring admission to the Safety (SAF) program must meet the admission requirements established by the University. Students currently enrolled at Illinois State who wish to change their major to SAF must have a minimum cumulative GPA of 2.00. Students should see the Department academic advisor for information.

Standards for Progress in the Major:

A minimum cumulative GPA of 2.00 is required for retention in the program. All students should have a projected plan of study completed in consultation with the departmental academic advisor.

Professional Affiliation:

Professional affiliation is with the American Society of Safety Engineers (ASSE), Central Illinois Chapter, Illinois State University student section, www.asse.org/index.html.

MAJOR IN SAFETY

- 48 hours in Health Sciences required.
- Required courses (33 hours): HSC 248, 271, 359, 362, 370, 372, 378, 380, 381, 382, 385.

^{*}Course is a General Education option.

- Professional Practice (9 hours): HSC 398.04.
- Two elective courses selected from the following (6 hours): HSC 272, 383, 384.
- Required courses outside of Health Sciences (10 hours):
 CHE 141: KNR 182: TEC 130.
- Required General Education courses: CHE 140;
 MAT 120; PHY 105 or 108; and one of the following: MQM 100; ECO 138, GEO 138, POL 138, or PSY 138*.
- Recommended electives based on career goals (variable): BSC 160; CHE 220; ENG 145.13 or 249; FIL 250; HSC 145, 156, 247; KNR 181, 282, 342**.
- *NOTE: *HSC 204.02 may be substituted, but is not a General Education course.
- **KNR 181, 182, and 282 are prerequisites for KNR 342.

MINOR IN SAFETY

- 21 hours in Health Sciences required.
- Required courses (6 hours): HSC 271, 381.
- Elective courses selected from the following (15 hours):
 HSC 248, 272, 359, 362, 370, 372, 378, 380, 382, 383, 384, 385.
- Required courses outside of Health Sciences (12-14 hours): CHE 110, 112 or CHE 140; MAT 120; PHY 105 or 108.

Health Sciences Courses

105 MEDICAL TERMINOLOGY

Study of basic language related to medical science and allied health specialties with emphasis on word analysis, construction, definitions, pronunciation, spelling, and standard abbreviations.

145 ENVIRONMENTAL HEALTH PRACTICE

Maj/min or cons inst req. Formerly 245. Introduction to problem-solving and critical thinking tools and skills used in the practice of environmental health.

156 ENVIRONMENTAL HEALTH IN THE 21ST CENTURY: MEETING THE GLOBAL CHALLENGE OC-SMT 3

Inner Core req. Not for cr if had HSC 155.

Application of scientific methods of inquiry to understand environmental problems as they affect public health and personal well-being.

160 INTRODUCTION TO CLINICAL LABORATORY SCIENCE

Profession of Clinical Laboratory Science emphasizing origin, goals, organizational structure, professional requirements, interrelationships with other professions, professional ethics, and considerations for future.

170 SAFETY AND SOCIETY OC-SS 3 Inner Core req.

Examines the impact of the social sciences upon safety and accident prevention. Focuses on cultural influences from a global perspective.

176 INTRODUCTION TO MOTORCYCLE SAFETY

1

Not for cr maj/min.

Classroom and laboratory experiences provide basic knowledge, skills, and techniques necessary for the safe operation of a motorcycle.

190 FOUNDATIONS OF HEALTH EDUCATION

3

Health Ed mai/min only.

The historical and philosophical perspectives of the development of Health Education. A comparison of the major concepts and theories of health and characteristics of health education programs in schools and communities.

200 HEALTH INFORMATION TECHNOLOGY

3

HSC 105, 201 and 210 req. Maj only. Materials charge optional.

Understanding the role and requirements of information technology in health information management.

201 PATHOPHYSIOLOGY I

HSC 105, KNR 181 and 182 req. HCS maj only. Study of human disease processes, including the diagnosis, treatment and management of patients.

202 PATHOPHYSIOLOGY II

3

HSC 201 reg.

Continuation of HSC 201.

204 HEALTH DATA ANALYSIS

3

3

HCS maj only.

Theory and practice of analysis and presentation of data for management and research in the Health Sciences.

208 DYNAMICS OF UNITED STATES CONTEMPORARY HEALTH ISSUES OC-SMT

Inner Core req. MC-IS category req. Also offered as FCS/KNR 208.

Exploration and analysis of current health and lifestyle issues. Emphasis on how individuals, communities and society make health decisions.

210 INTRODUCTION TO HEALTH INFORMATION MANAGEMENT

3

3

HSC 105; KNR 181 and 182 req. Lecture and lab. Materials charge optional.

Introduction of health information management principles, policies and procedures including health data content, collection, quality, registries, access, and retention.

212 HEALTH DATA CLASSIFICATION AND INDEXING SYSTEMS 3

HSC 201 and 210 req.

Introduction to the application of diagnosis and procedure classification systems and indexing systems.

213 ADVANCED APPLICATIONS OF HEALTH DATA CLASSIFICATIONS AND INDEXING SYSTEMS

HSC 202, 212, and 398.03 req.

Application of advanced concepts in classification and indexing systems including quality and performance monitoring.

214 HEALTHCARE CLASSIFICATION SYSTEMS AND REIMBURSEMENT PROCESSES

3

HSC 213 req. Formerly ALTERNATIVE CLASSIFICA-TION SYSTEMS.

Application and analysis of specialized diagnosis and procedure classification systems for healthcare reimbursement processes.

230 LEGAL ASPECTS OF HEALTH INFORMATION AND RISK MANAGEMENT

3

HSC 105 and 210 or cons inst req. Maj only. Review and application of laws, policies, procedures and practices applying to the legal aspects of health information and risk management.

247 WASTE MANAGEMENT PRACTICES 4

MAT 119; CHE 140, 141 req; HSC 145 req. Materials charge optional. Formerly HSC 347.

Sewage, solid, and hazardous waste sources; effects on health and environment, treatment processes, and control measures.

248 OCCUPATIONAL HEALTH

3

CHE 110 and 112 or CHE 140 reg.

Adverse environmental conditions encountered in the workplace affecting the efficiency, health, and well-being of employees.

249 ENVIRONMENTAL TOXICOLOGY

MAT 120 or 145; CHE 140, 141 req; CHE 220 or conc reg req; KNR 182 and HSC 145 req. Formerly HSC 349.

Toxicants such as heavy metals, gases, vapors, dusts, pesticides, food additives, and their effects on health and the environment.

252 WATER QUALITY AND TREATMENT

3

MAT 120 or 145; CHE 140 and 141; HSC 145; BSC 160 or conc reg req. Lecture and lab. Materials charge optional. Formerly HSC 352.

Water quality maintenance for drinking and recreational use; health effects and control measures are considered.

254 CONTROL OF INSTITUTIONAL ENVIRONMENTS

3

CHE 140 req; CHE 141 or conc reg req; HSC 145; BSC 160 or conc reg req. Lecture and lab. Materials charge optional.

Environmental health aspects of hospitals, nursing homes, penal institutions, schools, colleges and universities. Control of physical, chemical and microbiological hazards.

257 AIR QUALITY AND POLLUTION CONTROL

3

CHE 140, 141 req; CHE 220 or conc reg req; MAT 119; KNR 182 or conc reg req; HSC 145 req. Lecture and lab. Materials charge optional. Formerly HSC 357.

Air contaminants found in the ambient air, workplace, and home, including health effects, measurement, and control.

258 EPIDEMIOLOGY

3

MAT 119 req; BSC 160 or 260 or conc reg req; HSC 145 and 204 req.

Principles and methods governing the surveillance and investigation of disease and injury in human populations.

260 INTRODUCTION TO CLINICAL IMMUNOHEMATOLOGY

3

BSC 196, 197, CHE 140 and 141 req; conc reg in HSC 261, 262, 263 req. CHE 220 rec. Maj only; jr standing. Lecture and lab. Materials charge optional. Formerly INTRODUCTION TO THE MEDICAL LABORATORY: IMMUNOHEMATOLOGY AND SEROLOGY.

Basic principles and procedures of immunohematology (blood banking).

261 INTRODUCTION TO CLINICAL HEMATOLOGY

4

BSC 196, 197, CHE 140 and 141 req; conc reg in HSC 260, 262, 263 req. CHE 220 rec. Maj only; jr standing. Lecture and lab. Materials charge optional. Formerly INTRODUCTION TO THE MEDICAL LABORATORY: HEMATOLOGY.

Basic principles of hematology and body fluid analysis.

262 INTRODUCTION TO CLINICAL CHEMISTRY

4

BSC 196, 197, CHE 140 and CHE 141 req; conc reg in HSC 260, 261, 263 req. CHE 220 rec. Maj only; jr standing. Lecture and lab. Materials charge optional. Formerly INTRODUCTION TO THE MEDICAL LABORATORY: APPLIED CLINICAL ANALYSIS.

Basic principles and procedures and of clinical chemistry and urinalysis.

263 INTRODUCTION TO CLINICAL IMMUNOLOGY

3

BSC 196, 197, CHE 140 and CHE 141 req; conc reg in HSC 260, 261, 262 req. CHE 220 rec. Maj only; jr standing. Lecture and lab. Materials charge optional.

Basic principles and procedures of immunology and serology.

271 SAFETY TECHNOLOGY

3

CHE 102 or CHE 110 and 112 or CHE 140; MAT 120 or MAT 121 or MAT 145 req.

Controlling production costs due to accidents. Addresses legislation, worker's compensation, hazard recognition, and safety planning. Includes basic engineering solutions.

272 CONSTRUCTION SAFETY

MAT 120 req.

Addresses employee safety training requirements, record-keeping, hazard recognition, safety inspections, and program planning in the construction industry.

286 NEEDS ASSESSMENT IN HEALTH EDUCATION

3

3

HSC 190 req. Health Ed maj/min only.

Emphasis on procedures which identify Health Education priorities of populations in various settings. Examination of health needs of select populations.

290 STRATEGIES IN

HEALTH EDUCATION

3

HSC 190 req. Computer skills rec. Inc Clin Exp: 5 hrs, Type 1, 3, 5. Maj/min only.

Examination of the educational process, methods, strategies, and techniques in Health Education, communication techniques and current resources.

292 COMMUNITY PUBLIC HEALTH 3

HSC 190 or cons inst req. Maj/min only.

Introduction to community public health at local, state, and national levels. Includes emphasis on community health problems, institutions and resources.

293 PRINCIPLES OF HUMAN DISEASE 3

Health Ed maj/min only. Not for cr if had HSC 297. Emphasis on human disease processes with special focus on cardiovascular and respiratory systems and the implications for health education.

294 DISEASES OF THE HUMAN BODY 3

HSC 293 req. Health Ed maj/min only. Not for cr if had HSC 297.

The course explores human diseases affecting various body systems including the nervous, digestive, reproductive, skeletal and integumentary.

296 CONCEPTS IN HEALTH EDUCATION 3

HSC 190 rea, Mai/min only.

An examination of health determinants, major theories, and models of health behavior. Application to Health Education programming will be emphasized.

3

297 MODERN HEALTH PROBLEMS

Health Ed maj/min only.

Emphasis on recent developments in selected critical health areas and their application to individual health habits and attitudes.

298.03 PROFESSIONAL PRACTICE: HEALTH INFORMATION MANAGEMENT: CLINICAL INTERNSHIP 3

Min grade of C in HSC 200, 202, 212, 230 req. Maj only and cons program director req.

Rotation and project assignments in hospital medical records departments.

300 HEALTH INFORMATION SYSTEMS

HSC 200 req; ENG 145.13 or 249 or conc reg req. Maj only.

Management and analysis of health data using health information systems.

301 INTRODUCTION TO COAGULATION AND HEMOSTASIS

HSC 261 req. Materials charge optional. Formerly 361. Principles and test procedures related to blood coagulation and hemostasis. Correlation of test results in disease states.

302 INTRODUCTION TO CLINICAL BIOCHEMISTRY

HSC 262 or cons inst req. Formerly CLINICAL INSTRUMENTATION; and ADVANCED APPLIED CLINICAL ANALYSIS AND INSTRUMENTATION.

Theory and principles of advanced instrumentation and techniques used in reference, pharmaceutical, and biotechnology laboratories as related to disease diagnosis.

308 INTRODUCTION TO CLINICAL MICROBIOLOGY 4

BSC 260 req. Lecture and lab. Materials charge optional.

Survey of medical microbiology with emphasis on common pathogens. Included are taxonomy, identification, culture methods, procedures and antibiotic susceptibility testing.

310 HEALTH INFORMATION MANAGEMENT SEMINAR

HSC 213, 345 req. Maj only.

Synthesis of program content in preparation for initial employment and the RHIA examination.

312 CLINICAL CHEMISTRY

3

1

HSC 262; BSC 203; MAT 120 or cons inst req. Formerly CLINICAL BIOCHEMISTRY.

Concentrated laboratory instruction and theoretical applications of clinical biochemistry. Current testing procedures, method comparison, and quality assurance are studied.

315 CLINICAL PARASITOLOGY AND MYCOLOGY

2

HSC 308 reg.

General techniques for identification of clinically significant parasites and fungi. Morphology, symptomology, and epidemiology are stressed.

316 CLINICAL LABORATORY SCIENCE: RESEARCH DESIGN

1

HSC 260, 261 and 262 or cons inst req. Formerly CLIN-ICAL LABORATORY SCIENCE: SPECIAL TOPICS.

Research design in clinical laboratory science.

317 CLINICAL HEMATOLOGY 2

HSC 261, 301 reg.

Advanced concepts in Hematology. Clinical correlation of test results and disease are emphasized.

318 CLINICAL MICROBIOLOGY 2

HSC 308 and BSC 260 req.

Comprehensive medical microbiology with emphasis on characterization of less common pathogens, interpretation of clinical data and etiology.

319 CLINICAL

are emphasized.

IMMUNOHEMATOLOGY

3

HSC 260 and BSC 219 or 283 req. Advanced concepts in Immunohematology. Donor criteria, component therapy, transfusion and problem solving

320 ORGANIZATION AND MANAGEMENT OF HEALTH INFORMATION SERVICES

3

HSC 230, 300, 345 and 346; MQM 323 req. Formerly HSC 220. Maj only.

Managerial decision making for planning, organizing, staffing, directing and controlling the functions, operations and resources of a health information department.

322 POLLUTION PREVENTION

HSC 145, 247; MAT 119 req.

Basic methods in pollution prevention as applied to industrial and nonindustrial settings.

325 LABORATORY EDUCATION AND MANAGEMENT

2

3

HSC 260, 261 and 262 or cons inst req.

Foundational concepts of education and management, with emphasis on philosophies, methods and techniques for professional application with practicum.

331 APPLIED CLINICAL LABORATORY MANAGEMENT

HSC 260, 261 and 262 or cons of inst req. Lecture in a clinical setting. May repeat max 3 hrs.

Concentrated instruction in the fundamentals of laboratory management including regulatory, budgetary, personnel and educational issues.

332 APPLIED CLINICAL BIOCHEMISTRY 1-7

HSC 302 req. Lecture and lab in a clinical setting. Concentrated laboratory instruction in clinical biochemistry. Current testing procedures, instrumentation and quality assurance are studied.

333 APPLIED CLINICAL IMMUNOLOGY 1-6

HSC 260 and 308 req. Lecture and lab in a clinical setting. Formerly APPLIED CLINICAL SEROLOGY AND IMMUNOLOGY

Concentrated laboratory instruction in clinical serology and immunology. Current testing procedures, instrumentation and quality assurance are studied.

334 APPLIED CLINICAL URINALYSIS 1-3

HSC 262 reg. Clinical lab only.

Concentrated laboratory instruction in routine and special urinalysis procedures.

335 APPLIED SPECIAL

MICROBIOLOGY

1-6

1-3

HSC 308 req. Lecture and lab in a clinical setting. Formerly APPLIED CLINICAL PARASITOLOGY AND MYCOLOGY.

Concentrated laboratory instruction in the identification of significant pathogens requiring unique identification methods. May include virology, parasitology or mycology.

336 CURRENT ISSUES IN CLINICAL LABORATORY SCIENCE

1

1-6

HSC 260, 261 and 262 or cons inst req. Lecture and lab in a clinical setting.

Current topics and trends in clinical laboratory science. Emphasis on concepts of education and management for professional application.

337 APPLIED CLINICAL

HEMATOLOGY

HSC 261 and 301 req. Lecture and lab in a clinical setting. Formerly HSC 367 CLINICAL HEMATOLOGY.

Concentrated laboratory instruction in clinical hematology and coagulation. Current testing procedures, instrumentation and quality assurance are studied.

338 APPLIED CLINICAL MICROBIOLOGY

1-6

HSC 308 req. Lecture and lab in a clinical setting. Concentrated laboratory instruction in clinical microbiology, including identification of pathogens, culture methods, procedures, antibiotic testing and interpretation of clinical data.

339 APPLIED CLINICAL IMMUNOHEMATOLOGY

HSC 260 req. Lecture and lab in a clinical setting. Concentrated laboratory instruction in blood bank. Current testing procedures, donor collection, preparation of blood components and quality assurance are studied.

340 TRENDS IN HEALTH CARE DELIVERY

3

HSC 210, 212 and 398.03 req. Maj only.

Review of emerging nontraditional and specialized health care facilities including organization characteristics, accreditation standards, regulatory requirements and health information applications.

345 QUALITY MANAGEMENT IN HEALTH CARE

3

HSC 204, 210, and 212 or cons inst req. Maj only. Review and application of strategies to investigate, identify, assess, resolve and monitor performance using health data.

346 HOSPITAL BUDGETING PROCEDURES

3

HSC 212 and 200 or cons inst req. Maj only. Systematic study of hospital planning; coordination of resources and expenditures; reimbursement methods.

350 FOOD PROTECTION

HSC 145; CHE 140 req; CHE 141 or conc reg req; BSC 160 or conc reg req. Lecture and lab. Materials charge optional.

An intensive study of the laws, principles, and techniques applied in the protection of food and milk for human consumption.

355 ENVIRONMENTAL HEALTH DECISION PROCESSES

2

HSC 145 and 156 req. Sr maj in Env Health Program or cons inst req.

Intensive study of the decision making techniques, organizational structure, interagency relationships, program methodologies, and legal aspects of environmental health practice.

359 INDUSTRIAL HYGIENE

HSC 248; MAT 120 or 145 req. Lecture and lab. Materials charge optional.

Techniques for measurement, evaluation, and control of chemical and physical hazards in occupational environments.

362 ERGONOMICS 3

HSC 248 or 271 and PHY 105 or 108 req. Lecture. Formerly HSC 462.

Overview of physical and psychological aspects of ergonomics, including workstation design, its role in accident causation, and ergonomic-related injuries and illnesses.

370 INDUSTRIAL SAFETY

3

HSC 271, PHY 105 or 108 req. Formerly INDUSTRIAL ACCIDENT PREVENTION.

Principles, responsibilities, and techniques for developing, organizing, implementing, and administering an industrial safety program.

372 ACCIDENT/INCIDENT INVESTIGATION, RECORDS, AND EVALUATION

3

PHY 105 or 108; HSC 271 or conc reg req.

Theory, function and application of accident/incident investigation, reporting, and analysis systems. Form design, utilization and record keeping procedures.

378 DISASTER PREPAREDNESS

CHE 110 and 112 or CHE 140; MAT 120 or cons inst req. Organizing, directing, coordinating disaster services in schools, industry, and local government. Includes a hands-on disaster exercise.

380 FIRE PROTECTION AND PREVENTION

HSC 370 or conc reg req.

Measures related to safeguarding human life and preservation of property in prevention, detection, and suppression of fire.

381 OCCUPATIONAL SAFETY AND HEALTH ACT (OSHA)

Jr/Sr standing; or cons inst req.

Interpretation of the provisions of the Occupational Safety and Health Act; the regulations, standards, and reporting requirements pursuant to it.

382 IMPROVING SAFETY

PERFORMANCE

HSC 370; MQM 100 or ECO/GEO/POL/PSY 138 req. Formerly SAFETY PERFORMANCE CONTROL.

Development of specialized knowledge and skills in problemsolving; evaluation and implementation of occupational safety programs.

383 AGRICULTURAL SAFETY AND HEALTH

CHE 110 or 140, or cons inst req. Half-day field trip req. Also offered as AGR 383. Formerly AGRICUL-TURAL ACCIDENT PREVENTION.

Major problems of accident causation and prevention applicable to agriculture and the need for farm safety education, engineering, and enforcement of countermeasures.

384 HAZARDOUS MATERIALS REGULATION

3

CHE 220; HSC 271 reg.

Overview of federal and state safety and environmental regulations dealing with hazardous materials in the workplace and community.

385 SYSTEM SAFETY

HSC 204 or MQM 100 or ECO/GEO/POL/PSY 138 reg. Formerly SYSTEM SAFETY MANAGEMENT AND ENGINEERING.

Risk and life cycle concept. Application of inductive and deductive analytical techniques for hazard identification and risk assessment.

387 PROGRAMS IN SCHOOL HEALTH

HSC 290 and 292 req.

Comprehensive school health education with major topics of health education, school health programs, and school community collaboration.

390 DRUGS IN SOCIETY

3

Health Ed maj/min only. Jr/sr standing req.

Psychological, social, medical, legal, and economic aspects of use, misuse, and abuse of substances will be explored along with the implications for education and prevention.

391 CURRICULUM AND EVALUATION IN SCHOOL HEALTH

2-3

HSC 290 reg. Adm to Professional Studies reg. Health Ed maj req to take 3 hrs in spring; Incl Clin Exp: 35 hrs, Type 1,2,4. Health Ed minor and other teaching maj enroll for 2 hrs in fall. Formerly 288, SCHOOL HEALTH.

School health education standards, curriculum development and evaluation, student assessment and accommodation for student with special needs.

394 HEALTH ASPECTS OF AGING

Also offered as FCS/KNR 394.

Characteristics of the aging process and factors influencing adaptation and the quality of living.

395 MEDIA AND MATERIALS IN HEALTH EDUCATION

3

3

3

HSC 286 and 290 reg. HSC maj only.

Analysis and development of print and non-print materials and their use by health educators.

396 HEALTH EDUCATION PROGRAM PLANNING AND EVALUATION

HSC 286 and 290 req. HSC maj only.

Theory and application of Health Education planning and promotion. Grantsmanship and evaluation will be emphasized.

398.01 PROFESSIONAL PRACTICE: ENVIRONMENTAL HEALTH INTERNSHIP

3-12

Cons program dir req. May be repeated; max 12 hrs. Internship in a governmental, industrial, or institutional organization, providing on-the-job training and introduction to a career in environmental health.

398.02 PROFESSIONAL PRACTICE: INTERNSHIP IN HEALTH **EDUCATION**

2.50 maj GPA; HSC 395 and 396 reg.

Extended in-service experience under the guidance of qualified personnel in Health Education.

398.03 PROFESSIONAL PRACTICE: HEALTH INFORMATION MANAGEMENT: MANAGEMENT INTERNSHIP

Min grade of C in all maj courses. Maj only and cons program director req. Evidence of health insurance and professional liability insurance req.

Application of advanced Health Information Management skills in a health related setting geared towards the career interests of the students.

398.04 PROFESSIONAL PRACTICE:

HSC 248, 271, 359, 381 and 6 hrs from HSC 272, 362, 370, 372, 378, 380, 382, 383, 384, 385 reg. Sr standing; 2.00 maj and cum GPA req. Safety majors only. Formerly PROFESSIONAL PRACTICE: INTERNSHIP IN SAFE-TY and PROFESSIONAL PRACTICE: IN SAFETY.

Structured safety work experience under the supervision of an experienced safety professional in a business, industry, or government setting, with oversight by a Safety faculty member. Provides a capstone experience for Safety majors.

128

Health Sciences; Information Technology

398.21 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE:

SPECIAL STUDIES

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

398.22 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE: BIOCHEMISTRY 2

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

398.23 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE: SEROLOGY 1

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

398.24 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE: URINALYSIS AND BODY FLUIDS 1

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

398.27 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE: HEMATOLOGY 2

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

398.28 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE: MICROBIOLOGY 4

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

398.29 PROFESSIONAL PRACTICE: CLINICAL LABORATORY SCIENCE: IMMUNOHEMATOLOGY 2

HSC 260, 261, 262, 263, 301, 302, 308 req. Primarily for students completing the B.S. req through clinical study standard track.

Structured, off-campus clinical laboratory experience under the guidance of qualified Clinical Laboratory Scientists. Students receive individualized training and practicum to develop professional attitudes, competencies and analytical skills.

INFORMATION TECHNOLOGY (ITK) 515

202 Old Union, (309) 438-8338 Web address: www.cast.ilstu.edu/itk/

Director: Terry Dennis.

Tenured/Tenure-track Faculty:

Professors: Beccue, Crow, Dennis, Gyires, Lim, Vila-Ruiz,

Zant

Associate Professors: Califf, Rariden.

Assistant Professors: Chou, Hosack, Jong, Li, Mahatanankoon, Portegys, Qaddour, Sagers, Twitchell, Wallace, Wolf.

General School Information

The School of Information Technology (ITK) offers three degree programs: Information Systems, Computer Science, and Telecommunications Management. All three require substantial interpersonal communication skills as well as technical skills in computing, information technology and networks. The curricula have a strong practical emphasis on the application of computers, systems, and networking techniques to real world problems. Practical skills and applications are balanced with exposure to the knowledge base that underlies the field of computing. A core of 3 courses (10 hours) provides a common foundation for each degree program.

Both the Information Systems and Computer Science programs prepare a student for an application development oriented computing career, but, there are important differences in the context of the work to be performed, the types of problems to be solved, and the types of systems to be designed and built. Starting positions for either program include such job titles as programmer or programmer/analyst. The Telecommunications Management program prepares undergraduate students to enter the telecommunications industry in entry-level positions with adequate preparation to assume management positions once work experience is gained.

Department minors are intended to help majors in other departments focus on specific skills and electives which are relevant for their career needs. Minors are available in Information Systems and in Computer Science.

Academic Requirements:

For any student who enrolls in a course in the School of Information Technology, a grade of C or higher is

required in all prerequisite courses. For majors, only courses in which the student has received a grade of C or higher may be counted toward the hours required in the major, including supporting requirements.

A student cannot pursue a double major in any two programs in the School of Information Technology. Also, a student cannot pursue both a major and a minor in Information Technology.

Admission Requirements:

A student may enter a major or minor in the School of Information Technology as a new freshman, a transfer student, or as a change of major at Illinois State University. Students should contact the Information Technology undergraduate advisor or University Admissions for minimum admission requirements.

Transfer Students:

Proficiency with the Java programming language is expected in 200-and 300-level Information Technology courses and usually obtained by completing ITK 168 or 177 and one of 178, 179, 277; or ITK 275.

HONORS IN INFORMATION TECHNOLOGY

The School offers honors work in all programs to highly qualified juniors and seniors. Candidates must have a 3.30 overall GPA and a 3.50 GPA in Information Technology. Honors requirements involve honors course work and the preparation of a substantial research paper or the completion of a significant application project prepared under the guidance of a faculty advisor. For further information contact the Director of Honors.

PROFESSIONAL PRACTICE

Each degree program requires a practical experience that may be satisfied by a directed project or an internship. An internship experience is the usual way for students to satisfy this requirement. ITK 191 (1 hour) is required and prepares students for fulfilling this requirement. It is recommended that ITK 191 be taken by the sophomore year.

Each directed project or internship requires the prior approval of the Information Technology Professional Practice Advisor.

The six (6) hours of Professional Practice credit counted toward the major will be graded. Any additional Professional Practice credit will be earned on a CR/NC basis. A maximum of 16 hours of Professional Practice credit (ITK 391, 398) may be applied toward graduation. Students may not register for ITK 398 during the last semester of their studies.

MINOR IN COGNITIVE SCIENCE

The School of Information Technology participates in the Minor in Cognitive Science program. Several courses offered by the School contribute to the minor. For further information, please consult the School undergraduate advisor as well as the section entitled "Minor in Cognitive Science" under University-Wide Curriculum in this *Undergraduate Catalog*.

Information Systems Programs

Degree Offered: B.S.

MAJOR IN INFORMATION SYSTEMS

The Information Systems (IS) Major is designed to prepare professionals in Information Systems including such areas as systems analysis and design and software engineering. This degree focuses on the use of computer technology and information management methods to solve business problems. This requires an understanding of both the organizational context of the problem and the technologies, methodologies, and tools typically utilized. There are three sequences within this program: the Systems Development/Analyst Sequence, the Web Application Development Sequence, and the Information Assurance and Security Sequence. The Analyst sequence provides breadth and depth in analysis and design techniques preparing students to work in a variety of information technology environments, while the Web sequence emphasizes the development of Web/Internet-based business information systems. The Information Assurance and Security Sequence is designed to give students the knowledge and tools necessary for protecting information and information systems. The Information Systems program is accredited by the Computing Accreditation Commission (CAC) of the Accreditation Board for Engineering and Technology (ABET).

Preparation for Graduate Study:

The Information Systems major offers excellent preparation for a number of computer and management information systems master's programs. Students interested in an MBA program may want to combine this major with a Business Administration minor. Any student interested in graduate school should discuss options with faculty and an academic advisor during their junior year.

Information Assurance and Security Sequence:

The Information Assurance and Security Sequence is designed to give students the knowledge and tools necessary for protecting information and information systems. The sequence provides education for protecting the confidentiality, availability, and integrity of information using technology, people, and policy.

Information Technology courses (45 hours):

Information Technology core (10 hours):

—ITK 160, 177, 261.

Practical Experience (7 hours):

— ITK 191.

—1 of 3 options:

130

Information Technology

- 6 hours of ITK 398, or
- 3 hours of ITK 391 and 3 hours of ITK 398, or
- 3 hours of ITK 391 and 1 course from ITK 353, 368, 373, 380 (if not used to satisfy other requirements).

Other ITK course requirements (28 hours):

- —ITK 178, 254, 350, 351, 363, 375, 377, 378.
- —1 course from: ITK 353, 368, 373, 380 (if not already used).

Supporting requirements (33 hours):

Mathematics and Statistics (11 hours):

- —MAT 120 or 145, 160.
- —1 statistics course, e.g. MQM 100; ECO/GEO/POL/PSY 138.

Communication and Organization (22 hours):

- —ACC 131; COM 223; ECO 105; MQM 220.
- —1 course from: COM 202, 227; ENG 249.
- —2 from: ACC 132; FIL 185, FIL 240; MKT 230, ECO 225 or 239 or 245.

Systems Development/Analyst Sequence:

The Systems Development/Analyst Sequence is designed for the student who will seek a position as an Information Systems professional developing business-oriented information systems. This sequence provides depth in analysis and design techniques along with electives in emerging technologies. A minor is not required.

Information Technology courses (46 hours):

Information Technology core (10 hours):

-ITK 160, 177, 261.

Professional Practice (7 hours):

- ITK 191.
- —1 of 3 options:
 - 6 hours of ITK 398, or
 - 3 hours of ITK 391 and 3 hours of ITK 398, or
 - 3 hours of ITK 391 and 1 course from ITK 341, 346, 352, 353, 365, 367, 368 (if not used to satisfy other requirements).

Other ITK course requirements (29 hours):

- ITK 178, 254, 272, 363, 372, 375, 378.
- —2 additional courses from: ITK 341, 346, 350, 352 or 353, 365, 367, 368 (if not already used).

Supporting requirements (33 hours):

Mathematics and Statistics (11 hours):

- -MAT 120 or 145, 160.
- —1 statistics course, e.g. MQM 100; ECO/GEO/POL/PSY 138.

Communication and Organization (22 hours):

- -COM 223; ACC 131; ECO 105; MQM 220.
- —1 course from: COM 202, 227; ENG 249.
- —2 from: ACC 132; FIL 185, FIL 240; MKT 230, ECO 225 or 239 or 245.

Web Application Development Sequence:

The Web Application Development Sequence is designed to give students a background for developing information systems in a Web/Internet-based environment. This

sequence provides depth in Web development techniques and supporting technologies, along with related emerging technologies. A minor is not required.

Information Technology courses (45 hours):

Information Technology core (10 hours):

—ITK 160, 177, 261.

Professional Practice (7 hours):

- --ITK 191.
- -1 of: 3 options:
 - 6 hours of ITK 398, or
 - 3 hours of ITK 391 and 3 hours of ITK 398, or
- 3 hours of ITK 391 and 1 course from ITK 341, 367, 368.03 (if not used to satisfy other requirements).

Other ITK course requirements (28 hours):

- —ITK 178, 254, 272, 352, 353, 375, 377, 378.
- —1 additional course from: ITK 341, 367, 368.03 (if not already used).

Supporting requirements (33 hours):

Mathematics and Statistics (11 hours):

- -MAT 120 or 145, 160.
- —1 statistics course, e.g. MQM 100; ECO/GEO/POL/PSY 138.

Communication and Organization (22 hours):

- ---COM 223; ACC 131; ECO 105; MQM 220.
- —1 course from: COM 202, 227; ENG 249.
- —2 from: ACC 132; FIL 185, FIL 240; MKT 230;ECO 225 or 239 or 245.

MINOR IN INFORMATION SYSTEMS

The Information Systems Minor is designed for people who will use computers as tools in their chosen profession or provide limited computer support for their work group, but not be computing professionals. The Application Development Concentration is a general information systems minor requiring the ITK core plus two elective courses.

Minor (22 hours):

Required core (10 hours):

--ITK 160, 177, 261.

Concentration (12 hours):

Application Development:

- -ITK 178, 254.
- —1 course from: ITK 341, 352, 353, 365, 367, 368, 375, 378.
- —1 additional ITK 200 or 300-level course (at least 3 hours).

Computer Science Programs

Degree Offered: B.S.

MAJOR IN COMPUTER SCIENCE

This degree is designed for students who wish to pursue a comprehensive study of computer science that blends theory, abstraction, and design in a variety of traditional and current areas. Graduates will be prepared to work for a variety of companies including those that have a scientific, engineering, or mathematical focus. It would also prepare students to pursue graduate studies in Computer Science. The Computer Science program is accredited by the Computing Accreditation Commission (CAC) of the Accreditation Board for Engineering and Technology (ABET).

Computer Science courses (47 hours):

Computer Science core (10 hours):

--ITK 160, 168, 261.

Professional Practice (7 hours):

- --ITK 191.
- —1 of: 3 options:
 - 6 hours of ITK 398, or
 - 3 hours of ITK 391 and 3 hours of ITK 398, or
 - 3 hours of ITK 391 and 1 course from ITK 326, 340, 341, 352, 353, 356, 367, 375, 378, 382, 384,385, 388 (if not used to satisfy other requirements).

Other ITK course requirements (30 hours):

- --ITK 179, 225, 279, 327, 328, 383.
- -2 of: ITK 326, 340, 356, 384, 388.
- —2 additional courses from: ITK 326, 340, 341, 352, 353, 356, 367, 375, 378, 382, 384, 385, 388 (if not already used).

Supporting requirements (36-38 hours):

Mathematics and Statistics (15-16 hours):

- -MAT 145, 146, 260.
- —1 course from: MQM 100; MAT 350.

Communication (6 hours):

— COM 223: ENG 249.

Science (15-16 hours):

- —1 pair of: CHE 140, 141; or PHY 110, 111.
- —2 additional courses from: BSC 196, 197; CHE 140, 141; PHY 110, 111, 112, 375.

The Computer Science program does not require a minor but does require 36 to 38 hours in the supporting areas of mathematics, science, communication and organization.

Preparation for Graduate Study:

The Computer Science major should be elected by those students interested in traditional Computer Science graduate programs. Any student interested in graduate school should discuss options with faculty and an academic advisor during the junior year.

MINOR IN COMPUTER SCIENCE

This minor provides a solid foundation for using the computer as a tool in any discipline and may be of particular interest to majors in mathematics or the natural sciences. It provides an opportunity for students to gain knowledge in a specialized area such as graphics, parallel processing, or artificial intelligence.

Minor (22 hours):

Required core (10 hours):

--ITK 160, 168, 261.

Concentration (12 hours):

- —ITK 179, 225, 279.
- —1 course from: ITK 327, 328, 340, 341, 352, 356, 384, 388.

Telecommunications Management Programs

Degree Offered: B.S.

MAJOR IN TELECOMMUNICATIONS MANAGEMENT

Telecommunications Management is concerned with information systems, telecommunications technology, computer technology, business practices, policy issues, and psychological/social considerations involved in voice, data, image, and facsimile transmission. This multidisciplinary program prepares undergraduate students to enter the telecommunications industry in entry-level positions with adequate preparation to assume management positions once work experience is gained. Graduates will possess an in-depth technical understanding of computer networks and telecommunication systems as well as an appreciation of the economic and public policy issues that are important in the design and development of local and wide area networks, and national and multinational telecommunication systems. A minor is not required.

Major courses (57 hours):

Information Technology core (10 hours):

-ITK 160, 177, 261.

Professional Practice (7 hours):

- -ITK 191.
- -1 of: 3 options:
 - 6 hours of ITK 398, or
 - 3 hours of ITK 391 and 3 hours of ITK 398, or
- 3 hours of ITK 391 and 1 course from ITK 351, 353, 374, 378, 380, 382 (if not used to satisfy other requirements).

Telecommunications Technology (27 hours):

- —ITK 254, 277, 373, 375, 377, 379.
- -TEC 383.
- —2 additional courses from: ITK 351, 353, 374, 378, 380, 382 (if not already used).

Economic, Legal, Public Policy (13 hours):

- -ECO 105, 235.
- —1 course from: FIL 311, 312; POL 318.
- —1 course from: MQM 221; PSY 230.

Supporting requirements (29 hours):

Mathematics and Statistics (11 hours):

- —1 course from: MAT 120 or 145.
- —1 course from: MAT 146 or 160.
- —1 course from: MQM 100; ECO/GEO/POL/PSY 138.

Communication and Organization (15 hours):

- —1 course from: ENG 249; COM 202, 227.
- —ACC 131; COM 223; FIL 185; MQM 220.

Ethics (3 hours):

—PHI 234.

Information Technology Courses

Most Information Technology courses are restricted to students with majors or minors within the School of Information Technology. Some Information Technology courses may not be offered every year. Contact the School of Information Technology undergraduate advisor for the current schedule of offerings.

115 REASONING ABOUT COMPLEX SYSTEMS

MC-OR 3

MAT 113, 120, or 145 req. May not be taken under the CT/NC option.

Systems theory applied to complex systems. Design, construction, uses, and analysis of simulations for complex systems.

140 INTRODUCTION TO THE COMPUTER WORLD

3

Not for cr ITK maj/min.

A nontechnical course designed to develop effective computer users and to acquaint the students with the impact of computers on the person and society. Internet experience. No previous computer experience or mathematics requirements necessary.

150 USING MICROCOMPUTER PRODUCTIVITY TOOLS

3

Not for cr if had BTE 125. Not for cr ITK maj/min. Lecture and lab.

Introduction to typical microcomputer-based productivity tools such as word processing, spreadsheets, databases, and presentation graphics.

155.01 INTRODUCTION TO MICROCOMPUTERS

3

Not for cr ITK maj/min, or if had ITK 155.02 or 254. Lecture and lab.

Introduction to microcomputers and programming, with general and business applications emphasized. Visual Basic programming.

155.02 INTRODUCTION TO MICROCOMPUTERS

3

Not for cr ITK maj/min, or if had ITK 155.01 or 254. Lecture and lab. Materials charge optional.

Introduction to microcomputers and programming, with scientific and technical applications emphasized. BASIC and machine language programming including I/O, elementary files, application software, and hardware and software evaluation.

160 FOUNDATIONS OF INFORMATION TECHNOLOGY

Reg as the first course in the ITK maj.

Concepts of computer-based systems; computer hardware, software, and organizational environments; system categories, delivery modes; systems development methods; career opportunities, responsibilities.

165 COMPUTER PROGRAMMING FOR SCIENTISTS

4

C or better in MAT 145 req. Not for cr ITK maj/min. Lecture and lab.

Introduction to computer programming emphasizing numerical algorithms for scientific applications. Problem analysis and operating system concepts included.

168 STRUCTURED PROBLEM-SOLVING USING THE COMPUTER

4

MAT 104 or high school equiv req. Rec as 1 of the first courses in the CS maj. Lecture and lab.

Introduction to the development of algorithms for computer systems processing. Emphasis on structured problem solving and the design of problem solutions.

177 PROBLEM SOLVING FOR INFORMATION TECHNOLOGY 4

MAT 104 or high school equiv req. Rec as 1 of the first courses in IS/TCM maj. Lecture and lab. Formerly ITK 189.02. Not for cr if had ITK 168.

Introduction to algorithm development for computer systems processing emphasizing end-user needs, problem solving, and object-oriented programming techniques.

178 COMPUTER APPLICATION PROGRAMMING

3

C or better in ITK 177 or cons dept advisor req. Not for cr if had ITK 169 or 275.

The design, development, and implementation of computer application systems, including files and GUI.

179 INTRODUCTION TO DATA STRUCTURES

3

C or better in ITK 168 or cons dept advisor req. Not for cr if had ITK 169 or 275.

Intermediate computer programming, including elementary data structures such as linked lists, stacks, queues, binary trees.

191 INTRODUCTION TO ITK PROFESSIONAL PRACTICE

1

C or better in ITK 160 and 168 req. Maj only. Researching available positions, interpreting job descriptions, interview skills, preparing a resume, benefits of a Professional Practice experience.

208 INFORMATION AND DATABASE ACCESS

3

C or better in ITK 150, 155, or 160 req.

Techniques for retrieving, displaying and reporting data from databases; importing data to/from other software tools; creating simple databases.

214 SOCIAL, LEGAL, AND ETHICAL ISSUES IN INFORMATION TECHNOLOGY OC-SMT 3

Inner Core req. MC-IS category req.
Study of personal, societal, legal, and ethical issues raised by the effects of information technology.

225 COMPUTER ORGANIZATION

3

C or better in ITK 179 req. Maj/min only or cons dept advisor req. Formerly ITK 325.

Introduction to computer organization, internal representation of instructions and data, and interaction between software and hardware components.

254 HARDWARE AND SOFTWARE CONCEPTS

3

C or better in ITK 160 and 177 req. Maj/min only or cons dept advisor req.

Overview of nature and interrelationships of computer architectures, hardware, operating systems, data types, programming languages, application development facilities, networks, communications.

261 SYSTEMS DEVELOPMENT I

C or better in ITK (178, 179, or 277) and ITK (254 or 225 or conc reg) req. Maj/min only or cons dept advisor rea

Information systems development, development methodologies, analysis and design techniques and tools, relational database concepts.

272 COBOL AS A SECOND LANGUAGE 4

C or better in ITK 178 req. Not for cr if had ACC 366. Maj/min only or cons dept advisor req.

COBOL language for students with substantial programming experience in another language. Emphasizes structured problem-solving and programming.

275 JAVA AS A SECOND LANGUAGE 4

Not for cr if had ITK 169, 178, 179, or 277. 2-sem seq in a high-level programming language req. Maj/min only or cons dept advisor req. Formerly C ++ AS A SECOND LANGUAGE.

Intensive study of the Java programming language for students with previous programming experience.

277 PROGRAMMING FOR TELECOMMUNICATIONS

3

C or better in ITK 177 or cons dept advisor req. Formerly ITK 355 MICROCOMPUTER APPLICATION AND DESIGN. Not for cr if had ITK 169 or 275.

Network programming based on TCP/IP and other communications protocols. Emphasis is on multi-tier and collaborative applications.

279 ALGORITHMS AND DATA STRUCTURES

allel algorithms.

3

C or better in ITK 179 req. MAT 160 or 260 or conc reg in MAT 260 req. Maj/min only or cons dept advisor req. Data structures, algorithms, mathematical foundations of computer science. Topics include lists, trees, graphs, sorting, searching, correctness, computational complexity, par-

306 BUILDING APPLICATIONS SYSTEMS

3

C or better in ITK 261 req. Not for cr if had ACC 368. Maj/min only or cons dept advisor req.

Creating applications using end user development tools; prototyping; human/software interface design; end user development issues.

326 PRINCIPLES OF SOFTWARE ENGINEERING

3

C or better in ITK 179 and 261 req. Offered alternate years. Maj/min only or cons dept advisor req.

Fundamentals of software engineering. Topics include specification models, metrics, design fundamentals, interface design, quality assurance, and automated tools.

327 CONCEPTS OF PROGRAMMING LANGUAGES

3

C or better in ITK 179 req. Maj/min only or cons dept advisor reg.

Survey of pragmatic, syntactic and semantic structure of programming languages. Procedural, logic-oriented, object-oriented and other contemporary languages included.

328 INTRODUCTION TO THE THEORY OF COMPUTATION

3

C or better in ITK 279 req. Maj/min only or cons dept advisor req.

Basic concepts in computing theory. Topics include recursive definitions, regular expressions, transition graphs, automata, nondeterminism, grammars, parsing, decidability, Turing machines.

340 INTRODUCTION TO ARTIFICIAL INTELLIGENCE

3

C or better in ITK 279 req. Maj/min only or cons dept advisor req.

Introduction to concepts in artificial intelligence, including: knowledge representation, heuristic search, neural networks, planning algorithms, natural language, and machine learning.

341 OBJECT-ORIENTED SYSTEM DEVELOPMENT

3

C or better in ITK (178 or179) and 261 req. Maj/min only or cons dept advisor req.

Main concepts of object-oriented technology and a comprehensive methodology for system development. Object-oriented analysis, design, and implementation including object-oriented databases.

346 KNOWLEDGE ENGINEERING 3

C or better in ITK 261 req. Offered alternate years. Maj/min only or cons dept advisor req.

In-depth study of knowledge-based systems and the knowledge engineering process; use of expert systems tools to construct applications.

350 FUNDAMENTALS OF INFORMATION ASSURANCE AND SECURITY 3

C or better in ITK 261 req.

Fundamental concepts in information assurance and security including modeling, planning, risk management, security technology, cryptography, people, and physical security.

351 DATA COMMUNICATIONS SECURITY 3

C or better in ITK 375 or cons dept advisor req.

This course is about ensuring the security of data being stored, processed and transmitted by computing systems and networks.

352 MULTIMEDIA TECHNOLOGY APPLICATIONS

3

C or better in ITK 261 req. Maj/min only or cons dept advisor req.

Practical principles, methods, and tools for the design and development of multimedia applications; authoring languages; multimedia technology hardware and trends.

353 WEB DEVELOPMENT TECHNOLOGIES

3

C or better in 261 req. Maj/min only or cons dept advisor rea

Web concepts, infrastructure, development technologies, multi-tiered program design and implementation, and current issues and trends.

354 ADVANCED WEB APPLICATION DEVELOPMENT

C or better in ITK 353 reg.

Theory and practice of state-of-the-art technologies for application development for the Web including service-oriented and mobile systems.

356 INTRODUCTION TO COMPUTER GRAPHICS

3

ITK 279 or conc reg req. Maj/min only or cons dept advisor rea.

Graphics Systems: hardware, software, people. 2-D and 3-D. Algorithms: lines, curves, polygons, surfaces, transformations. Applications: presentation graphics, packages.

363 SYSTEMS DEVELOPMENT II

C or better in ITK 261 reg. C or better in COM 223 req. Maj/min only or cons dept advisor req.

Emphasis on analysis and design techniques and tools, project communication, systems development methodologies, interface design. Systems development team project.

365 SYSTEMS DEVELOPMENT TOOLS AND ISSUES

C or better in ITK 261 req. Maj/min only or cons dept

Modern systems development tools, implementation issues related to modern tools, techniques, and methodologies; emerging type of systems being developed.

367 DESIGNING THE USER INTERFACE

C or better in ITK 261 req. Maj/min only or cons dept advisor req.

Human factors issues in developing information systems: task analysis, user interface design guidelines, psychological principles, prototyping interfaces, and user evaluation.

368 TOPICS IN INFORMATION SYSTEMS

Jr/sr standing req. Preregs vary with topic chosen. May be repeated if content different. Maj/min only or cons dept advisor req.

Advanced topics in information systems, including systems analysis, design, systems development and Web development.

371 SIMULATION AND ANALYSIS OF INTERNET APPLICATION **PERFORMANCE**

C or better in ITK 375 reg.

Performance prediction and simulation-modeling methods and techniques in the design and proactive management of Internet applications.

372 EXTERNAL DATA STRUCTURES

C or better in ITK 254 and 272 req. Maj/min only or cons dept advisor req.

External file design, VSAM, IBM utilities and sort/merge, basic concepts of IBM/MVS operating systems, and extensive study of JCL.

373 WIDE AREA NETWORK INFRASTRUCTURES

3

C or better in ITK 375 req. Maj/min only or cons dept

Design, configure, operate, and use Wide Area Networks and network applications. Emphasizes hands-on use of network design tools.

374 TOPICS IN

TELECOMMUNICATIONS

Jr/sr standing req. Prereq vary with topic chosen. May be repeated if content different. Maj/min only or cons dept advisor req.

In-depth study of a topic in telecommunications such as emerging technologies, network administration, network management architectures, and wireless communications.

375 DATA COMMUNICATIONS

C or better in ITK (178, 179 or 277) and (254 or 225) req. Maj/min only or cons dept advisor req.

Hardware and software used in data communications and networking. Network types, architectures, protocols and standards. Local area and packet networks.

377 PRACTICAL TELECOMMUNICATIONS NETWORKING

C or better in ITK 375 req. Maj/min only or cons dept advisor req.

Design, configure, operate and use local area networks, network applications, and wide area network concepts. Emphasizes hands-on use of a network operating system.

378 DATABASE PROCESSING

C or better in ITK 261 req. Maj/min only or cons dept

Database concepts, emphasis on relational databases, SQL, data modeling, database design, DBMS functions, database application programming, current trends, design project.

379 TELECOMMUNICATIONS NETWORK OPERATIONS

AND MANAGEMENT

C or better in ITK 377; ECO 235; TEC 383; MOM 220 reg. Maj/min only or cons dept advisor reg.

Overview of process of operating and managing large scale telecommunications networks; capstone course for Telecommunications Management major.

380 WIRELESS COMMUNICATION **SYSTEMS**

3

3

C or better in ITK 375 or cons dept advisor req. The theory and practice of wireless telecommunications systems. Emphasis is on application, design, and analysis of wireless systems.

382 DISTRIBUTED SYSTEMS

C or better in ITK (179 or 277) and (225 or 254) and 261 req. Offered alternate years. Maj/min only or cons dept advisor reg.

Overview of distributed systems including system architectures, models, distributed operating systems, distributed algorithms, distributed databases, distributed objects, issues and trends.

383 PRINCIPLES OF OPERATING SYSTEMS

C or better in ITK 179 and 225 req. Maj/min only or cons dept advisor req.

Functional criteria for operating system design. Job management, task management, data management, resource allocation and dump and trace facilities.

384 COMPUTER ARCHITECTURE

C or better in ITK 225 req. Maj/min only or cons dept advisor reg.

Modern computer system design methodologies, techniques used in high-performance computing systems, multiprocessor architectures and interconnection networks, storage systems, and performance evaluations.

385 TOPICS IN COMPUTER SCIENCE

Jr/sr standing req. Prereq vary with topic chosen. May be repeated if content different. Offered alternate years. Maj/min only or cons dept advisor req.

In-depth study of a topic such as compiler design, artificial intelligence, programming language and digital logic design.

388 INTRODUCTION TO PARALLEL PROCESSING

C or better in ITK 225; conc reg in ITK 279 reg. Offered alternate years. Maj/min only or cons dept advisor rea.

Study of parallel processors and their software environments. Students will write programs for several parallel computers.

391 DIRECTED PROJECT IN INFORMATION **TECHNOLOGY**

Sr standing and C or better in ITK 191 and 377 or 378 or 383 reg. By application and prior approval of ITK Prof Pract Advisor only. Maj only. May be repeated; max 16 hrs combined cr in ITK 298, 391 and 398.

Team design and/or implementation of a modest-sized computer-based system in a live environment under faculty supervision.

398 PROFESSIONAL PRACTICE: IN INFORMATION TECHNOLOGY

C or better in 191 req. By application and prior approval of ITK Prof Pract Advisor only. Maj only. Max 16 hrs cr in Prof Pract.

398.50 PROFESSIONAL PRACTICE: COOP I IN INFORMATION TECHNOLOGY 1-6

Maj only. May be repeated; max 6 hrs.

398.60 PROFESSIONAL PRACTICE: COOP II IN INFORMATION TECHNOLOGY

CR/NC basis only. May be repeated. Conc reg in ITK 398.50. Maj only.

KINESIOLOGY AND RECREATION (KNR) 512

214 Horton, (309) 438-8661

Web address: http://www.kinrec.ilstu.edu/

Director: David Q.Thomas.

Tenured/Tenure-track Faculty:

Professors: Brown, Groves, Lacy, McCaw, Thomas, Verner. Associate Professors: Amorose, Coleman, Garrahy, Klitzing, Lagally, McLoda, Schlatter, Smith.

Assistant Professors: Beggs, Cox, Elkins, Gilbert, Henninger,

Hurd, Laudner, Martin, McEvoy.

General School Information

Admission/Retention Requirements:

A student may be admitted to the Athletic Training Major, Exercise Science Major, Physical Education Teacher Education Major or the Recreation and Park Administration Major as a new freshman, as a transfer student, or as a change of major at Illinois State University. New freshmen who meet the University's admission standards may elect to become a major in the School of Kinesiology and Recreation. GPA requirements for transfer student admissions are the same as the Change of Major (within Illinois State). Applications for prospective majors are available in the School academic advisement office.

Retention of students will be determined by the student's cumulative GPA and other specified criteria required for the major. All courses required in each major must be completed with a grade of C or better.

HONORS IN KINESIOLOGY AND RECREATION

Majors in the School of Kinesiology and Recreation with superior academic records are invited to apply for admission to the School Honors Program. The program provides an opportunity for a scholastically gifted student to pursue personal interests through an independent honors project. Students successfully completing the Honors Program will receive the designation of Honors in Kinesiology and Recreation upon graduation. The student's official academic transcript and diploma will be so noted.

Admission Requirements:

- Be a declared Athletic Training, Physical Education Teacher Education, Exercise Science, or Recreation major with at least 30 and not more than 90 hours of course work completed, including at least 6 hours of KNR courses.
- Have a minimum 3.30 overall GPA.
- Submit an application form to the School of Kinesiology and Recreation Honors advisor.

Honors Program Requirements:

- Fulfill the general requirements for participation in the University Honors Program.
- Successfully complete a minimum of 3 hours of School of Kinesiology and Recreation Honors courses.
- Successfully complete KNR 295: Honors Seminar.
- Initiate and complete a research project in KNR 299: Independent Honors Study (variable, 3-6 hours) under the direction of a faculty mentor in the student's major/sequence.
- Maintain a minimum 3.30 overall GPA.

PROFESSIONAL PRACTICE/STUDENT TEACHING

Internship and cooperative education experiences are available at all levels in Athletic Training (298, 398), Exercise

136 Kinesiology and Recreation

Science (298, 398), and in Recreation and Park Administration (298, 398). Students may earn from 1-16 hours. No more than 16 hours may be applied toward graduation. Professional Practice experiences are supervised work experiences in businesses, agencies, organizations, and institutions and are either paid or unpaid. For further information, contact the Professional Practice coordinator in your major. A student with a double major within the School of Kinesiology and Recreation will enroll in professional practice with the area of certification as the primary assignment. An 80-hour assignment in the secondary sequence area will be assigned.

Student Teaching in Physical Education requires being accepted into the Teacher Education program at Illinois State University. Students are placed in schools with physical education cooperating teachers at the elementary, middle school, and/or secondary school levels as required for teacher certification. Student teachers are supervised by Physical Education faculty supervisors. The Physical Education Student Teaching Coordinator arranges for all student teaching placements.

Athletic Training Education Program

Degree Offered: B.S.

MAJOR IN ATHLETIC TRAINING

New Transfer and Internal Transfer Admission Requirements:

All students planning to become certified athletic trainers must apply for and be admitted to the Athletic Training Education Program (ATEP) Clinical Instruction Practicum. Completed applications are accepted only during the fall semester and must be received on or before November 30. Transfer students must also apply to the ATEP Clinical Instruction Practicum and will be evaluated individually based on previous course work and credentials. Current application deadlines are posted on the athletic training home page and announced in KNR 188. Eligibility to apply for admission to the ATEP Clinical Instruction Practicum will be determined by the Director of Athletic Training Education. Applicants compete for available spaces in the program. The following qualifications must be met to be considered for admission into the program.

- Fulfill university requirements up to the time of application to the ATEP Clinical Instruction Practicum.
- 2. Completion of prerequisite course work with a grade of C or better in KNR 181, 188, 188.01.
- 3. Overall GPA of 2.70 or better and major GPA of 2.70 or better
- Completed application for admittance to the ATEP Clinical Instruction Practicum.

Students successful in the four previous criteria are then considered for acceptance into the clinical portion of the program. Placement is limited by the number of clinical sites and availability of approved clinical instructors. Highest priority will be given to the most qualified applicants based on the following criteria:

- overall and major grade point average
- grades in requisite courses
- quality of written essay submitted with application
- performance evaluations of observation hours from clinical instructors
- score on an athletic training general knowledge examination
- two written recommendations from qualified individuals
- completion of an interview with members of the athletic training faculty

The selection process results in one of the following student classifications:

- a. full acceptance to the clinical portion of the program
- b. qualified, but placed on a wait list
- c. not qualified, not accepted

Athletic Training Education Program Curriculum:

- 61 total hours required.
- 55 hours in KNR:
- 17 hours in foundation courses: KNR 181, 182, 240, 254, 280, 282.
- 33 hours in athletic training core courses: KNR 188, 188.01, 252, 284, 288, 298.11, 298.12, 298.13, 298.14, 298.15, 334, 335, 361, 362, 363, 387, 388.
- 5 hours (minimum) in KNR 398.12.
- 6 hours interdisciplinary courses: HSC 105; FCS 315.

Standards for Progress in the Major:

Once admitted to the ATEP Clinical Instruction Practicum, the student will begin clinical work in athletic training at Illinois State University, and must maintain the following requirements:

- 1. A minimum cumulative and major GPA of 2.70.
- A student falling below the required GPA will be placed on probation for 1 semester. If after 1 semester, the 2.70 GPA has not been re-established, the student will be dropped from the ATEP Clinical Instruction Practicum and advised to change majors.
- The student must earn a C or better on each clinical site supervisor evaluation. A student earning less than a grade of C will not be permitted to count the hours completed during the affected clinical rotation toward ATEP requirements.
- 4. In keeping with the University requirements regarding hepatitis-B (HBV) immunizations, clinical students in the program shall be immunized against this disease. Additionally students admitted to the Clinical Instruction Practicum must submit complete documentation of a current physical examination from an approved (MD or DO) licensed physician.
- 5. The student is responsible for maintaining standards and expectations of the program. Failure to do so will result in written notification and reprimand including possible dismissal from the program.

 A student who has not been retained in the ATEP Clinical Instruction Practicum may reapply for admission during the next available application period upon the advisement of the Director of Athletic Training Education.

Certification and Licensure:

Completion of the ATEP program of study including 1200 supervised clinical hours and certification in first aid and Emergency Cardiac Care is designed to permit the student to apply to take the BOC certification examination and to apply for Illinois licensure as an athletic trainer. However, accreditation and licensure requirements are subject to change so the student is strongly advised to obtain notification of the latest requirements for BOC certification and Illinois licensure from the respective governing organizations and from the Director of Athletic Training Education.

Exercise Science Program:

Degree Offered: B.S.

MAJOR IN EXERCISE SCIENCE

New Transfer and Internal Transfer Admission Requirements:

In addition to fulfilling University requirements for admission to the Exercise Science program, the student must meet the following criteria:

- 1. A minimum 2.50 cumulative GPA.
- Participation in a personal interview as requested by the Program Director of Exercise Science.
- Students who fail to meet all requirements for admission to the Exercise Science program may petition through the Exercise Science Committee to consider special admittance.

NOTE: The number of students admitted to the program may vary year to year depending on program capacity. Highest priority will be given to the most qualified applicants.

Exercise Science Program of Study:

- 67 total hours required.
- 52 hours in the following core and major courses required:
- 20 hours in core courses: KNR 181, 182, 240, 254, 257, 280, 282:
- 22 hours in major courses: KNR 154.40, 164, 285, 286, 298.10, 307, 308, 309, 310, 378.10;
- 10 hours in KNR 398.11.
- 15 hours of courses must be selected from cognate groups (Biomechanics, Clinical (diseased) Populations, Technology, Business Administration, Nutrition, Aging, Research, Sport and Exercise Psychology, Preprofessional (physical therapy and occupational therapy preparation) courses with the requirement that at least two courses be taken from at least one cognate area.
- Any course used to satisfy General Education requirements cannot be used as a cognate area elective.

Standards for Progress in the Major:

Once admitted to the Exercise Science major, the student must maintain the following requirements:

- 1. A minimum 2.50 cumulative GPA.
- A student falling below the required GPA will be placed on probation for one semester. If after one semester, the 2.50 GPA has not been re-established, the student will be dropped from the Exercise Science major.
- 3. A student who has not been retained in the program, may reapply for admission to the Exercise Science major after meeting all of the criteria again. The student who is not readmitted after one semester of probation and has a minimum 2.00 GPA will have the choice to enter the Physical Education Studies Sequence.
- 4. A student must have a minimum 2.50 cumulative GPA and have completed all major courses with a C or better to participate in the senior internship (KNR 398.11 Professional Practice: Internship in Exercise Science).

Credentialing Opportunities:

There is no single professional credential or certification that is necessary to pursue a career in Exercise Science. However, there are a number of optional credentialing opportunities that students are encouraged to examine. Coursework in this major is focused on the content areas needed for certification preparation by several organizations in this professional field of study. Students graduating in this major can strengthen their professional credentials by pursuing a variety of different certifications offered by organizations such as the American College of Sports Medicine and the National Strength and Conditioning Association. Students interested in learning more about these recommended certification options should consult the Exercise Science Program Director in the School of Kinesiolgy and Recreation for further information.

MINOR IN EXERCISE SCIENCE

- 24 total hours required.
- 11 hours in core courses: KNR 181, 182, 240, 280.
- 11 hours in sequence courses: KNR 298.10, 307, 308, 309.
- 2 hours minimum selected from the following: KNR 154.40, 282, 285, 286, 310.

NOTE: The Exercise Science Minor is not available to majors in the Kinesiology program of study.

Physical Education Program

Degrees Offered: B.S., B.S. in Education

MAJOR IN PHYSICAL EDUCATION

The Physical Education program consists of two sequences. The Physical Education Teacher Education Sequence requires a minimum cumulative GPA of 2.50 for

138 Kinesiology and Recreation

admission and retention. The Physical Education Studies (general) Sequence requires a minimum cumulative GPA of 2.00 for admission and retention. All physical education major courses must be completed with a grade of C or better.

Physical Education Studies (general) Sequence (B.S.):

A student has the opportunity to select from a series of Physical Education courses to develop a plan of study. Students in the Physical Education Studies Sequence must have earned a cumulative 2.00 GPA.

Physical Education Studies Sequence Program of Study:

- 40 hours required.
- Required courses: 26-hour core of KNR 160, 181, 182,
 240, 254, 257, 280, 282. Select 3 additional KNR hours.
- 14 additional hours from within the Physical Education Program are required for majors not selecting a specialized sequence. A minimum of 8 hours of upperdivision courses are required, 6 of which must be at the 300-level.
- A second major or minor, or an individualized program by advisement, is recommended.
- Graduation requirements: all required Physical Education courses must be completed with a grade of C or better.

Standards for Progress in the Major:

After being officially admitted to the Physical Education Studies Sequence, the student must maintain a cumulative 2.00 GPA.

Teacher Education Sequences (B.S. in Ed.):

New Transfer and Internal Transfer Admission Requirements:

All Physical Education majors planning to become certified teachers must apply for and be admitted to the University's Teacher Education Program (see Teacher Education Program section of this *Undergraduate Catalog*). In addition to fulfilling University requirements for admission to Professional Studies, the Physical Education major must have verified the following:

- A minimum 2.50 cumulative GPA and a minimum 2.50 major GPA required; all sections Basic Skills tests passed.
- Completion of departmental application for admission to the Teacher Education program and a projected program plan for graduation through contact with school advisor.
- Participation in a personal interview as requested by the Program Director of Physical Education Teacher Education.
- A positive recommendation from the Sequence Coordinator based upon evidence of satisfactory progress from faculty teaching in the major program.
- Students who fail to meet all requirements for admission to Teacher Education by established deadlines may petition through the Program Director of Physical Education Teacher Education. The Office of Clinical

Experiences and Certification, Degarmo Hall, must approve all petitions.

NOTE: The number of students admitted to the program may vary year to year depending on program capacity. Highest priority will be given to the most qualified applicants.

Teacher Education Sequence Program of Study Leading to a K-12 Special Certificate:

- 82 total hours required.
- 55 hours in the following core and sequence courses required;
- 20 hours in core courses: KNR 181, 182, 240, 254, 257, 280, 282;
- 35 hours in sequence courses: KNR 156, 158, 221, 225, 242, 244, 245, 246, 247, 341, 358, 383, 391.
- 27 hours in Professional Education requirements: (see C&I Professional Education requirements in this *Undergraduate Catalog*); STT 399.74 (8 semester hours), 399.75 (5 semester hours).

Standards for Progress in the Major:

In order to receive school approval for a student teaching assignment the student must verify the following:

- A student, after having been officially admitted to the University Teacher Education program must maintain a cumulative 2.50 GPA and a minimum major 2.50 GPA and verify certification in first aid by the American Red Cross or National Safety Council with current certification.
- A student falling below the minimum required GPA will be placed on probation for one (1) semester. If after one (1) semester the 2.50 GPA has not been reestablished the student will be dropped from the University Teacher Education program.
- 3. The student may reapply for readmission upon meeting all of the required criteria. The student who is not readmitted after one (1) semester of probation and a minimum 2.00 GPA will have the choice to enter the Physical Education Studies (general) Sequence.
- Satisfactory recommendation from the Program Director of Physical Education Teacher Education following completion of the Clinical Experience in KNR 358.
- 5. A student who has not been retained may appeal for reconsideration to the Physical Education Selection-Retention Committee. After consideration, the Committee will either disallow the appeal or approve reinstatement on a probationary basis for a specified period of time.

MINOR IN PHYSICAL EDUCATION

Elementary Physical Education Sequence:

This is a Teacher Education program.

- 27 hours in Kinesiology and Recreation required.
- Required courses: KNR 158, 181 or 182, 221, 225, 244, 245, 257, 341, 383.

Secondary Physical Education Sequence:

This is a Teacher Education program.

- 27 hours in Kinesiology and Recreation required.
- Required courses: KNR 158, 181 or 182, 225, 242, 244, 245, 257, 341, 383.

Athletic Coaching Sequence:

- 24 hours in Kinesiology and Recreation required.
- Required courses (18 hours): KNR 205, 207, 260, 306, 320, 382.
- Elective courses (6 hours): KNR 210, 211, 212, 213, 214, 215, 216.

Certification Opportunity:

Students have the opportunity to qualify for the American Sport Education Program (ASEP) certification.

Recreation and Park Administration Program

Degree Offered: B.S.

Students may obtain advising material related to Recreation and Park Administration (RPA) in the School's main office. The Kinesiology and Recreation academic advisor will assist students with planning and completing an academic plan of study. All major courses in RPA must be completed with a grade of C or better.

MAJOR IN RECREATION AND PARK ADMINISTRATION

New Transfer and Internal Transfer Admission Requirements:

- 1. Students must have an overall minimum GPA of 2.00.
- Students must complete a departmental application. Applications are available in the School advisement office.

NOTE: The number of students admitted to the program may vary year to year depending on program capacity. Highest priority will be given to the most qualified applicants.

Recreation Management Sequence:

- 62 total hours required.
- 39 hours in core courses: KNR 170, 171, 270, 271, 298.30, 298.36, 370, 376, 378.30, 380, 398.30.
- 12 hours in sequence courses: KNR 272, 275, 374, 382.
- 11 hours in interdisciplinary courses selected with advisement from the following cognate groups: event management, outdoor and environmental education, youth, recreation sports, park planning, enterprise management, and non-profit management.

Certification Opportunity:

Students graduating from this program are immediately eligible to sit for the examination to become a Certified Leisure Professional.

Therapeutic Recreation Sequence:

- 66 total hours required.
- 39 hours in core courses: KNR 170, 171, 270, 271, 298.30, 298.36, 370, 376, 378.30, 380, 398.30.
- 12 hours in sequence courses: KNR 273, 278, 279, 373.
- 15 hours in interdisciplinary courses: HSC 105;
 KNR 181; PSY 213, 350; 3 hours selected from approved health and human services and/or disability related courses.

Certification Opportunity:

Students graduating from the Therapeutic Recreation Sequence who have met all the NCTRC requirements (major and recommended courses including an approved internship) are eligible to apply to sit for the examination to become a Certified Therapeutic Recreation Specialist.

MINOR IN RECREATION AND PARK ADMINISTRATION

- 24 hours required.
- Required courses: KNR 170, 171, 270, 271, 370, 376, 380.
- 3 hours of courses selected from: KNR 272, 273, 275, 278, 279, 371, 373, 374, 377, 382.

Kinesiology Courses

Some sections of these courses may be restricted to School of Kinesiology and Recreation majors.

An optional locker and towel charge will be assessed for students in selected Physical Education activity courses.

105 BADMINTON I

Not for cr if had KNR 150.20. Materials charge optional. Introduction to the basic strokes and strategies of badminton. Tournament play in singles and/or doubles.

106.02 BASKETBALL II

Development of intermediate and advanced skills and strategies of basketball.

108 BILLIARDS I 1

Materials charge optional.

Basic shooting techniques with focus on stance, bridge and cue ball contact. Experience in games of Basic Pocket Billiards, Rotation and Eight Ball.

108.02 BILLIARDS II 1

KNR 108 req. Materials charge optional.

Development of complex skills such as Caroms, Banks, and combination shots. Emphasis on spin, and the application of English.

112 BOWLING I 1

Materials charge optional.

Development of basic skills and knowledge for the beginning bowler.

112.02 BOWLING II 1

KNR 112 req. Materials charge optional.

Development of more consistency with strikes and spares, an understanding of taps, lane conditions, ball tracks. Participation in a variety of tournaments.

113 PERSONAL FITNESS

3

Not for cr School of Kinesiology and Recreation maj. Materials charge optional. Lecture and lab.

The development of a personalized, comprehensive fitness program based on knowledge and understanding of the specific effects of exercise.

114 NAUTILUS CONDITIONING

Not for cr if had KNR 285.

Basic techniques and knowledge necessary to increase muscular strength through the use of nautilus resistive isotonic exercise equipment.

115 ADVENTURE EDUCATION

1

Insurance clearance, liability and medical release waiver req.

Development of basic knowledge and skills in adventure education.

116 FITNESS WALKING AND JOGGING

Formerly KNR 133.45.

Knowledge and techniques of walking and jogging as modes for developing and/or maintaining appropriate health-related physical fitness levels.

119 GOLF I

Materials charge optional.

A basic course in golf designed for the beginner or high handicap golfer.

119.02 GOLF II

1

KNR 119 req. Materials charge optional.

Designed for experienced or low handicap player. Refinement of basic and advanced strokes. Development of game and course strategy.

126 AEROBICS

1

Introduction to aerobics designed to develop and improve strength, flexibility, and cardiovascular endurance.

127 SWIMMING I

1

Materials charge optional.

For the fearful or non-swimmer with no aquatic skills. Instruction in adjustment experiences, basic techniques of safety, survival, and propulsion.

127.02 SWIMMING II–INTERMEDIATE 1

KNR 127 req. Materials charge optional.

For swimmers with limited skills. Emphasis on basic strokes and introduction to basic diving techniques.

127.10 AQUATIC FITNESS

1

May be repeated once. Ability to swim not req.

Shallow water aerobic exercise and/or lap swimming programs to develop and maintain physical fitness.

133 SELECTED ACTIVITIES

1

Material charge optional.

Selected beginning and/or intermediate activities offered as experimental programs.

136 VOLLEYBALL I

1

Basic skills, rules, and strategies involved in the game of volleyball, and application in tournament play.

137 SOCCER

Basic skills, rules, and strategies necessary for game play. Fundamentals emphasized with application in competitive play.

138 SLOW PITCH SOFTBALL

1

Not for maj cr. Formerly KNR 133.17. Basic skills and knowledge of slow pitch softball.

142 TENNIS I

1

Materials charge optional.

Introduction to the basic strokes and beginning strategy of tennis. Tournament play in singles and/or doubles.

146 MILITARY PHYSICAL CONDITIONING

1

May be repeated; max 4 hrs.

Practical experience in the structure, techniques, and conduct of military physical conditioning to develop total fitness and leadership ability.

147 WEIGHT TRAINING

1

Not for cr if had KNR 285.

Basic knowledge and concepts of use of resistive exercises to increase muscular strength and endurance. Participation in an individual weight program.

154.40 STRESS MANAGEMENT INSTRUCTIONAL METHODS 1

Maj/min only. Formerly NEUROMUSCULAR RELAX-ATION INSTRUCTIONAL METHODS.

Study of stress and how it affects the body. Practice of stress management relaxation techniques, and teaching methods for relaxation.

156 INTRODUCTION TO PHYSICAL

EDUCATION: TEACHER EDUCATION

Maj/min only. Not for cr if had KNR 160 FOUNDATIONS OF HUMAN MOVEMENT.

Identification of foundational concepts in physical education, including historical and philosophical orientation, subdisciplinary movements, career development, and physical education issues.

158 INSTRUCTIONAL STRATEGIES IN PHYSICAL EDUCATION

3

Incl Clin Exp: 20 hr, Type 1-4, 5-1, 6-15.

Introduction to planning and teaching physical education. Includes lesson planning, practice of teaching skills through micro teaching, peer teaching, analysis of teaching.

164 INTRODUCTION TO EXERCISE SCIENCE

3

Maj/min only.

Foundations of exercise science, including history and philosophy, careers, professional organizations, certifications, sub-disciplines, research methods, and professional issues.

180 FIRST AID

Materials charge optional.

Accident prevention and action to be taken in cases of accident and sudden illness in the home, school, and community. Students successfully completing this course will have an opportunity to receive certification. First Aid instruction in CPR techniques and opportunities for certification in CPR also provided.

181 HUMAN ANATOMY AND PHYSIOLOGY

3

Lecture and lab.

Gross structure and physiology of the human body; particular attention to the locomotor system.

182 HUMAN ANATOMY AND PHYSIOLOGY

3

Emphasis on the nervous, circulatory, respiratory, and digestive systems.

188 INTRODUCTION TO ATHLETIC TRAINING

1

KNR 188.01 conc reg req.

Introduction to the field of athletic training, including history, professional developments, certification requirements, responsibilities, skills, facilities, and clinical settings.

188.01 CLINICAL PRACTICUM IN ATHLETIC TRAINING

KNR 188 conc reg req.

Introduction to the actual experience of athletic training by observation and clinical practice.

205 SCIENTIFIC PRINCIPLES OF COACHING

3

Maj/min only. Soph standing req. Not for cr if had KNR 181, 240, 280, or 282.

Introduction to scientific principles that constitute the basis for sound athletic coaching practices.

207 FOUNDATIONS FOR SUCCESSFUL COACHING

KNR 205 or conc reg req. Soph standing req. Formerly THE COACH IN ORGANIZED SPORTS AND ATHLETICS.

Theory and applications of coaching concepts for the interscholastic and youth sport coach. Coaching certification available.

208 DYNAMICS OF UNITED STATES CONTEMPORARY HEALTH

ISSUES OC-SMT 3
Inner Core req. MC-IS category req. Also offered as

Exploration and analysis of current health and lifestyle issues. Emphasis on how individuals, communities and society make health decisions.

210 BASEBALL COACHING

2

KNR 207 reg. Soph standing reg.

Theories and strategies for coaching baseball, including philosophy, history, planning scorekeeping, offensive and defensive strategies, and evaluating players and programs.

211 BASKETBALL COACHING

2

KNR 207 reg. Soph standing reg.

A course for professional preparation of coaches for basketball, including philosophy, techniques, scouting reports and tactics of the game.

212 FOOTBALL COACHING

2

KNR 207 reg. Soph standing reg.

Theory and techniques of basic offensive and defensive football, including history, development of trends, and modern innovations.

213 TRACK AND FIELD COACHING 2

KNR 207 req. Soph standing req.

Techniques/methods of coaching track/field, including philosophy, pedagogy, event training, skill analysis, conditioning, practice organization, competition, and meet administration.

214 SOCCER COACHING

2

KNR 207 req; Soph standing req.

Theory and techniques of coaching soccer, including philosophy, offensive and defensive skills, tactics, practice/competitive situations, administration, and management.

215 VOLLEYBALL COACHING 2

KNR 207 req. Soph standing req.

Techniques/methods of coaching volleyball for pre-collegiate levels, including philosophies, pedagogy, strategies, tactics, practice/competitive situations, administration, management and public relations.

216 SOFTBALL COACHING

KNR 207 req. Soph standing req.

Techniques/methods of coaching softball for pre-collegiate levels including philosophies, pedagogy, strategies, tactics, practice/competitive situations, management and administration.

221 ELEMENTARY PHYSICAL EDUCATION CURRICULUM

3

2

KNR 158, 225 req; Incl Clin Exp: 4 hrs, Type 1 and 5. Planning a program of physical education for elementary school children. Progressions within activities, techniques of organization, and methods of teaching. Observations of children and laboratory sessions in activities.

222 PHYSICAL EDUCATION FOR ELEMENTARY CLASSROOM TEACHER 2

Jr standing req. Not for cr maj. Incl Clin Exp.

Factors essential to program planning in physical education grades one through six. Types and progression of activities; methods and techniques of class organization. Observations of children and laboratory sessions in activities.

225 MOTOR DEVELOPMENT

3

Maj/min only. KNR 158, conc reg req. KNR 244 req. Incl Clin Exp: 6 hrs Type 1 and 4. All sections of State of Illinois Basic Skills Test passed. Formerly MOTOR DEVELOPMENT OF CHILDREN.

Study of changes in motor behavior across the lifespan, factors affecting motor development and implications for lifelong physical activity.

240 PRINCIPLES AND APPLICATIONS OF FIELD-BASED ASSESSMENT

Maj/min only. KNR 181 and 182 reg; KNR 280 or conc reg reg. Formerly PRINCIPLES AND APPLICA-TIONS OF FITNESS TRAINING.

Applied aspects of field-based fitness assessment, including test selection, implementation, and analysis.

242 SECONDARY METHODS AND PRACTICES IN PHYSICAL EDUCATION

KNR 158, 225 reg; 221 or conc reg reg. Incl Clin Exp: 20 hrs, Type 1-5. Adm to Professional Studies reg. Not for credit if had KNR 241. Materials charge optional.

Development and administration of secondary physical education programs. Planning and teaching physical education activities at the secondary level.

244 TEACHING TEAM SPORTS

3

Maj/min only. KNR 158, conc reg KNR 225 reg. Materials charge optional.

Development of content knowledge and teaching skills of various team sports. Emphasis on teaching progressions, management, assessment, strategies, and tournaments.

245 TEACHING INDIVIDUAL/DUAL SPORTS AND ACTIVITIES

3

Maj/min only. KNR 158, conc reg KNR 221 reg. Materials charge optional.

Content knowledge and teaching skills and various individual sports and activities. Emphasis on teaching progressions, management, assessment, and strategies.

246 TEACHING DANCE AND TUMBLING/GYMNASTICS FORMS

Maj/min only. KNR 158, conc reg KNR 242 req. Fundamental skills and concepts of dance and tumbling/gymnastics. Safety procedures, skill development, instructional strategies, and assessment are included.

247 PROMOTING PHYSICAL ACTIVITY AND FITNESS IN

PHYSICAL EDUCATION

Maj/min only. KNR 158, 240 and 280 req. Conc reg KNR 341 req. Not for cr if had KNR 281, 283, 285. Materials charge optional.

Current activity levels/fitness of youth, promotion of lifetime physical activity, evaluative procedures, and implementing fitness activities into the curriculum.

252 EMERGENCY ASPECTS OF ATHLETIC INJURIES

KNR 298.11 or conc reg req. Materials charge optional. Emergency planning, prevention, and care for athletics.

254 SOCIO-PSYCHOLOGICAL PERSPECTIVES IN PHYSICAL ACTIVITY

Maj/min only or cons inst req.

Survey of cultural, philosophical, social and psychological factors influencing the nature, evolution and maintenance of informal and formal physical activities.

257 MOTOR LEARNING AND PERFORMANCE

3

Maj/min only.or cons inst req.

Study of processes involved in acquiring and perfecting motor skills and effects of aging on acquisition of those skills.

260 ATHLETIC INJURY CONCEPTS FOR COACHES

KNR 207 or conc reg; soph standing reg.

An introductory course for coaches, with emphasis on the prevention and care of athletic injuries.

280 EXERCISE PHYSIOLOGY

Maj/min only. KNR 181 and 182 reg; KNR 240 conc reg reg. Application of human anatomy and physiology to the understanding of physical education. Effects of exercise on body systems and performance.

282 BIOMECHANICS OF HUMAN MOVEMENT

3

KNR 181 or BSC 181 reg; PHY 105 or 108 reg. Lecture and lab. Formerly KINESIOLOGY. Materials charge optional. Study of human movement based on principles of anatomy and mechanics of motion

284 PREVENTION AND CARE OF ATHLETIC INJURIES

3

KNR 181 or cons inst req. Maj/min only.

An introductory course, with emphasis on the prevention and care of athletic injuries.

285 RESISTIVE EXERCISE INSTRUCTIONAL METHODS 1

Maj/min only. KNR 164, 240, 280 reg.

Instructor preparation for creating individualized resistive exercise programs for persons across the age span. Includes personal skill development.

286 GROUP EXERCISE INSTRUCTIONAL METHODS 2

Maj/min only. KNR 164, 240, 280 reg.

Introduction to leading several modes of group fitness classes for a variety of populations, including group leadership experiences.

3 288 THERAPEUTIC MODALITIES

KNR 181, 182, 188 or cons inst req.

An investigation of the theoretical, technological, and physiological basis of therapeutic modalities in athletic training.

295 HONORS SEMINAR

Introduction to independent Honors study; identification and definition of problems; selected methods for problem solving; use of library resources.

298.10 PROFESSIONAL PRACTICE: PRACTICUM IN EXERCISE SCIENCE

Maj/min only. KNR 164, 240, 280 or cons of inst req. Jr standing. Materials charge optional. Formerly PP:PRACTICUM IN EXERCISE SCIENCE AND FITNESS. Application of knowledge and skills in professional settings for Exercise Science. Fifty out-of-class hours required.

298.11 PROFESSIONAL PRACTICE: ATHLETIC TRAINING CLINICAL COMPETENCIES I

KNR 188, 188.01 and admittance to the Athletic Training Education Program-Clinical Instruction Practicum. Materials charge optional.

Supervised instruction and practice of skills and competencies for the beginning (Level 1) student athletic trainer.

298.12 PROFESSIONAL PRACTICE: ATHLETIC TRAINING CLINICAL COMPETENCIES II

KNR 298.11 or cons inst req.Materials charge optional.

Supervised instruction and practice of clinical skills and competencies for the progressing (Level 2) student athletic trainer.

298.13 PROFESSIONAL PRACTICE: ATHLETIC TRAINING CLINICAL COMPETENCIES III

KNR 298.12 or cons inst req.

Supervised instruction and practice of clinical skills and competencies for the intermediate (Level 3) student athletic trainer.

298.14 PROFESSIONAL PRACTICE: ATHLETIC TRAINING CLINICAL COMPETENCIES IV

KNR 298.13 or cons inst req. Materials charge optional. Supervised instruction and practice of clinical skills and competencies for the advanced (Level 4) student athletic trainer.

298.15 PROFESSIONAL PRACTICE: ATHLETIC TRAINING CLINICAL COMPETENCIES V

KNR 298.14 or cons inst req.

Supervised instruction and practice of clinical skills and competencies for the advanced (Level 5) student athletic trainer.

303 EXERCISE PSYCHOLOGY

.

3

3

Maj/min only. Jr/sr standing or cons inst req.

Theory and application of social-psychological principles to leisure-time physical activity.

306 PSYCHOLOGY OF SPORT

Maj/min only or cons inst req.

Psychological principles and concepts applied to sport situations and to individuals involved with sport activities.

307 EXERCISE IN HEALTH AND DISEASE

Maj/min only. KNR 164, 240, and 280 reg.

Application of exercise physiology principles to evaluate the extent to which common disease processes limit body function and exercise performance.

308 EXERCISE PROGRAMMING

3

Maj/min only. KNR 164, 240 and 280 req; 309 conc reg req.

Development of skills and knowledge necessary for designing exercise programs for all populations.

309 PRINCIPLES AND TECHNIQUES OF PHYSIOLOGICAL TESTING

3

Maj/min only. KNR 164, 240 and 280 req; KNR 308 conc reg req. Materials charge optional.

Application of various laboratory exercise testing modalities for evaluating human physiological function.

310 FITNESS MANAGEMENT

Maj/min only. KNR 164, 298.10 or cons inst req. Theories of organization and principles of management applied to fitness programs in the commercial, community, medical, and worksite settings.

317 SOCIOLOGY OF SPORT

3

Also offered as SOC 317.

The social institution of sport is examined using such sociological concepts as social organization, culture, socialization, deviance, social stratification, minority groups and collective behavior.

320 DEVELOPMENT ASPECTS OF YOUTH SPORT

3

Maj/min only or cons inst req.

Effects of sport and competitive activities on the biophysical and psychosocial development of young people.

334 THERAPEUTIC EXERCISE

3

KNR 288, or cons inst req.

Essential components of a comprehensive rehabilitation program including goals, exercise selection, progression, evaluation, and criteria for return to competition.

335 ADMINISTRATION OF ATHLETIC TRAINING

2

KNR 188, 284, or cons inst req.

Theory and application in athletic training programs including pre-participation physical examinations, budget management, medical records, and legal aspects of sports medicine.

341 ASSESSMENT IN PHYSICAL EDUCATION

3

KNR 158, 221, 225, 242 or conc reg req. Not for cr if had KNR 241.

Planning and implementation of appropriate assessment strategies in physical fitness, motor skills, cognitive achievement, and the affective areas in K-12 physical education.

342 OCCUPATIONAL BIOMECHANICS

3

KNR 282 or cons inst req. Materials charge optional. Application of biomechanical principles to the solution of problems related to the interaction of the worker with the workplace.

345 ADVANCED FUNCTIONAL ANATOMY

3

KNR 181, 182; Jr standing req or cons inst req. This course synthesizes anatomy, physiology, and human movement as it relates to sports injury.

352 QUANTITATIVE ANALYSIS OF BIOMECHANICS

3

KNR 282 or cons inst req. Formerly BIOMECHAN-ICS OF HUMAN MOVEMENT. Materials charge optional.

Amplification of kinematics and kinetics of human movements; introduction to high-speed videography, biomechanics instrumentation and computer analysis.

353 BASIC ELECTROCARDIOGRAPHY AND CLINICAL EXERCISE TESTING

KNR 181, 182, 280, or cons inst req. Formerly ELEC-TROCARDIOGRAPHY.

Theory and application of electrocardiographic analysis in the functional and diagnostic assessment of individuals.

358 DIRECTED PRACTICUM IN ELEMENTARY PHYSICAL EDUCATION 3

KNR 158, 221, 225, 242; 341 or conc reg req. Adm to Prof Studies req. Taken the sem prior to student teaching. Students must have 2 consecutive hrs between 8 a.m. and noon and 1 p.m. and 3 p.m. (e.g., 9-11) free daily, during one half of the sem. Incl Clin Exp: 40 hrs, Type 1-5. Formerly KNR 258, DIRECTED PRACTICUM IN PHYSICAL EDUCATION.

Arranged Clinical Experience assignment that includes observation, participation, and teaching in elementary physical education.

361 PATHOLOGY AND PHARMACOLOGY IN ATHLETIC TRAINING

KNR 181, 182 req. Jr standing or cons inst req. Relevant biomedical conditions and afflictions and associated pharmacological interventions for the athletic training student.

362 SEMINAR IN SPORTS MEDICINE I

KNR 298.13 conc reg req. Not for cr if had KNR 384. Orientation to and preparation for the professional practice in athletic training including formal application and placement.

363 SEMINAR IN SPORTS MEDICINE II 2

KNR 298.15 conc reg req. Not for cr if had KNR 384. Synthesis of program content in preparation for the BOC examination and initial employment.

378.10 SEMINAR IN PROFESSIONAL PRACTICE FOR EXERCISE SCIENCE

ES maj only. KNR 164, 298.10 or cons inst req. Sr standing req. Formerly SEMINAR IN PROFES-SIONAL PRACTICE.

Orientation to the expectations and problems encountered during professional practice with application and placement in exercise science environments.

382 LEGAL ASPECTS OF RECREATION AND KINESIOLOGY 3

KNR maj/min only; Sr standing req. Formerly 289.43 LEGAL ASPECTS OF SPORTS, PHYSICAL ACTIVI-TY AND RECREATION.

Legal principles applied to recreation and kinesiology settings, with an emphasis on risk management practices.

383 ADAPTED PHYSICAL EDUCATION

Maj/min only. KNR 158, 221, 225 req. Incl Clin Exp. 15 hrs, Type 4.

Study of conditions requiring physical education programs to be adapted to meet the unique needs of students with disabilities.

387 EVALUATION OF ATHLETIC INJURIES: LOWER EXTREMITIES 3

KNR 181, 284, or cons inst req.

The advanced study of lower extremity injuries, with emphasis on evaluation.

388 EVALUATION OF ATHLETIC INJURIES: UPPER EXTREMITIES 3

KNR 188, 284, or cons inst req.

Study and practice of evaluation and management of upper extremity injuries in sports.

391 CREATING POSITIVE LEARNING ENVIRONMENTS IN PHYSICAL EDUCATION

STT 399.74 and/or 399.75 conc reg or cons inst req. Strategies for developing and implementing effective behavior management plans in physical education programs based on sound education practices.

394 HEALTH ASPECTS OF AGING 3

Also offered as FCS/HSC 394.

Characteristics of the aging process and factors influencing adaptation and the quality of living.

398.11 PROFESSIONAL PRACTICE: INTERNSHIP IN EXERCISE SCIENCE

1-14

ES maj only. Sr standing and all grad req met or in progress. Materials charge optional. Formerly PP: INTERNSHIP IN EXERCISE SCIENCE AND FITNESS. Supervised internship done under the guidance of profes-

Supervised internship done under the guidance of professionally qualified personnel from business, industry, government, and University faculty.

398.12 PROFESSIONAL PRACTICE: INTERNSHIP IN ATHLETIC TRAINING 1-14

AT maj only. KNR 298.13 or cons inst; and KNR 362 req. Materials charge optional.

Internship experience in athletic training under the guidance of a qualified sports medicine professional.

Recreation and Park Administration Courses

Some sections of these courses may be restricted to School of Kinesiology and Recreation majors.

170 INTRODUCTION TO LEISURE AND RECREATION

Nature, scope, and significance of recreation and leisure. Introduction to the professional areas of recreation and

Introduction to the professional areas of recreation and leisure delivery systems.

171 RECREATION LEADERSHIP 3

KNR 170 or conc reg req.

Development of activity planning skills, individual leadership skills, and group facilitation methods.

175 LEISURE IN SOCIETY 3

Introduction of leisure in historical and contemporary perspectives. Relationships between leisure and other societal institutions. Determinants of leisure behavior.

270 RECREATION FOR PEOPLE WITH DISABILITIES

3

Maj/min only. KNR 271 or conc reg req.

Leadership, assistive techniques/devices and disability issues related to recreation programming for individuals with mental, physical, social and emotional limitations.

271 RECREATION PROGRAMMING 3

Maj/min only. KNR 171 req, or Tourism Studies minor. Comprehensive recreation program design including planning, organizing, promoting, and evaluating programs in a variety of leisure service delivery systems.

272 ENTREPRENEURIAL RECREATION

Maj/min only. KNR 298.30 reg or Tourism Studies min. Not for cr if had KNR 276, 277.

Study of the development, management, and future of recreation enterprises.

273 INTRODUCTION TO THERAPEUTIC RECREATION 3

HSC 105 or conc reg reg. KNR 181 or conc reg reg. KNR 270, 271 reg.

Foundation concepts of therapeutic recreation including history, philosophy, models, professional issues, and basic program delivery.

275 PLANNING AND DESIGN OF RECREATION FACILITIES

3

Maj/min only. KNR 271 or Tourism Studies min reg. Techniques and principles of site planning, design, and development of facilities in parks and recreation settings.

278 THERAPEUTIC RECREATION SERVICE DELIVERY

3

KNR 273 or conc reg req. Design of comprehensive and specific intervention programs used in the delivery of therapeutic recreation services.

279 THERAPEUTIC RECREATION CLIENT DOCUMENTATION

3

KNR 278 or cons inst req.

Focus on systematic and accountable client documentation (assessment, treatment plans, progress notes, discharge/referral summaries) for therapeutic recreation intervention programs.

295 HONORS SEMINAR

Advanced readings and critical discussion of recreation with broad areas of concern in social, philosophical, and scientific bases.

298.30 PROFESSIONAL PRACTICE: INTERNSHIP AND COOPERATIVE **EDUCATION IN RECREATION AND** PARK ADMINISTRATION

Maj in Rec; KNR 271 req, 298.36 or conc reg req; Jr standing req. Materials charge optional.

Application of knowledge and skills in recreation programming to practical situations within a leisure service delivery system.

298.31 PROFESSIONAL PRACTICE: INTERNSHIP AND COOPERATIVE EDUCATION IN COMMERCIAL RECREATION

KNR 271 or cons inst req. Jr standing rec. May be

Application of knowledge and skills in recreation programming to practical situations within commercial, tourism, or travel recreation delivery systems.

298.32 PROFESSIONAL PRACTICE: INTERNSHIP AND COOPERATIVE **EDUCATION IN THERAPEUTIC** RECREATION

KNR 271 or cons inst req. Jr standing rec. May be repeated.

Application of knowledge and skills in recreation programming to practical situations within a therapeutic recreation service delivery system.

298.33 PROFESSIONAL PRACTICE: INTERNSHIP AND COOPERATIVE EDUCATION IN PROGRAM MANAGEMENT

KNR 271 or cons inst req. Jr standing rec. May be repeated. Application of knowledge and skills in recreation programming to practical situations within a public or non-profit recreation delivery system.

298.35 PROFESSIONAL PRACTICE: INTERNSHIP AND COOPERATIVE EDUCATION IN CAMPING AND OUTDOOR LEADERSHIP

KNR 271 or cons inst req. Jr standing rec. May be repeated. Application of knowledge and skills in recreation programming to practical situations in camping and outdoor leadership environments.

298.36 PROFESSIONAL PRACTICE PREPARATION SEMINAR IN RECREATION AND PARK ADMINISTRATION

Maj in Rec; KNR 271 or conc reg req. Jr standing req. Overview and investigation of professional practice preparation.

370 ADMINISTRATION OF LEISURE SERVICE ORGANIZATIONS

Maj/min only. KNR 298.30 reg or RPA Minor or Tourism Studies Minor. Not for cr if had KNR 375.

Organizational management functions such as planning, marketing, and financial accountability in organized recreation and leisure delivery systems.

371 OUTDOOR RECREATION 3

KNR 271 reg.

Overview of outdoor recreation concepts and management principles.

373 TECHNIQUES IN THERAPEUTIC RECREATION

KNR 273 or cons inst req. Lecture and lab. Formerly LEISURE EDUCATION AND FACILITATION TECH-

Theory and application of facilitation techniques and interventions used in therapeutic recreation services.

374 ADVANCED RECREATION PROGRAMMING

3

Maj/min only. KNR 298.30 rec or Tourism Studies Minor. Fieldwork req.

Application of recreation programming principles to a field setting which includes assessment, planning, organizing, implementing and evaluation functions.

376 EVALUATING AGENCY SERVICES

Maj/min only. KNR 298.30 req. Materials charge

Use and methods of evaluation, including conceptualization, implementation and report preparation, with application to leisure service delivery systems.

377 PRACTICES AND ISSUES IN COMMERCIAL RECREATION AND TOURISM

3

Cons inst req. Materials charge optional.

Analysis of selected practices, issues, and current trends confronting commercial recreation business enterprises.

378.30 PROFESSIONAL ISSUES IN RECREATION

AND PARK ADMINISTRATION Maj only; KNR 298.30 reg. Sr standing reg.

In-depth analysis of selected trends, issues, problems confronting leisure service practitioners in contemporary settings, and professional practice selection.

380 ADMINISTRATION OF HUMAN RESOURCES IN LEISURE SERVICES

3

Maj/min only. KNR 298.30 req or RPA Minor or Tourism Studies Minor. Not for cr if had KNR 375.

Administrative/management functions in the operation of organized recreation and leisure delivery systems.

381 SPECIAL STUDIES IN RECREATION, TOURISM, AND SPORT

1-3

Cons inst req. May be repeated; max 6 hrs.

Special work in research interests of students and faculty.

Projects must be approved by the instructor.

382 LEGAL ASPECTS OF RECREATION AND KINESIOLOGY

3

KNR maj/min only, Sr standing req. Formerly 289.43 LEGAL ASPECTS OF SPORTS, PHYSICAL ACTIVI-TY AND RECREATION.

Legal principles applied to recreation and kinesiology settings, with an emphasis on risk management practices.

398.30 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN RECREATION AND PARK ADMINISTRATION 1-12

Maj only; KNR 378.30 req. All graduation req met or in progress.

Culminating experience of supervised internship done under the guidance of professionally qualified personnel in leisure service agencies and University faculty.

MILITARY SCIENCE (MSC) 516

ROTC Building, 211 North University, (309) 438-5408

Email address: arotc@ilstu.edu

Web site: www.cast.ilstu.edu/msc/home1.asp

Chairperson: LTC Eugene Snyman.

General Department Information Military Science Program

ROTC is designed to be completed concurrently with the student's academic degree. Students can complete the first two years of ROTC with absolutely no military service obligation. Veterans, National Guardsmen, Army Reservists, and students who complete a four week leadership course at Fort Knox, Kentucky receive constructive credit for the first two years of ROTC, and can complete the ROTC program in as few as two school years.

Freshman through senior ROTC courses are offered every semester. These academic courses progress from introducing the student to the Army's mission and organization, studying leadership principles and traits, to teaching students the duties and responsibilities required of officers in the twenty-first century. Each class has a leadership laboratory that meets once a week. At lab, freshmen through senior students train on basic military skills and get the opportunity to perfect leadership skills through hands-on application. Some of the skills learned during lab include rappelling, water survival training, rifle marksmanship, first aid and CPR, map reading and land navigation, and basic tactics.

In addition to regular on-campus training and activities, ROTC offers exciting and challenging weekend field trips during the school year. Trips include a staff ride to the 1st Infantry Division Museum at Cantigny, an orientation visit to Fort Knox, Kentucky, and trips to local National Guard training areas to practice marksmanship, land navigation, and tactical skills.

FINANCIAL AID

Military Science students can receive outstanding financial aid through Federal and State Army ROTC scholarships.

Federal ROTC scholarships are awarded for a four, three, or two-year period. Students compete at the national level for these scholarships. Each scholarship can pay up to the full tuition and fees each semester, provides a book allowance of \$900 a year, and a tax free monthly living allowance of \$300 for freshmen to \$500 for seniors, depending on scholarship status.

State ROTC tuition waivers are awarded by the Professor of Military Science at Illinois State University. The Redbird Battalion awards forty of these scholarships each semester to students in the ROTC program. A student who receives a State ROTC tuition waiver may use its benefits for up to eight semesters.

EXTRACURRICULAR ACTIVITIES

Several clubs complement the ROTC academic curriculum, and help students enjoy their college experience more.

Ranger Club trains intensively on military skills such as land navigation, patrolling, and rappelling. They sponsor the annual Ranger Challenge competition in which a group of ten cadets are tested on individual and team military skills. The Illinois State University Ranger Challenge team competes with nineteen other university ROTC Ranger Challenge teams at Fort Leonard Wood, Missouri every October.

Rifle Club fires .22 caliber and precision air rifles weekly at an indoor rifle range. They also participate in marksmanship competitions with other university ROTC programs during the school year.

The Redbird Color Guard presents the national colors at home football and basketball games, as well as other local community events.

CAREER OPPORTUNITIES

Students who complete the ROTC program receive a commission as a second lieutenant in the Army after graduation. The student has the option of serving in the National Guard or Army Reserve as a part time career, or on active duty in the Regular Army as a full time profession. ROTC graduates can also receive a minor in Military Science by applying through the Military Science Department.

Lieutenants in the Army lead people, while managing equipment, vehicle fleets, and financial resources. New lieutenants are routinely put in charge of and lead groups of up to fifty people immediately after graduation from college.

Officer career specialties in the Army are as diverse as those found in the civilian sector. Some of the sixteen specialties students can request as an Army officer include: Engineering, Personnel Management, Nursing, Signal Corps, Finance, Transportation, Medical Service Corps, Military Police, and Aviation. Except for the health professions, an officer's specialty in the Army does not have to be related to his or her academic degree in college.

New lieutenants who go into the Regular Army serve on active duty for three or four years, and may then transfer into the reserves. Lieutenants commissioned in the National Guard or Army Reserve serve their entire tour in the Reserves.

MINOR IN MILITARY SCIENCE

Admission into the Military Science Minor program is by permission of the Department Chairperson following a special interview concerning eligibility and entry requirements. Interested students should make arrangement for an interview as early as possible but not later than the second semester of their sophomore year.

- 34 hours required.
- Prerequisites (4 hours): MSC 111 and 112; or satisfactory completion of Army Reserve Officers' Training Corps (ROTC) Leadership Training Course (may be taken for credit as MSC 203); or proficiency as approved by the Military Science Department Chairperson.
- Required courses (11 hours): MSC 220, 221, 240, 241.
- History (3 hours): HIS 278 or 279.
- Written Communications (3 hours): ENG 145, 247 or 249
- Human Behavior (3 hours): PSY 111, 131; SOC 106 or 131.
- Computer Literacy (3 hours): ITK 140, 150, or 155.
- Math Reasoning (3 hours): MAT 105, 120, or 121.
- Physical Education (4 hours): KNR 146.

Military Science Courses

101 INTRODUCTION TO LEADERSHIP: INDIVIDUAL EFFECTIVENESS

Introduction to leadership from perspective of the member of an effective organization. Self-enhancement skills such as time management techniques, problem solving and decision-making processes, and health enrichment actions.

102 INTRODUCTION TO LEADERSHIP: TEAMWORK

1

Basic leadership fundamentals, principles, and experiences. Relevant for all organizational leaders. Purpose is to examine how the individual organizational member and the team are affected by leaders and leadership decisions.

111 APPLIED LEADERSHIP II

2

Examines leadership within military organizations and structure. Introduces map reading fundamentals and application of land navigation principles using the lensatic compass and terrain association. Provides opportunities to exercise leadership skills to meet established goals and objectives within specific time constraints.

112 APPLIED LEADERSHIP

2

Formerly AMERICAN LEADERSHIP TRADITION AND CHANGE.

Provides more in-depth and critical assessment of leadership within American society. Students are challenged to learn and apply leadership principles. Group research projects designed to research, examine, and analyze leaders and leadership within community context.

200 LEADERSHIP LABORATORY 0

Conc reg in AROTC Basic or Advanced Courses req. Provides development by practical application of the student's leadership skills through progressive training, planning, execution, and assessment.

203 ROTC LEADERSHIP TRAINING COURSE

6

Cons inst req. CR/NC only.

Provides instruction and practical application on basic military concepts of map reading, tactics, small group operations, weapons, and adventure training. Training is presented off campus at Fort Knox, Kentucky. Provides constructive credit for first two years of ROTC.

220 ADVANCED LEADERSHIP AND TACTICS I

3

Cons inst req.

Provides general knowledge and understanding of advanced leadership principles, small unit offensive operations, land navigation, and the operating systems.

221 ADVANCED LEADERSHIP AND TACTICS II

....

Reg in AROTC and MSC 220 or cons inst req.

Provides knowledge and understanding of advanced combat leadership techniques, small unit defensive operations, patrolling, and land navigation.

240 ADVANCED APPLIED LEADERSHIP I 3

Reg in AROTC Advanced Course or cons inst req. Fundamental concepts of military justice; principles of court-martial and non-judicial punishment; staff principles and procedures in the Army organizational structure. Part I of a two-semester capstone experience prior to commissioning.

241 ADVANCED APPLIED LEADERSHIP II

2

Reg in a ROTC Advanced Course or cons inst req. Introduction to professionalism and military professional responsibility. Provides students with a capstone experience in leadership studies before their transition to officership.

242 LEADERSHIP DEVELOPMENT

ASSESSMENT

6

Reg in a ROTC Advanced Course req. Formerly ROTC NATIONAL ADVANCED LEADERSHIP CAMP, CR/NC only.

Instruction and practical application in field training, demonstration of leadership capabilities, and leadership opportunities of problem analysis, decision making, and troop-leading. Training is presented off campus near Seattle, Washington.

TECHNOLOGY (TEC) 510

210 Turner Hall, (309) 438-3661 Web address: www.tec.ilstu.edu

Chairperson: Richard A. Boser. Tenured/Tenure-track Faculty:

Professors: Boser, Brauchle, Dan Brown, Custer,

Gokhale, Meier, Stier.

Associate Professors: Ryan Brown, Merrill, Reifschneider,

Schmidt, Wilson.

Assistant Professors: Comerford, Devine, El-Gafy, Liv-

ingston, Park.

General Department Information

The Department of Technology is accredited by the National Association of Industrial Technology (NAIT). The department features programs focused on the creative, systematic application of knowledge utilizing human and natural resources involving tools, equipment, techniques, processes, procedures, scientific principles, and management skills to produce and distribute goods, services and information to cope with change or to control environmental conditions and their effect on society and culture.

Technology students are required to select one of the following technology programs: B.S. in Industrial Technology, B.S. in Technology Education. Students selecting the B.S. in Industrial Technology are required to select one of the following sequences: Construction Management, Graphic Communications, Industrial Computer Systems, or Integrated Manufacturing Systems.

HONORS IN TECHNOLOGY

The Department offers honors work in the different departmental programs to majors who have completed 60 semester hours with a cumulative 3.50 GPA. Students interested in the program should see the departmental advisor. Requirements for honors in the Technology Honors Program are available in the departmental office, 210 Turner Hall.

Technology Programs

Degree Offered: B.S.

MAJOR IN INDUSTRIAL TECHNOLOGY

Construction Management Sequence:

Construction Management is an interdisciplinary curriculum that provides a background in construction adminis-

tration, construction technology, architectural and engineering principles, applied science, and mathematics. The goal of the sequence is to prepare construction professionals capable of managing projects to completion from plans prepared by design professionals. Course work emphasizes the allocation of labor, equipment, and material to construction projects in order to achieve completion at maximum efficiency of time and cost. The program focus is on production and management capabilities. The Construction Management sequence is accredited by the American Council on Construction Education (ACCE). Graduates are prepared to assume leadership positions in residential, commercial and specialty construction. Initial employment may include: field supervision, project management, estimating, and scheduling. Positions are also available in related areas such as code enforcement, construction financing, product sales, quality control, and safety management.

- 94 hours required.
- 20 hours in General Education: MQM 100; PSY/SOC 131; CHE 102; MAT 120; PHY 105; and 3 hours from one of the following: CHE 204; GEO 202, 207; or PHY 207.
- 13 hours in Industrial Technology core: TEC 100, 270, 313; ITK 155.02; HSC 272.
- 42 hours of required sequence courses: TEC 116, 120, 121, 123, 222, 223, 224, 226, 229, 292, 322, 325, 326, 327, and 394.
- 6 hours of sequence elective courses selected from the following: TEC 111, 211, 225, 240, 328, 329, 398 (3 hours); GEO 370.
- 10 hours from the College of Business and Department of Economics including: ACC 131; ECO 105; and FIL 185.
- 3 hours of sequence management electives from the following: HSC 385; MKT 230; TEC 320, 330, 370.

Graphic Communications Sequence:

Graphic Communications is a management-oriented technical curriculum related to the processes, products and opportunities within the diverse printing, publishing and packaging industries. Students will learn about technology and management practices related to the production of graphic media in its many forms. The goal of the sequence is to prepare professionals to enter the field in positions such as media manager, quality control specialist, project manager, sales representative, cost estimator, accounts manager, and production operations manager.

- 75 hours required.
- 17 hours in General Education: MQM 100; PSY/SOC 131; CHE 102; MAT 120; PHY 105.
- 16 hours in Industrial Technology core: TEC 100, 270, 313, 330; ITK 155.02; HSC 271.
- 36 hours of required sequence courses: TEC 116, 150, 152, 250, 253, 257, 351, 352, 353, 354, 356 and 358.
- 6 hours of sequence elective courses selected from the following: TEC 111, 151, 243, 244, 283, 317, 320, 345, 350, 370, 383, 398 (3 hours); ACC 131; COM 160; ECO 105; FIL 185.

Industrial Computer Systems Sequence:

Industrial Computer Systems is an interdisciplinary curriculum that provides a background in computer technology, software, programming, information imaging, and other industry-related technologies. The goal of the sequence is to prepare professionals for the management and supervision of technical computer systems in industrial settings. Course work emphasizes the use of computer systems to provide students with a diverse technical and professional background in communications, networking, interfacing, and electronic principles related to industrial computer systems.

- 81 hours required.
- 17 hours in General Education: MQM 100; PSY/SOC 131; CHE 102; MAT 120; PHY 105.
- 16 hours in Industrial Technology core: TEC 100, 270, 313, 330; ITK 155.02; HSC 385.
- 36 hours of required sequence courses: ITK 168; MAT 108; TEC 143, 151, 243, 244, 245, 283, 284, 319, 383, and 390.
- 12 hours of additional courses selected from the following: ITK 254; TEC 116, 150, 211, 216, 240, 250, 263, 317, 318, 320, 345, 348, 352, 370, 398 (3 hours).

Integrated Manufacturing Systems Sequence:

Integrated Manufacturing Systems is an interdisciplinary curriculum that provides experiences in the following areas: Product Design, Process and Production Control, or Industrial Plastics. The goal of the sequence is to prepare professionals capable of managing projects and processes in industrial settings. Course work emphasizes the management of people, processes, and materials through hands-on activities. Initial employment opportunities include: project management, process control, production management, product design, quality control support, and technical sales.

- 78 hours required.
- 17 hours in General Education: MQM 100; PSY/SOC 131; CHE 102; MAT 120; PHY 105.
- 16 hours in Industrial Technology core: TEC 100, 270, 313, 330; ITK 155.02; HSC 271.
- 30 hours of required sequence courses: TEC 111, 116, 130, 216, 233, 240, 263, 285, 292, and 392.
- 12 hours minimum of sequence elective courses selected from one of the following concentrations: Plastics Technology, Production and Process Control, or Product Design. Students should see the department advisor for specific course recommendations: TEC 212, 234, 244, 315, 317, 318, 345, and 384.
- 3 hours of department electives from the following: TEC 320, 370, or 398.

MINOR IN INDUSTRIAL TECHNOLOGY

- 21 hours required through advisement.
- 6 of the 21 hours required must be upper level coursework.
- No more than 9 hours from the Industrial Technology major program of study may be applied to the minor.

Courses must be chosen from the following list: TEC 111, 116, 120, 121, 123, 130, 143, 150, 151, 211, 212, 216, 222, 223, 224, 225, 226, 229, 233, 234, 240, 243, 244, 245, 250, 253, 257, 263, 270, 283, 284, 285, 292, 313, 315, 317, 318, 319, 320, 322, 325, 326, 327, 328, 330, 345, 348, 350, 351, 352, 353, 354, 356, 383, 384, 390, 392, 394; ITK 155.02 and HSC 271 or 272.

DOUBLE MAJOR

Degree Offered: B.S.

NOTE: Only core courses and acceptable substitutions (ITK 155.02; CHE 102; HSC 271; TEC 100, 270, 313 and 330; MAT 120; MQM 100; PHY 105; PSY/SOC 131) may be used to meet the requirements for a double major in Industrial Technology.

ALLOWABLE SUBSTITUTIONS FOR REQUIRED COURSES:

- —Acceptable substitution for ITK 155.02 is ITK 160.
- —Acceptable substitutions for CHE 102 are CHE 110 and 112, or CHE 140.
- —Acceptable substitution for MAT 120 is MAT 144 or 145.
- -Acceptable substitution for MQM 100 is ECO 138.
- —Acceptable substitutions for PHY 105 are PHY 108 or PHY 110.
- —Acceptable substitution for PSY/SOC 131 is PSY 110 or PSY 111.
- -Acceptable substitution for TEC 270 is MQM 220.
- —Acceptable substitutions for TEC 330 are ACC 131 and ACC 132.

MAJOR IN TECHNOLOGY EDUCATION

Technology Education includes: (1) a study of the concepts practiced in modern technological systems of energy utilization, communication, production, and transportation, and engineering-related fields; (2) the development of cognitive, psychomotor, and affective skills in these four areas related to the use of tools, materials, processes, resources, techniques, scientific principles, work (skill and organization), and products as well as their impacts on society; and (3) the professional competencies of planning, executing and evaluating instruction.

The following requirements are part of the entitlement program leading to certification; Secondary 6-12. Initial employment opportunities include: Junior High/Middle School Technology Teacher (middle school endorsement also requires PSY 302 and C&I 233), High School Technology Teacher, Vocational/Trade School Teacher, School District Technology Coordinator, Community/Junior College Instructor, Industrial Trainer/Instructor. A cumulative and major GPA of 2.50 is required for student teaching and graduation. The Technology Education Program is accredited by the Illinois State Board of Education (ISBE) and NCATE/CTTE.

- 84 hours required.
- 4 hours General Education: PHY 105.

- 35 semester hours of required technical core courses: TEC 101, 111, 116, 120, 130, 150, 201, 216, 243, 303; ITK 155.02; and MAT 108.
- 15 semester hours of additional Industrial Technology elective courses.
- 30 semester hours Professional Education courses that include: C&I 212, 214, 216; EAF 231 (EAF 228 or EAF 235 may also be used to meet this requirement); PSY 215; STT 399.33; TEC 203. Successful completion of 100 clinical hours required before student teaching.

MINOR IN TECHNOLOGY EDUCATION

- 25 semester hours of required technical core courses:
 TEC 111, 116 or 150, 120 or 130, 201, 203, 303; MAT 108; and PHY 105.
- In order to teach, students completing a minor in technology education must complete a sequence of professional education coursework and student teaching in another teacher certification endorsement area, and pass the Illinois State Board of Education content examination for technology education.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Technology Courses

100 INTRODUCTION TO INDUSTRIAL TECHNOLOGY

Lecture. Materials charge optional.

Study of Industrial Technology, programs in the department, and career opportunities in Technology Education and Industrial Technology.

101 INTRODUCTION TO TEACHING TECHNOLOGY

Incl Clin Exp. Lecture.

Methodological insights and understanding for teaching technical subject matter; emphasis on observing programs, developing, conveying and evaluating technologybased curricula.

110 INTRODUCTION TO MICROCAD

Not for cr maj/min. Lecture and lab. Materials charge optional.

Computer-assisted drawing using microCAD software to introduce basic command usage and procedures for graphic representation and drawing creation.

111 FUNDAMENTALS OF POWER TECHNOLOGY

PHY 105 or conc reg req. Lecture and lab. Formerly FOUNDATIONS OF INDUSTRIAL TECHNOLOGY.

Principles of electrical, electronic, mechanical, and fluid power components and systems as they apply to industrial applications.

116 TECHNICAL DRAWING

Lecture and lab. Materials charge optional.

Studies in graphical representation of technical ideas according to industry standards; emphasis on sketching, computer-aided drafting, and blueprint reading.

120 INTRODUCTION TO BUILDING CONSTRUCTION

3

3

3

Maj/min only or cons dept advisor req. Lecture. Materials charge optional.

Introduction to the principles, practices, and materials used in residential and light-commercial construction.

121 CONSTRUCTION METHODS 2

Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional.

Applications of the principles, practices, and materials used in residential and light-commercial construction.

123 CONSTRUCTION DOCUMENTS AND QUANTITY TAKEOFF

2

TEC 120 or conc reg req. Maj/min only or cons dept advisor reg. Lecture and lab.

Introduction to blueprint reading, construction specifications, and quantity takeoff procedures.

130 INTRODUCTION TO MANUFACTURING PROCESSES 3

Lecture and lab. Materials charge optional.

Secondary material processes including industrial machinery usage and study in the areas of forming, casting, separating, joining, and conditioning.

143 INTRODUCTION TO ELECTRONICS FOR DATA COMMUNICATION

MAT 108 and 120 req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly INTRODUC-TION TO ELECTRONICS DATA COMMUNICA-TIONS. Materials charge optional.

Overview of the fundamentals, concepts, and theory of basic electronics essential to telecommunications systems.

150 GRAPHIC COMMUNICATIONS TECHNOLOGY

Maj/min only or cons dept advisor req. Lecture and lab. Formerly FUNDAMENTALS OF PRINTING AND IMAGING TECHNOLOGIES. Materials charge optional.

Introduction to the history, vocabulary, tools, materials, and process of the graphic communications industry.

151 INTRODUCTION TO INDUSTRIAL COMPUTER SYSTEMS

Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional.

Study and use of basic methods, materials, software and equipment used in industrial computer applications for imaging, graphics, and communications.

152 DIGITAL MEDIA APPLICATIONS 3

Maj/min only or cons dept advisor req. Lecture and lab. Study of technology used for digital media and communications.

175 LIVING IN A

TECHNOLOGICALWORLD MC-IS

ENG 101 or COM 110 req or conc reg req. Also offered as SOC 175. May not be taken under the CT/NC option. Lecture.

Interdisciplinary course that analyzes social change through the lens of technology.

201 TEACHING TRANSPORTATION TECHNOLOGY

TEC 101 or demonstrated equiv competencies req. TEC 111 and 116 or conc reg req. Lecture and lab.

Instruction and practice developing and teaching transportation technology curricula, understanding teacher roles, acquiring transportation background knowledge, and teaching strategies.

203 COMPETENCIES FOR TEACHING 4

TEC 101 and 275 req. C or better in C&I 216 or PSY 215 or conc reg req. Incl Clin Exp. Conc reg in Student Teaching and Adm to Prof Studies req. CR/NC only. Lecture.

Curriculum planning, teaching, and evaluation strategies, and professionalism for Technology Education teachers.

211 ARCHITECTURAL DRAFTING

TEC 110 or 116 req. Lecture and lab. Materials charge optional.

Problem approach to architecture; emphasis on residential planning and construction. Laboratory devoted to development of working drawings.

212 MECHANISM DESIGN

3

TEC 116 req. Lecture and lab. Formerly MACHINE DESIGN. Materials charge optional.

Applied kinematic design analysis and techniques common to the design of mechanisms using analytical and graphical methods.

216 COMPUTER-AIDED DESIGN AND DRAFTING

3

TEC 116 req. Lecture and lab. Materials charge optional. Intermediate course focusing on CAD, especially management principles, design dimensioning and tolerancing, and solid modeling within an industrial CAD environment.

222 MECHANICAL AND ELECTRICAL SYSTEMS FOR BUILDINGS

3

TEC 120; MAT 120; and PHY 105 req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly MECHANICAL SYSTEMS FOR BUILDING. Materials charge optional.

Introduction to design, operation, and installation of heating, ventilation, air conditioning, plumbing, fire protection, and electrical systems.

223 SURVEYING AND BUILDING LAYOUT

3

TEC 120 req. MAT 120 req. Maj/min only or cons dept advisor req. Lecture and lab.

Principles and practices of surveying, building layout, and project control.

224 SOILS AND FOUNDATIONS

3

TEC 120, 121 req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly CONCRETE STRUCTURES AND FOUNDATIONS.

Principles and practices used in concrete and masonry structures and the affect of soil characteristics on foundation design and construction.

225 CONSTRUCTION EQUIPMENT MANAGEMENT

3

TEC 120 req; TEC 121 req or conc reg req. Maj/min only or cons dept advisor req. Lecture.

Equipment productivity, selection, allocation, economics, and safety related to residential and commercial construction.

226 CONSTRUCTION CONTRACTS AND LAW

2

TEC 120 req. Maj/min only or cons dept advisor req. Lecture.

Duties, rights, and liabilities of all parties to a construction contract.

229 COST ESTIMATING AND PROJECT PLANNING

3

TEC 116 and 123 req. MAT 120 req. Maj/min only or cons dept advisor req. Lecture and lab.

Integrated approach to the fundamentals of construction cost estimating, project planning, and scheduling.

233 CNC AND MACHINING 3

TEC 111, 130 req; TEC 216 or conc reg req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly METALS MACHINING PROCESSES. Materials charge optional.

An introduction to metals machining processes with an emphasis on automation using Computer Numerical Control (CNC).

234 ROBOTIC SYSTEMS INTEGRATION 3

TEC 116; TEC 111 or 143 req. Lecture and lab. Formerly COMPUTER CONTROLLED EQUIPMENT IN MANUFACTURING. Materials charge optional.

An introduction to robotics including common applications, programming, safety, and integration principles.

240 ELECTRIC CIRCUITS AND MACHINES

TEC 111 or TEC 143 or conc reg req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly AC/DC CIRCUIT ANALYSIS. Materials charge optional.

Electrical principles and applications including circuit diagrams, switches, relays, motors, and transformers.

243 COMPUTER NETWORKING SYSTEMS

ITK 155.01 or 155.02 or 160 or BTE 225 reg. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional.

Implementation of the principles of local area network architecture, including server and client hardware specifications and configurations.

244 DIGITAL ELECTRONICS

3

Demonstrated equiv competencies req. Lecture and lab. Materials charge optional.

Operation, characteristics, and applications of discrete and integrated solid state devices in selected digital circuits.

245 FUNDAMENTALS OF OPERATING SYSTEMS IN INDUSTRIAL APPLICATIONS

TEC 151 or conc reg req. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional.

The introduction of operating systems software to enhance productivity, control, and connectivity, using open source code and proprietary systems.

250 GRAPHIC MEDIA COMPOSITION

TEC 150 or COM 240 req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly ELECTRONIC IMAGING TECHNOLOGIES. Materials charge

Study of graphic media production technology to plan and create documents including advertisements, brochures, books, packages, and e-books.

253 IMAGE CAPTURE AND EDITING

TEC 150 reg. Maj/min only or cons dept advisor reg. Lecture and lab. Formerly PHOTOMECHANICAL AND DIGITAL IMAGING SYSTEMS. Materials charge optional.

Digital photography, scanning, image editing software tools, PostScript output, halftones, tone reproduction, densitometry, and reproduction concerns.

257 PRINT MEDIA PRODUCTION

TEC 150 req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly IMAGE TRANSFER TECHNOLOGIES. Materials charge optional.

A study of printing production processes including lithography, flexography, screen printing, and digital printing production.

263 AUTOMATED FLUID POWER SYSTEMS

TEC 111 or 143 req. Maj/min only or cons dept advisor reg. Lecture and lab. Formerly FLUID POWER MECHANICS. Materials charge optional.

Theory and operation of fluid power circuits and intermediate level PLC (Programmable Logic Controller) programming.

270 MANAGING TECHNOLOGICAL **SYSTEMS**

PSY/SOC 131 or conc reg req. Maj/min only or cons dept advisor req. Completion of 45 hrs req. Lecture. Formerly TEC 311 MANAGING INDUSTRIAL OPERATIONS.

Principles, practices and methods used to plan, organize, lead, and control technological systems.

275 TECHNOLOGY AND OUALITY OF LIFE OC-SMT

Inner Core req. MC-QR or MC-IS category req. Lecture. Future-oriented course that analyzes the interface of technology with social forces that cause social change and affect quality of life; includes technological assessment.

283 INFORMATION AND IMAGING TECHNOLOGIES

C or better in TEC 151 reg. Maj/min only or cons dept advisor rea. Lecture and lab.

Principles of information and imaging systems including databases, web design, and digital imaging.

284 TECHNICAL COMPUTER APPLICATIONS

ITK 168 reg, and TEC 283 or conc reg reg. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional.

Application of computer hardware and software solutions to industrial production and control problems.

285 INDUSTRIAL PLASTICS

TEC 130 or conc reg req. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional. Resins, processing, fabrication, injection molding, extrusion, rotational molding, compression molding, thermoforming, fiberglass lay-up, identification and testing.

292 MATERIALS TECHNOLOGY

MAT 120 or conc reg req. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional. Introduction to engineering materials, strengths of materials, and standardized testing procedures for determining mechanical and physical properties.

301 ADVANCED METHODS OF TEACHING TECHNOLOGY EDUCATION

Tech Ed major, grad student, alt certification, or provisionally certified teachers only. Not for cr maj/min if had TEC 101. Lecture.

Conceptual foundations and methodologies for teaching a standards-based technology education program at the elementary, middle-level, or secondary school.

302 TEACHING TECHNOLOGICAL DESIGN AND PROBLEM SOLVING

Education major, graduate student, or practicing teachers only. Lecture. Materials charge optional.

Foundation and methodology concepts used to deliver technology-based design and problem solving in the elementary, middle-level, and secondary classroom/laboratory.

303 ENGINEERING DESIGN

TEC 216 req. MAT 108 and PHY 105 or conc reg req. Lecture and lab. Materials charge optional.

Foundational concepts of engineering design including history, technology, tools, computer applications, pedagogical, and professional issues.

306 COORDINATION TECHNIQUES OF COOPERATIVE VOCATIONAL EDUCATION PROGRAMS

Also offered as BTE/FCS 382. Incl Clin Exp.

Coordination techniques needed for high school and postsecondary teacher-coordinators in integrating classroom activities with daily employment.

313 QUALITY SYSTEMS FOR TECHNOLOGY

3

MQM 100 req; MAT 120 req; 8 hrs in a TEC seq req. Maj/min only or cons dept advisor req. Lecture. Formerly STATISTICAL QUALITY CONTROL.

A managed quality system using statistical tools; control charts, paretos, histograms, scattergrams, flowcharts and problem-solving techniques for continuous improvement.

315 COMPUTER-AIDED DESIGN FOR MANUFACTURABILITY

3

TEC 130 and 216 reg. Lecture and lab.

Design decisions and product manufacturability interaction, concurrent engineering tools, database development, applications in electromechanical design, FMS, etc.

317 COMPUTER-AIDED RENDERING AND ANIMATION

3

TEC 211 or 216 or cons inst req. Lecture and lab. Using computer systems to create renderings and animated presentations of design ideas in an industrial or architectural setting.

318 PRODUCT MODELING AND ANALYSIS

3

TEC 216 req. Maj/min only or cons dept advisor req. Lecture and lab.

Surface and solid modeling of parts and assemblies; parametric/associative design; mass properties analysis; interfacing to manufacturing and analysis programs.

319 COMPUTER GRAPHICS

3

C or better in TEC 283 req. Maj/min only or cons dept advisor req. Lecture and lab.

Combination of graphic techniques and computer programming as means of industrial communication applied to solution and interpretation of technological problems.

320 PROJECT MANAGEMENT

3

TEC 270 and completion of 60 hrs req. Lecture. Fundamentals of project management emphasizing planning techniques to meet stakeholder expectations regarding project scope, time, cost, and quality.

322 BUILDING CODES AND INSPECTION 2

TEC 120 or 211 req. Maj/min only or cons dept advisor req. Jr standing req. Lecture.

Analysis of model building codes and their application and administration for minimum standards of public safety and welfare.

325 COMPUTERIZED ESTIMATING AND SCHEDULING

3

TEC 222, 224, and 229 req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly CONSTRUCTION SCHEDULING AND FINANCE.

Integrated approach to computerized estimating and scheduling as methods of project control.

326 CONSTRUCTION FINANCE AND ACCOUNTING

3

ACC 131, ECO 105; and MAT 120 req. Maj/min only or cons dept advisor req. Lecture and lab.

Practical application of financial and accounting fundamentals specific to the construction industry.

327 DESIGN OF BUILDING STRUCTURES 3

TEC 292; MAT 120; and PHY 105 req. Maj/min only or cons dept advisor req. Lecture.

Analysis and design of permanent and temporary structural systems for wood, steel, and concrete construction.

328 RESIDENTIAL DEVELOPMENT 3

ECO 105; TEC 229 and Jr standing req. Maj/min only or cons dept advisor req. Lecture.

Principles and practices of residential development including land acquisition and improvement, regulations, construction, and sales.

329 SUSTAINABLE BUILDINGS AND URBAN DEVELOPMENT

3

TEC 120 or 211 and Jr standing req. Maj/min only or cons dept advisor req. Lecture.

Principles and practices of sustainable development in urban environments including building, transportation, and neighborhoods.

330 APPLIED ECONOMIC ANALYSIS FOR TECHNOLOGISTS

3

MAT 120 and six cr hrs of 200-level TEC coursework.

Maj/min only or cons dept advisor req. Lecture and lab.

Applied economic techniques used to determine the relative worth of alternative systems, products, and services.

345 PROCESS CONTROL NETWORKS 3

TEC 240 and 263 or demonstrated equiv competencies req. Lecture and lab. Formerly INDUSTRIAL PROCESSOR CONTROL. Materials charge optional.

Programmable Logic Controller (PLC) programming within process control networks connecting machines, devices, sensors, and computers.

348 SELECTED TOPICS IN INDUSTRIAL COMPUTER SYSTEMS

3

TEC 245 and compl of 75 hrs or cons inst req. Maj/min only or cons dept advisor req. May repeat if content differs; max 6 hrs. Lecture and lab. Materials charge optional.

Study of advanced topics in computer technology, with laboratory experiences that apply current knowledge and skills.

349 TECHNICAL WRITING II

3

ENG 249 or grad standing req. Also offered as ENG 349. Lecture. Materials charge optional.

Instruction and practice in editing, proposals, and analytical writing; attention given to style manuals, research writing, and (as needed) publication.

350 FLEXOGRAPHY

3

TEC 257 req. Maj/min only or cons dept advisor req. Lecture, lab and field trips. Formerly THE FLEXO-GRAPHIC PRINTING INDUSTRY. Materials charge optional.

Study of technology and management practices used in flexographic printing businesses.

351 ADVANCED IMAGE TRANSFER SYSTEMS

TEC 257 req. Maj/min only or cons dept advisor req. Lecture and field trips.

Advanced study of the printing processes, materials, and converting processes used in the production of high volume print products.

352 ADVANCED PRE-PRESS TECHNOLOGY

TEC 250 reg. Maj/min only or cons dept advisor reg. Lecture, labs and field trips. Formerly ADVANCED PRE-PRESS TECHNIQUES. Materials charge optional.

Utilization of advanced pre-press methods and technologies in the creation and management of print media.

353 COLOR MANAGEMENT

TEC 253 req. Maj/min only or cons dept advisor req. Lecture, labs and field trips, Formerly COLOR REPRO-DUCTION TECHNIQUES. Materials charge optional.

Study of color theory and measurement, device calibration and profiling, color reproduction variables, color proofing, and color management workflow.

354 PRINT PRODUCTION

PLANNING AND **PROFITABILITY**

TEC 351 req. Maj/min only or cons dept advisor req. Lecture. Formerly MANAGING PRINTING AND IMAGING TECHNOLOGIES.

Printing production workflow analysis, cost estimating. scheduling, job costing, and profitability. Use of computerassisted management software.

356 GRAPHIC COMMUNICATIONS **BUSINESS PRACTICES**

TEC 354 reg. Maj/min only or cons dept advisor reg. Lecture. Formerly MANAGING PRODUCTION IN PRINTING/IMAGING TECHNOLOGIES.

Current management trends in the profession, with specific emphasis on production management and legal issues for graphic communications businesses.

358 DIGITAL MEDIA MANAGEMENT

TEC 152, 250 req. Maj/min only or cons dept advisor req. Lecture, labs and field trips. Materials charge optional.

Study of web publishing, digital asset management, variable data printing, and networking issues for graphic communications businesses.

370 SUPPLY CHAIN LOGISTICS

TEC 270 or conc reg req. Maj/min only or cons dept advisor req. Compl 60 hrs or graduate standing req. Lecture.

Supply chain networks for technology-based companies. Activities associated with transforming goods from raw materials through delivery to end user.

383 TELECOMMUNICATIONS TECHNOLOGY

TEC 243 or ITK 254 req. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional. Interfacing computers locally and through telecommunications networks. Identification of existing standards and hardware and evaluation of specific needs.

384 PLASTICS MOLDING **PROCESSES**

TEC 285 req. Lecture and lab. Materials charge optional. Advanced theory and practice related to plastics injection molding and extrusion: process control, molds and dies, and auxiliary equipment.

390 INDUSTRIAL COMPUTER APPLICATIONS

TEC 270 and PHY 105 reg; 9 senior hrs of technical courses in Industrial Computer Systems Seg reg. Maj/min only or cons dept advisor req. Lecture and lab. Materials charge optional.

Development of managers and supervisors with technical and professional background in communications, networking, and interfacing, related to computer systems.

392 MANUFACTURING ORGANIZATION AND MANAGEMENT

TEC 270 and 9 senior hrs of technical coursework in the Integrated Manufacturing Systems Seq and senior standing or cons inst req. Maj/min only or cons dept advisor req. Lecture and lab. Formerly INDUSTRIAL PRODUCTION. Materials charge optional.

The study of industrial production systems including product, manufacturing, and plant engineering through the managing of a production project.

394 CONSTRUCTION MANAGEMENT AND ADMINISTRATION

TEC 226; 325 or conc reg req; TEC 398 or 800 hrs documented construction experience req. Maj/min only or cons dept advisor req. Lecture and lab.

Principles, practices, and standard documentation utilized in construction project management and administration.

398 PROFESSIONAL PRACTICE:

DEPARTMENT OF TECHNOLOGY

1-8

Major only. ISU overall and major GPA of 2.50 and cons of Dept Prof Pract Coord req. No more than 3 hrs may apply toward maj. May be repeated: max 16 hrs applicable for graduation. Evidence of health insurance req. Please see student manual for additional information and application procedures. CR/NC only.

Planned and supervised management-oriented work-study experiences in businesses, industries, and governmental agencies. Forty hours of work per credit hour. Internship and Coop options listed separately below.

398.02 PROFESSIONAL PRACTICE: INTERNSHIP IN

TECHNOLOGY

Must have completed at least 30 hrs of college course work. Compl 12 hrs coursework at ISU. TEC 100-level req courses and three hrs of 200/300-level courses in your TEC sequence. CR/NC only.

Eight-week full-time/320 hours part-time minimum work term duration.

398.52 PROFESSIONAL PRACTICE: **COOP IN TECHNOLOGY**

1-8

TEC 100-level req courses req. CR/NC only.

Eight-week full-time/320 hours part-time minimum work term duration; 3 work terms minimum.

COLLEGE OF ARTS AND SCIENCES

Dean: Gary A. Olson, 141 Stevenson Hall.

Web address: www.lilt.ilstu.edu/cas/

The College of Arts and Sciences provides the opportunity for a liberal education in addition to the attainment of career-oriented skills. The College includes the Departments of Biological Sciences, Chemistry, Economics, English, Geography-Geology, History, Languages, Literatures, and Cultures, Mathematics, Philosophy, Physics, Politics and Government, Psychology, Sociology-Anthropology, Speech Pathology and Audiology, and the Schools of Communication and Social Work, as well as the program in Women's and Gender Studies. The College offers the core of the General Education Program required of all undergraduates, a wide range of academic major and minor programs for meeting baccalaureate degree requirements, master's programs in most disciplines and doctoral programs in Audiology, Biological Sciences, English Studies, Mathematics, and Psychology. Course offerings span the humanities, social and behavioral sciences, natural sciences, and mathematics.

Foreign Language Requirement:

All graduates of the College of Arts and Sciences must satisfy a foreign language requirement that may be met by: 3 years of one foreign language in high school or completion of the second semester or higher of collegelevel foreign language with a grade of C or better or equivalent proficiency as determined by examination. American Sign Language may be used to fulfill this requirement by transfer credit or by proficiency.

ENGLISH LANGUAGE INSTITUTE

Under the auspices of the College of Arts and Sciences, the English Language Institute (ELI) provides a special non-degree intensive program (20-hours per week) in English as a Second Language for international students who wish to increase their English proficiency for college-level work or for international students on exchange programs. After the first semester, qualifying students can enroll in one regular University class in addition to their ELI program. In general, students enroll at ELI as full-time students for a semester or more.

Although admission to ELI does not guarantee subsequent admission to a degree program at the University, ELI students who attain a satisfactory TOEFL score can be admitted to a degree program at the University, provided they also meet the other requirements for admission. Hence, international students who do not have the minimum TOEFL score for admission to a degree program are encouraged to attend ELI first to prepare for admission to such a program at the University.

For further information, contact the English Language Institute, Campus Box 6123; Fax: (309) 438-3031; phone: (309) 438-2072; Web site: www.cas.ilstu.edu/office/internationalaffairs/eli.

ARTS AND SCIENCES PROGRAMS

The College of Arts and Sciences participates in the Major in Interdisciplinary Studies and the minors in African-American Studies; African Studies; Children's Studies; Cognitive Science; Environmental Studies; Ethnic and Cultural Studies; International Studies; Latin American, Caribbean, and Latino/a Studies; Middle Eastern and South Asian Studies; Peace and Conflict Resolution Studies; and Women's and Gender Studies. For further information, please consult the section entitled "University-Wide Curriculum" in this *Undergraduate Catalog*.

Women's and Gender Studies Program (WGS) 426

Rachel Cooper 237, Campus Box 4260, (309) 438-2947 Web address: www.womensandgenderstudies.ilstu.edu

Director: Alison Bailey 237 Rachel Cooper, Campus Box 4260 (309) 438-2947

The minor in Women's and Gender Studies enhances any undergraduate major by integrating a working knowledge of gender issues with the student's field(s) of study. Women's and Gender Studies employs gender as an analytical category, along with race, class, and ethnicity, to focus on women's contributions to society and the gendered implications of cultural, political, and economic processes. By broadening a student's knowledge base, this interdisciplinary minor has theoretical and practical applications for scholarship, the workplace, personal growth and relationships.

- 21 hours required.
- Required courses: WGS 120; ENG 160; HIS 261 or HIS 262; PHI 246.
- 9 hours of additional courses from: ANT 270; CJS 339; COM 128 or ENG 128 or LAN 128; ENG 206 or LAN 206; ENG 260, 261, 360; FCS 112 or HIS 112 or SOC 112; FCS 233; HIS 261 or HIS 262 if not chosen to fulfill requirement, HIS 264, 330; PHI 202; POL 225, 337, 338; PSY 123 or SOC 123; PSY 305; SOC 264, 341, 366; WGS 390, 391, 398.

NOTE: This program must be planned in consultation with the Women's and Gender Studies director or advisor. With their approval courses other than those listed above may be counted toward the minor.

BIOLOGICAL SCIENCES (BSC) 412

210 Julian Hall, (309) 438-3669 Web address: www.bio.ilstu.edu

Chairperson: H. Tak Cheung. Tenured/Tenure-track Faculty:

Distinguished Professors: Anderson, Juliano, Sakaluk, Wilkinson. Professors: Armstrong, Cheung, Garris, Jayaswal, Katz,

Otsuka, Preston, Whitman, Williams.

Associate Professors: Byers, Capparella, Cook, Edwards,

Gatto, Loew, Moore, Nichols, Perry, Rubin, Vogel.

Assistant Professors: Bowden, Sedbrook.

General Department Information

Admission Requirements:

Students may be admitted into the major from a pool of qualified applicants on the basis of individual qualifications. Students are admitted into the major on a competitive and selective basis. New freshmen are required to have completed one year of high school biology and one year of high school chemistry. Four years of high school mathematics and one year of physics are highly recommended.

New and Internal Transfer Student Requirements:

- A. Students transferring to Illinois State University with fewer than 45 hours completed are admitted the same as new freshmen and must have a minimum 2.50 GPA.
- B. Transfer students with 45 or more hours must have received a C or better in Fundamentals of Chemistry with Lab or General Chemistry I, one four-hour course in biology with lab, and Finite Mathematics or Calculus I.
- C. Illinois State University students wishing to change their major to Biological Sciences who have completed fewer than 45 hours are admitted the same as new freshmen and must have a minimum 2.50 ISU GPA. Students with 45 or more hours must have received a C or better in Fundamentals of Chemistry with Lab or General Chemistry I, one four-hour course in biology with lab, and Finite Mathematics or Calculus I.

ASSOCIATED MINORS

The Department of Biological Sciences participates in two interdisciplinary minors at the University. Course work offered by the Department contributes to the following: Minor in Cognitive Science and Minor in Environmental Studies. For further information on these minors and their advisors, consult the University-Wide Curriculum section in this *Undergraduate Catalog*.

HONORS IN BIOLOGICAL SCIENCES

In order to graduate with honors in Biological Sciences, a student must complete: (1) all regular requirements for the Biological Sciences Major; (2) 1 semester biochemistry; (3) Mathematics through 2 semesters of calculus; (4) 12 hours of Biological Sciences on a tutorial

basis (i.e., in-course honors) with a grade of A or B in each; (5) 3 hours of BSC 299; (6) 1 hour BSC 303; and (7) have at the time of graduation a cumulative GPA of at least 3.30 and at least 3.50 in Biological Sciences courses.

Biological Sciences Programs

Degrees Offered: B.S.

MAJOR IN BIOLOGICAL SCIENCES

- 37 hours in Biological Sciences required.
- Required courses: BSC 196, 197, 201, 203, 219, 220, 297, and 304 or 293; CHE 220 or 230 and 231; PHY 105, 108 or 110; MAT 120 and MAT 121 or MAT 145 and MAT 146. ECO/GEO/POL/PSY 138 may be substituted for MAT 146.
- Electives must include two courses with laboratories.
 BSC 202, 307, and Biological Science courses below
 195 may not be used in the major.
- A minimum of 12 hours in Biological Science courses must be completed at Illinois State University.

Organismal Biology and Public Outreach Sequence:

Majors selecting this sequence seek broad organismal expertise and experience in public outreach for science education. This sequence is designed for students seeking educational jobs and careers in arboreta, botanical gardens, environmental and nature centers, museums, and zoos. The minimum requirements for this sequence are:

- 39 total hours in Biological Sciences required.
- 23 hours core courses required: BSC 196, 197, 201, 203, 219, 220, 297, and 304.
- 14 hours minimum in organismal courses required, at least two of which must be laboratory courses (*): BSC 211*, 212*, 222*, 223*, 283*, 286*, 290, 292*, 295*, 296, 301*, 308*, 325, 330*, 334*, 335/336*, 337*, 378/379*, 395, 396*.
- Obtain a minimum of 120 hours of direct experience in public outreach (2 credit hours of Professional Practice, BSC 398).
- A laboratory course in organic chemistry (CHE 220 or 230 and 231), a laboratory course in general physics (PHY 105, 108, or 110), and Mathematics (MAT 120 and 121 or MAT 145 and 146). Either ECO 138, GEO 138, POL 138, or PSY 138 may substitute for MAT 146.

Teacher Certification Sequence:

Students pursuing a Biological Sciences major may be certified to teach high school science.

Before being admitted to the University Professional Studies program (see University-Wide Teacher Education program requirements in this *Undergraduate Catalog*), the Biological Sciences major must meet departmental requirements for admission. Students should see the departmental Teacher Education advisor for information.

Admission Requirements for Biological Sciences Teacher Education:

Students may be admitted into the major from a pool of qualified applicants on the basis of individual qualifications. Students are admitted into the major on a competitive and selective basis. New freshmen are required to have completed one year of high school biology, one year of high school chemistry, and two years of high school foreign language. Four years of high school mathematics and one year of high school physics are highly recommended.

New and Internal Transfer Requirements:

- A. Students transferring to Illinois State University with fewer than 45 hours completed are admitted the same as new freshmen and must have a minimum 2.50 GPA.
- B. Transfer students with 45 or more hours must have received a C or better in the following courses: General Chemistry I, Finite Mathematics or Calculus I, Speech, Composition, and Molecular and Cellular Basis of Life (BSC 197), or Biological Diversity (BSC 196), or equivalents. Students must have a minimum 2.50 GPA.
- C. Illinois State University students wishing to change their major to Biological Sciences Teacher Education who have completed fewer than 45 hours are admitted the same as new freshmen and must have a minimum 2.50 ISU GPA. Students with 45 or more hours must have received a C or better in the following courses: BSC 196 or BSC 197, CHE 140, COM 110, ENG 101, and MAT 120 or 145. Students must also have a minimum 2.50 ISU GPA.

Consult the Teacher Education advisor for updated requirements.

- 40 hours in Biological Sciences required.
- Required courses: BSC 161, 196, 197, 201, 203, 219, 220, 231, 297, 302 and 307; CHE 140, 141 and either CHE 220 or CHE 230/231; GEO 102 or 202; PHY 105 or 108; MAT 120 or 145; ECO 138, or GEO 138, or POL 138 or PSY 138.
- 11 hours of electives are required, including two courses with laboratories; BSC 202 and Biological Science courses below 182 may not be used in the major.
- A minimum of 12 hours in Biological Science courses must be completed at Illinois State University.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

MINOR IN BIOLOGICAL SCIENCES

Biological Sciences Sequence:

- 24 hours in Biological Sciences required.
- Required courses: BSC 196 and 197.
- At least 12 of the elective hours must be 200- or 300level courses. BSC 100 and 307 may not be used as electives in the minor.

MINOR IN BIOLOGICAL SCIENCES

For Teacher Education:

- 24 hours in Biological Sciences required including at least 8 hours of Botany with lab and 8 hours of Zoology with lab
- Required courses: BSC 196, 197 and 307 (2 or 3 hours, depending on major).
- Electives: at least 4 hours of botany with lab and 4 hours of zoology with lab. At least 8 hours must be 200- or 300-level courses.

NOTE: In order to be certified to teach biological sciences in the State of Illinois, candidates must also take 8 hours of chemistry and/or physics.

Biochemistry/ Molecular Biology Program

Degrees Offered: B.S.

This Biochemistry/Molecular Biology Program (BMB) is cross-listed by the Departments of Chemistry and Biological Sciences.

HONORS IN BIOCHEMISTRY/MOLECULAR BIOLOGY

Students can receive BMB Honors with additional course work. Additional requirements include: (1) participation in the University Honors Program, (2) a cumulative grade point of 3.30, as well as a 3.50 average in Biochemistry/Molecular Biology, and (3) the courses: MAT 147, PHY 110 and 111, BSC/CHE 299**, 8 hours of foreign language and one of the following: a computer programming course, CHE/PHY 318, or CHE 380.37.

**Students intending to pursue Departmental Honors in BMB should contact the BMB Program Coordinator prior to enrolling in CHE 230. To receive BMB Honors, two semester hours credit in BSC/CHE 299 must be completed and result in a research paper written in a style acceptable for thesis research. The research paper must be defended in a program seminar.

MAJOR IN BIOCHEMISTRY/MOLECULAR BIOLOGY PROGRAM

- 34 hours required in Chemistry, 19 hours in Biological Sciences and 1 hour in Biochemistry/Molecular Biology Seminar
- Required courses: CHE 140, 141, 215, 230, 231, 232, 233, 315, 342, 343, 344, 360, 361; BSC 196, 197, 203, 219, 220, 350; BSC/CHE 310.
- 1 year of calculus (MAT 145 and MAT 146) and 1 year of physics (PHY 108 and 109 or PHY110 and 111) must be completed prior to enrolling in CHE 360 or CHE 361.
- The following courses are in the General Education program: BSC 196, 197; CHE 140; MAT 145; PHY 108, 110.
- The following general electives are highly recommended: 1 year of a foreign language, a course in computer programming, and a course in technical writing (ENG 249 Technical Writing).
- Optional electives, in consultation with the BMB Advisor, may be selected from the following: BSC 253, 260, 283, 305, 321, 326, 329, 353, 354, 361, 367, 368, 380; 389.28; CHE 290, 350, 351, 362, 363, and certain CHE 380-level courses with approval of the BMB advisor.
- American Chemical Society Certification can be obtained by completing the Chemistry major requirements. Additional requirements include CHE 350, 351, 362, 363.
- Molecular Biology Emphasis: recommended courses include BSC 260, 353, and 354.

Biochemistry/Molecular Biology Course

310 BIOCHEMISTRY/MOLECULAR **BIOLOGY SEMINAR**

BSC 197, BSC 203 or 219; CHE 215, CHE 342 reg. Also offered as CHE 310.

Introduction to scientific literature searching and techniques of oral and written scientific communication, focusing on current topics in biochemistry/molecular biology.

Biological Sciences Courses

101 FUNDAMENTAL CONCEPTS IN BIOLOGY **IC-NS**

Not for cr maj/min. May not be taken under the CT/NC option. Lecture, recitation, and lab. Materials charge

Learning and applying biological concepts in the areas of health, medicine, environment, and ethics.

145 HUMAN BIOLOGY OC-SMT

Inner Core req. Not for cr maj.

Study of human biology in context of science, technology, and culture, emphasizing technological advances in medicine, disease prevention, and public health.

160 MICROBIOLOGY

AND SOCIETY

OC-SMT

Inner Core req. Not for cr maj. Not for cr if had BSC 260. Lecture and lab. Materials charge optional.

Introduction to microorganisms, their diversity, and their impact on society as agents of disease, in the environment, and in useful applications.

161 INTRODUCTION TO TEACHING SCIENCE SEMINAR

Compl of one sem college science req. Teacher Ed maj only. Also offered as CHE 161.

Introduction to the nature of scientific inquiry, and researchbased skills in science teaching and learning.

170 GENETICS AND

SOCIETY

OC-SMT

3

Inner Core req. Not for cr maj.

Overview of human heredity in context of biology, society, and culture; impact on treatment of diseases, reproductive technology, agriculture, aging/longevity, and forensics.

181 HUMAN PHYSIOLOGY AND ANATOMY I

Not for cr maj. Lecture and lab. Materials charge optional.

Fundamentals of anatomy and physiology for students in Special Education, Health Education, Nursing, and Psychology.

182 HUMAN PHYSIOLOGY AND ANATOMY II

BSC 181 req. Not for cr maj. Lecture and lab. Materials charge optional. Not for cr if had BSC 183.

Fundamentals of anatomy and physiology for students in nursing and other health related professions.

196 BIOLOGICAL DIVERSITY **IC-NSA**

Lecture and lab. May not be taken under the CT/NC option. Materials charge optional.

Introduction to structure and function of the major groups of microorganisms, plants, and animals, emphasizing evolutionary relationships among the major groups.

197 MOLECULAR AND CELLULAR BASIS OF LIFE IC-NSA

Lecture and lab. May not be taken under the CT/NC option. Materials charge optional.

Introduction to molecules, processes, and cellular organization of living organisms.

201 ECOLOGY

BSC 196 and 197 req. Lecture, lab, and field trips. Materials charge optional.

Interactions between organisms and their environment at the individual, population, community, and ecosystem levels of organization.

202 HUMAN ECOLOGY OC-SMT

Inner Core req. MC-QR category req. Lecture. Formerly HUMANS AND THE BIOSPHERE. Not for cr maj.

Ecological principles underlying biosphere functions, human influence on the biosphere, application of ecological principles to solving and avoiding environmental problems.

203 CELL BIOLOGY

BSC 196, 197 reg. CHE 110 and 112 or 141 reg. Structure and function of cells with emphasis on protein structure-function, cell morphology, and cellular signaling.

211 ECONOMIC BOTANY

BSC 196 or AGR 150, and BSC 197 req. Lecture and lab. Materials charge optional.

Diversity, origins, and history of plant uses, concentrating on economically important plants of the world.

212 PRINCIPLES OF BOTANY

BSC 196 and 197 req. Lecture, lab and field trips. Materials charge optional.

An integrative approach to understanding plants, including their physiology, structure, development, genetics, evolution and ecology.

219 GENETICS

3

BSC 196 and 197 reg.

Mechanisms of heredity and genetic variation, including gene structure and function, transmission genetics, mutation, and genetic analysis.

220 LABORATORY IN MOLECULAR

GENETICS AND CELL BIOLOGY

BSC 203 req. BSC 219 or HSC 260 or conc reg req. Lecture and lab. Materials charge optional.

Use of current molecular biology techniques to investigate fundamental principles of heredity and cell biology.

222 PLANT DIVERSITY

BSC 196 and 197 req. Lecture and lab.

History and diversity of plant form and reproduction; survey of fossil and extant members of the plant kingdom.

223 ECOLOGY AND IDENTIFICATION OF PLANTS

BSC 196 and 197 reg. Lecture and lab. Ecology, phylogeny, and taxonomy of vascular plants.

231 LABORATORY METHODS IN TEACHING SCIENCE

BSC or CHE 161 req. Teacher Ed Maj only. Formerly

Introduction to laboratory-based teaching skills in science, intended to prepare students for inquiry-based high school teaching activities.

253 DEVELOPMENTAL BIOLOGY

BSC 203; CHE 220, or 230 and 231 req. Lecture and lab. Materials charge optional.

Embryogenesis and the cellular/biochemical mechanisms that control development.

260 MICROBIOLOGY

Organic chemistry or conc reg and BSC 196 and 197 req. Lecture and lab. Materials charge optional.

Uniqueness, diversity, ecology, molecular biology, and practical applications of microorganisms.

283 ANIMAL PHYSIOLOGY

BSC 196 and 197 reg; BSC 203 reg. Lecture and lab. Materials charge optional.

The physical and chemical basis of system physiology with reference to invertebrates and vertebrates.

286 ANIMAL BEHAVIOR

BSC 196 and 197 req. BSC 201 or conc reg req. Lecture, lab and field trips. Offered every third semester.

Adaptive significance of behavior and the proximate mechanisms underlying its expression. Emphasis is placed on an understanding of animal behavior within an evolutionary context.

290 RESEARCH IN BIOLOGICAL

SCIENCES

1-3

Project proposals must be approved by a supervising faculty member and undergrad advisor prior to reg. Students are expected to work (on average) a min of 3 hr per week for each hr of cr. May be repeated; max of 4 hrs from BSC 287, 298.01, 290, 299, or 398 may be counted toward maj req.

Field and/or laboratory research in one of the biological sciences involving a participation in the scientific process with faculty and graduate students.

292 INVERTEBRATE ZOOLOGY

BSC 196 and 197 req. Lecture and lab. Materials charge optional.

Diversity, phylogeny, comparative anatomy and physiology of invertebrate animals.

293 INTRODUCTION TO

UNDERGRADUATE RESEARCH

Completion of two of the following: BSC 201, 203,219; min 3.00 GPA; and cons of coordinator req.

Preparation for research in the biological sciences.

294 EVOLUTION AND PHYSIOLOGY OF FISHES

BSC 203 or cons inst req.

The course will focus on the biology of non-tetrapod aquatic vertebrates and their adaptations to exploit various aquatic niches.

295 COMPARATIVE VERTEBRATE ANATOMY

3

BSC 196 and 197 req. Lecture, lab, and field trip. Materials charge optional.

Evolution and comparative anatomy of vertebrates.

296 MAMMALIAN BIOLOGY

BSC 196 and 197 req. BSC 201 or conc reg req.

Introduction to origins, evolution, structure-function complexes, adaptive radiation, ecology, reproductive strategies, behavior and conservation biology of mammals.

297 BIOLOGICAL EVOLUTION

2

BSC 201, 203, 219 req. Not for cr if had BSC 390. Origin of life, molecular evolution, mechanisms of evolutionary change, natural selection, speciation, and contemporary issues in evolutionary biology.

298.01 PROFESSIONAL PRACTICE: CAREERS FOR HEALTH

PREPROFESSIONALS

Max 4 hrs from BSC 290, 298.01, 299, 305, and 398 may count toward maj req. Cons pre-med advisor req. CR/NC only.

Information and experience on careers in medicine, dentistry, osteopathy, podiatry, optometry, pharmacy, and veterinary medicine. Classroom and off-campus experience.

298.02 PROFESSIONAL PRACTICE: MENTORSHIP IN THE HEALTHCARE PROFESSIONS

Max 4 hrs from BSC 290, 298.01, 299, 290, and 398 may count toward maj req. BSC 298.01; BSC 203 and 219 with B or better; cons pre-med advisor req. CR/NC only.

Work in a mentorship environment with practicing professionals in specific areas of healthcare, including medicine, dentistry, optometry, and veterinary medicine.

301 ENTOMOLOGY

BSC 196, 197, and 201 reg. Lecture, lab, and field trips. Materials charge optional.

Biology and taxonomy of insects.

302 STUDENT TEACHING SEMINAR

Conc reg STT 399.03 req. Formerly BSC 389.33. Student teachers reflect on their teaching through on-line and web-based assignments as well as development of their professional portfolios.

303 SENIOR THESIS

BSC 201, 203, 219, 293, and min 3 credits of BSC 290 or 299; a min 3.00 GPA and cons of Undergrad Research Coord and faculty thesis advisor rea.

Preparation of a thesis based upon original research in the biological sciences.

304 SENIOR SEMINAR IN BIOLOGY

2 of the following req: BSC 201, 203, or 219.

Oral and written reports on current topics in biology.

306 REGIONAL AND AREA STUDIES

Field work req. Cons inst req.

Intensive on-site studies of organisms and their environments.

307 METHODS IN THE

TEACHING OF BIOLOGY

C&I 216 or equiv req. Incl Clin Exp: 40 hrs, Type 1-6. BSC Ed maj must register for 3 hrs; BSC Ed Minor, 2 or 3 hrs, depending upon maj. Adm to Professional

Strategies, curricula, and materials applicable to teaching secondary school science including 40 hours Clinical Experiences.

310 BIOCHEMISTRY/MOLECULAR BIOLOGY SEMINAR

BSC 197, BSC 203 or 219; CHE 215, CHE 342 req. Also offered as CHE 310.

Introduction to scientific literature searching and techniques of oral and written scientific communication, focusing on current topics in biochemistry/molecular biology.

325 ECOLOGICAL PHYSIOLOGY OF ANIMALS

BSC 201 and 203 req. Formerly 389.34.

Exploration of the physiological adaptations animals have evolved in response to habitat variation.

329 HUMAN GENETICS 3

BSC 203 and 219 rea.

Detection, expression, transmission, and molecular manipulation of human traits; emphasis on medical genetics.

330 PHYCOLOGY

3

BSC 201 or 203 or 219 reg. Lecture and lab. Formerly

Origin, evolution, diversity, systematics, cell biology, biochemistry, physiology, and ecology of terrestrial, freshwater, and marine algae.

335 PLANT TAXONOMY

BSC 222 or 223 reg; 1 of following reg: BSC 201, 203,

Classification of flowering plants; taxonomic characters and data, patterns of diversity, and methods of classification; distinguishing characteristics and names of major taxa, botanical nomenclature, and taxonomic reference tools.

336 LABORATORY IN PLANT IDENTIFICATION

1

BSC 335 or conc reg req.

Plant identification; identification tools and methods; descriptive morphology and terminology; field identification of flowering plants and major plant families; specimen collection, documentation, and curation.

337 RESTORATION ECOLOGY

BSC 201 or equiv, or cons inst req. Lecture and lab. Basic principles of ecological restoration with a focus on application to Midwestern ecosystems.

343 INTRODUCTION TO NEUROBIOLOGY

3

BSC 203 or cons inst req.

Cellular and molecular aspects of neuronal function; neurotransmitter families; central nervous system development, anatomy and function; and neuropathology.

345 INTRODUCTION TO ENDOCRINOLOGY

3

BSC 203 or cons inst req.

Cellular and molecular coordination of tissues which secrete chemical compounds to regulate growth, reproduction, metabolism, and ion homeostasis.

350 MOLECULAR BIOLOGY

BSC 203, 219; CHE 220, or 230 and 231 req. CHE 242 or 342 rec.

DNA structure and replication, the Genetic Code, transcription, translation, genetic regulation, RNA splicing, and transposons.

353 BIOTECHNOLOGY LABORATORY I: **DNA TECHNIQUES**

BSC 203, 219 and 260; CHE 220 or 230-232 reg. CHE 242 or 342 rec. Lecture and lab. Material charge optional. Not for cr if had BSC 352.

Application and theory of molecular techniques using prokaryotic systems, including DNA and protein analysis, DNA cloning and bacterial genetics.

354 BIOTECHNOLOGY LABORATORY II: CELL BIOLOGY TECHNIQUES

BSC 203; CHE 220 or 230-232 req. CHE 242 or 342 rec. Lecture and lab. Materials charge optional. Not for cr if had BSC 352.

Applications and theory of cell biology to study eukaryotic systems using biochemistry, cell culture, and immunology techniques.

355 GENOMICS AND BIOINFORMATICS 3

BSC 203, 219 reg.

Concepts and practice of genome sequencing and analysis, postgenomic applications and bioinformatics.

361 MICROBIAL PATHOGENS

4

BSC 203 and 260 req. Lecture and lab. Materials charge optional.

Pathogenesis, identification, cultivation, and classification of bacteria, viruses, fungi, and animal parasites associated with diseases of man.

362 MICROBIAL ECOLOGY AND EVOLUTION

4

BSC 260 req. Lecture and lab. Materials charge optional.

Ecological, evolutionary, and microbiological principles examined through the study of interactions of microbes with each other and with their environment.

367 IMMUNOLOGY

. .

BSC 203 req. Lecture and lab. Materials charge optional.

Molecular, cellular, transplantation and tumor immunology; antimicrobial immunity; immunochemistry.

368 VIROLOGY

4

BSC 219 and 260 req. Lecture and lab. Materials charge optional.

Bacterial, avian, insect, plant, and mammalian viruses and their involvement in disease and cancer. Viral diagnostics.

375 STREAM ECOLOGY LECTURE

BSC 196, 197, 201, or cons inst and CHE 110 or equivalent. Not for cr if had BSC 389.30.

Introduction to the structure and function of stream ecosystems examining hydrology, geomorphology, chemistry, and ecology of stream ecosystems.

376 STREAM ECOLOGY LABORATORY

BSC 196, 197, 201 or cons inst and CHE 110 or equivalent req. BSC 375 or conc reg req. Not for cr if had BSC 389.30. Materials charge optional.

The integration of the geology, chemistry, zoology, and ecology of flowing waters and their conservation and restoration.

378 LIMNOLOGY

3

BSC 196, 197 and CHE 110 or 140 req. BSC 201 or conc reg req.

Limnology is the study of inland waters and integrates ecology and chemistry to create a basic understanding of lakes.

379 LIMNOLOGY LABORATORY

BSC 196, 197 and CHE 110 or 140 req. BSC 201 and 378 or conc reg req. Materials charge optional.

Limnology Laboratory is a hands-on study of inland water sampling and an integration of ecology and chemistry for understanding lakes.

383 PARASITOLOGY

4

BSC 203 and 260 req. Lecture and lab. Materials charge optional.

Host-parasite relationships, life histories, and morphology of arthropod, helminth, and protozoan parasites of animals.

396 AVIAN BIOLOGY

4

BSC 201 req. Lecture, lab, and field trips.

Origin, evolution, diversity, systematics, biogeography, morphology, physiology, ecology, behavior, and conservation biology of birds.

398 PROFESSIONAL PRACTICE: BIOLOGY

1-6

Jr standing in BSC with 2.50 GPA in all natural sciences req. May be repeated; max 16 hrs Prof Pract; no more than 4 hrs from BSC 290, 298.01, 299, 305 or 398 may be counted toward maj req. Cons dept Prof Pract advisor req. CR/NC only.

Practical experience through employment in agencies such as biological research facilities, zoological or botanical gardens, game reserves, or environmental service. One credit per 50-60 hours work experience.

CHEMISTRY (CHE) 416

214 Julian Hall, (309) 438-7661 Web address: www.che.ilstu.edu

Chairperson: Clifford Dykstra.
Tenured/Tenure-track Faculty:

Distinguished Professors: Lash, Stevenson.

Professors: Baur, Dykstra, Hansen, Jones, Shaw, Standard. Associate Professors: Ferrence, Friesen, Hitchcock, Hunter,

Nagorski, Quandt, Szczepura.

Assistant Professors: Cedeño, Hamaker, McLauchlan, Peters,

Turner, Weldon.

General Department Information

The Department of Chemistry is on the approved list of the American Chemical Society. Contact the department for specific certification requirements.

HONORS IN CHEMISTRY

Students majoring in Chemistry may be admitted to the Departmental Honors Program if they have (1) prior admission to the University Honors Program, (2) completed at least 30 hours of college-level courses, including at least 2 courses in Chemistry, (3) a cumulative GPA of 3.30, and (4) applied for admission to departmental honors to the Chemistry chairperson or honors advisor and received approval for admission into the program.

In order to graduate with honors in Chemistry, a student must complete (1) all regular requirements for the

162 Chemistry

Chemistry Major including PHY 110 and 111, (2) 5 hours of CHE 290 and/or 299, of which at least 3 hours are CHE 299, (3) completion of all requirements for American Chemical Society degree certification; (4) MAT 147; ITK 165, 168, or 3 hours in non-Chemistry SMT courses numbered 200- or higher level, (5) have at the time of graduation a cumulative GPA of at least 3.30 and at least 3.50 in Chemistry courses, and (6) fulfill the general requirements for participation in the University Honors Program, be in the University Honors Program for at least three semesters, and be in good standing in the University Honors Program at the time of graduation.

Chemistry Programs

Degrees Offered: B.S.

MAJOR IN CHEMISTRY

- 39 hours required in Chemistry, including at least 31 hours in courses numbered 200 or higher.
- Required courses: CHE 140, 141, 215, 230, 231, 232, 233, 315, 342, 350, 351, 360, 361, 362, 363.
- 1 year of physics, preferably PHY 110 and 111, and 1 year of calculus (through MAT 146) must be completed prior to enrolling in CHE 360.
- Chemistry electives: Selected from approved courses numbered 200 or higher. For the American Chemical Society Certified Degree the elective requirement is 6 hours in Chemistry courses numbered 290 or higher. These courses must include 2 hours in *laboratory* course work (CHE 290, 301, 343, 398). The department strongly recommends presentation of work performed in 290 or 398 at a professional meeting, Chemistry Department Symposium or Undergraduate Research Symposium. The following general electives are highly recommended: 1 year of a foreign language, a course in computer programming, a course in technical writing and other science courses.
- NOTE: Students interested in careers in biochemistry, molecular biology, biotechnology or medicine may elect to follow the Biochemistry/Molecular Biology Degree Program (listed below).

Teacher Certification Sequence:

— 39 hours required in Chemistry, including at least 31 hours in courses numbered 200 or higher, and CHE 301 as an additional laboratory course. A Teacher Education student must complete the option described as part of the entitlement program leading to certification: secondary 6-12.

MINOR IN CHEMISTRY

- 21 hours required in Chemistry, including at least 13 hours in courses numbered 200 or higher.
- Required courses: CHE 140, 141, and 215.

MINOR IN CHEMISTRY

For Teacher Education:

- 21 hours required in Chemistry, including at least 13 hours in courses numbered 200 or higher.
- Required courses: CHE 140, 141, 215, and 301 (2 hours).

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Biochemistry/ Molecular Biology Program

Degrees Offered: B.S.

The Biochemistry/Molecular Biology (BMB) Program is cross-listed by the Departments of Chemistry and Biological Sciences.

HONORS IN BIOCHEMISTRY/MOLECULAR BIOLOGY

Students can receive BMB Honors with additional course work. Additional requirements include: (1) participation in the University Honors Program, (2) a cumulative grade point of 3.30, as well as a 3.50 average in Biochemistry/Molecular Biology, and (3) the courses: MAT 147, PHY 110 and 111, CHE/BSC 299**, 8 hours of foreign language and one of the following: a computer programming course, CHE/PHY 318 or CHE 380.37.

**Students intending to pursue Departmental Honors in BMB should contact the BMB Program Coordinator prior to enrolling in CHE 230. To receive BMB Honors, two semester hours credit in CHE/BSC 299 must be completed and result in a research paper written in a style acceptable for thesis research. The research paper must be defended in a program seminar.

MAJOR IN BIOCHEMISTRY/MOLECULAR BIOLOGY PROGRAM

- 34 hours required in Chemistry, 19 hours in Biological Sciences and 1 hour in Biochemistry/Molecular Biology Seminar.
- Required courses: CHE 140, 141, 215, 230, 231, 232, 233, 315, 342, 343, 344, 360, 361; BSC 196, 197, 203, 219, 220, 350; BSC/CHE 310.
- 1 year of calculus (MAT 145 and MAT 146) and 1 year of physics (PHY 108 and 109 or PHY110 and 111) must be completed prior to enrolling in CHE 360 or CHE 361
- The following courses are in the General Education program: BSC 196, 197; CHE 140; MAT 145; PHY 108, 110
- The following general electives are highly recommended: 1 year of a foreign language, a course in computer programming, and a course in technical writing (ENG 249 Technical Writing).
- Optional electives, in consultation with the BMB advisor, may be selected from the following: BSC 253, 260, 283, 305, 321, 326, 329, 353, 354, 361, 367, 368, 380; 389.28; CHE 290, 350, 351, 362, 363, and certain CHE 380-level courses with approval of the BMB advisor.
- American Chemical Society Certification can be obtained by completing the Chemistry major requirements. Additional requirements include CHE 350, 351, 362, 363.
- Molecular Biology Emphasis; Recommended courses include BSC 260, 353 and 354.

Biochemistry/Molecular Biology Course

310 BIOCHEMISTRY/MOLECULAR BIOLOGY SEMINAR

1

BSC 197, BSC 203 or 219; CHE 215, CHE 342 req. Also offered as BSC 310.

Introduction to scientific literature searching and techniques of oral and written scientific communication, focusing on current topics in biochemistry/molecular biology.

Chemistry Courses

102 CHEMISTRY AND SOCIETY IC-NS 3

Lecture and lab. Open only to students with no college cr in chemistry. May not be taken under the CT/NC option. Materials charge optional.

Selected topics from chemistry and science in general, and illustration of relevance of chemistry and other sciences in today's world. Lectures, demonstrations, recitation, and lab.

110/112 FUNDAMENTALS OF CHEMISTRY AND LABORATORY IC-NSA 4/1

Not for cr if had CHE 141. CHE 110 or conc reg req for CHE 112. May not be taken under the CT/NC option. Materials charge optional for CHE 112.

Introductory survey of fundamental concepts, laws, and theories of chemical science and their application to common chemical systems.

140 GENERAL CHEMISTRY I IC-NSA 4

First half of a 2-sem sequence. Lecture and lab. Designed primarily for students with high school cr in chemistry. Algebra is req. May not be taken under the CT/NC option. Materials charge optional.

Introduction to stoichiometry, thermochemistry, atomic structure, molecular structure and bonding, chemical equilibrium and kinetics with applications to gases, solids, liquids, and solutions.

141 GENERAL CHEMISTRY II

4

CHE 140 req. Lecture and lab. Materials charge optional.

Continuation of CHE 140. Introduction to chemical equilibrium and kinetics with applications to gases, solids, liquids, and solutions; acid-base equilibria; electrochemistry; nuclear chemistry; and coordination compounds.

161 INTRODUCTION TO TEACHING SCIENCE SEMINAR

2

B or better in CHE 110, CHE 140 or equiv req. Teacher Ed maj only. Also offered as BSC 161. Introduction to the nature of scientific inquiry, and research-

204 CHEMISTRY OF LIFE OC-SMT 3

based skills in science teaching and learning.

Inner Core req. CHE 102 or 1 yr high school chemistry req. BSC 101 or equiv rec. Not for cr maj. Formerly CHE 104. Lectures, demonstrations and lab.

Application of chemical principles to the understanding of life processes and exploration of classes of molecules important in everyday life.

209 INTRODUCTION TO TEACHING HIGH SCHOOL SCIENCE

1

10 hrs of CHE req. Chemistry Teacher Ed maj only. Clin Exp: 25 hrs, Type 1-6. Not for cr if had CHE 301 or PHY 301.

A weekly seminar in which students exchange information and share reflections derived from clinical observations made in area high schools.

215 FUNDAMENTALS OF ANALYTICAL CHEMISTRY

2

CHE 141 req. Lecture and lab. Materials charge optional. Theory and practice of selected modern analytical methods such as volumetric, potentiometric, optical, and chromatographic analysis.

220 ELEMENTARY ORGANIC CHEMISTRY

5

CHE 112 or 141 req. Not for cr if had CHE 230. For non-majors; rec for Agriculture, Family and Consumer Sciences, Health Sciences, Nursing, and others. Lecture and lab. Materials charge optional.

One-semester survey of organic chemistry. Fundamental principles of structure and mechanisms of organic reactions.

230 ORGANIC CHEMISTRY I

. . .

First half of a 2-sem seq. CHE 141 req. No cr will be granted in CHE 230 until cr is earned in CHE 231. Not for cr if had CHE 220.

Introduction to chemistry of aliphatic and aromatic organic compounds.

231 ORGANIC CHEMISTRY

LABORATORY

CHE 141 req. Conc reg in CHE 230 req. First half of a 2-sem seq. No cr will be granted in CHE 231 until cr is earned in CHE 230. Materials charge optional.

Laboratory practice illustrating preparations and reactions typical of functional groups.

232 ORGANIC CHEMISTRY II

1

CHE 230 req.

Continuation of Chemistry 230, including synthetic and mechanistic features of organic reactions.

233 ORGANIC CHEMISTRY LABORATORY II

2

CHE 231 req; conc reg in CHE 232. Materials charge optional.

Laboratory practice in newer techniques and methods of organic chemistry.

242 BASIC BIOCHEMISTRY

3

1 sem of organic chemistry req. Not for cr if had CHE 342.

Introduction to the chemistry of carbohydrates, lipids, proteins, nucleic acids and enzymes. Brief treatment of vitamins and intermediary metabolism.

250 DESCRIPTIVE INORGANIC CHEMISTRY

2

CHE 220 or 230 req.

Survey of wide-ranging aspects of inorganic chemistry including household, industrial, bioinorganic, environmental, geological, and nuclear chemistry.

280 ENVIRONMENTAL CHEMISTRY 3

CHE 141 and any 200-level chemistry course req. Aquatic, soil, and atmospheric chemistry and the attendant problems of water, soil, and air pollution. Causes of pollutants and methods of analyzing for them.

290 RESEARCH IN CHEMISTRY 1-2

17 hrs of Chemistry: only 3 hrs are applicable toward the maj. School form must be completed prior to reg. CR/NC only. May be repeated; max 6 hrs.

301 TEACHING OF CHEMISTRY 2-3

17 hrs of Chemistry. For teaching maj/min only. Chemistry Ed min should reg for 2 hrs. C or better in C&I 216 or PSY 215 or conc reg req. Incl Clin Exp: 35 hrs, Type 1-5. Adm to Professional Studies req.

Modern methods and curricula of high school chemistry.

302 STUDENT TEACHING AND PROFESSIONAL SEMINAR

4

CHE 301 and STT 399.73 conc reg req. Chemistry Teacher Ed maj only.

A weekly seminar in which students exchange information and share reflections during and after student teaching.

310 BIOCHEMISTRY/MOLECULAR BIOLOGY SEMINAR

1

BSC 197, BSC 203 or 219; CHE 215, CHE 342 req. Also offered as BSC 310.

Introduction to scientific literature searching and techniques of oral and written scientific communication, focusing on current topics in biochemistry/molecular biology.

315 INSTRUMENTAL ANALYSIS

RUMENTAL ANALYSIS 3

CHE 215 req; CHE 362 or conc reg req. Lecture and lab. Materials charge optional.

Emphasis on modern instrumental methods of chemical analysis including electroanalytical, optical, and chromatographic methods.

318 METHODS OF COMPUTATIONAL

SCIENCE

3

ITK 165; CHE 140; PHY 109 or 111; CHE 360 or PHY 220 and conc reg; or cons inst req. Also offered as PHY 318. Formerly CHE 288.

Introduction of a wide variety of computational techniques and their application to problems in chemistry and physics.

342 GENERAL BIOCHEMISTRY I

3

C or better in CHE 232 or 1 year of organic chemistry or cons inst req. Not for cr if had CHE 242.

Survey of the structure-function relationships of proteins, carbohydrates, lipids and nucleic acids, dynamic equilibria, energetics, reaction kinetics/mechanisms and metabolism.

343 BIOCHEMISTRY LABORATORY 2

CHE 242 or 342 or conc reg req. Lecture and lab. Materials charge optional.

Application of biochemical principles and methods discussed in Chemistry 342.

344 GENERAL BIOCHEMISTRY II 3

B or better in CHE 242 or C or better in CHE 342 req. Survey of important aspects of intermediary metabolism, metabolic regulation, membrane transport and bioenergetics. Topics will include hormonal controls and immunochemical response.

350 INORGANIC CHEMISTRY 3

CHE 362 reg.

Survey of modern inorganic chemistry including structure of inorganic compounds, coordination chemistry, nonaqueous solvents and selected inorganic reactions.

351 INORGANIC CHEMISTRY LABORATORY

1

CHE 350 or conc reg req. Materials charge optional. Experiences in the modern techniques of synthesis and quantitative characterization of inorganic materials. Specific experiments and techniques may vary but will generally include spectroscopic, microscopic, electrochemical, conductivity, magnetic susceptibility, thermal and vacuum line techniques and experiments.

360 PHYSICAL CHEMISTRY I

CHE 141; CHE 215 or conc reg req. PHY 109 or 111; 8 hrs of CHE or PHY courses numbered 200 or higher; MAT 146 req.

First of a series in theoretical chemistry dealing with descriptions of gases, liquids, solutions, thermochemistry, thermodynamics, chemical and phase equilibrium, kinetic theory, and chemical kinetics.

361 PHYSICAL CHEMISTRY LABORATORY I

CHE 360 or conc reg reg. Materials charge optional. Laboratory applications of principles treated in physical chemistry.

362 PHYSICAL CHEMISTRY II

CHE 360 rea.

Continuation of CHE 360, including ionic equilibrium. conductance, electromotive force, spectroscopy, molecular theory, and miscellaneous applications of quantum theory.

363 PHYSICAL CHEMISTRY LABORATORY II

CHE 361; 362 or conc reg reg. Materials charge

Laboratory studies related to principles of physical chemistry with emphasis on quantum mechanics and spectroscopy.

380 TOPICS IN CONTEMPORARY **CHEMISTRY**

1-3

CHE 232 reg. Certain topics may also require CHE 360. May be repeated.

New concepts and recent developments in the fields of organic, chemical education, inorganic, analytical, physical, and biochemistry.

398 PROFESSIONAL PRACTICE:

CHEMISTRY

1-16

CHE 232 and 233 or equiv req. Jr/sr standing. 2.50 GPA reg. May be repeated; max 16 hrs; no more than 4 hrs/sem may be used to meet graduation req. CR/NC only. May be 2 to 5 periods of 1 term each.

Practical experience by employment in an industrial or governmental laboratory.

COMMUNICATION (COM)

434 Fell Hall, (309) 438-3671

Web address: www.communication.ilstu.edu Email address: communication@ilstu.edu

Director: Larry W. Long. Tenured/Tenure-track Faculty:

Professors: Comadena, Cupach, Kang, Long, Metts. Associate Professors: Baldwin, Blaney, Courtright, Cutbirth, Glascock, Hunt, Moffitt, O'Sullivan, Perry, C. Simonds. Assistant Professors: Botero, Chidester, Fediuk, Lee, Lippert,

McHale, B. Simonds, Zompetti.

General Information

MINOR IN COGNITIVE SCIENCE

The School of Communication participates in the Minor in Cognitive Science program. Several courses offered by the School contribute to the minor. For further information, please consult a school advisor as well as the section entitled "Minor in Cognitive Science" under University-Wide Curriculum in this Undergraduate Catalog.

HONORS IN COMMUNICATION

The School of Communication offers students an opportunity to demonstrate outstanding achievement in the study of communication by means of participation in the School Honors Program. The School also offers in-course honors work in all its courses at the discretion of the instructor for students enrolled in the Honors Program. Qualified students are encouraged to inquire about admission by contacting the School Honors advisor.

Communication Studies Programs

Degrees Offered: B.A., B.S.

MAJOR IN COMMUNICATION STUDIES

- 45 hours required.
- Required courses (24 hours): COM 100, 111, 123, 210, 223, 229, 272, 297, 398 (2 hours).
- Students must complete one of the following sequences: Organizational and Leadership Communication, Interpersonal, Political Communication, or Teacher Education.
- 9 hours of electives selected from additional courses designated within the sequence.
- A minimum of 24 senior hours.
- A maximum of 9 hours can be counted concurrently toward the Communication Studies Major and other majors or minors within the School of Communication.
- Students may include a maximum of 6 total hours of Professional Practice (COM 198, 398) and independent research (COM 296, 299) toward completion of

Organizational and Leadership Communication Sequence:

Graduates from this program have secured positions in sales, supervision, convention/event planning, insurance, real estate and management.

- 12 hours required courses: COM 227, 323, 329, 375.
- 9 hours elective courses: COM 128, 201, 202, 218, 225, 226, 228, 296, 299, 302, 303, 304, 318, 321, 324, 325, 328, 331, 363, 369, 370, 371, 372, 398.

Interpersonal Sequence:

Graduates from this program have secured positions in social services, human relations, interpersonal consulting and corporate communication.

- 12 hours required courses: COM 323 or 324, 325, 370, 372.
- 9 hours elective courses: COM 128, 201, 202, 218, 225, 226, 227, 228, 296, 299, 302, 303, 304, 318, 321, 323, 324, 328, 329, 331, 363, 369, 371, 375, 398.

Political Communication Sequence:

Graduates from this program have secured positions in politics, persuasion consulting, media, educational support and rhetoric.

166 Communication

- 12 hours required courses: COM 201, 226, 303 or 304, 371.
- 9 hours elective courses: COM 128, 202, 218, 225, 227, 228, 296, 299, 302, 303, 304, 318, 321, 323, 324, 325, 328, 329, 331, 363, 369, 370, 372, 375, 398.

Communication Studies Education Sequence:

- 36 hours required. Part of entitlement program leading to certification: secondary English Language Arts 9-12.
- Required courses (28 hours): COM 100, 111, 123, 202, 210, 223, 229, 272, 281, 283, 297, 381, 398 (2 hours).
- Minor in English recommended. Candidates may choose either the English minor or the English minor for teacher education.
- Clinical Experiences are included in COM 198.02, 202, 223, 281, 381, 398. Additional opportunities are available through other departmental programs.
- Students enrolled in this program are required by the State to complete the requirements for teaching English Language Arts. Students are recommended to consult an advisor early in their program to determine the requirements for various teaching fields.
- NOTE: Admission to Professional Studies programs requires a 2.50 GPA.

MINOR IN COMMUNICATION STUDIES

- 21 hours required.
- Required course: COM 111, 297.
- A minimum of 6 hours must be at the 300-level (excluding 398).
- 15 hours of electives selected from: COM 123, 198.02, 201, 202, 210, 218, 223, 225, 226, 227, 228, 229, 302, 303, 304, 321, 323, 324, 325, 329, 331, 370, 371, 372, 375.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises

- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Instructional Media Program

MINOR IN INSTRUCTIONAL MEDIA

- 24 hours required.
- Required courses: COM 240, 241, 365, 366; 12 hours selected from: ART 101, 103, 104, 109, 226; COM 160, 162, 163, 362; TEC 210, 250, 251, 253.

Journalism Program

Degrees Offered: B.A., B.S.

MAJOR IN JOURNALISM

Students majoring in journalism select one of three sequences in addition to a core of basic courses. Core courses give students grounding in theory, research and legal and ethical issues confronting practitioners in mass media.

- 39 hours required.
- Required courses: COM 111, 160, 161, 260 or 360, 297, 361, 367.
- A minimum of 24 senior hours including at least 12 hours at the 300-level (excluding 398).
- Journalism majors must complete a minor or second major in a department/school other than Communication.
- Sequences: Journalism majors must complete 18 hours in one of the following sequences:

Broadcast Journalism Sequence:

The Broadcast Journalism Sequence offers courses in television reporting, management and announcing.

- Required courses: COM 167, 257, 267, 271 or 364; plus
- Six hours of communication electives.

News Editorial Sequence:

The News Editorial Sequence offers courses in news reporting, editing and advanced news writing.

- Required courses: COM 165, 166, 265, 385; plus
- Six hours of communication electives.

Visual Communication Sequence:

The Visual Communication Sequence offers courses in photography, graphics, design and production for print and online media.

- Required courses: COM 165 or 167, 240, 241, 269 or 365, 366; plus
- Three hours of communication electives.

MINOR IN JOURNALISM

For Teacher Education:

- 24 hours required.
- Required courses: COM 160, 165, 166, 265, 266, 269, 385.
- Electives: COM 260, 268; TEC 250.

Mass Communication Program

Degrees Offered: B.A., B.S.

MAJOR IN MASS COMMUNICATION

- 39 hours required.
- Required courses: COM 111, 160, 161, 297, 260 or 360, 361, 367.
- A minimum of 24 senior hours including at least 12 hours at the 300-level (excluding 398).
- Mass Communication majors must complete a minor or second major in a department/school other than Communication.
- A maximum of 9 hours can be counted concurrently toward the Mass Communication major and other majors or minors within the School of Communication.
- Mass Communication majors must choose and complete a sequence in either Radio, Television, or Interactive Media. The sequences are listed below.

Radio Sequence:

- Required courses: COM 162, 262, 264 or 271, and 364; plus
- Six hours of communication electives.
- Students may include a maximum of 6 hours of Professional Practice 398 toward their sequence electives.
- Additional electives: COM 228, 263, 266, 267, 268, 304, 324, 355, 363, 370, 371, 398.

Television Sequence:

- Required courses: COM 163, 263, 264 or 271, 364, plus
- Six hours of communication electives.
- Students may include a maximum of 6 hours of Professional Practice 398 toward their sequence electives.
- Additional electives: COM 228, 263, 266, 267, 268, 304, 324, 355, 363, 370, 371, 398.

Interactive Media Sequence:

- Required courses: COM 218, 240, 241, 318 or 362, and 366; plus
- Three hours of communication electives.
- Students may include a maximum of 6 hours of Professional Practice 398 toward their sequence electives.
- Additional electives: COM 228, 263, 266, 267, 268, 304, 324, 355, 363, 370, 371, 398.

MINOR IN MASS COMMUNICATION

- 18 hours required.
- Required courses: COM 160 and 161.
- 12 hours of electives selected in consultation with an academic advisor from: COM 110, 162, 163, 165, 166, 167, 218, 260, 263, 264, 265, 266, 267, 268, 269, 270, 287, 296, 297, 360, 361, 362, 363, 364, 367, 369, 385, 398.

Public Relations Programs

Degrees Offered: B.A., B.S.

MAJOR IN PUBLIC RELATIONS

- 39 hours required.
- Required courses: COM 111, 161, 178, 268, 297, 321, 378.
- A minimum of 30 senior hours with at least 15 hours at the 300-level (excluding 398).
- Public Relations majors must complete a minor or second major in a department/school other than Communication.
- A maximum of 9 hours can be counted concurrently toward the Public Relations major and other majors or minors within the School of Communication.
- 18 hours of electives, to be chosen in consultation with a school advisor. Students are encouraged, but not required, to choose electives from a concentration that reflects their career options.
- Students may include a maximum of 3 hours of Professional Practice 298 and a maximum of 3 hours of 398 toward their major electives.
- Concentrations: Public Relations majors must choose six additional public relations courses as electives in order to complete their major plan of study. Students may choose these from groups of courses called concentrations. The elective concentrations represent various public relations career options such as graphics and technology, corporate public relations, public relations management, media relations, and international public relations. Students may pursue one or more concentrations or choose from additional public relations electives to complete their plan of study. Recommended courses for each concentration are listed below. Students may complete a concentration by choosing six of the ten listed courses.

Choose a minimum of six courses from the following (NOTE: Three of the courses must be 300-level excluding 398):

Graphics and Technology: COM 218, 240, 241, 266, 269, 270, 318, 362, 365, 366.

Corporate Public Relations: COM 223, 228, 265, 269, 298, 325, 329, 358, 367.

Public Relations Management: COM 218, 228, 275, 298, 318, 329, 340, 350, 358.

Media Relations: COM 218, 228, 265, 275, 298, 350, 358, 360, 361, 385.

International Public Relations: COM 260, 298, 302, 324, 329, 350, 355, 358, 369, 372.

— Additional electives: COM 202, 303, 304, 331, 371, 398.

- Some of the elective courses may require additional prerequisites.
- Students electing a concentration in International Public Relations should demonstrate proficiency equivalency in one foreign language through the Foreign Language 116 level.

MINOR IN PUBLIC RELATIONS

- 24 hours required.
- Required courses: COM 161, 178, 268, 297, 378.
- A maximum of 9 hours counted toward the Public Relations minor may be applied toward a major or minor within the School.
- 9 hours of Communication electives selected from the following areas (* means highly recommended):

Graphics and Photography: 240*, 241*, 266, 365, and 366

Mass Communication and Production: 163*, 166*, 218, 269, 362, 364*, 367, and 385*.

Organizational and Professional Communication: 202*, 227, 228, 321*, 324*, 325, and 329*.

Communication Courses

100 INTRODUCTION TO THE STUDY OF COMMUNICATION

COM maj only.

This course acquaints students with the different areas of study in the communication disciplines and career options available to them.

110 COMMUNICATION AND CRITICAL INQUIRY IC

May not be taken under the CT/NC option. Formerly LANGUAGE AND COMMUNICATION.

Development of communication competence, critical thinking, information literacy, and ethical practices in public speaking, small group and interpersonal contexts.

111 INTRODUCTION TO COMMUNICATION THEORIES

COM maj only.

Introduces the student to numerous basic communication theories; outlines requirements, expectations, and career opportunities for all communication majors.

123 INTERPERSONAL COMMUNICATION 3

An introduction to 2-person interaction in a variety of contexts.

128 GENDER IN THE HUMANITIES

MC-LH 3

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option. Also offered as ENG/LAN 128.

Examination of gender roles, norms, and stereotypes from a broad range of perspectives within humanities across centuries and cultures.

160 INTRODUCTION TO MASS COMMUNICATION

3

Mass media development and function in modern society: technological basis, economic and political foundations, social implications.

161 MEDIA WRITING AND PRESENTATION

COM 160 or 178 reg.

Introduction to the variety of mass communication media students may encounter in their careers. Preparation and presentation of various mass communication formats.

162 RADIO PRODUCTION

3

3

COM 160 req; 2 hrs lecture, 2 hrs lab. Materials charge optional.

Skills in utilizing equipment and procedures necessary to produce programs for radio. Script writing and directing included.

163 TELEVISION PRODUCTION

3

COM 160 req; 2 hrs lecture, 2 hrs lab. Materials charge optional.

Development of skills necessary in producing a television program. Function of television equipment and facilities. Evaluation of current production techniques. Producing and directing included.

165 REPORTING I

3

COM 160 or 178 and typing ability req.

Intensive training in the fundamentals of newsgathering and newswriting.

166 COPY EDITING

3

COM 160 and 165 req.

Advanced training in rewriting and editing stories, headlines, writing, page layouts, and work on a campus publication.

167 BROADCAST NEWS I

3

COM 160 req. Materials charge optional.

Intensive training in the fundamentals of newsgathering and writing for the electronic media.

178 INTRODUCTION TO PUBLIC RELATIONS

3

COM 111 and ENG 101 rec.

Examines functions of public relations in society and surveys concepts, theories, ethics, and principles of effective public relations.

198.02 PROFESSIONAL PRACTICE:

FORENSICS

1

May be repeated; max 4 hrs. Incl Clin Exp: 15 hrs, Type 1-4.

Training and participation in speech activities.

201 COMMUNICATION AND SOCIAL ISSUES I

3

COM 111 req.

Criticism of communicative discourse concerning reform movements, religious controversy, socialism, and other topics.

202 PERSUASIVE PUBLIC SPEAKING

COM 111 req. Incl Clin Exp: 2 hrs, Type 1-5.

Provides the student an opportunity to develop skills in persuasive speaking in a variety of situations. Focuses on message content and organization appropriate for different situations.

210 COMMUNICATION AND CRITICAL THINKING

3

COM 110 req. Not for cr if had COM 125.

Principles of critical thinking, argumentation, negotiation, and advocacy and their expression in oral and written contexts.

APPLICATIONS

3

COM 111, 160, 162 req. 2 hrs lecture, 2 hrs lab. Materials charge optional.

Examination of copywriting and radio production techniques. Exploration of on-air personalities and styles, radio station imaging, and promotions.

263 ADVANCED TELEVISION

PRODUCTION

3

COM 111, 160, and 163 req; 2 hrs lecture, 4 hrs lab. Materials charge optional.

Creating visual appeal through the television medium. Aesthetics in preparing television programs. Advanced producing/directing techniques in commercial broadcasting and television as an art form.

264 BROADCAST AND CABLE PROGRAMMING

3

COM 111 and 160 req. Materials charge optional.

Format and scheduling of programs as practiced by station, cable, and network management and viewed from the perspective of the advertiser, the manager, the consumer, and the government.

265 REPORTING II

3

COM 111, 160, and 165 reg.

Advanced training in newsgathering and newswriting with practical application.

266 ADVANCED PHOTOGRAPHY

3

COM 241 or cons of inst req. Lecture and lab. Materials charge optional.

A study of the concepts, processes and techniques used to produce or select photographs for use in other forms of media.

267 BROADCAST NEWS II

3

COM 111, 160, 167, or cons inst req. Materials charge optional.

Refinement of skills in broadcast news through laboratory work on daily television newscasts.

268 PUBLIC RELATIONS WRITING AND PRODUCTION

3

COM 111 and 165 req.

Public relations functions, ethics, and writing of new releases, newsletters, brochures, and other publications for employees and communities.

269 MAGAZINE PRODUCTION

AND DESIGN

3

COM 240 req. Lecture and lab. Formerly SPECIAL-IZED PUBLICATIONS.

Training in design, production, management, and finance of magazine. Instruction applicable to advisement of school publications.

270 DOCUMENTARY IN FILM AND BROADCASTING

3

Also offered as THE 270.

Historical, philosophical, and theoretical consideration of documentary approach in films, television, and radio.

271 BROADCAST PERFORMANCE

COM 111, 160, 161 req. Materials charge optional. Introduction to basic concepts of on-air performance for television and radio to enhance students' experiential learning in broadcast concentrations.

272 FOUNDATIONS OF INTERCULTURAL COMMUNICATION

COM 111 or cons inst req. Formerly COM 289.15. Basic concepts of intercultural communication, including value, linguistic and nonverbal differences between cultures; prejudice, ethnocentrism, stereotypes, and cultural adjustment.

275 SELECTED TOPICS IN PUBLIC RELATIONS

3

COM 111 req. May be repeated if content different. Examination of various genres of public relations and representative case studies in public relations.

281 PRINCIPLES OF SPEECH EDUCATION

3

C or better in C&I 212, 214, 216, and PSY 215 (6 hrs) or conc reg req. Incl Clin Exp: 10 hrs, Type 1-6, 9. Adm to Professional Studies req.

Methods and materials for teaching secondary speech communication. Planning and applying strategies, methods of measurement, classroom criticism of performance, selection and compilation of materials.

283 COMMUNICATION IN THE CLASSROOM

3

C or better in COM 110; 45 hrs, and declared Teacher Ed Maj req.

Theory and practice in developing communication competencies in an academic setting. Preparation and presentation of various instructional strategies for diverse audiences.

296 INDEPENDENT RESEARCH IN COMMUNICATION

3

Project approval by dept chair and inst prior to reg.

297 COMMUNICATION RESEARCH METHODS

3

COM 111 req.

Methods of scholarly research and critical evaluation of

298.01 PROFESSIONAL PRACTICE: PUBLIC RELATIONS

3

COM 111 reg.

COM 111 req.

Training and participation public relations management and campaign activities. Emphasis: professional activities and competition opportunities at local, national levels.

303 CONTROVERSY AND CONTEMPORARY SOCIETY

3

Contemporary communication on current significant, controversial issues.

304 FREEDOM OF SPEECH AND PRESS COM 111 req.

First Amendment rights. Emphasis on Supreme Court decisions relating to political dissent, obscenity, provocation and demonstration, and press freedom.

3

COM 111 and 297 req.

Interpersonal communication and research and its implications for developing, maintaining, and terminating relationships. Focus on developing communicative competence.

328 NEGOTIATION

3

COM 111 and 297, or cons of inst req. Formerly 389 57

Overview of theory and practice of negotiation. Experience in applying strategies to negotiate effectively and ethically.

329 ORGANIZATIONAL COMMUNICATION

3

COM 111 req.

Theoretical and experimental literature dealing with communication in an organizational setting.

331 HUMAN COMMUNICATION AND THE AGING PROCESS

3

COM 111 or SOC 211 req.

An examination of the particular communication needs of the aging and current research in the field.

340 COMMUNITY RELATIONS

COM 111 and 297 reg.

Basic principles, problems, and practices used in developing and implementing successful community relations programs for organizations in the 21st Century.

350 PUBLIC OPINION ISSUES

COM 111 and 297 req.

Contemporary conceptions of public opinion and the processes of opinion creation, maintenance, and expression through communication.

351 ADVANCED WRITING FOR MASS MEDIA

3

3

COM 160 and 161 reg.

This course focuses on writing for long form mass media including documentaries, features, dramas, and comedies.

355 INTERNATIONAL PUBLIC RELATIONS

3

3

COM 111 and 178 or cons inst req.

Theory and research related to the practice of public relations across cultural and national boundaries. Application of theory to practical problems.

358 CRISIS COMMUNICATION

COM 178 and 268 rea.

An advanced examination of the use of communication in planning, managing and responding to organization crises.

360 MASS COMMUNICATION: THEORY AND EFFECTS

3

3

3

3

COM 111, 160, and 260 req.

Critical examination of channel and receiver variables and their effects on the act of moving information through a given medium. Students participate in at least one research project of their design.

361 REGULATION OF THE COMMUNICATION INDUSTRY

COM 111 and 160 req.

The legal background of mass media, specific laws affecting media operations, and industry efforts at self regulation.

362 NON-BROADCAST TELEVISION

COM 111 req. Lecture and lab.

Theory and practice of non-broadcast television with emphasis on equipment, production processes and effectiveness as a medium of communication for business, education and medicine.

363 PRIVACY AND INFORMATION PROCESSING

COM 111 req.

Concepts about individual privacy as related to the processing of information in a technological society. The study of institutional procedures with regard to the dissemination of sensitive information.

364 BROADCAST MANAGEMENT

COM 111 and 160 reg. COM 264 rec.

Role and functions of broadcast media managers in society.

365 NEWSPAPER DESIGN AND GRAPHICS

3

COM 240 req. Lecture and lab. Formerly GRAPHIC COMMUNICATION I.

Fundamentals of newspaper layout, design and graphics.

366 WEB PRODUCTION AND DESIGN 3

COM 240 req. Lecture and lab. Materials charge optional. Formerly GRAPHIC COMMUNICATION II.

Design fundamentals and technical skills for Web page production.

367 ETHICAL PROBLEMS IN MASS COMMUNICATION

3

COM 111; PHI 138 or cons inst req.

Analysis of ethical problems in news, entertainment, and persuasive media. Students develop analytical skills using cases and research projects.

369 INTERNATIONAL COMMUNICATION SYSTEMS

COM 111 req.

Mass communication systems employed in foreign countries, their roles in national and international social and cultural development.

370 PSYCHOLOGY OF LANGUAGE

COM 111 and 297 reg.

Theories and experimental research relating to the development and function of language.

371 POLITICAL

COMMUNICATION

3

3

COM 111 reg; 6 hrs COM or 6 hrs POL rec.

Basic theory and research relating to political campaign communication. Special attention is paid to the persuasive process of political campaigning focusing upon the role of the media, the candidate, image creation and other selected topics on political campaign communication.

372 THEORY AND RESEARCH IN INTERCULTURAL

COMMUNICATION

3

Principles and procedures for the professional practice of ethical public relations via a case study approach. Students complete a campaign project using principles of public relations management.

381 PROBLEMS IN THE TEACHING OF COMMUNICATION

C or better in C&I 212, 214, 216; and PSY 215 (6 hrs) or conc reg req.

Identification of common and unique problems in teaching communication concepts and skills. Approaches to resolving classroom problems.

385 EDITORIAL AND FEATURE WRITING

3

COM 111, 165, and 265 req.

Advanced training in writing feature articles and editorials for newspapers and magazines.

398 PROFESSIONAL PRACTICE: COMMUNICATION

1-12

Complete school application prior to reg. Max 3-6 hrs Prof Pract applicable to maj; 16 hrs applicable to graduation. Inc Clin Exp: 55 hrs, Type 1-9. Materials charge optional. Arranged on-campus practical experience under the guidance of department academic supervisors.

398.01 PROFESSIONAL PRACTICE: ON-CAMPUS INTERNSHIP IN COMMUNICATION

398.02 PROFESSIONAL PRACTICE: OFF-CAMPUS INTERNSHIP IN COMMUNICATION

ECONOMICS (ECO) 420

425 Stevenson Hall, (309) 438-8625 Web address: www.econ.ilstu.edu/

Chairperson: James Payne. Tenured/Tenure-track Faculty: Distinguished Professor: Ram.

Professors: Cohn, Goel, Mohammadi, Payne, Rich, Skaggs.

Associate Professors: Carlson, Loomis, Zhang. Assistant Professors: Billger, Schwalm, Waters.

General Department Information

Undergraduate Program Director: J. Lon Carlson **Office:** Stevenson Hall 439-A

Academic Requirements:

Majoring in Economics helps you develop important skills, including critical thinking and analytical reasoning. These general skills are valuable for any job or occupation. Thus, a degree in Economics provides you with the flexibility to adapt in a changing environment and take advantage of new opportunities. This flexibility is important because, if you are typical, you will change jobs or occupations about six times in your lifetime.

One of the main advantages of an Economics degree is the wide range of careers that are available to graduates. Economics majors find jobs in a variety of settings, including private industry; federal, state, and local government; international organizations and education. Over the past several years, graduates of the Economics program at Illinois State University have pursued a variety of careers, including positions in entry-level business/management, sales, data processing, staff analysis and research, and teaching. An undergraduate degree in economics is also excellent preparation for students who plan to pursue graduate-level studies in economics, business, and law.

Besides providing flexibility in the job market, the Economics major provides you with flexibility in your academic career. Only 33 hours are required for the major and only 18 hours are required for the minor. Specific course requirements for the major and the minor are indicated below. The low number of hours required for the Economics Major or Minor gives you the flexibility to combine it with a major or minor in other disciplines to design your academic program to fit your life goals.

INTERDISCIPLINARY MINORS

The Department of Economics participates in interdisciplinary minors at the University. Course work offered by the Department contributes to the following minors: Minor in Environmental Studies and Minor in Urban Studies. For further information, please consult the department advisor as well as the section entitled "University-Wide Curriculum" in this *Undergraduate Catalog*.

HONORS IN ECONOMICS

Candidates for honors must fulfill the general requirements for participation in the University Honors Program and must be Economics majors with a GPA of 3.30 overall and 3.75 or higher in Economics courses. Students will be expected to complete 6 hours of coursework designated as honors coursework within the Department of Economics. These could include ECO 105 honors, or 2 in-course honors at the 200- or 300-level. In-course honors requires individual negotiation with the faculty member teaching the course. In addition, the achievement of honors requires the writing of a substantial original paper. The student will enroll in Independent Honors Study and will receive help from an assigned faculty member. At the end of the semester the student will make an oral presentation of the paper. One copy of the original paper will be kept in the Department office and be available for inspection. Honors credit will show on the official transcript and will be stated on the diploma.

Economics Programs

Degrees Offered: B.A., B.S.

Admission Requirements:

Students will be admitted into the Economics department's programs from a pool of qualified applicants on the basis of individual qualifications. Students are admitted to the major or minor in Economics on a competitive and selective basis. The number of students admitted may vary from year to year depending on program capacity and qualifications of students in the pool. The Department of Economics reserves the right to maintain a balanced enrollment.

MAJOR IN ECONOMICS

- 33 hours required.
- Required courses: ECO 105, 138, 238, 240, 241, 300;
 one 3-hour 300-level ECO course; and MAT 121 or
 145. (either ECO 148, GEO 138, MQM 100, POL 138, or PSY 138 may be substituted for ECO 138.)
- A grade of C or better must be earned in ECO 105, 138 (or approved substitute), 238, 240, 241, 300 and MAT 121 or 145.
- 3 elective Economics courses at the 200- or 300-level are required in addition to the required 3-hour 300-level course
- At least 15 hours of senior college credit from the Illinois State University Department of Economics must be completed. The Department Chairperson may grant exemptions to students whose cumulative GPA is 3.00 or higher.

Concentrations:

A major or minor degree in Economics is an excellent complement to a variety of other majors or customized sets of courses. Economics majors may elect (but are not required to elect) one of the following concentrations. Although no specific courses are required for these concentrations, recommended courses for each are listed below:

- Business Economics: Economic electives: ECO 215, 239, 320 and 339 plus ACC 131 and 132; ENG 249; FIL 185, 240 and 241; and ITK 168.
- Electricity, Natural Gas, and Telecommunications Economics: Economics electives: ECO 235, 236, 239, 320, and 335 plus ACC 131 and 132; ENG 249; and FIL 240, 242 and 347.
- Graduate School Preparation: ENG 249; and MAT 146, 147, 175, 350 and 356.
- Human Resources: Economics electives: ECO 225, 326, and 339 plus ENG 249; FIL 313; MQM 323 and 324; and PSY 230.
- International Economics: Economic electives: ECO 245, 345 and 346 plus ENG 249; INB 190; MQM 350; POL 151 and proficiency in a foreign language.
- Pre-Law: Economic electives: ECO 220, 235, 320 and 335 plus COM 202; ENG 249; FIL 185 and 209; and POL 215 and 318.
- Public Policy: Economic electives: ECO 236, 255, 329, 340, 350, plus ENG 249; FIL 311; and POL 232, 312 and 318.

MINOR IN ECONOMICS

- 18 hours in Economics required.
- Required course: ECO 105.
- MAT 121 or 145 may be, but are not required to be, used for 4 hours of credit toward the minor.
- ECO 103 may not be counted toward the minor.

MINOR IN ECONOMICS

For Teacher Education:

 Program requirements are the same as those for the Minor in Economics.

Economics Courses

103 INDIVIDUAL AND

SOCIAL CHOICE

MC-IS

ENG 101 or COM 110 req or conc reg req. May not be

taken under the CT/NC option.

Economic impacts of individual and social choices and their influence on social issues. Includes perspectives from other social sciences.

105 PRINCIPLES OF ECONOMICS 4

Not for cr if had ECO 101 and 102.

Supply and demand in product and resource markets, international trade, determination of GDP, employment, inflation and economic growth.

138 ECONOMIC REASONING USING STATISTICS MC-OR

MAT 111, 120, 130, or 145 req. May not be taken under CT/NC option. Formerly SOCIAL SCIENCE REASONING USING STATISTICS. Not for cr if had GEO 138, POL 138, PSY 138 or MOM 100.

Introduction to descriptive and inferential statistics with applications in economics. Includes the use of statistical software package on laboratory computers.

202 CURRENT ECONOMIC ISSUES 3

ECO 101 and 102, or 105 req.

Application of introductory principles to world economic problems, such as energy, pollution, poverty and unemployment.

205 ECONOMIC DEVELOPMENT AND GROWTH

3

ECO 105 req. Formerly DEVELOPMENT ECONOMICS. Historical and current determinants of economic development. Problems associated with generating and accelerating economic growth in less developed countries.

210 COMPARATIVE ECONOMIC SYSTEMS

3

ECO 101 and 102, or 105 reg.

Comparative analysis of several types of economic systems. Discussion of alternative models of economic decision-making. Case studies of such economies as China, Japan, South Africa, Sweden, Russia, and Yugoslavia.

215 MONEY AND BANKING

3

3

ECO 101 and 102, or 105 req.

Development and growth of the monetary system. Emphasis on monetary theory and applied policy issues.

220 LAW AND ECONOMICS

ECO 101 or 105 req.

Overview of economic analysis of topics in the common law including property, contract, tort and criminal law.

225 LABOR ECONOMICS AND LABOR PROBLEMS

3

ECO 101 and 102, or 105 reg.

Economic aspects of labor and trade unionism. Emphasis on wage determination, bargaining, manpower and unions.

235 TELECOMMUNICATIONS ECONOMICS AND PUBLIC POLICY

ECO 101 or 105 reg.

Introduction to economics and public policy issues confronting the telecommunications industry, including legal aspects, standards, privacy and security issues.

236 ECONOMICS OF ENERGY AND PUBLIC POLICY

ECO 101 and 102, or 105 req.

Economic analysis of the production, distribution and use of energy with special emphasis on alternative and renewable energy sources.

238 USING REGRESSION AND ECONOMETRIC METHODS

3

3

ECO 101 and 102 or 105 req. ECO/GEO/POL/PSY 138 or ECO 148 or MQM 100 req. Formerly USING ECONOMETRICS.

Non-theoretical study of the basic concepts of regression analysis and econometrics which emphasizes real-world applications, statistical computing, and learning-by-doing.

239 MANAGERIAL ECONOMICS

CONOMICS

ECO 101 or 105 req; MAT 121 or 145; and ECO/GEO/POL/PSY 138 or ECO 148 rec.

Theoretical and applied study of demand, cost, and production related to the theory of the firm. Developments of current interest; empirical studies intended to affirm or disaffirm applicability of economic principles.

240 INTERMEDIATE

MICROECONOMIC THEORY

3

ECO 101 or 102, or 105; ECO/GEO/POL/PSY 138 or ECO 148 or MQM 100; and MAT 121 or 145 req.

Emphasis on topics regarding resource allocation, scarcity, and distribution of income; theory of consumer choice, theory of the firm, market structures, factor markets, distribution of income, welfare economics, and general equilibrium.

241 INTERMEDIATE

MACROECONOMIC THEORY

3

ECO 101 and 102, or 105; ECO/GEO/POL/PSY 138 or ECO 148 or MQM 100; and MAT 121 or 145 req.

Theory of income, employment, interest rate and price level determination. The government's influence on these variables via monetary and fiscal policies.

245 THE INTERNATIONAL ECONOMY

3

ECO 101 and 102, or 105 req.

Economic aspects of international issues and problems. Analysis of international trade, trade restrictions, exchange rates and the balance of payments.

255 INTRODUCTION TO ENVIRONMENTAL AND NATURAL RESOURCE ECONOMICS 3

ECO 101 or 105 req.

Overview of natural resource and environmental economics. Topics include management of renewable and nonrenewable resources and the economically efficient approach to pollution control.

300 SENIOR PROJECT

1

ECO 240 and 241 req. To be taken concurrently with a 300-level Economic course.

Involves independent out-of-class work on a project designed in consultation with the instructor in the concurrent 300-level course.

320 INDUSTRIAL ORGANIZATION

One 200-level ECO course req.

Theoretical and empirical analysis of basic influences on industrial markets and performances. Market practices, the role of competition, and related policy issues.

326 ECONOMICS OF HUMAN RESOURCES

3

3

ECO 225 or 240 reg.

Theoretical and empirical analysis of labor markets. Education and training, labor mobility, wage structure, discrimination, unemployment, wage and incomes policies.

329 ECONOMICS ISSUES IN EDUCATION

3

ECO 225 or 240 req.

Analysis of economic issues in education including efficiency and equity, public vs. private provision of educational services, and education as human capital.

335 ECONOMICS OF REGULATION AND ANTITRUST

3

ECO 239 or 240 req.

The origins, aims, methods, and effects of economic regulation and antitrust, with an emphasis on case studies.

339 ORGANIZATIONAL ECONOMICS 3

ECO 239 or 240 req.

Economic analysis of firm boundaries, make or buy decisions, incentive contracts and supply relationships, repeated interaction and reputations, organizational structure and related management applications.

340 HEALTH ECONOMICS AND POLICY 3

ECO 240 reg.

Study the production of health care and the market forces that act on individuals, providers, institutions, and policy design.

345 INTERNATIONAL TRADE 3

ECO 240 or 245 reg.

Causes and consequences of international trade. Analysis of tariffs, quotas, other trade restrictions, current trade policy and multinational corporations.

346 INTERNATIONAL FINANCE 3

ECO 241 or 245 req.

Mechanisms of international payments and evaluation of the international monetary system. Topics include exchange rates, balance of payments, international monetary cooperation, and connections between the domestic and international economy.

350 PUBLIC FINANCE

3

One 200-level ECO course req.

Analysis of the economic impacts of government expenditures and taxes on the allocation of resources and the distribution of income.

353 REGRESSION AND TIME SERIES ANALYSIS

C or better in MAT 351 or equiv or cons inst req. Also offered as MAT 353.

Regression and time series methods for business and economic applications, including exponential smoothing and Box-Jenkins methods. Computer statistical package used.

360 HISTORY OF THE AMERICAN ECONOMY

3

Two 200-level ECO courses or cons inst req.

Recent empirical studies and applications of economic theory to historical problems in an American context. Causes of the Great Depression, economics of slavery, and roles of agriculture, industry, and government in growth.

372 HISTORY OF ECONOMIC THOUGHT

Two 200-level ECO courses or cons inst req.

Economic analysis from the Mercantilists to the American Institutionalists. Relates earlier schools of thought to the contemporary.

398 PROFESSIONAL PRACTICE: INTERNSHIP IN ECONOMIC RESEARCH

1-6

3

ECO maj/min and cons dept Prof Pract Coord req; 2.20 GPA, and 50 hrs cr req. CR/NC only; not for cr maj/min; must complete dept application.

On-the-job experience as a practicing economist in private industry or government. Interns may be involved in all phases and types of economic research.

ENGLISH (ENG)

424

409 Stevenson Hall, (309) 438-3667 Web address: www.english.ilstu.edu

Chairperson: Tim Hunt.
Tenured/Tenure-track Faculty:
Distinguished Professor: Shields.

Professors: Brasseur, Broad, Fortune, Hawkins, Huff, Hunt, Kalmbach, McLaughlin, Neuleib, Savage, Strickland,

Thompson, Trites, White, Worsham.

Associate Professors: Breu, Burt, Coats, Cruz, Demirci, DeSantis, Jung, Kalter, Kim, McBride, Ressler, Saunders, Susina. Tarr. Tolson. Zona.

Assistant Professors: Dykstra, Ellison, Fleisher, Gudding,

Justice, Meyer, op de Beeck, Robillard, Smith.

General Department Information

INTERDISCIPLINARY MINORS

The Department of English participates in a number of interdisciplinary minors at the University. Course work offered by the Department contributes to the following minors: African-American Studies, Children's Studies, Cognitive Science, Ethnic and Cultural Studies, International Studies, Middle Eastern and South Asian Studies, and Women's and Gender Studies. For further information on these minors and their advisors, please consult the University-Wide Curriculum section in this *Undergraduate Catalog*.

HONORS IN ENGLISH

The Department of English offers honors work to qualified students. Honors work includes intensive study in a special area of the student's major or minor. Each individual project is to culminate in a comprehensive written report and/or examination. Honors work is open only to resident students who have achieved superior academic records and who have demonstrated the ability to profit from independent study.

English Programs

Degrees Offered: B.A. (All English majors and students in the Teacher Certification Sequence)

Admission to the English major may be affected and restricted by the lack of available Department resources in times of oversubscription.

MAJOR IN ENGLISH

- 40 hours in English required, exclusive of ENG 101 and courses in the teaching of English (291, 295, 296, 297, 395).
- Required courses: ENG 100 with C or better and 300.
- 9 hours selected from ENG 283, 284, 285, 286.
- 3 hours of British literature selected from ENG 110, 213, 214, 215, 216, 217, 218, 219, 222, 223, 311, 320,

- 324, 325, 327, 328, 329, 378, 386, 387, 388.
- 3 hours of American literature selected from ENG
 130, 165, 231, 232, 233, 234, 236, 265, 266, 328,
 332, 336, 365.
- 3 hours in language and linguistics selected from ENG 241, 243, 245, 310, 311, 341, 342.
- 3 hours in advanced writing selected from ENG 246, 247, 248, 249.
- Of the remaining 12 hours, at least 6 hours of electives at the 200- through 300-level. Students should be guided by the "Goals of the Major in English at Illinois State University" (available from the Department undergraduate advisor) in choosing their electives.

Publishing and the Nonprofit Literary Arts Sequence

This program is designed to prepare graduates for careers in publishing and the nonprofit literary arts.

- 55 hours required.
- 16 hours in English core: ENG 100, 300, and 9 hours selected from ENG 283, 284, 285, and 286.
- 18 hours of required sequence courses: ENG 244, 249, 247 or 347.01 or 347.02, 350, 351, 354.
- 12 hours of literature with a national/historical focus:
- 3 hours of American literature selected from ENG 130, 165, 231, 232, 233, 234, 236, 265, 266, 328, 332, 336, 365. A course in contemporary American literature is strongly recommended for students in this program.
- 3 hours of British literature selected from ENG 110, 213, 214, 215, 216, 217, 218, 219, 222, 223, 311, 320, 324, 325, 327, 328, 329, 378, 386, 387, 388. A course in contemporary British literature is strongly recommended for students in this program.
- Electives (6 hours) selected from the above courses to the extent these courses have not been used to meet the 6-hour requirement previously listed; ENG 250, 251, 252, 255, 260, 261, 271, 272, 352, 360, 370, 372, 375.
- 9 hours ENG 398, Professional Practice.

Teacher Certification Sequence:

- To graduate in the English Major.
- An application process is in place for admission to English Teacher Education. While a 2.50 GPA is required for application, a successful applicant typically has a GPA of 2.75 or higher.
- 46 hours in English required, exclusive of ENG 101.
- Completion of entitlement program leading to certification: secondary 6-12.
- Required courses for certification and accreditation: ENG 243, 246, 285, 296, and 297. ENG 296 and 297 must be completed with a C or better; these courses include 36 clock-hours of state-mandated pre-student teaching Clinical Experiences.
- Additional required courses: ENG 100 with a grade of C or better and 300.
- 6 hours selected from ENG 283, 284, 286.
- 3 hours of British literature selected from ENG 110, 213, 214, 215, 216, 217, 218, 219, 222, 223, 311, 320,

- 324, 325, 327, 328, 329, 378, 386, 387, 388. ENG 110 is *strongly recommended* for students who have not taken a high school or community college survey course in British literature.
- 3 hours of American literature selected from ENG 130, 165, 231, 232, 233, 234, 236, 265, 266, 328, 332, 336, 365. ENG 130 is *strongly recommended* for students who have not taken a high school or community college survey course in American literature.
- 3 hours in language and linguistics selected from ENG 241, 310.
- 3 hours in multicultural literature selected from ENG 206, 255, 261, 266, 352, 374.
- 3 hours in adolescent literature: ENG 375.
- The remaining 3 hours of elective must be completed at the 200- through 300-level. Students should be guided by the "Goals of the Major in English at Illinois State University" (available from the Department undergraduate advisor) in choosing their elective. ENG 247 is strongly recommended for students who have not taken a high school or community college course in creative writing.

MINOR IN ENGLISH

- 18 hours in English required, exclusive of ENG 101 and courses in the teaching of English (291, 295, 296, 297, 395).
- Required courses: ENG 100 with C or better; 3 hours selected from ENG 283, 284, 285, 286; at least 9 hours of the remaining 12 hours must be completed at the 200through 300-level.

MINOR IN ENGLISH

For Teacher Education:

- 24 hours in English required, exclusive of ENG 101.
- 2.50 GPA in all English courses taken at Illinois State University.
- Required courses: ENG 100 with C or better; 3 hours selected from ENG 283, 284, 285, 286; ENG 243; 3 hours in composition selected from ENG 246, 291, 297; at least 6 hours of the remaining 12 hours must be completed at the 200- through 300-level courses. To meet state requirements, a course in American literature, British literature, and dramatics is strongly recommended.

MINOR IN COMPARATIVE LITERATURE

- 19 hours required.
- A maximum of 9 hours may overlap with a major in English or Languages, Literatures, and Cultures.
- Foreign Language requirement (4 hours): LAN 116 or equivalent.
- Required core (3 hours): ENG/LAN 256.
- Core Comparative Literature electives (6 hours) 2 of the following: ENG/LAN 257, 258, 259.
- Foreign Language literature course (3 hours): 1 of the following LAN courses: FR 220, 221, 222; GER 211,

- 222; LAT 221, 222; SPA 233, 253, 254, 255 or any LAN literature course at the 300-level.
- Elective (3 hours) 1 of the following: ENG/LAN 257, 258 or 259 (if not used to fulfill the core requirement);
 a second LAN literature course from the list above;
 ENG 252, 255 or 352.
- Minimum 2.50 GPA in LAN 111-116.

MINOR IN TEACHING ENGLISH TO SPEAKERS OF OTHER LANGUAGES (TESOL)

Students enrolling in this program must have at least 2 years of a foreign language or equivalent at the college level in the case of a native speaker of English, or demonstrated proficiency in English at a level commensurate with the student's role as a language model and instructor in the case of a non-native speaker of English.

- 18 hours required.
- Required courses: ENG 341, 343, 344, 345, and 346;3 hours selected from ENG 241, 243, 310, 342, 440, and COM 370.
- Elective practicum ENG 394.

Approval Certificate in Teaching English as a Second Language:

Students of both graduate and undergraduate standing may obtain an Illinois State Approval for Teaching English as a Second Language by fulfilling the following requirements: (1) fulfill Teacher Education Certification requirements of either the Standard Elementary and/or High School Certificate, (2) complete the 18 hours of required coursework as listed in the minor in TESOL above, and (3) obtain 100 clock hours of ESL Clinical Experience or 3 months of teaching experience in English as a Second Language at the appropriate level. This practical experience may be obtained by enrolling in ENG 394.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings.

All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group

178 English

- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

MINOR IN WRITING

Courses taken for the Writing Minor may not count for the English Major.

- 24 hours required.
- 6 hours selected from ENG 246, 247, 249.
- 6 hours selected from one of the following areas:
 Creative Writing: ENG 347.01, 347.02, 348.
 Rhetoric and Composition: ENG 145, 243, 244, 248, 283, 391, 392.

Technical Writing: ENG 349, 350, 351, 353.

- 9 hours of electives in writing. May include any of the above courses, ENG 398, and up to six hours in writing courses from other departments: COM 165, 166, 265, 268, 269, 321, 385.
- ENG 396.

English Courses

The courses offered by the Department of English fall into three categories: those for the General Education Program, those for major and minor fields, and those for specialized aspects in English. English 101 is required of all students for the General Education Program, and it is strongly recommended that students take 101 before taking further courses in English.

100 INTRODUCTION TO ENGLISH STUDIES

English maj/min only.

Introduction to literature, rhetoric, and language and to the concept of English Studies.

101 COMPOSITION AND CRITICAL INQUIRY IC

Not for cr maj/min. May not be taken under the CT/NC option. Formerly LANGUAGE AND COMPOSITION.

Rhetorical approach to writing, taught through extensive collaborative drafting, revising, and editing. Emphasis on critical reading and analysis. Computer-assisted.

110 BRITISH LITERATURE AND

ITS CONTEXTS

OC-H 3

ENG 101; COM 110 req. Formerly MASTERPIECES OF ENGLISH LITERATURE and SURVEY OF ENGLISH LITERATURE.

A historical study of the main movements in British literature. Readings of entire works representative of the movements.

124 FILM STYLE AND LITERATURE

MC-LH

3

ENG 101 req. Not for cr if had ENG 107. Formerly ENG 189.61.

An introduction to the analysis of films and their literary components through an application of specialized terms and concepts.

125 LITERARY NARRATIVE MC-LH

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option. Also offered as LAN 125. Not for cr maj/min.

Critical reading and analysis of a variety of literary narratives that reflect on human experience.

128 GENDER IN THE

HUMANITIES

MC-LH 3

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option. Also offered as COM/LAN 128.

Examination of gender roles, norms, and stereotypes from a broad range of perspectives within humanities across centuries and cultures.

130 SURVEY OF

AMERICAN LITERATURE

3

A historical study of the main movements in American literature. Readings of entire works representative of the movements.

131 AMERICAN CULTURE:

TRADITIONS AND TEXTS MC-UST 3

ENG 101 or COM 110 req or conc reg. May not be taken under the CT/NC option. Also offered as HIS 131. Not for cr maj/min.

Historical introduction to American culture through analysis of written texts and artifacts such as works of fine art.

143 UNITY AND DIVERSITY IN LANGUAGE O

OC-SS 3

Inner Core req. Also offered as ANT/LAN 143.

Introduction to the disciplined study of human language as it reflects human cognition, social relations, cultural conventions, and speech communities.

145 LANGUAGE AND COMPOSITION II 3

ENG 101 req.

Introduction to research-based writing for multiple academic audiences. Computer-assisted.

150 MASTERPIECES OF WORLD LITERATURE TO 1350 OC-H 3

Readings in ancient and medieval literature, including Dante.

160 WOMEN IN LITERATURE

c S

Women's experiences in literature. A variety of genres and historical periods.

165 AFRICAN-AMERICAN LITERATURE

3

Contributions to American literature by representative African-American authors, with emphasis on the 20th century.

170 FOUNDATIONS IN LITERATURE FOR CHILDREN

3

Introduction to genres of children's literature, including mythologies, fairy tales, picture books, poetry, and historical, multicultural, and current prose.

201 SPECIALIZED KNOWLEDGE AND INTEGRATIVE CONTEXTS IN ENGLISH STUDIES

C or better in ENG 100 or cons dept chair req.

Study of a specialized topic (a writer, a literary form, a concept in linguistics or in writing, etc) from several disciplinary perspectives within English Studies.

206 CULTURAL EXPRESSIONS IN SOCIAL CONTEXTS: WOMEN OF ASIA, LATIN AMERICA AND AFRICA OC-H

ENG 101; COM 110 req; MC-IS category req. WGS 120 rec. Also offered as LAN 206.

Interdisciplinary study of varieties of women's cultural expressions within distinct social contexts including comparative emphasis on different regions of concern.

213 MEDIEVAL ENGLISH LITERATURE AND CULTURE

C or better in ENG 100 or cons dept chair req. English literature during the Middle Ages from the 8th century to the 15th. Readings in translation from Old and Middle English.

214 LITERATURE OF THE ENGLISH RENAISSANCE

3

C or better in ENG 100 or cons dept chair req. English literature during the 16th and 17th centuries; prose, poetic writings, and the dramatic literature exclusive of Shakespeare.

216 BRITISH LITERATURE OF THE EIGHTEENTH CENTURY

3

C or better in ENG 100 or cons dept chair req. Canonical and noncanonical British writers from the "long" eighteenth century.

217 BRITISH LITERATURE OF THE ROMANTIC PERIOD

-

C or better in ENG 100 or cons dept chair req. Emphasis on major British poetry, prose and/or drama with appropriate attention given to noncanonical authors.

218 BRITISH LITERATURE OF THE VICTORIAN PERIOD

3

C or better in ENG 100 or cons dept chair req. Emphasis on major British poetry, prose and/or drama with appropriate attention given to noncanonical authors.

219 CONTEMPORARY BRITISH LITERATURE

3

C or better in ENG 100 or cons dept chair req. Significant texts from Britain and its former colonies with attention to recent and contemporary trends in thought and expression.

222 SHAKESPEARE

3

C or better in ENG 100 or cons dept chair req. Formerly SHAKESPEARE'S EARLIER WORKS.

Selected readings with emphasis on the relationship between the author, the text, and the larger culture.

229 INTRODUCTION TO LITERARY GENRES

OC-H

ENG 101; COM 110 req; MC-LH category req. Not for cr

Formal and historical study of literary genres—poetry, drama, prose narrative—as structures of knowledge.

231 AMERICAN LITERATURE: 1607-1830

3

C or better in ENG 100 or cons dept chair req.
Colonial American writers from the beginnings of American literature through the early national period.

232 AMERICAN LITERATURE: 1830-1870

3

C or better in ENG 100 or cons dept chair req.

Main figures and movements of mid-19th century American literature.

233 AMERICAN LITERATURE: 1870-1920

3

C or better in ENG 100 or cons dept chair req.

Major trends in American literature from the Reconstruction

Era and Indian Wars period until World War I.

234 AMERICAN LITERATURE: 1920-1945

3

C or better in ENG 100 or cons dept chair req.
Trends in American literature between the World Wars.

236 AMERICAN LITERATURE: 1945-PRESENT

3

C or better in ENG 100 or cons dept chair req. Present-day trends in American literature.

241 GROWTH AND STRUCTURE OF THE ENGLISH LANGUAGE 3

An introduction to the history of English designed to help students understand language change and the state of contemporary English.

243 TRADITIONAL AND NON-TRADITIONAL GRAMMARS 3

Various grammatical descriptions of English: traditional, structural, and transformational generative systems.

244 APPLIED GRAMMAR AND USAGE FOR WRITERS

3

ENG 100 or 145 req.

Traditional, structural, and transformational grammars applied to needs of writers. Choosing among alternative grammatical strategies. Usage; semantics of punctuation. Revising.

245 SEMANTICS

3

The nature of meaning and the functions of language.

246 ADVANCED EXPOSITION 3

ENG 100 or 145 reg.

Extensive writing of essays developed in greater depth and sophistication in subject matter than those written in previous writing courses. Computer-assisted.

247 CREATIVE WRITING

Opportunity for creative writing of various kinds, such as narrative, drama, and verse, determined largely by each student's individual interest.

248 LEGAL WRITING

3

3

ENG 101 req.

Advanced writing course for prelaw students.

249 TECHNICAL AND PROFESSIONAL WRITING I

ENG 101 req. Materials charge optional.

Introduction to technical and professional writing. Includes study of manuals, reports, proposals, audience analysis, formatting, and style.

250 LITERATURE OF THE BIBLE I

Major ideas and literary forms of the Old Testament.

251 LITERATURE OF THE BIBLE II

Major ideas and literary forms of the Apocrypha and the New Testament.

252 WORLD LITERATURE TO 1800

C or better in ENG 100 or cons dept chair req.

Comparative study of significant texts of world literature prior to 1800.

255 MODERN WORLD LITERATURE: 1800-PRESENT

C or better in ENG 100 or cons dept chair req. Comparative study of significant texts of modern world literature.

260 HISTORY OF LITERATURE BY WOMEN

3

A historical overview of writing by women from early times to the present.

261 WOMEN'S LITERATURE IN A GLOBAL CONTEXT OC-H

ENG 101; COM 110 req; MC-LH category req. Literature by women of diverse ethnicities to examine varieties of texts and their cultural construction.

265 FOUNDATIONS OF AFRICAN-AMERICAN LITERATURE AND CULTURE

C or better in ENG 100 or cons dept chair reg. Concepts, themes, generic conventions, and major historical events and figures central to African-American literature and culture.

266 NATIVE AMERICAN LITERATURE AND CULTURE

C or better in ENG 100 or cons dept chair req. Study of Native American literature, orality, and culture.

271 LITERATURE FOR YOUNG CHILDREN

3

Does not repeat material of ENG 170.

Analysis of works written for children ages 5 to 9, including multicultural picture books, fairy tales, poetry, and chapter books.

272 LITERATURE FOR PRE-ADOLESCENTS

Does not repeat material of ENG 170.

Analysis of works written for children ages 9 to 14, including multicultural novels and information books, children's media, and culture.

283 RHETORICAL THEORY

AND APPLICATIONS

C or better in ENG 100 or cons dept chair req. ENG maj/min only.

Critical and analytical examination of the nature and historical development of rhetorical theory and its applications to contemporary discourse.

284 POETRY

C or better in ENG 100 or cons dept chair req. ENG maj/min only.

Critical and analytical examination of the nature and historical development of poetry.

285 DRAMA

C or better in ENG 100 or cons dept chair req. ENG maj/min only.

Critical and analytical examination of the nature and historical development of drama as a genre.

286 PROSE

C or better in ENG 100 or cons dept chair req. ENG maj/min only.

Critical and analytical examination of the nature and historical development of prose literature—fiction and non-fiction.

290 LANGUAGE ARTS

Study of language acquisition and research in critical thinking, listening, speaking, writing, vocabulary development, usage, and spelling for children.

295 TEACHING LITERATURE AND WRITING IN THE MIDDLE SCHOOL

Not to be taken by English Ed maj without permission. Surveys recent scholarship on composition and literary theory and examines implications for teaching literature and writing at the middle school level. Computer assisted.

296 THE TEACHING OF LITERATURE

C or better in C&I 216 or conc reg with cons ENG Ed advisor req. Incl Clin Exp: 10 hrs, Type 1-5 and 9. Adm to Professional Studies req.

Examines current scholarship in the teaching of literature at the secondary level; integrates theories of teaching literature with teaching practice.

297 THE TEACHING OF WRITING

C or better in ENG 296 or cons ENG Ed advisor req. Incl Clin Exp: 26 hrs, Type 1-5 and 9. Adm to Professional Studies reg.

Examines current scholarship in the teaching of writing at the secondary level; integrates theories of teaching writing with teaching practice.

300 SENIOR SEMINAR

English maj and sr standing and cons dept chair req. Capstone course for English majors, synthesizing the main dimensions of English studies. Requires senior project and portfolio.

308 LITERATURE AND THE RELATED ARTS

3

Jr/sr standing or cons dept chair req.

Formal, aesthetic, and cultural relationships among literature, art, and music with special emphasis upon literary understanding.

310 HISTORY AND DEVELOPMENT OF THE ENGLISH LANGUAGE

3

Jr/sr standing or cons dept chair req.

Development of the English language from the Old English period to the present, with attention to operational structures of contemporary English.

311 INTRODUCTION TO OLD ENGLISH LANGUAGE AND LITERATURE

Jr/sr standing or cons dept chair req.

Elements of Old English grammar, with selected readings in Old English literature.

320 CHAUCER

3

C or better in ENG 100 req and jr/sr standing or cons dept chair req.

Literary and linguistic study of the major works of Chaucer; text in Middle English.

324 MILTON

C or better in ENG 100 reg and jr/sr standing or cons dept chair reg.

Major poetry and prose of John Milton; special attention to "Paradise Lost."

325 ENGLISH DRAMA BEFORE 1642

C or better in ENG 100 reg and jr/sr standing or cons dept chair req. May repeat if content differs; max 6 hrs. English drama, excluding Shakespeare, from its beginning to the closing of the theatres; authors such as Marlowe, Jonson, Webster.

327 RESTORATION AND EIGHTEENTH-CENTURY DRAMA

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat if content differs; max 6 hrs.

English drama from 1660 to 1800, including playwrights such as Dryden, Wycherley, Congreve, Goldsmith, and Sheridan.

328 MODERN BRITISH AND AMERICAN DRAMA

3

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat if content differs; max 6 hrs.

20th-century British and American drama and related criticism; playwrights such as Shaw, O'Neill, Williams, Albee, Pinter, and Beckett.

329 SELECTED FIGURES IN BRITISH LITERATURE

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat if content differs.

Important literary figures, genres, or movements.

332 SELECTED FIGURES IN AMERICAN LITERATURE

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat if content differs.

Important literary figures, genres, or movements.

336 THE AMERICAN NOVEL

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat if content differs; max 6 hrs.

Historical survey of major American novelists, including authors such as Twain, Hawthorne, Melville, Crane, Hemingway, Faulkner, and Barth.

341 INTRODUCTION TO DESCRIPTIVE LINGUISTICS

3

Jr/sr standing or cons dept chair req.

Aims and methods of linguistic science. Nature and functions of language: phonology, morphology, syntax, dialectology. Relationship of language to culture.

342 SOCIOLINGUISTICS

Jr/sr standing or cons dept chair req. Also offered as

Social significance of language variation: regional, social, ethnic dialects; attitudes toward variation. Multilingual societies, language choice, language shift, language planning.

343 CROSS-CULTURAL

ASPECTS IN TESOL

ENG 241 or 243 or 341 req. Jr/sr standing or cons dept chair req.

The relationship between language, culture, and cultural awareness in the learning and teaching of English as a Second Language.

344 TESOL: THEORETICAL

FOUNDATIONS

3

ENG 243 or 341 req. Jr/sr standing or cons dept chair

Linguistic theories; first and second language acquisition; cognitive, affective, and cultural factors in teaching English as a Second Language.

345 TESOL: METHODS

AND MATERIALS

ENG 344 req. Jr/sr standing or cons dept chair req. Incl Clin Exp.

Methodologies and techniques for teaching English as a Second Language; evaluation of materials for various levels and instructional goals.

346 ASSESSMENT AND TESTING IN ESL

ENG 341 req. Jr/sr standing or cons dept chair req. Assessing oral and written proficiency in English as a Second Language.

347.01 ADVANCED CREATIVE WRITING: POETRY

ENG 247 or grad standing req. May repeat if content differs. Jr/sr standing or cons dept chair req. Workshop format for individual projects.

347.02 ADVANCED CREATIVE

WRITING: PROSE

ENG 247 or grad standing req. Jr/sr standing or cons dept chair req. May repeat if content different. Workshop format for individual projects.

348 PLAYWRITING

3

Also offered as THE 348.

Playwriting techniques of selected masters with practical application of techniques in writing original plays.

349 TECHNICAL AND PROFESSIONAL WRITING II

ENG 249 or grad standing req. Jr/sr standing or cons dept chair req. Also offered as TEC 349. Materials charge optional.

Instruction and practice in editing, proposals, and analytical writing; attention given to style manuals, research writing, and (as needed) publication. Computer-assisted.

350 VISIBLE RHETORIC

Jr/sr standing; ENG 246, 247, or 249 or cons inst req. Materials charge optional.

Study of the visible elements of rhetoric and of publishing as an integrating activity in English. Computer assisted.

351 HYPERTEXT

Jr/sr standing; ENG 246, 247, or 249 or cons inst req. Materials charge optional.

Writing workshop emphasizing the creation of electronic, screen-bound documents. Includes study of interactive literature, on-line documentation, hypermedia, and electronic publishing.

352 SELECTED FIGURES IN WORLD LITERATURE

3

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat if content different.

Important literary figures, genres, or movements.

353 TECHNICAL EDITING

2

ENG 244 or COM 166; Jr/sr standing; or graduate status or cons of inst req.

Theory and practice of editing and management of documentation in industry and other organizational settings. Computer assisted.

354 LITERARY PUBLISHING IN THEORY AND PRACTICE

3

C or better in ENG 100 and jr/sr standing or cons dept chair req.

Focus on issues that have shaped contemporary literary publishing.

360 STUDIES IN WOMEN AND LITERATURE

3

Jr/sr standing or cons dept chair req. May repeat if content differs; max 6 hrs.

Studies in literature by or about women, focusing on stereotyping of male and female experience and developing feminist aesthetic theories.

365 MOVEMENTS AND PERIODS IN AFRICAN-AMERICAN LITERATURE AND CULTURE

3

Jr/sr standing or cons dept chair req. May repeat if content different.

Historical survey of major movements and periods in African-American literature.

370 STUDIES IN THE HISTORY OF LITERATURE FOR YOUNG PEOPLE

Jr/sr standing; ENG 170 or cons dept chair req. May repeat if content different.

Advanced critical, chronological examination of literature for children and adolescents from folklore origins to 1900.

372 STUDIES IN CONTEMPORARY LITERATURE FOR YOUNG PEOPLE 3

Jr/sr standing; ENG 170 or cons dept chair req. May repeat if content different.

A problem-centered course, emphasizing trends and research related to recent literature for children and early adolescents.

373 VERSE FOR CHILDREN

3

Jr/sr standing; ENG 170 or cons dept chair req. May repeat if content different; max 6 hrs.

Verse for children and early adolescents, including various categories, elements, and well-known poets in the field.

374 STORYTELLING

3

Jr/sr standing or cons dept chair req.

The art of storytelling based on knowledge of folklore heritage with experiences in oral transmission of literature in a variety of settings.

375 STUDIES IN LITERATURE

FOR ADOLESCENTS

3

Jr/sr standing or cons dept chair req. May repeat if content different.

Advanced critical examination of literature for young adults with emphasis on trends and research.

378 SHAKESPEARE ON STAGE

3

C or better in ENG 100 and jr/sr standing or cons dept chair req. May repeat; max 6 hrs. Also offered as THE 378.

An intensive study of Shakespeare's plays in production. For the student with adequate familiarity with Shakespeare and his works.

381 STUDIES IN LITERARY GENRES

C or better in ENG 100 and jr/sr standing or cons dept chair req. May be repeated if content different.

Systematic study of theory and practice of a literary type or genre.

382 LITERARY CRITICISM

3

C or better in ENG 100 and jr/sr standing or cons dept chair req.

Historical survey of selected great texts in literary and critical theory from Plato to the present.

384 INTRODUCTION TO CULTURAL THEORY

3

C or better in ENG 100 and jr/sr standing or cons dept chair rea.

Introduction to the history and practice of interpretive cultural theory.

386 THE EIGHTEENTH-CENTURY ENGLISH NOVEL

3

C or better in ENG 100 and jr/sr standing or cons dept chair req.

The English novel from its origins through the 18th century, including writers such as Richardson, Fielding, Smollett, and Sterne

387 THE NINETEENTH-CENTURY ENGLISH NOVEL

3

C or better in ENG 100 and jr/sr standing or cons dept chair req.

The English novel between 1800 and 1900, treating writers such as Austen, Thackeray, Dickens, Eliot, and Hardy.

388 THE TWENTIETH-CENTURY ENGLISH NOVEL

3

C or better in ENG 100 and jr/sr standing or cons dept chair req.

The English novel since 1900, treating writers such as Lawrence, Woolf, Joyce, and Greene.

390 RESEARCH STUDIES IN LANGUAGE ARTS

3

Jr/sr standing or cons dept chair req.

Critical study of current practice and research in language arts and language development.

391 SURVEY OF CLASSICAL RHETORIC 3

C or better in ENG 100 and jr/sr standing or cons dept chair req.

Rhetorical theories from ancient Greece to 1900, emphasizing Plato, Aristotle, Cicero, and Quintilian.

392 MODERN THEORIES OF RHETORIC

C or better in ENG 100 and jr/sr standing or cons dept chair req.

Study of the principles of rhetoric to serve as basis for understanding contemporary rhetorical theories.

394 TESOL PRACTICUM

1-6

ENG 345 rea.

Observation, case studies, tutoring, instructional assistance, and/or direct instruction in English as a Second Language.

395 PROBLEMS IN THE TEACHING OF ENGLISH

3

C or better in ENG 100 and jr/sr standing or cons dept chair req or experience in teaching (student teaching acceptable). May repeat if topic differs.

Theory and practice in the teaching of language, literature, and composition at the secondary and community college levels.

396 THE WRITING SEMINAR

3

ENG 246 or grad standing or cons dept chair req. Jr/sr standing.

Concentration upon a major writing project and the formulation of an individual Writing Portfolio.

398 PROFESSIONAL PRACTICE: INTERNSHIP IN ENGLISH

1-6

Cons inst and dept chair req. May repeat; max 6 hrs toward maj/min; max 16 hrs toward graduation.

Supervised field experience in English with local, state, national, and international businesses, agencies, institutions (including colleges and universities), and organizations.

GEOGRAPHY-GEOLOGY (GEO) 440

206 Felmley Hall, (309) 438-7649 Web address: www.geo.ilstu.edu/

Chairperson: David Malone.
Tenured/Tenure-track Faculty:
Professors: Day, Malone, Sublett.
Associate Professors: Budikova, Nelson.

Assistant Professors: Bloom, Conley, Haas, King, Peterson,

Van der Hoven, Zintambila.

General Department Information

INTERDISCIPLINARY MINORS

The Department of Geography-Geology participates in a number of interdisciplinary minors at the University. Course work offered by the Department contributes to the following minors: Environmental Studies, Tourism Studies, and Urban Studies. For further information on these minors and their advisors, please consult the University-Wide Curriculum section of this *Undergraduate Catalog*.

HONORS IN GEOGRAPHY-GEOLOGY

The Department of Geography-Geology invites qualified Geography and Geology majors to distinguish themselves by earning Honors through approved course work and independent study. Students who enroll in the Honors program will have the opportunity to work closely with selected faculty. Those students who complete the requirements will graduate with Departmental Honors--which will be indicated on their transcript and diploma.

Admissions Requirements:

Students majoring in the Geography-Geology Department may be admitted to the Departmental Honors Program if they have (1) completed at least 45 hours of college-level courses, (2) a cumulative GPA of 3.30 and at least 3.50 in the major, and (3) are a member of the University Honors Program.

Honors Study Requirements:

In order to graduate with honors in the Geography-Geology Department, a student must complete (1) all university graduation requirements, (2) all regular requirements for the major, (3) at least 12 hours of Honors work in the major, including at least 3 hours of Honors Independent Study (GEO 299) with the other 9 hours distributed among in-course honors in Geography for Geography majors or Geology for Geology majors, (4) maintain a cumulative GPA of at least 3.30 and at least 3.50 in the major, and (5) apply to the Honors Office during the first month of the graduation semester for Honors Degree designation.

Geography Programs

Degrees Offered: B.A., B.S.

MAJOR IN GEOGRAPHY

Programs must be planned in consultation with the program advisor.

Advisor: Jill Freund Thomas (309) 438-8403

- Minimum of 50 hours required. All Geography majors should consult with program advisor concerning appropriate elective coursework in related fields. The faculty also recommends that students consider National Student Exchange and Study Abroad programs as a means of experiencing different cultural settings.
- Required courses: GEO 100, 140, 204, 205, 238, 300, 303, 315, 398; 2 courses from GEO 135, 215, 220, 240, 245; 250, 255, or 306; 15 hours 200-300 level Geography courses.

Teacher Certification Sequence:

Advisor: Jill Freund Thomas (309) 438-8403

Minimum of 52 hours required. Part of entitlement program leading to certification: secondary 6-12. Student must plan program in consultation with an advisor.

184 Geography-Geology

- Required courses: GEO 100, 135, 140, 204, 205, 300, 303, 307, 315; 3 hours from GEO 215, 220, 235, 240, 245, 250, 255, 265, or 306; 9 hours 200-300 level Geography courses.
- Supporting courses required (16 hours): HIS 101 or 102,
 135 or 136; SOC 106; POL 101 or 106; ECO 105.
- NOTE: To qualify for certification, the student must complete the Professional Education requirements and the General Education requirements as described in the Teacher Education Requirements-High School section of this *Undergraduate Catalog*.
- NOTE: Students desiring Middle School or Junior High employment should also complete C&I 233 and PSY 302.
- NOTE: Teacher certification students must present a 2.50 GPA to qualify for placement in student teaching and to graduate with a teacher certification degree.

MINOR IN GEOGRAPHY

- 21 hours in Geography required.
- Required courses: GEO 100, 135 or 140; GEO 204.

MINOR IN GEOGRAPHY

For Teacher Education:

- 24 hours in Geography required.
- Required courses: GEO 100, 135 or 140; GEO 204, 307.

NOTE: Under current legislation, students earning an initial secondary certificate may add an additional endorsement in another content area by completing 24 hours in that content area and passing the appropriate certification test. Endorsement requirements may have changed since publication of this catalog. Check with your advisor.

MINOR IN TOURISM STUDIES

Advisor: Jill Freund Thomas

Department of Geography-Geology

200B Felmley Hall (309) 438-8403

Jointly developed and sponsored by the department of Geography-Geology and the School of Kinesiology and Recreation, the Minor in Tourism Studies is available to students in any undergraduate major. Students should plan their minor program with the assistance of the Tourism Studies advisor, who resides in the Department of Geography-Geology.

- 24 hours required.
- Required courses: GEO 130, 135, 215, 265; KNR 271, 272, 374; POL 140.
- Recommended courses: GEO 315; KNR 370, 377, or 380.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school

settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Geology Programs

Degrees Offered: B.S.

MAJOR IN GEOLOGY

Traditional Sequence:

- 40 hours in Geology required.
- Required courses: GEO 202, 203, 280, 285, 290, 295, 296, 395 and one of the following applied quantitative courses: GEO 360, 362, or 364.
- Required interdisciplinary courses: PHY 108 and 109 (or 110 and 111); CHE 140 or equivalent, and 141; MAT 145 and 146.
- Strongly recommended: GEO 385.

Earth and Space Science Sequence for Teacher Certification:

- 57 hours in Geology, Geography, Physics, Chemistry, and Biological Sciences required.
- Required courses: GEO 100, 202, 203, 280, 285, 295 and 307.
- Required interdisciplinary courses: CHE 140; PHY 108, 205, 310; BSC 196 or 197; two of the following CHE 141, PHY 109, and BSC 197 (if not taken to satisfy the requirement); and 5-6 credit hours selected from upper division GEO science courses.
- NOTE: to qualify for certification, the student must complete the Professional Education and General Education requirements as described in the Teacher Education Requirements-High School section of this Undergraduate Catalog.
- NOTE: Students desiring Middle School or Junior High employment should also complete C&I 233 and PSY 302.

 NOTE: Teacher certification students must present a 2.50 GPA to qualify for placement in student teaching and to graduate with a teacher certification degree.

MINOR IN GEOLOGY

- 22 hours in Geology required.
- Required courses: GEO 102, 202 and 203.
- NOTE: Students wishing to minor in Geology are requested to inform the Department of their intention and to discuss their program with a Geology advisor.

Geography Courses

100 EARTH SYSTEMS SCIENCE

Lecture and lab. Formerly EARTH SCIENCE.

Introduction to geographic perspectives on Earth's dynamic systems. The atmosphere, weather, climate, water, rocks, landforms, soils, and ecosystems are discussed.

101 EARTH SCIENCE LABORATORY 1

GEO 100, or 105, or conc reg req.

Practical application of principles of earth science through laboratory experiences emphasizing meteorology, climatology, soils, vegetation, and landforms.

130 THE TRAVELER'S WORLD

Cultural, physical, and economic aspects of the tourism industry in the United States and worldwide. Orientation to the industry as a career option.

135 WORLD GEOGRAPHY OC-SS 3

Inner Core req.

Regional studies of the peoples, languages, religions, economic activities, and settlement patterns of the world.

138 QUANTITATIVE REASONING IN THE GEOSCIENCES MC-OR 3

MAT 111 or 120 or 130 or 145, or cons inst req. May not be taken under the CT/NC option. Not for cr if had ECO 138, POL 138, PSY 138, or MQM 100.

Introduction to modern techniques used to visualize and analyze quantitative data in the geosciences.

140 HUMAN GEOGRAPHY MC-IS 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option.

Introduction to human geography emphasizing global problems, patterns, and distributions.

150 ECONOMIC GEOGRAPHY

Spatial distribution of a variety of activities related to production, exchange, and consumption of goods and services.

200 PHYSICAL GEOGRAPHY I

Introduction to geographic perspectives on the atmosphere and biosphere with emphasis on climatic patterns and relationships with vegetation and human activities.

201 PHYSICAL GEOGRAPHY II 3

GEO 200 req.

Introduction to geographic perspectives on the lithosphere and hydrosphere with emphasis on water balance.

204 DOING GEOGRAPHY

3

9 hrs Geography req. Formerly GEOGRAPHIC TECHNIOUES.

Introduction to geographical methodology and techniques with an emphasis on development of skills in analyzing spatial data.

205 LIVING IN THE ENVIRONMENT 3

Completion of 45 sem hrs or equivalent or cons inst req. Formerly GLOBAL ENVIRONMENTAL ISSUES.

The human interactions with the natural environment. Emphasizes soil, wildlife, forest, mineral and fuel, water and air conservation.

207 NATURAL DISASTERS OC-SMT 3

Inner Core req. MC-QR category req. Not for cr Geology maj. Two 1-hour lectures; one 2-hour discussion/lab per week.

Science of earth-related natural disasters: occurrences, causes, effects, prediction, prevention, mitigation, related human activity and classic examples.

208 POLITICAL GEOGRAPHY 3

Completion of 45 sem hrs or equivalent or cons inst req. Introduction to the field of political geography. Emphasis on spatial patterns of political activity.

211 EARTH'S DYNAMIC

WEATHER OC-SMT 3

Inner core req. MC-QR category req. Not fr cr maj. Formerly GEO 110.

Dynamic aspects of weather and climate from global to local scales with emphasis on how we gather, analyze, and understand weather information.

215 UNITED STATES

Completion of 45 sem hrs or equivalent or cons inst req. Major regions of the United States in terms of contemporary physical, cultural, and natural resource patterns.

220 ILLINOIS 3

Completion of 45 sem hrs or equivalent or cons inst req.

Boundaries, physical setting, environment concerns, patterns of human occupance, regional characteristics.

235 GEOGRAPHY OF EMERGING AREAS OC-SS 3

Inner Core req. MC-IS category req.

Current cultural realities of major emerging geographic regions are examined in light of how they affect geography and how geography affects the cultures. Regions vary in different sections.

238 QUANTITATIVE METHODS IN GEOGRAPHY I

GEO 204 or conc reg or cons inst req.

Introduction to uni-variate parametric statistical methods routinely used by geographers.

3

240 EUROPE

Completion of 45 sem hrs or equivalent or cons inst req. Patterns of occupance and development. Emphasis on the countries of the European Union.

245 FORMER SOVIET UNION

Completion of 45 sem hrs or equivalent or cons inst req. Physical resource patterns and their significance to industrial, agricultural land use, general economic, and political development.

250 AFRICA

3

Completion of 45 sem hrs or equivalent or cons inst req. Regional study of Africa. Patterns of society as related to the natural environment.

255 ASIA 3

Completion of 45 sem hrs or equivalent or cons inst req. Countries, regions, and peoples of Asia. Selected regions, specific localities, and special problems.

265 OUR NATIONAL PARKS

3

Completion of 45 sem hrs or equivalent or cons inst req. National Parks of the United States in terms of physiography, geology, climate, flora, fauna, and scenic qualities.

300 CARTOGRAPHY

3

Jr/sr standing req. GEO 204 req. Drafting supplies req. Theory and techniques regarding graphic representation of statistical data, including compilation, drafting, and reproduction of various types of thematic maps.

303 GEOGRAPHIC INFORMATION SYSTEMS

3

GEO 204 or cons inst req.

Fundamental principles of geographic information systems; emphasis on raster and vector based systems and their applications to spatial analysis.

304 GEOGRAPHIC INFORMATION SYSTEMS APPLICATIONS

3

GEO 303 reg; MAT 120 rec.

Advanced applications in geographic information systems (GIS) with an emphasis on problem-solving, advanced GIS analysis techniques, and a survey of raster and vector based GIS software and data bases.

306 REGIONAL AND AREA STUDIES 1-9

Field work reg. Cons inst reg.

Intensive on-site study of particular lands, environments, cultures, and peoples.

307 TEACHING GEOGRAPHY/ EARTH SCIENCE

3

Teaching maj only. Adm to Professional Studies req. C or better C&I 216 or PSY 215 or conc reg req. 8 hours of Geography or Geology req. Inc Clin Exp: 35 hrs, Type 1-6, 10.

Approaches to the teaching of geography and earth science in grades 6-12.

308 QUANTITATIVE METHODS IN GEOGRAPHY II

3

GEO 204 req; MAT 120 or equivalent rec. Formerly QUANTITATIVE METHODS IN GEOGRAPHY.

Use and interpretation of basic statistical techniques in geographical problems.

310 FIELD GEOGRAPHY

3

9 hrs Geography and fieldwork req.

Techniques for the systematic acquisition and interpretation of geographic field data. Includes introduction to Orienteering.

315 SEMINAR IN GEOGRAPHY

2

Sr standing; 12 hrs Geography and field work req.
Designed to acquaint the student with career opportunities in geography and in related fields. Includes senior field problem.

331 CULTURAL GEOGRAPHY

3

3

GEO 135 or GEO 140 or cons inst req. Field trip req. An advanced course in the field and methodology of cultural geography, with an emphasis on the study of place and culture in a globalizing world.

332 HISTORICAL GEOGRAPHY

GEO 135 or GEO 140 or cons inst req. Not for cr if had GEO 210.

An advanced course in historical geography with an emphasis on the study of concepts and ideas to understand global settlement patterns at various scales across time and space.

334 POLITICAL ECOLOGY

3

GEO 205 or cons inst req. Formerly 389.32.

Critical examination of how socio-political and economic systems, processes, and practices are linked globally with contemporary environmental problems.

336 URBAN GEOGRAPHY

3

3

Jr/sr standing req.

Internal morphology, external relationships, and other spatial aspects of cities.

339 MEDICAL GEOGRAPHY

GEO 204 or cons inst req.

Investigates the major research themes in medical geography, including health-environment interactions, spatial patterns and analysis, and health care systems.

341 CLIMATE AND GLOBAL ENVIRONMENTAL CHANGE

3

GEO 204; GEO 200 or 211; GEO 201 or cons inst req. An overview of concepts, methods, theory and debates surrounding climate and global environmental change.

344 BIOGEOGRAPHY

3

GEO 100 or cons inst req. Lecture and lab.

Scientific study of geographic distributions of plants and animals, past and present, and factors and processes that cause these distributions.

351 CARTOGRAPHIC PROCESSES

A or B in GEO 300 req. Materials charge optional. Advanced techniques in design, production and reproduction of maps.

370 URBAN AND

REGIONAL PLANNING

3

3

GEO 204 or cons inst req.

Introduction to the planning process and the major elements used in plan implementation such as zoning regulations, subdivision regulations, and the official map. Field research may be required.

383 MAPS AND MENTALITIES

GEO 204; or HIS 101 or 102, 135 or 136, and 200 or

Survey of maps and their makers in Western history, from the ancient period to the present.

398.01 PROFESSIONAL PRACTICE: INTERNSHIP IN GEOGRAPHY

cons inst req. Also offered as HIS 383.

1-16

100 hrs; 2.20 GPA; GEO 315; and cons dept chair req. Max 4 hrs cr toward GEO maj; 40 hrs intern/cr hr. Advance arrangements req.

Planned, supervised professional experience in a public or private organization. The experience provides an introduction to a career in geography. May be paid.

Geology Courses

102 PRINCIPLES OF GEOLOGY IC-NS

Not for cr maj/min. Not for cr if had GEO 105. May not be taken under the CT/NC option. Lecture and lab. Examination of the principles of geology and the tectonic, rock, hydrologic, and geomorphic cycles in terms of assumptions, forces, products, and consequences.

202 EVOLUTION OF THE

EARTH

OC-SMT

Inner Core reg. MC-QR category req. Field trip req. Not for cr if had GEO 107.

Physical, chemical, and biologic evolution of the earth system as interpreted from rock sequences, fossils, and maps. Emphasis on geologic methodology.

203 MINERALS, ROCKS, FOSSILS AND MAPS

IC-NS or IC-NSA req; GEO 202 or cons reg req. Lec-

Mineral, rock and fossil identification and interpretation; recognition and interpretation of structures and surface features from geologic and topographic maps.

276 ENVIRONMENTAL GEOLOGY

Completion of 45 sem hrs or equivalent or cons inst reg. Recognition of geologic hazards such as earthquakes and floods. Evaluation of geologic resources and the legal and geologic limitation of resource utilization.

280 MINERALOGY

GEO 203; CHE 140 req. Lecture and lab.

Crystallography, internal structure, chemistry, recognition and occurrence of minerals.

285 IGNEOUS AND METAMORPHIC PETROLOGY

GEO 280 req. Lecture and lab. Field trip req. Description, classification, and origin of igneous and metamorphic rocks.

290 STRUCTURAL GEOLOGY

GEO 203 req; MAT 144 rec. Lecture and lab. Field

Mechanics and processes of deformation of the earth's crust and the resulting structures.

295 SEDIMENTOLOGY AND STRATIGRAPHY I

3

GEO 203 reg. Lecture and lab. Field trip reg. Formerly SEDIMENTOLOGY.

Origin, transportation, deposition, and diagenesis of sedimentary materials with emphasis on classification of sedimentary rocks.

296 SEDIMENTOLOGY AND STRATIGRAPHY II

GEO 203, 295 reg. Lecture and lab. Field trip reg. Formerly STRATIGRAPHY.

Distribution, correlation and analysis of stratified rocks.

298.20 PROFESSIONAL PRACTICE: COOP/INTERN IN GEOLOGY 1-4

Max 4 hrs toward B.S. degree in Geology. Cons of inst reg. Planned, supervised, paid or unpaid professional practice in geology or geotechnical field with government or private organization.

360 GROUNDWATER GEOLOGY 3

GEO 203 and MAT 146 reg. Field trips reg.

Groundwater occurrence and movement, aquifer evaluation, field and lab measurements, contamination and other applications.

361 HYDROLOGY 3

MAT 145 or cons inst req. Three Saturday field trips req. Introduction to hydrology, including all components of the hydrologic cycle, field and lab measurements, data acquisition, and quantitative problem solving.

362 ENGINEERING GEOLOGY

3

GEO 203; MAT 146; and PHY 108 or cons inst reg. Field trips req.

Engineering applications of geology, construction problems of geologic origin and their engineering solutions.

364 EXPLORATION GEOPHYSICS

GEO 203; MAT 146; and PHY 108 reg; or cons inst reg. Principles of exploration geophysics and the techniques that are used to study subsurface environments. Subjects reviewed include: stress and strain, information theory, seismic, gravity, magnetics, electrical resistivity, electromagnetic conductivity, ground penetrating RADAR, and borehole logging.

380 GEOMORPHOLOGY

GEO 100, 102, or 105 req. Field trips req. Origin, classification, description, and interpretation of landforms.

382 GLACIAL AND QUATERNARY **GEOLOGY**

GEO 100, 102, or 105 reg. Field trips reg.

Development of glaciers, glacial movements, deposits, and landforms as background for discussion of present landscapes.

385 INVERTEBRATE PALEONTOLOGY

GEO 203 reg. BSC 196 rec. Lecture and lab. Field

Examination and analysis of major fossil invertebrate phyla; emphasis on groups with paleoecologic and stratigraphic significance.

395 FIELD GEOLOGY

6

GEO 280, 285, 290, 295, and 296 req.

Application of geologic principles to field mapping and interpretation in the Black Hills and Central Rocky Mountains

HISTORY (HIS)

442

301 Schroeder Hall, (309) 438-5641 Web address: www.history.ilstu.edu

Chairperson: Roger Biles.
Tenured/Tenure-track Faculty:

Professors: A. Beier, Drake, Jones, Lessoff, Perez.

Associate Professors: Adedze, L. Beier, Clemens, Clem-

mons, Crubaugh, Olsen.

Assistant Professors: Ciani, Hartman, Hughes, Kennedy, Nassar, Paehler, Philpott, Reed, Soderlund, Winger, Wood.

General Department Information

INTERDISCIPLINARY MINORS

The Department of History participates in a number of interdisciplinary minors at the University. Course work offered by the Department contributes to the following minors: African Studies, African-American Studies, Environmental Studies, Middle Eastern and South Asian Studies and Urban Studies. For further information on these minors and their advisors, please consult the University-Wide Curriculum section of this *Undergraduate Catalog*.

HONORS IN HISTORY

Honors work in the Department of History has been designed to offer to qualified undergraduates the opportunity to develop an independent, individualized program of study while working closely with departmental faculty in the field of their special interest.

Admission Requirements:

To be admitted to the Honors Program, students must have at least sophomore standing, have taken nine hours in history, and have a minimum GPA of 3.50 in History. Recommendation of at least one member of the departmental faculty is required as is the approval of the departmental Honors Director. Students may also be invited to apply by a faculty member. In specific cases these requirements may be waived but only with the express approval of the Honors Director and the History Department Chairperson.

Honors Study Requirements:

Students in the Honors Program will complete a minimum of 9 hours of Honors-level work. The following requirements constitute the minimum program:

A. History 296: Historiography and Historical Method (3 hours.) Cons inst req; 3.50 GPA in History; Majors only. This class serves as a foundation for honors work. A student in the University Honors Program may arrange with the Honors Program Office for this course to

- count as the Honors participation requirement for continuation of that program.
- **B. History 299:** Independent Honors Study (Honors, 3 hours.) *296 or cons reg req; adm to departmental honors prog; cons dept.* This course gives students the opportunity to work with an individual faculty member to devise and research a project of the student's choice. Students will begin drafting the honors thesis in preparation for History 301.
- C. History 301: Honors Thesis (Honors, 3 hours.) HIS 296 and 299; adm to dept honors prog; cons of dept. HIS 301 can be counted for the History 300 SENIOR SEMINAR major req. Cannot be taken CR/NC. Formerly HIS 294.

 The course provides the student with the opportunity to complete the writing of the honors thesis and to present a summary of the thesis at a public forum or defend the thesis before relevant faculty.

GRADUATION WITH HONORS

To graduate with Honors in the Department of History the student will be expected to complete the program outlined above and to maintain grades in departmental subjects so as to finish with an overall History average of 3.50. The Director of Departmental Honors and the History Department Chairperson will regularly evaluate students in the program. Any student whose work does not meet the minimal standards of the program will not be allowed to continue.

History Programs

Degrees Offered: B.A., B.S.

MAJOR IN HISTORY

Admission to the History major, including the History-Social Sciences Teacher Certification Sequence, may be restricted by the lack of available Department resources.

The Department of History encourages students seeking bachelor's degrees to develop both global and multidisciplinary approaches to the study of history and to apply these methods to their studies in other disciplines. To develop their skills of historical analysis and to learn to think critically about historical accounts, students complete HIS 200 and 300. To acquire both a well-rounded and a global understanding of historical processes, students are required to take 6 hours each in the 3 fields of European, non-Western, and United States History.

The Department of History recognizes the value of language to the study of history from a global perspective. For this reason, the department recommends all students majoring in history complete a Bachelor of Arts program. Those students majoring in history but choosing to pursue a Bachelor of Sciences program must complete a minor program.

B.A. students are encouraged to improve their career opportunities by minoring in another discipline. B.A. students not opting for a minor must choose an area of concentration by taking a minimum of 9 hours in any field other

than history or foreign language; at least 3 of these hours must be in 200- or 300-level courses. B.A. students are encouraged to continue their language studies beyond the 12 hours required by the Bachelor of Arts.

B.A. and B.S. students in either the History (non-teaching) or History-Social Sciences Teacher Certification Sequence must complete or be concurrently enrolled in HIS 200 before enrolling in any other 200-level History course and must complete HIS 200 before enrolling in any 300-level History course. HIS 300 is a capstone course to be taken in the student's last full semester on campus. For students in the History-Social Sciences Teacher Certification Sequence, this would be the semester just prior to student teaching.

Students must fulfill the following requirements:

Major in History, B.A.

- 36 hours in History required.
- Required courses: HIS 101, 102, 135, 136, 200, 300; 6
 hours non-Western History listed in group 3 of "History Courses by Group for the Major." At least one of the non-Western electives must be at the senior level.
- 21 hours at the upper-division level (includes HIS 200), including 9 hours at the 300-level (includes HIS 300).
 HIS 200 is a prerequisite/co-requisite for all other 200-level and prerequisite for all 300-level History courses.
- Students must choose one of the following courses as an elective: HIS 104, 111, 112, or 131.
- Students are encouraged to complete a minor; but, if a minor is not selected, they must complete a 9-hour concentration in any field other than history or foreign language, with at least 3 hours at the upper-division level.

Major in History, B.S.

 Requirements same as for B.A., except that students must complete a minor.

History-Social Sciences Teacher Certification Sequence:

- 42 hours in History required.
- Required courses: HIS 101, 102, 135, 136, 200, 290, 300, 390; 3 hours upper-division United States History (in addition to HIS 135 and 136) listed in Group 2 and 6 hours of non-Western History listed in Group 3 of "History Courses by Group for the Major." At least one of the non-Western electives must be at the senior level.
- 27 hours at the upper-division level (includes HIS 200, 290, 300, and 390), including 12 hours at the 300-level (includes HIS 300 and 390). HIS 200 is a prerequisite for all other 300-level History courses.
- Students must complete a 16-hour interdisciplinary area including ECO 105; POL 101 or 105 or 106; GEO 135 or 140; ANT 175 or 185; and SOC 106 or 108.
- The Teacher Certification Sequence is part of the entitlement program leading to secondary History-Social Sciences certification.
- A 2.75 GPA in the major and overall is required for

admission to Professional Studies and Student Teaching. Deadlines for admission to Professional Studies and Student Teaching are available from the Center for Teacher Education.

History Courses by Group for the Major:

Group 1: Methods and Topics: HIS 268, 270, 274, 290, 292, 296, 301, 330, 383, 390, 394, 395, 398.

Group 2: United States History: HIS 111, 112, 131, 239, 240, 241, 243, 244, 245, 246, 247, 248, 249, 253, 254, 256, 257, 258, 259, 261, 262, 273, 278, 279, 309, 310, 311, 315, 320, 321, 322, 323, 324, 325, 327, 329.

Group 3: Non-Western History: HIS 104.01, 104.02, 104.03, 104.04, 104.05, 104.06, 263, 264, 265, 266, 269, 271, 272, 275, 276, 282, 283, 307, 351, 373, 375, 378.

Group 4: European History: HIS 219, 220, 221, 222, 223, 224, 225, 228, 229, 230, 231, 232, 233, 234, 235, 237, 308, 342, 345, 355, 356, 357, 366.

MINOR IN HISTORY

- 21 hours in History required; at least 12 hours in 200- or 300-level courses.
- Required courses: 6 hours each in Group 2: United States, Group 3: Non-Western, and Group 4: European History (see listing under "History Courses by Group for the Minor."

MINOR IN HISTORY

For Teacher Education:

- The History Minor for Teacher Education does not lead directly to teacher certification. Students seeking certification in History and the Social Sciences must complete a recognized secondary education program and at least 32 hours in the Social Sciences (12 hours in History). In addition, students will be required to pass a Social Sciences content examination as administered by the state of Illinois.
- 21 hours in History required; at least 12 hours in 200- or 300-level courses.
- Required courses: 9 hours in Group 2: United States, 6 hours in Group 3: Non-Western, and 6 hours in Group 4: European History (see listing under "History Courses by Group for the Minor"); HIS 290 recommended in addition to required courses; requirements for Teacher Certification in another major field must be met.

History Courses by Group for the Minor:

Group 1: Methods and Topics: HIS 100, 200, 268, 270, 274, 290, 292, 296, 300, 301, 330, 383, 390, 394, 395.

Group 2: United States History: HIS 111, 112, 131, 135, 136, 239, 240, 241, 243, 244, 245, 246, 247, 248, 249, 253, 254, 256, 257, 258, 259, 261, 262, 264, 273, 278, 279, 309, 310, 311, 315, 320, 321, 322, 323, 324, 325, 327, 329.

Group 3: Non-Western History: HIS 104.01, 104.02, 104.03, 104.04, 104.05, 104.06, 125, 126, 127, 128, 263, 264, 265, 266, 269, 271, 272, 275, 276, 282, 283, 307, 351, 373, 375, 378.

Group 4: European History: HIS 101, 102, 219, 220, 221, 222, 223, 224, 225, 228, 229, 230, 231, 232, 233, 234, 235, 237, 308, 342, 345, 355, 356, 357, 366.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and in other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

History Courses

The Department attempts to offer its courses in the semesters indicated below. But because of changing faculty availability, which cannot be foreseen before this *Undergraduate Catalog* is printed, the Department cannot guarantee that a given course will always be taught in a given semester or year. In planning their programs, students are therefore advised to consult departmental faculty and advisors concerning the availability of individual courses.

101 WESTERN CIVILIZATION

TO 1500

3

Western civilization from its beginnings in the ancient Near East until the Renaissance, emphasizing cultural and political history.

102 MODERN WESTERN CIVILIZATION 3

Western civilization from the Renaissance to the present, emphasizing cultural and political history.

104 HISTORY OF ASIA, MIDDLE EAST, AFRICA, LATIN AMERICA, OR INDIGENOUS PEOPLES OC-H

ENG 101 and COM 110 req. Not for cr if had HIS 103

Interdisciplinary, thematic, and chronological examination of the histories of Africa, Asia, Latin America, and indigenous peoples. Topics vary from one section to another. Topic .01 Africa; Topic .02 East-Asia; Topic .03 Latin America; Topic .04 Middle East, Topic .05 South and Southeast Asia; .06 Native Americans.

107 THE MAKING OF EUROPE OC-H 3

ENG 101 and COM 110 req.

Explores the formation of Europe as a distinct historical entity.

111 AMERICAN DIVERSITY: CONTESTED VISIONS OF THE UNITED STATES EXPERIENCE MC-UST

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as SOC 111. Study of major events in United States history from the perspectives of race, gender, ethnicity, and class.

112 AMERICAN FAMILY: CHANGE AND DIVERSITY MC-UST

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as FCS/SOC 112.

Historical and comparative exploration of activities of family formation, maintenance, and reconfiguration in America. Emphasis on issues of diversity.

131 AMERICAN CULTURE: TRADITIONS AND TEXTS MC-UST

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as ENG 131.

Historical introduction to American culture through analysis of written texts and artifacts such as works of fine art.

135 HISTORY OF THE UNITED STATES TO 1865

3

Political, economic, social, and cultural developments from the colonial period to the Civil War.

136 HISTORY OF THE UNITED STATES SINCE 1865

Agrarian and industrial revolutions, development of American institutions, and America as a world power.

200 DOING HISTORY:

AN INTRODUCTION

3

HIS/HIS-Soc Sci Ed maj only; 15 hrs college cr; cons dept req.

An introduction to the discipline, including study of research and writing techniques, historical methods, and the nature and varieties of history. Required of History and History-Social Sciences Education majors as a prerequisite/co-requisite for all other 200-level and prerequisite for all 300-level History courses. Must be taken by students who begin at Illinois State University no later than the end of their sophomore year, by transfer students by the end of the junior year, or with approval of the department chairperson.

219 GENDER IN MEDIEVAL AND EARLY MODERN EUROPE

HIS 101 and 102 or cons inst reg.

Survey of the role of gender in Medieval and Early Modern European history.

220 ANCIENT HISTORY: GREECE

HIS 101 or 102 or cons inst rea.

Political and cultural evolution of the Greek World from preclassical times to the Hellenistic Age.

221 ANCIENT HISTORY: ROME

HIS 101 or 102 or cons inst req.

The Roman republic and empire with emphasis on the constitutional evolution of Rome.

222 THE MIDDLE AGES: 395-1100 3

HIS 101 or 102 or cons inst rea.

The disintegration of ancient civilization and the gradual emergence of three successor civilizations: Byzantium, the Muslim World, and Western Europe.

223 THE MIDDLE AGES: 1100-1500

HIS 101 or 102 or cons inst rea.

The climax and decline of medieval civilization.

224 THE RENAISSANCE:

EUROPE: 1300-1500

3

3

3

3

Political, economic, social, intellectual, cultural transition to early modern Europe; spread of Renaissance from origins in Italy; exploration and discovery.

225 THE REFORMATION:

EUROPE: 1500-1600

Protestant and Catholic reformations in the setting of 16thcentury politics, economics, society; intellectual and cultural currents; European expansion.

228 EUROPE IN THE NINETEENTH

CENTURY: 1815-1914

Liberalism, nationalism, democracy, militarism, imperialism, and the forces that led to World War I.

229 EUROPE IN THE

TWENTIETH CENTURY

The origins of the World Wars, Marxism-Leninism, Nazi and Soviet totalitarianism, and the role of Europe in the Cold War.

230 THE CONTEMPORARY

WORLD

Major economic, social, political, and cultural changes since 1945. The Cold War, the revolution in expectations, and the emerging concern over depletion of resources and environmental imbalances.

231 ENGLISH HISTORY TO 1688

History of medieval and Tudor-Stuart England to the Revolution of 1688.

232 ENGLISH HISTORY SINCE 1688

English history from the Glorious Revolution of 1688-89 to the present; political, social, and cultural history are emphasized.

233 MEDIEVAL RUSSIA

Examination of life in Kievan Rus and Muscovy stressing their cultural contributions to European civilization.

234 IMPERIAL RUSSIA

Analysis of the creation and maintenance of empire culminating in Russia's Golden and Silver Ages.

235 FRENCH HISTORY TO THE REVOLUTION

3

French history from the Middle Ages to the French Revolution with emphasis upon French culture, including social, intellectual, and artistic movements.

237 MODERN GERMANY:

1848-PRESENT

Survey of German social, political, diplomatic, and intellectual history in the 19th and 20th centuries.

239 HISTORY OF AMERICAN FOREIGN RELATIONS

3

Not for cr if had HIS 251 or HIS 252.

The history of the foreign relations of the United States from the American Revolution to the present.

240 AMERICAN ENVIRONMENTAL HISTORY

HIS 135 or 136 or cons inst req.

How people and the flora, fauna, climates, and natural landscapes of America have interacted and affected one another over time.

241 COLONIAL LIFE AND INSTITUTIONS

3

3

Transfer of European ideas, institutions, and customs to America, and their subsequent development on American soil.

243 THE EARLY NATIONAL

PERIOD: 1787-1815

Emphasis upon the establishment of a national government; the principles and influence of early federalism and of Jeffersonian democracy.

244 THE AGE OF JACKSON: 1815-1848 3

HIS 135, equivalent, or cons inst req.

The awakening of American nationalism as typified by the economic, political, social, and cultural changes of the Jacksonian period.

245 AMERICAN

MATERIAL CULTURE

Study of American material culture, including art, architecture, useful and ornamental objects, and textiles, from the colonial era through contemporary American society.

246 CIVIL WAR AND

RECONSTRUCTION: 1848-1877

3

HIS 135 or 136, equivalent, or cons inst req.

Causes and process of secession, problems of the Lincoln and Davis administrations, conduct of the war, and the problems of reconstruction.

247 THE GILDED AGE IN AMERICA: 1877-1900

HIS 136 or cons inst req.

Industrialization and responses to industrialism in America; special attention given to business and political leaders, farmers, African-Americans, and writers.

248 UNITED STATES IN THE TWENTIETH CENTURY TO 1945

3

3

Significant aspects of American history from the Populist era to the end of World War II.

249 UNITED STATES IN THE TWENTIETH CENTURY SINCE 1945

Significant aspects of American history from the 1945 to contemporary times.

253 AMERICAN CONSTITUTIONAL HISTORY

3

The history of American constitutional and legal developments from the colonial period to the present.

254 THE AMERICAN WEST

3

HIS 135 or 136, equivalent, or cons inst req.

Development of the trans-Mississippi West, exploration to present. Emphasis upon land-human relationships and the roots of environmental concerns.

256 AMERICAN BUSINESS HISTORY

2

HIS 135 or 136, equivalent, or cons inst req. Formerly AMERICAN ECONOMIC HISTORY.

Industrialization of America; the problems of agriculture, monopoly, and labor; the role of government in regulating and guiding economic activity.

257 AFRICAN-AMERICAN HISTORY TO 1865

3

The history of African Americans from Colonial times to the Civil War.

258 AFRICAN-AMERICAN HISTORY SINCE 1865

3

The history of African Americans from the Reconstruction period to the present.

259 HISTORY OF ILLINOIS

3

HIS 135 or 136 or cons inst req.

A survey of the history of Illinois from the time of the French explorers to the present.

261 HISTORY OF WOMEN IN THE UNITED STATES TO 1865

3

Sophomore standing req. Not for cr if had HIS 250. The role of women in the economic, social, political, and cultural history of America from the colonial period to the Civil War

262 HISTORY OF WOMEN IN THE UNITED STATES SINCE 1865

3

Sophomore standing req. Not for cr if had HIS 250. The role of women in the economic, social, political, and cultural history of America from 1865 to the present.

263 MODERN MEXICO

3

Survey of Mexican history from the mid-18th century.

264 HISTORY OF WOMEN IN NORTH AMERICA O

OC-SS

3

Inner Core req. MC-UST or MC-IS category req.

Introduction to theoretical approaches to women's history and a study of selected aspects of the history of women in Canada, Mexico, the United States, and the Caribbean.

265 AFRICAN CIVILIZATION

3

Political, social, cultural, and economic survey of Sub-Sahara African Civilization from about 1000 to about 1884 (European expansion).

266 MODERN AFRICA

3

Political, social, cultural, and economic survey of Modern Africa from the beginnings of European expansion to the present.

268 PEACE HISTORY

3

A historical survey of peace reformers, ideas, organizations, institutions, and movements in the Western and non-Western world.

269 HISTORY OF JAPANESE

RELIGIONS

3

A study of the development of Japanese Religions from Pre-History to the present.

270 WORLD RELIGIONS/ WORLD VIEWS

3

The great religions of the world, primarily Judaism, Hinduism, Buddhism, Christianity, and Islam; also includes Zoroastrianism, Confucianism, Taoism, Shintoism, primal religion, humanism, Marxism, and civil religion.

271 ISLAMIC CIVILIZATION

3

Political, social, economic survey of the Middle East from Muhammad to the 19th century, emphasizing origins and achievements of the Islamic age.

272 MODERN MIDDLE EAST

Political, social, and economic-survey of the Middle East from the 19th century to the present, emphasizing the rise of the modern nation-states.

273 THE IMMIGRANT IN AMERICAN HISTORY

3

The changing role of immigration in American social, economic, and political history.

274 HISTORY OF WESTERN MEDICINE 3

Formerly HISTORY OF MODERN MEDICINE.

The experience and management of ill health in Western societies from Classical times to the present day.

275 HISTORY OF JAPANESE CIVILIZATION

3

Topical and chronological examination of Japanese religions, philosophies, art, music, literature, societal values and behavior to 1800.

276 HISTORY OF CHINESE CIVILIZATION

3

Topical and chronological examination of Chinese religions, art, music, literature, societal values and behavior to 1911.

278 UNITED STATES MILITARY HISTORY

HIS 102 or 135 or 136 or cons inst req.

U.S. military history in a global context from the colonial period to the present.

279 WORLD WAR II

3

3

General survey of World War II including military, diplomatic, and cultural concerns.

282 COLONIAL LATIN AMERICAN HISTORY

3

Intermediate study of the social, political, intellectual, and economic history of colonial Latin America (Latin America to 1821).

283 HISTORY OF CUBA

•

Intermediate study of the social, political, intellectual, and economic history of Cuba, with emphasis on the modern period.

290 HISTORY-SOCIAL SCIENCE TEACHING METHODOLOGY I

3

C or better in C&I 216 or conc reg req. Exceptions may be made by cons inst. Req for HIS-Soc Sci maj in Teacher Ed programs. Incl Clin Exp.

Special methods and pre-student teaching clinical experiences for History-Social Sciences Teacher Education students. Includes observation and participation in classroom settings. Must be completed prior to student teaching.

292 CAREERS FOR HISTORY AND SOCIAL SCIENCES MAJORS

1

Acquaints students with career opportunities and relates History and Social Sciences skills learned to those needed in various career situations. Includes instruction in job placement skills.

296 HISTORIOGRAPHY AND HISTORICAL METHOD

3

Cons inst req; 3.50 GPA in history; majors only.

This class serves as a foundation for honors work. A student in the University Honors Program may arrange with the Honors Program Office for this course to count as the Honors participation requirement for continuation of that program.

300 SENIOR SEMINAR IN HISTORY

3

HIS/HIS -Soc Sci Ed only. HIS 200 or cons inst req.

An advanced study of the methods, sources, and problems of the field of history, using a topical approach that varies from section to section. To be taken in the last full semester on campus.

301 HONORS THESIS

•

HIS 296 and 299; adm to dept honors program; cons of dept req. May be counted for HIS 300 SENIOR SEMI-NAR major req. Cannot be CR/NC. Formerly HIS 294.

The course provides the student with the opportunity to complete the writing of the honors thesis and to present a summary of the thesis at a public forum or defend the thesis before relevant faculty.

306 REGIONAL AND AREA STUDIES 1-9

Any 200-level HIS course or cons inst req. Materials charge optional.

Intensive on-site study of particular lands, environments, cultures, and peoples.

307 SELECTED TOPICS IN

NON-WESTERN HISTORY

3

1 of the following: HIS 103.01, 103.02, 103.03, 103.04, 104.01, 104.02, 104.03, 104.04, 263, 265, 266, 271, 272, 275, 276 or IDS 203; and HIS 200 or cons inst req. May be repeated if topic different.

The study of non-Western history through a topical approach. Topics will vary from semester to semester.

308 SELECTED TOPICS IN EUROPEAN HISTORY

3

HIS 101, 102 and 200 or cons inst req. May repeat for credit if content is different.

The study of European history through a topical approach. Topics will vary from semester to semester.

309 SELECTED TOPICS IN UNITED STATES HISTORY

3

HIS 135; 136; 200 or cons inst req. May repeat for cr if topic different.

This course focuses on a specific topic or era of United States history, emphasizing conflicting interpretations and use of primary sources.

310 NATIVE AMERICAN HISTORY 3

HIS 135 or 136 or cons inst req.

An examination of the major themes and events of Native American history and culture from pre-Columbian times to the present.

311 AGE OF THE AMERICAN REVOLUTION

3

The emergence of the United States as an independent nation from 1763 to the Constitutional Convention in 1787.

315 SLAVERY AND THE OLD SOUTH 3

HIS 135 or 257 or cons inst req.

Historiography of slavery and the pre-Civil War South.

320 LINCOLN: THE MAN AND HIS TIMES

3

Any 200-level American History course or cons inst req. Attention directed especially toward the work of Lincoln in Illinois, his leadership during the Civil War, and his relationships with people and events of his time.

321 GREAT FIGURES OF AMERICAN HISTORY

3

Any 200-level American History course or cons inst req. Personalities selected from American history with emphasis on the contributions and lasting influence of significant individuals.

322 AMERICAN URBAN HISTORY

1 of the following: ECO 238, GEO 204, HIS 200, POL 209, SOC 271; or cons inst req.

Survey of the history of the American city from the Colonial Era to the present.

323 AMERICAN CULTURAL AND INTELLECTUAL

HISTORY: 1620-1860

3

HIS 135 or cons inst req.

American progress in the fine arts, philosophy, literature, and science from Puritan times to 1860.

194 History

324 AMERICAN CULTURAL AND INTELLECTUAL HISTORY: 1860-PRESENT

HIS 136 or cons inst rea.

The impact of naturalism, industrialization, secularization, and urbanization upon American culture since 1860.

325 PROBLEMS IN TWENTIETH-CENTURY UNITED STATES CONSTITUTIONAL HISTORY

Any 200-level American History course or cons inst req. Major problems in American constitutional history since the Progressive Era; civil rights, freedom of speech and religion, federal-state relations.

327 AMERICAN LABOR HISTORY

HIS 136 or cons inst req.

The Industrial Revolution's impact upon workers with emphasis on the responses through unions and politics and on the role of government.

329 RURAL LIFE AND SOCIETY IN THE U.S.: 1800-PRESENT

3

3

3

Any 100- or 200-level United States History course or cons inst req.

Examines American rural society from 1800 to the present, with emphasis on the impact of change upon farming communities.

330 THE FAMILY IN HISTORY

- 3

Any 100- or 200-level HIS course or cons inst req. History of the family in Europe and America, viewing the changes from idealist, economic determinist, family systems, and psychoanalytic perspectives.

342 EUROPEAN INTELLECTUAL HISTORY SINCE 1600

3

HIS 101 or 102 or cons inst req.

The ideas of the scientific revolution, Enlightenment, 19th and 20th centuries, examined in a social, political and economic context.

345 FRENCH REVOLUTION AND NAPOLEON: 1789-1815

3

Any 200-level European History course or cons inst req. Society, culture and government under the monarchy; destruction of the old order; rise and fall of Napoleonic France.

351 ANCIENT NEAR EAST

3

Any 200- or 300-level non-United States History course or cons inst req.

The civilizations of Mesopotamia and Egypt from the neolithic period to $500\ B.C.$

355 POPULAR CULTURE IN EARLY MODERN EUROPE

3

History of the culture of the common population of Europe 1400 to 1800: pre-conditions, formation, principal elements, decline of the culture.

356 THE ENLIGHTENMENT

3

HIS 102 or cons inst req.

Intellectual and social history of the Western world during the 18th century.

357 LATE MEDIEVAL

AND EARLY

MODERN BRITAIN

2

HIS 231 or cons inst req. Not for cr if had 226, 227, 359, or 360.

Selected topics in British history, c. 1350 - c. 1750.

366 SOVIET RUSSIA

3

Study of communist revolution, culture, and dictatorship and its transformation into a contemporary European democracy.

373 HISTORY OF

MODERN CHINA

3

Concentrates on the Western and Chinese collision since the 1800's and the responses of traditional, national, and contemporary China to modernization.

375 HISTORY OF

MODERN JAPAN

3

Concentrates on Japan's modernization, goals of Meiji leaders, contradictory tendencies of pre-war Japan, and contemporary Japan.

378 ISLAM

3

In-depth study of Islam, focusing on ideas rather than events. Topics include law, mysticism, art, and resurgent Islam.

383 MAPS AND MENTALITIES

3

GEO 204; or HIS 101 or 102, 135 or 136, and 200 or cons inst req. Also offered as GEO 383.

Survey of maps and their makers in Western history, from the ancient period to the present.

390 HISTORY-SOCIAL SCIENCE TEACHING METHODOLOGY II 3

11 3

C or better in HIS 290 and C&I 216 or conc reg req. Incl Clin Exp. Adm to Professional Studies req.

History-Social Science materials, use of instructional models, and clinical experiences. Must be completed prior to student teaching.

394 ORAL HISTORY

3

HIS 135 or 136 or cons inst req.

Study and use of oral history as a research tool, and its application as a research technique.

395 ARCHIVES AND MANUSCRIPTS 3

Any 200-level HIS course or cons inst req.

Nature, acquisition, processing and use of archives and manuscripts. Emphasis on theory and principles with practical exercises.

398 PROFESSIONAL PRACTICE:

INTERNSHIP IN HISTORY

1-16

Cons of dept's intern coord req; 75 hrs completed; 2.60 GPA overall and in major; History maj (incl those in History-Social Sciences Teacher Ed Seq) only. Max 6 hrs towards HIS/HIS Ed maj.

Planned, supervised experience in a professional capacity in archives, business, government, historical archaeology, historical preservation, historical editing and publishing, historical societies, museums, or other application of history.

LANGUAGES, LITERATURES, AND CULTURES (LAN) 430

114 Stevenson Hall, (309) 438-3604

Web address: www.foreignlanguages.ilstu.edu Email address: foreignlanguages@ilstu.edu

Chairperson: Daniel L. Everett. Tenured/Tenure-track Faculty: Distinguished Professors: Bohn, Urey.

Professors: Alstrum, Everett, Nance, Reid, Thomas, Trouille,

VanderLaan, Weeks.

Associate Professors: Heggie, Mir, Pancrazio, Pao, Segelcke. Assistant Professors: Burningham, Druker, Huempfner,

Schmeiser

General Department Information

HONORS IN LANGUAGES, LITERATURES, AND CULTURES

The Department invites highly qualified majors (or double majors) to distinguish themselves by earning honors in French, German, or Spanish. To be admitted to the program a student must: (1) have completed 60 hours of university-level work; (2) be a declared major or double major in Languages, Literatures, and Cultures; and (3) have a minimum overall GPA of 3.30 with a GPA of 3.60 in the chosen language.

In order to graduate with departmental honors a student must:(1) complete the general requirements for the major; (2) maintain an overall GPA of 3.30 and a GPA of 3.60 in the major language; (3) complete 9 hours of in-course honors work at the 300-level in the major; (4) complete an honors thesis while enrolled as a senior in either LAN 299, Independent Honors Study, or LAN 395, Senior Seminar; (5) fulfill the general requirements for participation in the University Honors Program. Students interested in participating may obtain additional information from the Director of the Honors Program in Languages, Literatures, and Cultures. The Department also offers in-course honors work for students enrolled in the University Honors Program at the discretion of the instructor.

ASSOCIATED MINORS

The Department of Languages, Literatures, and Cultures participates in the minors in Cognitive Science, Ethnic and Cultural Studies, International Studies, and Latin American, Caribbean, and Latino/a Studies. For further information, please consult the Department advisor as well as the section entitled "University-Wide Curriculum" in this *Undergraduate Catalog*.

MINOR IN EAST ASIAN STUDIES

Advisor: Roger Thomas Office: 134 Stevenson Hall Phone: (309) 438-7982

The Minor in East Asian Studies provides an interdisciplinary approach to exploring the languages, politics, society, and cultures of countries in East Asia. Two tracks are available: a language track, emphasizing language and culture; and an interdisciplinary track, emphasizing the socio-political and cultural dynamics of the countries located in the region and their roles in the world.

Course requirements:

The plan of study must be created in consultation with the East Asian Studies advisor.

- 24 hours required.
- Required courses for all students: two-year sequence in an East Asian language; either Chinese 111, 112, 115, and an additional course approved by the advisor, or Japanese 111, 112, 115, 116.
- Choose one option:
 - **Option 1: Language Track**: LAN (JPN) 231, 232, and one elective from any elective group.
 - **Option 2: Interdisciplinary Track**: In consultation with the East Asian Studies advisor, sufficient electives from at least three of the following groups:
 - A. Department of Languages, Literatures, and Cultures: LAN (JPN) 111, 112, 115, 116, 231, 232; LAN (CHI) 111, 112, 115;
 - **B.** Department of History: HIS 104.02, 269, 275, 276, 373, 375;
 - C. Department of Politics and Government: POL 140, 245, 345;
 - D. Department of Philosophy: PHI 208;
 - E. Department of Sociology and Anthropology: ANT 294:
 - F. School of Music: MUS 275.01;
 - G. Interdisciplinary Studies: IDS 203.10.

See course descriptions by department. Other electives, including coursework taken abroad, may be counted toward the minor with prior approval of the minor advisor.

MINOR IN COMPARATIVE LITERATURE

- 19 hours required.
- A maximum of 9 hours may overlap with a major in English or Languages, Literatures, and Cultures.
- Languages, Literatures, and Cultures requirement (4 hours): LAN 116 or equivalent.
- Required core (3 hours): ENG/LAN 256.
- Core Comparative Literature electives (6 hours) 2 of the following: ENG/LAN 257, 258, 259.
- Languages, Literatures, and Cultures literature course (3 hours): 1 of the following LAN courses: FR 220, 221, 222; GER 211, 222; LAT 221, 222; SPA 233, 323, 324, 325 or any LAN literature course at the 300-level.
- Elective (3 hours) 1 of the following: ENG/LAN 257, 258 or 259 (if not used to fulfill the core requirement); a second LAN literature course from the list above; ENG 252, 255 or 352.
- Minimum 2.50 GPA in LAN 111-116.

MINOR IN FOREIGN LANGUAGES IN THE ELEMENTARY SCHOOL (FLES)

For advisement, please contact the Department of Languages, Literatures, and Cultures.

The Minor in Foreign Languages in the Elementary School (FLES) is designed primarily for Elementary Education majors who plan to teach a foreign language as part of the elementary school curriculum. Students take courses in a single target language and a course in FLES methodology, including practicum experience. Completion of the minor constitutes completion of the 18 hour area requirement for Elementary Education.

- A minimum of 23 and a maximum of 31 hours required. The number of hours required for the FLES minor depends on the level at which a student begins the program. Students with no previous foreign language study begin with LAN 111 and complete 31 hours; students with 2 years of high school foreign language (or equivalent) begin with LAN 112 and must complete 27 hours beyond 111; students with 3 or more years of foreign language begin at 115 and must complete 23 hours beyond 112. Consult the Languages, Literatures, and Cultures advisor if additional placement information is needed.
 - Student may complete the FLES minor in French, German, Japanese, or Spanish:
- Required courses for French FLES: FR 111, 112, 115, 116, 213, 214, 220 or 305, 235; LAN 355.
- Required courses for German FLES: GER 111, 112, 115, 116, 211, 213, 217, 218; LAN 355.
- Required courses for Japanese FLES: JPN 111, 112, 115, 116, 231, 232, 285; LAN 355 and 3 approved elective hours.
- Required courses for Spanish FLES: SPA 111, 112, 115, 116, 213, 214, 223, 243 or 244; LAN 355.
 - (LAN 214 not for credit if have ACTFL speaking score of Advanced. See the Languages, Literatures and Cultures advisor for substi-tute courses.)
 - 20 clinical hours of types 1, 2, 4, and 5, usually taken while enrolled in LAN 355.

Integrated Bachelor of Arts (B.A.) and Master of Arts (M.A.) in Languages, Literatures, and Cultures

The Integrated Bachelor of Arts (B.A.) and Master of Arts (M.A.) in Languages, Literatures, and Cultures enables a student to complete the B.A. and M.A. degrees in five years. It is available to the most promising Illinois State University, non-teacher education majors in French, German, or Spanish. The Department may invite applicants with an overall 3.50 G.P.A. or higher to apply after they have completed at least two 200-level courses.

Students accepted into the program must have sufficient undergraduate credits (approximately 90 hours) by their senior year in order to take courses for graduate as well as undergraduate credit. They do not normally complete a second undergraduate major.

All regular undergraduate requirements for the B.A. degree outside of the major will apply to candidates for the integrated degree.

Candidates generally take nine hours of graduate credit during their senior year and eighteen (18) hours of graduate credit during their graduate (fifth) year, and one course for joint credit, for the equivalent of thirty (30) graduate hours. Fifteen (15) course hours must be at the 400 level and approved as part of the graduate plan of study. All courses required for the regular B.A. will be completed by the end of the senior year. Should a student decide to leave the integrated B.A./M.A. program and complete only a B.A., all regular undergraduate degree requirements will apply.

The two semesters of graduate study must take place at Illinois State University. B.A./M.A. students are eligible to receive a graduate assistantship during their graduate year and, if they have already completed 120 hours, during the last semester of their fourth year. One hundred forty-seven (147) hours are required for the integrated program. Upon completion of the program, both a Bachelor of Arts degree and a Master of Arts degree will be awarded.

French Sequence: In addition to the 27 hours of graduate study, the French Sequence requires 35 hours of undergraduate study, including French 115, 116, 213, 214, 220, 235 or 335, 305, 395, and three additional 300-level courses approved by the Department.

German Sequence: In addition to the 27 hours of graduate study, the German Sequence requires 35 hours of undergraduate study, including German 115, 116, 211, 213, 217, 218, and five courses at the 300 level approved by the Department.

Spanish Sequence: In addition to the 27 hours of graduate study, the Spanish Sequence requires 33 or 34 hours of undergraduate study, including Spanish 116 or 120, 213, 215, 223, 233, 305; two courses among 323, 324, or 325; and three courses among 336, 337, 360, 385, or 395. Only students beginning study at Spanish 116 or higher are eligible for this sequence.

All sequences: The 27 graduate hours for all sequences must be completed with an average GPA of 3.00 or higher in at least three of the following areas: culture, linguistics, literature, and pedagogy. Students must pass a comprehensive examination and may choose to write a master's thesis as part of their graduate requirements. Details about academic requirements may be obtained from the Department of Languages, Literatures, and Cultures.

French Programs

Degree Offered: B.A.

MAJOR IN FRENCH

- A minimum of 35 hours and maximum of 43 hours in French are required. The number of hours required for the Major in French depends on the level at which a student begins the program. Students with no previous study in French begin the language with FR 111 and must complete 43 hours. Students with 2 years of high school French (or equivalent) normally begin with FR 112 and must complete 39 hours beyond 111. Students with 3 years of high school French (or equivalent) normally begin with FR 115 and must complete 35 hours beyond 111 and 112.
- Required courses: FR 115, 116, 213, 214, 220, 235, 395, two out of 221, 222, 305, plus 6 elective hours at the 300-level or above including at least one 300-level literature course.

Teacher Certification Sequence:

- A minimum of 38 hours and a maximum of 46 hours in French are required. The number of hours required for the Major in French for Teacher Certification depends on the level at which a student begins the program. Students with no previous study in French begin the language with FR 111 and must complete 46 hours. Students with 2 years of high school French (or equivalent) normally begin with FR 112 and must complete 42 hours beyond 111. Students with 3 years of high school French (or equivalent) normally begin with FR 115 and must complete 38 hours beyond 111 and 112.
- Required courses: FR 115, 116, 209, 213, 214, 220, 235, 305; LAN 319, 320; and either FR 221 or 222, plus one 300-level elective and sufficient other electives to meet the total hour requirement as indicated above.
- Part of entitlement program leading to K-12 (Type 10) certification.
- Recommended electives: FR 314, 335, 340, 395;LAN 321.

MINOR IN FRENCH

- 25 hours in French required.
- Required courses: FR 111, 112, 115, 116, 213; plus sufficient electives to meet the 25-hour requirement.

MINOR IN FRENCH

For Teacher Education:

— A minimum of 27 and a maximum of 35 hours in French are required. The number of hours required for the Minor in French for Teacher Certification depends on the level at which a student begins the program. Students with no previous study in French begin the language with FR 111 and must complete 35 hours. Students with 2 years of high school French (or equivalent) normally begin with FR 112 and must complete 31 hours beyond 111. Students with 3 years of high school French (or equivalent) normally begin with FR 115 and must complete 27 hours beyond 111 and 112.

- Required courses: FR 115, 116, 209, 213, 214; LAN 319; plus sufficient electives to meet the total hour requirements as indicated above.
- Recommended electives: FR 220, 221, 222, 235, 340;LAN 320, 321.

German Programs

Degree Offered: B.A.

MAJOR IN GERMAN

- 35-43 hours in German required. The number of hours required for the Major in German depends on the level at which the student begins the program. Students with no previous study in German begin in 111 and are required to complete 43 hours. Students with 2 years of high school German or equivalent normally begin with 112 and are required to complete 39 hours, exclusive of 111. Students with 3 years of high school German or equivalent normally begin in 115 and are required to complete 35 hours, exclusive of 111 and 112.
- Required courses: GER 115, 116, 211, 213, 217, 218, 222, 310, 385, and 1 literature course at the 300-level, plus sufficient electives to meet the total hour requirement indicated above.

Teacher Certification Sequence:

- 38-46 hours in German required. Part of entitlement program leading to K-12 (Type 10) certification.
- Required courses: GER 115, 116, 211, 213, 217, 218, 222, 310; LAN 319, 320; and 1 literature course at the 300-level, plus sufficient electives to meet the total hour requirement indicated below.
- Recommended electives: GER 302, 318, 332, 385;LAN 321.
- The number of hours required for the Major in German for Teacher Certification depends on the level at which a student begins the program. Students with no previous study in German begin the language with GER 111 and are required to complete 46 hours. Students with 2 years of high school German (or equivalent) normally begin with GER 112 and are required to complete 42 hours, exclusive of 111. Students with 3 years of high school German (or equivalent) normally begin with GER 115 and are required to complete 38 hours, exclusive of 111 and 112.

MINOR IN GERMAN

- 25 hours in German required.
- Required courses: GER 111, 112, 115, 116, 211, 213, plus sufficient electives to meet the 25-hour minimum.

MINOR IN GERMAN

For Teacher Education:

- 27-35 hours in German required.
- Required courses: German 115, 116, 211, 213, 217, 218;
 LAN 319, plus sufficient electives to meet the total hour requirement indicated previously.
- Recommended electives: GER 222, 310, 332; LAN 320, 321.
 - The number of hours required for the Minor in German for Teacher Certification depends on the level at which a student begins the program. Students with no previous study in German begin the language with GER 111 and are required to complete 35 hours. Students with 2 years of high school German (or equivalent) normally begin with GER 112 and are required to complete 31 hours, exclusive of 111. Students with 3 years of high school German (or equivalent) normally begin with GER 115 and are required to complete 27 hours, exclusive of 111 and 112.

Italian Programs

MINOR IN ITALIAN STUDIES

Advisor: Johnathan Druker, Department of Languages, Literatures, and Cultures

- 25 hours in Italian and related courses required.
- Required courses: ITN 111, 112, 115, 116, plus three elective courses to meet the 25-hour requirement.
- Approved electives: ITN 221, 222; HIS 221, 224; ART 375 or others approved by the Department.
- Other courses taken in Italy may be counted toward the minor with prior approval of the minor advisor.

Latin Programs

MINOR IN LATIN

- 25 hours in Latin and related courses required.
- Required courses: LAT 111, 112, 115, 116 plus sufficient electives to meet the 25-hour minimum.
- Electives: LAN 106; HIS 221; LAT 221, 222; PHI 254;
 ART 368, or others approved by the Department.

MINOR IN LATIN

For Teacher Education:

- Program requirements are the same as those for the Minor in Latin.
- Students not majoring in Languages, Literatures, and Cultures Education are encouraged to take LAN 319.

Spanish Programs

Degree Offered: B.A.

MAJOR IN SPANISH

 A minimum of 34 hours and a maximum of 43 hours in Spanish required. The number of hours required for the Major in Spanish depends on the level at which a student begins the program. Students with no previous study in Spanish begin the language with SPA 111 and must complete 43 hours. Students with 2 years of high school Spanish (or equivalent) normally begin with SPA 112 and must complete 39 hours beyond 111. Students with 3 years of high school Spanish (or equivalent) normally begin with SPA 115 and must complete 35 hours beyond SPA 111 and 112.

- Required courses: SPA 115, 116 or 120, 213, 215, 223, 233, 395, 1 of the following: SPA 243, 244, 1 of the following: 323, 324, 325; plus 2 of the following: 305, 336, 337, 360, 385, 395 (may be repeated if content different).
- Recommended electives: SPA 214 (not for credit if have ACTFL speaking score of Advanced).

Teacher Certification Sequence:

- Part of entitlement program leading to K-12 (Type 10) certification
- A minimum of 37 hours and a maximum of 46 hours in Spanish required. The number of hours required for the Major in Spanish for Teacher Certification depends upon the level at which a student begins the program. Students with no previous study in Spanish begin the language with SPA 111 and must complete 46 hours. Students with 2 years of high school Spanish (or equivalent) normally begin with SPA 112 and must complete 42 hours beyond 111. Students with 3 years of high school Spanish (or equivalent) normally begin with SPA 115 and must complete 38 hours beyond SPA 111 and 112.
- Required courses: SPA 115, 116 or 120, 213, 215, 223, 233, 243, 244; LAN 319, 320; plus sufficient electives to meet the total hour requirement previously indicated.
- Recommended electives: SPA 214, 323, 324, 325, 395, (214 not for credit if have ACTFL speaking score of Advanced); LAN 321.

MINOR IN SPANISH

- 24 hours in Spanish required.
- Required courses: SPA 111, 112, 115, 116 or 120, 213, 214 or 223 (214 not for credit if have ACTFL speaking score of Advanced), SPA 215 or 233, plus sufficient electives to meet the total hour requirement previously indicated.
- Recommended elective: SPA 223, if not taken to fulfill requirement.
- The Department reserves the right to limit the number of minors in times of oversubscription.

MINOR IN SPANISH

For Teacher Education:

— A minimum of 26 and a maximum of 35 hours in Spanish required. The number of hours required for the Minor in Spanish for Teacher Certification depends on the level at which a student begins the program. Students with no previous study in Spanish begin the language with SPA 111 and must complete 35 hours.

Students with 2 years of high school Spanish (or equivalent) normally begin with SPA 112 and must complete 31 hours beyond SPA 111. Students with three years of high school Spanish (or equivalent) normally begin with SPA 115 and must complete 27 hours beyond SPA 111

- Required courses: SPA 115, 116 or 120, 213, 214 or 223, 215 or 233; LAN 319; plus sufficient electives to meet the total hour requirement previously indicated.
- Recommended electives: SPA 214, 243, 244 305 (214 not for credit if have ACTFL speaking score of Advanced); LAN 319, 320, 321.
- The Department reserves the right to limit the number of minors in times of oversubscription.

Teacher Education Requirements:

Students seeking a Teacher Education degree must complete University-Wide Teacher Education program requirements. These include a minimum GPA of 2.75 in the major. All Teacher Education majors must complete LAN 319 and 320. LAN 319 is taken in the fall semester and 320 in the spring semester of the junior or senior year. Teacher Education students are encouraged to apply for Admission to Professional Studies as soon as they have completed 30 hours, and must complete the Professional Education course work, the state of Illinois General Education requirements for Teacher Certification or Illinois State University's General Education Program in its entirety and all other Teacher Education requirements (See College of Education section of the Undergraduate Catalog).

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Languages, Literatures, and **Cultures Courses**

Consult the department or University Web site at wwwIllinoisState.edu/ to determine which courses will be offered in a given semester.

For those languages which have no specific placement recommendations listed in this Undergraduate Catalog, students who have had no prior instruction in a foreign language, or 1 year of instruction, should enroll in the 111 course for the appropriate language. Students who have had 2, 3, or 4 years generally enroll in 112, 115, or 116 respectively. If prior language study took place more than 1 year earlier, a student may choose to enroll at a lower level. Transfer students and native speakers should consult with the Department's academic advisor to determine proper placement.

CREDIT FOR ACQUIRED PROFICIENCY (CAP)

If the first Languages, Literatures, and Cultures course in which a student enrolls is above 111 in the regular sequence (112, 115, 116 or above), he or she may be eligible for proficiency acquired elsewhere. Student must apply for CAP by filling out a short form in the Department of Languages, Literatures, and Cultures.

Credit toward graduation for acquired proficiency will be granted upon completion at Illinois State University of 1 course (excluding Independent Study) with the grade of C or better. It is recommended that the course be taken as soon as possible after matriculation at Illinois State University. Students are reminded that no course in the major or minor may be taken under the CT/NC option.

Students beginning at the 112-level and fulfilling the previous requirements will be granted 4 hours of CAP. Students beginning at the 115-level or above and fulfilling the above requirements will be granted 8 hours of CAP.

300-Level Languages, Literatures, and Cultures Courses:

Instruction in courses in literature and culture of the major fields of specialization (French, German, Spanish) will be given in the language of specialization whenever possible.

General Courses

106 MYTH AND MEANING

OC-H

3

ENG 101; COM 110 req. MC-LH category rec. Major myths of the world; their nature, origins, cultural significance, interpretation, and relevance today.

125 LITERARY NARRATIVE MC-LH

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option. Also offered as ENG 125.

Critical reading and analysis of a variety of literary narratives that reflect on human experience.

128 GENDER IN THE

HUMANITIES

MC-LH

ENG 101; COM 110 or conc reg req. May not be taken under the CT/NC option. Also offered as

COM/ENG 128.

Examination of gender roles, norms, and stereotypes from

Examination of gender roles, norms, and stereotypes from a broad range of perspectives within humanities across centuries and cultures.

143 UNITY AND DIVERSITY

IN LANGUAGE

-SS

3

Inner Core req. Also offered as ANT/ENG 143. Introduction to the disciplined study of human language as it reflects human cognition, social relations, cultural conventions, and speech communities.

206 CULTURAL EXPRESSIONS IN SOCIAL CONTEXTS: WOMEN OFASIA, LATIN AMERICA AND AFRICA OC-H

ENG 101; COM 110 req. MC-IS category req. WGS 120 rec. Also offered as ENG 206.

Interdisciplinary study of varieties of women's cultural expressions within distinct social contexts including comparative emphasis on different regions of concern.

292 CAREERS IN FOREIGN LANGUAGES 1

LAN maj/min only. Formerly CAREER DEVELOP-MENT FOR FOREIGN LANGUAGE MAJORS.

Provides students with career information and job search techniques.

300 RESEARCH IN FOREIGN

LANGUAGES

1-3

Cons dept chair req. May repeat if content differs. Supervised work in a foreign literature, in comparative language studies, or in educational materials for foreign language laboratory. Assignments will depend on the preparation and interest of the student.

319 PRINCIPLES IN FOREIGN LANGUAGE LEARNING

4

FR 235 or SPA 213 or 215 or 310 or GER 310 or conc reg req. C or better in C&I 210 or C&I 216 or conc reg req. Incl Clin Exp: 35 hrs, Type 1, 2, 5, 9, 10. Adm to Professional Studies req.

Discussion of recent scholarship, standards-based instruction and methods of teaching, integrated with field experiences.

320 FOREIGN LANGUAGE TEACHING IN THE SECONDARY SCHOOL

2

C or better in LAN 319 req. Incl Clin Exp: 12 hrs, Type 1, 5, 10. Adm to Professional Studies req.

Methods of teaching foreign languages in the secondary school. Special emphasis is given to materials and activities leading to mastery.

321 INTEGRATING TECHNOLOGY INTO THE FOREIGN LANGUAGE CLASSROOM 2

C or better in C&I 216 or PSY 215 or conc reg req. COM 240 rec. Formerly MEDIA MATERIALS AND USE IN THE TEACHING OF FOREIGN LANGUAGES.

Supplementing the basic methodology of Foreign Language teaching with media materials and the techniques for their use in the language classroom.

350 FOREIGN LANGUAGE TESTING AND ASSESSMENT

3

FR, GER, or SPA 213 or equivalent; foreign language proficiency req; LAN 319 rec.

Exploration of development and uses of language tests according to current views of foreign language teaching.

355 ELEMENTARY SCHOOL FOREIGN LANGUAGE METHODS

3

FR, GER, or SPA 213 or equivalent; foreign language proficiency req.

Development of skills for teaching foreign languages in the elementary school in the context of various program models.

398 PROFESSIONAL PRACTICE: INTERNSHIPS AND COOPERATIVE EDUCATION IN FOREIGN LANGUAGE 1-16

Complete dept application procedure. Max 16 hrs toward graduation. Depending upon nature of placement, dept may allow 1-4 hrs to count toward maj/min in language used. May be repeated.

Chinese Courses

111 FIRST-YEAR CHINESE (PART I)

4

Introductory Chinese emphasizing listening and speaking skills; concentration on understanding and using simple phrases and vocabulary.

112 FIRST-YEAR CHINESE (PART II)

4

Chinese 111 or cons inst req.

Continuation of Introductory Chinese emphasizing listening and speaking skills; concentration on understanding and using simple phrases and vocabulary.

115 SECOND-YEAR CHINESE (PART I)

Chinese 112 or cons inst req.

Review of basic grammatical patterns, vocabulary building, development of reading and writing abilities.

French Courses

111 FIRST-YEAR

FRENCH (PART I)

· · ·

Not rec if student had 3 yrs of high school French. Not for cr if had FR 115 or 116.

Pronunciation; essentials of grammar; exercises in hearing, speaking and writing French; reading material of graded difficulty.

112 FIRST-YEAR

FRENCH (PART II)

4

Not for cr if had FR 115 or 116.

Continuation of Part I.

115 SECOND-YEAR FRENCH (PART I)

4

FR 112 or high school French equivalent req.

Class reading of short stories, plays, and essays. Grammar review, oral and written composition.

116 SECOND-YEAR

FRENCH (PART II) MC-LH

ENG 101 req if course taken as part of Gen Ed program. FR 115 reg.

Continuation of FR 115. Class reading of short stories, plays, and essays. Grammar review, oral and written composition.

209 FRENCH PHONETICS

3

FR 116 req. Formerly FR 309.

Scientific approach to French pronunciation, correct formation of French sounds, practical application of the theory of phonetics.

213 ADVANCED TECHNIQUES IN WRITTEN FRENCH

FR 116 req.

Written communication skills in French. Formal and informal writing, use of dictionaries and reference materials, orthography, and vocabulary building. Grammar review.

214 ADVANCED FRENCH CONVERSATION AND CONTEMPORARY CULTURE

FR 116 req.

Introduction to contemporary French culture and development of oral communication and listening skills.

220 ADVANCED FRENCH READING AND VOCABULARY SKILLS

3

FR 116 reg. FR 213 or conc reg rec.

Vocabulary building through the reading and discussion of representative French poems, plays, and prose texts. Grammar review.

221 SURVEY OF FRENCH LITERATURE I 3

FR 220 rea.

French literature from the Middle Ages to the 18th century.

222 SURVEY OF FRENCH LITERATURE II 3

FR 220 reg. May be taken before FR 221.

French literature of the 19th and 20th centuries.

235 ADVANCED FRENCH GRAMMAR

2 courses beyond FR 116 reg. FR 213 and 220 rec. Systematic study of the morphology and syntax of the modern French language.

305 HISTOIRE DE LA CIVILISATION FRANCAISE

2 courses beyond FR 116 req. May repeat if content

Survey of French culture and civilization from ancient times to the present day.

314 STUDIES IN CONTEMPORARY FRENCH AND FRANCOPHONE CULTURE

2 courses beyond FR 116 req. May repeat if content

Selected themes in contemporary French and Francophone culture and society with an emphasis on group work, class discussion, and oral presentations.

325 SELECTED TOPICS IN FRANCOPHONE LITERATURE AND CULTURE

2 courses beyond FR 116 req. May repeat if content differs. Readings of representative literary works in their cultural contexts written in French by authors residing outside France.

326 SELECTED TOPICS IN FRENCH MEDIEVAL AND RENAISSANCE LITERATURE AND CULTURE

3

2 courses beyond FR 116 req. May repeat if content differs. Representative authors, genres, and movements before 1700 studied in their political, philosophical, and sociocultural contexts.

327 SELECTED TOPICS IN SEVENTEENTH-AND EIGHTEENTH-CENTURY FRENCH LITERATURE AND CULTURE

2 courses beyond FR 116 req. May repeat if content

Readings of representative seventeenth- and/or eighteenthcentury literary texts in their cultural (philosophical, political, social, economic, and/or historical) contexts.

328 SELECTED TOPICS IN NINETEENTH-AND TWENTIETH-CENTURY FRENCH LITERATURE AND CULTURE

3

2 courses beyond FR 116 reg. May repeat if content Readings of representative nineteenth- and/or twentieth-

century literary texts in their cultural (philosophical, political, social, economic, and/or historical) contexts.

335 COMPARATIVE FRENCH/ENGLISH GRAMMAR AND STYLE 3

FR 235 or cons inst req.

Intensive, advanced, comparative grammar, and composition, including analysis of stylistic differences between French and English.

340 INTRODUCTION TO APPLIED FRENCH LINGUISTICS

FR 235 reg.

Principles and methods of objective language analysis applied to relevant issues in the French language and the teaching of French.

385 SELECTED TOPICS IN FRENCH LITERATURE

3

2 courses beyond FR 116 req. May repeat if content

Intensive study of a genre, group of authors or a single major writer in French literature. This study varies each semester.

395 SENIOR SEMINAR 3

Sr standing in the major req.

Close reading and analysis of literary texts representative of the major genres and literary periods, in their sociohistorical contexts.

German Courses

111 FIRST-YEAR **GERMAN (PART I)**

Not rec if student had 3 yrs high school German. Not for cr if had GER 115 or 116.

Pronunciation, essentials of grammar, reading materials of graded difficulty, oral and written exercises.

112 FIRST-YEAR GERMAN (PART II)

4

Not rec if student had 3 years high school German. Not for cr if had GER 115 or 116.

Continuation of Part I.

115 SECOND-YEAR GERMAN (PART I)

4

GER 112 or 2 yrs high school German req.

Class reading of short stories, plays and essays. Grammar review, oral and written composition.

116 SECOND-YEAR

GERMAN (PART II) MC-LH

IC-LH 4

ENG 101 req if course taken as part of Gen Ed program. GER 115 req.

Continuation of GER 115. Class reading of short stories, plays, and essays. Grammar review, oral and written composition.

211 INTRODUCTION TO GERMAN LITERATURE

3

GER 116 or equivalent req.

Readings and analysis of selected short stories, plays, poetry, and other literary forms as first general introduction to German literature.

213 INTERMEDIATE GERMAN COMPOSITION

3

GER 116 or cons dept chair req.

Study of written communication skills in German, vocabulary building, correct phrasing and style, writing strategies, use of dictionaries and reference materials.

217 GERMAN CULTURE AND CIVILIZATION

3

GER 116 or cons dept chair req.

Overview of German culture from the beginning to World War I as derived from selected readings and class discussions.

218 CONTEMPORARY ISSUES OF THE GERMAN-SPEAKING COUNTRIES

GERMAN-SPEAKING COUNTRIES 3
GER 116 or cons dept chair req. Formerly GERMANY

Development of advanced German skills in reading, writing, speaking, and listening through a study of contemporary issues of the German-speaking countries since World War I, as reflected in essays and articles.

222 SURVEY OF GERMAN LITERATURE

3

GER 116 or cons dept chair req.

Reading and discussion of representative works of the most important authors from the early 19th century to the present.

310 ADVANCED STUDY OF THE GERMAN LANGUAGE

2

GER 213 or cons dept chair req. Not for cr if had GER 309

The study of linguistic concepts and their advanced application through the integration of practical work to improve language skills with appropriate theoretical topics in linguistics.

311 THE GERMAN NOVELLE

Two 200-level German courses reg.

Study of selected Novellen from Goethe and the Romantics through Poetic Realism and Naturalism to the 20th century.

318 GOETHE'S FAUST

3

2 courses beyond GER 116 req.

Critical study of Parts I and II of $\overline{\text{F}}\text{aust.}$ Lectures, readings, and reports.

332 GERMAN LYRIC POETRY

3

2 courses beyond GER 116 or cons dept chair req. Reading and interpretation of German lyric poetry from 800 A.D. to the present.

385 SELECTED TOPICS IN GERMAN LITERATURE OR CULTURE

3

2 courses in German lit req. May repeat if content differs. Intensive study of a theme, genre, including film, group of authors, or a single major writer in German literature.

Italian Courses

111 FIRST-YEAR ITALIAN (PART I) 4

Pronunciation; essentials of grammar; exercises in comprehending, speaking, and reading material of graded difficulty.

112 FIRST-YEAR ITALIAN (PART II) 4

Continuation of Part I.

115 SECOND-YEAR ITALIAN (PART I) 4

ITN 112 or cons dept chair req.

Continued development of aural-oral skills, reading and writing in Italian.

116 SECOND-YEAR

ITALIAN (PART II) MC

MC-LH 4

ENG 101 req if course taken as part of Gen Ed program. ITN 115 or cons dept chair req.

Continuation of ITN 115. Class reading of short stories, plays, and essays. Grammar review, oral and written composition.

221 ADVANCED ITALIAN CONVERSATION AND CONTEMPORARY SOCIETY 3

ITN 116 or equiv req.

Study of issues in contemporary Italian society; refinement of oral skills and reading comprehension.

222 INTRODUCTION TO MODERN ITALIAN LITERATURE AND FILM 3

ITN 116 or equiv req.

Study of representative modern literary texts; viewing and analysis of significant Italian films; advanced grammar and composition.

Japanese Courses

111 FIRST-YEAR

JAPANESE (PART I)

4

Introductory Japanese emphasizing listening and speaking skills; concentration on understanding and using simple phrases and vocabulary.

112 FIRST-YEAR JAPANESE (PART II)

JPN 111 req.

Continuation of introductory Japanese emphasizing listening and speaking skills; concentration on understanding and

using simple phrases and vocabulary.

115 SECOND-YEAR JAPANESE (PART I)

JPN 112 or cons dept chair req.

Review of basic grammatical patterns, vocabulary building, development of reading and writing abilities.

116 SECOND-YEAR

JAPANESE (PART II) MC-LH

ENG 101 rea if course taken as part of Gen Ed program. JPN 115 or cons dept chair req.

Continuation of JPN 115. Class reading of short stories, plays, and essays. Grammar review, oral and written composition.

231 JAPANESE CONVERSATION AND COMPOSITION

3

JPN 116 or cons dept chair rea.

Further development of written and oral skills through guided conversations and compositions on topics from contemporary Japanese civilization.

232 ADVANCED JAPANESE READING AND COMPOSITION

JPN 231 or cons dept chair reg.

Development of reading fluency and writing proficiency in modern Japanese through study of unadapted texts, including selections from modern fiction.

Latin Courses

111 FIRST-YEAR LATIN (PART I)

Pronunciation; essentials of grammar; reading graded material; exercises in writing easy Latin; consideration of the Latin element in English.

112 FIRST-YEAR LATIN (PART II)

Continuation of Part I.

115 SECOND-YEAR LATIN (PART I)

LAT 112 or high school Latin equivalent or cons dept

Review of Latin fundamentals. Practice in writing simple Latin. Reading beginning with graded Latin selections and progressing to selections from various authors.

116 SECOND-YEAR

LATIN (PART II)

MC-LH

ENG 101 req if course taken as part of Gen Ed program. LAT 115 req.

Continuation of Part I. Class reading of short stories, plays, and essays. Grammar review, oral and written composition.

221 SURVEY OF LATIN LITERATURE I

LAT 116 or 4 yrs high school Latin or cons dept chair req. Reading and discussion of the most important Republican authors from Plautus to Catullus.

222 SURVEY OF LATIN LITERATURE II

LAT 116 or 4 yrs high school Latin or cons dept chair req. Reading and discussion of the most important Imperial authors from Livy to Juvenal.

Spanish Courses

Heritage speakers of Spanish should consult the Department for further information.

111 FIRST-YEAR SPANISH (PART I)

Not rec if student had 3 yrs high school Spanish. Not for cr if had SPA 115, 116 or 120.

Fundamentals of grammar. Practice in speaking, understanding, reading and writing Spanish.

112 FIRST-YEAR SPANISH (PART II)

Not rec if student had 3 yrs high school Spanish. Not for cr if had SPA 115, 116 or 120.

Continuation of Part I.

115 SECOND-YEAR SPANISH (PART I)

SPA 111 and 112 or equivalent reg.

Review of Spanish grammar, vocabulary building, oral and written practice.

116 SECOND-YEAR

SPANISH (PART II) MC-LH

ENG 101 req if course taken as part of Gen Ed program. SPA 115 reg. Can be taken conc with SPA 213.

Continuation of SPA 115. Class reading of short stories, plays, and essays. Grammar review and oral proficiency emphasized. This course is writing intensive.

120 INTRODUCTION TO ACADEMIC SPANISH FOR SPANISH

SPEAKERS

MC-LH

Ability to speak Spanish at the high intermediate level, sufficient to carry on informal everyday conversations fluently. Not for cr if had 116.

Introduction to the basics of grammar, spelling, and vocabulary of formal academic Spanish for students who already speak Spanish.

213 SPANISH GRAMMAR

C or better in SPA 116 or 120 reg. C or better in 115 if taken conc with 116 or 120. Formerly ADVANCED SPANISH GRAMMAR.

Detailed study of Spanish grammar emphasizing technical and stylistic aspects of native language patterns.

214 CONVERSATION AND CULTURE IN SPANISH

C or better in SPA 116 or 120 reg. Not for cr if have ACTFL speaking score of Advanced. Formerly ADVANCED TECHNIQUES IN SPOKEN SPANISH.

Focus on oral communication skills: topics will emphasize cultures in Spain, Latin American and Spanishspeaking regions of the United States.

215 INTRODUCTION TO SPANISH LINGUISTICS

applied to relevant issues in Spanish.

3

SPA 213 or cons inst req. Formerly SPA 309. Principles and methods of objective language analysis

223 ADVANCED SPANISH COMPOSITION

3

C or better in SPA 116 or 120 req.

Study of advanced composition skills in Spanish, including formal and informal writing, use of dictionaries and reference materials, orthography, and vocabulary building.

233 INTRODUCTION TO HISPANIC LITERATURE 3

SPA 213 or 223 req.

204

Reading and analysis of representative poems, plays and prose texts as first general introduction to Spanish and Spanish-American literature.

240 BUSINESS SPANISH

C or better in SPA 116, 120 reg; SPA 213 or 223 rec. Development of practical language skills needed for doing business in the Spanish speaking world from a cultural and commercial perspective.

243 CULTURA ESPAÑOLA

C or better in SPA 116 or 120 req. Formerly CIVI-LIZACIÓN ESPAÑOLA.

Spanish customs and institutions in their historical perspective.

244 CULTURA HISPANOAMERICANA 3

C or better in SPA 116 or 120 req. Formerly CIVI-LIZACIÓN HISPANOAMERICANA.

Cultural life and customs of Spanish-speaking countries in the Americas.

262 EXPLAINING SPANISH GRAMMAR

SPA 215 or cons inst req. Formerly 310 SPANISH

Advanced study of contrasts in Spanish and English grammar, with a focus on explaining the differences.

301 SERVING SPANISH-SPEAKING **POPULATIONS**

Adm to a maj and completion of at least 2 courses in maj reg (may sub prof exp with cons of inst). Not for cr SPA mai/min.

Basic Spanish for initial professional encounters with Spanish-speaking populations, examination of linguistic and cultural issues that affect professional effectiveness.

305 CURRENT TOPICS IN HISPANIC CIVILIZATION AND CULTURE 3

SPA 217 or 218 or 243 or 244 reg. May be repeated if content different.

Recent trends, issues and changes in Spanish-speaking world. Varying topics and pedagogical strategies for teaching culture.

323 SPANISH LITERATURE: MEDIEVAL AND RENAISSANCE

LAN 233 req. Formerly SPA 253 SURVEY OF SPAN-ISH LITERATURE I.

Reading and analysis of major Spanish writers from the Medieval period through the Renaissance, in their literary and cultural contexts.

324 SPANISH LITERATURE: 18TH CENTURY TO PRESENT DAY

LAN 233 reg. Formerly SPA 254 SURVEY OF SPAN-ISH LITERATURE II.

Reading and analysis of major Spanish writers from the 18th century to the present day, in their literary and cultural contexts.

325 SPANISH AMERICAN LITERATURE

LAN 233 req. Formerly SPA 255 SURVEY OF SPAN-ISH AMERICAN LITERATURE.

Reading and analysis of major Spanish American writers, in their literary and cultural contexts.

336 SELECTED TOPICS IN SPANISH-AMERICAN LITERATURE

SPA 221 or 222 or 242 or 253 or 254 or 255 reg. May repeat if content differs.

Variable topics providing in-depth study of major authors, works, genres, themes, or movements.

337 SELECTED TOPICS IN PENINSULAR SPANISH LITERATURE

SPA 221 or 222 or 242 or 253 or 254 or 255 reg. May repeat if content differs. Formerly SELECTED TOP-ICS IN MODERN-PENINSULAR SPANISH LITERA-

In-depth study of major authors, works, genres, themes, or movements in Spanish literature from the Middle Ages to the present.

360 STUDIES IN SPANISH LINGUISTICS 3

SPA 215 req. May repeat if content differs.

Detailed study of a particular linguistic subdiscipline of the Spanish language.

370 TOPICS IN SPANISH PEDAGOGY

SPA 310 reg or cons inst. LAN 319 rec. May repeat if content differs.

Exploration of different pedagogical issues for the Spanish language classroom.

385 SELECTED TOPICS IN SPANISH LITERATURE

SPA 221 or 222 or 242 or 253 or 254 or 255 reg. May repeat if content differs.

Intensive study of a genre, movement, author or work. This study varies each semester.

395 SENIOR SEMINAR 3

Sr standing in the language major req. Close reading and analysis of literary texts representative of the major genres and literary periods, in their sociohistorical contexts.

MATHEMATICS (MAT) 452

313 Stevenson Hall, (309) 438-8781 Web address: www.math.ilstu.edu

Chairperson: George Seelinger. Tenured/Tenure-track Faculty:

Professors: Eggleton, Ellerton, El-Zanati, Gamage, Lan-

grall, Ostaszewski, Plantholt, Presmeg, Tipnis.

Associate Professors: Barrett, Clements, Ionescu, Jordon, Martin, McCrone, Meier, Mooney, Seelinger, Thiagarajah, Warfield.

Assistant Professors: F. Akman, O. Akman, Barker, Cheng, Kim, Rich, Sissokho, Yamskulna, Zhao.

For current information on faculty interests and email addresses, Mathematics programs, and schedule of classes, visit our Internet Web site: www.math.ilstu.edu.

General Department Information

Mathematics Requirements for Elementary and Middle **School Education Majors:**

Middle School Mathematics Specialization:

- 30 hours required.
- Required courses: MAT 130, 131, 202, 302, 304, 309 and 312:
- Electives (choose one): MAT 307, 314, or 315.

Middle School Mathematics Endorsement:

- 22 hours, 18 hours of mathematics content and 4 hours of middle grades mathematics methods. C&I 233 and PSY 302 are also required.
- Required courses: MAT 130, 131, 202, 302, 309, and
- NOTE: Students completing the Middle School Mathematics Specialization also qualify for the Middle School Mathematics Endorsement.

Elementary Education or Early Childhood Education Major Area of Concentration in Mathematics:

- 18 hours of mathematics content courses required.
- Required courses: MAT 130, 131, 202, 309 and 312.

Cooperative Education/Internship in Mathematics:

The Department offers a Cooperative Education/Internship program for undergraduate Mathematics majors which provides for practical work experience in business, government, or industry. Students interested in participating in the program may secure further information by contacting the Mathematics Department Office.

HONORS IN MATHEMATICS

The Department offers an honors program for majors emphasizing a broad liberal arts program with requirements in Mathematics and in the General Education Program. Students interested in participating in departmental

honors programs may secure further information by contacting the Undergraduate Director. In addition students must fulfill the general requirements for participation in the University Honors Program. Completion of the program will be posted on a student's transcript and diploma. The Department also offers in-course honors for students enrolled in the University Honors Program.

MINOR IN COGNITIVE SCIENCE

The Department of Mathematics participates in the Minor in Cognitive Science program. Several courses offered by the Department contribute to the minor. For further information, please consult a Department advisor as well as the section entitled "Minor in Cognitive Science" under University-Wide Curriculum in this Undergraduate Catalog.

Mathematics Programs

Degrees Offered: B.A., B.S.

Career Information for Mathematics Majors and Minors:

Career needs in a wide variety of vocations are met by the diverse course offerings in the Mathematics Department. These include vocations in Secondary Teaching, Business Management, Statistics, and Actuarial Science; vocations that involve research or applications of Mathematics in business, government, and industry; and vocations involving research or applications of Mathematics in the physical and social sciences. The needs of those preparing for continued study and research in Mathematics are met also by the departmental offerings. The undergraduate degree programs are designed to be sufficiently flexible to meet career aspirations, to allow for individual exploration in various areas of interest, and also to permit suitable breadth for a liberal education.

Students are urged to consult with the Mathematics Undergraduate Director or Mathematics faculty in planning their programs. Information on careers in Mathematics can be secured from the Mathematics Undergraduate Director and from the Mathematics Career Center in Stevenson 313.

Students interested in meeting the requirements for certification to teach secondary school Mathematics must consult with a Mathematics Education advisor to design a special program of studies.

Students preparing for a specific career are advised to include courses from the appropriate list(s) that follow. The courses with an asterisk should be among those selected. Those wishing a major or minor in Mathematics should select additional courses from the list as well. (Note that some courses in the following lists may not count toward major or minor requirements.):

Business Management: 250, 260, 337, 340, 350, 351*, 353, 356, 361, 362*, 363, 378.

- Secondary Teaching: 210, 211*, 223*, 236*, 247, 250*, 260*, 320, 321, 323*, 324*, 326*, 330*, 336, 347, 362, 378.
- Business, Government, and Industry: 250, 260, 337, 340*, 341, 345, 351*, 353, 356*, 361, 362, 363, 378.
- Applications or Research in Physical Sciences: 236, 250, 336, 337, 340*, 341*, 345*, 350, 378.
- Applications or Research in Social Sciences: 250, 260, 337, 340, 350*, 351*, 356*, 361, 362, 363, 378.
- Graduate Study and Research in Mathematics: 210, 236*, 247, 330, 336*, 337*, 340, 341, 345, 347*, 350, 351, 361, 378.

Admission Requirements for Majors:

New freshmen with 4 years of high school Mathematics may declare a major in the Department of Mathematics. External or internal transfer students may be admitted into the Mathematics General Sequence or Statistics Sequence if they have completed at least 2 semesters of Calculus with a grade of C or better.

External or internal transfers interested in the Mathematics Teacher Education Sequence who have completed at least two semesters of Calculus with a C or better, have a mathematics GPA of at least 2.20 and have an overall GPA of at least 2.50 may apply to the Department in order to be considered for this sequence. External or internal transfers interested in Actuarial Science who have completed two semesters of Calculus with a B or better, have a mathematics GPA of at least 2.00 and an overall GPA of at least 2.00 may apply to the Department in order to be considered for this sequence.

Departmental requirements for admission to the University Professional Studies program include a minimum Mathematics GPA of 2.20, a cumulative GPA of 2.50 and completion of Calculus I, II, and III and MAT 223.

The term "Mathematics GPA" used above and throughout this *Undergraduate Catalog* means a GPA computed using all college Mathematics courses completed at Illinois State University that are eligible for credit toward the major as well as other required courses for the major.

The only Mathematics courses that are not eligible for credit toward the major are the following: MAT 102, 104, 108, 113, 119, 120, 121, 130, 131, 150, 152, 160, 162, 201, 202, 298, 298.50, 302, 304, 307, 309, 312, 314, 315, 385. In addition, MAT 280 and 283 are not eligible for credit toward MAT/MAT Education Sequences.

Graduation GPA Requirement for Majors:

The minimum graduation Mathematics GPA is 2.00 for a Mathematics Major, 2.20 for a Mathematics Education Major, 2.50 for Mathematics Major: Actuarial Science Sequence, and 2.00 for Mathematics Major: Statistics Sequence. These grade point averages are computed using the following courses taken at Illinois State: the required

English and computer programming courses and all Mathematics courses that are eligible for credit toward the major.

NOTE: Students who have taken calculus in high school may request to take a Calculus Proficiency Test. If proficiency credit is granted, students may begin their Mathematics courses with MAT 146 or a higher-level course.

To ensure proper placement, transfer students should consult with an advisor prior to registration for classes.

MAJOR IN MATHEMATICS

- A minimum of 42 hours in Mathematics required.
- Required courses: MAT 145, 146, 147, 175, 247, 260, 350; ENG 145 or 249 or equivalent.
- 1 computer programming course from: ITK 165, 168.
 NOTE: Hours taken in Information Technology do not count toward the required 42 hours in Mathematics.
- At least 1 course chosen from MAT 236, 330, 337, 347, 363
- 2 course-pairs from the following groups. These coursepairs must be selected from different groups:

Algebra group: (MAT 236, 336); (MAT 236, 337). **Analysis group:** (MAT 247, 345); (MAT 247, 347); (MAT 340, 341).

Discrete group: (MAT 260, 361); (MAT 260, 362); (MAT 260, 363).

Statistics group: (MAT 350, 351); (MAT 350, 378).

Submission of senior portfolio (see advisor).

Suggested Mathematics Schedules for Majors:

Schedule (a) Students beginning with Precalculus Schedule (b) Students beginning with Calculus I Schedule (c) Accelerated schedule for honors students or those preparing for graduate school

Semester	(a)	(b)	(c)
1	144	145	145
2	145	146	146
3	146	147	147
4	147	175	175, 260
5	175, 260	247, 260	247

Teacher Certification Sequence:

This sequence of the major is part of the entitlement program leading to high school certification and/or high school and middle school endorsement.

- A minimum of 40 hours in Mathematics is required.
- Required courses: MAT 145, 146, 147, 175, 211, 223, 236, 260, 323, 324, 350*. NOTE: MAT 211 and C&I 216 or equivalent, and MAT 236 (or concurrent registration) are prerequisites for MAT 323. MAT 323 must be completed before the student teaching experience. *MAT 250 is the recommended substitute for MAT 350.
- Computer Science Requirement: MAT 326 or one computer course from: ITK 165 or 168. NOTE:

Hours taken to fulfill this computer science requirement do not count toward the required 40 hours in Mathematics.

- 1 additional course must be chosen: MAT 247 or one of those 300-level courses available for major/minor credit.
- Students are encouraged to take electives from the list of Secondary Teaching courses above.
- Interested students should consult their advisor about opportunities for tutoring secondary school students, serving as a teaching assistant, or other relevant voluntary Clinical Experiences.
- Professional Education Requirements: C&I 212, 214, 216; EAF 228 or 231 or 235; PSY 215; Student Teaching 399.27.
- Submission of senior portfolio (see advisor).

Suggested Mathematics Schedules for Teacher Certification Sequence Majors:

Schedule (a) Students beginning with Precalculus Schedule (b) Students beginning with Calculus I Schedule (c) Accelerated schedule for honors students or those preparing for graduate school

Semester	(a)	(b)	(c)
1	144	145	145
2	145	146, 223	146, 223
3	146, 223	147	147
4	147	175, 211	175, 260
5	175, 260	250, 260	211, 250

Actuarial Science Sequence:

This sequence of the major is designed to teach the students the mathematical foundations of actuarial science, and to prepare them for careers as actuaries in a variety of fields dealing with the risk of potential financial losses, such as life insurance, health insurance, financial risk management, property/casualty/liability insurance, pensions, or employee benefits.

- 67 hours required.
- Required courses: MAT 145, 146, 147, 175, 280, 350, 351, 353, 380, 383, 384; ACC 131, 132; ECO 105; FIL 242, 250, 341; ITK 168.
- Submission of senior portfolio (see actuarial advisor).
- Students are encouraged to take MAT 298 (professional internship) MAT 283 (actuarial computing) and intensive reviews for actuarial examinations offered through the Illinois State University Conferencing Unit.

Suggested Mathematics Schedules for Actuarial Science Majors:

Schedule (a) Students beginning with Precalculus Schedule (b) Students beginning with Calculus I Schedule (c) Accelerated schedule for honors students or those preparing for graduate school

		Mathematics	207
Semester	(a)	(b)	(c)
1	144	145	145
2	145	146	146
3	146	147	147, 175
4	147	175, 280	280, 350
5	175, 350	350	351, 380, 383
6	280, 351	351	384
7	353, 380, 383	353, 380, 383	353
8	384	384	Open

Required courses in the Actuarial Science Sequence (outlined above) provide the contents of the Society of Actuaries examinations P, FM, M and C, or the Casualty Actuarial Society examinations 1, 2, 3 and 4, as well as complete VEE requirements. Courses correspond to professional actuarial examinations as follows:

SOA exam P (same as CAS exam 1): MAT 350 **SOA exam FM** (same as CAS exam 2): MAT 280

SOA exam M: MAT 380, MAT 383

SOA exam C (same as CAS exam 4): MAT 384 **CAS exam 3**: MAT 351, MAT 380, MAT 383

VEE Statistics: MAT 353
VEE Economics: ECO 105
VEE Finance: FIL 242 and FIL 341

Statistics Sequence:

This sequence of the major is designed to prepare students for statistical work in industry and government. In addition to learning the mathematical foundation in statistics, students study at least two cognate areas of application of statistics from Biometrics, Econometrics, and Psychometrics. This will allow students to experience many fields of statistical applications and select a field of their choice for a career.

- Required courses: MAT 145, 146, 147, 175, 260, 350, 351. At least two courses from the following list: MAT 353, 356, 450, 453, 455, 456, 458 (Only senior students with good standing will be allowed to take a graduate-level course with approval of the Graduate School.)
- One computer-programming course from ITK 155.01, ITK 155.02.
- Select at least two of the following areas and complete at least two courses from the list of approved courses for each area.

Biological Sciences: BSC 201, 203, 219, 297, 321. Economics: ECO 225, 235, 238, 239, 240, 241, 320, 331, 339.

Psychology: PSY 230, 231, 233, 331, 334.

It is to the advantage of the student to have a minor or double major in one of the above areas. However, it is not a requirement for the sequence. Senior students in good standing are encouraged to take upper level applied statistics courses from selected cognate areas.

Suggested Mathematics Schedules for the Statistics Sequence Majors:

Schedule (a) Students beginning with Precalculus Schedule (b) Students beginning with Calculus I Schedule (c) Students intending to pursue graduate studies

Semester	(a)	(b)	(c)
1	144	145	145
2	145	146	146
3	146	147, 260	147, 260
4	147, 260	175, 350	175, 350
5	175, 350	351	351, ST*
6	351, ST*	356, ST*	356, ST*
7	353, ST*	353, ST*	353, ST*
8	356, ST*, ST*	ST*, ST*	ST*

*In the above schedule ST stands for selected courses from cognate areas. Senior students with good standing are encouraged to take upper level statistics courses. However in order to take a graduate level course permission is required from the respective departments and the graduate school.

MINOR IN MATHEMATICS

- 22-24 hours in Mathematics required.
- Required courses: MAT 145 and 146.
- At least four courses chosen from MAT 147, 175, 236, 247, 250, 260, 330, 336, 337, 340, 341, 345, 347, 351, 361, 362, 363, 378.

MINOR IN MATHEMATICS

For Teacher Education:

- Required courses: MAT 145, 146, 147, 175, 211, 236, and 323. NOTE: MAT 211 and C&I 216 or the equivalent, and MAT 236 (or concurrent registration) are prerequisites for MAT 323.
- Students should consult an advisor.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting

- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Mathematics Courses

- A year of high school geometry and a second year of high school algebra are highly recommended for anyone who wants to take Mathematics courses.
- Students may not enroll in a course which is prerequisite to a course that has been completed with a grade of C or better.

102 BASIC ALGEBRA

4

Does not count toward graduation. CR/NC only. Introduction to the basic concepts of elementary algebra.

104 INTERMEDIATE ALGEBRA 3

Mathematics placement or cr in MAT 102 req. Does not count toward graduation. CR/NC only. Not for cr if had MAT 107. Scientific calculator required. Meets 5 days a week.

Intermediate course between one year of high school algebra and college algebra.

108 TRIGONOMETRY

Mathematics placement or C or better in MAT 119 req. Not for cr maj/min or if had MAT 109. Deptapproved graphing calculator req.

Circular functions, their graphs, inverses, identities and applications. Right triangle trigonometry and applications.

113 ELEMENTS OF MATHEMATICAL REASONING IC-M 4

Mathematics placement exam or MAT 104 req. Not for cr maj/min. Not for cr if had MAT 105 or 111. May not be taken CT/NC. Dept approved calculator req. Formerly MAT 189.17.

The study of elementary counting methods, basic statistics; and elementary mathematical modeling techniques, focusing on reasoning and solving real-life problems.

119 COLLEGE ALGEBRA 3

Mathematics placement or MAT 104 req. Not for cr maj/min. Dept-approved graphing calculator req. Meets 5 days a week.

Functions, relations, and inverses with emphasis on polynomial, rational, exponential, and logarithmic functions. Algebra of polynomials. Solving quadratic, exponential, and logarithmic equations. Solving quadratic, rational, and absolute value inequalities.

120 FINITE MATHEMATICS IC-M 4

Mathematics placement or C or better in MAT 119 req. Not for cr maj/min. May not be taken under the CT/NC option. Dept-approved graphing calculator req.

Linear functions, matrices, systems of linear equations, sets and counting, probability, statistics, and mathematics of finance.

121 APPLIED CALCULUS MC-OR

C or better in MAT 120 and either Mathematics placement or C or better in MAT 119 reg. Not for cr mai/min. May not be taken under the CT/NC option. Dept-approved graphing calculator req.

Non-linear functions, intuitive differential, integral, and multivariate calculus, applications.

130 DIMENSIONS OF MATHEMATICAL REASONING IC-M

Mathematics placement or MAT 104 reg. Not for cr maj/min. May not be taken CT/NC option. Scientific calculator reg. Formerly DIMENSIONS OF MATHEMATI-CAL PROBLEM SOLVING.

Focus on mathematical problem-solving and reasoning with understanding of numbers and their properties through various representations, including algebraic.

131 GEOMETRIC REASONING: GEOMETRY AS EARTH MEASURES MC-OR

MAT 113, 120, 130, or 145 reg. Not for cr maj/min.

A multidimensional focus on geometry as visualization, construction of figures, the study of the physical world, and a mathematical system.

144 PRECALCULUS

3

Mathematics placement or C or better in both MAT 108 and 119 req. Dept-approved graphing calculator

Polynomial, absolute value, rational, exponential, logarithmic, and trigonometric functions and their graphs. Properties of trigonometric and inverse trigonometric functions and their applications. Conics, translation, and rotation of axes.

145 CALCULUS I

Mathematics placement or C or better in MAT 144 reg. May not be taken under the CT/NC option. Deptapproved graphing calculator req.

Polynomial, exponential, logarithmic, and trigonometric functions. Differentiation with associated applications. Introduction to integration with applications.

146 CALCULUS II MC-OR

C or better in MAT 145 req. May not be taken under the CT/NC option. Dept-approved graphing calculator req. Techniques and applications of integration, L'Hopital's rule, improper integrals, applications, infinite series, and Taylor's Theorem. Differential equations.

147 CALCULUS III

C or better in MAT 146 req. Dept-approved graphing calculator req.

Polar coordinates and parametric equations in the plane with applications. Vector curves and surfaces in space. Partial derivatives, gradients, directional derivatives, and tangent planes. Multiple integration and line integrals.

150 FUNDAMENTALS OF STATISTICAL REASONING MC-QR

C or better in MAT 113, 120, 130 or 145 req. Not for cr maj/min.

Develop statistical reasoning to analyze data and use elementary probability ideas to justify the validity of the analysis.

152 STRUCTURE OF NUMBER SYSTEMS II

3

C or better in MAT 130 req. Not for cr if had MAT 202. Not for cr maj/min.

Concepts and structure of real numbers. Probability, statistics, and algebra.

160 ELEMENTARY DISCRETE **MATHEMATICS**

C or better in MAT 120 or 145. Not for cr maj/min. Elementary introduction to discrete mathematics, comprising topics relevant to computer science. Logic, algorithms, recursion, enumeration, relations, graph theory (including trees).

162 CONFLICT, COOPERATION. AND STRATEGIC **DECISION-MAKING**

MC-QR

MAT 113, 120, 130, or 145 req. Not for cr maj/min. May not be taken under the CT/NC option. Also offered as POL 162.

Game theory, mathematical study of conflict and cooperation with applications. Analysis of two-person zero-sum and nonzero sum games, and n-person games.

175 ELEMENTARY LINEAR ALGEBRA

C or better in MAT 146 req; 147 rec. Dept-approved graphing calculator req.

Vector geometry, matrices, systems of linear equations, vector spaces, linear transformations, eigenvalues and eigenvectors, diagonalization, applications to the physical and social sciences.

201 TEACHING MATHEMATICS IN THE ELEMENTARY SCHOOL

C or better in MAT 130 and C or better in MAT 152 or MAT 202 reg. El Ed or Middle Level Teacher Ed maj only. Completion of 60 hrs and 2.50 maj and overall GPA req. Not for cr maj/min. May Incl Clin Exp.

Background for meaningful teaching of whole numbers, fractions, and geometry/measurement concepts. Special emphasis on planning instruction for children at the K-8 level.

202 ALGEBRAIC REASONING FOR THE K-8 TEACHER

C or better in MAT 130 req. 2.50 maj GPA req. Not for cr maj/min. Dept-approved graphing calculator req. Former*ly MATHEMATICS FOR THE MATH K-8 SPECIALIST.*

Focus on algebraic reasoning with understanding of variables and their uses. Content includes proportional reasoning, linear and non-linear functions and inverse functions and elementary curve fitting techniques.

210 SYMBOLIC LOGIC I

1 yr each high school algebra and high school geometry req. Also offered as PHI 210.

Introduction to proof theory. Formal deductive systems, especially propositional logic and predicate logic. Properties of deductive systems, such as consistency and completeness.

211 EUCLIDEAN AND NON-EUCLIDEAN **GEOMETRY**

C or better in MAT 147; C or better in MAT 175 or conc reg reg.

Inductive and deductive study of Euclidean geometry; includes transformations, tesselations, polyhedra, classical theorems, introduction to non-Euclidean geometry.

223 INTRODUCTION TO SECONDARY MATHEMATICS EDUCATION

C or better in MAT 145 or 314. Incl Clin Exp: 2 hrs, Type 1.

An introduction to secondary mathematics teaching centered around classroom observations, discussion of teaching and learning, and doing mathematics.

236 ELEMENTARY ABSTRACT ALGEBRA

C or better in MAT 175 reg.

Introduction to rings, integral domains, and fields including the ring of integers, the fields of real and complex numbers, quotient rings, polynomial rings, homomorphisms, and ideals.

247 ELEMENTARY REAL ANALYSIS 3

C or better in MAT 147 and 175 reg.

Careful examination of the theory of calculus through the study of properties of the real line.

250 INTRODUCTION TO PROBABILITY AND STATISTICS

MAT 121 or MAT 145 req. Formerly MAT 289.22. Basic probability and statistical inference. Statistical coverage includes comparison of means and regression analysis. Extensive use of calculators and computers.

260 DISCRETE MATHEMATICS

C or better in MAT 146 reg.

Counting problems, generating functions, recurrence relations, inclusion-exclusion, graphs, matching and covering, pigeonhole principle, applications.

268 INTRODUCTION TO UNDERGRADUATE RESEARCH IN MATHEMATICS 3

B or better in MAT 146 and cons inst req. May repeat if content differs; max 6 hrs. Formerly MAT 289.23.

An introduction to mathematical discovery through participation in a departmental research program for undergraduates.

280 FINANCIAL MATHEMATICS

B or better in MAT 145 and 146 or cons inst req. Formerly THEORY OF INTEREST.

Interest rates. Accumulation function. Annuities. Amortization schedules. Bonds and other securities. Amortization and depreciation. Yield curve. Duration, convexity, and immunization.

283 INTRODUCTION TO ACTUARIAL COMPUTING

C or better in MAT 280 or cons inst req.

Basic actuarial computing models in a computer classroom setting. Present values, risk classification, data analysis for premiums and reserves.

298 PROFESSIONAL PRACTICE: INTERNSHIP IN MATHEMATICS 2-4

MAT 175 plus 2 approved courses in MAT beyond 175; 2.75 overall GPA and 3.00 dept GPA. May be repeated; max 8 hrs. No cr maj/min. Cons dept chair req. CR/NC only.

Practical experience through professionally-oriented work in business, government, or industry. One credit per month of full-time employment.

302 TEACHING MATHEMATICS IN GRADES 6-8

4

C or better in MAT 309 and 312 or conc reg req. Not for cr maj/min. Compl 60 hrs and 2.50 maj and overall GPA req. May Incl Clin Exp. Formerly TEACHING MATHEMATICS IN GRADES 5-8.

Problems, viewpoints, and trends in teaching middle school or junior high mathematics. Implications of research related to organization, content, and techniques for teaching mathematics in grades 6-8.

304 MODERN GEOMETRY FOR MIDDLE SCHOOL TEACHERS

4

C or better in MAT 131 and 202 req. Not for cr maj/min. Dept-approved graphing calculator req. Formerly TOPICS IN GEOMETRY FOR K-8 TEACHERS.

Topics include Euclidean and non-Euclidean geometries and their history, transformations with connections to matrix algebra, fractals, and projective geometry.

307 MODERN ALGEBRA FOR MIDDLE SCHOOL TEACHERS 4

C or better in MAT 304, 309 and 312 req. Not for cr maj/min. Formerly MODERN ALGEBRA FOR K-8 TEACHERS.

Algebraic concepts and structures relevant to grades 6-8. Structure of familiar number systems compared to and contrasted with other mathematical systems.

309 NUMBER THEORY FOR K-8 TEACHERS

4

C or better in MAT 131 and 202 req. Not for cr maj/min. Dept-approved graphing calculator req. Formerly PROB-LEM-SOLVING IN GRADES K-8.

Focus is on number theory concepts, including divisibility, primes, composites, special number sets, and basic counting principles.

312 PROBABILISTIC AND STATISTICAL REASONING FOR K-8 TEACHERS 4

C or better in MAT 131 and 202 req. Not for cr maj/min. Dept-approved graphing calculator req. Formerly PROBABILITY AND STATISTICS FOR K-8 TEACHERS.

Descriptive statistics, lines of best fit, basic concepts of probability, simulation, probability distributions, expectation, and counting techniques.

314 CONCEPTS OF CALCULUS FOR MIDDLE SCHOOL TEACHERS 4

C or better in MAT 304, 309 and 312 req. Not for cr maj/min. Dept-approved graphing calculator req. Formerly CONCEPTS OF CALCULUS FOR K-8 TEACHERS.

Concepts of differential and integral calculus, including limits, sequences, and transcendental functions. Emphasis on the role of calculus in Mathematics and problem-solving.

315 MATHEMATICAL MODELING FOR MIDDLE SCHOOL TEACHERS

C or better in MAT 304, 309 and 312 req. Not for cr maj/min. Dept-approved graphing calculator req.

Mathematical modeling and problem-solving with applications involving networks and communication systems, finance, global positioning, data systems, and various branches of science.

320 HISTORY OF MATHEMATICS TO 1600

MAT 145 rec.

Emphasis on Greek geometry, and growth of algebra and algebraic notation from early Mesopotamia through Renaissance.

321 HISTORY OF MATHEMATICS 1600-PRESENT

C or better in MAT 147 req.

Development of modern Mathematics (analysis, algebra, geometry) and the people in the forefront, beginning with Descartes. Emphasis on the 19th century.

323 TEACHING MATHEMATICS IN THE SECONDARY SCHOOL 3

C or better in MAT 211 and 223; C or better in MAT 236 or conc reg req. C&I 216; and a min 2.20 MAT GPA req. Dept-approved graphing calculator req. Incl Clin Exp: 35 hrs, Type 1-5, 9. Adm to Professional Studies req.

The selection, placement and teaching of secondary mathematics topics. Analysis of recent trends and practices.

324 SEMINARS FOR STUDENT TEACHERS OF MATHEMATICS

3

C or better in MAT 236 and 323 and conc reg or completion of student teaching in MAT req. Dept-approved graphing calculator req. Incl Clin Exp: 25 hrs, Type 1-5, 9. Adm to Student Teaching req.

Examines methods and materials for teaching algebra, geometry, and other secondary topics. Emphasizes content and professional aspects of mathematics teaching.

326 TECHNOLOGY TOOLS FOR SECONDARY SCHOOL MATHEMATICS 3

C or better in MAT 175 req. Dept-approved graphing calculator req.

Integrating computers and calculators in the secondary Mathematics curriculum.

330 NUMBER THEORY

3

C or better in MAT 175 or 260 req.

Divisibility, primes, unique factorization, numerical functions, congruences, Diophantine equations, other topics.

336 ADVANCED ABSTRACT ALGEBRA 3

 $C\ or\ better\ in\ MAT\ 175\ req;\ MAT\ 236\ rec.$

Introduction to groups, including permutation, symmetry and matrix groups, homomorphisms, normality, quotient groups, applications.

337 ADVANCED LINEAR ALGEBRA

C or better in MAT 175 and sr standing req.

Abstract vector spaces, linear transformations and matrices, inner product spaces, eigenvalues and eigenvectors, diagonalization. Applications to geometry, the physical and social sciences.

340 ELEMENTARY DIFFERENTIAL EOUATIONS I

3

C or better in MAT 147; 175 or conc reg in MAT 175 rec; and C, FORTRAN, Pascal, PL/I, or approved programming language req.

First-order differential equations, linear differential equations, power series methods, Laplace transform methods, applications of differential equations.

341 ELEMENTARY DIFFERENTIAL EQUATIONS II

C or better in MAT 175 and 340 reg.

Linear systems of differential equations, numerical methods, Fourier series, boundary-value problems, introduction to partial differential equations (Laplace, heat, and wave equations) and applications to nonlinear systems and phenomena.

345 ADVANCED CALCULUS

4

3

C or better in MAT 147 and 175 req.

Calculus of functions of several variables, Taylor's series of several variables, maxima and minima, Lagrange multipliers, inverse and implicit function theorems, multiple integration, line integrals, Green's, Stokes', and the divergence theorems.

347 ADVANCED REAL ANALYSIS

.

C or better in MAT 247 and 236; or 337 or cons inst req. The real number system, topology of metric spaces, sequences, continuous functions, uniform convergence, differentiation, Taylor's Theorem, Riemann integration, the fundamental theorem of calculus, infinite series, power-series.

350 APPLIED PROBABILITY MODELS 4

C or better in MAT 147 req.

Sample spaces, discrete and continuous random variables, probability functions, density, moment generating functions, important distributions. Multivariate distributions, Central Limit Theorem.

351 STATISTICS AND DATA ANALYSIS 4

C or better in MAT 350 req or cons of inst.

Statistical estimation. Point and interval estimators. Consistency, unbiasedness, minimum variance. Hypothesis testing. Likelihood ratio tests. Regression, analysis of variance.

353 REGRESSION AND TIME SERIES ANALYSIS

MAT 351 or equiv or cons inst req. Also offered as

ECO 353. Formerly ANALYSIS OF TIME SERIES.

Regression and time series methods for business and economic applications, including exponential smoothing and Box-Jenkins methods. Computer statistical package used.

356 STATISTICAL COMPUTING

C or better in 2 statistics courses; some facility with matrices req.

Application of SAS and SPSS programs to real data emphasizing regression, and analysis of variance.

361 TOPICS IN DISCRETE MATHEMATICS

2-4

C or better in MAT 175 or 260 and approved programming language req. Each topic may be taken once.

Study of selected areas of discrete mathematics. Consult the *Course Registration Directory* on iCampus for the topics to be offered and the hours of credit to be earned during any given semester.

362 LINEAR PROGRAMMING

4

C or better in MAT 175 and C, FORTRAN, Pascal, PL/I, or approved programming language req.

Modeling and solution of problems using the simplex method. Duality, sensitivity, integer programming. Transportation problems.

363 GRAPH THEORY

4

C or better in MAT 175 or 260, and C, FORTRAN, Pascal, PL/I, or approved programming language req. Introduction to graph theory, connectivity, matching, coloring, network flows with applications to communication reliability, scheduling, and traffic flow problems.

378 MATHEMATICAL MODELING

4

C or better in MAT 175 and 350 req. MAT 340 rec. Applications of mathematical modeling to fields including biology, economics, engineering, political science, psychology, and sociology. Project required.

380 ACTUARIAL MODELS I

4

B or better in MAT 280 and 350 or cons inst req. Formerly INTRODUCTION TO LIFE CONTINGENCIES. Survival distributions, life tables. Life insurance, life annuities and pensions. Premiums and reserves. Multiple lives. Multiple decrements. Models including expenses.

383 ACTUARIAL MODELS II

4

B or better in MAT 280 and 350 or cons inst req. Formerly CREDIBILITY THEORY AND LOSS DISTRIBUTIONS

Frequency, severity, and loss distributions. Aggregate loss. Poisson process, surplus process, Markov chains. Ruin theory. Stochastic interest rates. Arbitrage-free models.

384 ACTUARIAL MODELING

4

C or better in MAT 351 and 383 or cons inst req. Survival models estimation, both parametric and nonparametric. Estimation of loss distributions, frequency or severity models. Credibility theory. Actuarial communication.

385 ACTUARIAL EXAM PREPARATION

1

Cons inst req. Not for cr maj/min. MAT 385 not for cr if had MAT 147.

Study sessions to aid preparation for professional actuarial examinations. Consult the course offereings on the ISU Website www.IllinoisState.edu or the actuarial adviser for the topics/sections to be offered during any given semester.

390 INDEPENDENT STUDY

1-3

PHILOSOPHY (PHI)

454

412 Stevenson Hall, (309) 438-7665

Web address: www.philosophy.ilstu.edu Email address: philosophy@ilstu.edu

Chairperson: James Swindler.
Tenured/Tenure-track Faculty:

Professors: Deutsch, Siderits, Simon, Swindler.

Associate Professors: Anderson, Bailey, Horvath, Stillwell.

Assistant Professor: Stewart.

General Department Information

The Major in Philosophy is designed to provide a liberal arts core around which a student may build a program of courses to suit a wide variety of career opportunities or other goals. The Department encourages its students to work with a departmental advisor in selecting a minor, a second major, or a set of connected courses in various fields which will best combine with philosophical study to produce a program meeting their needs. Majors are encouraged to pursue undergraduate research and internship opportunities.

INTERDISCIPLINARY MINORS

The Department of Philosophy participates in a number of interdisciplinary minors at the University. Course work offered by the Department contributes to the following minors: Cognitive Science, Environmental Studies, Peace and Conflict Resolution, and Women's and Gender Studies. For further information, please consult the Department advisor as well as the section entitled University-Wide Curriculum in this *Undergraduate Catalog*.

Philosophy Programs

Degrees Offered: B.A.

MAJOR IN PHILOSOPHY

- 30 hours in Philosophy.
- Required Philosophy courses by area: Research Methods: PHI 199; Logic: PHI 112 or MAT/PHI 210 (MAT/PHI 210 is strongly recommended); Ethics: PHI 232; History of Philosophy: PHI 254 and 255; Senior Thesis: PHI 395.
- At least 15 additional hours in Philosophy with no more than 3 hours at the 100-level and at least 6 hours at the 300-level.
- Each major works out a coherent program of supporting courses tailored to the student's needs in consultation with a faculty advisor.

Majors are strongly encouraged to take PHI 199 concurrently with or after completing their first philosophy course.

Concentrations: Philosophy majors may elect to take courses in one or more of the following areas of concentration, depending on individual interests. (NOTE: a

concentration is not required and will not appear on the student's transcript or diploma.)

Pre-law: PHI 234, 236, 238, 240, 242, 246. **Ethics**: PHI 233, 234, 236, 248, 330.

Metaphysics and Epistemology: PHI 207, 208, 222,

224, 250, 251, 253, 310, 363.

History of Philosophy: PHI 207, 208, 256, 305, 350.

MINOR IN PHILOSOPHY

- 18 hours in Philosophy required.
- Required Philosophy courses by area: Logic: PHI 112 or MAT/PHI 210; History of Philosophy: PHI 254 and 255; at least 9 additional hours in Philosophy.
- Not more than two 100-level courses may count toward the minor

MINOR IN PHILOSOPHY

For Teacher Education:

- 24 hours in Philosophy required.
- Required Philosophy courses by area: Research Methods: PHI 199; Logic: PHI 112 or MAT/PHI 210; History of Philosophy: PHI 254 and 255; Ethics: PHI 232 or 240 or 242; Epistemology and Metaphysics: PHI 256; and at least 6 additional hours in Philosophy with at least one 200- or 300-level course.

MINOR IN RELIGIOUS STUDIES

- 21 hours required, distributed as follows:
- 6 hours from Group A.
- 9 hours chosen from exactly 3 of the Groups B, C, D, and E. Courses listed as *Related Courses* may not be used to satisfy this requirement.
- 6 additional hours from any of the Groups used to satisfy the above requirements. At most, 3 of these hours may be chosen from the courses listed as *Related Courses* for those Groups.

Students are advised to complete several courses from Groups B through E prior to enrolling in the courses of Group A, (other than HIS 270). Courses listed as *Related Courses* in the following Groups may be of interest to students even though at most one of these may be used to complete the requirements for the minor. Also note that no more than 9 hours from a student's major field of study may be used to satisfy the requirements of a minor.

Group A: HIS 270; IDS 254 (with advisor approval*); PHI 224; SOC 268.

Group B: ENG 250, 251; PHI 222.

Related Courses: ART 367, 369, 377; HIS 223, 225, 351.

Group C: HIS 271, 378

Related Courses: HIS 104.04; IDS 121.02.

Group D: HIS 269; PHI 207, 208. *Related Courses*: HIS 104.02, 275, 276.

Group E: ART 275 (with advisor approval*); IDS 121.14; LAN 106.

Additional courses for various Groups: Specific offerings of the following courses may sometimes be placed into one of the above Groups by the Religious Studies Advisor, depending on topic: ENG 352; IDS 121; 203; HIS 307.

*Topics in ART 275 and IDS 254 may vary. See the Religious Studies advisor to verify how a specific offering of these courses will count in the Minor.

Philosophy Courses

Freshmen wishing to select a Philosophy course normally should enroll in a 100-level course. Courses at the 300-level presuppose at least the level of sophistication that the successful completion of one or more lower-level courses in Philosophy would demonstrate.

101 BASIC ISSUES IN PHILOSOPHY

OC-H 3

ENG 101; COM 110 req.

An introduction to central philosophical issues, e.g., knowledge, reality, freedom, God, and morality.

104 THE IDEAL OF DEMOCRACY

MC-ICL

3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option.

Critical examination of the nature and moral justification of democracy, particularly as it is practiced in the United States.

112 LANGUAGE, LOGIC AND **MATHEMATICS**

MC-OR

MAT 111, 120, 130 or 145 req. May not be taken under the CT/NC option.

Using modern logic to understand basic mathematical concepts (such as function and proof) as well as complementary concepts outside mathematics (such as demonstration and explanation).

150 SCIENCE AND HUMAN **CULTURE**

OC-H 3

ENG 101; COM 110 reg.

Examination of the dynamic interrelationship between human culture and the scientific methodologies used to study it; how culture both shapes and is shaped by science.

199 PHILOSOPHICAL RESEARCH **METHODS**

2

3

3 hrs PHI or cons inst req. Develops philosophical methods for majors. Normally taken before other major courses, particularly PHI 210.

202 SEX, VALUES, AND **HUMAN NATURE**

OC-H

ENG 101; COM 110 req. MC-IS category req.

Investigation of competing views about the nature of human sexuality, and their moral and social consequences.

207 INDIAN PHILOSOPHY

Major Indian philosophical issues and theories and their contribution to Indian religion and culture; Hindu systems and the early Buddhist challenge.

208 BUDDHIST PHILOSOPHY

Origins and development of Buddhist philosophy; East Asian transformation (including Zen).

210 SYMBOLIC LOGIC I

1 yr each high school algebra and high school geometry. Also offered as MAT 210.

Introduction to proof theory. Formal deductive systems, especially propositional logic and predicate logic. Properties of deductive systems, such as consistency and completeness.

222 PHILOSOPHY AND CHRISTIAN THEOLOGY

Philosophical examination of selected central ideas in Christianity, such as the incarnation, the trinity, sin, salvation, and ethics. Standard philosophical methodologies will be employed.

224 MEANING AND

RELIGIOUS BELIEF OC-H 3

ENG 101; COM 110 req. MC-LH category req. Interdisciplinary examination of religion, emphasizing the character and evaluation of religious world views and their connections to mythologies, ethics, and ethos.

232 CLASSIC WESTERN MORAL THEORIES

C or better in 1 PHI course or 2.50 overall GPA rec. Examination of major historical thinkers, e.g., Aristotle, Mill, Kant. Topics include value, obligation, virtue, moral justification, and moral standards.

233 CONTEMPORARY WESTERN MORAL THEORIES

PHI 232 and PHI 199 (may be taken concurrently). A survey of important thinkers and developments in twentieth-century moral philosophy. Problems and theories discussed concern values and right conduct.

234 BUSINESS ETHICS

A philosophical examination of selected ethical issues in business practice including discussions of case material, such as personnel management, advertising, labor-management relations, and corporate responsibility.

236 VALUES AND THE ENVIRONMENT

Philosophical examination of selected moral and social issues involving humans, nonhumans, and the environment, e.g., animal rights, resource distribution, environmental racism.

238 RIGHTS AND WRONGS

ENG 101; COM 110 reg. MC-IS category reg. Interdisciplinary approach to the analysis of moral and social issues in relation to the cultural contexts in which they arise.

240 POLITICAL PHILOSOPHY

C or better in 1 PHI course or 2.50 overall GPA rec. Discussion of traditional and contemporary issues, e.g., human rights, theories of justice, Marxism, civil disobedience, punishment, and the end and limit of government.

242 PHILOSOPHY OF LAW

1 PHI course or a law-related course rec.

Evaluation of conflicting views concerning the nature of law, legal obligation, legal rights, and the justification of punishment.

246 FEMINIST POLITICAL PHILOSOPHY

Examination of feminist political theories addressing the oppression of women. Critical scrutiny of philosophical foundations of feminism.

248 MODERN WAR AND MORALITY

1

Intensive examination of moral problems concerning war, e.g., pacifism, self-defense, conscription, terrorism, nuclear deterrence.

250 PHILOSOPHY OF SCIENCE

The nature of scientific theories, methods, reasoning, hypotheses, laws, and explanations.

251 VISIONS OF THE SELF:

A STUDY OF MINDS

AND PERSONS

OC-H

ENG 101; COM 110 req.; MC-IS category req.

Study of mind and self, drawing on insights from literature, philosophy, psychology, ethics, medicine, and artificial intelligence.

253 PHILOSOPHY AND THE BEHAVIORAL SCIENCES

3

Philosophical issues raised by and relevant to the scientific study of human behavior.

254 ANCIENT AND MEDIEVAL PHILOSOPHY

ILUSUPHY

C or better in 1 PHI course or 2.50 overall GPA rec. Classic Western philosophical ideas from the earliest times to the 15th century. The pre-Socratics, Socrates, Plato, Aristotle, Augustine, Aquinas, and others.

255 MODERN PHILOSOPHY

C or better in 1 PHI course or 2.50 overall GPA rec. Classic western philosophical ideas of the 17th and 18th centuries. Hobbes, Descartes, Spinoza, Leibniz, Locke, Berkeley, Hume, and Kant.

256 MAJOR THEMES IN WESTERN PHILOSOPHY

SINCE KANT

PHI 199 or conc reg; PHI 255 req. Formerly PHI 281 RECENT HISTORY OF METAPHYSICS AND EPISTEMOLOGY.

Study of important philosophical themes and figures of the 19th and 20th centuries.

298 PROFESSIONAL PRACTICE:

INTERNSHIP IN

APPLIED PHILOSOPHY 1-12

3 PHI courses req, including at least 1 at the 200- or 300-level. 2.50 GPA in PHI courses req. Complete dept application procedure. Max 3 hrs toward PHI maj/min. Cons dept chair.

Planned, supervised experience in a governmental or community organization providing experience in applying philosophical theory to current social or scientific problems.

305 TOPICS IN 20TH CENTURY PHILOSOPHY

3

PHI 256 req. May be repeated for cr if topic different. Major philosophical movements of the 20th century, focusing on significant figures.

310 TOPICS IN PHILOSOPHY OF SCIENCE

3

May be repeated for cr if topic different.

Examination of topics in philosophy of natural, behavioral, and/or social sciences, e.g., scientific explanation, evidence, methodology, progress, universality, normativity, testability.

315 TOPICS IN PHILOSOPHY, SCIENCE, AND THE MIND

3

May be repeated for cr if topic different.

Exploration of a philosophical topic on the scientific study of the mind (e.g., mind-body problem, artificial intelligence, philosophical psychology, neuroscience).

330 TOPICS IN MORAL THEORY 3

May be repeated for cr if topic different.

Examination of fundamental issues in moral philosophy, e.g., possibility of moral knowledge, justification of value judgments, nature of moral responsibility.

339 TOPICS IN THE PHILOSOPHY OF ART

3

Cons inst req. May be repeated for cr if topic different. Philosophical examination of expression, aesthetic experience, representation, nature of art, possibility of objective evaluation as applied to various art forms.

340 TOPICS IN LEGAL AND POLITICAL PHILOSOPHY 3

May be repeated for cr if topic different.

Intensive examination of selected topics in social, political and legal philosophy, e.g., liberty, justice, rights, equality, community, democracy, political obligation.

350 TOPICS IN THE HISTORY OF PHILOSOPHY 3

May be repeated for cr if topic different.

Intensive examination of an important figure, movement, or theme in the history of philosophy, e.g. Plato, British Empiricism, freewill/determinism.

363 TOPICS IN METAPHYSICS AND EPISTEMOLOGY

3

PHI 256 and PHI 112 or MAT/PHI 210. May be repeated for cr if topic different.

Detailed examination of selected issues in contemporary metaphysics and epistemology.

390 INDEPENDENT STUDY

1-3

1 PHI course; cons inst and dept chair req.

395 SENIOR THESIS

1

Completion of a min of 23 hrs of PHI courses including at least one 300-level course.

Students will revise and expand their previous or concurrent course work to produce a substantial philosophical essay.

PHYSICS (PHY)

456

311 Moulton Hall, (309) 438-8756 Web address: www.phy.ilstu.edu Email address: info@phy.ilstu.edu

Chairperson: Richard F. Martin, Jr.

Tenured/Tenure-track Faculty:

Distinguished Professor: Grobe.

Professors: Clark, Hassani, Holland, Karim, Martin, Ren, Su.

Associate Professors: Matsuoka, Rosa, Rutherford.

Assistant Professors: Marx.

General Department Information

The Physics Major sequences at Illinois State University are sufficiently flexible to serve the needs of students with any of the following goals: (1) government or industrial research and development, (2) graduate study in Physics, or an allied field such as Engineering, (3)high school Physics/Science teaching, or (4) professional study in intellectual property law, patent law, or medicine.

Physics Programs

Degrees Offered: B.S.

MAJOR IN PHYSICS

Physics Sequence:

- 44 hours in Physics required.
- Required courses: PHY 107, 110, 111, 112, 217, 220, 240, 270 (3 hours), 284, 325, 340, 384; 6 additional hours of 300-level Physics courses; CHE 140 and 141 are also required for the major.

Computer Physics Sequence:

- 43 hours in Physics required.
- Required courses: PHY 107, 110, 111, 112, 217, 220, 240, 270 (1 hour), 284, 318, 325, 388, 390; 6 additional hours of 300-level Physics courses, of which at least 1 course must be chosen from PHY 320, 340 and 384; ITK 254; majors should take Natural Science Alternative General Education courses.

Engineering Physics Program with University of Illinois or Other Approved Engineering University:

- 44 hours total in Physics and Engineering required.
- Required courses: PHY 107, 110, 111, 112, 217, 220, 240, 270 (1 hour), 284; 17 additional hours of approved upper division courses transferred from the chosen engineering university; CHE 140 and 141 are also required.
- Offered previously as Affiliated Engineering.

Teacher Certification Sequence:

- 40 hours in Physics required. Part of entitlement program leading to science certification at the secondary level.
- Required courses: PHY 107, 110, 111, 112, 205, 209, 217, 220, 270 (2 hours), 302, 310, 311, 312 and 353.
 Majors must also take either PHY 240 or 284. CHE 140 and 141 are also required for this major.

MINOR IN PHYSICS

- 23 hours in Physics required.
- Required courses: PHY 110, 111, 112; 11 additional hours of electives from 200- or 300-level Physics courses.

MINOR IN PHYSICS

For Teacher Education:

- 26 hours in Physics required.
- Required courses: PHY 110, 111, 112, 270 (1 hour), 311.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Physics Courses

102 ATOMS TO GALAXIES IC-NS 3

Not for cr maj/min or if had PHY 105, 108, or 110. May not be taken under the CT/NC option. Lecture and lab.

Concepts, history, and methodology of physical ideas such as motion, thermodynamics, electromagnetism, quanta, and relativity with interrelationships and applications.

105 FUNDAMENTALS

OF PHYSICS IC-NSA

Not for cr if had PHY 108, 110 or equiv. Lecture and lab. Intended for students not maj or min in the physical sciences. May not be taken under the CT/NC option.

Concepts and principles of mechanics, heat, wave motion, electricity, magnetism, and light. Applications to everyday life.

107 FRONTIERS OF PHYSICS

Designed for students in all physics sequences. Materials charge optional. CR/NC only.

An introduction to selected contemporary topics in pure and applied physics. Orientation to physics and allied fields such as engineering as discipline and profession.

108 COLLEGE PHYSICS I

2 years of high school algebra or equiv req. Not for cr if had PHY 110 or equiv. Lecture and lab. May not be taken under the CT/NC option.

Basic principles of mechanics, wave motion, sound and heat, developed with algebra. Includes diverse scientific and technological applications.

109 COLLEGE PHYSICS II

PHY 108 or 110 req. Not for cr if had PHY 111 or equiv. Lecture and lab. Continuation of PHY 108.

Electrostatics, electrical currents, magnetism, light and optical instruments, quantum, atomic, and nuclear physics, special relativity.

110 PHYSICS FOR SCIENCE

AND ENGINEERING I IC-NSA

MAT 145 or conc reg req. Lecture and lab. May not be taken under the CT/NC option. Not for cr if had PHY 108 or equiv. Materials charge optional.

Basic principles of mechanics, wave motion, and sound, developed with calculus. Includes diverse scientific and technological applications.

111 PHYSICS FOR SCIENCE

AND ENGINEERING II

PHY 110; MAT 146 or conc reg req. Not for cr if had PHY 109 or equiv. Lecture and recitation. Lab (every other week). Continuation of PHY 110. Materials charge optional.

Thermodynamics, electrostatics, electrical currents and circuits, magnetism, Faraday's Law.

112 PHYSICS FOR SCIENCE

AND ENGINEERING III

PHY 111; MAT 147 or conc reg reg. Lecture and lab. Materials charge optional.

Electromagnetic waves, optics, relativity, quantum theory, atomic and nuclear physics. Lectures, demonstrations, discussions, laboratory exercises, computer lab.

117 NUMERICAL REASONING IN NATURE AND TECHNOLOGY MC-QR

MAT 111, 120, 130, or 145 req. May not be taken under the CT/NC option.

Logical, analytical, mathematical, and computational skills important to quantitative understanding of topics in nature and technology.

152 STATICS

3

PHY 110 and MAT 147 reg.

Analysis of force systems; equilibrium of two- and threedimensional systems; trusses, frames, friction; centroids; moments of inertia; hydrostatic pressure on submerged bodies; principle of virtual work.

201 ASTRONOMY LABORATORY

2

PHY 101 and cons inst req; PHY Ed maj only; course may not be taken in fulfillment of ISBE reg for second area certification.

Optional lab to complement and extend concepts presented in PHY 101. Special emphasis placed on the role of astronomy in the secondary school curriculum.

205 ORIGIN OF THE

UNIVERSE

OC-SMT

3

Inner Core and PHY 102 req. MC-QR category req. Big Bang Theory; observational and theoretical basis for its development: the early universe; and connection between the universe and subatomic particles.

206 CHAOS AND **COMPLEXITY**

OC-SMT

3

Inner Core req. MC-QR category req.

Chaos and complexity science in historical/social context, strange attractors, fractals, and self-organization; diverse applications from weather forecasting to artificial life.

207 ENERGY AND SOCIETY OC-SMT 3

Inner Core req. MC-QR category req.

Scientific, technological, environmental, economic, health, ethical, and political aspects of energy production and use, from fossil and nuclear fuels to renewable energy sources.

209 INTRODUCTION TO TEACHING HIGH SCHOOL PHYSICS

10 hrs in PHY req. Physics Teacher Ed maj/min only. Clin Exp: 25 hrs, Type 1-6.

A weekly seminar in which students exchange information and share reflections derived from clinical observations made in area high schools.

217 METHODS OF

THEORETICAL PHYSICS

PHY 111; MAT 147; MAT 175 or conc reg req. Mathematics applied to physics: multivariate calculus, vector and tensor analysis, curvilinear coordinates, complex numbers, differential equations, numerical methods.

220 MECHANICS I

3

PHY 112 and MAT 147 reg.

Newton's laws applied to the study of motion of point masses subjected to viscous, frictional, elastic, central, harmonic, interparticle, and conservative forces.

240 ELECTRICITY AND MAGNETISM I

3

PHY 217 rea.

Electrostatic fields and potentials in vacuum, Gauss' law, electrostatics of dielectrics, magnetostatics, Biot-Savart, Ampere, and Faraday laws, magnetic induction, magnetic materials, and Maxwell's equations.

270 EXPERIMENTAL PHYSICS

1

PHY 112 and 220 req; ENG 249 rec. Repeatable for cr up to max of 3 hrs total.

Laboratory experiments that demonstrate principles of mechanics, electricity, magnetism, optics, and modern physics. Emphasis on experimental technique, analysis, and on the quality of written reports.

284 QUANTUM MECHANICS I

3

PHY 112 and MAT 175 req. PHY 217 or concreg req.

Blackbody radiation, photoelectric effect, wave-particle duality, uncertainty principles, Schrodinger equation, probability amplitudes, one-dimensional potentials, hydrogen atom.

290 RESEARCH IN PHYSICS

1-1

20 hrs Physics req. May be repeated; max 3 hrs. 3 hrs conference, lab or library research per week for each hr of cr.

An introduction to the scientific discovery process through participation in a departmental research program.

302 COMPUTER APPLICATIONS IN HIGH SCHOOL PHYSICS

1 hr of PHY 270 reg.

1

Applications of computers in teaching of high school physics.

310 READINGS FOR TEACHING HIGH SCHOOL PHYSICS

3

10 hrs in PHY req.
Essential background readings for teaching high school physics that center around developing scientific literacy in students.

311 TEACHING HIGH SCHOOL PHYSICS 3

18 hrs in PHY req; PHY 310 req; C or better in C&I 216 or conc reg req. Clin Exp: 10 hrs, Type 1-6.

Strategies, curricula, and resources for the teaching of high school physics. Application of knowledge of physics, adolescent psychology, and pedagogical theory to secondary teaching.

312 PHYSICS TEACHING FROM THE HISTORICAL PERSPECTIVE

20 hrs in PHY req. Adm to Professional Studies req. Overview of the development of classical scientific thought relating to physical phenomena with applications to pedagogy.

318 METHODS OF COMPUTATIONAL

SCIENCE

ITK 165; CHE 140; PHY 109 or 111; CHE 360 or PHY 220 or conc reg; or cons inst req. Also offered as CHE 318. Formerly PHY 288.

Introduction to a wide variety of computational techniques and their application to problems in chemistry and physics.

320 MECHANICS II

3

PHY 220 and MAT 340 req.

Coordinate transformations, nonlinear oscillations, Hamilton's Principle, Lagrangian and Hamiltonian mechanics, rigid body motion.

325 THERMAL PHYSICS

3

PHY 284 reg.

Thermodynamics, kinetic theory, and statistical mechanics with discussion on phase transitions and critical phenomena.

330 OPTICAL PHYSICS

3

PHY 240 req.

Optical systems, electromagnetic waves, interference and diffraction, quantum optics.

340 ELECTRICITY AND MAGNETISM II 3

PHY 240 and MAT 340 reg.

Electrostatic boundary value problems; Maxwell's equations; polarization, reflection, and transmission of electromagnetic waves, waveguides; electromagnetic radiation, fundamentals of antenna theory, relativistic electromagnetism.

353 STUDENT TEACHING SEMINAR 1

Conc reg in STT 399.72 req. Clin Exp: 15 hrs, Type 1-6. A seminar through which students exchange information, share reflections, and document observations and activities prior to and during student teaching.

355 SOLID STATE PHYSICS

PHY 325 reg.

Crystal structures, X-ray and electron diffraction, lattice vibrations and thermal properties, binding energy, conduction of electrons, band theory, dielectric and magnetic properties, defects, metals, semiconductors, and insulators.

375 ELECTRONICS FOR SCIENTISTS 3

PHY 109 or 111 req. Lecture and lab

DC and AC circuit analysis with an introduction to the electrical properties of semiconductors; theoretical and experimental analysis of semiconductor diode, transistor, and operational amplifier circuits.

380 TOPICS IN CONTEMPORARY PHYSICS 1-3

Sr standing only. Cons inst req. May be repeated. Recent developments in the fields of atomic, biomolecular, elementary particle, many-body, molecular, nonlinear, nuclear, plasma, and solid-state physics.

384 QUANTUM MECHANICS II 3

PHY 284 and MAT 340 req.

Operator formalism, Dirac bra and ket notation, angular momentum, perturbation theory, applications to laser physics.

387 METHODS OF MATHEMATICAL PHYSICS

3

PHY 240 and MAT 340 or conc reg req.

Finite- and infinite-dimensional vector spaces, matrices and determinants, Fourier analysis, complex analysis, differential equations. Emphasis on physical applications.

388 ADVANCED COMPUTATIONAL PHYSICS

3

PHY 220, 240, 284, and 318 or cons inst req.

Application of computational methods to contemporary topics in physics, including nonlinear classical and quantum dynamics or physical problems that involve many degrees of freedom.

390 COMPUTATIONAL RESEARCH IN PHYSICS

PHY 388 rea.

Independent computational project in physics.

POLITICS AND GOVERNMENT (POL) 460

1-2

401 Schroeder Hall, (309) 438-8638

Web address: www.politicsandgovernment.ilstu.edu

Chairperson: Jamal Nassar. **Tenured/Tenure-track Faculty**:

Distinguished Professor: Payne.

Professors: Bradley, Crothers, Lind, Nassar, Parodi, Wang.

Associate Professors: Kiser, Klass, Pope, Riaz.

Assistant Professors: Cox, Gelbman, Riverstone, Shapiro,

Shawki, Tamas, Webber, Weiden.

General Department Information

The Department of Politics and Government provides students with a program that offers a broad liberal education and at the same time provides opportunities to begin a specialized concentration in one area of the discipline such as public service or global studies. The study of political science leads into careers in law and paralegal services; local, state, and federal governments and not-for-profit agencies; international public and private organizations; teaching and research; and in the private sector-especially government-related activities of business. Career information, including career-related courses offered by other departments, is available from the Department's undergraduate, concentration, and pre-law advisors. Teacher Education students majoring in Political Science fulfill Professional Education requirements through the Social Sciences program.

INTERDISCIPLINARY MINORS

The Department of Politics and Government participates in a number of interdisciplinary minors at the University. Course work offered by the Department contributes to the following minors: African-American Studies, African Studies, Environmental Studies, Ethnic and Cultural Studies, International Studies, Middle Eastern and South Asian Studies, Peace and Conflict Resolution Studies, Tourism Studies, Urban Studies, and Women's and Gender Studies. For further information on any of these minors and their advisors, please consult the University-Wide Curriculum section in this *Undergraduate Catalog*.

HONORS IN POLITICS AND GOVERNMENT

Students majoring or minoring in Political Science may be admitted to the Departmental Honors Program if they have: (1) completed at least 30 semester hours of college- or university-level courses, including at least 2 Political Science courses; (2) a minimum of 3 semesters remaining before graduation; (3) a cumulative GPA of 3.30; (4) one letter of recommendation submitted by a Politics and Government faculty member to the undergraduate advisor; (5) membership in the University Honors Program; and (6) admission approval from the Departmental Honors Advisor.

In order to graduate with honors in Politics and Government a student must complete: (1) all regular requirements for the Political Science Major; (2) 3 hours of in-course honors; (3) 3 hours in POL 302: Honors Seminar; (4) 3 hours of POL 299: Independent Honors Study; and (5) have a major GPA of at least 3.50.

Any student admitted to the University Honors Program may earn honors credit by completing the honors requirements of either a designated honors course or of a course offering an in-course honors option.

Politics and Government Programs

Degrees Offered: B.A., B.S.

MAJOR IN POLITICAL SCIENCE

- 34 hours in Politics and Government including at least 18 hours at the 200-level or above and at least 6 hours at the 300-level (excluding internships, independent studies, and readings courses).
- Required courses: POL 105 or 106, 161, 138; either 140, or 141 and either 150 or 151, and 390.
- POL 390, the capstone experience, may be taken after completion of 90 hours and is taken concurrently with one of the following options with permission of the advisor, chair, or faculty member teaching the course:
 - an internship of 3 or more credits, or
 - an overseas academic experience, or
 - a 3 credit independent study project or honors project, or
 - a senior project that is contractually negotiated between the faculty member and the student in a 300level POL course.
- A maximum of 6 hours in POL 398.01 and 398.20 may count toward a Political Science major.
- It is recommended that Political Science majors enroll in POL 105 or 106 in their first year of study and in POL 138 in their second year of study. Transfer students wishing to complete the Major are recommended to enroll in POL 105 or 106 and 138 in their first year at Illinois State University if they have not already had equivalent courses.

Global Studies Sequence:

- 12 credits in Politics and Government International Relations and Comparative courses as well as completing the POL major. Up to 18 hours outside the Department may be required (see below).
- International Relations Component. 6 hours from the following courses: POL 251, 252, 254, 255, 293.01, 335, 344, 351, 358, 363.

220 Politics and Government

- Comparative Politics Component. 6 hours from the following courses: POL 240, 242, 245, 246, 247, 340, 341, 345, and 349.
- At least 3 hours of the course work chosen from the Components must be at the 300-level.
- Students must complete one of the following four options:
 - 1. 18 hours of approved cognate courses.
 - 2. An approved study abroad.
 - 3. Completion of LAN 112 or equivalent.
 - 4. An approved internship.
- It is required that students develop their Global Studies Sequence in consultation with the Global Studies Coordinator.

Leadership and Social Justice Sequence:

- 15 hours Politics and Government core courses required: POL 105 or 106; 138; 140 or 141; 150 or 151; and 161.
- 12 hours in Politics and Government Leadership in Public Affairs and Social Justice Issues courses, as well as completing the Major in Political Science and either an internship component, approved off-campus course of study focused on issues of leadership and social justice, or completion of approved cognate courses outside of the department (see below).
- Leadership in Public Affairs Component: Any two of the following courses (6 hours): POL 162, 213, 214, 217, 218, 220, 221, 231, 252, 293.01, 323, 330, 335, 398.01.
- Issues in Social Justice Component: Any two of the following courses (6 hours): POL 225, 232, 236, 240, 245, 246, 247, 254, 262, 334, 336, 352, 358, 363.
- At least 3 hours of the course work chosen from the Components must be at the 300-level, excluding 398.01.
 At the discretion of the sequence advisor, one other departmental course may be substituted for courses enumerated in the sequence list.
- Students must complete one of the following three options:
 - Approved Internship in Public Affairs and Social Justice (6 hours maximum).
 - Six approved cognate courses (18 hours) from the following: ANT 175; COM 178; ENG 261; GEO 140; HIS 111, 230, 268; IDS 111; PHI 104, 238, 246, 248; PSY 131, SWK 125; SOC 108, 111, 240, 264, 341, 361, 366; WGS 120.
 - 3. Approved off-campus study program with emphasis on leadership and social justice (programs vary from 12 to 17 hours).

NOTE: Students are required to develop their Leadership and Social Justice Sequence in consultation with the departmental sequence advisor.

Public Service Sequence:

This program is a subdivision of courses encompassed within the Political Science Major/Minor designed

to prepare students for employment in the public or nonprofit sector. The primary objective of this sequence is to serve the needs of those interested in pursuing a public service career and those who wish to learn more about public bureaucracies.

- 18 hours in Public Service courses in the Political Science Maior or Minor.
- Required courses: POL 231 and 398.01 (minimum of 3 credit hours).
- Elective Public Service courses:
 - Option A: Two 200-level and two 300-level Public Service courses or
 - Option B: One 200-level and three 300-level Public Service courses.
- Public Service courses include: POL 214, 220, 221, 222, 232, 236, 318, 323, 329, 330, 331, 332, 333, 334, and 335.
- It is highly recommended that students develop their Public Service Sequence in consultation with a departmental sequence advisor.

MINOR IN POLITICAL SCIENCE

- 18 hours in Political Science required.
- Required course: POL 105 or 106.
- A maximum of 3 hours in POL 398.01 and 398.20 may count toward a Political Science minor.

Public Service Sequence:

- 18 hours in Public Service courses in the Political Science Major or Minor.
- Required courses: POL 231 and 398.01 (minimum. of 3 credit hours).
- Elective Public Service courses:
 - Option A: Two 200-level and two 300-level Public Service courses or
 - Option B: One 200-level and three 300-level Public Service courses.
- Public Service courses include: POL 214, 220, 221, 222, 232, 236, 318, 323, 329, 330, 331, 332, 333, 334, and 335.
- It is highly recommended that students develop their Public Service Sequence in consultation with a departmental sequence advisor.

MINOR IN POLITICAL SCIENCE

For Teacher Education:

 In addition to those listed for the Minor in Political Science, students must complete education courses that are required for state certification. See undergraduate advisor for further information.

Legal Studies Program

The Legal Studies curriculum is designed to provide knowledge and skills related to various types of paralegal careers. This program may not be appropriate for pre-law students. While a major is not offered, interested students should consult the Legal Studies coordinator about the possibility of an individualized major under the General Studies program. In order to gain admission into the Legal Studies program, a student must have submitted a formal application to the Legal Studies coordinator; must have completed at least two (2) approved Legal Studies courses (one of which must be POL 201); and must have earned a cumulative GPA of at least 2.50 in those 2 Legal Studies courses. For further information contact Department of Politics and Government.

MINOR IN LEGAL STUDIES

- 24 hours required.
- Required courses (15 hours): POL 201, 203, 204, 370,
- 9 hours selected from the following Legal Studies Specialty Courses: POL 216, 314, 319, 322, 372, 398.20. A maximum of 6 credits of internship can be counted toward fulfilling the Legal Studies requirements. Additional hours of internship may be taken for credit as University electives.
- NOTE: Only Legal Studies courses with a grade of C or higher can count toward the minor.

Politics and Government Courses

Students should consult the Department advisor to learn which selected studies (189, 289, 389) courses may satisfy major requirements; this would include Politics and Government SENIOR SEMINAR, which counts toward fulfilling the 300-level hours requirement.

101 CITIZENS AND

GOVERNANCE MC-ICL

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option.

Examination of the nature and purpose of government, the rights and responsibilities of citizenship, and the impact of societal cleavages.

105 AMERICAN GOVERNMENT AND POLITICS Not for cr if had POL 106.

3

Surveys the entire U.S. political process, concentrating on the national level. Includes constitutional structure, patterns of behavior, and policy making institutions.

106 U.S. GOVERNMENT AND CIVIC PRACTICES MC-ICL 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Not for cr if had POL 105.

Examines the sources and effects of practices and institutions of participation, influence and cleavages in U.S. politics.

138 QUANTITATIVE REASONING

IN POLITICAL SCIENCE MC-QR

MAT 111 or 120 or 130 or 145 or cons of inst req. May not be taken under the CT/NC option. Formerly SOCIAL SCIENCE REASONING USING STATISTICS. Not for cr if had ECO 138, GEO 138, PSY 138 or MQM 100.

Uses a classroom laboratory approach to develop skills in statistical reasoning and method.

140 INTRODUCTION TO THE POLITICS OF AFRICA, ASIA, AND LATIN AMERICA

Inner Core req. Not for cr if had POL 145.

Overview of the politics and cultures of the peoples and countries of Africa, Asia, and Latin America.

141 INTRODUCTION TO **EUROPEAN POLITICS**

Structure, function, and political processes of European governments. Emphasis on Britain, France, and Germany.

150 INTRODUCTION TO U.S. FOREIGN POLICY

3

The formulation, implementation, and content of U.S. foreign policy.

151 INTRODUCTION TO INTERNATIONAL RELATIONS

Emphasizes understanding the behavior and characteristics of nation-states and issues affecting their relations with each other.

161 INTRODUCTION TO POLITICAL THINKING

Critical consideration of basic political questions such as the nature of the state, civic order, and forms of government.

162 CONFLICT, COOPERATION, AND STRATEGIC

DECISION-MAKING MC-QR

MAT 113, 120, 130 or 145 req. May not be taken under the CT/NC option. Also offered as MAT 162.

Game theory, mathematical study of conflict and cooperation with applications. Analysis of two-person zero-sum and nonzero sum games, and n-person games.

213 U.S. CONGRESSIONAL POLITICS 3

POL 101, 105, or 106 or cons inst reg.

Major congressional institutions and proposals for their reform.

214 U.S. PARTIES AND INTEREST GROUPS

3

POL 101, 105, or 106 or cons inst reg. Study of roles, functions, effects, and consequences of political parties and interest groups in the U.S.

215 U.S. JUDICIAL PROCESS

3

POL 101, 105, or 106 or cons inst reg.

Introduction to the major elements of the judicial system: police, lawyers, juries, and judges. Concentrates on organization and behavior.

217 U.S. PRESIDENCY

3

POL 101, 105, or 106 or cons inst req.

The presidency is examined pre-eminently as an office of political influence, decision-making, and policy implementation.

220 CAMPAIGN POLITICS

POL 101, 105, or 106 or cons inst req. POL 214 rec. Consideration of campaign planning, management, and activities through reading, discussion, and supervised student campaign participation. Ordinarily scheduled to coincide with federal primary and general election years.

221 U.S. STATE AND LOCAL GOVERNMENTS

POL 101, 105, or 106 or cons inst req.

Structures and functions of state and local governments. Includes discussion of comparative state and local politics and policy outputs.

222 METROPOLITAN POLITICS AND PROBLEMS

3

3

POL 101, 105, or 106 or cons inst req.

A systems analysis of the processes and interactions of the environmental, social, economic, and power components of metropolitan political systems.

225 WOMEN IN POLITICS

3

45 sem hrs or cons inst req. POL 101, 105, or 106 rec. The study of the role of women in the political process.

231 PUBLIC ADMINISTRATION

3

POL 101, 105, or 106 or cons inst req.

Mission, structure, function, politics, and public policy development of public administration, including parameters of public finance and personnel.

232 POLITICS AND PUBLIC POLICY

POL 101, 105, or 106 or cons inst req.

Introduction to the political processes of public policy formation, including theories, and an analysis and evaluation of selected policy areas.

236 ENVIRONMENTAL POLITICS AND POLICY

3

3

POL 101, 105, or 106 or cons inst req.

An examination of the development and implementation of government policy on the environment.

240 LATIN AMERICAN POLITICS

45 hrs or cons inst req. POL 140 rec.

Politics of development and regional integration in South and Central America, using selected countries as examples.

242 RUSSIAN AND EASTERN EUROPEAN POLITICS

3

45 hrs or cons inst req. POL 141 rec.

Comparative analysis of Russian and Eastern European political systems.

245 ASIAN POLITICS

3

45 hrs or cons inst req. POL 140 rec.

Comparative analysis of of the political systems and policies of Asian nations.

246 AFRICAN POLITICS

3

3

45 hrs or cons inst req. POL 140 rec.

Comparative analysis of African political systems, including such contemporary problems as the politics of race, nation building, and economic development

247 MIDDLE EASTERN POLITICS

45 hrs or cons inst req. POL 140 or rec.

Comparative analysis of the political systems of selected Middle Eastern states and of region-wide issues including nationalism, revolution, and conflict.

251 THEORIES AND CONCEPTS OF INTERNATIONAL RELATIONS

3

45 hrs or cons inst req. POL 151 rec.

Presentation of various approaches employed to study international politics, and an analysis of problems and prospects of the contemporary world.

252 INTERNATIONAL ORGANIZATIONS 3

45 hrs or cons inst req. POL 151 rec.

Introduction to the role of international organizations in world affairs. Preparation for Model United Nations.

254 GLOBAL ISSUES

45 hrs or cons inst req. POL 151 rec.

Transnational political interactions and behavior of global actors and their impact upon crucial socio-economic, technological, and cultural issues.

255 INTERNATIONAL CONFLICT AND SECURITY

3

45 sem hrs or cons inst req. POL 151 rec.

An examination of the nature of conflict and security arrangements among nations and their international actors.

261 CLASSICAL POLITICAL THEORY

3

45 hrs or POL 161 or cons inst req.

Introduction to the origin and development of inquiry about human life in political association with particular reference to ancient and medieval philosophers.

262 MODERN POLITICAL THEORY 3

45 hrs or POL 161 or cons inst req.

Introduction to political theory emphasizing the intentions, methods, and concepts of selected thinkers from the 16th through the 20th centuries.

265 AMERICAN POLITICAL THEORY 3

45 hrs or POL 161 or cons inst req.

Analysis and evaluation of major writings that proceed from, contribute to, or comment upon the American political experience.

266 AMERICAN LEGAL THEORIES 3

45 hrs or POL 161 or cons inst req.

A theoretical overview of the legal component of political science with particular reference to policies and institutions in the American legal system.

283 TRIAL ADVOCACY 3

An introduction to fundamental techniques of trial advocacy in preparation for participation in intercollegiate mock trial competitions.

300 SENIOR SEMINAR

3

POL maj/min and 90 hrs req.

Intensive study of an announced area and the formulation of a comprehensive research paper.

301 TEACHING CITIZENSHIP AND GOVERNANCE

3

POL 101, 105, or 106 or cons instr req. Formerly 389.61.

Examines knowledge and techniques for instructing civics and governance material, and analyzes the relationship between civic education and democracy.

302 HONORS SEMINAR

2

Enroll in University Honors Program and either 60 hrs or cons inst req. Not for cr if had POL 300.

Intensive study of an announced area and formulation of a

Intensive study of an announced area and formulation of a cumulative research paper.

310 VOTING AND ELECTIONS

1

60 hrs, POL 105, 106, or 138 or cons inst req. Intensive investigation of U.S. voting behavior and electoral process; includes instruction in analysis techniques.

312 PUBLIC OPINION

3

60 hrs, POL 105, 106, or 138 or cons inst req. Includes attention to social and psychological bases of public opinion, current trends, methods of measurement, and opinion-policy linkages.

317 U.S. POLITICS AND CULTURE AFTER VIETNAM

3

60 hrs, POL 101, 105, 106, or cons inst req. Examination of the impact of the Vietnam War on contemporary U.S. politics.

318 ADMINISTRATIVE LAW

3

60 hrs or cons inst req. POL 215 rec.

An overview of topics such as legislative, executive, and judicial control of administrative actions, public and private access to information, the administrative hearing process and other due process concerns.

324 TOPICS IN PUBLIC LAW

3

60 hrs, POL 101, 105, 106 or cons inst req. POL 215 rec. May repeat if content different.

Selected topics focusing on specialized aspects of Public Law.

325 CONSTITUTIONAL LAW: FUNCTIONS AND POWERS

3

60 hrs or cons inst req. POL 215 rec.

Major Supreme Court decisions on federalism, separation of powers, taxation, commerce, voting, and citizenship.

326 CONSTITUTIONAL LAW: DUE PROCESS RIGHTS

3

3

60 hrs or cons inst reg. POL 215 rec.

Major Supreme Court decisions involving both procedural and substantive due process rights.

327 CONSTITUTIONAL LAW: EQUALITY AND FREE EXPRESSION

60 hrs or cons inst req. POL 215 rec.

Major Supreme Court decisions involving discrimination, and freedom of speech, press, assembly, and religion.

329 POLITICS OF FEDERALISM

POL 221 or cons inst req.

3

Federalism in theory and practice, focusing on U.S.; politics and policy in intergovernmental contexts; recent initiatives and current problems.

330 PROBLEMS OF PUBLIC ADMINISTRATION

3

POL 231 or cons inst req. May be repeated if content different.

Varied approaches to problems relevant to public policy, organization development, management, staff, or personnel concerns, and applied behavioral techniques.

331 HUMAN RESOURCE MANAGEMENT 3

POL 231 or cons inst req. Formerly PUBLIC PER-SONNEL ADMINISTRATION.

The personnel process in American bureaucracy; matching the individual and the job; employer-employee relations; employee motivation; problems and prospects.

333 POLITICS, BUDGETS, AND TAXES 3

POL 231 or cons inst req.

Meaning, significance, content, and evolution of governmental budgeting processes and reforms at all levels of government; political implications of fiscal reforms.

334 THE POLITICS OF RACE, ETHNICITY AND INEQUALITY

3

POL 101, 105, or 106 or cons inst req; POL 214, 231 or 232 or 327 rec.

Analysis of contending theories and ideologies concerning the role of race and ethnicity in American politics and public policy.

335 COMMUNITY DEVELOPMENT 3

POL 101, 105, or 106 or cons inst req.

An examination of strategies and techniques employed in the United States and abroad in community development.

336 LATINO POLITICS: IDENTITY, PROTEST, AND POWER 3

POL 101, 105, or 106 req.

The study of Latino politics in the U.S., including political history, electoral and non-electoral political expressions.

337 LESBIAN AND GAY POLITICS 3

WGS 120 or POL 225 or cons inst req.

Explores LGBT (lesbian, gay, bisexual, and transgender) political movements in historical context and with reference to claims for citizenship.

338 GENDER AND PUBLIC POLICY 3

WGS 120 or POL 225 or cons inst req.

Examination of how gender shapes and is shaped by public policy formulation and implementation in different political and state contexts.

339 PLAYGROUND TO POLITICS 3

60 hrs or cons inst req. POL 161 rec.

Explores Generation Y in politics, media, economic and education systems.

340 TOPICS IN LATIN

AMERICAN POLITICS

3

Select 1 of the following: POL 140, 240; GEO 230; HIS 127, 263, or cons inst req. May repeat if content different.

Selected topics focusing on specialized aspects of Latin American politics.

341 TOPICS IN EUROPEAN POLITICS 3

Select 1 of the following: POL 141, 242; GEO 240, 245; HIS 229, 234, 237, 366, or cons inst req. May repeat if content different.

Selected topics focusing on specialized aspects of European politics.

344 TOPICS IN GLOBAL STUDIES

Select 1 of the following: POL 150, 151, 251, 252, 254, 255, or cons inst req. May repeat if content different.

Intensive review and analysis of critical global problems and strategies for dealing with them.

345 TOPICS IN ASIAN POLITICS

3

Select 1 of the following: POL 140, 245, 255; HIS 373, 375, or cons inst req. May repeat if content different.
Selected topics focusing on specialized aspects of Asian politics.

349 TOPICS IN MIDDLE EAST POLITICS 3

Select 1 of the following: POL 140, 247; HIS 272; or cons inst req. May repeat if content different.

Selected topics focusing on specialized aspects of Middle East politics.

351 INTERNATIONAL LAW

3

Select 1 of the following: POL 151, 251, 252, 254, 255, or cons inst req.

Political nature, legal principles, and juridical procedures and cases of contemporary international law.

352 HUMAN RIGHTS

3

POL 140, 151, 251, 252, 254 or 255 or cons inst req. General overview of human rights: philosophical foundation, historical development, main documents, institutions, movements and campaigns.

353 INTERNATIONAL DIPLOMACY

One of POL 150, 151, 251, 252, 254 or 255, or cons instreq. Not for cr if had 389.63.

Studies the practice of diplomacy in a global environment focusing on the UN system and multilateral diplomacy.

358 INTERNATIONAL POLITICAL ECONOMY

3

Select 1 of the following: POL 151, 251, 252, 254, 255, or cons inst req.

An analysis of the structures of political power in the international political economy.

361 TOPICS IN POLITICAL THEORY 3

POL 101, 105, 106, or 161 or 60 sem hrs or cons inst req. May be repeated if content different.

Selected advanced topics covering specific concepts or authors in political theory.

363 POLITICAL THEORIES OF NONVIOLENCE

3

POL 101, 105 or 106, 161, 261, 262, 265, or cons inst req. Analysis of contending theories and approaches regarding nonviolence and civil disobedience.

390 CAPSTONE EXPERIENCE

Compl 90 cr hrs req. CR/NC only.

Students will complete a capstone paper that highlights original research conducted independently, in conjunction with a 300-level POL course, study abroad, internship, independent study or honors project.

398.01 PROFESSIONAL PRACTICE: PUBLIC SERVICE INTERNSHIP 1-16

Max 6 hrs/POL maj; max 3 hrs/POL min. Complete dept internship application procedure.

Planned, supervised experience in a governmental or community organization, providing on-the-job training and introduction to public service careers.

Legal Studies Courses

The following courses are designed for the Legal Studies program. Except for POL 201, 203, 204, and 398.20, these courses may not be counted for credit toward a Political Science major or minor. A maximum of 9 hours may be applied to a Political Science major or minor from Legal Studies courses

201 INTRODUCTION TO LAW FOR PARALEGALS

3

45 hrs reg.

A paralegal specialty course that introduces students to basic legal concepts, and the role of paralegals/legal assistants in the American legal system.

203 LEGAL RESEARCH I

3

POL 201 or cons Legal Studies advisor reg.

A writing-intensive, paralegal specialty course that introduces students to the basic techniques of legal research.

204 LEGAL RESEARCH II

3

POL 203 req.

A writing-intensive paralegal specialty course that covers advanced legal research.

216 INTRODUCTION TO TORTS 3

Not for cr POL maj/min.

An introduction to the fundamental concepts of tort law. Topics include intentional and unintentional wrongs, varieties of liability, and courses of action.

314 INVESTIGATIVE TECHNIQUES 3

POL 201 and 216 req. Not for cr POL maj/min. Techniques for the gathering and preparation of evidence for use in legal disputes.

319 PROBATE LAW 3

POL 201 or cons inst req. Not for cr POL maj/min. Introduction to the fundamentals of probate law with emphasis on tasks which can be performed by paralegals.

322 DOMESTIC RELATIONS LAW 3

POL 201 or cons inst req. Not for cr POL maj/min. Overview of the laws and procedures governing legal aspects of marriage and child custody. Emphasis is placed on tasks which can be performed by paralegals.

370 LITIGATION I 3

POL 201 and 203 req. Not for cr POL maj/min. An advanced paralegal specialty course that covers both civil and criminal litigation from the filing of a legal action through the defendant's responses.

371 LITIGATION II

3

POL 370 req. Not for cr POL maj/min.

An advanced paralegal specialty course that covers both civil and criminal litigation from the discovery and pretrial motions through the trial and appellate stages.

372 EMPLOYMENT LAW

3

POL 201 or cons inst req. Not for cr POL maj/min. A paralegal specialty course covering retirement plans, collective bargaining agreements, workmen's compensation, anti-discrimination laws, and OSHA regulations.

398.20 PROFESSIONAL PRACTICE: PARALEGAL INTERNSHIP 1-16

POL 201 req. Max 6 hrs POL maj; max 3 hrs POL min. Complete dept internship application procedure.

Internship provides work experience involving paralegal skills.

PSYCHOLOGY (PSY) 462

435 DeGarmo Hall, (309) 438-8651 Web address: www.psychology.ilstu.edu/

Chairperson: David Patton Barone. **Tenured/Tenure-track Faculty**:

Professors: Alferink, Barone, Bergner, Binning, Catanzaro, Creasey, T. Critchfield, DeSouza, Graybill, House, Jarvis, Jordan, Landau, Pryor, Reeder, Stevens, Swerdlik.

Associate Professors: K. Critchfield, Cutting, Farmer-Dougan, Hesson-McInnis, Hoff, Kahn, McBride, Meyers, Nauta, Pfost, Reese-Weber.

Assistant Professors: Braswell, Cates, Heidenreich, Hund, Liu, Rivadeneyra, K. Schneider, W. Schneider, Tobin, Wagman, Zimmerman.

General Department Information

Admission Requirements:

Students may be admitted into the major from a pool of qualified applicants on the basis of individual qualifications. Students are admitted into the major on a competitive and selective basis. The number of students admitted into the program may vary from year to year depending on program capacity and qualifications of students in the pool. The standards for progress in the major represent the minimum standards for final admission into the major. The Department of Psychology reserves the right to maintain a balanced enrollment.

- A. Students transferring to Illinois State University with fewer than 30 hours completed may be admitted to the Psychology major if they (1) have a 2.50 GPA from their transfer institution(s) and (2) have met the ACT score and high school class ranking standards required for new freshmen admitted to the Psychology major.
- B. Transfer students with 30 to 74 hours completed may be admitted to the Psychology major if they (1) have a 2.50 GPA from their transfer institution(s) and (2) have earned grades of C or better in each of the following: (a) the equivalent of PSY 111, (b) the equivalent of MAT 120, 121, 144, or 145, and (c) a laboratory science course.

NOTE: Transfer credit from community colleges is limited to 66 semester hours, plus four credits of physical education courses.

C. Illinois State University students wishing to change their major to Psychology must either (1) have an Illinois State University GPA of 3.00 (based on at least 12 hours completed at Illinois State but fewer than 30 hours completed overall), or (2) have an ISU GPA of 2.20 (based on at least 12 hours completed at Illinois State) and have earned grades of C or better in each of the following: (a) PSY 111, (b) PSY 231, (c) PSY 138, (d) MAT 120, 121, 144, or 145, and (e) a laboratory science course.

NOTE: The Department of Psychology typically does not admit students into the major who have completed more than 75 hours.

Standards for Progress in the Major:

In order to remain in the major, all Psychology majors must have achieved the following by the time they have completed 75 hours: (1) maintenance of a 2.00 or higher cumulative Illinois State University GPA, (2) maintenance of a 2.20 or higher Psychology major GPA (based on all courses taken at Illinois State University that count towards the Psychology major), and (3) completion of all of the following courses with a grade of C or better: PSY 111, 138, 200, and 231; MAT 120, 121, 144 or 145; a laboratory science course.

Records of all Psychology majors will be reviewed once they have completed 75 hours. Any student not fulfilling all of the standards for progress will be dismissed from the Psychology major.

MINOR IN COGNITIVE SCIENCE

The Department of Psychology participates in the Minor in Cognitive Science program. Several courses offered by the Department contribute to the minor. For further information, please consult the Department advisor as well as the section entitled "Minor in Cognitive Science" under University-Wide Curriculum in this *Undergraduate Catalog*.

HONORS IN PSYCHOLOGY

The Department offers honors work for superior students majoring in Psychology. In order to qualify, the student must be a member of the University Honors Program, have achieved senior standing at Illinois State University, have achieved a University GPA of 3.30 or better, and have a GPA of 3.50 or better in Psychology course work. Finally, after a semester of experience with a faculty member, the student must complete a senior thesis (IDS 395.03 - Honors Thesis: Psychology) for at least 3 hours that reflects substantial research and quality of thought and present the thesis at the Psychology Department Honors colloquium.

Psychology Programs

Degrees Offered: B.A., B.S.

MAJOR IN PSYCHOLOGY

- 41 hours in Psychology required.
- Meet departmental admission criteria.
- Students who major in Psychology must complete the following courses: ENG 145; MAT 120 or 145 (which also meet Inner Core General Education requirements) or 121 or 144; 2 laboratory science courses (which can be met through Inner Core General Education requirements); a Philosophy course.
- Required courses: PSY 111, 138, 200, 231, 331, 340, 392 (or alternative below):

226 Psychology

- Students may select one of the following options to replace PSY 392: (1) PSY 290 (for 3 hours) and 390 with the same faculty member, or (2) PSY 291 (for 3 hours) and PSY 391 with the same faculty member, (3) PSY 395 and 398 (for 3 hours) taken the same semester, or (4) IDS 395.03 (for at least 3 hours, must have senior standing) and presenting honors thesis at honors symposium.
- All majors are required to take 4 courses from the following: PSY 301 (or 302 or 303) 320, 326 (or 327), 333 (or 360), 334, 350, 361 (or 366 or 368 or 369), 363 (or 367), 364, 365.
- 9 hours of additional PSY electives (at least 3 hours of which must be taken at the 200- or 300-level) are required (10 hours are required if a 3-hour course is transferred for PSY 111).
- Students may not register for more than 15 hours of any combination of the following courses: PSY 287, 290, 291, 299, 390, 391, 398, or IDS 395.03.
- Not more than 13 hours of 100-level Psychology courses, or Psychology courses transferred from community colleges, may count toward the major.

MINOR IN PSYCHOLOGY

- 2.50 GPA with 12 hours completed at Illinois State University to be admitted to the Psychology Minor.
- 21 hours in Psychology required, exclusive of the statistics requirement (see below).
- Required courses: PSY 110 or 111, 231, 233.
- 6 of the elective hours must be taken at the 200- or 300-level (upper division) at Illinois State or another four-year school.
- A course in statistics from: PSY 138; ECO 138; GEO 138; POL 138; MQM 100; MAT 150 or MAT 250; SOC 275, or by transfer.
- NOTE: Except for PSY/SOC 123 and PSY/SOC 131 (as electives) and SOC 275 (if used as statistics requirement), course work in Sociology, Anthropology, or Social Work does not count toward the Psychology Minor.

MINOR IN PSYCHOLOGY

For Teacher Education:

- 2.50 GPA with 12 hours completed at Illinois State University to be admitted to the Psychology Minor.
- 21 hours in Psychology required, exclusive of the statistics requirement (see below).
- Required courses: PSY 110 or 111, 231, 233.
- Select 1 course from the following: PSY 131, 213.
- Select 3 courses from the following: PSY 320, 333 (or 360), 334, 361, 363 (or 367), 364, 365, 366 (or 368 or 369).
- A course in statistics from: PSY 138; ECO 138; GEO 138; POL 138; MQM 100; MAT 150 or MAT 250; SOC 275, or by transfer.
- NOTE: Except for PSY/SOC 131 (as an elective) and SOC 275 (if used as statistics requirement), course work in Sociology, Anthropology, or Social Work does not count toward the Minor in Psychology for Teacher Education.
- Complete Teacher Certification requirements.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercise
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Psychology Courses

110 FUNDAMENTALS OF

PSYCHOLOGY MC-IS 3

ENG 101 or COM 110 req or conc reg req. Not for cr if had PSY 111. Students may be expected to participate in experiments. Not for cr in PSY maj. May not be taken under the CT/NC option. Formerly EXPLAINING HUMAN BEHAVIOR.

A review and critical analysis of psychology's most influential explanations of human behavior.

111 INTRODUCTION TO PSYCHOLOGY 4

PSY maj only. Students may be expected to participate in studies. May not be substituted for PSY 110. Formerly GENERAL PSYCHOLOGY.

Introduction to the discipline of psychology as the scientific study of behavior with emphasis on theory, methodology, and applications.

123 HUMAN SEXUALITY

3

SOC 106 or PSY 110 or 111 rec. Not for cr if had SOC 123.

Basic psychological, socio-cultural, and physiological elements of human sexuality.

131 SOCIAL PSYCHOLOGY MC-IS 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as SOC 131.

Scientific study of ways individuals think, feel, and behave in a group setting; research methods, attitudes, social cognition, and interpersonal relations.

138 REASONING IN PSYCHOLOGY USING STATISTICS MC-OR

MAT 120 or 145 req. May not be taken under the CT/NC option. Formerly SOCIAL SCIENCE REA-SONING USING STATISTICS. Not for cr if had PSY 240; ECO 138; GEO 138; POL 138 or MQM 100.

Introduction to descriptive and inferential statistics. Includes use of the *Statistical Package for Social Sciences (SPSS)* on laboratory computers.

200 CAREERS IN PSYCHOLOGY

PSY 110 or 111 or cons inst req. PSY maj only.

Careers in Psychology and in other fields utilizing a Psychology Major.

213 LIFESPAN DEVELOPMENT OC-SS 3

ENG 101 and COM 110 req. PSY 110 or 111 req. Not for cr if had PSY 112, 113, 301, 302, or 303. Formerly PSY 113 DEVELOPMENT THROUGH THE LIFE SPAN.

A critical examination of human psychological constancy and change throughout the life span, with special emphasis on biological, social, and cultural influences.

215 EDUCATIONAL PSYCHOLOGY

PSY 110 or 111 reg. Teacher Ed Maj only. Incl Clin

Exp: Type 1.

Application of psychology to education covering human learning in school settings, evaluation and measurement of learning outcomes, developmental factors and learning, and social factors of learning.

230 BUSINESS AND INDUSTRIAL PSYCHOLOGY

PSY 110 or 111 req.

Behavioral factors related to business and industry. Personnel practices, individual-group interaction, leadership and morale, fatigue and safety, and consumer behavior.

231 RESEARCH METHODS IN

PSYCHOLOGY

. . .

3

PSY 110 or 111 req. ECO 138 or GEO 138 or MAT 150 or MQM 100 or POL 138 or PSY 138 or equiv req or conc reg. ENG 145 rec. Formerly EXPERIMENTAL PSYCHOLOGY.

Scientific inquiry and research in psychology with emphasis on experimental methodology and application of principles through laboratory experimentation and demonstration.

233 PSYCHOLOGY OF

PERSONALITY

OC-SS 3

Inner Core; PSY 110 or 111 req. Not for cr if had PSY 232 PERSONALITY. Formerly THE PERSON IN SOCIETY.

Critically examines psychology's most influential theories regarding the nature of persons, including psychoanalysis, behaviorism, cognitivism, and biological theory.

287 INDEPENDENT STUDY

1-6

Max of 6 hrs may be applied toward graduation. Cons dept chair and supervisor req.

Intensive work in a special area of the student's interest. Each individual project is to culminate in a comprehensive written report or examination. Open only to students who are not on academic probation and who have demonstrated an ability to profit from independent study.

290 SPECIAL PROJECTS: RESEARCH APPRENTICESHIP

1-3

2.00 GPA; cons dept chair and inst req. May repeat max 9 hrs. Formerly 290.01.

Work on a faculty member's research project with faculty member.

291 SPECIAL PROJECTS: UNDERGRADUATE TEACHING 1-3

2.20 GPA; cons dept chair and inst req. May repeat max 9 hrs. Formerly 290.02

Work with a faculty member assisting in classroom instruction.

299 INDEPENDENT HONOR STUDY 1-6

Open only to students who have achieved superior academic records and who have demonstrated an ability to profit from independent study. Max of 6 hrs may apply toward graduation. Cons inst, dept chair, and Dir of Honors req.

Intensive work in a special area of the student's major or minor. Each individual project is to culminate in a comprehensive report or examination.

301 DEVELOPMENTAL PSYCHOLOGY OF CHILDHOOD

PSY 110 or 111 req.

Motor, cognitive, and emotional development and personality growth of children, birth through pre-adolescence.

302 DEVELOPMENTAL PSYCHOLOGY OF ADOLESCENCE 3

PSY 110 or 111 req.

Psychosocial issues of identity, autonomy, intimacy, sexuality, and achievement are covered across developmental contexts for adolescents experiencing fundamental biological, cognitive, and social changes.

303 ADULT DEVELOPMENT

AND AGING

3

3

PSY 110 or 111 req.

A study of physical, cognitive, and personality development during adulthood, with emphasis on theories, empirical data, research methods, and current issues.

305 PSYCHOLOGY OF WOMEN 3

PSY 110 or 111 reg.

Psychological research to place in scientific perspective the etiology and behavioral consequences of female- and maleoriented attitudes.

320 HISTORY AND SYSTEMS OF PSYCHOLOGY

3

3

PSY 110 or 111 req.

Historical antecedents of modern psychology. Examination of modern psychology from a systematic point of view.

326 INTERNATIONAL PSYCHOLOGY

PSY 110 or 111 req.

History, current status, and future directions of scientific and professional psychology applied to contemporary global issues.

327 TOPICS IN PSYCHOLOGY AND DIVERSITY

3

PSY 110 or 111 reg.

Psychological research that focuses on culture, ethnicity, gender, or other aspects of diversity.

331 LABORATORY IN RESEARCH METHODS FOR PSYCHOLOGY

PSY 110 or 111; PSY 231 req.

PSY 138 and 231, or cons inst req. PSY maj only. May be repeated if content different. Formerly STUDIES IN EXPERIMENTAL PSYCHOLOGY. Materials charge optional for some topics.

Cognitive processes and their relationship to other processes. Relationship of sensation, attention, and memory to perception and factors influencing perception.

3

3

Advanced research course focusing on particular content areas. Sections concentrate in different areas: .01 Developmental, .03 Operant Behavior, .04 Perceptual, .05 Social, .07 Cognitive Processes, .09 Physiological, .11 Personality.

363 PHYSIOLOGICAL PSYCHOLOGY 3

PSY 110 or 111: PSY 231: and BSC 101 or equiv or

cons inst req.

361 PERCEPTION

Neurophysiological and biochemical substrates of behavioral processes including sensori-motor, perceptual, motivational, emotional, and intellectual behaviors.

333 PRINCIPLES OF BEHAVIOR MODIFICATION

364 MOTIVATION

PSY 110 or 111; PSY 231 reg.

PSY 110 or 111 req.

Evolution of basic concepts leading to contemporary explanation of determiners of action with application to vocational, social, and educational areas.

Principles of behavior modification with an emphasis upon their use in a variety of educational and clinical settings.

365 DYNAMICS OF SOCIAL BEHAVIOR 3

PSY 131 or SOC 131 reg.

An overview of the explanations for various aspects of social behavior, e.g., interaction, attitudes, person perception, etc.

334 PSYCHOLOGICAL MEASUREMENT 3

PSY 110 or 111; ECO 138 or GEO 138 or MAT 250 or MAT 351 or MQM 100 or POL 138 or PSY 138 or cons dept req.

The use of psychological testing in applied settings and fundamentals of measurement theory including interpretation of test scores, reliability and validity assessment, and test development.

366 COGNITIVE PSYCHOLOGY

PSY 110 or 111; PSY 231 req.

Information processing analysis of perception, attention, memory, language, and thinking.

340 STATISTICS FOR THE SOCIAL SCIENCES

3

PSY 138 and MAT 120 or 121 or 144 or 145 req. Not for cr if had PSY 240 or PSY 345. PSY maj only.

Advanced statistical techniques for the behavioral sciences including hypothesis testing, inferential statistics, and data analysis using SPSS.

367 INTRODUCTION TO BEHAVIORAL PSYCHOPHARMACOLOGY

PSY 110 or 111; PSY 231; BSC 101 or 196 req; PSY 363 rec. Foundation concepts of behavioral psychopharmacology including basic brain anatomy and physiology, neural mechanisms of drug action, and examination of drug action and behavior.

346 PSYCHOLOGY OF EXCEPTIONAL CHILDREN

.

PSY 110 or 111 req. May Incl Clin Exp: Type 1.

A study of the socio-psychological factors influencing the exceptional child's cognitive and affective development with

368 HUMAN MEMORY

PSY 110 or 111; PSY 231 req.

Basic theories and findings in the study of human memory with a focus on organization, development, distortions, and disorders.

347 BEHAVIOR DISORDERS IN CHILDREN

3

PSY 110 or 111 reg.

Medical, psychological, and sociological aspects of behavioral disorders of children.

implications for those working with exceptional children.

369 PSYCHOLINGUISTICS

3

3

3

Basic theories and findings in the study of the psychological processes of language use.

350 PSYCHOPATHOLOGY

3

PSY 110 or 111 req.

Behavior disorders, neuroses, psychoses, character disorders, mental deficiencies, and other psychopathological conditions.

375 PERSONNEL PSYCHOLOGY

PSY 110 or 111: PSY 231 rea.

PSY 230 or 334 or cons inst req.

Procedures, methods, and professional issues relevant to matching job candidates' personal attributes to the requirements of specific jobs; emphasis is on personnel selection, training, and EEO legal compliance.

351 CLINICAL APPLICATIONS OF PSYCHOLOGY

3

PSY 350 or conc reg req.

Introduction to the application of psychological principles in the professional practice of psychology in community and school settings.

376 ORGANIZATIONAL PSYCHOLOGY 3

PSY 230 or cons inst req. Not for cr if had MQM 221 or 421. Research methods and results concerning social psychology of work organizations. Descriptions of practices in organizational psychology.

360 LEARNING

3

PSY 110 or 111; PSY 231 req.

Experimental data bearing on the problem of learning; learning theory; learning data and theory in relation to applied problems.

390 ADVANCED RESEARCH APPRENTICESHIP

3

PSY 290 for 3 hrs; cons of dept chair and inst req. Sr standing; PSY maj only; 2.00 GPA.

Intensive work on a research project with a faculty member, culminating in a final paper or presentation.

391 SCHOLARSHIP OF TEACHING AND LEARNING APPRENTICESHIP

3

Sr standing; PSY maj only; 2.20 GPA; PSY 291 for 3 hrs; cons dept chair & inst req.

Intensive work with a faculty member on the Scholarship of Teaching and Learning, culminating in a final paper or presentation.

392 SENIOR SEMINAR

3

Sr standing; PSY maj only.

A capstone course for PSY majors featuring in-depth study of selected topics. Consult department for specific content of each section.

395 PROFESSIONAL PRACTICE SEMINAR

3

Sr standing; PSY maj only. PSY 398 conc reg for 3 hrs; cons dept chair req.

Research application seminar focusing on utilizing the science of psychology in specific community settings.

398 PROFESSIONAL PRACTICE: PSYCHOLOGY

1-3

PSY maj only; 15 hrs in PSY; jr/sr standing; 2.20 GPA; cons of dept req. May repeat up to max 9 hrs total.

SOCIAL WORK (SWK) 465

313 Rachel Cooper, (309) 438-3631

Web address: www.socialwork.ilstu.edu Email address: socialwork@ilstu.edu

Director: Wanda Bracy.

Tenured/Tenure-track Faculty:

Professors: Howard.

Associate Professors: Bracy, Campbell, Frank, Hamilton,

Liechty, Raines, Wehrmann, Zosky. Assistant Professors: Harris, Houston.

General School Information

Admission Requirements:

Students may declare a major in the School of Social Work upon admission to the University or with permission of the School. All internal transfers (coming from general student status or some other declared major) must meet the following requirements:

- Achievement of a cumulative 2.50 GPA at Illinois State University.
- 2. Grade of C or better in any major required course taken at Illinois State University or a transferred equivalent.
- 3. Completion of appropriate application and interview by the undergraduate advisement coordinator.
- NOTE: The School of Social Work reserves the right to maintain a balanced enrollment. This may restrict the numbers of freshmen, transfer students, and internal transfers who wish to be Social Work majors.
- NOTE: Most Social Work courses are restricted to Social Work majors.

- NOTE: The School does not offer a minor in Social Work.
- NOTE: Only Social Work students may take required courses. Academic credit for life experience and/or previous work experience is not given, in whole or in part, in lieu of any social work course.

All Social Work majors must also be formally admitted to the program. The admission process is a prerequisite for taking any 300-level Social Work course. In order to be formally admitted, students are required to make formal application before their enrollment in SWK 223. To be accepted, students must have satisfied the following requirements:

- 1. At least 30 hours of credit with a minimum 2.50 over-
- 2. Grade of C or better in all courses required for the major;
- Successful completion of at least 25 pre-approved hours of volunteer or paid work experience in an appropriate social service agency within the past 2 years.

Exemptions from the grade point requirement may be made for students who demonstrate potential for academic success in Social Work. Exceptions are granted upon the recommendations of the Social Work Admission Committee and the Director or designee of the Social Work program.

Retention Requirements:

The School reserves the right to enforce professional standards of practice as specified in Section 6369 of the Clinical Social Work and Practice Act. These standards may be taken into consideration in decisions related to program retention. Additionally, students must maintain a cumulative grade point average of 2.50 and a grade of C or better in all major required courses to proceed into SWK 398.10 Professional Practice: Field Instruction I and SWK 394 Field Instruction Seminar I. Students have the right to appeal these decisions.

HONORS IN SOCIAL WORK

The School of Social Work offers honors work for superior students majoring in Social Work. In order to qualify, the student must be a member of the University Honors Program, have completed a minimum of 12 hours for honors credit, and achieve a cumulative University GPA of 3.30 or better, and have a GPA of 3.50 or better in Social Work. Students pursuing this option should contact the Social Work Undergraduate Advisement Coordinator.

Social Work Program

Degrees Offered: B.S.W.

MAJOR IN SOCIAL WORK

 69 hours required, including 15 hours in foundation courses and 54 hours in Social Work core courses.

- 15 hours required in Social Work foundation courses: SWK 170; one human biology course (BSC 145, 101, or 181); one statistics course (either ECO 138, GEO 138, POL 138, PSY138 or SOC 275); one sociology course (SOC 111, 112, 123 or SOC/PSY 131); and PSY 350.
- 54 hours required in Social Work courses: 222, 223, 225, 310, 315, 325, 326, 329, 336, 337, 345, 394, 395, 398.10, and 398.11, and one elective course (may be outside of the department) with advisor approval that furthers the individualized interest of the student in an area of social work.
- Additionally, students pursuing a Bachelor of Social Work degree must choose from one of the following options:
 - One additional three hour course in the natural sciences, mathematics, statistics, or technology beyond those required for General Education.
 - Successful completion of LAN 115 or the equivalent.
 - Successful completion of SPA 301.

Fall Semester - First Year

SWK 223 - Human Behavior I

SWK 310 Practice with Diverse Populations

Approved elective course

- Suggested electives: CJS 101, 102; C&I 312; COM 223;
 ECO 103; FCS 224; IDS 111; ITK 140; TEC 175; MAT 111; PHI 138; POL 105, 215, 238; PSY 123, 213, 233, 301, 302, 333, 347; SED 109; SOC 106, 108, 111, 112, 123, 240, 260, 262, 263, 332, 342, 366; SWK 125, 323, 324, 330; WGS 120; or other relevant courses selected in consultation with the school's Undergraduate Advisement Coordinator.
- The Baccalaureate Degree in Social Work is accredited by the Council on Social Work Education. The principal educational goal is to prepare students for beginning generalist social work practice.

Special Certificates:

Women's and Gender Studies Minor and Graduate Certificate: This program has been designed for students

who wish to enhance the Social Work major by integrating a working knowledge of gender issues with the generalist BSW degree.

Child Welfare Certificate: This special certification is available to social work majors who wish to practice within the child welfare field in the State of Illinois.

Gerontology Certificate and Minor: This special program has been designed for students who wish to enhance the social work major by integrating a working knowledge of gerontological issues with the undergraduate social work degree.

Students interested in any of the above programs should contact the School of Social Work Undergraduate Advisement Coordinator.

Social Work Courses

125 BUILDING HEALTHIER COMMUNITIES THROUGH COMMUNITY INVOLVEMENT OC-SS 3

Inner Core reg.

Study of social issues with emphasis on rebuilding healthier communities, including an experiential service learning component.

170 INTRODUCTION TO

SOCIAL WORK

3

Formerly INTRODUCTION TO GENERALIST SOCIAL WORK.

Survey of contemporary social work from a generalist perspective.

211 SOCIAL GERONTOLOGY

3

SOC 106 or PSY 111 rec; 45 hrs or cons inst req. Also offered as SOC 211.

Process and consequences of aging; interplay between social and social-psychological forces and the aged population in society.

222 CONTEMPORARY SOCIAL WELFARE POLICY

3

SWK 223, 310, 325, 326 req.

Descriptive, analytical, and critical analysis of social welfare programs, policies, and issues.

223 HUMAN BEHAVIOR IN THE SOCIAL ENVIRONMENT I

3

SWK foundation courses req (See Major in Social Work); PSY 350 or conc reg req. Conc reg SWK 310, 325, 326. Maj only; jr standing.

The integration of major concepts from the social and behavioral sciences in terms of their relevance for micro social work practice.

225 HUMAN BEHAVIOR IN THE SOCIAL ENVIRONMENT II

SWK 223, 310, 325, 326 reg.

3

The integration of major concepts from the social and behavioral sciences in terms of their relevance for macro social work practice.

310 PRACTICE WITH DIVERSE

POPULATIONS

SWK foundation courses req (See Major in Social Work); PSY 350 or conc reg req. Conc reg SWK 223, 325, 326. Maj only; jr standing.

Examines the impact of discrimination and oppression on the development and delivery of social work services to diverse populations.

311 ISSUES IN GERONTOLOGY

3

SOC/SWK 211 or cons inst req; 75 hrs or cons inst req. Also offered as SOC 311.

Advanced treatment of selected subjects in gerontology.

315 SOCIAL WORK RESEARCH

.

SWK 222, 225, 329, 336 req. Maj only or cons dept advisor.

Application of theories and skills of research to social work practice with individuals, families, groups, communities, and organizations.

323 CHILD WELFARE SERVICES

3

SWK 222 rec or SED or FCS maj. Rec before SWK 398.10 if student wishes placement in a child-serving agency.

Services for dependent, neglected, abused, and handicapped children and their families.

324 TOPICS IN CHILD WELFARE

3

SWK 323 or cons inst req.

Presentation and analysis of current child welfare topics and the role of the profession of social work.

325 GENERALIST PRACTICE I: INDIVIDUALS

3

SWK foundation courses req (See Major in Social Work); PSY 350 or conc reg req. Maj only; jr standing. Conc reg SWK 223, 310, 326 req. Formerly GENERALIST SOCIAL WORK PRACTICE WITH INDIVIDUALS.

Introduction to generalist social work practice with an emphasis on working with individuals.

326 PRACTICE SKILLS

LABORATORY

3

SWK foundation courses req (See Major in Social Work); PSY 350 or conc reg req. Maj only; jr standing. Conc reg SWK 223, 310, 325 req. Formerly SOCIAL WORK SKILLS LABORATORY.

Lab course which teaches interpersonal social work practice skills.

329 PREPARATION FOR PROFESSIONAL PRACTICE

3

SWK 223, 310, 325, 326 req.

An educationally focused community service experience and seminar that emphasizes socialization of students to the profession of social work.

330 TOPICS IN CONTEMPORARY SOCIAL WORK AND SOCIAL WELFARE

1-3

Cons inst req. May be repeated; max 6 hrs.

Analysis of current social welfare topics and the role of the profession of social work.

336 GENERALIST PRACTICE II:

FAMILIES

3

SWK 223, 310, 325, 326 req. Not for credit if had SWK 335.

Introduces students to the social work knowledge and practice skills necessary to effect change and growth in struggling families.

337 GENERALIST PRACTICE III:

GROUPS

3

SWK 222, 225, 329, 336 req. Not for credit if had SWK 335.

Expands the theoretical foundation and practice methodology by focusing specifically on knowledge and skills to effect change in small groups.

345 GENERALIST PRACTICE IV:

COMMUNITIES

3

SWK 315, 337, 394, 398.10. Formerly GENERALIST SOCIAL WORK PRACTICE WITH COMMUNITIES.

Social work practice with neighborhoods, communities, and human service agencies, including program planning, administration, supervision, and evaluation.

394 FIELD INSTRUCTION

SEMINAR I

2

SWK 222, 225, 329, 336; conc reg SWK 398.10; Sr standing and formal adm to SWK maj req. Maj only. Not for credit if had SWK 396.

Taken with the field practicum, this seminar facilitates students' initial integration of generalist practice knowledge with practice in a field agency.

395 FIELD INSTRUCTION

SEMINAR II

2

SWK 315, 337, 394, 398.10; conc reg SWK 398.11 req. Not for cr if had SWK 396.

Taken with the field practicum, this seminar facilitates students' integration of generalist practice knowledge with practice in a field agency.

398.10 PROFESSIONAL PRACTICE:

FIELD INSTRUCTION I

7

SWK 222, 225, 329, 336; conc reg SWK 394 req. CR/NC only. Materials charge optional. Formerly PROFESSIONAL PRACTICE: SOCIAL WORK FIELD INSTRUCTION I.

Supervised field instruction and practice in social work methods with individuals, groups, and communities in a social welfare agency.

398.11 PROFESSIONAL PRACTICE:

FIELD INSTRUCTION II

7

SWK 315, 337, 394, 398.10; conc reg SWK 395 req. CR/NC only. Formerly PROFESSIONAL PRACTICE: SOCIAL WORK FIELD INSTRUCTION II.

Advanced supervised field instruction and practice in social work. Setting usually the same as in SWK 398.10 but experiences are more diverse and complex.

SOCIOLOGY - ANTHROPOLOGY

332 Schroeder Hall, (309) 438-8668 Web address: www.lilt.ilstu.edu/soa/

Chairperson: Nick Maroules.
Tenured/Tenure-track Faculty:

Sociology: Distinguished Professor: Stivers.

Professors: Leonard, McKinney, Sprecher, Toro-Morn. Associate Professors: Beck, Bjorklund, Brown, Gerschick,

Gill, Maroules, Willetts, Wortham.

Assistant Professors: Brehm, Burr, Pitluck, Schmeeckle,

Sullivan, Thomas.

Anthropology: Distinguished Professor: Orser.

Professors: Skibo, Stanlaw.

Assistant Professor: Adachi, Bessa, Scott.

General Department Information

INTERDISCIPLINARY MINORS

The Department of Sociology/Anthropology participates in a number of interdisciplinary minors at the University. Course work offered by the Department contribute to the following minors: African-American Studies, Cognitive Science and Urban Studies. For further information on any of these minors and their advisors, please consult the University-Wide Curriculum section in this *Undergraduate Catalog*.

HONORS IN SOCIOLOGY

The Sociology Department offers honors work for students who are academically talented and majoring in Sociology. To qualify, the student must be in the University Honors program and have a 3.30 overall GPA and a 3.50 GPA in Sociology coursework. In addition, the student must complete 12 hours of honors coursework in Sociology. Contact the departmental advisor for details on these requirements.

Sociology Programs (SOC) 466

Degrees Offered: B.A., B.S

Academic Requirements:

To graduate with a Sociology Major, students must earn a grade of C or better in SOC 106 and in each of the 6 required upper-level courses, SOC 206, 270, 271, 275, 292, and 300.

Concentrations:

The Sociology program has identified several departmental concentrations that can be useful in planning the student's academic program. Students majoring in Sociology may elect (but are not required to elect) a concentration in Health and Aging; Social Inequality and Stratification; Deviance; Technology, Organizations, and Occupations; Social-Psychology and Social Interaction; and Community/Demography. Selecting a concentration is helpful for focusing on specific career objectives.

- Health and Aging: Courses required for major plus SOC 211, 212, 310 and 311.
- Social Inequality and Stratification: Courses required for major plus SOC 111, 260, 264, 341.
- Deviance: Courses required for major plus SOC 108, 263, 365, and 367.
- Technology, Organizations, and Occupations: Courses required for major plus SOC 175, 255, 352.
- Social-Psychology and Social Interaction: Courses required for major plus SOC 131, 262, and 331.
- Community/Demography: Courses required for major plus SOC 240, 361, 362, and POL 335.

(Independent Study, SOC 287, may be substituted in certain circumstances to satisfy one of the electives in the above concentrations). **NOTE:** For further information see the Sociology undergraduate advisor.

MAJOR IN SOCIOLOGY

Admission to the Sociology Major may be affected and restricted by the lack of available Department resources in times of oversubscription.

Ordinarily students will need a minimum of four semesters of college work left to satisfy the sequencing requirements of the six upper level required courses.

- 37 hours in Sociology and 6 hours in Anthropology required.
- Required courses: SOC 106, 206, 270, 271, 275, 292, 300, and electives to complete 37 hours (no more than 9 hours of 100-level Sociology electives will count in the major); at least 6 additional hours in Anthropology. No Anthropology course may be counted toward the 37 hours of Sociology courses required for the major.
- NOTE: One of the following Sociology offerings for General Education may count toward both the major and the General Education program requirements: SOC 108, 111, 112, 131, or 240.

MINOR IN SOCIOLOGY

- 18 hours in Sociology required.
- Required course: SOC 106. No Anthropology course may be counted toward the 18 hours in Sociology required for the minor.

MINOR IN SOCIOLOGY

For Teacher Education:

- 24 hours required.
- Required courses: SOC 106. No Anthropology course may be counted for the 18 hours in Sociology required for the minor. Other suggested course work may include SOC 123, 211, 262, 264.
- 18 hours in Sociology required, and an additional 6 hours in Social Sciences.

MINOR IN GERONTOLOGY

Interdisciplinary Minor:

For further information contact the Gerontology Coordinator, Department of Sociology - Anthropology.

- 21 hours required.
- Required courses (9 hours): SOC/SWK 211; PSY 303; FCS/HSC 394.
- Electives (12 hours) approved by the Gerontology Committee. Students without direct work or extensive volunteer experience with older persons will be advised to register for approved Professional Practice (SOC 398.01, 3-6 hours) as a part of the elective requirement. Other electives include but are not limited to: SOC 212, 310, 311; COM 331; FCS 305.

HONORS IN ANTHROPOLOGY

In order to graduate with Departmental Honors in the Anthropology Program, the student must meet all university graduation requirements for the major. In addition, the student must meet the following requirements: (1) have a minimum cumulative overall GPA of 3.30; (2) have earned a 3.50 GPA in Anthropology coursework; (3) complete at least 12 hours of Honors coursework in Anthropology including at least 3 semester hours of ANT 299 Honors Independent Study (Typically, with the exception noted in item 4, the rest of the required Honors hours will be In-Course Honors work in regular Anthropology courses of the student's choosing); and (4) Honors students may enroll in IDS 395.06 Honors Thesis: Anthropology instead of ANT 382 Anthropology Senior Thesis. Contact the Anthropology Program Coordinator if you have any questions about these requirements.

Anthropology Programs (ANT) 464

Degrees Offered: B.A., B.S

MAJOR IN ANTHROPOLOGY

- Minimum of 36 hours in Anthropology required.
- Required courses (21 hours): ANT 100, 274, 277, 281, 286, 380, 382.
- Electives (15 hours):
 - Four courses to be chosen from each of the 4 subfields of Anthropology (i.e., at least 1 course each of the 4 following groups):

Biological Anthropology: ANT 288, 290, 306, 383, 387

Archaeology: ANT 181, 283, 301, 306, 381, 383, 386, 388, 392.

Cultural Anthropology: ANT 270, 272, 273, 279, 285, 294, 295, 289.03, 306, 383.

Linguistic Anthropology: ANT 143, 294, 306, 342, 383. (One 3-hour elective to be chosen from any other Anthropology offering at the 300-level.)

 NOTE: Students will be advised in individual consultation to take a number of supporting courses in cognate disciplines. The program in cognates may emphasize either the social sciences or the natural sciences, reflecting the student's primary interest in biological anthropology, cultural anthropology, archaeology, or linguistics. Cognate course may count toward the required 4 subfield electives with consent of the program coordinator or the student's anthropology advisor. All anthropology majors are strongly encouraged to take SOC 275 as part of their undergraduate curriculum. No Sociology courses may be counted toward the 36 hours in Anthropology required for the major.

MINOR IN ANTHROPOLOGY

- 18 hours in Anthropology required.
- Required course: ANT 100.
- At least 9 hours must be at the 200-level or higher.
- NOTE: Additional Anthropology electives will be recommended on an individual basis. No Sociology course may be counted toward the 18 hours in Anthropology required for the minor.

MINOR IN ANTHROPOLOGY

For Teacher Education:

Requirements are the same as Minor in Anthropology.

Sociology Courses (SOC)

106 INTRODUCTION TO SOCIOLOGY

Structure and dynamics of human society. Concepts of culture, socialization, stratification, collective behavior, family, minority relations, population, crime.

108 CONTEMPORARY SOCIAL PROBLEMS IN GLOBAL

PERSPECTIVE

MC-IS

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Not for cr if had SOC 107.

Examination of social problems dealing with gender, ethnicity, stratification, and global competition utilizing interdisciplinary, sociological, and global perspectives.

109 INTRODUCTION TO U.S. LATINA/O STUDIES MC-UST 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Formerly 189.15. An interdisciplinary introduction to the migration, work, and community experiences of U.S. Latino/Latina immigrants and their descendants.

111 AMERICAN DIVERSITY: CONTESTED VISIONS OF THE UNITED STATES EXPERIENCE MC-UST 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as HIS 111.

Study of major events in United States history from the perspectives of race, gender, ethnicity, and class.

112 AMERICAN FAMILY: CHANGE AND DIVERSITY MC-UST 3

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option. Also offered as

Historical and comparative exploration of activities of family formation, maintenance, and reconfiguration in America. Emphasis on issues of diversity.

123 HUMAN SEXUALITY

SOC 106 or PSY 111 or 110 rec. Not for cr if had PSY 123. Basic psychological, socio-cultural, and physiological elements of human sexuality.

131 SOCIAL PSYCHOLOGY MC-IS

ENG 101 or COM 110 reg or conc reg reg. May not be taken under the CT/NC option. Also offered as PSY

Scientific study of way individuals think, feel, and behave in a group setting; research methods, attitudes, social cognition, and interpersonal relations.

175 LIVING IN A TECHNOLOGICAL WORLD MC-IS

ENG 101 or COM 110 reg or conc reg reg. Also offered as TEC 175. May not be taken under the CT/NC option.

Interdisciplinary course that analyzes social change through the lens of technology.

206 SOCIOLOGICAL INQUIRY

SOC mai only. C or better in SOC 106 rea. In-depth introduction to sociological thought and inquiry.

211 SOCIAL GERONTOLOGY

SOC 106 or PSY 111 rec; 45 hrs or cons inst req. Also offered as SWK 211.

Process and consequences of aging; interplay between social and social-psychological forces and the aged population in society.

212 SOCIOLOGY OF DEATH

SOC 106 or PSY 111 rec: 45 hrs or cons inst rea. Complexities of death-related behavior in modern societies; sociological and social-psychological viewpoints; theoretical and pragmatic implications.

240 PEOPLE IN PLACES: UNDERSTANDING AND DEVELOPING COMMUNITY OC-SS

Inner Core req. MC-IS category req.

Analysis of how external forces affect communities and their residents; understanding how people create community; rural-urban differences.

255 SOCIOLOGY OF WORK AND **OCCUPATIONS**

SOC 106 req; 45 hrs or cons inst req. Sociological principles applied to the social institution of work.

260 SOCIAL STRATIFICATION

SOC 106 rec; 45 hrs or cons inst reg.

Theories and character of social class systems, differential class behavior, mobility, power relationships, and caste and estate systems.

262 MARRIAGE AND THE FAMILY

3

SOC 106 rec; 45 hrs or cons inst reg.

Sociological and social psychological examination of the patterned and dynamic aspects of marital and family relationships.

263 DEVIANT BEHAVIOR

3

SOC 106 rec; 45 hrs or cons inst req.

Causes, societal response and control of deviant behavior. Definition of deviant acts, stigmatization, and the process of reabsorbing deviants.

264 MINORITY RELATIONS

3

SOC 106 rec; 45 hrs or cons inst req.

Racial, national, religious minorities, and women. Patterns of discrimination and prejudice, and change in intergroup relations.

265 PERSONAL RELATIONSHIPS

SOC 106 or PSY 110 or PSY 111 rec; 45 hrs or cons

Introductory course on theory, research, and methods in the study of a variety of social and personal relationships.

268 SOCIOLOGY OF RELIGION

SOC 106 rec; 45 hrs or cons inst reg.

Functions and origins of religion; impact of religion on individual, society, and culture: social forces affecting religion.

270 HISTORY OF SOCIOLOGICAL THOUGHT

3

C or better in SOC 106 and 206 req. Maj only or cons dept advisor req.

Analysis and appraisal of classical works in sociology from mid-19th century to the present.

271 INTRODUCTION TO SOCIOLOGICAL RESEARCH

3

C or better in SOC 106 and 206 req. Maj only or cons dept advisor req.

Convergence of theory and research; design of inquiry, measurement, survey design, data collection, analysis, and interpretation. Research projects are part of the course.

275 SOCIAL STATISTICS

MAT 120, 130, 150 or PSY/ECO/GEO/POL 138 or MQM 100 req. C or better in SOC 106 and 206, Maj only or cons dept advisor rea.

Application and interpretation of basic descriptive and inferential statistics used in behavioral research. Non-parametric and parametric statistics are considered.

292 CAREERS FOR SOCIOLOGY MAJORS 1

C or better in SOC 106 and 206 req. Major only or cons dept advisor req. Formerly 289.39.

Acquaints students with career opportunities and relates Sociology skills learned to those needed in various career situations. Includes instruction on job placement skills.

295 SOCIOLOGY OF CULTURE

3

Formerly SOC 289.40.

Analysis of cultural forms such as mass media, art, music theatre, popular culture, fashion, and architecture and their relationships to various social structures.

300 SENIOR EXPERIENCE IN SOCIOLOGY

Maj only and sr standing req. C or better in SOC 106, 206, 270, 271, 275 and 292 reg. Conc reg allowed for SOC 270.

Capstone experience in research and writing on a sociological topic which varies with the specialization of the instructor.

310 MEDICAL SOCIOLOGY

SOC 106 rec; 75 hrs or cons inst req. Formerly SOC 210 SOCIOLOGY OF HEALTH AND MEDICINE.

Social distribution and social construction of illness; physician socialization; doctor-patient interaction; alternative medicine; structure of health care systems; biomedical ethics.

311 ISSUES IN GERONTOLOGY

3

SOC 211 or cons inst req; 75 hrs or cons inst req. Also offered as SWK 311. Materials charge optional. Advanced treatment of selected subjects in gerontology.

317 SOCIOLOGY OF SPORT

75 hrs or cons inst req. Also offered as KNR 317. The social institution of sport is examined using such socio-

logical concepts as social organization, culture, socialization, deviance, social stratification, minority groups, and collective behavior.

320 GLOBAL DEVELOPMENT AND **ECONOMIC CHANGE**

3

SOC 106 rec; 75 hrs or cons inst reg. Survey of debates and theories regarding definitions, means, and consequences of "development" within poor- and middle-income countries; country case studies.

330 SOCIETY AND ENVIRONMENT

SOC 106 or 108 rec: 75 hrs or cons inst rea. An examination of the interactions between the social and physical environment and how social structures and individual actions impact the "natural world."

331 SELF AND SOCIETY

SOC 106 rec; 75 hrs or cons ins req. Not for cr if had SOC 332. Formerly SOC 332 SMALL GROUPS.

Analysis of the micro-level relationships between the individual and society. Topics include social interaction, the self, identity and emotion management.

333 POLITICAL SOCIOLOGY: POWER. **CULTURE AND CHANGE**

SOC 106 or 108 reg; 75 cr hrs or cons inst reg. Critical analysis of the institutional mechanisms and social processes through which political power is constructed, distributed, and maintained.

341 THE SOCIOLOGY OF GENDER

SOC 106 or PSY 111 rec; 75 hrs or cons inst reg. Explores the concepts, theories, and methods sociologists utilize to explain differences in the social relations between and among women and men. Individual, interactional, institutional and social change processes are examined.

352 THE SOCIOLOGY OF COMPLEX **ORGANIZATIONS**

SOC 106 reg; 75 hrs or cons inst reg.

Internal and external dimensions of complex organizations that help explain adaptation to the environment.

361 URBAN SOCIOLOGY

SOC 106 rec or cons inst req; 75 hrs or cons inst req. Urban structure and dynamics stressing human ecological theories, power, and cultural forces affecting architecture and social interaction.

362 POPULATION

SOC 106 rec; 75 hrs or cons inst req. Formerly SOC 267. Dynamics of population size and change, including fertility, mortality, migration, composition, spatial distribution, family, and relation to resources in the United States and the world; application and policy implications.

365 JUVENILE DELINQUENCY

3

75 hrs or cons inst req.

Delinquency as a social and legal problem; theories of delinquency, the juvenile court; prevention and treatment.

366 CONTEMPORARY SOCIAL MOVEMENTS

3

SOC 106 rec; 75 hrs or cons inst req.

Theories, methods, and research on social movements in the United States and on transnational social movements, including the women's movement.

367 CRIMINOLOGY

3

75 hrs or cons inst req.

Criminological theory and practice. Crime as a social and legal problem. The administration of justice.

375 ECONOMIC SOCIOLOGY

SOC 106 or 108 rec; 75 hrs or cons inst req. Study of historical and contemporary economic behavior, institutions, and processes. Examination of production, distribution, consumption, markets, technology, and globalization.

398.01 PROFESSIONAL PRACTICE: INTERNSHIP/COOP IN APPLIED SOCIOLOGY

SOC 271 or equiv rec; 75 hrs or cons inst req. Max 6 hrs toward SOC maj. Max 16 hrs of all 398 towards graduation. Independent experience in applying sociology in a supervised community work setting. Academic requirements include final paper for internship coordinator based on integrative research experience.

398.02 PROFESSIONAL PRACTICE: INTERNSHIP/COOP IN SOCIOLOGICAL RESEARCH

SOC 271 and 275 or conc reg req; 75 hrs or cons inst req. May be repeated once. Max 16 hrs of all 398 towards graduation.

Practical experience in the design, implementation, analysis, and reporting of social science research through surveys, secondary data analysis, demographic analysis and program evaluation in a research project, usually in cooperation with a community agency.

PROFESSIONAL PRACTICE: 398.03 INTERNSHIP/COMPUTING IN THE SOCIAL SCIENCES 1-6

SOC 271 or 275 or conc reg rec; 75 hrs or cons inst reg. Max 16 hrs of all 398 towards graduation.

Introduction to computer applications in social science disciplines. Projects assigned using WebCT format explore the social implications of computer technology in an automated world. Practical experience in maintaining a computer lab facility and tutoring social science students.

Anthropology Courses (ANT)

100 GENERAL ANTHROPOLOGY

ANT maj/min or cons inst req.

An introduction to the principal subfields of anthropology. Surveys major concepts, methods, discoveries, and their practical applications.

101 HUMAN ORIGINS OC-SS 3

Inner Core req.

Overview of the origin and evolution of the human species from the natural scientific, social scientific, and selected religious perspectives.

143 UNITY AND DIVERSITY IN LANGUAGE OC-SS 3

Inner Core reg. Also offered as ENG/LAN 143.

Introduction to the disciplined study of human language as it reflects human cognition, social relations, cultural conventions, and speech communities.

175 CROSS-CULTURAL PERSPECTIVES ON CONTEMPORARY HUMAN PROBLEMS MC-IS

ENG 101 or COM 110 req or conc reg req. May not be taken under the CT/NC option.

Overview of various contemporary human and global problems from a cross-cultural and anthropological perspective.

181 WORLD PREHISTORY

3

3

3

Survey of prehistoric human cultures from their origins to the beginning of the historic period.

185 CULTURES OF THE WORLD OC-SS 3

Inner Core req. Not for cr ANT maj.

A surveys of many of the world's societies and traditions, examined from an anthropological perspective.

270 CROSS-CULTURAL PERSPECTIVES ON WOMEN, SEX ROLES,

AND GENDER

ANT 100, 101, 143, 175, 185; WGS 120, or SOC 106 req. An examination of the position of women, their inter-relationship with men, the assignment of male and female roles, and the conceptualization of gender ideology in various societies and cultures.

272 NORTH AMERICAN INDIANS

45 hrs or cons inst req.

Comparative survey of selected historic and modern Native American cultures.

273 FOODWAYS

45 hrs or cons inst req.

Comparative study of food habits with emphasis on origins and cultural significance.

274 PRINCIPLES OF ARCHAEOLOGY 3

ANT 100, 101, 143, 175, or 185; and 45 hrs or cons inst req. Principles, methods, and techniques of locating and excavating archaeological sites, interpreting archaeological data, and reconstructing past behavior.

277 LANGUAGE AND CULTURE

3

ANT 100, 101, 143, 175, or 185; and 45 hrs or cons inst req. Examination of the social and cultural functions of language, applying anthropological linguistic models to the study of past and present cultures.

281 PRINCIPLES OF ETHNOLOGY

ANT 100, 101, 143, 175, or 185; and 45 hrs or cons inst reg.

The major aspects of sociocultural systems such as marriage, domestic organization, age grades, secret societies, and religion studied from a cross-cultural perspective using a variety of theoretical frameworks.

283 NORTH AMERICAN ARCHAEOLOGY 3

45 hrs or cons inst req.

Prehistoric cultures of North America, from late Pleistocene to the occupation of the continent by Europeans. Origin and development of cultural patterns traced; current problems examined.

285 ETHNOGRAPHY

3

45 hrs or cons inst req.

Study of the techniques used to describe cultural practices and beliefs.

286 PALEOANTHROPOLOGY 3

ANT 100, 101, 143, 175, or 185; and 45 hrs or cons inst req. Detailed survey of the principal fossil discoveries, controversies, and proposed models of human biological evolution.

288 HUMAN VARIATION

AND ADAPTATION

3

45 hrs or cons inst req. Offered odd-numbered years. Alternates with ANT 290.

Study of human population variation in terms of biological and cultural adaptations to different environments.

290 PRIMATE STUDIES 3

45 hrs or cons inst req. Offered even-numbered years. Alternates with ANT 288.

Concentrated examination of various aspects of the primates: their biology, behavior, evolution, and significance for understanding human nature.

294 JAPANESE SOCIETY AND CULTURE 3

45 hrs or cons inst req.

Examination of modern Japanese culture, social structure, and institutions from an anthropological perspective.

297 LOST CONTINENTS AND

SUNKEN CITIES

3

ANT 100 req. ANT 274 rec. Formerly FANTASTIC ARCHAEOLOGY.

Survey of the pseudo-scientific theories of the archaeological past.

301 ARCHAEOLOGICAL ANALYSIS

3

ANT 100 reg; and ANT 274 rec.

An advanced course that uses a combination of lectures and laboratory sessions to explore the methods used in the analysis of archaeological materials.

306 REGIONAL AND AREA STUDIES 1-

75 hrs or cons inst req. May be repeated if content different. Course topic determines subfield placement. Intensive study of particular lands, environments, cultures, and peoples.

342 SOCIOLINGUISTICS

3

Also offered as ENG 342.

Social significance of language variation: regional, social, ethnic dialects; attitudes towards variation. Multilingual societies, language choice, language shift, language planning.

370 ZOOARCHAEOLOGY

3

75 hrs; ANT 100, 274 req.

Foundations of zooarchaeology including identification techniques, analytical methods, and interpretation of animal bone assemblages from archaeological sites.

374 INTRODUCTION TO MUSEUM STUDIES

3

3

Jr standing and 75 hrs or cons inst req.

Examination of the history, organization, and administration of museums as well as the methods of acquisition, preservation and exhibition of artifacts.

376 THE ARCHAEOLOGY OF GENDER

ANT 100, 274 rea.

Exploration of various archaeological approaches to the interpretation of gender in past societies.

380 KEY CONCEPTS IN ANTHROPOLOGY

3

ANT 274, 277, 281, 286, and 75 hrs or cons inst req. Anthropological thought from historical, systematic and applied viewpoint; emphasis on changing content, concepts, methods of the discipline.

381 ARCHAEOLOGICAL FIELD SCHOOL

1-9

ANT 274 rec; 75 hrs or cons inst req. Materials charge optional.

Field instruction in methods and techniques of archaeological survey, excavation, preparation and preservation of materials, and record keeping.

382 SENIOR THESIS IN ANTHROPOLOGY

3

ANT 380 reg.

Intensive experience in research and writing on an individually selected topic.

383 STUDIES IN SELECTED CULTURES 3

ANT 100 and 75 hrs or cons inst req.

Culture patterns of selected areas. Topics include physical characteristics, history, social, political, intellectual life, and cultural change.

386 ARCHAEOLOGY THEORY

ANT 274 req. Formerly METHOD AND THEORY IN ARCHAEOLOGY.

Archeological method and theory from 1800 to the present, emphasizing American archaeology.

387 ADVANCED TOPICS IN PHYSICAL ANTHROPOLOGY

3

24 hrs in ANT including 286, 288, and 290 or cons inst reg. May be repeated if content different.

Intensive examination and analysis of current research questions and controversies in paleoanthropology, primatology, and human adaptation studies.

388 HISTORICAL ARCHAEOLOGY 3

ANT 274 and 75 hrs or cons inst req.

Research methods of historical archaeology reviewed, and the principles that underlie the methods examined critically.

392 ARCHAEOLOGICAL MATERIAL CULTURE

3

ANT 274 or equiv req.

Examination of the identification, meaning, and interpretation of the material culture excavated and studied by archaeologists.

398 PROFESSIONAL PRACTICE: INTERNSHIP/CO-OP IN

ANTHROPOLOGY

3-6

21 hrs in ANT; jr/sr standing; 2.50 maj GPA; cons ANT Prof Pract Coord or faculty advisor; 75 hrs or cons inst req. Max 6 hrs toward ANT maj. Max 16 hrs all 398 towards graduation.

Supervised field experience in a professional capacity in any Anthropology subdiscipline with appropriate campus, community, state, national, or international agencies, museums, institutes, organizations, or businesses.

SPEECH PATHOLOGY AND AUDIOLOGY (PAS) 472

204 Fairchild Hall, (309) 438-8643

Web address: http://www.speechpathaud.ilstu.edu

Email address: hrfritz@ilstu.edu

Chairperson: Walter J. Smoski.

Tenured/Tenure-track Faculty:

Professors: Beck.

Associate Professors: A. Bowman, Harbers, Prendergast,

Smoski.

Assistant Professors: Bailey, Friberg, Kimball, McNamara,

Sawyer.

General Department Information

MINOR IN COGNITIVE SCIENCE

The Department of Speech Pathology and Audiology participates in the degree program for the Minor in Cognitive Science. Several courses offered by the Department contribute to the minor. For further information, please consult the Department advisor as well as the section entitled "Minor in Cognitive Science" under University-Wide Curriculum in this *Undergraduate Catalog*.

HONORS IN SPEECH PATHOLOGY AND AUDIOLOGY

Honors work in communicative disorders and speech and hearing science is available to qualified students. In order to successfully complete the Departmental Honors Program, candidates must fulfill the general requirements for participation in the University Honors Program, and:

- complete all requirements for the major, earning no grade lower than B in Speech Pathology and Audiology (PAS) courses, and maintain a 3.50 GPA in PAS courses;
- complete a minimum of 9 semester hours of in-course honors work in 300-level PAS courses;
- complete an Honors Project (PAS 299) or Honors Thesis (IDS 395) for 3 semester hours.

Interested students should contact the undergraduate departmental advisor for additional details and admission procedures.

Speech Pathology and Audiology Programs

Degree Offered: B.S.

New Freshmen Admission Requirements:

Requirements are the University Admissions Standards. Refer to the Office of Admissions for more information at 1-800-366-2478 or www.IllinoisState.edu/apply.

New Transfer Admission Requirements:

Students transferring from other institutions will be considered for admission to the Major in Speech Pathology and Audiology if they have a 2.50 cumulative GPA for all college coursework attempted.

Internal Transfer Requirements (Current Illinois State students changing their major):

Students must have a minimum 2.50 GPA from at least 12 hours of Illinois State University coursework to apply. Internal transfers are also required to fill out an application and complete an essay. Applications are available in 204 Fairchild Hall. Applications for admission into the major will be reviewed between September 1 and October 1 and between February 1 and March 1. A completed application with essay should be turned into the Department Office in Fairchild Hall, room 204. Students will be contacted within two weeks from the last date of the application period regarding their status for major admission. Applications will be kept for two consecutive semesters from the date of application.

Standards for Progress in the Major:

In order to remain in the major, students must attain a 3.00 GPA in the following 3 courses: PAS 155, PAS 175 and PAS 310. An average grade below 3.00 in these courses will result in the student being dropped from the Speech

Pathology and Audiology major. Any student who falls into this category will be advised of this during a meeting with the department advisor and will be advised that to be reenrolled into the PAS major, students will need to re-enroll in the above three courses until a B average is achieved.

MAJOR IN SPEECH PATHOLOGY AND AUDIOLOGY

Speech Pathology Sequence:

- 45 hours in Speech Pathology-Audiology required.
- Required courses: PAS 155, 175, 215, 310, 316, 318, 319, 321, 332, 349, 350, 351, 352, 360.
- Professional Education requirements: C&I 210 or PSY 213; SED 101.

This is a pre-professional program designed to prepare students for practice in any setting. A master's degree in this field is needed to obtain the Type 73 School Services Personnel Certificate endorsed in Speech-Language Pathology, the Illinois License in Speech-Language Pathology, and the American Speech-Language-Hearing Association's Certificate of Clinical Competence. Copies of requirements for all of these credentials are available in the Department office. Clinical Experiences are obtained at the undergraduate and graduate levels.

CLINICAL EXPERIENCES

Clinical Experiences are provided at the Eckelmann-Taylor Speech and Hearing Clinic, in off-campus clinical teaching centers, in local schools, in campus laboratory schools, university classes, agencies and other approved non-school settings. In accordance with the American Speech Language Hearing Association, students must obtain a minimum of 25 clock hours of observation before beginning any clinical practicum experiences. These clinical experience observation hours are acquired in various undergraduate courses.

Audiology Sequence:

- 39 hours required. NOTE: Because of prerequisites or lack of prior skill, this major may require more hours than indicated.
- Required Speech Pathology and Audiology courses: PAS 115, 155, 175, 215, 310, 318, 321, 332, 349, 350, 351, 352.

This is a preprofessional program designed to prepare students for graduate study in Audiology. Upon completion of the master's degree, the student will have completed the academic and clinical requirements for the American Speech-Language-Hearing Association's Certificate of Clinical Competence in Audiology. All Clinical Experiences are obtained at the undergraduate and graduate levels.

MINOR IN SPEECH PATHOLOGY AND AUDIOLOGY

- 21 hours required.
- Required courses: PAS 155, 175, 215, 310. Electives cannot include practicum courses.
- NOTE: Students taking this minor will not qualify in this area for Illinois or American Speech-Language-Hearing Association certification.

Assessment:

Majors in Speech Pathology and Audiology are expected to participate in the assessment process as one of the requirements for an undergraduate degree in this Department.

Speech Pathology and **Audiology Courses**

115 HUMAN VERBAL DEVELOPMENT

Incl Clin Exp. Formerly INTRODUCTION TO HUMAN VERBAL DEVELOPMENT.

The study of human communication, including the anatomy and physiology of speech and hearing, with an emphasis on speech and language development in children and the role of caregivers in the acquisition process.

155 ANATOMY AND PHYSIOLOGY OF THE SPEECH AND HEARING MECHANISM

Formerly PAS 272.

Anatomic and physiologic foundation of the speech and hearing mechanism. Current physiologic theory applied to etiology of speech and hearing disorders.

175 SPEECH AND LANGUAGE DEVELOPMENT

Incl Clin Exp: 5 hrs, Type 1. Formerly PAS 320. Comprehensive study of acquisition of speech and language by children. Emphasis on first 6 years.

211 PHONETICS

Incl Clin Exp: 5 hrs, Type 1. Not for cr if had PAS 215. Sound system of American speech. Standard and non-standard variations. Articulatory and acoustic considerations. Practice in transcribing and reading phonetic symbols.

215 CLINICAL PHONETICS

PAS 155 req. Incl Clin Exp: 4 hrs, Type I. Not for cr if had PAS 211, 315.

Clinical application of the sound system of English. Phonological development. Characteristics and etiologies of articulation and phonological disorders.

310 CLINICAL NEUROLOGY

3

Formerly NEUROBASIS OF SPEECH, LANGUAGE, HEARING.

Study of neuroanatomy and physiology related to speech, language, and cognition. Aphasia, traumatic brain injury and right hemisphere disorder introduced.

316 INTRODUCTION TO ORGANIC DISORDERS OF SPEECH

PAS 310 req. Incl Clin Exp: 5 hrs, Type 1.

Speech disorders related to respiratory-laryngeal and articulatory-resonance systems and includes both diagnostic and remedial procedures for these disorders.

318 PROFESSIONAL ISSUES IN SPEECH LANGUAGE PATHOLOGY

AND AUDIOLOGY

Formerly ORGANIZATION OF SPEECH, HEARING, AND LANGUAGE PROGRAMS.

Professional attitudes, ethics, and organizations. Responsibilities in various professional settings. Program development and maintenance.

319 FOUNDATIONS OF SPEECH DISORDERS

PAS 310 reg. Incl Clin Exp: 2 hrs, Type 1. Formerly STUTTERING I.

Etiology, characteristics, and development of stuttering and motor speech disorders. Introduction to intervention strategies.

321 INTRODUCTION TO

LANGUAGE DISORDERS

PAS 175 req. Incl Clin Exp: 5 hrs, Type 1. Formerly LANGUAGE PATHOLOGY.

Introduction to the identification and remediation of language disorders in children and adolescents. Includes language analysis lab experiences.

332 THE CLINICAL PROCESS: EVALUATION AND TREATMENT

PAS 321 reg. Maj only. Incl Clin Exp: 20 hrs, Type 1. Not for cr if had PAS 330, 331.

Clinical principles and procedures for differential diagnosis and evaluation of communication disorders. Introduction to clinical techniques and management.

349 SPEECH AND HEARING SCIENCE

PAS 155 reg or cons inst. Formerly HEARING SCI-

Introduction to concepts, theories, and terminology required for an understanding of speech reception, auditory processing and speech production.

350 INTRODUCTION TO AUDIOLOGY

PAS 349 req. Incl Clin Exp: 4 hrs, Type 1.

Principles of hearing measurement: sound, human ear, test methods, hearing losses, screening methods, test interpretation.

351 INTRODUCTION TO AURAL REHABILITATION TRAINING

PAS 350 req. Incl Clin Exp: 4 hrs, Type 1. Principles of habilitation/rehabilitation of communication disorders related to hearing impairment. Visual/auditory speech signals. Amplification: function/use.

352 SIGNED ENGLISH FOR CLINICIANS

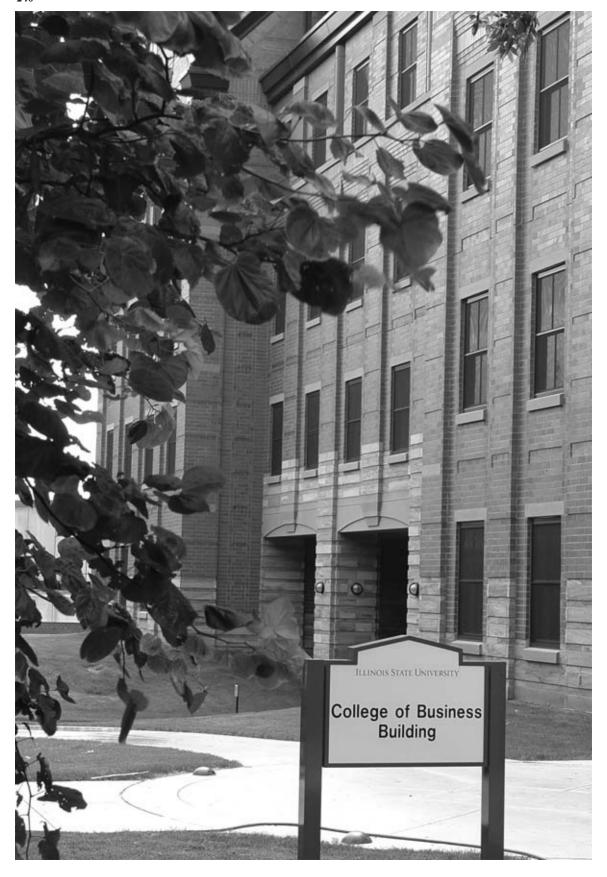

Maj only, senior standing.

Introduction to Signed English for those who will provide therapy to children who are deaf or hard of hearing.

360 AUGMENTATIVE COMMUNICATION FOR NON-SPEAKING **PERSONS**

PAS 321 req. Incl Clin Exp: 5 hrs, Type 1.

Introduction to assessment, intervention strategies, technology and empirical research relative to non-speaking individuals.

COLLEGE OF BUSINESS

Dean: Dixie L. Mills, 401 College of Business Building.

Web address: www.cob.ilstu.edu

College of Business Mission Statement:

To be a highly respected college of business that develops professionals with the personal dedication, ethics and lifelong learning capabilities needed to succeed professionally and to serve society. We work as a diverse community promoting excellence in learning, teaching, scholarship, and service.

College of Business Objectives:

The College of Business provides a learning-centered environment to develop the business skills and appreciation for continuous learning necessary to succeed in a dynamic global economy. Our high quality programs develop ethical, knowledgeable, and technologically competent business professionals. We strive to further the University mission of providing a premier educational experience to students in our undergraduate and graduate programs.

The College offers programs leading to the bachelor's degree with majors in Accountancy, Business Administration, Business Information Systems, Business Teacher Education, Finance, Insurance, International Business, Management, and Marketing. Minor programs are also available. All eligible programs in the College of Business are accredited by the AACSB International—the Association to Advance Collegiate Schools of Business.

The College also offers graduate programs leading to the Master of Business Administration, Master of Science in Accountancy and Master of Professional Accountancy. Detailed information concerning these programs may be found in the *Graduate Catalog*.

Departments in the College of Business are: Accounting; Finance, Insurance and Law; Management and Quantitative Methods; and Marketing.

Admission Requirements:

A. Beginning freshmen must meet Illinois State University admission requirements prior to being considered into a College of Business major. Admission into the College of Business is selective and considers a prospective freshman's high school transcript (grade trends and rigor of courses completed), high school class rank, grade point average, ACT/SAT scores, personal statement, and in some cases letters of recommendation in the decision. Students are strongly encouraged to complete a rigorous high school math sequence as they prepare for admission into a College of Business major. Prospective students should, at a minimum, complete the coursework listed under "Admission Policies" in this catalog.

B. Transfer students from other universities or colleges and internal transfers (transferring from majors within Illinois State University) are admitted into the College of Business through a competitive and selective process. Transfer students must have met all university admission requirements (transferring from other universities or colleges) or be in academic good standing (transferring from majors within Illinois State University). Individual qualifications for transferring students are evaluated to select from the pool of candidates with a minimum of 2.50 transfer GPA. The College of Business reserves the right to maintain a balanced enrollment; the number of students who continue in the program may vary from year to year depending on program capacity and the qualifications of students in the pool.

In addition transfer students must meet the following criteria:

- Students desiring to transfer with fewer than 45 credits completed or in progress when they apply to become a business major are evaluated upon their college coursework, GPA (where an established GPA exists), and College of Business admission criteria for incoming freshmen.
- Students desiring to transfer with between 45-59 credits completed or in progress when they apply to become a business major are evaluated based upon their college coursework, GPA, and College of Business admission criteria. Completed coursework must include grades of "C" or better in the following courses or their equivalents: ACC 131, ECO 105, MAT 119 and MAT 120 or the equivalent of calculus, MAT 121 or MAT 145.
- 3. Students desiring to transfer with 60 credits or more completed or in progress when they apply to become a business major are evaluated based upon their college coursework, GPA, and College of Business admission criteria. Completed coursework must include grades of "C" or better in the following courses or their equivalents: ACC 131, 132; ECO 105; MQM 100 (or ECO/GEO/POL/PSY 138); MAT 121 or MAT 145. The College requires that these transfers, in their first semester at Illinois State, complete BUS 100 with a grade of "C" or better and prove computer competency (spreadsheet usage, presentation software, and web page construction) through completion of one of the following courses or their equivalents:
 - ACC 167 and 168;
 - ACC 166;
 - ITK 150;
 - IAI BUS 902; or
 - By passing College administered competency exams in these areas (ACC 189.67 and ACC 189.68).

NOTE: BTE majors must complete MAT 120 or MAT 121 or MAT 144 or MAT 145.

Course Equivalent Transfer Policies:

In addition to the general requirements of the University and the College, the following policies apply to transfer students from other academic institutions seeking a business degree:

- Credit for business and related courses from 2-year institutions may be transferred and applied to the business core but is limited to 100-level (lower-division freshman and sophomore) course placement.
- Credit for business and related courses from baccalaureate degree granting institutions may be transferred and applied to the business core and to the major if the course for which the credit is being transferred is at the equivalent level of the Illinois State University course, contains the same course content and requires equivalent prerequisites.
- 3. Each student must successfully complete the college capstone course (MQM 385) and his or her major's designated capstone courses at Illinois State University and must earn at least 50 percent of the business credit hours required for the degree at Illinois State University. Please contact an academic advisor for information concerning specific majors' capstone courses.

Standards for Progress in the Major:

All students are limited to 24 credit hours of business course work which is strictly enforced by the College through registration restrictions. Business majors may exceed this limit once they have applied and been accepted for continuance as a business major. Admission to the major does not imply the student will be accepted for continuance once they have completed 60 credit hours.

The continuance requirements represent *minimum* standards for a student to continue as a business major. Some students who satisfy the minimum standards may not be allowed to continue as a business major. Through a competitive and selective process, students are evaluated for continuance from a pool of qualified applicants on the basis of individual qualifications. The College reserves the right to maintain a balanced enrollment; the number of students who continue in the program may vary from year to year depending on program capacity and the qualifications of students in the pool.

Minimum requirements which allow a student to qualify to continue as a business major are as follows:

- Complete, with a grade of C or better, the following tool courses: ACC 131, 132; BUS 100; ECO 105; MQM 100 (or ECO 138, GEO 138, POL 138 or PSY 138); MAT 121 or 145. (NOTE: BTE majors must complete BTE 140 and MAT 120 or 121 or 144 or 145.)
- Prove computer competency (spreadsheet usage, presentation software, and Web page construction) through completion of the following: (ACC 167 and 168; ACC 166; ITK 150; IAI BUS 902); or by passing College-administered competency exams in these areas (ACC 189.67 and ACC 189.68).

- 3. Earn an overall Illinois State University GPA of 2.50 or higher on at least 12 completed hours.
- Accountancy and Business Administration majors must earn a minimum B/C combination between ACC 131 and 132, including transfer courses.
- Accountancy majors must also complete ACC 230 and 231 with a minimum of a grade of C in each and a 2.50 GPA in the two courses.
- Business Teacher Education majors must earn a 2.50 cumulative and major GPA for continuance in their major and Admission to Professional Education.

NOTE: A Student may not enroll for a third time in a COB course if he or she has already received letter grades (A, B, C, D, F, WX, WP or WF) in two previous attempts.

Academic Requirements:

The academic requirements of the University apply to all of the programs in the College of Business. In addition, the following special academic requirements apply to all students in the College of Business:

- Required courses in the major with grades below C will not count toward the graduation requirements of College of Business majors. Such grades will be included in computing the cumulative GPA.
- Students must have a 2.00 GPA or higher at Illinois
 State in order to graduate with a business degree. Business Teacher Education majors must earn and maintain
 a 2.50 major and cumulative GPA through graduation.
- Students majoring in business must complete their senior year (30 hours) in residence at Illinois State University. Under unusual circumstances the Dean of the College of Business may grant a modification of this requirement.
- 4. Each student must successfully complete the college capstone course (MQM 385) and his/her major's designated capstone course at Illinois State University, and must earn at least 50 percent of the business credit hours required for the degree at Illinois State University.
- Enrollment in 200-level business courses requires 60 completed semester hours. Enrollment in 300-level business courses requires 75 completed semester hours. This policy is strictly enforced.
- Students who go on probation a second or subsequent time will be dropped from the College of Business.
- The College of Business only allows students to repeat a course once. Students who earn a W grade in a repeated course must apply for permission to complete a third enrollment.
- 8. Students-at-large and graduate students must apply for permission from the College of Business to register for business courses. Such students will be required to furnish official transcripts to show that prerequisite requirements have been fulfilled. Some courses in the College have restricted and/or limited enrollments and may not be an option. These students, as all non-business majors, are restricted to 24 hours of business course work.

Non-Business Majors:

Non-business majors are limited to no more than 24 credits of business course work. Students who desire to elect more than 24 hours in business courses must register for additional courses with permission of the College of Business advisor or Department Chair.

STRUCTURE OF BUSINESS PROGRAMS:

The Business Core Courses: (44 hours):

100-level (Freshman/Sophomore level)

BUS 100	Enterprise (3 hours)
ACC 131	Financial Accounting (3 hours)
ACC 132	Managerial Accounting (3 hours)
ECO 105	Principles of Economics (4 hours)
ENG 145.13	Language and Composition II: Writing
	for Business and Government Organi-
	zations (3 hours)
FIL 185	Legal, Ethical and Social Environment
	of Business (3 hours)
MQM 100	Statistical Reasoning (3 hours) or
	ECO 138, GEO 138, POL 138 or PSY
	138 (3 hours)
MAT 121	Applied Calculus (4 hours)

200- and 300-level (Junior/Senior level):

ACC 270	Information Systems In Organizations
	(3 hours)
FIL 240	Business Finance (3 hours)
MKT 230	Introduction to Marketing Management
	(3 hours)
MQM 220	Business Organization and Management
	(3 hours)
MQM 227	Operations Management (3 hours)
MQM 385	Organizational Strategy (3 hours)

- 1. All business majors are expected to show proficiency in the usage of electronic spreadsheets (MS Office Excel), presentation software, and web page construction by course work (ACC 167 and 168, or ACC 166; ITK 150; IAI BUS 902 or equivalent) or by passing College-administered competency exams in these areas.
- 2. Majors in Business Teacher Education take alternate courses to meet the requirements for MAT 121, MQM 227 and MQM 385 as specified under the program's requirements.
- 3. Prerequisites for all business courses are strictly enforced and must be successfully completed by the first day of the semester. Please see the course description for individual course prerequisites.

Major Required Courses (21-24 hours):

Most business majors will require an additional 21 or 24 hours of business course work and electives. See individual major programs for an outline of the requirements.

General Education (42 hours):

The following courses meet General Education requirements in addition to major requirements: MOM 100; ECO 138 or GEO 138 or POL 138 or PSY 138 (Middle Core-Quantitative Reasoning); MAT 121 (fulfills the University's Science, Math, and Technology requirement).

University-Wide Electives:

The minimum hours required for graduation are 120. These electives may be business or non-business courses.

Business Course:

BUS

100 ENTERPRISE

3

ENG 101 or COM 110 or conc reg req. Not for cr if had BTE 100 or BEA 100.

Theory and practice of private enterprise. Includes purposes, structures, functional areas and related institutions as well as individual career planning and library research skill development.

ACCOUNTING (ACC) 552

301 College of Business Building, (309) 438-7651 Web addresses: www.cob.ilstu.edu/accounting www.cob.ilstu.edu/BIS

Chairperson: Gerald W. McKean. Tenured/Tenure-track Faculty:

Professors: C. Craig, T. Craig, Leinicke, Moon, Ostrosky, Patten, Razaki.

Associate Professors: Lindberg, Love, McClure, McKean, Rich, Schambach, Walstrom.

Assistant Professors: Brown, Crampton, Guidry, Hauck, Jones, Nelson.

General Department Information

The mission of the Department of Accounting is to provide high-quality, student-centered educational programs for students preparing for professional careers in accounting and information systems; to support research and other scholarly activities consistent with these programs; and to perform service activities for the Department, the College of Business, the University, and other organizations consistent with these programs. In addition, our mission includes establishing relationships with outside organizations that support our programs, students, and faculty. Providing introductory and other courses in accounting and information systems to non-major students, as a service to other departments within the College and University, is also fundamental to our mission.

The goals of the Department of Accounting are as follows:

- 1. Our first priority is to develop student potential through high quality pedagogy and educational experiences.
- Our second priority is to perform applied, basic, and instructional research that complements our educational programs.

244 Accounting

Our third priority is to participate in internal and external service activities which complement our educational programs and research activities, and build partnerships with key constituencies.

The curriculum is designed to provide students with the common body of knowledge established by the accounting profession for those entering the profession.

The Department of Accounting offers a 120-hour Bachelor of Science (B.S.) with a major in Accountancy and a 150-hour combined Bachelor of Science and Master of Professional Accountancy (B.S./M.P.A.) degrees. Both programs are described below. The B.S. has four sequences of study: the Accounting Information Systems Sequence, Business Information Systems Sequence, Career Specialty Sequence, and the Financial Accounting Sequence. The B.S./M.P.A. has two sequences: The Accountancy and Information Systems Sequence and the Professional Accountancy Sequence. Each sequence is intended to provide its graduates with the necessary foundation for a successful career, including the ability to pass professional examinations.

Students should select a sequence based upon their interests and career goals. Department advisors and faculty members are available to counsel students as they make this decision.

Courses completed in the Department of Accounting at this University with grades below C will not count toward the graduation requirements of either the Accountancy Major or Minor, but all grades of D, F, and WF in Accounting courses at this University will be included in computing the cumulative GPA.

Honors Program Requirements:

The Department offers honors work in the different departmental programs to majors who have fulfilled the general requirements for participation in the University Honors Program and completed 60 semester hours with a cumulative Illinois State University GPA of 3.30 (A = 4.00) and a 3.50 GPA in Accounting courses. Students interested in the program should see the departmental advisor. Requirements for honors in the Accounting Honors Program are available in the departmental office.

Admission Requirements:

All majors in the Department of Accounting must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specific number of hours, to enroll in courses in the Department. Certain courses are restricted to Accountancy majors only.

Admission to the Department of Accounting is on a competitive basis with preference given to students who have demonstrated an ability to complete successfully the degree requirements. Enrollments in the Department are managed to help assure a high quality educational experience for qualified Accountancy majors.

The Department of Accounting reserves the right to maintain a balanced student enrollment.

Students considering Graduate School should make application to the Master of Science in Accountancy Degree program early in their senior year. Students who previously have completed a baccalaureate degree outside of Accounting should consider making application directly into the Master of Science in Accountancy program.

Accountancy Programs

MAJOR IN ACCOUNTANCY

Degree Offered: B.S.

After completing the 100-level Business Core courses, the Accountancy major must complete ACC 230 and 231 with a minimum grade of C in each and a 2.50 GPA in all attempts of these two courses. Prerequisites for ACC 230 and 231 require a minimum B/C grade combination of ACC 131 and 132.

In addition, an Accountancy major must complete requirements under one of the following sequences: Accounting Information Systems, Business Information Systems, Career Specialty, and Financial Accounting. Descriptions of each sequence follow.

Accounting Information Systems Sequence:

This sequence is designed to provide entry-level accountants with information systems and technology skills and competencies as recommended by the International Federation of Accountants (IFAC). This sequence would prepare accountants to be a user of information technology and an evaluator of information systems (e.g., internal or external auditor).

- Students selecting the Accounting Information Systems (AIS) Sequence must complete the following 74 required hours: BUS 100; ACC 131, 132, 230, 231, 232, 233, 235, 260, 261, 263, 270, 363, 370; ECO 105; ENG 145.13; FIL 185, 240; MAT 121 or 145; MKT 230; MQM 100, 220, 227, 385.
- **NOTE:** MAT 120 is a prerequisite for MAT 121.

Business Information Systems Accounting Sequence:

This sequence is designed to prepare students for entry level accounting positions requiring significant training in Business Information Systems. This preparation is particularly valuable in accounting consulting positions, certain auditing positions, and in many progressive industrial positions.

- Students selecting the Business Information Systems Accounting Sequence must complete the following 74 required hours: BUS 100; ACC 131, 132, 230, 231, 232, 233, 235, 261, 263, 270, (266 and 366) or (260 and 368), 362; ECO 105; ENG 145.13; FIL 185, 240; MAT 121 or 145; MKT 230; MQM 100, 220, 227, 385.
- **NOTE:** MAT 120 is a prerequisite for MAT 121.

Career Specialty Sequence:

This sequence allows Accountancy majors to design a plan of study that meets their career goals. Students may elect up to 12 hours in another specialized area with advice and approval of academic advisors and Department Chair.

- Students selecting the Career Specialty Sequence must complete the following 62 required hours: BUS 100;
 ACC 131, 132, 230, 231, 232, 233, 235, 263, 270; ECO 105; ENG 145.13; FIL 185, 240; MAT 121 or 145;
 MKT 230; MQM 100, 220, 227, 385.
- **NOTE:** MAT 120 is a prerequisite for MAT 121.
- Of the 12 hours of career electives, most hours should consist of upper-division courses in a specialized area of study, typically in business, economics, or areas of information technology offered by Accounting (or, if not offered by Accounting, by other departments). A student's plan of specialized study for the Career Specialty Sequence must be:
 - a) developed in the semester following successful completion of ACC 230 and ACC 231;
 - b) must be approved by the Department Chair;
 - c) cannot include more than 6 hours of Accounting electives; and
 - d) will not include courses already completed before approval of the plan of study.

Financial Accounting Sequence:

This sequence is designed to meet the minimum formal accounting-content requirements for a student to sit for the Certified Public Accountant (CPA) examination. Students in this sequence may also prepare to sit for the Certified Management Accountant (CMA) examination and/or the Certified Internal Auditor (CIA) examination.

- Students selecting the Financial Accounting Sequence must complete the following 71 required hours: BUS 100; ACC 131, 132, 230, 231, 232, 233, 235, 263, 270; ECO 105; ENG 145.13; FIL 185, 240, 375; MAT 121 or 145; MKT 230; MQM 100, 220, 227, 385; and six hours from the following list of upper-division (200- or 300-level) Accounting electives: ACC 298, 330, 334, 336, 337, 340, 363, 375, 398.
- **NOTE:** MAT 120 is a prerequisite for MAT 121.

Integrated Bachelor of Science (B.S.) Master of Professional Accountancy (M.P.A.):

Degrees offered: B.S., M.P.A.

The integrated B.S./M.P.A. Degrees program is primarily oriented toward preparation for professional careers in accounting. Two sequences are offered: (1) Accountancy and Information Systems, and (2) Professional Accountancy. Both sequences permit graduates to meet minimum education requirements to sit for the Uniform Certified Public Accountant (CPA) Examination in Illinois. The Accountancy and Information Systems sequence permits students to emphasize study of information systems related to accounting and other

business fields more than the Professional Accountancy sequence, which permits students to study further in such areas as taxation, auditing, financial accounting, managerial accounting, financial management, and information systems.

The 150-hour B.S./M.P.A. program generally includes 30 hours of graduate course work. Successful completion of the integrated program will culminate by granting simultaneously both B.S. and M.P.A. degrees. The B.S./M.P.A. integrated program is designed for students wishing to complete both degrees at Illinois State University. The program is not designed to admit students who have already completed a bachelor's degree.

Students must successfully apply for continuance in the B.S./M.P.A. program in their junior year (after 60 semester hours). Graduate admission would take place after the student has completed approximately 90 hours. Students will be admitted who meet graduate entrance requirements, which include satisfactory performance on the Graduate Management Admission Test (GMAT), their previous academic performance, and other evidence of their ability to successfully complete the program. Admission timing is very important to successfully complete the program so students should regularly consult with their Accounting undergraduate or graduate advisor.

Core courses: Students selecting either sequence must complete BUS 100, ACC 131, 132, 230, 231, 232, 233, 235, 260, 261, 263, 270, 430, 482, 497; FIL 185, 240, 375; MKT 230; MQM 100, 220, 227, 385; ECO 105; ENG 145.13, MAT 121 or 145. **NOTE**: MAT 120 is a prerequisite for MAT 121.

Accountancy and Information Systems Sequence:

In addition to core courses, students must complete (a) 9 hours from ACC 368, 468, and 472; (b) 9 hours of Accounting electives, of which 6 hours are chosen from ACC 431, 434, 435, 439, or 498, and 3 additional hours chosen from ACC 330, 334, 336, 337, 340, 431, 434, 435, 439, or 498; and (c) 6 additional hours of Accounting or business electives.

Professional Accountancy Sequence:

In addition to core courses, students must complete (a) 15 hours of Accounting electives, of which 6 hours are chosen from ACC 431, 434, 435, 439, or 498, and 9 additional hours are chosen from ACC 330, 334, 336, 337, 340, 431, 434, 435, 439; (b) 3 hours from FIL 440, ACC 468, 472, or other approved 400-level elective outside of the accounting discipline; and (c) 6 additional hours chosen from either courses listed in (a) of this paragraph or from ACC 375, 398, 468, 472, 498 (of which no more than 3 hours may be ACC 398 or 498).

NOTE: Students in either sequence who wish to enhance their chances of passing the CPA examination should include in their plan of study the following advanced accounting courses: ACC 330, 334, 336, 337.

Requirements for CPA Examination:

Academic requirements to sit for the CPA examination in Illinois include (1) 150 semester hours of college course work, and (2) a baccalaureate or higher degree, including at least 24 semester hours in accounting at the undergraduate and/or graduate level with at least one course each in financial accounting, auditing, taxation, and management accounting and at least 24 semester hours in business courses (other than accounting) at the undergraduate and/or graduate level.

Students planning to sit for the CPA examination are advised to complete, at a minimum, the Financial Accounting Sequence of the Accountancy B.S. program. Students should also give serious consideration to completing one or more of the following formal programs of study before leaving the Illinois State campus to begin their professional careers: The Bachelor of Science/Master of Professional Accountancy Program described above, a Master of Science degree in Accountancy, a Master of Business Administration degree, or one of the other sequences of the Accountancy B.S. (the Accounting Information Systems Sequence, the Business Information Systems Sequence, or the Career Speciality Sequence). Each sequence is 12 hours beyond the Financial Accounting Sequence. Additional information concerning the 150-hour requirement, including recommended areas of course work for students not pursuing an B.S./M.P.A., M.S., or M.B.A. degree, is available from the academic advisors.

MINOR IN ACCOUNTANCY

- 21 hours in Accounting required.
- Required courses: ACC 131, 132, 231, 232.
- 9 elective hours in Accounting courses approved by a departmental advisor.
- These courses must be completed with a grade of C or better. A minimum B/C combination is required between ACC 131 and ACC 132 to continue with the Accountancy minor.

Repetition of Courses in Accounting:

A student can register officially for an Accounting course only twice. That is, if a student completes a course, or drops a course after the official tenth day enrollment report, he or she may enroll officially in the same Accounting course only one additional time.

MAJOR IN BUSINESS INFORMATION SYSTEMS

Degree Offered: B.S.

- 68 required hours including 44 hours in required core and non-business courses and 24 hours of major course
- 44 hours required: ACC 131, 132, 270; BUS 100; FIL 185, 240; MKT 230; MQM 100, 220, 227, 385; ECO 105; ENG 145.13; MAT 121 or 145.
- Business Information Systems required courses (18 hours): ACC 260, 261, 266, 362, 366, 368; and six hours

from the following list of 200- or 300-level Accounting electives: ACC 255, 263, 287 (or 299), 363, 370.

NOTE: Program admission, graduation requirements and program admission standards for the Business Information Systems degree are the same as those that apply to all students in the College of Business. See College of Business section of this Undergraduate Catalog.

Accounting Courses

131 FINANCIAL ACCOUNTING

Introduction to financial accounting. Examines the nature of accounting, basic accounting concepts, financial statements, accrual basis of accounting, the accounting cycle, monetary assets, inventories, fixed assets, current and noncurrent liabilities, and owner's equity.

132 MANAGERIAL ACCOUNTING 3

ACC 131 rea.

Introduction to managerial accounting. Examines the nature of cost-volume-profit analysis and product costing; investigates budgets and standard costs in planning, control and performance measurements; and employs relevant costs and present value techniques in decision making.

166 BUSINESS INFORMATION SYSTEMS 3

Business maj or Health Information Management maj. Materials charge optional.

Introduction to Business Information Systems concepts and microcomputer software tools designed to improve management productivity.

167 ELECTRONIC SPREADSHEET USAGE 1

CR/NC only. Lecture and lab.

Introduces the electronic spreadsheet for use as a tool to improve management productivity.

168 INTERNET AND PRESENTATION TOOLS

CR/NC only. Lecture and lab.

Introduces intermediate Web browsing and E-mail techniques, skills on using a Web page editor, and using a presentation software package like PowerPoint.

225 ADVANCED MICROCOMPUTER APPLICATIONS FOR THE PROFESSIONAL

MS Office competency or ACC 167 and 168 or equiv reg. Materials charge optional. Also offered as BTE 225.

Development of advanced skills in widely used application software. Introduces topics related to the role of technology in education and training.

230 COST AND MANAGEMENT ACCOUNTING

1

ACC 132 and MAT 121 req; min B/C combination between ACC 131 and 132 req; B or higher in ACC 131 and 132 rec.

Study of managerial accounting concepts in planning, control and decision making. Emphasis on product costing methods, cost drivers, cost-volume-profit analysis, budgets, standard costs, just-in-time implications, relevant costs and capital budgeting decisions.

231 INTERMEDIATE ACCOUNTING I

ACC 132 reg; min B/C combination between ACC 131 and 132 reg; B or higher in ACC 131 and 132 strongly rec.

The study of financial accounting theory and practice relating to monetary assets, inventories, plant assets, intangible assets, current liabilities, contingencies, and stockholders' equity. Present value applications, and preparation of financial statements are examined. The following topics are also overviewed: the environment of financial accounting, the development of accounting standards, and the conceptual framework underlying financial accounting.

232 INTERMEDIATE ACCOUNTING II

C or higher in ACC 231 req.

The study of financial accounting theory and practice relating to the following topics: long-term liabilities, dilutive securities, earnings per share, investments, revenue recognition, accounting for income taxes, pension costs, leases, accounting changes, errors, and the preparation of cash flow statements.

233 FEDERAL INCOME TAXATION

ACC 131 with grade of C or better or cons dept chair req. Study of the basic concepts of federal income taxation as they apply to individuals, partnerships, and corporations.

235 AUDITING

ACC maj only; C or higher in ACC 231 req.

The CPA profession, including professional ethics and legal liability; professional auditing standards; evidence; internal control; audit programs and procedures; audit reporting; introduction to operational auditing.

255 ELECTRONIC BUSINESS MANAGEMENT

MS Office Competency or ACC 167 and 168 or equiv req. Principles of managing the linkage between organizational strategy and enterprise information technologies, including e-commerce architecture, development and strategy.

260 COMPUTER PROGRAMMING FOR BUSINESS

MS Office competency or ACC 167 and 168 or equiv req. An introduction to the design and development of computer programs for business application. Emphasis is placed on learning program structure and syntax of a business computer language. Developing applications with a Graphical User Interface (GUI) will be introduced.

261 BUSINESS SYSTEMS ANALYSIS

MS Office competency or ACC 167 and 168 or equiv reg; ACC 132 with grade of C or better reg.

An introduction to the analysis and design of modern information systems. Systems Development Life Cycle (SDLC) and structured methodologies are emphasized.

263 ACCOUNTING INFORMATION **SYSTEMS**

ACC maj only. MS Office competency or ACC 167 and 168 or equiv req. ACC 132 with grade of C or better req. Materials charge optional.

Examine the development, implementation, and control of systems used in business and accounting processes. Current technologies used in actual business situations are emphasized. Address the impact these technologies have on the accounting profession.

266 COBOL

MS Office competency or ACC 167 and 168 or equiv reg. Not for cr if had ITK 272.

The study of using the COBOL programming language for the purpose of solving business information requests. Emphasizes structured programming concepts, file processing, report creation, data validation and table handling.

270 INFORMATION SYSTEMS IN ORGANIZATIONS

MS Office competency or ACC 167 and 168 or equiv reg; ACC 132; ECO 105 (or ECO 101 and ECO 102); MQM 100; MAT 120 req; ACC 132 or conc reg req.

Management-oriented course covering concepts of business information systems and integration of business information systems with functional areas of organizations.

298 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN ACCOUNTING

1-6

Jr standing req. See internship Director for info and cons.

330 ACCOUNTING FOR NON-PROFIT ENTITIES

3

ACC maj only; C or higher in ACC 231 req. Examination of accounting and financial reporting principles for nonprofit entities including state and local governmental

units, colleges, hospitals, and other nonprofit organizations.

334 ADVANCED TAX

3

3

ACC 233 or cons dept chair reg.

Study of concepts and issues associated with corporate, partnership, estate and gift taxation. Overview of tax research techniques also provided.

336 ADVANCED AUDITING

ACC maj only; ACC 235 reg.

In-depth analysis of selected advanced topics in auditing, including professional auditing standards, planning, evidence, internal control, statistical sampling, EDP auditing, reporting, integrative audit case, operational auditing.

337 ADVANCED FINANCIAL 3 ACCOUNTING

ACC maj only; ACC 232 reg.

Specific emphasis on business combinations and consolidated financial statements. Other topics include partnership accounting, international operations, branch accounting, segment reporting and interim statements.

340 INTERNATIONAL ACCOUNTING

ACC 132 with grade of C or better req.

Examines (1) similarities and differences of accounting principles and procedures between the United States and other countries and efforts at standardizing accounting internationally, and (2) accounting for multinational entities, including consolidation of foreign subsidiaries, evaluation of investment projects, and performance evaluation of foreign operations.

362 ADVANCED BUSINESS SYSTEMS ANALYSIS

ACC 261 and 368 req; ACC 366 or conc reg req.

The analysis, design, development, and implementation of a complete business information system. Directed project approach with formal presentations at the conclusion of each project phase.

363 ADVANCED ACCOUNTING INFORMATION SYSTEMS

2

ACC 260 with a grade of C or better and 263 req. A study of advanced systems concepts ass they relate to the accounting profession. Selected topics may include the design, implementation and control of e-businesses, internal control design and evaluation, and behavioral implications of human-computer interaction.

366 ADVANCED BUSINESS DATA MANAGEMENT

2

ACC 260 and 261 req. Formerly ADVANCED BUSINESS DATA PROCESSING.

Advanced study in the development of computer storage techniques required for business information systems. Techniques are developed for both enterprise and desktop applications.

368 DEVELOPING BUSINESS APPLICATION SYSTEMS

3

ACC 260 and 261 req or conc reg req in 261. Not for cr if had ITK 306. Formerly DEVELOPING BUSINESS FUNCTION-BASED SYSTEMS.

Advanced study in the development of computer programs for business work-group and individual employee information systems. Students will design and develop a comprehensive application appropriate for a functional area of business using the approaches and tools of a consultant.

370 MANAGEMENT INFORMATION SYSTEMS

3

ACC 261; FIL 240; MQM 220; and MKT 230 req; ACC 366 or conc reg req.

Management Information systems with emphasis on the responsibilities of management in the creation, control, and utilization of information systems which support managerial decision making.

375 PROFESSIONAL PROBLEMS

3

2.80 overall GPA; 24 hrs of ACC req; ACC 330, 334, 336, 337, or cons dept chair req. Conc reg allowed for only 2 of ACC 330, 334, or 336. Conc reg in FIL 375 rec.

An intensive study of contemporary accounting problems with a strong orientation toward the preparation for the CPA and CMA examinations.

398 PROFESSIONAL PRACTICE: INTERNSHIP IN ACCOUNTING

1-6

Sr standing; 2.80 GPA in ACC courses req; 2.80 overall GPA and cons Internship Director req.

On-the-job professional accounting or BIS experience with a sponsoring commercial firm or government organization.

FINANCE, INSURANCE AND LAW (FIL) 548

434 College of Business Building,

Phone: (309) 438-8777; Fax: (309) 438-3579

Web address: www.cob.ilstu.edu/fil

Chairperson: William L. Scott. **Tenured/Tenure-track Faculty:**

Professors: Chang, Flanigan, Howe, Kang, MacMinn, McGuire, Mills, Naidu, Norton, Scott, Solberg, Trefzger,

Associate Professors: Bouriaux, Joaquin, Ma.

General Department Information

The Finance Major provides a knowledge base and skills appropriate for a wide variety of functional and managerial activities that require financial expertise. The financial world touches most organizations, profit or non-profit, which have activities involving banking, insurance, real estate, investments, managerial finance, budgeting, and international finance.

The Insurance Major provides skills and knowledge appropriate to a wide range of activities in the insurance and the financial services industries. Study of insurance and the financial service industries leads to careers in insurance companies, insurance agencies, financial services firms, reinsurers, regulation and a wide variety of firms allied with the industry. Careers in insurance include personal and business financial planning, underwriting, sales, sales management, employee benefits specialist, and insurer corporate operations and management. The Insurance Major-Business Information Systems (BIS) Sequence is particularly appropriate for students preparing for careers in computing within the insurance industry. Students must take 60 hours of instruction outside of the College of Business.

Academic Requirements:

All majors in the Department of Finance, Insurance and Law must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specified number of hours, to enroll in courses in the Department.

Departmental Honors Program Requirements:

- Maintain a 3.30 overall Illinois State University GPA;
- Maintain a 3.50 major GPA;
- Complete 9 hours of approved FIL honors course work;
- Complete either FIL 370, Educational Investment Fund or FIL 299, Honors Independent Study;
- Fulfill the general requirements for participation in the University Honors Program.

Finance Program

Degree Offered: B.S.

MAJOR IN FINANCE

General Finance Sequence:

- 68 required hours including:
- Required courses (56 hours): BUS 100; ACC 131, 132, 270; FIL 185, 240, 241, 242, 341, 349; MKT 230; MQM 100, 220, 227, 385. In addition, ECO 105; ENG 145.13; and MAT 121 or 145 must be completed.
- Elective courses (12 hours): selected from FIL 246, 250, 260, 318, 340, 343, 344, 347, 353, 360, 370, 381, 398;
 ACC 231; ECO 239; or appropriate courses approved by the Departmental advisor.

 NOTE: Advising concentrations have been established to direct studies toward career specializations for Finance majors. Students are strongly urged to contact the departmental advisor for details.

MAJOR IN INSURANCE

General Insurance Sequence:

- 68 required hours including:
- Required courses (59 hours): BUS 100; ACC 131, 132,
 270; FIL 185, 240, 250, 350, 352, 354, 355; MKT 230;
 MQM 100, 220, 227, 385. In addition, ECO 105; ENG 145.13; and MAT 121 or 145 must be completed.
- 9 hours of electives chosen from: FIL 351, 353, 382, 398.10 or appropriate courses approved by the Departmental advisor.
- NOTE: FIL 398.10 is strongly recommended in addition to required courses.

Insurance-Business Information Systems (BIS) Sequence:

- 68 required hours, including:
- Required courses (68 hours) including: BUS 100;
 ACC 131, 132, 261, 270, 362, (266 and 366) or (260 and 368);
 FIL 185, 240, 250, 350, 352, 354;
 MQM 100, 220, 227, 385. In addition, ECO 105;
 ENG 145.13;
 and MAT 121 or 145 must be completed.

MINOR IN INSURANCE

- 18 hours required in Finance Insurance and Law courses.
- Required courses: FIL 185, 240, 250, and three of the following courses: FIL 350, 351, 352, 353, 354, 355.
- NOTE: FIL 398.10 is strongly recommended in addition to required courses.
- NOTE: Non-Business majors are restricted to no more than 24 hours of business instruction.

Finance, Insurance and Law Courses

185 LEGAL, ETHICAL AND SOCIAL ENVIRONMENT OF BUSINESS

Soph standing req. ECO 105 or (101 and 102) or 103 req. Formerly FIL 208, LEGAL ENVIRONMENT OF BUSINESS. Not for cr if had FIL 208.

Emphasis on business ethics and corporate social responsibilities. Areas of concentration include contracts, torts, agency and business associations, government regulation of business, securities, labor, and employment law.

198.01 PROFESSIONAL PRACTICE: FINANCE/INSURANCE INTERNSHIP

Cons dept chair req.

On-the-job experience in finance or insurance arranged through the Department coordinator and completed under the supervision of a finance or insurance professional.

1-6

209 BUSINESS LAW I

3

FIL 185 or 208 with a grade of C or better req.
The law of contracts, agency, partnerships, and corporations.

211 BUSINESS LAW II

3

FIL 185 or 208 and 209 with a grade of C or better req. The law of property, sales, secured transactions, commercial paper, trusts, wills, insurance, and bankruptcy.

240 BUSINESS FINANCE

3

Jr standing; MQM 100 (or ECO/GEO/POL/PSY 138); ACC 132 req; ECO 105 (or 101 and 102); MAT 120 or 121 or 145 req.

Principles and problems of planning and managing assets of business. Formulation, acquisition and utilization of funds and capital structure examined.

241 FINANCIAL MARKETS

3

FIL 240 with grade of C or better req. Bus maj only. Formerly FIL 218.

Participants, structure and functions of the major domestic and international financial markets

242 INVESTMENTS

3

FIL 240 with a grade of C or better req. Bus maj only. A survey of investment media, concepts, and techniques to provide an understanding of the investment process in the economic and financial environment.

246 CORPORATE FINANCIAL STATEMENT ANALYSIS

FIL 240 with a grade of C or better req. Bus maj only. Financial statement analysis and interpretation from the managers', investors', and creditors' perspectives. Proforma statements, heavy emphasis on spreadsheet use.

250 INTRODUCTION TO RISK AND INSURANCE

3

Jr standing req.

Fundamental issues of risk management and insurance in property, liability, life and health areas. Principles of marketing, underwriting, rate making and loss adjusting.

260 REAL ESTATE PRINCIPLES 3

Jr standing; FIL 240 with C or better req. Bus maj only. Principles of real estate, including legal aspects of real estate, appraisal, investment, mortgage financing, home-ownership, and brokerage industry functions.

298 PROFESSIONAL PRACTICE: FINANCE INTERNSHIP/ COOPERATIVE EDUCATION 1-6

Jr standing and cons dept chair req.

Directed projects or experience related to the student's career interests in finance, arranged through the department coordinator and completed under the supervision of a business professional.

298.10 PROFESSIONAL PRACTICE: INSURANCE INTERNSHIP/ COOPERATIVE EDUCATION

Jr standing and cons dept chair req.

On-the-job experience in insurance arranged through the Department coordinator and completed under the supervision of an insurance professional.

311 GOVERNMENT REGULATION OF BUSINESS

FIL 185 with a grade of C or better req. Bus maj only. Analysis of governmental legal and regulatory activity as it applies to business.

312 INTERNATIONAL BUSINESS LAW 3

FIL 185 with a grade of C or better req. Bus maj only. Case study in international business law. Jurisdiction and application of foreign law, international regulation of economic activities, and issues of comparative law.

313 LABOR LAW 3

FIL 185 with a grade of C or better req. Bus maj only. Laws regarding the labor-management relationship, the NLRA, Employment Discrimination, Unemployment Compensation, Social Security, Workers' Compensation and other regulations of employment.

318 MANAGEMENT OF FINANCIAL INSTITUTIONS

FIL 240 and 218 or 241 req with a grade of C or better. Bus maj only.

Financial institutions as business firms, with emphasis on depository institutions: industry structure, regulation, asset and liability management strategies.

340 SHORT-TERM FINANCIAL MANAGEMENT

FIL 240 with a grade of C or better req; FIL 218 or 241 or conc reg req. Bus maj only.

Analysis of working capital management; cash budgeting; financial analysis and planning; short-term financing decisions.

341 INTERMEDIATE

BUSINESS FINANCE

3

FIL 240 with a grade of C or better req; FIL 218 or 241 or conc reg req. Bus maj only.

Theory and practice of capital management. Topics include evaluation of risks, determination of capital structures, measures of costs and returns, allocation of capital, financial planning and models, and a survey of working capital issues.

1-4

Cons dept chair req. May repeat with cons dept chair. Selected topics in Insurance. Topics may include new developments in the field as they relate to business, industry, and consumer.

398 PROFESSIONAL PRACTICE: FINANCE INTERNSHIP

1-12

Sr standing; 3.00 overall GPA or cons dept chair req. Usually no more than 3 hrs cr awarded for 1-sem work assignment.

Directed projects or administrative experience related to the student's career interests, arranged through the department coordinator and completed under the supervision of a business professional.

398.10 PROFESSIONAL PRACTICE: INSURANCE INTERNSHIP 1-12

FIL 250 req; 3.00 overall GPA or cons dept chair. Onthe-job experience in insurance arranged through the department coordinator and completed under the supervision of an insurance professional.

MANAGEMENT AND QUANTITATIVE METHODS (MQM) 558

College of Business Building 250, (309) 438-5701 Web address: www.cob.ilstu.edu/mqm/

Chairperson: John Lust.

Tenured/Tenure-track Faculty:

Professors: Devinatz, Dumler, Fazel-Sarjui, Hemmasi, Howard, Lust, Mohammed, Newgren, Palmer, Radhakrishnan, Salegna, Varner.

Associate Professors: Balasubramanium, Bantham, Choudhury, Downes, Fitzgibbons, Ringer, Russ.

Assistant Professors: Erskin, Foreman, Hoelscher, Schjoedt, Sheep.

General Department Information

The Management Major offers programs to students interested in professional management careers in business, industry, or government. Three sequences allow students to concentrate on skills needed by general managers (Organizational Leadership), specialists in personnel and human

resources (Human Resource Management), or by those interested in careers in or starting their own small business (Entrepreneurship and Small Business Management).

Academic Requirements:

All majors in the Department of Management and Quantitative Methods must meet the academic, admission, and transfer requirements of the College of Business. Nonmajors must have the prerequisites, including a specified number of hours, to enroll in courses in the Department.

Management and Quantitative Methods Programs

Degree Offered: B.S.

MAJOR IN MANAGEMENT

- 65 required hours including 44 hours in required core and non-business courses and 21 hours in a required MQM major sequence.
- The 44 hours of required core and non-business courses include the following: BUS 100; ACC 131, 132, 270;
 FIL 185, 240; MKT 230; MQM 100, 220, 227, 385;
 ECO 105; ENG 145.13; MAT 121 or 145.
- At least 24 of the required hours at the 200- and 300-level must be taken in residence at Illinois State University.
- The senior year's work must be taken in residence at Illinois State University.

One of the following major sequences must be completed.

Entrepreneurship and Small Business Management Sequence:

- 44 hours of required core and non-business courses:
 BUS 100; ACC 131, 132, 270; FIL 185, 240; MKT 230;
 MQM 100, 220, 227, 385; ECO 105; ENG 145.13;
 MAT 121 or 145.
- Required sequence courses (15 hours): MQM 221, 223, 224, 226, 326.
- Elective sequence courses (6 hours): INB 190; either MQM 322 or 323, 335, 340, or either MQM 287 or 398.
- NOTE: Only one of MQM 287 or 398 will count towards major.
- NOTE: Only one of MQM 322 or 323 will count towards major.

Human Resource Management Sequence:

- 44 hours of required core and non-business courses:
 BUS 100; ACC 131, 132, 270; FIL 185, 240; MKT 230;
 MQM 100, 220, 227, 385; ECO 105; ENG 145.13;
 MAT 121 or 145.
- Required courses (15 hours): MQM 221, 323, 324, 352, 354.
- 6 additional hours selected from MQM 350 or INB 245 or 398; MQM 340, 355, 356, 357, 383, or related course with consent of Department Chairperson. Example of related 3-hour courses include: ECO 225, 326, 327; FIL 313; PSY 375 and SOC 255.
- NOTE: Only one of INB 245 or MQM 398.01 will count towards major.

Organizational Leadership Sequence:

- 44 hours of required core and non-business courses:
 BUS 100; ACC 131, 132, 270; FIL 185, 240; MKT 230;
 MQM 100, 220, 227, 385; ECO 105; ENG 145.13;
 MAT 121 or 145.
- Required courses (15 hours): MQM 221, 380, 382, 383, and either 384 or 386.
- 6 hours selected from: MQM 215, 223, 323, 335, 340384, 386, 398; MQM 350 or INB 245 or MQM 398.
- NOTE: Only one of INB 245 or MQM 287 or 398 will count toward major.

MINOR IN ORGANIZATIONAL LEADERSHIP

- 19 hours in required courses.
- Required courses: ECO 105; MQM 220, 221, 380, 382, and one of the following: MQM 340, 383, 384 or 386.
- NOTE: The Minor in Organizational Leadership is not available to majors outside the College of Business.

Business Administration Programs

Degree Offered: B.S.

MAJOR IN BUSINESS ADMINISTRATION

- 68 required hours including 44 hours in required core and non-business courses and 24 hours of major course work.
- The 44 hours of required core and non-business courses include the following: BUS 100; ACC 131, 132, 270;
 FIL 185, 240; MKT 230; MQM 100, 220, 227, 385;
 ECO 105; ENG 145.13; MAT 121 or 145.
- In addition to business core courses, the Business Administration major must select 24 hours of major course work from the options below:
- Required courses (18 hours): ACC 230, 255; FIL 242; MKT 232; MQM 221, 335.
- 3 additional hours from: ACC 340; FIL 312, 344; MKT 350 or MQM 349, 350.
- 3 additional hours (one course) at the 300-level within the College of Business.

MINOR IN BUSINESS ADMINISTRATION

- Required courses: MAT 120 or 144 (MAT 104 competence required); ACC 131, 132; ECO 105; FIL 185, 240;
 MKT 230; MQM 100 (or ECO/GEO/POL/PSY 138);
 MOM 220.
- NOTE: The Business Administration minors are required to show proficiency in the usage of electronic spreadsheets (MS Office Excel), presentation software, and Web page construction by coursework (ACC 167 and ACC 168; ACC 166; or equivalent) or by passing the College-administered competency exams in these areas.
- NOTE: The Business Administration Minor is not available to majors in the College of Business.

DEPARTMENTAL HONORS IN MANAGEMENT AND QUANTITATIVE METHODS

Requirements for Admission:

The student must:

- 1. Be a fulltime student at Illinois State University;
- Be a declared major in Management and Quantitative Methods;
- 3. Have a minimum cumulative GPA of 3.30 and at least 3.50 in his or her major (on a 4.00 scale);
- Complete an interview with the Management and Quantitative Methods Departmental Honors Program Coordinator;
- Apply and be accepted into the University Honors
 Program and submit an application for Departmental
 Honors to the Management and Quantitative Methods
 Program Coordinator.

Requirements for Successful Completion of the Program:

- 1. Completion of all requirements for the major in MQM.
- 2. Minimum overall GPA of 3.30 at graduation with at least 3.50 GPA in the MQM major.
- Completion of 12 semester hours of Honors work in the MQM major, including:
 - a. 3 semester hours of MQM 220 (Honors section);
 - b. 6 semester hours of either in-course Honors in any 200- or 300-level MQM course or Honors Undergraduate Research Participation (IDS 285 or 286);
 - 1). In-Course Honors: The student may obtain an In-Course Honors contract in the Honors Office. A proposition to modify normal course requirements such that the proposed changes will permit demonstration of exceptional achievement shall be recorded on the In-Course Honors contract by the student and the professor. The proposal must be agreed to by the professor and returned to the Honors Office within the first 10 days of class.
 - 2). Undergraduate Research Participation: Students may earn 1-3 hours of Honors credit by working with a Management and Quantitative Methods professor on a faculty research project. Possible projects are listed in a URP notebook in the Honors Office as well as on the bulletin board just inside the Honors Office front door. Students may also approach a professor about working on a project for URP credit.
 - c. 3 semester hours of Honors Independent Study in MQM (MQM 299).

Benefits of Departmental Honors:

Students who complete the program will have Departmental Honors designation placed on both their transcript and diploma. Students in the MQM Departmental Honors Program are eligible for Honors early registration and special advisement opportunities in the MQM department.

For more information about joining the Honors Program, please make an appointment with an Honors advisor by calling (309) 438-2559.

Management and Quantitative Methods Courses

100 STATISTICAL REASONING MC-QR 3

MAT 111, 120, or 145 req. Not for cr if had ECO 131, ECO/GEO/POL/PSY 138. May not be taken under the CT/NC option.

Application of statistical concepts to decision problems confronting organizations and individuals. Includes descriptive tools, probability concepts, sampling processes, statistical inference, regression, and nonparametric procedures. Includes computer applications.

215 INTRODUCTION TO MANAGEMENT SCIENCE MODELS

MQM 100 or ECO/GEO/POL/PSY 138; MAT 121 or 145 req. Not for cr if had MQM 301 prior to spring 1979.

Provides a basic understanding of the formulation and application of quantitative models in managerial decision-making. General topics include: linear programming, dynamic programming, networks, and simulation.

220 BUSINESS ORGANIZATION AND MANAGEMENT

ECO 101 or 103 or 105; Jr standing req.

3

Organization theories and the role of managers as leaders. Planning and control systems, decision-making, and human considerations.

221 ORGANIZATIONAL BEHAVIOR AND ADMINISTRATION

MQM 220 req. Not for cr if had PSY 376.

Organization analysis focusing on motivation, perception, communication, coordination, and change. Administrative problems examined by theories of individual and group behavior.

223 INTRODUCTION TO SMALL BUSINESS 3

MQM 220 req. Not for cr if had MQM 225.

A study of small businesses and owner management. Includes basic knowledge necessary to successfully start up, run, and grow a small business.

224 ENTREPRENEURSHIP I

MQM 220 req. Not for cr if had MQM 225.

A study of new venture creation. This course teaches idea generation, idea analysis, breakeven analysis, and the development of a feasibility study.

226 ENTREPRENEURSHIP II

MQM 220, 224 req. Formerly SMALL BUSINESS ENTREPRENEURSHIP.

Assessment of new venture opportunities culminating in the detailed development of all elements of a professionally written business plan.

227 OPERATIONS MANAGEMENT

MS Office competency or ACC 167 and 168 or equiv req. ACC 132; ECO 105 (or ECO 101 and 102); MAT 120; MQM 100 (or ECO/GEO/POL/PSY 138) req. Formerly PRODUCTION MANAGEMENT.

Issues related to managing the processes by which organizations transform resources into quality goods and services. Topics include operations strategy, project management, quality management, and inventory management.

240 ADVANCED BUSINESS COMMUNICATION

3

ENG 101 or equiv req. Not for cr if had BEA 240. Report writing techniques; use, form, and structure of different types of business reports.

298.01 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN MANAGEMENT 1-6

Jr standing req.

Internship experiences in general management, human resource management, production/operations management or management information systems, arranged through the department coordinator.

322 HUMAN RESOURCE MANAGEMENT FOR SMALL BUSINESS

3

MQM 220 req. Not for cr if had MQM 323 or 340.07. Principles and procedures of human resource management focusing on the nuances facing small business, including staffing, appraisal, training and compensation.

323 HUMAN RESOURCES MANAGEMENT 3

MQM 220 with a grade of C or better req.

Principles and procedures relating to human resources management, including staffing, appraisal, training, compensation, and other programs for business and other organizations.

324 INDUSTRIAL RELATIONS MANAGEMENT

3

MQM 220 with a grade of C or better req.

Managing employment relations and work conditions.

Emphasis on negotiating, administering labor agreements, and impact of collective bargaining on managerial practice.

326 SMALL BUSINESS FIELD STUDIES 3

MQM 220, 224 req; MQM 226 or conc reg req. Working within the SBDC as small business consultants, the student acquires first hand knowledge of business by dealing with ongoing businesses.

328 ENTREPRENEURSHIP AND THE ARTS I

3

Jr standing and CFA maj req. Formerly MQM 289.01. The course examines entrepreneurship within the context of the fine arts and provides an overview of topics such as understanding financial statements, analyzing market opportunities, and understanding the legal environment. It culminates in a feasibility study for a new business.

329 ENTREPRENEURSHIP AND THE ARTS II

AND THE ARTS II

3

MQM 328 or cons inst req. Formerly MQM 340.08. The course expands on the background gained in MQM 328 and focuses on activities necessary to become a successful entrepreneur in the context of the fine arts. It culminates in development of a comprehensive business plan.

335 QUALITY CONTROL MANAGEMENT

3

MQM 227 or cons inst req.

Introduces the basic concepts and models used in quality management. Emphasis is placed on the organizational and behavioral dimensions of a quality management program.

337 SERVICE OPERATIONS

MQM 227 and MAT 121 reg.

Issues related to managing operations in the service sector. Topics include the planning, organization, and control of service operations.

340 SEMINAR IN MANAGEMENT

3

MQM 221 req. May be repeated once if topic different. Specialized study of a selected topic in the field of management for advanced students.

341 CORPORATE COMMUNICATION 3

MQM 220 with a grade of C or better and ENG 145.13 or MOM 240 req.

Communications unique to professional employment; emphasis on research and writing skills for effective communication.

349 BUSINESS IN A MULTICULTURAL ENVIRONMENT

3

3

Business operations in a multicultural environment. Relationship between the business process and social attitudes, values, ideologies, and customs with special emphasis on Asia, Latin America, and the Middle East.

350 INTERNATIONAL MANAGEMENT

MQM 220 with a grade of C or better req.

Managerial decision making for planning, organizing, and controlling the functions, operations, and resources of multinational corporations.

352 RECRUITMENT AND SELECTION 3

MQM 323 req.

Advanced course focusing on the relationship between recruitment and selection activities and their impact on other human resource functions and organizational performance.

354 COMPENSATION MANAGEMENT 3

MQM 323 reg.

Compensation subsystem as a vital component in establishing a workplace system that stimulates employee performance.

355 EMPLOYEE APPRAISAL AND CAREER DEVELOPMENT

3

MQM 323 reg.

Advanced course focusing on assessment of employer and employee development needs, career development programs, employee development, program evaluation, and performance appraisal.

356 FOUNDATIONS OF HUMAN RESOURCE DEVELOPMENT

3

Examines theoretical foundations of human resource development and includes employee orientation, technical training, career development, management development, and diversity training.

357 PROGRAM DESIGN AND DEVELOPMENT IN HUMAN RESOURCE DEVELOPMENT

3

Focuses on methods, materials, and technology applied to the design, selection, and implementation of training programs for business and non-profit organizations.

380 LEADERSHIP: TEAMS AND

TEAM DEVELOPMENT

3

MQM 221 or conc reg req. Formerly TEAMS AND TEAM DEVELOPMENT.

The critical issues in groups and teams are examined within organizational settings. Emphasis is on work teams in organizations and the issues of effectiveness, performance, and conflict.

382 ORGANIZATIONAL LEADERSHIP 3

MQM 221 or conc reg req.

Emphasis is on leadership and motivation as directive functions of management that are instrumental for achieving high quality performance and organization member satisfaction. Techniques for enhancing one's individual leadership skills are utilized.

383 LEADING ORGANIZATIONAL

CHANGE

3

MQM 221 or conc reg req. Formerly ORGANIZA-TIONAL CHANGE AND DIVERSITY.

Critical issues in organizational change including power, culture, change strategies, and resistance to change are examined and applied to diversity in the organization and its markets.

384 LEADERSHIP: DECISION MAKING

AND PLANNING

3

MQM 221 or conc reg req. Formerly MANAGERIAL PLANNING AND DECISION MAKING.

A consideration of managerial decision making in organizations. Specific emphasis on strategic, program, and operational level planning decisions, techniques, and systems.

385 ORGANIZATIONAL STRATEGY 3

ACC 166 or ACC 270; MQM 220, 227; FIL 185, 240; MKT 230, all with grades of C or better req. Sr standing req. Bus maj only. Formerly PROBLEMS IN BUSINESS.

Integration of the decision-making processes involved in each of the major functional areas of business.

386 LEADERSHIP AND ORGANIZATIONAL CULTURE

MQM 221 or conc reg req. Not for cr if had MQM

The meaning and impact of culture in organizations, including the role of leadership in creating, managing and changing culture.

398.01 PROFESSIONAL PRACTICE: INTERNSHIP

IN MANAGEMENT

1-6

Primarily for jr/sr Management majors with at least 90 hrs. Experience in general management, human resource management, entrepreneurship/small business, or quality and operations management req. Students qualifying for this internship experience can receive letter-grade cr hrs of which 3 hrs can be counted toward the Management Major. See Dept coord for info.

398.02 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN BUSINESS ADMINISTRATION

1-6

Primarily for jr/sr BUA majors with at least 90 hrs. Students qualifying for this internship experience can receive letter-grade cr hrs, of which 3 hrs can be counted toward the BUA Major. See Dept coord for info.

398.03 PROFESSIONAL PRACTICE: INTERNSHIP IN MANAGEMENT

1-6

Primarily for jr/sr Management majors with at least 90 hrs. Experience in general management, human resource management, entrepreneurship/small business, or quality and operations management req. Students qualifying for this internship experience will receive CR/NC hrs only, of which 3 hrs can be counted toward the Management Major. See Dept coord for info.

398.04 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN BUSINESS ADMINISTRATION

1-

Primarily for jr/sr BUA majors with at least 90 hrs. Students qualifying for this internship experience will receive CR/NC hrs only, of which 3 hrs can be counted toward the BUA Major. See Dept coord for info.

International Business (INB) 546

Degrees Offered: B.A., B.S.

The Baccalaureate program in International Business is designed to provide a specialized curriculum for students interested in business who wish to prepare themselves for international careers within multinational corporations. This interdisciplinary program, administered by the Department of Management and Quantitative Methods, combines course work in general and international business, foreign language, and area studies. Through a concentration or sequence in a business area, the program provides a combination of international business and functional area of business. The student can choose from two international business tracks. The required international business courses provide solid exposure to the unique dynamics of international business. Area studies and foreign language requirements further enhance the students' international experience. Study abroad experiences are an essential element of the international business program. It is strongly recommended that every international business major participate in a study abroad program or complete an international internship.

The International Business program is divided into a common business core applicable to all business students, the International Business core, a concentration or sequence in a functional area, the Languages, Literatures, and Cultures requirement, and area studies requirements. Sixty hours of course work must be taken outside of the College of Business.

MAJOR IN INTERNATIONAL BUSINESS

- 62 required hours including 44 hours in required core, 18 hours in International Business major required and elective courses.
- The 44 hours of required core and non-business courses include the following: BUS 100; ACC 131, 132, 270;
 FIL 185, 240; MKT 230; MQM 100, 220, 227, 385;
 ECO 105; ENG 145.13; MAT 121 or 145.
- 18 hours of International Business coursework from one of two tracks.

Track one:

- —Required courses (15 hours): FIL 312; INB 190;MKT 350; MQM 349, 350.
- —Elective hours (3 hours): Select one of the following courses: ACC 340; ECO 245; FIL 344; INB 245, 398.

Track two:

- Required courses (15 hours): ACC 340; FIL 312, 344; INB 190; MQM 349.
- —Elective hours (3 hours): Select one of the following courses: ECO 245; MKT 350; MQM 350; INB 245, 398.
- Business Functional Area Requirement (9 hours): All students must take a 9 hour concentration in a functional area of business: Accounting, Business Information Systems, Finance, Insurance, Management, and Marketing.
- Languages, Literatures, and Cultures requirement (6-8 hours): All Students must take two language courses at least through the 116-level, regardless of proficiency (proficiency credit may not be used towards the major).
- Area Studies requirement: two courses (6 hours) from Languages, Literatures, and Cultures; Geography; History; Interdisciplinary Studies; or Politics and Government. Consult with the advisor for a list of approved courses. The area studies courses must support the foreign language.

MINOR IN INTERNATIONAL BUSINESS

A minor in International Business is only available to students who major in the College of Business.

- 22 hours required.
- 12 hours to be chosen from ACC 340; FIL 312, 344;INB 190, 245; MKT 350; MQM 349, 350.
- 4 hours required in Languages, Literatures, and Cultures at least through the 115-level.
- 6 hours of area studies electives from Geography, History, Politics and Government, or Interdisciplinary Studies. Consult with advisor for specific courses.

BUSINESS STUDY ABROAD

The College of Business has partner institutions in England, France, Germany, Japan, and Mexico. Additional partnerships are under development. The College sponsors both summer study abroad programs and semester programs. In addition, the University sponsors summer and

semester programs to a variety of countries. Students should plan for an international program early in their studies and consult with the International Business advisor for the transfer of credits earned abroad.

The summer studies abroad programs are conducted in English or the language of the respective country at the partner universities. Check with the advisor for details. For these programs, students earn 6 credits for 2 courses (IDS 133, Interdisciplinary Study Abroad and INB 245, Business Studies Abroad). The semester programs offer courses in English and the language of the country. The student should see the advisor for the articulation of specific courses.

The College's partner universities are:

The University of the West of England Bristol, England (summer program)

The University of Paderborn
Paderborn, Germany (semester program)

Ecole Superieure des Sciences Commerciales d'Angers Angers, France (summer and semester program)

ESIDEC/ICN, Metz, France (summer program)

International Center Chuo University Tokyo, Japan (summer program)

Institutio Technologico de Estudios Superiores de Monterrey (ITESM) Queretaro, Mexico (summer program)

International Business Courses

190 INTRODUCTION TO INTERNATIONAL BUSINESS

3

ECO 101 or 102 or 103 or 105 req.

Provides basic knowledge of theory and practice in International Business; lays the foundation for specialized upper-division courses in International Business.

245 BUSINESS STUDY ABROAD

1-6

Jr standing; cons coord req. 3 hours may count as major elective in the areas the following programs: Business Administration, Finance, Insurance, International Business, Management, and Marketing.

Encompasses any studies related to College of Business Summer Studies Abroad.

398.01 PROFESSIONAL PRACTICE:

INTERNSHIP IN INTERNATIONAL BUSINESS

1-6

Primarily for jr/sr International Business majors with at least 90 hrs. On-the-job experience in international business. Students qualifying for the internship experience can receive up to 6 cr hrs of which 3 can be counted towards a major elective.

MARKETING (MKT) 559

352 College of Business Building, (309) 438-7261 FAX (309) 438-3508

Web address: www.cob.ilstu.edu/marketing/

Chairperson: Timothy Longfellow. Tenured/Tenure-track Faculty:

Professors: Attaway, Cox, Goodwin, Showers, Singley,

Taylor, Williams.

Associate Professors: Goebel, Humphreys, Hunter,

Longfellow.

Assistant Professors: Bailey, Bakir, Beggs, Ishida, Kaufman,

Melton, Wallace.

Academic Requirements:

All students with majors offered by the Department of Marketing must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specified number of hours, to enroll in courses in the Department.

Marketing Program

Degree Offered: B.S. in Marketing

Marketing is a flexible degree that qualifies graduates for a variety of leadership positions in the selling, distribution, pricing, and advertising of goods and services for both profit and non-profit organizations.

MAJOR IN MARKETING

- 68 required hours including 44 hours in required core and non-business courses and 24 hours in Marketing major required and elective courses.
- The 44 hours of required core and non-business courses include the following: BUS 100; ACC 131, 132, 270;
 FIL 185, 240; MKT 230; MQM 100, 220, 227, 385;
 ECO 105; ENG 145.13; MAT 121 or 145.
- Marketing major required courses (9 hours): MKT 231, 232, 338.
- Marketing major elective courses: (15 hours selected from): MKT 233, 234, 329, 310, 311, 324, 325, 326, 329, 331, 332, 333, 334, 335, 337, 339, 350, 398.01, 398.03, 398.04. NOTE: Up to 3 hours of MKT 287, and 398.01 may be counted as part of the 12 hours listed above.
- The senior year's work (last 30 hours) must be completed in residence at Illinois State University.

Students may choose to major with a general Marketing degree or specialize in one of the following sequences:

Integrated Marketing Communication Sequence:

- The 44 hours of required core and non-business courses include the following: BUS 100: ACC 131, 132, 270: FIL 185, 240; MKT 230; MOM 100, 220, 227, 385; ECO 105; ENG 145.13; MAT 121 or 145.
- Marketing major required courses (9 hours): MKT 231, 232, 338.
- Required sequence courses: MKT 233, 333.
- Integrated Marketing Communication elective courses: (9 hours selected from): MKT 234, 331, 332, 339.09, 398.04. Students can count one of the following three Communication classes: COM 111, 202, 227; NOTE: Up to 3 hours of MKT 287, and 398.04 may be counted as part of the 9 hours listed above.
- The senior year's work (last 30 hours) must be completed in residence at Illinois State University.

Professional Sales Sequence:

- The 44 hours of required core and non-business courses include the following: BUS 100; ACC 131, 132, 270; FIL 185, 240; MKT 230; MQM 100, 220, 227, 385; ECO 105; ENG 145.13; MAT 121 or 145.
- Marketing major required courses (9 hours): MKT 231, 232, 338.
- Required sequence courses: MKT 234, 334.
- Professional Sales sequence elective courses: (9 hours selected from): MKT 311, 324, 325, 326, 329, 398.03. Up to 3 hours of MKT 287, and 398.03 may be counted as part of the 9 hours listed above.
- The senior year's work (last 30 hours) must be completed in residence at Illinois State University.

Marketing Courses

230 INTRODUCTION TO MARKETING MANAGEMENT

ECO 105 or (101 and 102) or 103 reg.

A managerial approach to the study of such key decision areas as advertising, distribution, pricing and product development as well as other concepts and activities that facilitate exchange and build relationships between buyers and sellers in the environments of business and nonbusiness organizations.

231 BUYER BEHAVIOR 3

MKT 230 with a grade of C or better reg.

Theory and research on explaining and predicting consumer and organizational buying behavior. Course examines concepts that have implications for marketing management decisions.

232 MARKETING RESEARCH

MQM 100 (or ECO/GEO/POL/PSY 138) and MKT 230, both with a grade of C or better req.

3

Examines marketing research methods and techniques used in the collection and interpretation of primary and secondary data. Hands-on experience is gained through participation in one or more research projects.

233 FOUNDATIONS OF INTEGRATED MARKETING COMMUNICATION

MKT 230 with a grade of C or better req. Formerly ADVERTISING.

Provides an introduction to and foundation for integrated marketing communication (IMC). Coverage will include brand strategy, management, and measurement, overview of promotional mix tools, and secondary research tools for situation analysis as the foundation for IMC planning.

234 PERSONAL SELLING AND RELATIONSHIP MARKETING

3

AGR 214 or MKT 230 with a grade of C or better reg. Materials charge optional.

Presents personal selling as a professional marketing activity: coverage of effective selling methods. Application of selling theories to the modern marketing concept. In-class presentations and role playing exercises are typical. Interactive Learning Systems Technology is used in all sections.

298 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE **EDUCATION IN MARKETING**

1-6

Jr standing req. Primarily for students with less than 89 hrs earned. Does not count toward the MKT Major. CR/NC only. See dept chair for info and cons.

310 MARKETING LOGISTICS AND SUPPLY CHAIN MANAGEMENT

MKT 230, 231, 232 req. Not for cr if had MKT 339.01. Analysis and development of integrated physical distribution systems: applications of quantitative methods for regarding movement and storage of raw materials and finished goods.

311 MARKETING AND SALES

FORECASTING

3

3

MKT 230, 231, 232, or conc reg req. Not for cr if had MKT 339.02.

The role of forecasting in marketing decision making, and the systematic steps involved in conducting a forecasting project.

324 ADVANCED PROFESSIONAL SELLING AND NEGOTIATIONS

MKT 230, 234 req. Not for cr if had MKT 339.08. Materials charge optional.

Course is designed to enhance the student's ability and confidence to effectively negotiate win-win solutions through highly experiential and real world-based projects.

325 KEY ACCOUNT AND

RELATIONSHIP MANAGEMENT

MKT 230, 234 req. Not for cr if had MKT 337. Materials charge optional.

The course focuses on major account management, the supply chain; purchasing units; segmentation and targeting organizational markets; team selling and management.

326 PROFESSIONAL SALES PLANNING AND ANALYSIS

MKT 234 req. Materials charge optional.

Course involves analyzing territory market potential, developing call schedules, territory routing routines, and account goals, managing sales budgets, and sales person job shadowing.

329 PURCHASING POLICIES AND PROCEDURES

MKT 230 with a grade of C or better req.

Purchase of materials, supplies, and equipment for industry, government, and other institutions. Organization for purchasing, internal requisitioning, and stock control. Significant case analysis is typical.

331 SUPPORT STRATEGIES FOR IMC

MKT 230, 231, 232, 233 reg.

Provides in-depth coverage of areas that are briefly discussed in MKT 233. Focus on the integration of support strategies into campaigns.

332 IMC CREATIVE STRATEGY AND DESIGN

MKT 230, 231, 232, 233 req.

Provides an overview of the creative strategy development process within an integrated marketing communication (IMC) framework. Includes detailed coverage and application of elements and principles of creative strategy and design.

333 INTEGRATED MARKETING COMMUNICATION

3

3

MKT 231, 232, 233 req. Formerly ADVERTISING MANAGEMENT.

This course is designed to overview and experience the integrated marketing communication (IMC) planning process through a client project. In addition to exploring the IMC or promotional strategy planning process, within a marketing strategy framework in class sessions, students will gain experience in developing an IMC plan based on a thorough market/situation analysis for real clients.

334 SALES MANAGEMENT

.

MKT 234 reg.

Theory, principles, and practices of sales force administration for manufacturing, wholesaling, and service enterprises. Topics include recruiting, training, compensation, and performance appraisal. Computer simulation gaming is typical.

335 RETAILING MANAGEMENT AND PROMOTION

3

MKT 230 with a grade of C or better req.

Management and operation of retail firms. Emphasis on location analysis, pricing, inventory control, merchandising and promotion. Experiential assignments are typical.

338 STRATEGIC MARKETING MANAGEMENT

3

MKT 231 and 232 req.

Development, implementation, and control of the marketing plan. Short and long-run perspectives are considered equally important. Includes analysis of actual and hypothetical cases. Computer simulation gaming is typical.

339 SEMINAR IN MARKETING

. 3

MKT 231, 232 or cons dept chair req. May be repeated once if topic and inst different.

A specialized study of important, narrow areas in the field of marketing for advanced students. Recent topics include direct marketing, logistics/physical distribution, sales/market forecasting, advanced marketing research, advanced professional selling, and services marketing. Computer simulation gaming is typical.

350 INTERNATIONAL MARKETING

3

MKT 230 with a grade of C or better req. Formerly MKT 238

Understanding the global marketing environment and developing marketing strategies across national boundaries. The political, economic, and cultural variables which influence such strategies are identified. Recent cross-cultural research and real world cases clarify concepts and their application.

398.01 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN MARKETING 1-6

Jr standing req. Primarily for students with at least 89 hrs earned. Those qualifying for this internship/coop experience can receive letter-grade cr, and up to 3 cr hrs can possibly be counted toward the MKT Major. See dept chair for info and cons.

398.02 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN MARKETING 1-6

Primarily for students with at least 89 hrs earned. Those qualifying for this internship/coop experience will receive CR/NC hrs only, none of which can be counted toward the MKT Major. See dept chair for info and cons.

398.03 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN PROFESSIONAL SALES

1_6

Jr standing req. Primarily for students with a least 89 hrs earned. Those qualifying for this internship/coop experience can receive letter-grade cr, and up to 3 cr hrs can possibly be counted toward the MKT Major. See dept chair for info and cons.

398.04 PROFESSIONAL PRACTICE: INTERNSHIP/COOPERATIVE EDUCATION IN INTEGRATED MARKETING COMMUNICATION 1-6

Jr standing req. Primarily for students with a least 89 hrs earned. Those qualifying for this internship/coop experience can receive letter-grade cr, and up to 3 cr hrs can possibly be continued toward the MKT Major. See dept chair for info and cons.

BUSINESS TEACHER EDUCATION (BTE)

556

General Information

The Business Teacher Education program focuses on developing business, marketing and computer educators through the pursuit of Illinois State University's conceptual framework for teacher education: "Realizing the Democratic Ideal." The BTE program prepares students for teacher certification requirements for the State of Illinois by embracing state and national teacher education standards established by the Illinois State Board of Education (ISBE), National Council for Accreditation of Teacher Education (NCATE), International Society for Technology in Education (ISTE), and National Association of Business Teacher Education

(NABTE) This program prepares graduates for secondary teaching positions as well as elementary and middle school level positions (special K-12 certification).

Students should note that:

- Business Teacher Education majors must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specified number of hours, to enroll in Business Teacher Education courses.
- At least 60 hours of credit toward the bachelor's degree must be taken outside the College of Business and in subject areas other than business.
- 3. Majors in the Business Teacher Education program must earn and maintain a 2.50 GPA for Admission to Professional Studies (see University-Wide Teacher Education program requirements in the College of Education section of this *Undergraduate Catalog* for further information). Also, Business Teacher Education majors must have a minimum GPA of 2.50 in the major and at ISU in order to be eligible to student teach.
- 4. For the Business Teacher Education program, minimum Pre-Clinical Experiences totaling 100 clock hours shall be completed prior to student teaching. Several Business Teacher Education and College of Education courses include Pre-Clinical Experiences.
- Students shall plan programs in consultation with an advisor.
- 6. The BTE program is a performance-based program (PBA) that requires students to attend two program meetings (one each in fall and spring semesters) to receive updates and complete assessments. In the BTE PBA system, students pass over five (5) thresholds to complete the program. In addition to regular course work and campus-wide teacher education performance assessments, BTE students complete interviews, essays, check sheets, attend college colloquia, and prepare a summative program portfolio. See the BTE coordinator and/or advisor for further details.
- 7. Students desiring the cooperative career and technical vocational education endorsement are required to complete BTE 380 and 382 and have 2,000 hours of non-teaching work experience in the business area.

Business Teacher Education Programs (BTE)

Degrees Offered: B.A., B.S., B.S. in Ed.

MAJOR IN BUSINESS TEACHER EDUCATION

Business Teacher Education includes: (1) a study of the concepts and properties in modern business environments, including accounting, business law, information processing, telecommunications, quantitative analysis, management, marketing and finance; (2) the development of cognitive, psychomotor, and affective skills in the content areas (listed above in 1) related to the use of tools, materials, processes,

recourses, technologies, principles, and products as well as their impact on society; and (3) the professional competencies of planning, implementing and evaluating instruction. The program is based upon Illinois State University's institutional standards as reflected in the conceptual framework for Teacher Education. Furthermore the BTE program embraces the Illinois State University conceptual framework by addressing standards developed by the ISBE (Illinois Professional Teaching Standards, Illinois Business, Marketing, and Computer Education Content Standards, Illinois Core Language Arts Standards, Illinois Core Special Education Standards for all teachers and Core Technology Standards for all teachers). These standards were established by the agencies and professional organizations listed above.

The BTE program, through the following requirements, is part of the entitlement program leading to the type 10 certificate, K-12 Specialist in Business Education. Initial employment opportunities include elementary, middle level and junior high level business and computer instruction/technology coordination; high school business, marketing and computer teacher/coordinator; school/district computer teacher; community college/technical college instructor; and business/industry trainer/instructor.

Student Teaching comprises a full semester experience with approximately 6 weeks in an elementary and/or middle level setting (5 semester hours) and approximately 10 weeks in a secondary level setting (7 semester hours). Prior to student teaching students complete at least 100 pre-clinical hours of field experience with a minimum of 30 in elementary/middle level and 70 in secondary settings. See, also, University-Wide Teacher Education program requirements and Professional Studies Admission sections of this *Undergraduate Catalog* for further requirements.

Required courses:

- 125 total semester hours required:
- Professional Education (26 hours): C&I 212, 214, 216;EAF 228 or 231 or 235; Student Teaching.
- Courses outside of major (44 hours) required: COM 110; ECO 105; ENG 101; MAT 120 or 144; PSY 110;
 Inner Core: Natural Science (6 hours); Middle Core:
 Language in the Humanities, U.S. Traditions, Individuals and Civic Life; Outer Core: Humanities,
 Science/Math/Technology, Fine Arts, Social Science.
- Business courses (27 hours) required: ACC 131, 132, 270; BUS 100; FIL 185, 240; MKT 230; MQM 100, 220.
- BTE courses (28 hours) required: BTE 110, 140, 199, 225, 260, 322, 330, 354, 362, 363, 364.
- Optional Business Computer Programming Specialization (6 hours): TEC 243 and either ACC 266 or TEC 151.

The Business Teacher Education graduate is prepared to teach the following subjects: basic business, introduction to business, accounting, record keeping, business law, information processing keyboarding, computer applications, consumer economics/education, marketing, entrepreneurship, business communications, and subjects with similar titles.

The work-based learning teacher/coordinator specialization is available for teachers with a career and technical education degree and special education teachers by completing BTE 380 and 382 and proof of 2,000 hours of employment experience in the occupational specialty to be taught.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching clinical experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- Observation
- Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- Professional meeting
- 10. Other

Business Teacher Education Courses

All of the following Business Teacher Education (BTE) courses were formerly Business Education and Administration (BEA) courses.

110 INPUT TECHNOLOGIES AND ADVANCED DOCUMENT CREATION 3

Ability to use word processing software and touch keyboard at 40 wpm. Not for cr if had BTE 108

Advanced skills and concepts related to speech recognition, handwriting recognition, scanners, digital cameras, webpage design, desktop publishing, and word processing.

140 BUSINESS COMMUNICATION

ENG 101 or conc reg req. Formerly MQM 140 INTRODUCTION TO BUSINESS COMMUNICATION. Materials charge optional.

Oral, written, and electronic communication practices in business. Communication skills will be improved through solution of practical business problems.

199 INTRODUCTORY CLINICAL EXPERIENCE IN BTE

1-3

Incl Clin Exp: 50 hrs min, Type 1-6, 9, 10. For CR/NC only.

Assist public school business teacher in delivering instruction. Includes observation, record keeping, grading, instructional material preparation, instructional aiding and direct teaching.

225 ADVANCED MICROCOMPUTER APPLICATIONS FOR THE PROFESSIONAL

3

MS Office competency or ACC 167 and 168 or equiv req. Materials charge optional. Also offered as ACC 225.

Development of advanced skills in widely used application software. Introduces topics related to the role of technology in education and training.

260 FOUNDATIONS OF BUSINESS EDUCATION

2

C&I 212, 214, or conc reg reg.

Historical background and current status of Business Education emphasizing professional responsibilities of teachers and principles of curriculum construction.

300 CAREER PLACEMENT DECISIONS 1

An orientation to the processes used in obtaining employment. Includes instruction concerning resumes, application letters, job sources, and interviews.

322 ENTREPRENEURSHIP STUDY FOR THE BUSINESS TEACHER

3

MQM 220; MKT 230 req.

Provides future business teachers with content knowledge to teach a high school entrepreneurship course.

330 DECISION-MAKING FOR CONSUMERS

3

Also offered as FCS 330.

Survey of consumer problems, trends, and information. Topics include: insurance, housing, credit, life-styles, consumer protection, leisure, and achieving financial security.

354 EDUCATIONAL TECHNOLOGY INFORMATION SYSTEM: PLANNING AND IMPLEMENTATION

BTE 225 and MQM 220 with a grade of C or better req. Formerly ADMINISTRATIVE OFFICE INFORMATION SYSTEMS: PLANNING AND IMPLEMENTATION.

Understand the role of information technology systems in educational settings. Includes developing skills in evaluating hardware and software, developing technology plans and policies, implementing and evaluating technology systems, using the Internet to solve educational/learning issues, and keeping current with technological innovation.

360 TOPICS IN STRATEGIES OF TEACHING BUSINESS EDUCATION SUBJECTS

2

3

BTE 260 or conc reg req; C&I 216 req. Incl Clin Exp: 12 hrs, Type 1-6, 9. May be repeated if content different. Adm to Professional Studies or teaching experience req.

Methods of teaching Business Education subjects including keyboarding, information processing, basic business, consumer economics, accounting, marketing education, and current topics.

362 BASIC BUSINESS, ACCOUNTING, AND MARKETING INSTRUCTION

BTE 260 or conc reg req. Adm to Professional Studies rea.

Methods of teaching basic business, consumer economics, accounting, and marketing.

363 KEYBOARDING, INFORMATION PROCESSING, AND COMPUTER APPLICATION

BTE 225, 260 or conc reg req. Adm to Professional Studies reg.

Instructional strategies in the teaching of personal and vocational keyboarding and computer applications at the junior high and high school levels.

364 TEACHING KEYBOARDING AND INFORMATION PROCESSING IN ELEMENTARY SCHOOLS

BTE 363, or conc reg req. Incl Clin Exp: 5 hrs, Type 1-6, 9. Adm to Professional Studies req.

Methods of teaching keyboarding and information processing for elementary students.

380 ORGANIZATION AND ADMINISTRATION OF VOCATIONAL COOPERATIVE **EDUCATION PROGRAMS**

Incl Clin Exp: 5 hrs, Type 1-6, 9. Also offered as FCS

Planning and organizing a cooperative program; emphasis on recruitment, selection of training stations, student placement, and operation of cooperative plan.

382 COORDINATION TECHNIQUES OF COOPERATIVE VOCATIONAL **EDUCATION PROGRAMS**

Incl Clin Exp: 5 hrs, Type 1-6, 9. Also offered as FCS 382 and TEC 306.

Coordination techniques needed for high school and postsecondary teacher coordinators in integrating classroom activities with daily employment.

COLLEGE OF EDUCATION

Dean: Deborah Curtis, Office: 506 DeGarmo Hall.

Web address: www.coe.ilstu.edu/

The College of Education includes the Departments of Curriculum and Instruction, Special Education, Educational Administration and Foundations, the Office of Clinical Experiences and Certification Processes in the Teacher Education Center, and the Laboratory Schools. A research and service unit is also included in the College of Education.

The mission of the College of Education is to provide state and national leadership in teacher and administrator education, educational research, and educational policy.

The preparation and continuing professional development of educators is the core of this mission. The guiding framework for teacher education at Illinois State University, "Realizing the Democratic Ideal," captures the values of education programs: "To teach in a democracy is self-consciously to take up the burden of improving the moral and intellectual quality of our societal dialogue by including in it as many educated voices as possible." A comprehensive offering of degree, certification, and outreach programs operated year round at both undergraduate and graduate levels constitutes the primary mechanism through which the mission is fulfilled.

The College also fulfills its strategic mission of influencing education by interacting directly with practitioners in the field in a variety of partnerships in schools and other associations and agencies. In addition, the College is an active participant in discussions related to educational policy development within national, state, and local arenas.

CURRICULUM AND INSTRUCTION (C&I)

232 DeGarmo Hall, (309) 438-5425 Web address: www.coe.ilstu.edu/c+idept/

Chairperson: Barbara Nourie.

Tenured/Tenure-track Faculty:

Professors: Curtis, Haynes, Jerich, Lorber, Lorsbach, Moore, Moss, Nourie.

Associate Professors: Al-Bataineh, Bassoppo-Moyo, Crumpler, Hatch, Kruger, Morey, Morgan, Smith, Weilbacher.

Assistant Professors: Bates, Bohn, Clardy, Handsfield, Kim, Latham, Lucey, Meyer, Michie, O'Malley, Owles, Park, Pfister, Sanny, Spycher, Toledo, Wedwick.

General Department Information

Early ChildhoodEducation Programs

Degrees Offered: B.S., B.S. in Ed.

Academic Requirements:

Students are admitted to the Early Childhood Education program on a competitive and selective basis. Transfer students must have a minimum cumulative transfer GPA of 3.00. Internal transfers must also have a 3.00 to be considered. Meeting minimum requirements does not guarantee admission to the program.

To register for C&I 271, the Early Childhood Education program entry course, students must have achieved:

- 1. A minimum cumulative and major GPA of 2.50.
- 2. A minimum of 45 semester hours completed (To begin C&I 271, however, students must have achieved junior standing—a minimum of 60 semester hours completed.)
- 3. A minimum grade of C in both ENG 101 and COM 110.
- 4. All sections of State of Illinois Basic Skills Test passed (see description below).

Students should contact their Curriculum and Instruction advisors for additional information. Prospective transfer students will be admitted on a competitive basis to Illinois State University. (See the Admission section of this *Undergraduate Catalog.*) Advanced registration is strongly recommended.

State of Illinois Basic Skills Test

533

All early childhood majors are required to pass the State of Illinois Basic Skills Test in reading, writing, and mathematics before registering for C&I 271. For this reason students should take the State of Illinois Basic Skills Test (fee required) as early as possible.

MAJOR IN EARLY CHILDHOOD EDUCATION

The Early Childhood Major leads to certification for teaching in programs serving children birth to age 8 (grade 3). The professional coursework of the program focuses on preparation for teaching in child care centers, pre-schools, 0-3 early intervention programs, and primary K-3 classrooms.

Students are encouraged to take the State of Illinois Basic Skills Test as early as possible since passing scores on the State of Illinois Basic Skills Test are required before registering for (C&I 271).

264 Curriculum and Instruction

- Required courses (69 hours): C&I 111, 210, 271, 273, 274, 275, 276, 277, 278, 292, 293, 294, 314; EAF 228 or 231 or 235; ART 208 or MUS 278 or THE 229 or THE 282; PAS 115; SED 101, 373, 379; and STT 399 54
- Each student should consult the Teacher Education Requirements section of the *Undergraduate Catalog* for further understanding of state General Education requirements for certification in Early Childhood Education.
- A teacher education candidate for initial certification must earn a grade of C or better in the following courses: C&I 271, 273, 274, 275, 276, 277, 278, 292, 293 and 294 and student teaching in order for the Dean of the College of Education to recommend that the Evaluations Office send to the candidate the proper documentation to apply for the appropriate Illinois Teaching Certificate to be issued by the Illinois State Board of Education.

Elementary Education Programs

Degrees Offered: B.S., B.S. in Ed.

Academic Requirements:

Students are admitted to the Elementary Education program on a competitive and selective basis. Transfer students must have a minimum cumulative transfer GPA of 3.00 and an A.A. or A.S. degree and meet all other entrance requirements as currently specified by the program. Internal transfers must also have a 3.00 to be considered. Meeting minimum requirements does not guarantee admission to the program. Advanced registration is strongly recommended. Students should contact Curriculum and Instruction advisors for additional information.

To register for C&I 209, Literacy II, a student must have achieved:

- 1. C&I 208 Literacy I;
- 2. 2.50 cumulative GPA;
- All sections of State of Illinois Basic Skills Test passed (see description below);
- 4. Grade of C or better in COM 110 and ENG 101.

NOTE: In order to be eligible to student teach, students must earn a minimum grade of C in the following elementary level methods courses: C&I 208, 209, 257, 258; MAT 201.

State of Illinois Basic Skills Test

All elementary majors are required to pass the State of Illinois Basic Skills Test in reading, writing, and mathematics before registering for C&I 209. For this reason, students should take the Illinois Basic Skills Test (fee required) as early as possible.

MAJOR IN ELEMENTARY EDUCATION

The Elementary Education program prepares candidates for certification in grades K-9. The program is based on the conceptual framework "Realizing the Democratic Ideal" and closely aligned with the Interstate New Teacher Assessment and Support Consortium (INTASC) standards, the Illinois Professional Teaching Standards (IPTS) and the standards developed by Association for Childhood Education International (ACEI), all of which are integrally related.

Throughout the program, elementary education majors have opportunities to link theory with practice as they participate in clinical experiences in elementary classrooms. Elementary education majors also may apply to one of several Professional Development Schools in which they integrate their coursework with ongoing classroom experiences in participating school districts.

Elementary Education Program Sequence Requirements:

All Elementary Education majors are required to complete 18 semester hours in a discipline from one of the following areas: General Science, Social Science, Language Arts, Foreign Language, or Mathematics. All Elementary Education majors are required to complete 12 semester hours of science from the areas of Biological Sciences, Chemistry, Geology, and/or Physics. Students should contact Curriculum and Instruction advisors for additional information.

- Required C&I courses (24 hours): C&I 204, 208, 209, 210, 211, 233.01, 257, 258.
- Required major adjunct courses (29 hours): ART 204 or MUS 277 or THE 281 or THE 283; EAF 228 or 231 or 235; ENG 170; KNR 222; *MAT 130, *MAT 152 or 202: MAT 201: **PSY 110, 302; SED 101.
- 12 hours Professional Education Student Teaching: STT 399.50 (entire semester experience).
- *Department of Mathematics prerequisites for MAT 201.
- ** Department of Psychology prerequisite for PSY 302.

In the semester before Student Teaching, students will enroll in a 12-15 hour semester consisting of C&I 211, 257, 258, and either 233.01 (online), or EAF 228 or 231 or 235 (some sections online), or sometimes both. Candidates are encouraged to take C&I 233.01 or their EAF course in the summer before their senior block if possible. Candidates are generally limited to this schedule because either (a) they are required to complete 3 weeks of full-time Clinical Experiences in elementary schools during their senior block, or (b) this semester is taken at an off-campus Professional Development School.

Bilingual/Bicultural Education Sequence:

An Elementary Education major who completes the requirements for a B.S. or B.S. in Education degree and who completes the proposed required courses listed may be certified as an elementary school teacher with bilingual/bicultural approval. In addition to the courses required for the Elementary Education major, other required courses include:

- Required courses: C&I 319, 320, 321, 322; ENG 243.
- 2 courses selected from ENG 290, 341, 343, 344, 345.
- 3 courses selected from LAN 213.15, *244.15, *305.15, 336.15.

- 1 course selected from HIS 104.03, 111, 263, 273, 322.
- 1 course selected from ANT 175, 277; SOC 111, 260, 264.
- Bilingual Education student teaching must be in a bilingual setting.

*These courses can be taken during summer programs sponsored by the Department of Languages, Literatures, and Cultures in Spanish-speaking countries or on campus.

Additional courses in Spanish may be needed in order to obtain the required degree of Bilingualism. The courses available in the Department of Languages, Literatures, and Cultures are complemented by a summer program abroad. Language proficiency will be determined by successfully passing the Illinois Language Proficiency Test administered by the Illinois State Board of Education. The acceptable level of language proficiency required by the state of Illinois is a 70% score. This level requires that the candidate function sometimes, but not consistently, in the following:

- · supports opinions and argues logically a point of view
- · hypothesizes
- · discusses abstract and concrete topics
- · makes unpatterned errors only
- · can get into, through, and out of familiar situations

The Elementary Education major who desires Bilingual/Bicultural approval should consult the Coordinator of the Bilingual/Bicultural Education Program in the Department of Curriculum and Instruction for assistance in planning a program to meet the above requirements.

ENDORSEMENT IN READING

Students may complete course work leading to the 24-hour reading teacher endorsement. To meet these state requirements, students must fulfill 18 hours in reading in categories designated by the State of Illinois, and two additional elective courses. Students should see an advisor to plan this coursework.

Middle Level Teacher Education Programs

Degrees Offered: B.S., B.S. in Ed.

Academic Requirements:

Students are admitted to the Middle Level Teacher Education program on a competitive and selective basis. Transfer students must have a minimum cumulative transfer GPA of 3.00. Internal transfers must also have a 3.00 to be considered. Meeting minimum requirements does not guarantee admission to the program. To register for C&I 233, the Middle Level Teacher Education program entry course, students must have achieved:

- 1. A minimum cumulative and major GPA of 2.50.
- 2. A minimum grade of C in both ENG 101 and COM 110.
- 3. All sections of the State of Illinois Basic Skills Test passed (see following description).

Students should contact their Curriculum and Instruction advisors for additional information. Prospective transfer students are admitted on a competitive basis. Meeting minimum requirements does not guarantee admission to the program.

Illinois Basic Skills Test

All middle level teacher education majors are required to pass the State of Illinois Basic Skills Test in reading, writing, and mathematics before registering for C&I 233. For this reason students should take the State of Illinois Basic Skills Test (fee required) as early as possible.

MAJOR IN MIDDLE LEVEL TEACHER EDUCATION

Professional Requirements:

- 40 hours in Professional Education required. Part of entitlement program leading to certification: Elementary K-9.
- Required courses: C&I 130, 210, 233, 306, 333, 390, 395, 399.55 (12 hours of Student Teaching); EAF 228 or 231 or 235; PSY 302; PSY 346 or 347 or SED 101.

Specialization Requirements:

 Appropriate preparation in 2 or more areas of teaching specialization listed below is required.

The major in Middle Level Teacher Education, a program of professional development for those who wish to teach at the middle school-level of education, consists of three broad areas of preparation. These are: General Education requirements for certification which are listed in the section on Teacher Education; Professional Requirements which are listed above; and Teaching Specialization Requirements, the character of which are described below. Upon satisfactorily completing this program, the student will meet the State of Illinois requirements for Elementary certification (K-9).

Curriculum and Instruction advisors will assist the Middle Level Teacher Education major in planning course work in both a primary and secondary area of specialization.

Primary Specialization:

A student must complete specified hours from one of these content areas: Science, Industrial Technology, Social Sciences, Mathematics, Reading, Language Arts, or Physical Education.

Secondary Specialization:

In addition to the primary specialization, a student must complete a minimum of 18 hours (completes the State of Illinois minimum requirements for teaching in a second field) in another content area selected from those listed above, or from Health Education. **NOTE**: Middle Level majors must choose at least one of the four core curriculum areas (mathematics, science, social sciences, language arts) as either their primary or secondary specialization.

266 Curriculum and Instruction

Unlike preparation for senior high school teaching, the middle school demands broad preparation across the several disciplines that constitute a subject area at this level. To meet these broad field demands in their selected teaching areas, pre-service teachers in the Illinois State program are guided through coursework that is specifically attuned to the curriculum requirements of the middle school.

A primary feature of the Middle Level Teacher Education program is the experience that the pre-service teacher gains in working with young adolescent youth in the school environment. Simultaneously with the course work in the categories previously described, the student in the program engages in a variety of Clinical Experiences working with students in middle schools. This includes the option of a year-long partnership experience during the last year of the program. Partnership schools may be located in any area of Illinois. In fulfilling its strong commitment to young adolescent education, Illinois State University works closely with these schools to provide maximal opportunities for majors in the development of teacher-student interaction skills. The prescribed and voluntary internship activity aids the student in making the transition from pre-service to inservice teaching much more effectively and expeditiously. These activities and the other features of this specialized program combine to provide a comprehensive and thorough undergraduate program for teachers as specialists at a school level where few exist.

Certification standards and standards for school recognition by the Illinois State Board of Education relating to the qualifications of teachers as well as those for member schools of the North Central Association are met and considerably exceeded by graduates of the Middle Level Teacher Education program at Illinois State University.

A teacher education candidate for initial certification must earn a grade of C or better in student teaching in order for the Dean of the College of Education to recommend that the Evaluations Office send to the candidate the proper documentation to apply for the appropriate Illinois Teaching Certificate to be issued by the Illinois State Board of Education.

Urban Education Study:

Students wishing preparation for working with urban populations may elect to complete Urban Education. Urban Education is not a certified area but is an elective option available to students in Elementary Education, Middle Level Education, Special K-12, High School, Early Childhood, and Special Education programs. Course content and Clinical Experiences are individually designed in keeping with the specific Teacher Education program of the student.

The following includes both on and off-campus course work experiences in both school and non-school educational settings, and in agency activities: C&I 110—Introduction to Multicultural Education (3 hours), C&I 232—Urban Education: An Introduction (3 hours), C&I 312—Urban Field Experiences (6 hours off campus), and C&I 398—Professional Practice: School/Community Involvement (3 hours).

SECONDARY EDUCATION NOTE: It is recommended that students progress through the Professional Education requirements in the following order:

- PSY 215 (Educational Psychology), 3 hours and C&I 212 (Issues in Secondary Education), 2 hours.
- EAF 228 (Social Foundations), or EAF 231 (Introduction to Philosophy of Education), or EAF 235 (Historical Foundations), 3 hours.
- Begin the process leading to Admission to Professional Studies. This may require more than one semester. See the Index for Admission to Professional Studies details. Take the State of Illinois Basic Skills Test in reading, writing, and mathematics as soon as possible. Students must pass all sections of the State of Illinois Enhanced Basic Skills Test before they can register for C&I 214 and 216.
- C&I 214 (Literacy in the Content Areas of Secondary Education) and C&I 216 (Instructional and Evaluative Methods in Secondary Education), 3 hours each.
- Special Methods course(s) and student teaching as required by each academic department. Check with the advisor in your major department for specific course numbers.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools, professional development schools, campus laboratory schools, agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Curriculum and Instruction Courses

104 INTRODUCTION TO EDUCATION

3

An overview of the world of K-12 public education, and introduction to teaching as a career.

110 INTRODUCTION TO MULTICULTURAL EDUCATION

3

Materials charge optional.

Exploring the theories and processes for understanding and working with culturally diverse groups in educational settings and the implications for programming at all levels.

111 TEACHING DIVERSE STUDENT POPULATIONS: BIRTH - 8 YEARS

Early Childhood maj only. Not for cr if had C&I 110.

Exploring the theories and processes for understanding and working with culturally diverse groups in educational settings and implications for programming at the birth through eight-year-old level.

130 INTRODUCTION TO EDUCATION OF THE YOUNG ADOLESCENT

1

First course in Middle Level Teacher Education Seq. Develops the distinctive role of young adolescent education in the public school, contrasted with elementary and senior high school education.

204 ELEMENTARY EDUCATION: PRACTICES AND ISSUES

3

Ed maj only. Clin Exp Incl: Type 1, 3, 4. Materials charge optional.

Essential practices and issues related to elementary education teaching: certification, sociocultural context of teaching and learning, instructional planning and assessment, classroom management theories.

208 LITERACY I: READING AND LANGUAGE ARTS IN THE ELEMENTARY SCHOOLS

3

El Ed, SED, and middle level maj only. Soph standing. 2.00 cum GPA; C&I 210 req. Incl satisfactory compl Clin Exp.

Study about theory and practice in teaching reading and language arts at the elementary school level.

209 LITERACY II: READING AND LANGUAGE ARTS IN THE ELEMENTARY SCHOOLS

3

El Ed, SED, and middle level maj only. C or better in ENG 101 and COM 110. C&I 208 req. 2.50 cum GPA. All sections of State of Illinois Basic Skills Test passed. Incl satisfactory compl Clin Exp: Type 2.

Extends students' knowledge of literacy and the use of appropriate assessment measures and instrument strategies.

210 CHILD GROWTH AND DEVELOPMENT

3

Incl satisfactory compl Clin Exp: Type 1. Soph standing. Physical, social, emotional, and mental development of the child from conception through adolescence; methods of studying children and their behavior.

211 SEMINAR IN EDUCATION

3

El Ed maj only. C&I 208 and 209 req. Sr standing, 2.50 maj and overall GPA. Adm to Prof Studies. Concreg in C&I 257, 258 req. Not for cr if had C&I 254. Incl satisfactory compl Clin Exp: Type 1, 2, 3, 4, 9, 10.

Capstone course synthesizing broad curricular and instructional issues for teaching in the elementary grades, providing a transition into student teaching.

212 ISSUES IN SECONDARY EDUCATION

2

Teacher Ed Seq leading to 6-12 or K-12 cert (other than Spec Ed). Overall GPA of 2.50; 45 hrs req. Incl satisfactory compl Clin Exp. Type 1-4, 10. Formerly C&I 215.

Focuses on the social, economic, and political forces that influence the development, organization, and purposes of secondary schools.

214 LITERACY IN THE CONTENT AREAS OF

CONTENT AREAS OF SECONDARY EDUCATION

3

Teacher Ed Seq leading to 6-12 or K-12 cert (other than Spec Ed). Adm to Prof Studies req; 45 hrs req. C or better in ENG 101, COM 110 and C&I 212 req. Incl satisfactory compl Clin Exp: 10 hrs, Type 1, 2, 4, 5, 6, 10. Formerly READING IN THE CONTENT AREAS OF SECONDARY EDUCATION.

This course focuses on materials and strategies (techniques) which support literacy in all content areas.

216 INSTRUCTIONAL AND EVALUATIVE METHODS IN SECONDARY EDUCATION

3

Adm to Prof Studies; 45 hrs req. C or better in C&I 212 and PSY 215 req. Adm to Prof Studies req. Incl conc reg req lab 216.xx for field exp at University High (see advisor). Incl satisfactory compl Clin Exp: 55 hrs, Type 1, 2, 4, 5, 10.

This course is designed to introduce and develop secondary school teacher candidate's ability to plan, deliver, and evaluate standards-based instruction.

222 READING ASSESSMENT

3

C&I 208 req; or Education or Psychology measurement rec. Incl satisfactory compl Clin Exp: 5 hrs, Type 1, 2, 6, 9, 10.

Study of the assessment of the reading process.

232 URBAN EDUCATION: AN INTRODUCTION

3

Strategies for educating urban students.

233 MIDDLE LEVEL EDUCATION AND THE YOUNG ADOLESCENT 3

Middle Level Teacher Ed Maj only; C&I 130 or conc reg req. 2.50 overall GPA req. C or better in ENG 101 and COM 110 req. All sections of State of Illinois Basic Skills Test passed. Incl satisfactory compl Clin Exp: 20 hrs, Type 5. (Non-maj section- 233.01; cum GPA 2.00, maj GPA 2.00; C or better in ENG 101 and COM 110 req).

Organizational structure of American public education; provisions for young adolescent education; understanding the characteristics of the young adolescent student; the role of the teacher of young adolescents.

257 SCIENCE METHODS

3

El Ed maj only. Sr. standing. C&I 208 and 209 req, incl 1 lab course. Conc reg in 211, 258 req. Conc reg in C&I 233.01 and EAF 228 or 231 or 235 rec. 2.50 maj and overall GPA. Adm to Prof Studies. Materials charge optional.

Methods associated with effective K-9 science instruction. Emphasis placed upon activity-based instructional strategies.

258 SOCIAL STUDIES METHODS

El Ed maj only. Sr standing. C&I 208 and 209 req. Conc reg in 211, 257 req. Conc reg C&I 233.01 and EAF 228 or 231 or 235 rec. 2.50 maj and overall GPA. Adm to Prof Studies.

Methods essential to effective K-9 social studies instruction. Focuses on current directions, research, and individual needs of diverse student populations.

270 ELEMENTARY SCHOOL **CURRICULUM**

C&I 208 or conc reg req. Incl satisfactory compl Clin Exp: 5 hrs, Type 1. Not for cr if El Ed maj.

Development of elementary school curriculum and classroom organization. Current teaching strategies and materials for language arts, science, and social studies.

271 PREKINDERGARTEN EDUCATION

Early Childhood maj only. Conc reg in C&I 210 rec, 278 and 292 reg. Not for cr if had C&I 281.

An emphasis on planning, teaching, and evaluating programs with a focus on play, learning, materials, assessment, and working with birth - 5 year families.

273 EARLY LITERACY LEARNING

C or better in this course reg. C&I 271 reg. Not for cr if had C&I 281, 282.

Study in early literacy learning, instruction and integration of quality children's literature at the P-3 grade level.

274 LITERACY AND ASSESSMENT

C&I 273 req; conc reg in C&I 294 req. Not for cr if had C&I 282.

Extension of knowledge of early literacy and the use of appropriate assessment measures and instructional strategies for all children in grades K-3.

275 MATHEMATICS AND SCIENCE I

C or better in this course req. C&I 271 req. Not for cr if had C&I 283.

Content related to how prekindergarten and kindergarten children acquire and apply fundamental mathematics and science concepts, skills, and attitudes.

276 MATHEMATICS AND SCIENCE II

C or better in this course reg. C&I 275 reg. Not for cr if had C&I 283.

Content about how primary level children acquire and apply fundamental mathematics and science concepts, skills, and attitudes.

277 SOCIAL STUDIES FOR EARLY CHILDHOOD

C or better in this course req. C&I 314 req. Not for cr if had C&I 283.

Content emphasis placed on cultural universals found in geography, history, economics, and citizenship.

278 PRACTICES AND ISSUES IN EARLY CHILDHOOD EDUCATION

Early Childhood Ed maj only. C&I 210 req. Not for cr if had C&I 112. Formerly INTRODUCTION TO EARLY CHILDHOOD.

Foundational issues and practices related to early childhood programming, education, instructional methods, and outcomes will be explored.

292 EARLY CHILDHOOD EDUCATION CLINICAL I

Conc reg in C&I 271 req. Compl TB Test; DCFS Health Form and criminal background check req.

Early Childhood Education Clinical: placement in Infant Toddler and Prekindergarten settings - 50 clinical hours.

293 EARLY CHILDHOOD EDUCATION **CLINICAL II**

Conc reg in C&I 314 req. Compl TB Test; DCFS Health Form and criminal background check req.

Early Childhood clinical placement in K-3 settings - 50 clinical hours.

294 EARLY CHILDHOOD EDUCATION **CLINICAL III**

Conc reg in C&I 274 req. Compl TB Test; DCFS Health Form and criminal background check req.

Early Childhood clinical placement in K-3 setting - 50 clinical hours.

301 PREKINDERGARTEN EDUCATION

Not for cr if ECE maj. Incl satisfactory compl Clin Exp: 18-20 hrs, Type 1-5.

Principles and practices of planning, teaching, and evaluating prekindergarten programs. Emphasizes the value of play, living-learning experiences, activities, and materials.

306 EARLY ADOLESCENCE LITERACY LEARNING

Incl satisfactory compl Clin Exp: 20 hrs, Type 1, 6, 9, 10. Formerly SED 306.

Study of early adolescent literacy learning and instruction.

312 URBAN FIELD EXPERIENCE

Incl satisfactory compl Clin Exp: 100 plus hrs, Type 1-4. An off-campus, community-based experience in urban schools, local community agencies and state and private institutions serving youth.

314 LEARNING, ENVIRONMENTS, AND ASSESSMENT C&I 271 req; conc reg C&I 293 req.

3

Study of how children learn. Emphasis on planning and assessment, guidance, management, and effective use of the learning environment.

319 STUDY OF BILINGUAL/ BICULTURAL EDUCATION

3

Bilingual major only.

Theory, research, and practice in bilingual/bicultural education.

320 BILINGUAL/BICULTURAL

PROGRAM DESIGN AND **IMPLEMENTATION**

Bilingual major only. Bilingual language proficiency (ENG/SPA) or cons inst req.

Emphasizes the process of developing a bilingual program, and examines the alternatives available at each stage.

321 BILINGUAL/BICULTURAL METHODS AND MATERIALS

Bilingual major only. Bilingual language proficiency (ENG/SPA) or cons inst req. Not for cr if had C&I 218. Survey of methods and development of materials for teaching in bilingual/bicultural contexts.

322 INTERNSHIP IN BILINGUAL/ BICULTURAL EDUCATION

3

Bilingual major only. Bilingual language proficiency (ENG/SPA) or cons inst req. C&I 321, and placement in a bilingual classroom req. Not for credit if had C&I 218. Internship in a bilingual education program.

331 HISTORY AND PHILOSOPHY OF EARLY CHILDHOOD EDUCATION 3

Conc reg in C&I 283 req.

Emphasis given to major events and theories having an impact on Early Childhood Education in its contemporary form.

333 MIDDLE LEVEL CURRICULUM

3

Middle Level Teacher Education maj only or cons prog coord. C&I 233 req. 2.50 overall GPA req. Adm to Prof Studies req. Conc reg C&I 390 and 395 req. Clin Exp: 30 hrs, Type 1-5.

Curriculum designs, principles of curriculum development, and problems encountered by practitioners in early adolescent education.

351 SCIENCE METHODS FOR THE MIDDLE SCHOOL

3

Middle Level Teacher Education maj only or cons prog coord. C&I 233 or conc reg req.

Strategies for teaching science which center around developing scientific literacy principles in the young adolescent child.

352 SOCIAL STUDIES METHODS FOR THE MIDDLE SCHOOL

3

Middle School maj only or cons prog coord. C&I 233 or conc reg req. Incl satisfactory compl Clin Exp: 10 hrs, Type 1-4.

Methods of social studies instruction for pre-service middle school teachers. Includes examination and use of instructional strategies and curriculum materials.

390 MIDDLE LEVEL STRATEGIES AND RESOURCES

3

Middle Level Teacher Education maj only or cons prog coord. 2.50 overall GPA req. C&I 233 req; conc reg C&I 333 and 395 req. Adm to Prof Studies req. Incl satisfactory compl Clin Exp: 60 hrs, Type 1-5.

Methods and materials for teaching-learning experiences at this school level; instructional strategies; classroom management; guidance techniques; and pupil evaluation.

395 CURRENT TOPICS AND ISSUES IN MIDDLE LEVEL EDUCATION

3

Middle Level Teacher Education maj only or cons prog coord. 2.50 overall GPA req. Adm to Prof Studies req. C&I 390 or conc reg req; conc reg C&I 333 and 390 req. Clin Exp: 30 hrs, Type 1-5.

Philosophy, functions, curricula of young adolescent education as implemented in middle schools. Relationships between pupils' developmental characteristics, needs, and behaviors and development of school programs. Problems, issues, evaluation and accreditation of junior high/middle schools.

398 PROFESSIONAL PRACTICE: SCHOOL/ COMMUNITY INVOLVEMENT 2-0

EDUCATIONAL ADMINISTRATION AND FOUNDATIONS (EAF) 590

331 DeGarmo Hall, (309) 438-5422

Web address: www.coe.ilstu.edu/eafdept

Chairperson: Patricia Klass. Tenure/Tenure-track Faculty:

Professors: Ashby, Klass, Lyman, Palmer, Riegle.

Associate Professors: Adkins, Azinger, Lin, Lugg,

McCluskey-Titus, Mogilka, Padavil, Rugutt.

Assistant Professors: Ashton, Dean, Durflinger, Eckrich, Gardner, Hatt-Echeverria, Nur-Awaleh, Otto, Pacha, Sappington, Troxel.

General Department Information

The Department of Educational Administration and Foundations offers courses at the undergraduate level to facilitate Teacher Education programs. For a complete description of the Department's graduate program and offerings, consult the *Graduate Catalog*.

Educational Administration and Foundations Courses

228 SOCIAL FOUNDATIONS

3

60 hrs reg.

Education as a social process and function, social origins of contemporary educational problems.

231 INTRODUCTION TO PHILOSOPHY OF EDUCATION

3

3

60 hrs req.

Philosophical inquiry into educational policies and practices.

235 HISTORICAL FOUNDATIONS

60 hrs req.

Inquiry into the history of American public schooling.

SPECIAL EDUCATION (SED) 591

533 DeGarmo Hall, (309) 438-8980 Web address: www.coe.ilstu.edu

Chairperson: James Thompson. Assistant Chair: Cindy L. Lawson. Tenured/Tenure-track Faculty:

Professors: Angell, Bakken, Crowley, Fulk, Lartz, Thompson. Associate Professors: Bock, Peterson-Karlan, Watts. Assistant Professors: Blum, Clark, Mason, Meadan-Kaplansky, Shelden, Stoner.

General Department Information

Admission to Special Education Programs:

The undergraduate Special Education program is a selective admission program with a limited number of

270 Special Education

students admitted to each of the sequences. Students seeking admission to the Special Education program must be admitted to a sequence, although freshmen who are unsure of their sequence preference may be admitted to General Special Education for a limited time. All Special Education undergraduates must have declared their sequence prior to Admission to Professional Studies. An overall GPA of 2.50 is required for retention in all Special Education programs.

Changes in major or sequence will be approved only if the student meets established program admission requirements and if there are openings in the sequence the student desires to enter. Students seeking to change their major to Special Education should follow the procedures described in this *Undergraduate Catalog*.

New Transfer and Internal Transfer Admission Requirements:

Students transferring from other schools or from other majors within the University must have a cumulative GPA of 2.70. Department advisors can provide information regarding additional requirements for transfer into a special education major.

Standards for Progress in the Major

A minimum GPA of 2.50 is required both overall and in major coursework for retention in all Special Education programs. Candidates must meet requirements for Admission to Professional Studies and Admission to Student Teaching to advance to experiences with these prerequisites.

Professional Requirements Applicable to All Special Education Programs:

In addition to meeting University requirements for graduation and Admission to Professional Studies requirements, all students in Special Education must successfully complete:

- 27-hour core of courses, which includes the knowledge standards central to the profession of special education. These courses include: SED 101, 201, 202, 203, 204, 373; C&I 208; PSY 215; and EAF 228, or 231 or 235. (All of these courses must be completed with a grade of C or better.)
- Sequence-specified course and experience requirements (see below) with minimum cumulative and major grade point averages of 2.50.
- 3) Pre-student teaching experiences designed to meet professional performance standards. These experiences include successful completion of a minimum of 7 semester hours through enrollment in appropriate sections of SED 245 (see sequence-specific requirements). Additional teaching or related experiences may be included as a part of core or specific sequence requirements or in remedial experiences. Performance evaluations in each of these experiences must recommend that the student advance to the next level of experience prior to doing so. Students are

- responsible for housing arrangements and transportation to clinical sites.
- 4) A full semester of Student Teaching (STT 399) for which teacher candidates are awarded 14 semester hours of credit. In order to be recommended for initial certification, candidates must demonstrate during this capstone experience that they have obtained competence in the knowledge, performance, and disposition areas designated by the profession of special education and this department. Students are responsible for housing arrangements and transportation to student teaching sites.
- 5) An individual student portfolio: Student Performance-Based Assessment Portfolio documenting that all requirements established by the Teacher Education Unit and the Department of Special Education have been successfully met. This documentation includes multiple examples of evidence, gathered through courses and other experiences, of the acquisition of knowledge, performance, and disposition required of the profession. A current listing of portfolio requirements can be obtained from the department.

Special Education Programs

Degrees Offered: B.S., B.S. in Ed.

MAJOR IN SPECIAL EDUCATION

Core for All Majors:

- 27-hour core of courses which includes the knowledge standards central to the profession of special education.
 These courses include: SED 101, 201, 202, 203, 204, 373; C&I 208; PSY 215; and EAF 228 or 231 or 235. (All of these core courses must be completed with a grade of C or better.)
- Completion of all required SED, C&I, PSY and EAF courses required for core and major with a grade of C or better.
- Designated SED 245 field experiences with appropriate proficiency levels.
- STT 399 Student Teaching 14 hours with appropriate proficiency levels.

Specialist in Deaf and Hard of Hearing Sequence:

Entitlement program leading to Illinois Certification, Type 10 Special: Deaf and Hard of Hearing.

- 27 hours Special Education Core.
- 37 hours in required sequence-specific courses including SED 130, 230, 330, 340, 353, 354, 355, 359, 375; PAS 211, 349, 350, 351.
- 7 hours SED 245 field experiences: 245.08 (2 hour), 245.09 (2 hour), 245.10 (1 hour), 245.11 (2 hour).
- 14 hours student teaching.
- Admission to Professional Studies is required prior to these courses: SED 204, 245.08, 245.09, 245.10, 245.11, 354, 355, 359 and 375.
- Grade of C or better in all required SED, C&I, PSY and EAF courses.
- Sequence-specific assessment: Passing score on communication proficiency interview prior to student teaching.

Specialist in Learning and Behavior Sequence:

Entitlement program leading to Illinois Certification, Type 10 Special: Learning Behavior Specialist I.

- 27 hours Special Education Core.
- 24 hours required in sequence-specific courses including SED 377, 379, 382, 383, 384; C&I 209; MAT elective.
- 12 hours SED 245 field experiences: 245.12 (4 hour), 245.13 (4/4hours).
- 14 hours student teaching.
- Admission to Professional Studies is required prior to these courses: SED 204, 245.12, 245.13, 382, 383, 384.
- Grade of C or better required in all SED, C&I, PSY and EAF courses.

Specialist in Low Vision and Blindness Sequence:

Entitlement program leading to Illinois Certification, Type 10 Special: Visual Impairment.

- 27 hours Special Education Core.
- 28 hours required in sequence-specific courses including SED 350, 351, 352, 356, 357, 358, 377, and 379;C&I 209.
- 8 hours SED 245 field experiences: 245.04.
- 14 hours student teaching.
- Admission to Professional Studies is required prior to these courses: SED 204, 245.04, 351, 356, 357, 358.
- A grade of C or better is required in all required SED, C&I, PSY and EAF courses.
- Sequence-specific assessment: Braille proficiency tests.

Special Education Courses

101 THE EXCEPTIONAL LEARNER

Entry knowledge standards in special education foundations and characteristics of learners with disabilities.

130 AMERICAN SIGN LANGUAGE I

Lab experience req.

Introduce basic vocabulary, grammatical structure, and characteristics of American Sign Language. Examine application of American Sign Language in social and educational settings.

201 EFFECTIVE COLLABORATION AND TEACHING EXCEPTIONAL AND DIVERSE LEARNERS I

3

SED 101 req. May Incl Clin Exp: Approx 10-20 hrs. Entry knowledge for instruction of exceptional learners. Includes collaborative instruction and modifications in practice. Second course: SED Standards for All Educators.

202 EFFECTIVE COLLABORATION AND TEACHING EXCEPTIONAL AND DIVERSE LEARNERS II

3

SED 201 req. May Incl Clin Exp: Approx 10-20 hrs. Special educator roles in planning and delivering instruction. General and special perspectives on P-12 curriculum, modifications of instruction, and collaborative practice.

203 MEASURING AND AFFECTING STUDENT ACADEMIC AND SOCIAL BEHAVIOR I

3

SED 201 and 202 req or conc reg in SED 202. May Incl Clin Exp: Approx 10-20 hrs. Materials charge optional. Teaching as a reflective process. Fundamentals of data-

based instructional design; evaluation of instruction; formal, alternative, and curriculum-based assessment.

204 MEASURING AND AFFECTING STUDENT ACADEMIC AND SOCIAL BEHAVIOR II

3

Adm to Prof Studies, SED 202 and 203 req. May Incl Clin Exp: Approx 10-20 hrs. Materials charge optional. Teaching as a reflective process. Affecting individual and group academic and social behaviors using behavior analysis and change technologies.

230 AMERICAN SIGN LANGUAGE II

SED 130 or cons dept chair req. Lab experience req. Expands vocabulary, grammatical structure, and characteristics of American Sign Language. Conversational usage in both receptive and expressive communication is stressed.

245 FIELD WORK IN SPECIAL EDUCATION

1-8

Adm to Prof Studies or cons of dept chair req. May be repeated with cons of dept chair. Incl satisfactory compl Clin Exp:30-400 hours. Students responsible for transportation to sites and housing if needed. Prerequisites vary by topic.

Supervised clinical experiences in programs serving persons with disabilities including schools, clinical facilities, community agencies, or residential institutions: Topic .04 Low Vision/Blindness; Topic .08 Deaf and Hard of Hearing-Language; Topic .09 Deaf and Hard of Hearing-Speech; Topic .10 Deaf and Hard of Hearing-Reading and School Subjects; Topic .11 DHH Senior Practicum; Topic .12 Alternative Curriculum; Topic .13 Accessing General Curriculum.

330 ENGLISH SIGN SYSTEMS 3

SED 130, 230; lab req.

Examines the use of visual English systems in educational settings. Introduces basic school vocabulary and characteristics of English sign systems. Includes sign proficiency exam required for student teaching.

340 THE DEVELOPMENT OF LANGUAGE IN STUDENTS WHO ARE DEAF AND HARD OF HEARING

The study of the language development of children who are deaf and hard of hearing compared to normal language development.

350 INTRODUCTION TO VISUAL DISABILITIES

4

SED 101 or cons dept chair req. Incl Clin Exp: approx 10 hrs.

Impact of visual impairments on development; basic anatomy of the eye; types, causes, and educational implications of eye disorders; educational programming.

351 EDUCATION AND ASSESSMENT OF STUDENTS WITH VISUAL DISABILITIES 3

SED 350 and 356, or cons dept chair req. Adm to Prof Studies req.

Application of educational diagnosis to educational programming and instruction of individuals with visual disabilities.

352 BRAILLE READING AND WRITING

Cons dept chair req. Materials charge optional.

Preparation in reading and writing using the Braille Literary Code. Includes an introduction to Braille Textbook Format.

353 EDUCATION OF STUDENTS WHO ARE DEAF AND HARD OF HEARING 3

SED 101 req. Incl Clin Exp: approx 10 hrs.

Psychological, social, historical, and educational issues relating to the education of individuals who are deaf and hard of hearing.

354 TEACHING LANGUAGE TO DEAF AND HARD OF HEARING STUDENTS 3

SED 130, 230, 330, 353 or cons dept chair req. Conc reg in SED 245.08. Adm to Prof Studies req.

Principles and techniques of developing and teaching language to deaf and hard of hearing students at all grade levels. P-12.

355 TEACHING SPEECH TO DEAF AND HARD OF HEARING STUDENTS

SED 354 and PAS 211 or cons dept chair req. Concreg in SED 245.09 req. Adm to Prof Studies req.

Principles and techniques of developing and teaching speech to hearing impaired students at all grade levels, P-12.

356 ASSISTIVE AND INSTRUCTIONAL TECHNOLOGY FOR INDIVIDUALS WITH VISUAL IMPAIRMENTS

Adm to Prof Studies and SED 352 req. Materials charge optional.

2

Preparation in reading and writing using Nemeth Code in teaching mathematics and communication skills to individuals with visual impairments.

357 ORIENTATION AND MOBILITY FOR CLASSROOM TEACHERS

Adm to Prof Studies req.

Practicum in basic daily living skills and rudimentary mobility techniques for individuals with visual disabilities.

358 READING AND LANGUAGE ARTS FOR STUDENTS WITH

VISUAL DISABILITIES

C&I 208 and 209; SED 350 and 352 req. Adm to Prof Studies rea

Development of competencies to teach reading and language arts to students who use print, braille, and auditory media. Instructional techniques and materials emphasized.

359 TEACHING READING AND SCHOOL SUBJECTS TO DEAF AND HARD OF HEARING STUDENTS

SED 354 req. Conc reg in SED 245.10 req. Adm to Prof Studies req.

Teaching reading and other core subjects to deaf and hard of hearing students at all grade levels.

373 FAMILY-PROFESSIONAL COLLABORATION

SED 101 or 145 or cons dept chair req.

Theoretical and practical aspects of collaborating with professionals and with families of individuals with disabilities.

374 EDUCATIONAL ASSESSMENT OF PRESCHOOL CHILDREN WITH DISABILITIES

3

SED 101 or 145 or cons dept chair req.

Techniques and issues involved in gathering, analyzing and synthesizing data for developing and monitoring individualized educational programs for preschool children with disabilities.

375 ASSESSMENT AND PLANNING FOR DEAF AND HARD OF HEARING STUDENTS

3

SED 359, or conc reg req.

Examines assessment tools and techniques for developing an individualized educational program for students who are deaf and hard of hearing.

377 COMMUNICATION STRATEGIES FOR INDIVIDUALS WITH DISABILITIES

3

SED 101 or 145 or equiv req. Materials charge optional. Issues, intervention strategies, and technologies that can impact the communication skills of individuals with disabilities.

379 ASSISTIVE TECHNOLOGY FOR INDIVIDUALS

WITH DISABILITIES

3

SED 101 or 145 or equiv or cons dept chair. Materials charge optional.

Overview of a wide range of assistive technology devices and services for individuals with disabilities. Demonstration of devices, laboratory experiences, and identification of funding sources.

382 CHALLENGING BEHAVIOR: ANALYSIS AND INTERVENTION 3

SED 204 or 370 reg.

Theoretical and practical application of functional behavior assessment and analysis, and functional, academic, and behavioral programming.

383 DEVELOPING AND IMPLEMENTING ALTERNATIVE CURRICULUM

SED 204 or conc reg and conc reg in SED 245.12 req. Adm to Prof Studies req.

Analysis and application of curricular approaches, curriculum content, instructional methodology, and organizational strategies that support learners who seek non-academic outcomes.

384 STRATEGIES FOR ACCESSING THE GENERAL EDUCATION CURRICULUM

3

Conc reg in SED 245.13 req. Adm to Prof Studies req. Analysis and application of curriculum, instruction, and organizational strategies effective for learners with disabilities who access general education curricula.

386 EARLY INTERVENTION FOR INFANTS AND YOUNG CHILDREN WITH DISABILITIES

SED 101 or equiv; SED 340 or 377; SED 374 req.

Curriculum and organization of service delivery for young children with disabilities. Emphasizes birth to eight years of age.

COLLEGE OF FINE ARTS

Dean: Lon Gordon, 116 Center for the Visual Arts.

Web address: www.illinoisstate.edu/finearts

The primary function of the College of Fine Arts the Schools of Art, Music, and Theatre, and the program in Arts Technology is to provide professional education in the Arts for students desiring professional careers in select areas of the arts and for students preparing to be elementary, secondary, and college teachers. Various areas of concentration in undergraduate and graduate studies, including B.A., B.S., B.F.A., B.M., B.M.E., M.A., M.S., M.F.A., and M.M. programs, provide comprehensive and flexible curricula for a variety of student talents and interests. The College also provides a cultural environment through the performing and visual arts for the campus, community, and region.

Arts Technology Program

Director: Shari Zeck, 116 Center for the Visual Arts phone: (309) 438-8321

Degrees Offered: B.A., B.S.

MAJOR IN ARTS TECHNOLOGY

The major in Arts Technology is a 55-hour interdisciplinary program in the College of Fine Arts that emphasizes theory, design, and practice in the application of computer technology to art, music, and theatre. The degree provides undergraduate training and experiences in arts technology to better prepare students with a broad range of knowledge and skills in multimedia design, including digital video and sound, computer graphics and theatre design, digital and MIDI music, and web design.

Admission and Retention Requirements:

All students must undergo a portfolio review and/or an interview with the Arts Technology Admissions Committee before being admitted into the program. The Committee will evaluate admission requests from new beginning freshman, new transfer students, and internal transfers. The Arts Technology program reserves the right to maintain a balanced enrollment and the number of students wishing to enter the Arts Technology program may be restricted.

Students will be allowed to continue in the Arts Technology program who have completed the 11-hours Fine Arts Core and the 8-hours Arts Technology Core with grades of C or better, have met and continue to maintain a GPA of 2.50 from 300-level courses in Arts Technology curriculum with no grade less than a C, and have demonstrated competency through an intermediate portfolio review.

Academic Requirements:

The 55 hours required for the degree are programmed as follows:

Fine Arts Core (11 hours): This group of courses provides the student with a basic experience in reading and performing music, visual arts experience in drawing and design, and interdisciplinary fine arts history study: 3 hours from ART 103, 104 or 109; and 2 hours from MUS 118 or 119, 121, or 126; and 6 hours from ART 155, 156; MUS 152; THE 100, 170 or 171 in two different Schools.

Arts Technology Core (8 hours): This group of courses provides the student with a foundation of study in digital media and multimedia design: ART/MUS/THE 276; ART/MUS/THE 387; and ART/MUS/THE 350.

Additional Fine Arts Study (18 hours): This group of courses provides the student with fine arts training in the historical and theoretical foundations, skills, and performance and production experiences of the arts. Choose one area of Fine Arts emphasis from the schools of Art, Music, or Theatre.

Art: 6 hours in addition to the Art course completed for the Fine Arts Core from ART 103, 104, or 109 and 12 hours from ART 226, 235, 236, 356, 232, 233, 261, 262, 252, or 363; **OR**

Music: 6 hours in addition to the Music course completed for the Fine Arts Core from MUS 118 or 119, 121, 126, or from Applied Music study (MUS 131-138 or 231-238): and 6 hours from MUS 100, 101 and 107, or 102 and 108; and 6 hours from MUS 203, 207, 265, 167, 175, 360, 205 or 305, or up to two credit hours of a music ensemble (MUS 139 or 239). Auditions may be required by the School of Music for some of these courses; **OR**

Theatre: 18 hours from THE 102, 110, 130, 160, 119 and 120, 101, 258, 260, 261 or 344.

Additional Arts Technology Study (15 hours): Select from the following courses after completion of the Fine Arts Core, the Arts Technology Core, and the Arts Technology intermediate portfolio review.

- 3 hours from MUS 353, 354, 388, or 301 with music topics; and
- 3 hours from ART 359, 301 with graphic topics, or ART/THE 388 with graphic or theatre design topics; and
- 9 hours from any of the following courses, or other courses that emphasize Arts Technology applications with approval of the program advisor: ART/MUS/THE 206; ART/MUS/THE 301; ART/MUS/THE 353; ART/MUS/THE 354; ART/THE 359; ART/MUS/THE 388; ART 351.24, 253, 351.85; or THE 367; (ART/MUS/THE 206, ART/MUS/THE 301, and ART/MUS/THE 388 may be repeated with different topics or experiences).

Capstone Experience in Arts Technology (3 hours): Internship in Arts Technology (ART/MUS/THE 398.09 or comparable culminating experience in multimedia design as approved by the program advisor e.g. ART/MUS/THE 287 or ART/MUS/THE 206).

ART (ART) 562

119 Center for the Visual Arts, (309) 438-5621 Web address: www.illinoisstate.edu/finearts Email address: isuart@ilstu.edu

Director: Paul Borg.

Tenured/Tenure-track Faculty:

Distinguished Professors: Butler.

Professors: Appel, Finch, Kukla, Lee, McKinney, Mottram,

Rankin, Walker.

Associate Professors: Archer, Bushell, Fisher, French, Iorio, J. Johnson, Justis, Lieberman, Mai, Sacaridiz, Smelser, Stewart.

Assistant Professors: Badani-Rosato, Barroqueiro, Beckner, Briggs, M. Johnson, Landry, Lermack, Lotz, Maya, Miller, O'Donnell, Oresky, Patrick, Wille, Woods.

General School Information

Accreditation:

The School of Art is accredited in Division I by the National Association of Schools of Art and Design and the National Council for Accreditation of Teacher Education.

Academic Requirements:

All incoming undergraduate students are initially enrolled in the B.A. or B.S. programs, depending on their interests. Those who wish to apply to the B.F.A. program do so no earlier than the second semester during their sophomore year. See below for further information on these degree programs and their requirements.

The School of Art expects regular class attendance and supports faculty members who choose to reduce course grades for lack of participation, including excessive absences.

HONORS IN ART

Art majors and B.F.A. candidates with superior academic records are invited to apply for admission to the School of Art Honors Program. Students successfully completing the Honors Program will receive the designation of Honors in Art in their field of study upon graduation. The student's official academic transcript and diploma will be so noted.

Admission Requirements:

The candidate must:

- Be a declared Art major or admitted to the B.F.A. program with at least 60 and not more than 90 hours of course work completed;
- Have a minimum 3.30 overall GPA:
- Have a minimum 3.50 School of Art GPA:
- Submit a letter of recommendation from a faculty

- member in the student's sequence (Studio Arts, Graphic Design, Art History, Teacher Education);
- Have demonstrated evidence of leadership by participating in student organizations or entering exhibitions or receiving recognition for written work;
- Submit a letter of application to the School of Art Honors advisor

Honors Program Requirements:

- Successfully complete a minimum of 3 hours of School of Art honors courses each semester for a total of 12 honors hours prior to graduation (2 specific honors courses: 2 honors independent study—299 courses):
- Initiate and complete a research project or honors portfolio under the direction of a faculty member in the student's sequence:
- Maintain a 3.30 overall GPA:
- Maintain a 3.50 School of Art GPA;
- Receive no grade less than B in any Art course while enrolled in the program;
- Fulfill the general requirements for participation in the University Honors Program.
- NOTE: Once admitted to the School of Art Honors Program, the honors candidate will be advised by the School of Art honors advisor, who must approve the candidate's course of studies each semester.

Art Programs

Degrees Offered: B.A., B.S., B.F.A.

MAJOR IN ART (B.A., B.S.)

Academic Requirements:

Students seeking admission to the Major in Art must comply with criteria established by the School of Art, including submission of a portfolio of work for review by the School. Students interested in the Art History Sequence will submit a statement explaining their interest in the field, in lieu of the portfolio. Specific requirements for the portfolio and statement may be obtained from the School office.

To graduate with a Major in Art (B.A., B.S.) students must complete all requirements of one of the School of Art's Sequences: Studio Arts, Graphic Design, Art History, or Teacher Education. They must also earn grades of C or better and maintain a 2.50 GPA in all courses taken in the School of Art, in addition to maintaining a cumulative GPA of at least 2.00. Individual sequences may have higher requirements. Courses in the Major may be repeated no more than once for the purpose of attaining the necessary minimum grade. Students may not enroll for the next course in a related series until the minimum grade in the prerequisite course is achieved. Incoming transfer students must retake courses considered equivalents to courses in the Major for which they earned lower than a grade of C. Students who do not meet these criteria will be placed on probation with the School of Art; a student placed on probation more than once will be dropped from the School.

NOTE: Admission to some Sequences in Art may be restricted by the lack of available School resources, especially in times of oversubscription.

All Sequences in the Major in Art require successful completion of the Art History Core, the Foundations program appropriate to that sequence, a series of courses specific to the chosen sequence, and electives in Art. Students must complete all Sequence Foundations courses before being permitted to continue in one of the sequences in the Art major; gifted students may be allowed to take 200-level courses in their areas of interest during the freshman year, pending approval of the School. Students must also complete all Art History Core courses before they may enroll in 300-level Art History courses. Requirements for each Sequence are described below. NOTE: Some Sequences, Graphic Design for example, have screening procedures that students must pass before being accepted; information on these may be found in the School of Art office.

Students must make every effort to complete the required Foundations courses in their first three semesters in the program. Under most circumstances students will formally declare intention to enter a particular sequence in the Art major in the second semester of the sophomore year. Students will arrange to participate in screening requirements for their preferred sequence; those not accepted into competitive sequences may be reconsidered the following semester and should consult with appropriate faculty for advice before rescreening. Also in the sophomore year, students will begin enrolling in courses appropriate to their sequence of interest. In the case of the Studio Arts Sequence, this also requires declaring a specific Discipline Area in consultation with the School's academic advisor. Required courses for the various Disciplines are listed below.

Studio Arts Sequence:

Degrees offered: B.A., B.S.

The Studio Arts Sequence emphasizes both breadth and depth of competence in Studio-based Art disciplines. It expands students' horizons beyond the Foundations level with work in a variety of media and disciplines. By requiring intensive study, it develops depth within at least one Studio discipline (ceramics, drawing, glass, intaglio, lithography, metalwork and jewelry design, painting, photography, sculpture, video or wood). It likewise encourages exploration of new genres that break through traditional boundaries between disciplines and media. This sequence prepares students to work as visual arts professionals or pursue graduate studies.

- 54 hours in Art required as follows:
- 9 hours Art History Core: ART 155, 156, 257.
- 9 hours Studio Arts Foundations: ART 103, 104, 109.
- 36 hours of Sequence requirements and electives in Art, which must include:
 - 1) at least 9 hours in the chosen discipline area, along

- with any other courses listed below as appropriate to that discipline;
- 2) at least 12 hours at the 200-level in various media and disciplines, including the specific courses recommended for each discipline area listed below;
- 3) either ART 379 or 385 and at least one additional
 300-level Art History course in a pre-20th century period;
 4) at least 6 hours in 300-level Studio courses.
- NOTE: ART 201, 207, 211, 307, 309 do not count toward the Studio Arts Sequence.
- NOTE: 300-level courses within the various Discipline Areas may be repeated.

Discipline Areas in Studio Arts: Students in the Studio Arts Sequence will choose one of the following disciplines as a means of developing extended awareness and competence through intensive engagement in a particular area of the Studio Arts. The groups of courses shown below for each discipline include: (1) the courses required within that discipline (students will normally enroll in the initial course in the sophomore year), and (2) additional courses deemed appropriate for the discipline, which students are expected to include when selecting electives. These additional courses include Studio courses that fulfill the requirements for electives in Art noted above; they may also include non-Studio or non-Art courses that serve as general electives. Students are encouraged to consult with faculty members in their Discipline Areas for advice on choosing electives that will complement their individual interests.

Ceramics: ART 228, 229 and 328; 232 and 234; 213 and 3 hours from drawing, intaglio, lithography, painting, photography, or video.

Drawing: ART 213, 214, 313 and 331; 6 hours from ceramics, glass, metalwork and jewelry design, sculpture or wood; either 235 or 252; either 245 or 246, and 261.

Glass: ART 255, 355 and 364; 232 and 3 hours from ceramics, metalwork and jewelry design, sculpture or wood; 6 hours from drawing, intaglio, lithography, painting, photography or video.

Intaglio: ART 245, 345 and 347; 232 and 3 hours from ceramics, glass, metalwork and jewelry design or wood; 213 and 261.

Lithography: ART 246, 346 and 347; 232 and 3 hours from ceramics, glass, metalwork and jewelry design, sculpture or wood; 213 and 261.

Metalwork and Jewelry Design: ART 224, 225 and 324; 232 and 3 hours from ceramics, glass, sculpture or wood; 6 hours from drawing, intaglio, lithography, painting, photography or video.

Painting: ART 261, 262, 360 and 361; 6 hours from ceramics, glass, metalwork and jewelry design, sculpture or wood; either 235 or 252; either 245 or 246; and 213.

Photography: ART 235, 236, 335, 383, and 6 hours from 252, 253, 333, 351.16, 356, 358; 6 hours from ceramics, glass, metalwork and jewelry design, sculpture or wood; 3 hours from drawing, intaglio, lithography, painting or video.

Sculpture: ART 232, 233 and 332; 228 and 3 hours from ceramics, glass, metalwork and jewelry design or wood; 6 hours from drawing, intaglio, lithography, painting, photography or video.

Video: ART 252, 253 and at least 3 hours of 351.84; 235 and 276; 6 hours of other electives chosen in consultation with Video faculty and according to whether students' interests in Video tend toward (A) narrative, (B) installation, or (C) multimedia/digital applications. Recommended electives for these applications include: (A) ART 236, 349, 354, 356; THE 153, 170, 261, 370; or (B) ART 232, 349, 354; THE 170, 261, 370; or (C) ART 206, 301, 349, 350, 354, 356, 388; THE 261.

Wood: ART 234, 344 and 351.45; 232 and 3 hours from ceramics, glass, metalwork and jewelry design, glass or sculpture; 6 hours from drawing, intaglio, lithography, painting, photography or video.

Restricted Admission to a Discipline Area:

In times of oversubscription and limitations on resources within the School of Art, some Discipline Areas may require faculty screening of students' supportive materials before allowing individual students to enroll in the second course in that Discipline.

Graphic Design Sequence:

Degrees offered: B.A. B.S.

The Graphic Design Sequence not only includes education in the fundamentals of Studio Art and Art History, but also a concentrated program of study that prepares students to enter the competitive field of Graphic Design.

- 54 hours in Art required, as follows:
- 9 hours Art History Core: ART 155, 156, 257.
- 9 hours Graphic Design Foundations: ART 103, 104, 109.
- 36 hours required sequence courses: ART 216, 226, 227, 235, 302, 315, 323, 326, 336, 337; 3 hours from 213, 245, 246, 252, 261, 359, 388; 3 hours from any 300-level Art History course.
- NOTE: ART 201, 207, 211, 307, 309 do not count toward the Graphic Design Sequence.

Admission-Retention Requirements for the Graphic Design Sequence:

Students will be admitted to the Graphic Design Sequence who have completed the Graphic Design Foundations and ART 226, be enrolled in or have completed ART 227 at the time of screening, have at least a cumulative and major 2.50 GPA, and have demonstrated competency through a portfolio review. The number of students admitted may vary depending on program capacity and qualifications of applicants in the pool. Consult the School of Art for further information on admission to the Graphic Design Sequence.

Students will be allowed to remain in the Graphic Design Sequence if they continue to maintain a cumulative and major 2.50 GPA. Students whose cumulative or major GPA falls below 2.50 will not be allowed to register for Graphic Design courses until the GPA has been raised to a 2.50 or higher.

Art History Sequence:

Degree offered: B.A.

The Art History Sequence provides students a solid grounding in the history of art on both introductory and advanced levels. In addition, the sequence includes exposure to related disciplines outside the visual arts, training in foreign language, and experience in advanced research and writing skills. Together, these requirements prepare students for effective graduate work in Art History or other fields and for positions in a variety of art- and non-art-related fields.

- 39 hours in Art required, as follows:
- 9 hours Art History Core: ART 155, 156, 257.
- 6 hours Art History Foundations: ART 140, 290.
- 24 hours required sequence courses: 24 hours of 300-level Art History courses, including ART 395 and at least 1 course from each of the following 4 broad historical periods:
 - I. Ancient/Medieval: ART 366, 367, 368, 369.
 - II. Renaissance/Baroque: ART 375, 376, 377.
 - III. Modern/Contemporary: ART 372, 373, 378, 379, 383, 385.
 - IV. American: ART 380, 381, 382.
- 21 hours required in other Departments: ENG 145; HIS 101, 102; and a minimum of 3 semesters (12 hours) French, German, Italian or Spanish.
- At least 15 additional hours electives, including 9 hours required in courses related to Art History offered by the following departments/schools: Anthropology; English; Languages, Literatures, and Cultures; History; Music; Philosophy; Theatre. Students are encouraged to consult with Art History faculty for advice on choosing electives in Art History and in other departments that will complement their own areas of interest. Faculty are also available for consultation on preparing for graduate school.
- NOTE: ART 201, 207, 211, 307, and 309 do not count toward the Art History Sequence.
- NOTE: Students may combine Art History and Studio by declaring a second Sequence in Studio Arts and fulfilling all requirements for both sequences. This will include submitting a portfolio of art work for admission.

Admission-Retention Requirements for Art History Sequence:

Students will be admitted to the Art History Sequence who achieve grades of B or better in ART 155, 156 and 257, then pass the sequence screening requirements. See the School of Art office for more information on screening requirements. Students will be allowed to continue in the sequence if they maintain a minimum cumulative and major GPA of 2.50.

Teacher Education Sequence:

Degree offered: B.S.

The Teacher Education Sequence is a program that emphasizes a comprehensive approach that supports state and national student learning standards and teaching performance standards in the visual arts. Also stressed are creative and critical thinking, studio techniques, understanding the learner and developing skills to become an effective teacher. Students completing this sequence are eligible to apply for K-12 teaching certification in art in the State of Illinois.

- 83 hours in Art and Professional Education required. Part of entitlement program leading to certification: Special K-12. All Art majors planning to become certified teachers must apply for and be admitted to the University Teacher Education program (see University-Wide Teacher Education Admission-Retention program section of this Undergraduate Catalog). Grades of C or better in all Art and Education courses, and a 2.80 cumulative and major GPA are required for admission and retention in this sequence. Students must submit a portfolio of 15-20 recent art works and be interviewed by art education faculty prior to acceptance into the Art Teacher Education Sequence. Acceptance is required before registering for ART 201 and C&I 212. Continuation in the Art Teacher Education Sequence is not automatic. Students' performance will be evaluated each semester.
- 57 hours in Art required, as follows:
- 9 hours Art History Core: ART 155, 156, 257.
- 9 hours Art Teacher Education Foundations: ART 103, 104, 109.
- 33 hours required sequence courses: ART 201, 211, 307, 309 (2 consecutive semesters starting in the fall); ART 213, 228, and 261; 3 hours from ART 224, 232, 255; either ART 379 or 385 and at least one additional Art History course from 100-, 200-, or 300-level (ART 140 or 275 is strongly recommended).
- 6 hours Art electives, that must be taken in a single discipline.
- 26 hours Professional Education requirements: C&I 212, 214, 216; PSY 215; EAF 228 or 231 or 235; STT 399 (12 hours - entire semester experience).

NOTE: All Teacher Education students are required to pass the State of Illinois Basic Skills Test in reading, writing, and mathematics before registering for C&I 216 and ART 309. For this reason, students should take the State of Illinois Basic Skills Test (fee required) as early as possible. Students are required to pass the Illinois K-12 Art Content Exam, submit a Criminal Background Check and a negative TB test prior to student teaching.

The sequence in Teacher Education may also be combined with a Sequence in Studio Arts, Graphic Design, or Art History. Pursuing a double sequence may require additional semesters. However, this option is strongly recommended to prepare students better for teaching art in the public schools of today. See catalog copy under the other sequences for further information, including Discipline Areas within the Studio Arts.

Students are also encouraged to take course work in Urban Education and Languages, Literatures, and Cultures.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed prestudent teaching field experiences commensurate with attaining local, state and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

MINOR IN ART

Students must earn grades of C or better and maintain a 2.50 GPA in all courses taken in the School of Art, in addition to maintaining a cumulative GPA of at least 2.00. Individual sequences may have higher requirements. Courses in the minor may be repeated no more than once for the purpose of attaining the necessary minimum grade. Students may not enroll for the next course in a related series until the minimum grade in the prerequisite course is achieved. Incoming transfer students must retake courses considered equivalents to courses in the minor for which they earned lower than a grade of C. Students who do not meet these criteria will be placed on probation with the School of Art; a student placed on probation more than once will be dropped from the School.

Art History Sequence:

- 24 hours in Art required, as follows:
- 12 hours required courses: ART 140, 155, 156, 257.
- 12 hours of electives in 300-level Art History courses, as follows: ART 351.30, 366, 367, 368, 369, 372, 375, 376, 377, 378, 379, 380, 381, 382, 383, 385, 395, and 398.08.

Teacher Education Sequence:

- 24 hours in Art required, as follows:
- 9 hours required courses: ART 103, 104, 109.
- 3 hours from ART 155, 156, 257.
- 3 hours of ART 309.
- 3 hours of ART 201 or 211.
- 6 hours of Art courses from 213, 224, 226, 228, 232, 234, 235, 252, 255, 261.

Provides appropriate requirements for teaching art for individuals who hold an elementary or a secondary teaching certificate.

Bachelor of Fine Arts Program

The Bachelor of Fine Arts (B.F.A.) degree program is a highly selective program oriented toward advanced professional study in the studio arts. Students accepted into this program have additional opportunities beyond those of the B.A./B.S. programs to specialize in a particular studio art discipline in preparation for graduate study for the M.F.A., the terminal degree program in this field, and/or careers in professional art fields. Further information on the B.F.A. program can be found in the School of Art office.

MAJOR IN ART

- 83 hours in Art required as follows:
- 9 hours in Art History Core: ART 155, 156, 257.
- 9 hours B.F.A. Foundations: ART 103, 104, 109.
- 20 hours required courses: 6 hours from ceramics, metalwork & jewelry design, glass, sculpture, wood; 6 hours from drawing, intaglio, lithography, painting, photography, video; ART 349, 363, and 394.
- 12 hours advanced Art History: ART 379 and 385 and any two additional 300-level Art History courses, at least one of them in a pre-20th century period.
- 33 additional hours in a specialization in any Discipline Area offered by the School and selected in consultation with the faculty mentors. (See list of Discipline Areas above, under Major in Art (B.A., B.S.), Studio Arts Sequence, in this *Undergraduate Catalog*.) A specialization that combines Discipline Areas may also be developed in consultation with and must be approved by faculty mentors and the B.F.A. Committee of the School of Art.
- NOTE: ART 201, 207, 211, 307, 309 do not count toward the major.

Admission-Retention Requirements for the B.F.A.

Students may apply to the B.F.A. Degree program beginning in their sophomore year. Students seeking admission to the B.F.A. program must have a minimum 3.00 cumulative and major GPA and must submit a portfolio of creative work to the School of Art for the competitive portfolio review that is part of the admission process. Further information on admission requirements for the B.F.A. program is available from the School's undergraduate academic advisor. Students will be allowed to remain in the program if they maintain a minimum cumulative and major GPA of 3.00.

To graduate with a B.F.A., all students are also required to organize and present a solo exhibition of their work during the final year. This exhibition must be accompanied by a public oral presentation, an exit portfolio and a written supportive statement approved by the student's B.F.A. faculty mentors.

ARTS TECHNOLOGY PROGRAM

The Arts Technology Program leads to a Major in Arts Technology (B.A./B.S.). The Program is sponsored by the College of Fine Arts and shared by the Schools of Art, Music and Theatre. Specifics concerning admission to the Program may be found in this catalog under the heading, College of Fine Arts.

Art Courses

The School of Art reserves the right to keep for demonstration and exhibition examples of work done by students for course requirements.

101 ART EXPERIENCES FOR ELEMENTARY SCHOOLS

Not for cr Art maj/min. Clin Exp: 1-5 hrs. May Incl Clin Exp: Types 1-7 and 9. Materials charge optional. Introduction to 2- and 3-dimensional materials and procedures appropriate for elementary art learning experiences; understanding the developmental stages of child art.

103 VISUAL THINKING:

2-D FUNDAMENTALS

3

Materials charge optional. Formerly 2-D FUNDA-MENTALS.

Concepts fundamental to all studio offerings. Exploration of elements and principles of visual language. Development of visual and conceptual ideas.

104 VISUAL THINKING: DRAWING FUNDAMENTALS

3

Materials charge optional. Formerly DRAWING FUNDAMENTALS.

Concepts fundamental to all studio offerings. Emphasis on direct observation, developing pictorial space and drawing concepts, practiced with traditional materials.

109 VISUAL THINKING:

3-D FUNDAMENTALS

3

Materials charge optional. Formerly 3-D FUNDA-MENTALS.

Concepts fundamental to all studio offerings. Use of a variety of materials to explore fundamental 3-dimensional design concepts. Introduction to the use of hand and power tools

140 INTRODUCTION TO THE ARTS OF THE AMERICAS, AFRICA, AND THE SOUTH PACIFIC

A cross-cultural introduction to the arts of historic North America, Mesoamerica, Sub-Saharan Africa, and the South Pacific.

155 SURVEY OF ART I

3

Arts from prehistoric times to end of Medieval period, circa 1400.

156 SURVEY OF ART II

3

Art and architecture in Western Europe from the late Middle Ages through the 18th century.

176 ARTS AND SOCIETY:

VISUAL ARTS OC-FA

ENG 101; COM 110 reg.

Examination of the relationship between the visual arts and their political/social culture.

183 PUPPETRY

Also offered as THE 183.

Introduction to the performance art of puppetry and its educational applications: history, staging, construction and manipulation of hand, rod, and shadow puppets.

201 MEDIA, TECHNIQUES AND INQUIRY FOR ELEMENTARY AND MIDDLE LEVEL SCHOOLS

ART 103, 104, 109 req. Art Ed maj only or cons School req. Clin Exp: 10 hrs. May Incl Clin Exp: Types 1-4, and 9. Materials charge optional.

Media, techniques, and inquiry suitable for elementary and middle level schools.

204 ARTS FOR ELEMENTARY SCHOOLS: VISUAL ART

El Ed maj only. Jr standing. Overall GPA 2.50 req. Materials charge optional.

Theoretical, practical, and experiential learning for developing awareness, knowledge and skills in visual art with an emphasis on integrating the arts.

206 COMPUTER ARTS PERFORMANCE STUDIO

Cons inst reg. Also offered as MUS/THE 206.

Creative and interdisciplinary experiences in solo and ensemble performance integrating computer technology into music, dance, performance art, or theatre production.

208 ARTS FOR EARLY CHILDHOOD: VISUAL ART

Early Childhood Ed maj only. Compl 30 hrs req. Not for cr if had C&I 283.

Theoretical, practical, and experiential learning for developing knowledge and skills in visual art with emphasis on integrating the arts.

211 MEDIA, TECHNIQUES AND INQUIRY FOR SECONDARY SCHOOLS

ART 103, 104, 109 req; Teacher Ed Seq only or cons School req. C or better in ART 201 req. Clin Exp: 10 hrs. May Incl Clin Exp: Types 1-4, and 9. Materials charge optional.

Media, techniques and inquiry suitable for secondary schools.

213 LIFE DRAWING I

ART 103, 104, and 109 req or cons inst and School. Materials charge optional.

Introduction to drawing the human figure from direct observation. Anatomical structure, pictorial structure and expression. Discussion and critiques.

214 DRAWING COMPOSITION

ART 103, 104, 109, 213 reg, or cons inst and School. Materials charge optional.

Expanded concepts of drawing, alternative forms of imaging, contemporary issues and related formal concerns. Readings, discussion and critiques.

216 GRAPHIC DESIGN HISTORY

ART 155, 156, 257 req. Does not fulfill program req for Art History credit. Formerly ART 316.

Survey of Graphic Design History with an emphasis on movements, significant figures and technological advancements in the field since 1800.

224 METALWORK AND JEWELRY DESIGN I

ART 103, 104, and 109 reg, or cons inst and School. Materials charge optional.

Introduction to the tools, techniques, and fabricating processes used for creating in metals.

225 METALWORK AND JEWELRY DESIGN II

ART 103, 104, 109, 224 req. Materials charge optional. Further exploration of fabrication and casting techniques; emphasis on surface treatment such as repousse', etching, lamination, and inlay.

226 GRAPHIC DESIGN I

ART 103, 104, and 109 reg, or cons inst and School. Materials charge optional.

Basic graphic design techniques. Includes study of letter forms and design procedures. Practice in rendering skills.

227 GRAPHIC DESIGN II

ART 103, 104, 109, 226 reg. Materials charge optional. Application of design techniques to visual communications media. Emphasis on combining lettering with illustrational elements in preparation for reproduction processes.

228 CERAMICS I

ART 103, 104, and 109 req or cons inst and School. Materials charge optional.

Introduction to the physical characteristics of clay. Basic hand building and firing processes explored. Introduction to glaze processes.

229 CERAMICS II

ART 103, 104, 109, 228 reg. Materials charge optional. An expansion of hand building methods and the introduction of wheel-throwing techniques. Glazing and firing methods emphasized.

232 SCULPTURE I

ART 103, 104, and 109 reg or cons inst and School. Materials charge optional.

Exploration of sculpture techniques and materials within context of historical developments. Introduction to 3-dimensional spatial concerns.

233 SCULPTURE II

ART 103, 104, 109, 232 req. Materials charge optional. Further exploration of sculpture techniques and materials. Advanced 3-dimensional spatial concerns presented within a context of art historical development.

234 WOOD I

ART 103, 104, 109 req or cons inst and School. Materials charge optional. Formerly WOOD DESIGN I. Studio course exploring wood as a design medium.

235 PHOTOGRAPHY I

ART 103, 104, and 109 req, or cons inst and School. Materials charge optional.

Photography as an art form.

236 PHOTOGRAPHY II

ART 103, 104, 109, 235 or cons inst req. Materials charge optional.

Further study of photography as an art form. Individual exploration of techniques and subjects.

243 SOUND DESIGN 1: PROPERTIES AND

AUDIO TECHNOLOGIES

Also offered as MUS/THE 243.

Developing a basic understanding of the properties and perceptions of sound, audio technologies, and their relationship to artistic applications.

245 INTAGLIO I

ART 103, 104, and 109 req or cons inst and School. Materials charge optional.

Introduction to intaglio processes. Techniques such as etching, engraving, dry point, and aquatint within context of pictorial spatial understanding.

246 LITHOGRAPHY I

ART 103, 104, and 109 reg or cons inst and School. Materials charge optional.

Introduction to lithographic processes. Techniques on stone and aluminum plates with airbrush, crayon, and tusche drawing within context of pictorial spatial understanding.

252 VIDEO I

ART 103, 104, 109, or cons inst and School req. Materials charge optional. Formerly VIDEO ART I.

Video as a creative medium emphasizing experimental, narrative and nonnarrative production; screenings of video art, film and television.

253 VIDEO II

ART 103, 104, 109, 252 req. Materials charge optional. Formerly VIDEO ART II.

Video as a creative medium emphasizing digital editing and multimedia as well as conceptual and formal strategies for personal expression.

255 GLASS I

ART 103, 104, and 109 reg, or cons inst and School. Materials charge optional.

An introduction to the use of glass as an artist's material, concentrating on "hot-forming" processes.

257 SURVEY OF ART III

The major developments in European painting, sculpture, and architecture from the Romantic period, circa 1775, to the present.

261 PAINTING I

3

ART 103, 104, and 109 req, or cons inst and School. Materials charge optional.

Experimental work with variety of transparent and opaque painting media.

262 PAINTING II

ART 103, 104, 109, and 261 req. Materials charge

Problems of pictorialization and survey of contemporary trends in painting.

275 WORLD ARTS: VISUAL

ARTS

OC-FA

ENG 101; COM 110 req; MC-LH category req. Not

for cr if had ART 140. Studies in the visual arts of cultures other than the United

States mainstream and Western Europe.

276 BASIC SKILLS IN THE

DIGITAL ARTS

2

Fine Arts maj/min or cons inst req. Also offered as MUS/THE 276. Materials charge optional.

Introduction to the conceptual and technical skills required to capture, edit, and create digital graphics, audio, and video imagery.

284 INTEGRATED MEDIA I

ART 103, 104, 109, ART/MUS/THE 276, and ART 235 or ART 252, or cons inst and School.

Intermediate digital imaging and dynamic media. Theory and assigned studio work bridging digital and traditional practices.

290 ART HISTORY RESEARCH AND PROFESSIONAL SKILLS

ART 140, 155, 156 and 257 or cons inst and School reg. An introduction to the discipline focusing on research skills, methods of art historical inquiry and professional practice.

301 COMPUTER ARTS APPLICATIONS

Cons inst req. May be repeated if content different. Also offered as MUS/THE 301.

Variable topic course that focuses on the application of computer software to solving studio, performance, and production problems in the arts.

302 GRAPHIC DESIGN FOR THE WEB

ART 103, 104, 109, 226, 227, and 326 reg.

Graphic Design studio course introducing students to the concerns and design issues appropriate to web environments.

307 ART FOR DIVERSE POPULATIONS

ART 103, 104, 109 reg; Art Teacher Ed Sequence, cons School req. Clin Exp:10 hrs. May Incl Clin Exp: Types 1-4, 6 and 9. Formerly ART FOR ATYPICAL INDIVIDUALS.

Various approaches to the development and conduct of appropriate art experiences in school and community programs for diverse populations.

309 PROFESSIONAL ART

EDUCATION SEQUENCE

ART 103, 104, 109 reg; C or better in C&I 216 or conc reg req. C or better in ART 201 and 211 or cons School req. Complete all req for Admission to Prof Studies including passing all sections State of Illinois Basic Skills Test. Art Ed maj only; others by cons School. Must be repeated by Art Ed maj for total of 6 hrs 2 consecutive sem seq starting in fall. Incl Clin Exp:20 hrs. May Incl Clin Exp: Types 1-4, 6 and 9.

Sequential semesters focus on art learning theory, teaching methodology, and pre-student teaching clinical experiences in Art Education K-12.

313 LIFE DRAWING II

3

ART 103, 104, 109, 213, and 214 reg. May be repeated. Materials charge optional.

Advanced study of the human figure as subject. Emphasis on concepts of figuration and media exploration. Reading and participatory critiques.

315 TOPICS IN GRAPHIC DESIGN

ART 103, 104, 109, 227 req. May be repeated if different topic. Studio/seminar course covering special topics related to Graphic Design.

323 TYPOGRAPHY

3

ART 103, 104, 109, 227 req. Materials charge optional. Advanced course which emphasizes the practical and aesthetic concerns of typography as a means of communication and visual expression.

324 METALWORK AND JEWELRY DESIGN III

2

ART 103, 104, 109, 224, 225 req. May be repeated. Materials charge optional.

Advanced metalworking with an emphasis on volume and color, including raising, *repoussé*, forging, and various enameling techniques.

325 ADVANCED METALWORK AND JEWELRY DESIGN

3

ART 103, 104, 109 224, 225, and 324 and cons inst req. May be repeated. Materials charge optional.

Elaboration upon metalworking skills previously acquired, allowing development of a strong personal direction.

326 GRAPHIC DESIGN III

3

ART 103, 104, 109, 226, 227 and acceptance into Graphic Design Sequence req. Materials charge optional.

Transition course using skills, techniques, concepts learned earlier, applying them to problems of contemporary expression. Preparation to study independently.

328 CERAMICS III

3

ART 103, 104, 109, 228, 229 req. May be repeated. Materials charge optional.

Experiences in wheel and hand building processes with an emphasis on individual exploration of ideas through ceramic media.

331 ADVANCED DRAWING

3

ART 103, 104, 109, and 214 req. May be repeated. Transition course using the skills, techniques, and concepts learned earlier; applying them to problems of contemporary expression. Preparation to study independently.

332 SCULPTURE III

3

ART 103, 104, 109, 232, 233 req. May be repeated. Materials charge optional.

Individualized problems exploring techniques, concepts encountered earlier, now applied to problems of contemporary expression. Preparation to study independently.

333 TOPICS IN ADVANCED PHOTOGRAPHY

3

ART 103, 104, 109, 155, 156, 235, and 236 or cons inst req. May be repeated. Materials charge optional.

Advanced photography course focusing on different topics each semester. Seminar format with topics relating to assigned studio work. May be repeated if content differs.

335 PHOTOGRAPHY III

1

ART 103, 104, 109, 235, 236 req. May be repeated. Materials charge optional.

Advanced problems in photography as an art form. Emphasis upon individual exploration of the medium. Preparation to study independently.

336 GRAPHIC DESIGN IV

2

ART 103, 104, 109, 326 req. Materials charge optional. Advanced studio work exploring design techniques applied to advertising, packaging, and display media.

337 GRAPHIC DESIGN V

2

ART 103, 104, 109, 336 req. Materials charge optional. Advanced Graphic Design course focusing on portfolio preparation and professional self-promotional presentation skills.

343 SOUND DESIGN 2: DIGITAL AUDIO

ART/MUS/THE 243or cons inst req. Also offered as MUS/THE 343.

Exploring the medium of computer-based audio and its relationship to artistic applications.

344 WOOD II

ART 103, 104, 109, 234 reg. Materials charge optional. Studio exploration of wood as a medium of personal expression.

345 INTAGLIO II

ART 103, 104, 109, 245 req. May be repeated. Materials charge optional.

Further study of intaglio processes with greater emphasis on intaglio as an expressive medium. Introduction to color possibilities.

346 LITHOGRAPHY II

3

3

ART 103, 104, 109, 246 req. May be repeated. Materials charge optional.

Further study of lithographic processes with greater emphasis on lithography as an expressive medium. Introduction to color possibilities.

347 ADVANCED PRINTMAKING

3

ART 103, 104, 109, 345 and 246, or 346 and 245 req. May be repeated. Materials charge optional.

Advanced study of printmaking. Emphasis on contemporary printmaking issues related to content, directions in printmaking, and exploration of all print media.

349 VISITING ARTIST SEMINAR 2

Art maj or cons inst req. May be repeated.

A seminar-type class, taught by visiting artists and members of the School of Art faculty, focusing upon contemporary issues of fine arts and the creative process.

350 SOFTWARE DESIGN IN THE ARTS II 3

ART/MUS/THE 387 or cons inst req. Also offered as MUS/THE 350.

Designing on-line digital projects for the Internet which use Web and multimedia techniques to create aesthetic models for art, music, and theatre expression.

351 SPECIAL PROJECTS IN ART 2-6

ART 103, 104, 109; Art maj and cons inst req. May be repeated. May Incl Clin Exp: Type 1-4, 6, 8, and 9. Materials charge optional.

Special projects in any area in Art, chosen by the student for advanced investigation with the written approval of the instructor. May not duplicate existing courses.

352 RENDERING FOR INTERIOR DESIGNERS

Not for cr Art maj/min. TEC 211 and FCS 242, or ART 103 and 104, or cons inst req. Also offered as FCS 352.

Perspective sketching and delineations of architectural interiors. Various media and application techniques will be stressed for professional results in presentations.

353 COMPUTER MUSIC NOTATION

Cons inst reg. Also offered as MUS/THE 353.

Comparative study of computer-based music notation software using MIDI and other note entry systems for printing musical scores.

354 SEQUENCING AND DIGITAL AUDIO

Cons inst req. Also offered as MUS/THE 354. Study of music synthesis through MIDI sequencers, digital sound editing and recording, and the integration of digital audio and MIDI.

355 GLASS II

ART 103, 104, 109, 255 and cons inst and School reg. May be repeated. Materials charge optional.

Advanced class further exploring glass as an artist's material and addressing the application of color and "warm" glass processes.

356 COLOR PHOTOGRAPHY

ART 103, 104, 109, 236 or 335 and cons inst reg. Materials charge optional.

An introduction to basic color photography techniques with an emphasis on color photography as a fine art medium.

357 INTEGRATED MEDIA II

ART 284 (ART 103, 104, 109, ART/MUS/THE 276, and ART 235 or 252) or cons of inst and School req. Advanced interdisciplinary course exploring mediated strategies in performance, site and installation work. Includes theory and assigned studio work.

358 SOCIAL DOCUMENTARY PHOTOGRAPHY

Cons inst rea.

Studio practice in social documentary photography. An examination of the artist's role as social observer and documentarian.

359 COMPUTER-BASED ART AND GRAPHIC DESIGN

ART/MUS/THE 276 or cons inst req. Also offered as THE 359. Materials charge optional.

Application of advanced 2- and 3-dimensional graphics programs to solve creative problems in the visual and theatrical arts.

360 PAINTING III:

NON-REPRESENTATIONAL ABSTRACTION

ART 103, 104, 109, 262 req. Materials charge optional. Formerly ART 263.

Introduction to abstraction, forming content through nonrepresentational imagery. Possible inclusion of digital imagery. Reading and participatory critiques.

361 PAINTING IV

ART 103, 104, 109, 261, 262, and 263 or 360 req. May be repeated.

Transitional course. Students encouraged to explore personal directions in close consultation with instructor. Preparation for study on an independent basis.

362 AOUEOUS MEDIA

3

ART 103, 104, 109, 261 reg. Formerly WATERCOLOR I. Materials charge optional.

Watercolor as an expressive medium. Techniques and study of masters of watercolor; emphasis on creating pictorial space by illusion, color, and the use of transparency.

363 COLOR THEORY

ART 103, 104, 109 reg.

Theoretical and historical premises for making work organized by color, emphasizing interaction of surface color and light.

364 ADVANCED GROUP STUDIES

IN GLASS

3

ART 103, 104, 109, 255 and 355 or cons inst reg. May be repeated. Materials charge optional.

A studio/seminar format class, dealing with image/object realization, and the development of greater verbal, written and visual articulation skills.

366 ART OF THE ANCIENT NEAR EAST

ART 155, 156, 257 or cons inst and School reg.

Art and architecture of early civilizations of Egypt, Mesopotamia, and peripheral areas from circa 8000 B.C. to circa 300 B.C.

367 GREEK ART

3

ART 155, 156, 257 or cons inst and School req. Greek art and architecture from circa 1500 B.C. through the Hellenistic period.

368 ROMAN ART AND ARCHITECTURE

ART 155, 156, 257 or cons inst and School rea. Roman art and architecture in Italy and the provinces from the late Republic through the early 4th century A.D.

369 HISTORY OF MEDIEVAL ART AND ARCHITECTURE

3

ART 155, 156, 257 or cons inst and School reg. Art and architecture of Europe from circa 500 A.D. to the Renaissance.

372 MODERN ARCHITECTURE I

ART 155, 156, 257 or cons inst and School req. European and American architecture since the Industrial Revolution to the late 19th century.

373 MODERN ARCHITECTURE II 3

ART 155, 156, 257 or cons inst and School req. European and American architecture and its impact on the world from 1900 to the present.

375 ITALIAN RENAISSANCE ART AND

ARCHITECTURE

3

ART 155, 156, 257 or cons inst reg. Formerly ITAL-IAN RENAISSANCE ART.

Art and architecture in Italy form the late Middle Ages through the 16th century.

376 NORTHERN RENAISSANCE ART 3

ART 155, 156, 257 or cons inst req.

Painting and sculpture in France, Flanders, and Germany from the late Middle Ages through the 16th century.

377 BAROOUE AND ROCOCO ART AND ARCHITECTURE

ART 155, 156, 257 or cons inst req. Formerly HIS-TORY OF BAROQUE AND ROCOCO ART.

Art and architecture in Western Europe from the late 16th through the 18th century.

378 ART IN EUROPE FROM THE AGE OF ROMANTICISM THROUGH IMPRESSIONISM

ART 155, 156, 257 or cons inst and School req. Formerly HISTORY OF NINETEENTH-CENTURY ART AND ARCHITECTURE.

Art in Europe from the mid-18th century to c. 1885.

379 MODERN ART

3

ART 155, 156, 257 or cons inst and School reg. Painting and sculpture in Europe and America from the late 19th century to 1970.

380 ART IN THE UNITED STATES I: COLONIAL ERA TO THE EARLY REPUBLIC

3

ART 155, 156, 257 or cons inst and School reg. Art and architecture in the regions of North America that became the United States from c. 1600-1825.

381 ART IN THE UNITED STATES II: ROMANTICISM TO EARLY MODERNISM

3

3

3

ART 155, 156, 257 or cons inst and School reg. Art and architecture in the United States from about 1825 to 1930.

382 ART IN THE UNITED STATES III: FROM THE DEPRESSION TO 1970

ART 155, 156, 257 or cons inst and School req.

Complex artistic developments, especially in painting and sculpture, which occurred in American art from the Depression era to 1970.

383 HISTORY OF PHOTOGRAPHY

ART 155, 156, 257 or cons inst and School reg. Important photographers and the major aesthetic and technical developments of photography from 1840 to present.

385 RECENT DEVELOPMENTS IN ART: 1970 TO THE PRESENT

ART 155, 156, 257 or cons inst and School reg.

An examination of major international visual artists and the role of public and private institutions within the contemporary arts world.

386 TOPICS IN ART HISTORY

ART 155, 156 and 257 or cons inst req. May be repeated if topic is different, max 6 hrs.

Advanced course in the history of art focusing on different themes, periods, or issues each semester.

387 SOFTWARE DESIGN IN THE ARTS I 3

Also offered as MUS/THE 387. Materials charge

Designing and programming microcomputer-based software which solve particular applications problems in the fine arts

388 SELECTED TOPICS IN ARTS TECHNOLOGY

Also offered as MUS/THE 388. May be repeated if content different. Materials charge optional.

Varied emphases reflecting integration of computers with digital sound/graphic technologies and authoring tools for applications in the arts.

394 BFA SEMINAR

ART 103, 104, 109 and acceptance into the BFA program or cons inst and School req. May be repeated if

Seminar for investigating ideas and issues in contemporary art and building critical thinking, reading and research skills for BFA students.

395 UNDERGRADUATE SEMINAR IN ART HISTORY

Successful completion of at least one 300-level Art History course and cons inst req. May be repeated if content different.

Intensive study of an announced topic in art history, emphasizing methodology, original research, and various art historical approaches to specified works, artists, themes, styles, or issues.

398 PROFESSIONAL PRACTICE: INTERNSHIP IN ART

1-8

May be repeated; max 16 hrs. Cons school director reg. Supervised work experience.

398.02 PROFESSIONAL PRACTICE: INTERNSHIP IN ART: DESIGN

398.05 PROFESSIONAL PRACTICE: INTERNSHIP IN TEACHING ART

May Incl Clin Exp: Type 1-4, 6, and 9.

398.07 PROFESSIONAL PRACTICE: INTERNSHIP IN PHOTOGRAPHY

398.08 PROFESSIONAL PRACTICE: INTERNSHIP IN MUSEUM/GALLERY

398.09 PROFESSIONAL PRACTICE: COOPERATIVE EDUCATION/ INTERNSHIP IN ARTS MICRO-COMPUTER APPLICATIONS

2-6

ART/MUS/THE 276; 1 course selected from MUS 211, ART/THE 359, or ART/MUS/THE 387. Jr/sr standing in area of concentration; 2.50 GPA reg.

Cooperative education/internship providing the opportunity to apply knowledge of microcomputer arts applications in arts agencies, business, and/or education settings.

Music

MUSIC (MUS)

566

230 Centennial East, (309) 438-7631 Web address: www.illinoisstate.edu/finearts

Director: James Major.

Tenured/Tenure-track Faculty:

Professors: Block, Borg, Dicker, DiGiammarino, Koehler, Larsen, A. Major, J. Major, Modos, Snyder, Steele.

Associate Professors: Aduonum, Carlson, Favis, Feurzeig, Gentry, Koch, Labonville, McCord, Morenus, Neisler, Parsons, Risinger, Vought.

Assistant Professors: Belongia, Collier, Fredstrom, Gresham, Hollingsworth, Horst, Marko, Ransom, Ropp, Smith.

General School Information

Curricular Requirements/School Requirements:

Music students are bound by the requirements in this Undergraduate Catalog and those found in the School of Music Student Handbook.

Admission Auditions:

All students who intend to major in Music at Illinois State University are expected to have previous music experiences. Prior to acceptance as a Music major or minor, all students must pass a performance audition on their major instrument or voice. Information concerning admission auditions is available from the School of Music.

Former Illinois State University B.M.E., B.A./B.S., and B.M. students seeking readmission to the Music Major must meet the following criteria:

- Successful re-audition or permission of the appropriate applied area (unless applied requirement has already been met) and permission of the appropriate degree advisor
- For all students whose course work has made them eligible (enrollment in 204 or equivalent); for others a 2.00 GPA in the theory/history core and applied music.
- A history of success in lab ensemble and recital attendance.

If a student does not meet all the requirements, the academic advisor will recommend to the Director of the School of Music whether or not the student should be readmitted, with the final decision resting with the Director.

Piano Requirements:

All students pursuing a Music major degree program are required to demonstrate a level of piano proficiency equivalent to that outlined for Level III of Group Instruction Piano unless stated otherwise for a specific degree or sequence. A syllabus of proficiency requirements is available in the Music Office or from the Group Piano Coordinator. All B.M.E. students and candidates for teacher certification are required to pass a piano proficiency exam prior to admission to Professional Studies.

Performing Organization Requirements:

All students pursuing a Music major degree program are required to participate and earn a passing grade in a major music-performing organization each semester they are enrolled in the University until the ensemble requirement is completed for their chosen degree sequence.

B.M.E. majors are exempt from this requirement during the semester of Student Teaching; Music Therapy majors are exempt from this requirement during the semester of their internship; Music Business majors are exempt from this requirement during the semester of their internship. Music Business majors may also receive an exemption by completing their internship during the summer session.

To receive an ensemble exemption for a summer internship, the student must successfully complete the internship before receiving an exemption for the following school year. If the summer internship is the only remaining requirement for the degree, an ensemble exemption for the semester preceding that summer internship may be obtained by approval from the Director of the School of Music. Students who have completed 2 credit hours of internship (MUS 298.03) may choose to be exempt from 1 additional ensemble in a subsequent semester for a total not to exceed 2 ensemble credits.

Specific performing organization participation requirements are indicated below for each of the Music major degree programs. A major opera role may be substituted for one performing organization by juniors and seniors upon approval of the Director of the School of Music as a result of a written request signed by the student, the applied teacher, and the opera director. A maximum of 12 hours in Music performing organization credit is applicable to any Music degree. NOTE: Only 1 music-performing organization per semester will be counted towards the requirements for the completion of any Music degree program. The ensemble should relate to the student's applied area. Students must be enrolled in MUS 110 each semester on campus up to the total number of semesters required for the particular degree program.

Enrollment Limitations:

Enrollment in some Music courses is limited to those students who have had auditions or who have secured the permission of the appropriate coordinator. Information concerning these course enrollment limitations is available from the School of Music.

Musical Instrument Storage:

In the event that students choose to store musical instruments on campus in any building operated by the University, they hereby waive any and all liability of the University and its employees for the loss of or damage to such musical instruments by any cause whatsoever, including, but not limited to, fire, water, windstorm, or any other casualty, theft, or dampness or dryness of the air.

Music Programs

Degrees Offered: B.A., B.S., B.M.E.

MAJOR IN MUSIC

- 40 hours in Music required.
- Required courses: MUS 101, 102, 103, 107, 108, 201, 207, 212, 216, 253, 254; one course chosen from 213, 214, or 219; one course chosen from 220, 221, or 222; at least 4 semesters of Applied Music (may include Group Instruction Voice or Piano); 8 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to a total of 8 semesters); 8 hours of performing organizations:
- Students must be enrolled for 1 hour credit in Wind Symphony, Symphonic Band, Jazz Ensemble I or II, Marching Band, Symphony Orchestra, Civic Chorale, University Choir, Women's Choir, Concert Choir, Encore! (Vocal Jazz Ensemble), Madrigal Singers, Opera Practicum or Guitar Ensemble (for guitar majors only) for at least 8 semesters.

Music Business Sequence:

Degree Offered: B.S.

- 25-27 hours required.
- MUS 298.03 (2 hours) NOTE: This may be 2 of the 8 hours in music performing organizations required in the BA/BS in Music curriculum.
- Music course (3 hours): MUS 175.
- Six (6) hours chosen from MUS 206, 301, 354, and 388.
- ECO 105 (4 hours).
- Select twelve (12) hours of approved electives such as: THE 342, 344, 345; MQM 220, 328, 329; MKT 230.

Musical Theatre Sequence:

Degree Offered: B.A.

- 25 hours required.
- 2 hours Theatre Practicum (THE 102) and 2 hours of Opera Practicum (MUS 165). NOTE: This may be 4 of the 8 hours in music performing organizations required of B.A. in Music majors.
- A qualifying performance audition is required for all incoming students needing to enroll in THE 105, 106, 119, and 120. Students who are deficient in dance technique may have to take courses at a lower level. Deficiency hours will be above the hours required for this sequence. Information concerning qualifying auditions is available from the School of Theatre.
- Required courses: THE 100, 102, 105, 106, 110, 113, 237, 314.08, 322; one course chosen from THE 119 or 120.

MINOR IN MUSIC

- 24 hours in Music required.
- Required courses: MUS 101, 102, 107, 108, 212.
- All students pursuing a Music Minor degree are required

- to demonstrate a piano proficiency equivalent to that outlined for Level II Group Piano Instruction; 4 semesters of Applied Music (may include Group Instruction Voice or Piano); 4 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to a total of 4 semesters); 4 semesters of performing organizations.
- Students must be enrolled for 1 hour credit in Wind Symphony, Symphonic Band, Jazz Ensemble I or II, Marching Band, Symphony Orchestra, Civic Chorale, University Choir, Women's Choir, Concert Choir, Encore! (Vocal Jazz Ensemble), Madrigal Singers, Opera Practicum or Guitar Ensemble (for guitar majors only) for at least 4 semesters.

MAJOR IN MUSIC EDUCATION

Core Requirements and Sequences:

- Complete core requirements of MUS 101, 102, 103, 107, 108, 201, 207, 212, 216, 253, 254.
- Electives: Choose one from MUS 213, 214, 219.Choose one from MUS 220, 221, 222.
- Additional core requirement: MUS 167.
- Choose from one of the following sequences: Choral-General-Vocal, Choral-General-Keyboard, Instrumental-Band, Instrumental-Orchestra.
- The four sequences are part of the entitlement program leading to the Special Teaching K-12 Music Certificate in the State of Illinois.
- Complete 14 hours of Applied Music and at least 7 hours of performing organizations.
- Designated special methods courses in each of the 4 sequences (Choral-General-Vocal, Choral-General-Keyboard, Instrumental-Band, Instrumental-Orchestra) require Clinical Experiences and are taken throughout the degree program.

Piano and Applied Music Requirements:

- Students are required to demonstrate a level of piano proficiency equivalent to that outlined for Level IV of Group Piano Instruction prior to admission to Music Education. NOTE: A syllabus of proficiency requirements is available in the School office or from the Music Education or Group Piano Coordinator. Piano may be studied in Group Instruction 122 or in Applied Piano 135/235. A maximum of 8 hours is allowed for taking piano in Group Instruction.
- Students are required to study applied music on their major instrument for 5 to 7 semesters, depending on the sequence.
- Students are required to take at least 1 semester of 200level Applied Music prior to student teaching.
- Students are required to perform a half (30 minute) senior recital prior to student teaching.

Professional Education Requirements:

 C&I 210 and 212 must be taken prior to the special methods in Music courses and include Clinical Experience; EAF 228, 231, or 235 must be taken prior to student teaching.

- Special Methods courses include: MUS 162, 195, 260, 261, 262, 263, 266, 267, 271. NOTE: All Special Methods courses include clinical experience. Except for MUS 162 and 195, all Special Methods courses require Admission to Professional Studies.
- Grade of C or higher required.

Core Music Education Requirements:

 All Music Education students are required to take the following courses: MUS 195, 260, 262, 266, 267 and 1 hour in jazz selected from MUS 139.70/239.70, 139.71/239.71, 218, or 330.90 (depending on sequence).

Choral-General-Vocal Sequence:

- In addition to the Professional Education requirements, 66 hours in Music required as follows.
- Required courses: Music and Music Education core requirements and a minimum of 2 semesters of Group or Applied Piano and 5 semesters of Applied Voice; MUS 127 or 128; 162, 263, 267, 268.
- Students must be enrolled for 1 hour of credit in University Choir, Women's Choir, Concert Choir, Vocal Jazz
 Ensemble, Opera Practicum, or Madrigal Singers for at least 7 semesters.
- Students must enroll in University Choir or Concert Choir for a minimum of 4 semesters and Opera Practicum for 1 semester.
- A maximum of 1 semester of Vocal Jazz Ensemble may count toward graduation.

Choral-General-Keyboard Sequence:

- In addition to the Professional Education requirements, 66 hours in Music required as follows.
- Required courses: Music and Music Education core requirements and a minimum of 2 semesters of Group or Applied Voice and 5 semesters of Applied Piano; MUS 240 (2 hours); 162, 263, 267, 268.
- Students must be enrolled for 1 hour credit in University Choir, Women's Choir, Concert Choir, Vocal Jazz Ensemble, Opera Practicum, or Madrigal Singers for at least 7 semesters.
- Students must enroll in University Choir or Concert Choir for a minimum of 4 semesters and Opera Practicum for 1 semester.
- A maximum of 1 semester of Vocal Jazz Ensemble may count toward graduation.

Instrumental-Band Sequence:

- In addition to the Professional Education requirements, 67 hours in Music required as follows.
- Required courses: Music and Music Education core requirements and MUS 104, 105, 115, 116, 117, 161, 261, 269.
- Students must be enrolled for 1 hour credit in Wind Symphony, Symphonic Band, Jazz Ensemble I or II, Marching Band, or Symphony Orchestra for at least 7 semesters.

 Students must enroll in a minimum of 2 semesters of Marching Band and 2 semesters of a concert band (Wind Symphony or Symphonic Band).

Instrumental-Orchestra Sequence:

- In addition to the Professional Education requirements, 65 hours in Music required as follows.
- Required courses: Music and Music Education core requirements and MUS 104, 105, 115, 116, 117, 269, 271.
- Students must be enrolled for 1 hour credit in Symphony Orchestra for 7 semesters.

Student Teaching:

At least 10 weeks (8 hours) (STT 399.28) of student teaching are required; 16 weeks (16 hours) (STT 399.28) are recommended.

Admission-Retention Requirements for the Teacher Education Sequence in Music Education

Selective Admission:

All Music Education students planning to become certified teachers must apply for and be admitted to the University's Professional Studies program (see Teacher Education Admission-Retention program section of this *Undergraduate Catalog*). Upon applying for admission, a Music Education student must also have verified the following:

- File departmental application for admission to Music Education and complete an interview with Music Education faculty.
- A minimum cumulative GPA of 2.75 overall and in all Music courses including all Professional Education courses.
- Satisfactory completion of Piano Proficiency Exam or completion of Level 4-Group Piano with grade of B or better (the entire final exam for Level 4 must be passed successfully).
- Recommendation for Admission to Professional Studies by the Music Education faculty.

Selective Retention:

In order to be retained in the Music Education program and to receive departmental approval for a student teaching assignment, the following requirements must be met:

- Maintain a GPA of 2.75 in all courses and in all Music Education courses including Professional Education.
- 2. Be recommended for student teaching by the Music Education faculty.
- Interview with the Coordinator of Student Teaching and/or Music Education faculty.
- Complete at least 1 semester of Applied Music at the 200-level.
- 5. Acquire a minimum grade of C in all Music Education courses including Professional Education courses.
- File College of Education and departmental applications for student teaching.

Graduation Requirements:

A cumulative and major GPA of 2.75 must be maintained.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

Music Program

Degree Offered: B.M.

Admission into the B.M. program is by special audition.

MAJOR IN MUSIC

- 68 hours of Music required.
- Required courses for all sequences except Music Therapy (for requirements, see Music Therapy Sequence): MUS 101, 102, 103, 107, 108, 167, 201, 207, 212, 216, 253, 254, 1 course selected from 213, 214, 219; 1 course selected from 220, 221, or 222; 2 courses selected from among MUS 355 (355.01, 355.02, 355.03, 355.04), 356 (356.01, 356.02), 391, 392, 394, 395, 396; 1 Applied Music course on the major instrument each semester including the successful completion of at least 1 semester of 200-level Applied Music; 8 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to a total of 8 semesters). In addition, students must be enrolled for 1 hour of credit each semester they are in residence in Wind Symphony, Symphonic Band, Marching Band, Jazz Band, Symphony Orchestra, University Choir, Women's Choir, Civic Chorale, Concert

- Choir, Encore! (Vocal Jazz Ensemble), Madrigal Singers, Accompanying (for keyboard majors only) or Guitar Ensemble (for guitar majors only).
- Student also selects 1 of the 6 following sequences and completes requirements of that sequence. For students who select the Keyboard-Instrument, Voice-Performance, Classical Guitar Performance, or the Band and Orchestra Instruments Sequence, the requirements are: 3 semesters of 200-level Applied Music, a half (30 minute) junior recital, and a full (60 minute) senior recital.

Music Composition Sequence:

- 8 hours in Music 205.
- Music 303 and 304.
- Electives to complete 68 hours.

Keyboard Performance Sequence (Piano, Organ, Harpsichord):

- 4 hours of Keyboard Pedagogy and Literature (MUS 330).
- 2 hours of functional keyboard skills and sight-reading (MUS 122.50).
- 4 hours of Accompanying (MUS 240). NOTE: This may be 4 of the 8 hours in Music performing organizations required of B.M. majors.
- Electives to complete 68 hours.

Voice Performance Sequence:

- MUS 127, 128, and 2 hours in Vocal Pedagogy and Literature (MUS 330).
- Electives to complete 68 hours.
- Voice students enrolled in Encore! must also participate in another choral ensemble.
- 2 semesters of Opera Practicum.
- Voice students enrolled in Opera Practicum must also participate in a major choral ensemble.

Band and Orchestra Instruments Performance Sequence:

- 2 hours in Pedagogy and Literature on appropriate instrument (MUS 330).
- Electives to complete 68 hours.

Classical Guitar Performance Sequence:

- 4 hours of Pedagogy and Literature (MUS 330).
- 2 hours of Guitar Fingerboard Harmony (MUS 215).
- 6 hours of Guitar Ensemble (MUS 139.85/239.85).
- 2 hours of Music performing organizations other than Guitar Ensemble.
- Electives to complete 68 hours.

Music Therapy Sequence:

A student who completes the following requirements, including a 6-month internship, will be eligible to take the Certification Board for Music Therapists, Inc. exam. The prospective Music Therapy student is encouraged to contact the Director of the Music Therapy program in the School of Music before beginning course work.

- Core requirements: MUS 101, 102, 103, 107, 108, 167, 201, 207, 212, 216, 253, 254.
- One course selected from MUS 213, 214, or 219.
- One course selected from MUS 220, 221, or 222.
- 7 hours of Music Performing Organizations.
- 2 hours from the following: MUS 104, 105, 115, 116, 162.
- 8 hours of Applied Music Study.
- Sequence requirements: MUS 117, 118, 122.30, 126, 194, 294, 298.01 (4 hours), 340, 341, 360, 398 (2 hours); PSY 110, 213, 346, 350.
- 7 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to a total of 7 semesters).
- NOTE: A competency test is required in guitar and piano. Students whose major applied instrument is percussion, guitar, piano or voice are required to substitute other group instrument classes (MUS 111 116 or 162) for the required group class representing their major instrument.

ARTS TECHNOLOGY PROGRAM

The Arts Technology Program leads to a Major in Arts Technology (B.A./B.S.). The Program is sponsored by the College of Fine Arts and shared by the Schools of Art, Music and Theatre. Specifics concerning admission to the Program may be found in this catalog under the heading, College of Fine Arts.

Music Courses

101 MUSIC THEORY

Music maj/min only or cons school director req. Principles of rhythmic, melodic, and harmonic syntax in the

common practice period. Emphasis on diatonic analysis and composition.

102 MUSIC THEORY

2

MUS 101 or cons Theory Coord req.

Continuation of common practice syntax; emphasis on formal analysis and composition of common practice idioms.

103 COMPUTER SKILLS FOR MUSICIANS

1

MUS maj only.

Introduction to computer music notation, MIDI sequencing, and digital audio.

104 GROUP INSTRUCTION IN BRASS

MUS maj only. Incl Clin Exp: 5 hrs; Type 1-5, 9. Not for cr if had MUS 111, 112.

Introduction to the playing and pedagogy of brass instruments (trumpet, horn, trombone, euphonium, tuba).

105 GROUP INSTRUCTION IN STRINGS

MUS maj only. Incl Clin Exp: 5 hrs; Type 1-5, 9. Not for cr if had MUS 113 or 114.

Introduction to the playing and pedagogy of stringed instruments (violin, viola, cello, string bass).

107 GROUP INSTRUCTION IN BASIC MUSICIANSHIP I

1

MUS maj/min only or cons inst req.

Introduction and cultivation of fundamental aural (ear-training) and sight-singing (solfege) skills.

108 GROUP INSTRUCTION IN BASIC MUSICIANSHIP II

1

MUS 107 or cons Theory Coord req.

Continuation of skill building in ear-training and sightsinging; expansion of solfege techniques.

110 RECITAL ATTENDANCE

MUS maj/min only. May be repeated. CR/NC only. Develop an understanding of musical styles and skills as a more discriminating listener.

115 GROUP INSTRUCTION IN SINGLE REED INSTRUMENTS/FLUTE

1

MUS maj/min only. Incl Clin Exp: 5 hrs Type 1-5, 9. Introduction to the playing and pedagogy of single reed instruments (clarinet and saxophone) and flute.

116 GROUP INSTRUCTION IN DOUBLE REED INSTRUMENTS

1

MUS maj/min only. Incl Clin Exp: 5 hrs Type 1-5, 9. Introduction to the playing and pedagogy of double reed instruments (bassoon and oboe).

117 GROUP INSTRUCTION IN PERCUSSION

1

MUS maj/min only. Incl Clin Exp: 5 hrs Type 1-5, 9. Practical instruction in playing and methods of teaching percussion instruments.

118 BEGINNING GUITAR 2

Student must supply acoustic guitar.

Elements of basic acoustic guitar; simple chords and melodies.

119 INTERMEDIATE GUITAR

2

MUS 118 or cons inst req. Student must supply acoustic guitar.

Further development of guitar playing skills, including note reading in higher positions, movable chords, fingerpicking, and an introduction to improvisation.

121 GROUP INSTRUCTION IN PIANO 2

For students who have had little or no formal piano study and who are not Music maj/min. Enrollment and placement only by cons Group Piano Coord. May be repeated if content differs.

Harmonization, sight-reading and transposition, technical studies, and solo and ensemble repertoire.

122 GROUP INSTRUCTION IN PIANO 2

MUS maj/min with little or no keyboard skills. Enrollment and placement by cons Group Piano Coord. A syllabus of piano proficiency requirements is available from the Music Office and the Group Piano Coord. May be repeated if content differs; max 8 hrs.

126 GROUP INSTRUCTION IN VOICE

May be repeated. Cons inst req.

Practical instruction in singing in English and Italian. Successful completion of MUS 126 or audition before members of voice faculty is prerequisite for admission to MUS 137.

127 FOREIGN LANGUAGE DICTION FOR SINGERS

2

MUS 126 or conc reg in MUS 126, 137, or 237. German and French diction through the study of art songs in both languages.

128 DICTION FOR SINGERS: ITALIAN AND ENGLISH

2

MUS 126 or conc reg in MUS 126, 137, or 237. Italian and English stage diction for singers, using the International Phonetic Alphabet.

131-138 APPLIED MUSIC

May be repeated. Cons appropriate coord 1 sem in advance of reg req. Prereq for MUS 137 described in narrative for MUS 126.

- 131, Brass; 132, Harpsichord; 132.10 Harp; 133, Organ;
- 134, Percussion; 135, Piano; 136, Strings; 136.80, Guitar;
- 137, Voice; 138, Woodwinds.

139 ENSEMBLE

1-2

May be repeated.

Study and performance of chamber and small music ensembles in a variety of combinations of instruments.

152 EXPERIENCING

MUSIC

OC-FA

3

3

3

COM 110; ENG 101 req.

Examination of the structures of various musical forms through listening, discussion, and attendance at performances. Content may vary.

153 BLACK MUSIC I OC-FA

ENG 101; COM 110 req.

A survey of musical elements and cultural contexts that define Black folk music in Africa, the Caribbean, and the United States of America.

154 BLACK MUSIC II OC-FA

ENG 101; COM 110 reg.

A survey of musical elements and cultural contexts that define Black contemporary music such as jazz, rhythm and blues, rap, vodou jazz, afro-beat, and calypso.

161 MARCHING BAND TECHNIQUES

Conc reg with participation in Marching Band. Marching Band organization: field show planning and design.

162 INTRODUCTION TO INSTRUMENTAL INSTRUCTION

Incl Clin Exp: 10 hrs, Type 1-5, 9.

Introduction to the playing and pedagogy of brass, woodwind, string, and percussion instruments for choral-general music education students.

165 OPERA PRACTICUM 1

By audition/cons instr. May be repeated.

Experience in opera/musical theatre staging and performance. Work ranging from set construction to leading roles.

167 BASIC CONDUCTING

Fundamentals, score reading, rehearsal procedures, and practical experience in work with choral and instrumental media.

175 INTRODUCTION TO THE MUSIC INDUSTRY

Exploring the various facets of the music and entertainment industry, including an historical background.

176 ARTS AND SOCIETY: MUSIC OC-FA 3

ENG 101; COM 110 reg.

Examination of the relationship between music and politics/culture.

180-188 PERFORMING ORGANIZATIONS

Max 12 hrs of 180-188 and 280-288 may be counted toward a Music degree.

Participation in the large musical organizations; 180, University Choir; 181, Wind Symphony, Symphonic, University, Pep or Marching Band; 182, Symphony Orchestra; 183, Chamber Wind Ensemble; 184, Concert Choir; 186, Women's Choir; 188, Civic Chorale.

194 PRINCIPLES OF MUSIC THERAPY

Not for cr if had former MUS 190, 191, and 192. Field observations req.

Introduction to music as a therapeutic agent in the rehabilitation and reorganization of the human being into social life. A survey of the history of the American Music Therapy Association is included as well as the processes and principles of music therapy as used by practicing music therapists.

195 INTRODUCTION TO MUSIC **EDUCATION**

Music Ed maj only. Incl Clin Exp: 10 hrs; Type 1-5, 9. Theory/practice of music education, philosophy, musical development, learning theories, curriculum and planning, classroom management, assessment, and students with disabilities.

201 MUSIC THEORY

MUS 102 or cons Theory Coord reg.

Study of tonal harmony from Bach to present-day popular music

205 COMPOSITION 2

Cons inst req. May be repeated.

Developing individual creative talents of students in musical composition in acoustic and electro-acoustic media.

206 COMPUTER ARTS PERFORMANCE STUDIO

Cons inst req. Also offered as ART/THE 206.

Creative and interdisciplinary experiences in solo and ensemble performance integrating computer technology into music, dance, performance art, or theatre production.

207 GROUP INSTRUCTION IN **BASIC MUSICIANSHIP III**

MUS 108 or cons Theory Coord req. (Not for cr if had MUS 203 for 6 hrs.)

Continuation of MUS 108 with introduction of chromaticism, more complex rhythms, and harmonic dictation using 7th chords.

212 INTRODUCTION TO MUSIC LITERATURE

MUS 102 or cons inst reg.

Introduction to important musicians, genres, styles, and terminology supporting the study of music in history and cultures.

213 JAZZ-ROCK AURAL SKILLS

MUS 207 or cons Theory Coord req.

Development of sight-singing, keyboard, and dictation skills required for the performance and transcription of jazz and rock music.

214 TRANSCRIPTION 1

MUS 207 or cons Theory Coord reg.

Transcription of recorded music in a variety of popular, historical Western, and non-Western styles.

215 GUITAR FINGERBOARD HARMONY

3 sem of Applied Guitar (MUS 136.80/236.80) or cons

A comprehensive exploration of the guitar fingerboard through the study of scales, arpeggios, intervals, chords, and

216 NON-WESTERN MUSIC LITERATURE 2

MUS 212 or cons Theory Coord reg.

A survey of the music of non-Western cultures, examining how these societies organize music as sound and music as culture.

218 JAZZ IMPROVISATION

3

1

C or better in MUS 203 and 204. Music maj/min only. Current methods and materials for developing jazz and jazzbased improvisational abilities in performers and teachers.

219 ADVANCED SIGHT SINGING

MUS 207 or cons Theory Coord reg.

Continuation of the sight-singing portion of MUS 207 with emphasis on vocal literature and on performance of more complex rhythms.

220 ANALYSIS THROUGH

COMPOSITION

2

2

1

MUS 103 and MUS 201 req, or MUS 201 and conc reg in MUS 103 reg.

Study of tonal and post-tonal styles through original composition based on stylistic models including Mozart, Debussy, Schoenberg, Broadway, Techno.

221 TWENTIETH-CENTURY

TECHNIQUES

MUS 103 and MUS 201 reg, or MUS 201 and conc reg in MUS 103 reg.

Study of twentieth-century concert music including modes, atonality, set theory, serialism, minimalism, and rhythmic theory.

222 THEORETICAL FOUNDATIONS OF JAZZ AND ROCK MUSIC

MUS 103 and MUS 201 req, or MUS 201 and conc reg in MUS 103 reg.

Study of scales, rhythmic structure, harmony, and melody of jazz and rock music, including analysis and arranging projects.

231-238 APPLIED MUSIC

2 or 3 ea

Music

May be repeated. Cons of appropriate coord 1 sem in advance of reg reg.

231, Advanced Brass; 232, Advanced Harpsichord, 234, Advanced Percussion; 235, Advanced Piano; 236, Advanced Strings; 236.80 Advanced Guitar; 237, Advanced Voice: 238, Advanced Woodwinds.

239 ENSEMBLE

1-2

1

May be repeated.

Study and performance of chamber and small music ensembles in a variety of combinations of instruments.

240 ACCOMPANYING

May be repeated.

Technique and skills of accompanying singers and instrumentalists, including experience in providing accompaniments for other students.

243 SOUND DESIGN 1: PROPERTIES AND AUDIO TECHNOLOGIES 3

Also offered as ART/THE 243.

Developing a basic understanding of the properties and perceptions of sound, audio technologies, and their relationship to artistic applications.

253 MUSIC HISTORY UNTIL 1750 3

MUS 216 or cons Theory Coord reg.

Developments, trends, styles, genres, and significant composers in Western music history from the Greeks to the time of Bach and Handel.

254 MUSIC HISTORY SINCE 1750 3

MUS 216 or cons Theory Coord reg.

Developments, trends, styles, genres, and significant composers from the Classical period through the 20th century.

260 ELEMENTARY/JUNIOR HIGH **TEACHING METHODS:**

INSTRUMENTAL MUSIC

C or better in C&I 210 and 212 reg. Music Ed maj/min

only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Prof Studies req. Formerly ELEMENTARY/JUNIOR HIGH TEACHING METHODS: BAND.

Current methods and materials for the teaching of grades 4-8 instrumental music.

261 SECONDARY TEACHING

METHODS: BAND

C or better in C&I 210 and 212 reg. Music Ed maj/min only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Professional Studies req.

Current methods and materials for the teaching of 9-12 instrumental music.

262 ELEMENTARY TEACHING METHODS: GENERAL MUSIC

C or better in C&I 210 and 212 reg. Music Ed maj/min only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Prof Studies req.

Current methods and materials for the teaching of K-6 general music.

263 JUNIOR HIGH/SECONDARY **TEACHING METHODS: GENERAL MUSIC**

C or better in C&I 210, 212 and MUS 262 reg. Music Ed maj/min only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Professional Studies reg.

Current methods and materials for the teaching of junior high and secondary school (7-12) general music courses.

265 OPERA PRACTICUM

By audition/consent of instructor. May be repeated. Experience in opera/musical theatre staging and performance. Work ranging from set construction to leading roles.

266 CHORAL METHODS I

C or better in C&I 210 and 212 reg. Music Ed maj/min only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Professional Studies req. Compl of piano proficiency req. Formerly ELEMENTARY/JUNIOR HIGH TEACHING METHODS: CHORAL. Not for cr if had MUS 163.

This course covers vocal skill development and pedagogy; choral methods, materials, and management; and clinical teaching experiences.

267 SECONDARY TEACHING METHODS: CHORAL

C or better in C&I 210 and 212 reg. Music Ed maj/min only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Professional Studies req.

Study of management, methods, and materials utilized in the teaching of grades 9-12 vocal music.

268 INTERMEDIATE CONDUCTING: CHORAL

MUS 167 or cons inst reg.

Further development of conducting skills; principles of musical production, rehearsal procedures, and problems of conducting music from all historical periods.

269 INTERMEDIATE CONDUCTING: INSTRUMENTAL

MUS 167 or cons inst req.

Further development of conducting skills; principles of musical production, rehearsal procedures, and problems of conducting music from all historical periods.

271 SECONDARY TEACHING

METHODS: STRINGS

C or better in C&I 210 and 212 req. Music Ed maj/min only. Incl Clin Exp: 15 hrs, Type 1-5, 9. Adm to Professional Studies req.

Current methods and materials for the teaching of secondary school instrumental strings.

275 WORLD ARTS: MUSIC OC-FA

ENG 101; COM 110 req; MC-LH category req. Introduction to selected music of Asia, the Middle East, Africa and Latin America.

276 BASIC SKILLS IN THE **DIGITAL ARTS**

Fine Arts maj/min or cons inst req. Also offered as ART/THE 276. Materials charge optional.

Introduction to the conceptual and technical skills required to capture, edit, and create digital graphics, audio, and video imagery.

277 ARTS FOR ELEMENTARY SCHOOLS: MUSIC

El Ed maj only.

Survey of Music Education K-6; current practices and materials for teaching elementary general music.

278 ARTS FOR EARLY CHILDHOOD: MUSIC

Early Childhood Ed maj only; compl 30 hrs req. Not for cr if had C&I 282.

Materials and methods for teaching music with special emphasis on integrating the arts.

280-288 PERFORMING ORGANIZATIONS 1

Max 12 hrs of 180-188 and 280-288 may be counted toward a Music degree.

Participation in the large musical organizations; 280, University Choir; 281, Wind Symphony, Symphonic, University, Pep or Marching Band; 282, Symphony Orchestra; 283, Chamber Wind Ensemble; 284, Concert Choir; 286, Women's Choir; 288, Civic Chorale.

294 MUSIC IN RECREATION 3

MUS 194 or cons inst, ability to read music, and field experiences req.

Techniques and skills essential in the prescription, organization, and procedures of leading recreational music activities within therapeutic settings. Development of functional skills on social instruments.

298.01 PROFESSIONAL PRACTICE: MUSIC THERAPY INTERNSHIP

May be repeated; max 4 hrs. CR/NC only.

Supervised practical experience in therapeutic music situations in various institutions in the area.

298.03 PROFESSIONAL PRACTICE: MUSIC BUSINESS 1-6

May be repeated; max 6 hrs. CR/NC only.

Supervised practical experience in music business situations in various institutions in the area.

301 COMPUTER ARTS APPLICATIONS

Cons inst req. May be repeated if content different. Also offered as ART/THE 301.

Variable topic course that focuses on the application of computer software to solving studio, performance, and production problems in the arts.

303 COUNTERPOINT 2

MUS 201, or 203, or cons inst reg.

Introduction to counterpoint in Renaissance (16th century) and Baroque (18th century) styles.

304 ORCHESTRATION 2

MUS 201, or 203, or cons inst reg.

Introduction to writing for ensembles of strings, winds, percussion, or voices.

330 PEDAGOGY AND LITERATURE 1-2

May be repeated; max 4 hrs. More than 1 area may be taken conc.

Methods of teaching, class and individual instruction; emphasis on technique and a comparison of various teaching procedures. Survey of important literature and composers for each medium. Brass, woodwind, percussion, voice, strings, piano, organ, guitar, jazz.

340 INFLUENCE OF MUSIC BEHAVIOR

Sr standing or cons inst req.

Cultural, physiological, and psychological aspects of music with applications of the Music Therapy field.

341 MUSIC THERAPY

3

MUS 340 or cons inst req.

Theory, current practices, and research in the field of Music Therapy.

343 SOUND DESIGN 2: DIGITAL AUDIO 3

ART/MUS/THE 243 or cons inst req. Also offered as ART/THE 343.

Exploring the medium of computer-based audio and its relationship to artistic applications.

350 SOFTWARE DESIGN IN THE ARTS II 3

ART/MUS/THE 387 or cons inst req. Also offered as ART/THE 350.

Designing on-line digital projects for the Internet which use Web and multimedia techniques to create aesthetic models for art, music, and theatre expression.

353 COMPUTER MUSIC NOTATION

Cons inst req. Also offered as ART/THE 353.

Comparative study of computer-based music notation software using MIDI and other note entry systems for printing musical scores.

354 SEQUENCING AND DIGITAL AUDIO

Cons inst req. Also offered as ART/THE 354.

Study of music synthesis through MIDI sequencers, digital sound editing and recording, and the integration of digital audio and MIDI.

355 MUSIC GENRES

3

MUS 253 and 254, or equiv req. May repeat if topic different, max 9 hrs.

Survey and analysis of representative examples of major genres of Western Music, including topics: .01 Symphonic Music; .02 Opera, .03 Chamber Music; .04 Choral Music.

356 MUSIC AND SOCIETIES

3

MUS 253 and 254, or equiv req. May repeat if topic different, $\max 9$ hrs.

Studies of the relationship and contributions of music and musicians to the societies in which they live, including topics: .01 Introduction to Ethnomusicology; .02 Women in Music: Cross-Cultural Perspectives.

360 INTRODUCTION TO PSYCHOMUSICOLOGY

3

Introduction to the psychology of music behavior and cognition. Topics include music perception, memory, and learning and their relation to the sensory, formal, and expressive properties of music.

362 FIELD DATA COLLECTION IN MUSIC THERAPY

1

 $Sr\ standing\ or\ MUS\ 360\ or\ cons\ inst\ req.$

Field experience in experimental research and behavioral data collection and evaluation as applied to the field of Music Therapy.

365 OPERA PRACTICUM

1

By audition/consent of instructor. May be repeated. Experience in opera/musical theatre staging and performance. Work ranging from set construction to leading roles.

371 MUSIC FOR THE

EXCEPTIONAL CHILD

3

Trends in Music Education for exceptional children. Techniques and materials for a functional program of singing, playing, listening, and creative activities.

387 SOFTWARE DESIGN IN THE ARTS I

3

Also offered as ART/THE 387. Materials charge optional.

Designing and programming microcomputer-based software which solve particular applications problems in the fine arts.

388 SELECTED TOPICS IN ARTS TECHNOLOGY

3

Also offered as ART/THE 388. May be repeated if content different. Materials charge optional.

Varied emphases reflecting integration of computers with digital sound/graphic technologies and authoring tools for applications in the arts.

391 MUSICAL STYLES OF THE RENAISSANCE PERIOD

3

MUS 253 req.

Analytical inquiry into the compositional techniques evidenced in selected, representative works by major composers of the period.

392 MUSICAL STYLES OF THE BAROQUE PERIOD

3

MUS 253 req.

Analytical inquiry into the compositional techniques evidenced in selected, representative works by major composers of the period.

394 MUSICAL STYLES OF THE CLASSICAL PERIOD

3

MUS 254 req.

Analytical inquiry into the compositional techniques evidenced in selected, representative works by major composers of the period.

395 MUSICAL STYLES OF THE ROMANTIC PERIOD MUS 254 reg.

3

Analytical inquiry into the compositional techniques evidenced in selected, representative works by major composers of the period.

396 MUSICAL STYLES OF THE TWENTIETH CENTURY

MUS 254 reg.

3

Analytical inquiry into the compositional techniques evidenced in selected, representative works by major composers of the period.

398 PROFESSIONAL PRACTICE: CLINICAL INTERNSHIP IN MUSIC THERAPY

1

Acceptance into a clinical training facility affiliated with the American Music Therapy Association req. May be repeated; max 2 hrs.

Professional application of current treatment and evaluation procedures in a clinical setting.

THEATRE (THE)

570

212 Centennial West, (309) 438-8783 Web address: www.illinoisstate.edu/finearts

Director: Don LaCasse - dlacasse@ilstu.edu

Tenured/Tenure-track Faculty:

Professors: Browder, Dennhardt, Gordon, Hampton,

McLaughlin-Gray, Pereira, Stark, Zielinski.

Associate Professors: Alley, Brown, Mack, Merriman, Orr,

Poole, Wild.

Assistant Professors: Adams, Haugo, Lowell, Paolucci,

Semonis, Wilson.

General School Information

Admission Requirements:

All students who intend to pursue the Acting, Dance Performance or Dance Education Sequences are required to participate in an audition for admission. Students intending to pursue the Design/Production Sequence must participate in a portfolio review/interview for admission. Information concerning an admission audition or a portfolio review/interview is available from the School of Theatre.

Curricular Requirements/School Requirements:

Theatre students are bound by the requirements in this Undergraduate Catalog and those found in the School of Theatre Production Handbook.

Production Program Participation:

Theatre majors are encouraged to participate in at least one Illinois State Theatre production each semester. Credit in THE 102 or 302 may be earned for this participation. Students are encouraged to earn practicum credit in at least 4 different areas of theatre experience, such as costume, technical, management, acting, lighting, makeup. All students may audition for productions after they have achieved second semester freshman status.

Theatre Programs

Degrees Offered: B.A., B.S.

MAJOR IN THEATRE

Acting Sequence:

- 55 hours in Theatre required.
- Required courses: THE 100, 102/302 (1 hour), 110, 113, 130, 160, 211, 212, 220, 237, 240, 313, 322, 376 and 377.
- 9 hours of THE 314.
- 3 hours from THE 221 or 2 hours approved dance technique classes.
- Theatre electives to complete 55 hours.

Dance Performance Sequence:

- 55 hours in Theatre required.
- Required courses: THE 102/302 (1 hour), 110, 112, 125, 130, 203, 204; 8 hours of THE 205/305; 8 hours of THE 207/307; 6 hours of THE 219/319; 237, 325, 358, 372, 373, 374, 382; and 2 hours of electives from the School of Theatre to complete 55 hours.
- Continuation in this sequence after the freshman year is by consent of the School of Theatre Dance faculty.
- Ongoing assessment reviews take place for each student throughout the program to monitor progress and development.
- A qualifying performance is required for all incoming students wishing to enter into level II or level III dance technique coursework. Students who are deficient in dance technique or do not make continual progress will have to begin in a lower-level technique course (THE 105, 107, and 119) or repeat a semester of technique to be promoted to the next level. Promotion to each level is at the discretion of the instructor. Deficiency hours will be above the 55 hours required for this sequence. Information concerning admission auditions is available from the School of Theatre.
- The B.A. major degree requires successful completion of LAN 115 (or equivalent). The B.S. major degree requires successful completion of one additional threehour natural science, mathematics, statistics, or technology course beyond the General Education requirements.
- NOTE: Students in the Dance Performance Sequence are encouraged to participate in at least one Illinois State Dance Theatre production each semester. Credit in either THE 102 or 302 may be earned for the participation in repertory and performance in Dance. Students are encouraged to participate in the following areas of dance production experience: stage management, costume or lighting running crew, choreography, and/or performance.

Design/Production Sequence:

- 55 hours in Theatre required.
- Required courses: THE 100, 110, 130, 160, 237, 240, 258, 376, 377.
- 6 hours to be selected from: THE 243, 261, 330, 362.
- 6 hours to be selected from: THE 243, 261, 330, 331 or 334, 332, 333, 342, 343, 349, 361, 362, 363, 365, 367. NOTE: THE 243, 262, 330, 362 may not be repeated for this group of requirements.
- Theatre electives to complete 55 hours.
- NOTE: If THE 330, 363, 365 are repeated, the repeated courses will count as electives and not toward required hours (above).

Theatre Studies Sequence:

- 48 hours in Theatre required.
- Required courses: THE 100, 101, 2 hours of 102/302, 110, 130, 160, 170, 237, 240, 261, 344, 376, and 377.
- Students in the 48-hour major are required to complete 1 of the following concentrations:

Cinema Studies (9 hours): THE 271, 370, 371.

Creative Drama (9 hours): 3 hours THE 280 and 6 hours of THE 381.

Directing (9 hours): THE 340, 341 and either 342 or 380. **Arts Technology** (9 hours): From ART/MUS/THE 206; ART/MUS/THE 350; 387, 388 (repeatable with different content); ART/THE 359.

Theatre History (9 hours): 3 hours THE 370, and 6 hours from 287, 300; ENG 222, 325, 327, 328; ENG/THE 378.

Theatre Management (9 hours): 3 hours of THE 345 and 6 hours of THE 309.

Dance Education Sequence:

- 72 total hours are required.
- 48 hours in Dance and Theatre required: Part of entitlement program leading to certification: secondary 6-12.
- Required courses THE 102/302 (1 hour), 112, 125, 130, 203, 204; 6 hours of 205/305; 4 hours of 207/307; 6 hours of THE 219/319; 224, 227, 261, 327, 372, 373, 374, 383; and 1 hour of an elective from the School of Theatre to complete 48 hours.
- Professional Education courses (24 hours): PSY 215;
 C&I 212, 214, 216; at least 3 hours from EAF 228, 231,
 235; 10 hours of Student Teaching STT 399; 100 clock hours minimum of pre-student teaching clinical experiences.
- A second area of preparation or field of study and completion of an education minor is required for certification in dance. A minor in Theatre Education or Physical Education is strongly recommended. The hours required for the minor are in addition to the 72 hours in this sequence.
- To qualify for certification students must complete a teaching/education minor, the professional education course requirements, and the General Education requirements as described in the Teacher Education - Secondary Education section of this *Undergraduate* Catalog.
- A qualifying performance audition is required for all incoming students wishing to enter into level II or level III dance technique coursework. Students who are deficient in dance technique or do not make continual progress will have to begin in a lower-level technique course (THE 105, 107, and 119) or repeat a semester of technique to be promoted to the next level. Promotion to each level is at the discretion of the instructor. Deficiency hours will be above the 48 hours required for this sequence. Information concerning admission auditions is available from the School of Theatre.
- The B.A. major degree requires successful completion of LAN 115 (or equivalent). The B.S. degree requires successful completion of one additional three-hour natural science, mathematics, statistics, or technology course beyond the General Education requirements.

- NOTE: Dance students are encouraged to participate in at least one Illinois State Dance Theatre production each semester. Credit in either THE 102 or 302 may be earned for the participation in repertory and performance in Dance. Students are encouraged to participate in the following areas of dance production experience: stage management, costume or lighting running crew, choreography, and/or performance.
- NOTE: All Teacher Education students are required to pass the State of Illinois Basic Skills Test in reading, writing and mathematics before registering for C&I 216.
 For this reason, students should take the State of Illinois Basic Skills Test (fee required) as early as possible.

Teacher Education Sequence:

- 42 hours in Theatre required. Part of entitlement program leading to certification: secondary 6-12.
- Required courses: THE 100, 101, 110, 113/313, 130, 160, 185 (2 hours), 237, 240, 280, 285 (2 hours), 376, 385, and 1 course selected from 340, 341, 261 or 362.
- Students are required to enroll in THE 185/285 for a minimum of 1/2 credit hour their first semester and to complete a total of 4 credit hours of prescribed field activities in Theatre Education as a part of their program. The School recommends that students who plan to teach in high school take COM 123 and 223. A second teaching field is required.
- To qualify for certification, students must complete an education minor, the Professional Education Requirements, and the General Education Requirements as described in the Teacher Education Requirement, High School section of this *Undergraduate Catalog*.

MINOR IN THEATRE

- 24 hours in Theatre required.
- Required courses: 100, 101, 110, 130, 160, 240; and 376; and Theatre electives to complete 24 hours.

Teacher Education Sequence:

- 24 hours in Theatre required.
- Required courses: THE 100, 101, 110, 160, 240, 385, and 376 or 377.
- Students registering for THE 160 may be required to take 1 hour of THE 102/302 Practicum.
- 4 hours of THE 185 and 285 are prerequisites for THE 385. For students without these prerequisites, the Minor in Theatre/Teacher Education Sequence may require 28 hours.
- NOTE: The School recommends that students who plan to teach in high school take COM 123 and 223.

MINOR IN CINEMA STUDIES

- 18 hours of Cinema Studies required.
- Required courses: THE 170, 370, 371.
- 9 additional hours from: ART 252; THE 171, 176.02, 270, 271, 273, 275.02, 370.

296 **Theatre**

MINOR IN DANCE

- 24 hours required.
- Students in this minor must be sufficiently proficient in ballet, jazz, and modern dance to be placed in the second-level courses by audition. Students should begin their studio sequences with THE 205, 207, and 219. This minor may require more hours than listed for students with studio deficiencies.
- Required studio courses: THE 102/302 (1 hour), 125 (2 hours), 205 (2 hours), 207 (2 hours), 219 (2 hours), 228 (2 hours), 261 (3 hours), 305 (2 hours), 307 (2 hours), 372 (3 hours), 373 (3 hours).
- According to the minimum requirements for state teacher certification, students in any area that has no established state standards (such as Dance) must have 32 semester hours in the area in order to be endorsed. Students wishing endorsement must complete the minor and the following Teacher Education Sequence as well as BSC 181, Anatomy and Physiology, or the equivalent, which may substitute for the 3 hours of Theatre electives in the Sequence.

Teacher Education Sequence:

— KNR 153.10 (1 hour); THE 227 (2 hours), 327 (2 hours), and 3 hours of Theatre electives as approved by the Dance advisor.

CLINICAL EXPERIENCES IN TEACHER EDUCATION

Clinical Experiences are provided in off-campus clinical teaching centers, in local schools and in campus laboratory schools, in agencies and other approved non-school settings. All students will show verification of having completed pre-student teaching field experiences commensurate with attaining local, state, and national standards. Students must provide their own transportation to Clinical Experience sites.

The approximate number of clinical hours and type of activity associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- 1. Observation
- 2. Tutoring one-on-one contact
- 3. Non-instruction assisting
- 4. Instructional aiding a group
- 5. Micro teaching
- 6. Simulation lab exercises
- 7. Work with clinic client
- 8. Graduate practicum
- 9. Professional meeting
- 10. Other

ARTS TECHNOLOGY PROGRAM

The Arts Technology Program leads to a Major in Arts Technology (B.A./B.S.). The Program is sponsored by the

College of Fine Arts and shared by the Schools of Art, Music and Theatre. Specifics concerning admission to the Program may be found in this catalog under the heading, College of Fine Arts.

Theatre Courses

100 INTRODUCTION TO THE LITERATURE OF THE THEATRE

Survey of literature of theatre from the Greeks to the present. Emphasis is on the study of structure, genres, and history of the period in which the play was produced.

101 ORAL INTERPRETATION OF LITERATURE

3

The individual performance of non-dramatic literature as an approach to the study of literature and performance.

102 THEATRE PRACTICUM

1-2

May be repeated.

Production experience in the areas of acting, costume and scenery preparation, production crew, box office, and stage management.

105 MODERN DANCE I

2

May be repeated; max 4 hrs. Offered odd-numbered

An introduction to modern dance through technique, improvisations, and composition.

107 CLASSICAL BALLET I

2

May be repeated: max 4 hrs. Offered even-numbered vears. Formerly BALLET I.

An introduction to the techniques and style of ballet.

110 ACTING I

Maj/min only. Cons inst req. May be repeated; max 6 hrs.

Basic skills and concepts of acting. Exploration of the actor's internal (psychological-emotional) resources through exercises, discussions, and performance projects.

2 112 DANCE IMPROVISATION

Offered even-numbered years.

Basic principles of exploration in creative movement potential, performance skills, and spontaneous decision making through the medium of dance improvisation.

113 ACTING II

THE 110 or equiv, and cons inst req. Not for cr if had

Analysis, rehearsal, and performance of representative scripts.

119 JAZZ DANCE I

May be repeated; max 4 hrs. Offered odd-numbered

An introduction to the techniques and style of jazz dance including a historical overview of the jazz dance idiom.

125 DANCE COMPOSITION I

THE 112 req. Offered odd-numbered years.

Theory and practice in principles of dance composition emphasizing solo and small group work focusing on traditional forms and approaches.

2

130 INTRODUCTION TO COSTUME

Lab arranged. Materials charge optional.

Study and practical application of costume construction techniques and the study of basic costume design practice.

152 EXPERIENCING THEATRE OC-FA 3

ENG 101; COM 110 req. Theatre attendance req. Exposure to and application of the various artistic perspectives that share the collaborative process of theatrical production.

153 INTRODUCTION TO ACTING

Not for cr maj/min.

Introduction to process and nature of acting; variety of theatre experiences to encourage an understanding and appreciation of actor's craft.

154 INTRODUCTION TO BLACK DRAMA AND THEATRE

3

Exploration of the plays of the African-American dramatist from the Harlem Renaissance to the Black Arts Movement through lecture, discussion, and workshop techniques.

160 STAGECRAFT

3

Lab and/or conc reg req. Materials charge optional. Theory and technique of basic construction and rigging procedures.

170 INTRODUCTION TO FILM ART

Artistic and social values of the cinema as a contemporary art form. Screening and discussion of selected films.

171 HISTORY OF THE AMERICAN FILM 3

May be repeated.

Aesthetic, cultural and industrial aspects of American film history.

176.01 ARTS AND SOCIETY:

THEATRE

OC-FA 3

ENG 101; COM 110 reg.

Examination of the relationship between theatre and politics/culture.

176.02 ARTS AND SOCIETY:

FILM

OC-FA

ENG 101; COM 110 req. Film screening req. Examination of film's influence on society, and society's influence on film.

183 PUPPETRY

Also offered as ART 183.

Introduction to the performance art of puppetry and its educational applications: history, staging, construction, and manipulation of hand, rod, and shadow puppets.

185 CONTINUING ORIENTATION TO THEATRE EDUCATION I

1/2

3

Theatre Ed maj only, who must enroll for 1/2 hr per sem for 8 sem in THE 185 and 285 for a total of 4 hrs. Conc reg possible; exceptions (especially for transfer students) by cons school chair. Structured as program with a series of self instructional projects, req experiences, formal class meetings, and sequential developmental evaluations which are to be completed prior to student teaching. Incl Clin Exp: 5-30 hrs, Type 1-4.

Principles of administering a secondary-school theatre program as a learning facilitator, co-curricular director, and theatre professional.

203 RHYTHMIC FUNDAMENTALS AND LITERATURE FOR DANCE

Offered even-numbered years.

An overview of music literature specifically composed for dance emphasizing the theoretical and practical analysis of music form and style.

204 FUNDAMENTALS OF MOVEMENT AND SOMATICS OF DANCE 2

AND SOMATICS OF DANCE 2
THE 205, 207 reg. Offered even-numbered years.

Biomechanical principles related to the skeletal and muscular systems with explorations and applications as they relate to the dancer's training.

205 MODERN DANCE II

2

Placement by audition or promotion req. Cons inst req. May be repeated; max 6 hrs. Formerly INTERMEDIATE MODERN DANCE.

Intermediate modern technique and theory emphasizing personal expression and dramatic potential of movement while maintaining clarity and articulation in performance.

206 COMPUTER ARTS PERFORMANCE STUDIO

3

Cons inst req. Also offered as ART/MUS 206.

Creative and interdisciplinary experiences in solo and ensemble performance integrating computer technology into music, dance, performance art, or theatre production.

207 CLASSICAL BALLET II

Placement by audition or promotion req. Cons inst req. May be repeated; max 6 hrs. Formerly INTERMEDIATE BALLET.

Intermediate ballet technique and theory emphasizing artistic growth while maintaining clarity and technical articulation in performance. Pointe technique included.

211 VOCAL TECHNIQUE FOR THE ACTOR I

3

THE 100, 113 or equiv, 30 hrs, and cons acting faculty req. Not for cr if had THE 111 or 311.

Studies in relaxation, breathing, alignment, tonal focus, and articulation, leading to an understanding of the actor's vocal life and demands.

212 VOCAL TECHNIQUE FOR THE ACTOR II

3

Acting maj only with GPA 2.00 overall and 3.00 in Acting Seq. THE 100, 211, soph/jr standing, and cons Acting faculty req. Formerly THE 317.

Advanced studies in theatre voice for actors, including diction, scansion, performance of Shakespeare texts, dialects and life studies.

219 JAZZ DANCE II

2

Placement by audition or promotion req. Cons inst req. May be repeated; max 6 hrs. Formerly INTERMEDIATE JAZZ DANCE.

Intermediate skill and technique in jazz dance with historical examination of the jazz dance idiom focusing on specific choreographic styles.

220 STAGE MOVEMENT I

3

THE 100, 113 or equiv, 30 hrs, and cons of acting faculty req.

Fundamental principles of stage movement, including self-awareness, flexibility, relaxation, and physical characterization.

221 STAGE MOVEMENT II

Acting maj only with GPA 2.00 overall and 3.00 in Acting Seq. THE 100, 220, soph/jr standing, and cons

inst req. Formerly THE 321.

A continuation of Movement I with a focus on physical characterization for period styles including Shakespeare, Restoration and Farce.

224 COMPOSITION FOR THE MUSICAL THEATRE

2

THE 125 or cons inst req. Theatre attendance req. Offered odd-numbered years.

Theory and practice of musical theatre choreography tracing the development of the genre from Minstrelsy to contemporary 20th century works.

227 DANCE PEDAGOGY I

2

Adm to Teacher Ed req for Teacher Ed Seq. Incl Clin Exp: 20 hrs, Type 1-4. Offered even-numbered years.

Basic principles and techniques of teaching dance integrating professional studies of technical and conceptual content knowledge with pedagogical content knowledge.

228 SPECIAL TOPICS IN DANCE 1-3

May be repeated; max 6 hrs.

Intensive study of selected dance forms, styles, or repertory.

229 ARTS FOR EARLY CHILDHOOD: DANCE

3

Early Childhood Ed maj only. Compl 30 hrs req. Not for cr if had THE 226.

Methods and materials in traditional and creative activities; interrelationships of dance with the other arts.

237 STAGE MAKE-UP

2

THE 100 req. Materials charge optional.

Introduction to make-up technique through lecture-demonstration and laboratory practice. Development of ability in corrective and prosthetic make-up for characterization.

240 PRINCIPLES OF STAGE DIRECTION

3

THE 100, 110 and 160 rea.

Acquaints the student with the basic principles of stage direction and provides a basic vocabulary and methodology.

243 SOUND DESIGN 1: PROPERTIES AND AUDIO TECHNOLOGIES

Also offered as ART/MUS 243.

Developing a basic understanding of the properties and perceptions of sound, audio technologies, and their relationship to artistic applications.

258 INTRODUCTION TO SCENOGRAPHIC TECHNIQUES

THE 100 and 160 req.

Exploration/application of graphic fundamentals for use in theatrical design. Emphasis on drafting and mechanical perspective techniques for the theatre.

260 TECHNICAL PROCEDURES

THE 100 and 160 req. May be repeated; max 6 hrs. Procedures and problems of technical production.

261 LIGHTING FOR STAGE

3

3

THE 100 and 160, 258 or cons inst req. Formerly LIGHTING FOR STAGE AND TELEVISION.

Instrumentation, aesthetics, application of theatrical lighting through classroom/laboratory study.

270 THE DOCUMENTARY IN FILM AND BROADCASTING

Also offered as COM 270.

Historical, philosophical, and theoretical consideration of documentary approach in films, television, and radio.

271 STUDIES OF NON-WESTERN FILM 3

THE 170 or cons inst req. May be repeated. Formerly SURVEY OF NON-WESTERN FILM.

Cross-cultural study of the historical and aesthetic development of non-Western national cinemas through selected African, Indian, Japanese, and Chinese films.

273 TOPICS IN FILM CRITICISM 3

THE 170 or cons inst req. May be repeated.

Comparative and in-depth study of critical methods for film interpretation and of the theoretical sources for these methods.

275.01 WORLD ARTS:

THEATRE

OC-FA

ENG 101; COM 110 req; MC-LH category req. Introduction to the theatre of Asia, the Middle East, Africa, and Latin America.

275.02 WORLD ARTS: FILM OC-FA 3

ENG 101; COM 110 req; MC-LH category req. Film screening req.

Introduction to film from Asia, the Middle East, Africa, and Latin America.

276 BASIC SKILLS IN THE DIGITAL ARTS

2

Fine Arts maj/min or cons inst req. Also offered as ART/MUS 276. Materials charge optional.

Introduction to the conceptual and technical skills required to capture, edit, and create digital graphics, audio, and video imagery.

280 CREATIVE DRAMA 2-3

Observations and practical activities req. Incl Clin Exp: 4 hrs, Type 1.

Drama in instructional situations for preschoolers through adults, including theory and activities for personal creative growth and teaching both the arts and non-arts subjects.

281 ARTS FOR ELEMENTARY SCHOOLS: THEATRE

El Ed maj only.

Drama in instructional situations for elementary education, including theory and activities for creative growth and teaching the arts/non-arts subjects.

282 ARTS FOR EARLY CHILDHOOD: THEATRE

3

Early Childhood Ed maj only. Compl 30 hrs req. Not for cr if had C&I 282.

Study of the philosophy and benefits of creative drama, theatre and symbolic/dramatic play focusing on teaching methodology and materials.

283 ARTS FOR ELEMENTARY SCHOOLS: DANCE

El Ed maj only.

Methods and materials in traditional and creative dance activities, interrelationships of dance with the other arts.

285 CONTINUING ORIENTATION TO THEATRE EDUCATION II

Incl Clin Exp: 5-75 hrs, Type 1-4.

Continuation of THE 185: principles of administering a secondary school theatre program as a learning facilitator, co-curricular director, and theatre professional.

300 TOPICS IN THE LITERATURE OF THE THEATRE

3

3

1/2

THE 100 req. May be repeated.

Examination of dramatic literature, which may also include dramatic criticism, analysis systems, discussions of plays in performance and/or dramatic/theatrical theory. Course content will vary.

301 COMPUTER ARTS APPLICATIONS

1

Cons inst req. May be repeated if cont different. Also offered as ART/MUS 301.

Variable topic course that focuses on the application of computer software to solving studio, performance, and production problems in the arts.

302 THEATRE PRACTICUM

1-3

May be repeated.

Production experience in the areas of acting, costume and scenery preparation, production crew, box office, and stage management.

305 MODERN DANCE III

2

Placement by audition or promotion req. Cons inst req. May be repeated; max 6 hrs. Formerly ADVANCED MODERN DANCE.

Advanced-level skill in modern technique, theory and performance with an emphasis on full-bodied physicality, musicality, and personal expressiveness.

307 CLASSICAL BALLET III

2

Placement by audition or promotion req. Cons inst req. May be repeated; max 6 hrs. Formerly ADVANCED BALLET.

Advanced-level skill in ballet technique providing students the opportunity to refine their technical and artistic skills; pointe technique included.

309 DIRECTED PROJECTS 1-3

THE 100 and cons inst req. May be repeated. Individually supervised study for the advanced student.

313 ACTING II

3

Acting maj only with GPA 2.00 overall and 3.00 in Acting Seq. THE 100, 110 or equiv; jr standing, and cons Acting faculty req. Not for cr if had THE 113.

Analysis, rehearsal, and performance of representative scripts.

314 ACTING STYLES: DISCOVERY AND PERFORMANCE

3

Acting maj only with GPA 2.00 overall and 3.00 in Acting Seq. THE 100, 211, 220, jr standing, and cons Acting faculty req.

Performance styles of a particular playwright, period, or medium, including: Topic .01 Realism, Topic .02 Shakespeare, Topic .03 On Camera, Topic .04 Indian Theatre, Topic .05 Special Topics, Topic .06 Animals, Topic .07 Improvisation, and Topic .08 Acting for the Musical Theatre.

319 JAZZ DANCE III

2

Placement by audition or promotion req. Cons inst req. May be repeated; max 6 hrs.

Advanced-level jazz technique and performance course that concentrates on skills and concepts vital to the developing professional dancer.

322 AUDITIONING

3

Acting maj only with GPA 2.00 overall and 3.00 in Acting Seq. THE 100, 211, 220, 6 hrs 314, sr standing, and cons Acting faculty req.

Preparation, performance, and evaluation of numerous audition projects; discussion of the actor's search for employment in the professional theatre.

324 STAGE MOVEMENT III

2

Acting maj only with GPA 2.00 overall and 3.00 in Acting seq. THE 100, 220, 221 or equiv, jr/sr standing, and cons Acting faculty req. May be repeated.

Specialized movement training, varying in areas of study, including: Topic .01 stage combat, Topic .02 mask, Topic .03 period movement, Topic .04 physical comedy, Topic .05 Alexander Technique, and Topic .06 mime.

325 DANCE COMPOSITION II

2

THE 125 or cons inst req. Offered odd-numbered years. Formerly THE 225.

Continued development of theoretical concepts and advanced approaches to choreography emphasizing choreographic form, individual style, works of substance and maturity.

327 DANCE PEDAGOGY II

2

Adm to Teacher Ed req for Teacher Ed Seq. THE 227 or cons inst req. Incl Clin Exp: 55 hrs, Type 1-5. Offered odd-numbered years.

Continued study of dance pedagogy through a variety of supervised clinical experiences and advanced projects related to the teaching profession.

330 THEATRICAL COSTUME DESIGN

THE 100 and 130 req. May be repeated; max 6 hrs toward degree program.

Research and practical application to theatrical costume designing; use of dramatic analysis.

331 HISTORY AND STYLES OF STAGE COSTUMING I

3

THE 100 and 130 req. Offered even-numbered years
The costume's reflection of cultural and social milieu and the costume's application to the stage: Ancient Egypt to 1625.

332 COSTUME CONSTRUCTION

THE 100, 130 and cons inst req. Lab arranged. Offered even-numbered years.

Pattern drafting, draping, fitting, and specialized construction techniques for the theatrical costume craftsman.

333 COSTUME CRAFTS

3

THE 100 and 130 req. Materials charge optional. Offered odd-numbered years.

Theory and technique of costume construction and use of special materials.

334 HISTORY AND STYLES OF STAGE COSTUMING II

3

THE 100 and 135 req. Offered odd-numbered years. The costume's reflection of cultural and social milieu and the costume's application to the stage: 1625 to 1900.

340 DIRECTING WORKSHOP

3

THE 100 and 240 req. May be repeated; max 6 hrs toward degree program.

Principles and methodologies of stage direction applied to particular problems in a workshop format.

341 ORAL INTERPRETATION OF LITERATURE II

(Directing/Performance)

3

THE 100 and 101 or cons inst req.

Group forms of Interpretation—Readers Theatre and Chamber Theatre, with experiences to provide the student with practical applications of theory and principle.

342 INTRODUCTION TO

STAGE MANAGEMENT

3

THE 100, 102, 130, and 160 or cons inst req. Formerly STAGE MANAGEMENT.

Introduction and application of basic principles of stage management, with emphasis on the paperwork and procedures required in theatrical productions.

343 SOUND DESIGN 2: DIGITAL AUDIO

ART/MUS/THE 243 or cons inst req. Also offered as ART/THE 343

Exploring the medium of computer-based audio and its relationship to artistic applications.

344 PRINCIPLES OF THEATRE MANAGEMENT

3

THE 100 req. Lab arranged.

Introduction and demonstration of the practices and procedures of theatre management in today's theatre.

345 ADVANCED THEATRE MANAGEMENT

3

THE 100 and 344 or cons inst req.

Intensive work in business management techniques for arts organizations, including management practices, union contracts, payrolls, budgeting and income controls.

348 PLAYWRITING

3

Also offered as ENG 348.

Playwriting techniques of selected masters with practical application of techniques in writing original plays.

349 ADVANCED STAGE MANAGEMENT

THE 100 and 342 or cons inst req.

Application of advanced stage management skills with emphasis on procedures used in professional Equity theatrical productions, dance, opera, and touring.

350 SOFTWARE DESIGN IN THE ARTS II 3

ART/MUS/THE 387 or cons inst req. Also offered as ART/MUS 350.

Designing on-line digital projects for the Internet which use Web and multimedia techniques to create aesthetic models for art, music, and theatre expression.

353 COMPUTER MUSIC NOTATION 3

Cons inst req. Also offered as ART/MUS 353.

Comparative study of computer-based music notation software using MIDI and other note entry systems for printing musical scores.

354 SEQUENCING AND DIGITAL AUDIO 3

Cons inst req. Also offered as ART/MUS 354.

Study of music synthesis through MIDI sequencers, digital sound editing and recording, and the integration of digital audio and MIDI.

358 INTERDISCIPLINARY CHOREOGRAPHIC PROJECTS 2

THE 325 or cons inst req. Offered even-numbered vears.

Interdisciplinary approaches to the development of choreography of extended structure and content enriched through the collaboration of other art forms.

359 COMPUTER-BASED ART AND GRAPHIC DESIGN

3

3

ART/MUS/THE 276 or cons inst req. Also offered as ART 359. Materials charge optional.

Application of advanced 2- and 3-dimensional graphics programs to solve creative problems in the visual and theatrical arts.

361 ADVANCED STAGE LIGHTING

THE 100, 258, 261 or cons inst req. Lab arranged. Lighting design for proscenium and non-proscenium production; attention to system design.

362 STAGE DESIGN 3

THE 100, 160 and 258 or cons inst req.

Nature, function, and aesthetics of scene design, with practice in composition.

363 ADVANCED DESIGN

THE 100 and 362 req. May be repeated; max 6 hrs toward degree program.

Intensive work in the areas of design and rendering for the stage; emphasis upon new materials and techniques.

364 ADVANCED PROJECTS IN DESIGN 2-4

THE 100 req. May be repeated.

Design and production problems as they relate to productions being mounted by the Department of Theatre. Emphasis placed upon creative and collaborative aspects of producing theatre.

365 SCENE PAINTING

THE 100 req. Materials charge optional.

Development of the skills necessary for the organization, preparation, and execution of painted scenery for the stage.

366 RENDERING TECHNIQUES FOR THE STAGE

3

3

THE 100, 130, 160, 258, 261, or cons inst req. May be repeated; max 6 hrs toward degree program.

A studio course investigating 2D and 3D graphic techniques for realizing theatrical designs. Content varies; various media and applications emphasized.

367 SCENOGRAPHIC TECHNIQUES 3

THE 100 and cons inst req.

Descriptive geometry and drafting techniques that are necessary in developing 3-dimensional stage space and scenic units into plans, elevations, and working drawings.

370 HISTORY OF THE CINEMA

3

Lab; screening of significant films. May be repeated; max 6 hrs.

Historical and aesthetic development of the cinema. Course content will vary.

371 FILM THEORY AND CRITICISM

THE 170 or cons inst.

Theories relating to the art of filmmaking.

372 HISTORY OF DANCE TO 1900

3

3

Offered even-numbered years. Formerly HISTORY AND PHILOSOPHY OF DANCE I.

Historical survey of the origin, growth, development of western theatrical dance through examination of dance in early societies through 1900.

373 TWENTIETH CENTURY DANCE HISTORY

3

2

Offered odd-numbered years. Formerly HISTORY AND PHILOSOPHY OF DANCE II.

Historical survey of the development of modern dance from late 19th to 21st century emphasizing the political and social contexts.

374 MULTICULTURAL PERSPECTIVES IN DANCE

Offered odd-numbered years.

Course introduces physical characteristics, aesthetics, and functions of dance in a variety of cultures investigating ritual and ceremonial dances.

376 THEATRE HISTORY I

4

 $THE\ 100\ req.$

History of drama and theatrical production from its origin to approximately 1650.

377 THEATRE HISTORY II

THE 100 and 376 reg.

History of drama and theatrical production from the late 17th century to the present.

378 SHAKESPEARE ON STAGE

3

May be repeated once. Also offered as ENG 378. Intensive study of Shakespeare's plays in production. For the student with adequate familiarity with Shakespeare and his works.

380 ADVANCED DIRECTING

2

THE 240; THE 340 or cons inst req. May be repeated; max 6 hrs.

Advanced work in directing theory and practice. The course is designed to provide practical experience in collaboration and process. A capstone experience is the direction of a one-act play.

381 CREATIVE DRAMA PRACTICUM 1-3

THE 280 and cons inst req. May be repeated; max 6 hrs. Incl Clin Exp: 10 hrs min, Type 10.

Practical experience in creative drama teaching by leading a class in drama under faculty supervision for a semester. The course is graded (A-F).

382 SENIOR SEMINAR IN DANCE

Senior standing or cons inst req. Offered even-numbered years.

Capstone experience for senior dancers designed to prepare and meet the future professional goals and unique needs of each student.

383 SENIOR SEMINAR IN DANCE EDUCATION

2

2

THE 327, senior standing, and conc reg in STT 399 reg. Offered even-numbered years.

Capstone experience for senior Dance Education students providing a forum for discussion and preparation for student teaching and beyond.

385 PRINCIPLES OF THEATRE EDUCATION

5

THE 285; C or better in C&I 216 or conc reg req. Incl Clin Exp: hrs 5-100, Type 1-5. Adm to Professional Studies req.

Philosophies of theatre education, teaching strategies, cocurricular programs, textbook analyses, professional organizations, and related field experience.

387 SOFTWARE DESIGN IN THE ARTS I 3

Also offered as ART/MUS 387. Materials charge optional.

Designing and programming microcomputer-based software which solve particular applications problems in the fine arts.

388 SELECTED TOPICS IN ARTS TECHNOLOGY

3

ART/MUS/THE 276 or cons inst req. Also offered as ART/MUS 388. May be repeated if content different. Materials charge optional.

Varied emphasis reflecting integration of computers with digital sound/graphic technologies and authoring tools for applications in the arts.

398 PROFESSIONAL PRACTICE IN THEATRE

1-6

Supervised theatre work experiences in local, state, national, and international businesses, agencies, institutions, and organizations which are planned, administered, and supervised by the School of Theatre.

MENNONITE COLLEGE OF NURSING

Dean: Nancy Ridenour, 312 Edwards Hall Web address: www.mcn.ilstu.edu

Mission

The mission of Mennonite College of Nursing is to educate undergraduate and graduate nursing students to serve the citizens of Illinois, the nation, and the global community. Mennonite College of Nursing acknowledges a particular responsibility to address the nursing and health care needs of urban and rural populations, including those who are vulnerable and underserved. The College of Nursing builds upon the educational foundation previously acquired by students. The College creates a dynamic community of learning in which reflective thinking and ethical decision-making are valued. The College is committed to the promotion of nursing scholarship at the national and international level through research, service, and practice. Mennonite College of Nursing is committed to being purposeful, open, just, caring, disciplined, and celebrative.

Philosophy

At the heart of the College's philosophy is the belief that all people share a common humanity. Each person must be regarded as having special biological, psychological, sociocultural and spiritual dimensions and possessing the inherent rights and responsibilities of freedom of choice and self-determination. Based on these beliefs, the College strives to grow as a caring community that supports the development of the total individual.

A vital interactive relationship exists between humankind and the environment. Environment affects each person's biological being and extends beyond physical surroundings to encompass roles, relationships, and societal structures. Because all human beings influence and are influenced by their environment, all must assume the responsibility to protect the social and natural environments in which they share.

Health is a dynamic state influenced by individual, environmental and hereditary factors. State of health, which significantly influences quality of life, is shaped by many factors, including an individual's decision-making and behaviors. Pursuit of wellness is the right and responsibility of each person. Nursing holds the potential to strengthen each human being pursuing optimal health and achieving a harmony of body, mind and spirit.

Nursing is a profession that continues to evolve through research, theory, and practice. Professional nursing, encompassing a range of therapeutic interventions aimed at promoting and restoring health, addresses actual and potential health care needs of individuals, families, groups, and communities. Nursing care is delivered in

diverse settings in a systematic manner through use of the nursing process. In providing their professional services, practitioners of nursing manifest role dimensions that are collaborative and independent in nature. Because dynamic social forces influence the nature and scope of nursing practice, critical thinking, effective communication, and caring are abilities required for professional nursing practice in changing environments.

As a profession, nursing adheres to standards of practice and ethical codes as a means of ensuring quality care for all persons. The current Illinois Nursing Act serves as the legal basis for the practice of nursing in the State of Illinois.

Mennonite College of Nursing is committed to cultivating the personal and professional potential of each member of the College community. The faculty believe that learning as a life-long process is promoted when intellectual inquiry, creativity, self-awareness, self-direction, maturity, and responsibility are valued. Learning is a process of developing human potential through the interaction of the individual with the environment. This interaction aims to achieve positive attitude changes, knowledge acquisition, and professional competence.

The faculty of Mennonite College of Nursing believe that the knowledge, attitudes, and skills required for professional nursing are best achieved when built upon a solid foundation of study in the humanities and sciences. The faculty value a liberal arts education, which fosters an understanding of society and provides a humanistic basis for the study of nursing. Baccalaureate nursing education prepares the graduate for the practice of professional nursing and provides the basis for graduate study in nursing. Masters-level nursing education prepares nursing leaders and advanced practitioners, advances nursing scholarship, and provides the foundation for doctoral study.

The College offers a graduate program leading to the Master of Science in Nursing. The College offers a Family Nurse Practitioner Sequence, Clinical Nurse Leader Sequence, Nurse Educator Certificate, and a Nursing Systems Administration Sequence, as well as a Post Master's Family Nurse Practitioner (FNP) Certificate.

Terminal Outcome Abilities

Upon completion of the baccalaureate nursing program, the graduate will possess the following terminal outcome abilities.

Caring: The student will use a variety of caring modalities that promote health, healing, and dignity throughout the life span.

Critical Thinking: The student will use critical thinking to make judgments and develop therapeutic nursing interventions for optimal health.

Core Performance Standards:

Outcome Ability	Standard		Behavior Examples
Caring	A.	Gross and fine motor abilities enabling the provision of safe and effective nursing care	 Cardiopulmonary resuscitation Position patient, assist in and out of bed Manipulation of equipment: I.V. therapy Syringes for injections, insertion of catheter Sterile techniques and universal precautions Efficiently move around in limited spaces of patient rooms and treatment areas.
	В.	Auditory ability sufficient to monitor and assess health needs	Response to emergency alarms Response to cries for help Use of a stethoscope to obtain audible breath, bowel and heart sounds Response to verbal commands in emergency
	C.	Visual ability sufficient for observations and make assessments essential to nursing care.	Recognition of digital readouts from bedside monitors Peripheral vision that encompasses clinically significant visual space Reading medication, orders and policies
	D.	Tactile ability sufficient for physical assessment	Perform palpitation to confirm inspection Perform functions of physical examination and/or those related to therapeutic intervention, e.g. texture, temperature, moisture, swelling
	E.	Olfactory ability sufficient to monitor the physical environment	Detecting smoke Detecting potentially hazardous conditions
Communication	A.	Ability to interactively communicate in the class room and clinical environ ment through verbal, nonverbal, and written form	Non-verbal communication in appropriate circumstances, e.g. facial expressions, eye contact and body language Communication through use of spoken words in an intelligible, conversational pace Explain treatment procedures Document and interpret nursing actions and patient response Communication through use of computer technology
	В.	Interpersonal skills sufficient to interact with individuals, families and groups	Establish rapport with patients, families, and colleagues from diverse backgrounds
Professional Practice	A.	Participate in the evaluation process	 Evaluation of self Evaluation of patients Evaluation of environments
	В.	Organizational skills	Personal accountability Time management
	C.	Emotional stability sufficient to adapt to a changing environment	Deal with the unexpected Focus attention Control emotions
Critical Thinking	A.	Critical thinking ability sufficient for clinical judgment	Identify clinically significant cause/effect relationships Develop nursing care plans, calculate medications
	В.	Ability to use the scientific process	Problem solving Set priorities

Communication: The student will communicate effectively with individuals, families, and groups.

Professional Practice: The student will assume accountability for professional practice in contemporary society through the application of theory-based knowledge.

Accreditation

The Nursing program is fully accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW Suite 530, Washington, D.C. 20036; (202) 887-6791; and also is approved by the Illinois Department of Professional Regulation. Memberships include the Council of Baccalaureate and Higher Degree Programs, the Illinois Council of Baccalaureate and Higher Degree Programs and the American Association of Colleges of Nursing.

NURSING (NUR)

581

303, 312 Edwards Hall (309) 438-7400 Web address: www.mcn.ilstu.edu

Tenured/Tenure-track Faculty: Astroth, Burke, Campbell, Dyck, Jeffers, Kossman, Lindsey, Mallory, Medina, Wilson, Woith, Yeh.

Nontenure-track Faculty: Clemens, Cranston, Gabrielson, Kaesberg, Kennell, Malinowski, Petro, Saxton, Schlomer, Spading, Stenger.

General Information

Should a course not be held due to inadequate enrollment, those individuals who had registered for the course will be contacted and changes in the program of study made. Information regarding other policies and procedures of Mennonite College of Nursing, student advising, student services provided, information about endowed scholarships and other private funding sources, and Student Honors and Awards Program is available on the College Web site: www.mcn.ilstu.edu.

Admission to Nursing Major:

Admission Deadlines: Applications and supporting documents received prior to January 15 for admission consideration the following Fall will receive preferential admission review over applications and supporting documents received at a later date.

Students may be admitted into the Nursing Major from a pool of qualified applicants on the basis of individual qualifications. Students are admitted into the Nursing Major on a competitive and selective basis. The number of students admitted into the major may vary from year to year depending on program capacity and qualifications of students in the pool. The College of Nursing reserves the right to maintain a balanced enrollment. GPA and course requirements for transfer student admissions are the same as change of major (within Illinois State). Prospective transfer students are urged to file an Application for Admission to

Illinois State University early. A student with 30 or more hours may submit an application for admission consideration to the Nursing Major in the Prelicensure/BSN Sequence based on the following specific requirements.

Admission to Prelicensure/BSN Sequence:

To be considered for admission a student must:

- Have completed an Associate Degree in Arts (A.A.) or an Associate Degree in Science (A.S.) or the Illinois State University General Education Program or the Illinois Transferable General Education Core Curriculum:
- Complete specific required courses: CHE 110, 112 or CHE 140; ECO/GEO/POL/PSY 138 or MQM 100 or MAT 150, or SOC 275; PSY 110, 213; BSC 160, 181, 182; and FCS 102; for a total of 56 semester hours; with a C or better in each of these specific required courses.

Students may also apply for admission to the Prelicensure/BSN Sequence through an Accelerated plan of study. To be considered for admission to the Accelerated Program, a student must have completed all Prelicensure/BSN requirements plus have completed a B.S. or B.A. in a nonnursing major. for information about the Accelerated route to the Prelicensure/BSN, please see the College Web site: www.mcn.ilstu.edu.

Early Admission to Prelicensure/BSN Sequence:

Students applying to Illinois State University as a freshman may be considered for Early Admission into the nursing major by indicating "nursing major" as the major of choice on the Illinois State University application. Students are accepted via Early Admission on a competitive and selective basis. Those students who are accepted via Early Admission will receive an acceptance letter from the Illinois State University Admission office. The number of students admitted via Early Admission will vary from year to year depending on program capacity, enrollment targets, and qualifications of students in the pool.

To maintain Early Admission status, students must meet the following requirements: earn a grade of C or better in all required prerequisite courses and maintain a cumulative grade point average of 3.00 on a scale of 4.00. Any student not adhering to the above criteria will be moved to General Student major status and will need to reapply to the nursing major during specified time periods.

Readmission to the Prelicensure/BSN Sequence:

Upon admission to the prelicensure sequence, all students (excluding those students in the Early Admission Program) are expected to maintain consecutive fall-spring enrollment in nursing courses. Any student who has not been enrolled in nursing coursework for more than one fall or spring semester must reapply to the college. Readmission will be granted on a selective basis. Students who are readmitted will be required to complete Success Plan testing and

lab proficiency testing. The costs of such testing are the responsibility of the student. Upon admission to the nursing major students interested in applying for readmission should contact a College of Nursing academic advisor. Students applying for fall readmission must submit their Mennonite College of Nursing readmission application before April 1 of the semester prior to the anticipated fall readmission. Spring applicants must submit their readmission application before October 1 of the semester prior to anticipated spring readmission.

Prelicensure nursing students who have been academically dismissed from the major may submit an application for readmission to the college before April 1 for fall readmission and before October 1 for spring readmission. Students must first be readmitted to the University (if applicable) before submitting a readmission application to the college. Eligible students may reapply to the University through the New Start Program or through the academic reinstatement process. Readmission will be granted on a selective basis. Students who are readmitted will be required to complete Success Plan testing, lab proficiency testing, and additional nonmajor coursework prior to readmission. The cost of testing is the responsibility of the student. Students interested in applying for readmission to the major following academic dismissal are encouraged to contact a College of Nursing academic advisor to review the specific criteria associated with applying for readmission to the major.

Admission to RN/BSN Sequence:

To be admitted a student must:

- First be admitted to Illinois State University;
- Be a graduate from a state-approved diploma school of nursing or an associate degree nursing program;
- Be licensed as a registered nurse in the State of Illinois;
- Have completed the Associate Degree in Arts (A.A.) or an Associated Degree in Science (A.S.) or a specified portion of the Illinois Transferable General Education Core Curriculum:
- Complete specific required courses: CHE 110, 112 or CHE 140; ECO/GEO/POL/PSY 138 or MQM 100 or MAT 150, or SOC 275; PSY 110, 213; BSC 160, 181, 182; and FCS 102; with a C or better in each of these specific required courses;
- Submit one recommendation form from a current employer (if not employed, may be from a recent college instructor or academic advisor);
- Have a minimum cumulative GPA of 2.70.

RN/BSN Readmission to the Major:

Students in the RN/BSN Sequence are expected to follow the approved plan of study developed in consultation with the student at the time of admission. Any student who does not adhere to this plan of study must reapply to the college. Readmission will be granted on a selective basis and based on course availability. Students interested in applying for readmission should contact a College of Nursing academic advisor. Applications for fall readmission must be received by Mennonite College of Nursing before April 1 of the semester prior to the anticipated fall readmission. Spring applicants must submit their readmission application before October 1 of the semester prior to anticipated spring readmission.

Students who have been academically dismissed from the sequence may submit an application for readmission to the college before April 1 for all readmission and before October 1 for spring readmission. Students must first be readmitted the University (if applicable) before submitting a readmission application to the college. Readmission will be granted on a selective basis. Students interested in applying for readmission to the sequence following academic dismissal are encouraged to contact a College of Nursing academic advisor to review the specific procedures associated with applying.

Academic Requirements:

The following academic requirements apply to all undergraduate students enrolled in Mennonite College of Nursing.

Prelicensure/BSN Sequence:

- 65 hours of major courses required, including: NUR 221, 225, 229, 231, 233, 235, 237, 239, 323, 325, 327, 329, 339; and 3 hours of elective credit from: NUR 207, 208, 308, 312, 313, or 398;
- C or better required in all Nursing courses for retention in the Major.

RN/BSN Sequence:

- 64 hours of major courses required, including: NUR
 223, 227, 236, 238, 240, 241, 330, 331, 340, 341; and 33
 semester hours earned as Escrow Credit;
- C or better required in all Nursing courses for retention in the Major.

Diploma school or Associate Degree nursing courses are "held in escrow" for the student until successful completion of three specified Nursing upper-division courses: NUR 223, 227, and 236. Once these three courses have been successfully completed through enrollment, thirty-three (33) credits are placed on the student's transcript for the following Nursing courses: NUR 229, 231, 233, 323, and 325.

Portfolio assessment and proficiency examinations are available for specific courses.

Transfer Requirements:

In addition to meeting the admission requirements of the University, the transfer applicant must meet the admission requirements of the specific nursing sequence. Transfer students must apply and be accepted to Illinois State University to be considered for admission to the nursing major.

Retention Requirements:

Students must maintain a cumulative GPA of 2.00 and a C or better in all required Nursing courses to remain in the Nursing Major. When a student fails to maintain a cumulative GPA of 2.00 or a grade of C in any course in the Nursing Major, the student is placed on major academic alert. This status alerts the student to the danger of dismissal from the Nursing Major. Dismissal from the Prelicensure Sequence or Accelerated Program results when a student receives a grade of less than C, without consideration of course repetition, in 2 Nursing clinical courses, or 1 Nursing clinical course and 2 Nursing theory courses, or 3 Nursing theory courses. Dismissal from the RN/BSN Sequence results when a student receives a grade of less than C in any 2 nursing courses. Dismissal from the Accelerated Program, Prelicensure or RN/BSN Sequence will also result when a student receives a grade of less than C twice for the same course.

All Prelicensure and Accelerated students are required to participate in the College Success Plan which is designed to provide: (1) an assessment of each students' ability to understand and apply theoretical and clinical knowledge related to clinical courses as they progress through the curriculum; (2) assessment and outcome data for curriculum consideration; (3) an assessment of each students' preparedness to be successful on the state licensing exam (NCLEX-RN); and (4) intervention guidelines to address any deficiencies that a student may demonstrate in understanding and applying theoretical and clinical knowledge related to clinical courses. Details of the Success Plan are available on the College of Nursing Web site at www.mcn.ilstu.edu.

Clinical Experience for Nursing:

Clinical Experience is provided by an extensive clinical network of over 50 off-campus agencies including but not limited to hospitals, nursing homes, community centers, public health departments, long-term care facilities and other approved clinical learning settings. All Prelicensure students will begin their Clinical Experiences in the junior year; the students must provide their own transportation to all Clinical Experience sites.

Criminal Background Checks:

Effective January 2007, all Mennonite College of Nursing prelicensure and accelerated students will be required to complete criminal background checks prior to enrollment. The policy may be found on the college Web site in the Mennonite College of Nursing Undergraduate Student Handbook.

Nursing Courses

207 HEALTH CARE ETHICS

Formerly NUR 389.02.

Introduces the student to the moral, ethical, legal, and public policy issues inherent in the delivery of health care.

3

208 FAMILY VIOLENCE: HEALTH CONSEQUENCES

3

The course examines the pervasiveness of child abuse, domestic violence, sexual assault, and elder abuse and explores prevention and resolution.

221 INTRODUCTION TO THE DISCIPLINE OF NURSING

3

NUR maj only. Materials charge optional.

Classroom and small group activities provide introduction to historical and contemporary theoretical, social, political, legal, and ethical influences of nursing.

223 CONCEPTS AND PRACTICE OF PROFESSIONAL NURSING

RN license req. NUR maj only.

The roles of the nurse in controlling professional practice are introduced. Reflective practice, nursing theories, historical, ethical, political, and legal issues and trends are considered.

225 HEALTH ASSESSMENT

OF THE ADULT

4

4

NUR maj only; NUR 221 or conc reg req. Lecture and lab.

Classroom and laboratory experiences provide the knowledge and skills necessary for a holistic assessment of adult clients. Expected age-related changes in older adults are also addressed.

227 HEALTH ASSESSMENT ACROSS

THE LIFE SPAN

3

RN license req. NUR maj only. NUR 223 or conc reg req. Formerly NUR 315.

Expansion of basic knowledge and skills of physical assessment with added dimensions of psychosocial, cultural, and spiritual needs of clients across the life span.

229 ADULT NURSING I

6

NUR maj only; NUR 221, 225, 239 or conc reg req; PSY 110 req. Incl Clin Exp and lecture. Materials charge optional.

Theory and skills related to the care of adults, especially older adults, with commonly occurring health deviations are learned then applied within community-based practicum settings.

231 ADULT NURSING II

7

NUR 221, 225, 229; and NUR 339 or conc reg req. Incl Clin Exp and lecture.

Application of theory and skills necessary to plan, implement, and evaluate therapeutic nursing interventions for adults with commonly occurring acute and chronic health deviations.

233 PSYCHIATRIC-MENTAL

HEALTH NURSING

6

NUR 221, 225, 229; and 339 or conc reg req. Incl Clin Exp and lecture. Materials charge optional.

Focus on individual and family responses to stress along the developmental and wellness-illness continuums. Emphasis on theory-based psychiatric-mental health nursing practice.

235 RESEARCH FOR PROFESSIONAL NURSING PRACTICE: **PRELICENSURE**

NUR 231 or conc reg req.

Beginning level knowledge and skills necessary to critically read, interpret, and evaluate research as the scientific basis for nursing practice.

236 RESEARCH FOR PROFESSIONAL NURSING PRACTICE: RN/BSN

RN license req. NUR maj only. NUR 223 or conc reg reg. Not for cr if had NUR 331 or NUR 235.

Beginning level knowledge and skills necessary to critically read, interpret, and evaluate research as the scientific basis for nursing practice.

237 CULTURAL AND SPIRITUAL DIMENSIONS IN HEALTHCARE: **PRELICENSURE**

NUR 221, 225 req.

Role of nurse as culturally sensitive caregiver explored while learning about health attitudes, beliefs, and practices of culturally and spiritually diverse populations.

238 CULTURAL AND SPIRITUAL DIMENSIONS IN HEALTHCARE: RN/BSN

1

RN license req. NUR maj only. NUR 223 or conc reg reg. Not for cr if had NUR 333 or NUR 237.

Role of nurse as culturally sensitive caregiver explored while learning about health attitudes, beliefs, and practices of culturally and spiritually diverse populations.

239 PATHOPHYSIOLOGY AND **PHARMACOTHERAPEUTICS**

IN NURSING I: PRELICENSURE

NUR 221 or conc reg req; BSC 160; CHE 110/112 or CHE 140 req.

Exploration of development of commonly occurring health deviations and pharmacodynamic effect of therapeutic drugs on the human body.

240 PATHOPHYSIOLOGY AND PHARMACOTHERAPEUTICS

IN NURSING I: RN/BSN

3

RN license req. NUR maj only. NUR 223 or conc reg req. Not for cr if had NUR 334 or NUR 239.

Exploration of development of commonly occurring health deviations and pharmacodynamic effect of therapeutic drugs on the human body.

241 APPLIED NURSING RESEARCH

RN license req. NUR maj only. NUR 223 and 236 or conc

Research utilization models are introduced in clinical practice to improve client outcome.

308 DIAGNOSTIC EVALUATION AND NURSING IMPLICATIONS

NUR 229, 231 pre or conc reg reg. Formerly 389.03.

Diagnostic procedures, purpose, necessary nursing assessments, care and teaching particular to the procedure are the course focus.

312 DOMESTIC STUDIES IN TRANSCULTURAL NURSING

NUR 221, 225, 229, 239, and 2 of the following courses: NUR 231, 233, 323, 329 req.

Provides nursing students with the opportunity to study nursing and health care delivery in diverse locations within the United States.

313 INTERNATIONAL STUDIES IN TRANSCULTURAL NURSING

3

NUR 221, 225, 229, 239, and 2 of the following courses: NUR 231, 233, 323, 329 reg.

Provides nursing students with the opportunity to study nursing and health care delivery at an international level.

323 PARENT-CHILD NURSING

NUR 221, 225, 229; and NUR 339 or conc reg req. PSY 213 reg. Incl Clin Exp and lecture. Materials charge optional.

Nursing care of women, infants, children, and families during the childbearing/childrearing periods with emphasis on normal pregnancy and common complications, child development, and selected health problems of children.

325 ADULT NURSING III

NUR 231,339; and NUR 231, 233, 323, 329 or conc reg req. Incl Clin Exp and lecture. Materials charge optional.

Examination of biological, psychological, and social responses of complex acute care in emergent and rehabilitation settings.

327 MANAGEMENT AND LEADERSHIP DIMENSIONS **OF NURSING**

NUR 233, 235, 323, 325, 329, or conc reg req. Incl Clin Exp and lecture. Materials charge optional.

Exploration of professional nursing roles based upon management and leadership perspectives.

329 COMMUNITY HEALTH **NURSING: PRELICENSURE**

NUR 221, 225, 229; and 339 and or conc reg. Incl Clin Exp and lecture. Materials charge optional.

Community-based practice that emphasizes prevention strategies in the management of health care needs of individual families and aggregates in a variety of settings.

330 COMMUNITY HEALTH

NURSING: RN/BSN

RN license req. NUR maj only. NUR 223 or conc reg req. Incl Clin Exp and lecture. Not for cr if had NUR 442

Community-based practice that emphasizes prevention strategies in the management of health care needs of individual families and aggregates in a variety of settings.

331 NURSING THERAPEUTICS

ACROSS THE LIFE SPAN

RN license req. NUR maj only. NUR 223 or conc reg req. Formerly NUR 441.

Alternative therapies are emphasized. Research based nursing therapeutics to prevent, promote, and restore health for clients across the life span.

339 PATHOPHYSIOLOGY AND PHARMACOTHERAPEUTICS IN NURSING II: PRELICENSURE 2

NUR maj only. NUR 239 req. Materials charge optional. Examination of the mechanisms and theories related to the development of disease and the pharmacodynamic effects of therapeutic drugs on the human body.

340 PATHOPHYSIOLOGY AND PHARMACOTHERAPEUTICS IN NURSING II: RN/BSN

2

RN license req. NUR maj only. NUR 223 & 240 or conc reg req. Not for cr if had NUR 434 or NUR 339.

Examination of the mechanisms and theories related to the development of disease and the pharmacodynamic effects of therapeutic drugs on the human body.

341 PROFESSIONAL NURSING LEADERSHIP DIMENSIONS: CAPSTONE EXPERIENCE

4

RN license req. NUR maj only. NUR 223, 227, 236, 238, 240, 241, 330, 331, 340 req.

Synthesize and apply knowledge of leadership concepts and theories in professional nursing roles. Various leadership roles are carried out in the practicum project.

398 PROFESSIONAL PRACTICE: EXTERNSHIP IN NURSING

3

NUR 221, 223, 229, 239; 233 or 323; 231 or 329 req. Good academic standing; cons of Prof Prac Coord req.

Planned, supervised experience in a professional nursing role within a healthcare setting such as a hospital, clinic, physician's office, or public health department.

Faculty Information

Faculty whose names appear in the department faculty lists were teaching at the University during the previous fall semester. Because of sabbatical leaves, temporary assignments, research projects, and other reasons, not all of these faculty will be teaching in the period covered by this catalog.

Board of Trustees

The Board of Trustees is the governing board for Illinois State University. Members of the Board are:

Jay Bergman, Joliet Anne Davis, Chicago Carl E. Kasten, Carlinville Betty Kinser, Normal Joanne Maitland, Bloomington Michael McCuskey, Urbana Stanley Ommen, Bloomington Brett Schnepper, Champaign

University Administrative Officers

Clarence Alvin Bowman, President John W. Presley, Vice President and Provost Jan Shane, Associate Provost Stephen M. Bragg, Vice President of Finance and Planning

Dianne Ashby, Vice President, University

Cheryl A. Elzy, Dean of University Libraries

UNIVERSITY FACULTY AND ADMINISTRATIVE STAFF

The following is a list of faculty and administrative staff members as of the first semester of the 2006-07 Academic Year. The listing reflects Academic Ranks, Titles, Assignments and Departments of Employment effective during 2006-07. Only the highest academic degree is indicated for each faculty

Robert L. Aaron

Executive Director, University Marketing and Communications

M.S., University of Illinois-Urbana-Champaign

Jerry Wayne Abner

Assistant Director, University Marketing and Communications

M.S., Illinois State University

Majeed Abuniversity-Qulbain

Specialist, Computer Infrastructure

Support Services B.S., Illinois State University

Nobuko Adachi

Assistant Professor, Sociology and Anthropology Ph.D., University of Toronto

Lori J. Adams

Assistant Professor, School of Theatre M.F.A., University of Nebraska-Lincoln

Mark F. Adams

Faculty Associate, University High School B.S., Illinois State University

Mary Joan Adams

NTT Instructional Assistant Professor School of Kinesiology and Recreation M.S., Illinois State University

Melissa J. Adams

Coordinator, Hilia, Thomas Metcalf School M.S., in Ed., Illinois State University

Philip Adams

Assistant to President, Government Relations B.A., University of Illinois-Springfield

Steven L. Adams

Acting Vice President, Student Affairs B.S., Illinois Wesleyan University

William Harry Adams, Jr.

Faculty Associate, Thomas Metcalf School M.A., University of New Mexico

Agbenyega Adedze

Associate Professor, History

Ph.D., University of California-Los Angeles

Amelia D. Adkins

Associate Professor, Educational Administration and Foundations

Ph.D., University of North Carolina-Chapel Hill

Ama Oforiwaa Aduonum

Associate Professor, School of Music Mus.D., Florida State University

Raul A. Aguilar

Admissions Counselor B.S., Illinois State University

Kevin C. Ahlgrim

Assistant Professor, Finance, Insurance and Law Ph.D., University of Illinois-Urbana-Champaign

Brian T. Aitken
